### **To Participants in the Ballot Analysis Process:**

[Senate Bill 05-94](#) requires the Director of Research of the Legislative Council to conduct a public meeting before the draft of the statewide ballot information booklet is finalized. At that meeting, the director and other members of the legislative staff have the opportunity to ask questions that arise in response to the written comments received. An excerpt of the pertinent statute is included at the end of this email.

As required by [Senate Bill 05-94](#), the Director of Research will convene a meeting on **Friday, August 23, 2019, at 9:00 a.m.**, in **House Committee Room 0109** of the State Capitol on the following ballot analyses:

[Proposition CC: Retain State Government Revenue](#)

[Proposition DD: Legalization and Taxation of Sports Betting](#)

At this time, the legislative staff does not have any unanswered questions of the individuals who submitted written comments on the drafts of the ballot analyses. It is anticipated that the meeting will be very brief. No public testimony will be taken at the meeting.

Thank you for your interest and assistance thus far in the process.

Director of Research
