the testing service to recover the costs of the examination and the costs
of administering exam and license records from the applicant. The

recovered costs to be collected and retained by a single contractor for
distribution to other contractors. The commission shall have the authority
to set the minimum passing score that an applicant must receive on the

(c) If the person INDIVIDUAL so designated is refused a license by the real estate commission or ceases to be the designated broker of such THE partnership, limited liability company, or corporation, such THE entity may designate another person to make application for a license. If such
THE person ceases to be the designated broker of such THE partnership, limited liability company, or corporation, the director may issue a temporary license to prevent hardship for a period not to exceed ninety days to the licensed person so designated. The director may extend a temporary license for one additional period not to exceed ninety days upon proper application and a showing of good cause; if the director refuses, no further extension of a temporary license shall be granted except by the commission. If any broker or employee of any such partnership, limited liability company, or corporation, other than the one designated as provided in this section, desires to act as a real estate broker, such THE broker or employee shall first obtain a license as a real estate broker as provided in this section and shall pay the regular fee therefor.

(8) (7) The broker designated to act as broker for any partnership, limited liability company, or corporation is personally responsible for the handling of any and all earnest money deposits or escrow or trust funds received or disbursed by said THE partnership, limited liability company, or corporation. (b) The jurisdiction that issued the applicant a license or certificate to engage in the occupation of real estate appraisal has a law similar to this subsection (1) pursuant to which it licenses or certifies persons who are licensed real estate appraisers in this state.

(2) The board may specify, by rule, what constitutes substantially equivalent credentials and qualifications and the manner in which the board will review credentials and qualifications of an applicant.

(3) Pursuant to section 1122 (a) of Title XI of the federal "Financial Institutions Reform, Recovery, and Enforcement Act of 1989", Pub.L. 101-73, the board shall recognize, on a temporary basis, the license or certification of an appraiser issued by another state if:

(b) The appraiser applies for and is granted a temporary practice permit by the board.

12-10-612. [Formerly 12-61-712] Denial of license or certificate - renewal - definition. (1) The board may determine whether an applicant for licensure or certification possesses the necessary qualifications for licensure or certification required by this part 6. The board may consider such qualities as the applicant’s fitness and prior professional licensure and whether the applicant has been convicted of a crime. As used in this subsection (1), "applicant" includes any individual who owns, in whole or in part, directly or indirectly, an appraisal management company and any appraiser designated as a controlling appraiser by a partnership, limited liability company, or corporation acting as an appraisal management company.

(2) If the board determines that an applicant does not possess the applicable qualifications required by this part 6, or the applicant has violated this part 6, rules promulgated by the board, or any board order, the board may deny the applicant a license or certificate or deny the renewal or reinstatement of a license or certificate pursuant to section...
and, in such instance, the board shall provide the applicant with a statement in writing setting forth the basis of the board's determination that the applicant does not possess the qualifications or professional competence required by this part. The applicant may request a hearing on the determination as provided in section 24-4-104(9). C.R.S.

A certified copy of the judgment of a court of competent jurisdiction of the conviction or plea is conclusive evidence of the conviction or plea. In considering the disciplinary action, the board shall be governed by the provisions of section 24-5-101. C.R.S.

(b) Has violated, or attempted to violate, directly or indirectly, or assisted in or abetted the violation of, or conspired to violate this part, a rule promulgated pursuant to this part, or an order of the board issued pursuant to this part;

A certified copy of a malpractice judgment of a court of competent jurisdiction is conclusive evidence of the act or omission, but evidence of the act or omission is not limited to a malpractice judgment.

(h) Has performed appraisal services beyond his or her level of competency;

(i) Has been subject to an adverse or disciplinary action in another state, territory, or country relating to a license, certificate, or other authorization to practice as an appraiser. A disciplinary action relating to a license or certificate as an appraiser licensed or certified under this part or any related occupation in any other state, territory, or country for disciplinary reasons is prima facie evidence of grounds for disciplinary action or denial of licensure or certification by the board. This paragraph applies only to violations based upon acts or omissions in the other state, territory, or country that are also violations of this part.

(j) Has failed to disclose in the appraisal report the fee paid to the appraiser for a residential real property appraisal if the appraiser was engaged by an appraisal management company to complete the assignment; or

any provision of this section, the board may deny or refuse to renew the
license or certificate, or, as specified in subsections (3) and (6) of this
section, revoke or suspend the license or certificate, issue a letter of
admonition to a licensee or certified person, place a licensee or certified
person on probation, or impose public censure.

