**FOOTNOTES** -- The following statements are referenced to the numbered footnotes throughout section 2.

- 2 Department of Agriculture, Agricultural Services Division; Department of Higher Education, Governing Boards and Local District Junior Colleges, State Board of Agriculture; Department of Natural Resources, State Board of Land Commissioners, State Trust Land Evaluations; Parks and Outdoor Recreation; and Division of Wildlife; and Department of Transportation, Construction, Maintenance, and Operations – Pursuant to Executive Order D00699 issued July 19, 1999, and requirements of Sections 35-5.5-104, 35-5.5-110, and 35-5.5-112, C.R.S., the State Weed Coordinator is requested to collaborate with the Departments of Agriculture, Higher Education, Natural Resources, and Transportation and prepare a report to be submitted to the Joint Budget Committee on or before September 1, 2001. This report should identify, by Division within each respective department, total FY 2000-01 actual expenditures by fund source, and FY 2001-02 total appropriations by fund source, for each weed management and control project in order to provide a centralized accounting of the total annual funds expended toward these efforts.
- 4 (Governor lined through this provision. See L. 2001, p. 2345.)
- 5 All Departments, Totals -- The General Assembly requests that copies of all reports requested in other footnotes contained in this act be delivered to the Joint Budget Committee and the majority and minority leadership in each house of the General Assembly. Each principal department of the state shall produce its rules in an electronic format that is suitable for public access through electronic means. Such rules in such format shall be submitted to the Office of Legislative Legal Services for publishing on the Internet. It is the intent of the General Assembly that this be done within existing resources.
- 33 Governor - Lieutenant Governor - State Planning and Budgeting, Economic Development Programs, Colorado First Customized Job Training; and Existing Industry Training; and Department of Higher Education, Division of Occupational Education, Colorado First Customized Job Training; and Existing Industry Training -- These programs

are requested to submit to the Joint Budget Committee by November 1, 2001, a detailed plan for accountability, including review criteria for selection of companies to participate, the number of new jobs created by the programs, the number of unemployed and underemployed individuals who were trained and employed by these programs, the amount of new personal income and state personal and corporate income tax generated by these programs, the time period for repayment of state investment in these programs, and the number of persons taken off state support programs and the money saved thereby. Up to ten percent of the Customized Job Training appropriation may be used to supplement the Existing Industry Training appropriation.

- 66 Department of Higher Education, Colorado Commission on Higher Education -- For the FY 2002-03 budget request, the Colorado Commission on Higher Education is directed to submit a unified budget request representing all functions performed by the Governing Boards and Local District Junior Colleges. This request should include the independent Colorado State University agencies and the various occupational education programs under the Colorado Community College and Occupational Education System. In recognition of the state's General Fund appropriation limitation, the Commission is directed to limit the total General Fund increase requested to no more than 6 percent.
- 67 (Governor lined through this provision. See L. 2001, p. 2353.).
