**FOOTNOTES** -- The following statements are referenced to the numbered footnotes throughout section 2.

46 Department of Law, Legal Services to State Agencies -- In making this appropriation, it is the intent of the General Assembly that hourly billing rates charged by the Department for legal services to state agencies not exceed \$77.15 per hour for attorneys and not exceed \$65.56 per hour for paralegals, which equates to a blended rate of \$75.10 per hour.

47 Department of Law, Special Purpose, Litigation Management and Technology Fund -- It is the intent of the General Assembly to grant the Department of Law additional flexibility by allowing the Department to use funds appropriated in this line item to address unanticipated state legal needs that arise during FY 2008-09, as well as information technology asset maintenance needs that would otherwise require General Fund appropriations during FY 2008-09. It is also the intent of the General Assembly that moneys spent from this fund shall not require the appropriation of additional FTE and will not be used for any type of salary increase, promotion, reclassification, or bonus related to any present or future FTE employed by the Department of Law. It is furthermore the intent of the General Assembly that moneys spent from this fund will not be used to offset present or future personal services deficits in any division in the Department. The Department is requested to submit a quarterly report to the Joint Budget Committee detailing the purpose for which moneys from this fund have been expended. Such a report is also requested with any supplemental requests for additional legal services funding within or outside of the Legal Services to State Agencies program.