(3) When a complaint or an investigation discloses an instance of
misconduct by a licensed or certified appraiser that, in the opinion of the
board, does not warrant formal action by the board but should not be
dismissed as being without merit, the board may send a letter of
admonition by certified mail to the appraiser against whom a complaint
was made. The letter shall advise the appraiser of the right to make a
written request, within twenty days after receipt of the letter of
admonition, to the board to begin formal disciplinary proceedings as
provided in this section to adjudicate the conduct or acts on which the
letter was based.

(4) The board may start a proceeding for discipline of a licensee
or certified person when the board has reasonable grounds to believe that
a licensee or certified person has committed any act or failed to act
pursuant to the grounds established in subsection (1) of this section or
when a request for a hearing is timely made under subsection (3) of this
section.

(5) Disciplinary proceedings shall be conducted in the manner
prescribed by the "State Administrative Procedure Act", article 4 of title

(6) As authorized in subsection (2) of this section, disciplinary
actions by the board may consist of the following:

license or certificate by the board is for a period to be determined by the
board.

(c) **Probationary status.** The board may impose probationary
status on a licensee or certified person. If the board places a licensee or
certified person on probation, the board may include conditions for
continued practice that the board deems appropriate to assure that the
licensee or certified person is otherwise qualified to practice in
accordance with generally accepted professional standards of professional
appraisal practice, as specified in board rules, including any or all of the
following:

(I) A requirement that the licensee or certified person take courses
of training or education as needed to correct deficiencies found in the
hearing;

necessary to determine the quality of the practice and to correct
deficiencies in the practice; and

-65-
(III) The imposition of restrictions upon the nature of his or her appraisal practice to assure that he or she does not practice beyond the limits of his or her capabilities.

(d) **Public censure.** If, after notice and hearing, the director or the director’s designee determines that the licensee or certified person has committed any of the acts specified in this section, the board may impose public censure.

(7) In addition to any other discipline imposed pursuant to this section, any person who violates this part \( \text{7} \) or the rules promulgated pursuant to this article \( \text{10} \) may be penalized by the board upon a finding of a violation pursuant to article \( \text{4} \) of title \( \text{24} \) C.R.S.; as follows:

(8) A person participating in good faith in making a complaint or report or participating in an investigative or administrative proceeding before the board pursuant to this article \( \text{10} \) is immune from any liability, civil or criminal, that otherwise might result by reason of the action.

(9) A licensee or certified person who has direct knowledge that a person has violated this part \( \text{7} \) shall report his or her knowledge to the board.

(10) The board, on its own motion or upon application at any time after the imposition of discipline as provided in this section, may reconsider its prior action and reinstate or restore a license or certificate, terminate probation, or reduce the severity of its prior disciplinary action. The decision of whether to take any further action or hold a hearing with respect to a prior disciplinary action rests in the sole discretion of the board.

(c) Influencing or attempting to influence the development,
reporting, result, or review of a real estate appraisal or the engagement of

(II) Provide further detail, substantiation, or explanation for the
apraiser's value conclusion; or

(III) Correct errors in the appraisal report.

pertinent to the completion of an appraisal assignment; except that this
paragraph (d) SUBSECTION (1)(d) does not apply to communications
between an appraiser and an appraisal management company's client if
the client has adopted an explicit policy prohibiting such THE
communication. If the client has adopted an explicit policy prohibiting
communication by the appraiser with the client, communication by an
apraiser to the client must be made in writing and submitted to the
appraisal management company.

apraiser hired or engaged to complete an appraisal assignment;

(j) Failing to disclose to an appraiser, at the time of engagement,
the identity of the client;
(k) Using an appraisal report for a client other than the one originally contracted with, without the original client's written consent;

(n) Having been the subject of an adverse or disciplinary action in another state, territory, or country relating to a license, registration, certification, or other authorization to practice as an appraisal management company. A disciplinary action relating to a registration, license, or certificate as an appraisal management company under this part 7 or any related occupation in any other state, territory, or country for disciplinary reasons is prima facie evidence of grounds for disciplinary action or denial of a license by the board. This paragraph (n) of subsection (1)(n) applies only to violations based upon acts or omissions in the other state, territory, or country that would violate this part 7 if committed in Colorado.

(o) Violating the "Colorado Consumer Protection Act", article 1 of title 6; C.R.S.;

(e) The fee required pursuant to subsection (6) of this section.

(6) A landowner submitting an application for a tax credit certificate pursuant to this section or an application for an optional preliminary advisory opinion pursuant to subsection (14) of this section shall pay the division a fee as prescribed by the division. The application fee for an optional preliminary advisory opinion may be a different dollar amount than the application fee for a tax credit certificate. The fees must be adequate to pay for the administrative costs of the division and the commission in administering the requirements of this section, but not so high as to act as a disincentive to the creation of conservation easements in the state. The state treasurer shall credit the fees collected pursuant to this subsection (6) to the conservation cash fund created in section 12-61-1107 12-15-107. On or before January 1, 2014, and on or before each January 1 thereafter, the division shall certify to the general assembly the amount of any fees prescribed by the division pursuant to this subsection (6).

(7) (a) If, during the review of an application for a tax credit certificate, the director or the commission identifies any potential deficiencies, the director or commission shall document the potential deficiencies in a letter sent to the landowner by first-class mail. The division shall send letters documenting potential deficiencies to landowners in a timely manner so that the number of days between the date a completed application is received by the division and the mailing date of the division’s letter to the landowner does not exceed one hundred twenty days.

(b) The landowner has sixty days after the mailing date of the division’s letter to address the potential deficiencies identified by the director and the commission and provide additional information or
documentation that the director or the commission deems necessary to make a final determination regarding the application.

(c) The director and the commission have ninety days after the date of receipt of any additional information or documentation provided by the landowner to review the information and documentation and make a final determination regarding the application.

(d) The deadlines prescribed by this subsection (7) may be extended upon mutual agreement between the director and the commission and the landowner.

(8) The director or the commission may deny an application if the landowner:

(a) Has not demonstrated to the satisfaction of the director or the commission that the application complies with any requirement of this part 11 ARTICLE 15;

(b) Does not provide the information and documentation required pursuant to this part 11 ARTICLE 15; or

(c) Fails to timely respond to any written request or notice from the division, the director, or the commission.

(9) If the director reasonably believes that any appraisal submitted in accordance with this section is not credible, the director, after consultation with the commission, may request that the landowner, at the landowner's expense, obtain either a second appraisal or a review of the appraisal submitted with the application from an appraiser who meets the requirements of part 7 6 of this article 61 ARTICLE 10 OF THIS TITLE and is in good standing with the board before making a final determination regarding the application.

(10) If the director and the commission do not identify any potential deficiencies with an application, the director and the commission shall approve the application, and the division shall issue a tax credit certificate to the landowner pursuant to section 12-61-1105 12-15-105 in a timely manner so that the number of days between the date a completed application is received by the division and the date the tax credit certificate is issued does not exceed one hundred twenty days. Once a tax credit certificate is issued, the landowner may claim and use the tax credit subject to any other applicable procedures and requirements under title 39.

(11) (a) If all potential deficiencies that have been identified are subsequently addressed to the satisfaction of the director and the commission, the director and the commission shall approve the application, and the division shall issue a tax credit certificate to the landowner pursuant to section 12-61-1105 12-15-105. Once a tax credit certificate is issued, the landowner may claim and use the tax credit subject to any other applicable procedures and requirements under title 39.

(b) If any potential deficiencies that have been identified are not subsequently addressed to the satisfaction of the director and the commission, the division shall issue a written denial of the application to the landowner documenting those deficiencies that were the specific basis for the denial. The division shall date the written denial and send it by first-class mail to the landowner at the address provided by the landowner on the application. The director may act on behalf of the commission for purposes of administering the process for issuing approvals and denials.
of applications and for administering subsection (12) of this section.

(12) (a) The landowner may appeal to the director either the
director's or the commission's denial of an application, in writing, within
thirty days after the issuance of the denial. This written appeal constitutes
a request for an administrative hearing.
(b) If the landowner fails to appeal the denial of an application
within thirty days after the issuance of the denial, the denial becomes
final, and the division shall not issue a tax credit certificate to the
landowner.
(c) Administrative hearings must be conducted in accordance with
section 24-4-105. At the discretion of the director, hearings may be
conducted by an authorized representative of the director or the
commission or an administrative law judge from the office of
administrative courts in the department of personnel. All hearings must
be held in the county where the division is located unless the director
designates otherwise. The decision of the director or the commission is
subject to judicial review by the court of appeals and is subject to the
provisions of section 24-4-106.
(d) In conducting settlement discussions with a landowner, the
director and the commission may compromise on any of the deficiencies
identified in the application and supporting documentation, including the
dollar amount of the tax credit certificate to be issued. The director shall
place on file in the division a record of any compromise and the reasons
for the compromise.
(e) The director may promulgate rules pursuant to article 4 of title
24 to effectuate the purposes of this subsection (12).

(13) (a) Commencing with the 2014 calendar year, and for each
calendar year thereafter, the division shall create a report, which shall be
made available to the public, containing the following aggregate
information:
(I) The total number of tax credit certificate applications received,
approved, and denied in accordance with this section, along with average
processing times;
(II) For applications approved in accordance with this section:
(A) The total acreage under easement summarized by the
allowable conservation purposes as defined in section 170 (h) of the
federal "Internal Revenue Code of 1986", as amended, and any federal
regulations promulgated in connection with such THAT section;
(B) The total appraised value of the easements;
(C) The total donated value of the easements; and
(D) The total dollar amount of tax credit certificates issued.
(b) The division may include additional easement-specific
information in the public report that, notwithstanding the provisions of
this part 11 ARTICLE 15 or any other law to the contrary, would otherwise
be publicly available.
(c) The director is authorized to share publicly available
information regarding conservation easements with a third-party vendor
for the purpose of developing and maintaining a registry of conservation
easements in the state with a corresponding map displaying the
boundaries of each easement in the state relative to county boundaries and
other relevant mapping information. Prior to sharing the information, the
director shall consult with the commission regarding the appropriate types
of information and the methods used for collecting the information. The department of regulatory agencies shall annually report on the information contained in the registry as a part of its presentation to its committee of reference at a hearing held pursuant to section 2-7-203 (2)(a) of the "State Measurement for Accountable, Responsive, and Transparent (SMART) Government Act". The information to be shared shall include the following:

(I) Any deeds, contracts, or other instruments creating, assigning, or terminating the easement, including the reception numbers on all instruments;

(II) The location and acreage of each easement, delineated by county;

(III) The name of the original grantor of the easement and the name of the original grantee of the easement.

(IV) Whether the holder of the easement is a certified organization pursuant to section 12-61-1104 12-15-104;

(V) The conservation purposes of the easement; and

(VI) If a tax credit was issued.

(14) (a) In addition to the tax credit certificate application process set forth in this section, a landowner may submit a proposed conservation easement donation to the division to obtain an optional preliminary advisory opinion regarding the transaction. The opinion may address the proposed deed of conservation easement, appraisal, conservation purpose, or other relevant aspect of the transaction.

(b) The division, the director, and the commission shall review the information and documentation provided in a manner consistent with the scope of their authority and responsibilities for reviewing tax credit certificate applications as outlined in subsection (3) of this section and issue either a favorable opinion or a nonfavorable opinion.

(c) The director or the commission may request that the landowner submit additional information or documentation that the director or the commission deems necessary to complete the review and issue an opinion.

(d) A nonfavorable opinion shall set forth any potential deficiencies identified by the director or the commission and that fall within the scope of the director's and the commission's review of the conservation easement transaction. The preliminary opinion is advisory only and is not binding for any purpose upon the division, the director, the commission, or the department of revenue.

(15) The division may promulgate rules to effectuate the purpose, implementation, and administration of this section pursuant to article 4 of title 24. The authority to promulgate rules includes the authority to define further in rule the administrative processes and requirements, including application processing and review time frames, for obtaining and issuing an optional preliminary advisory opinion pursuant to subsection (14) of this section.

(16) Notwithstanding the provisions of the "Colorado Open Records Act", part 2 of article 72 of title 24, the division, the director, and the commission shall deny the right of public inspection of any documentation or other record related to information obtained as part of an individual landowner's application for a tax credit certificate or an optional preliminary advisory opinion pursuant to the requirements of this
section, including documentation or other records related to
administrative hearings and settlement discussions held pursuant to
subsection (12) of this section. The division, the director, and the
commission may share documentation or other records related to
information obtained pursuant to this section with the department of
revenue.

(17) Nothing in this section affects any tax credit that is claimed
or used pursuant to section 39-22-522 for conservation easement
donations occurring prior to January 1, 2014.

12-15-107. [Formerly 12-61-1107] Conservation cash fund -
repeal. (1) There is hereby created in the state treasury the conservation
cash fund, which consists of any money transferred pursuant to
section 12-61-1104 SECTIONS 12-15-104 and 12-61-1106 12-15-106 and
any gifts, grants, and donations provided to carry out the purposes of this
part 11 ARTICLE 15. All money in the fund shall be used as provided in
this part 11 ARTICLE 15. Interest earned on the fund shall remain in the
fund and shall not be deposited in or transferred to the general fund or any
other fund.

(2) (a) As soon as practicable after May 29, 2018, the state
treasurer shall transfer to the conservation cash fund any money in the division of real estate cash fund created in the section 12-61-111.5
12-10-215 that are attributable to any fees, gifts, grants, or donations
credited to the division of real estate cash fund in accordance with section
12-61-724 (3) or section 12-61-727 that are in the fund immediately prior
to the repeal of sections 12-61-724 and 12-61-727.

(b) This subsection (2) is repealed effective July 1, 2019.
