(b) When the director sends a letter of admonition to a registrant, the director shall
inform the registrant that he or she has the right to request in writing, within twenty days after receipt of the letter, that the director initiate formal disciplinary proceedings to adjudicate the propriety of the conduct upon which the letter of admonition is based.

(8) When a complaint or an investigation discloses an instance of misconduct that, in the opinion of the director, warrants formal action, the complaint shall not be resolved by a deferred settlement, action, judgment, or prosecution.

(9) (a) If it appears to the director, based upon credible evidence as presented in a written complaint by any person, that a registrant is acting in a manner that is an imminent threat to the health and safety of the public or a person is acting or has acted without the required registration, the director may issue an order to cease and desist such activity. The order shall set forth the statutes and rules alleged to have been violated, the facts alleged to have constituted the violation, and the requirement that all unlawful acts or unregistered practices immediately cease.

(II) If a person against whom an order to show cause has been issued pursuant to paragraph (a) of this subsection (10) does not appear at the hearing, the director may present evidence that notification was properly sent or served upon such person pursuant to paragraph (b) of this subsection (10) and such other evidence related to the matter as the director deems appropriate. The director shall issue the order within ten days after the director's determination related to reasonable attempts to notify the respondent, and the order shall become final as to that person by operation of law. Such hearing shall be conducted pursuant to sections 24-4-104 and 24-4-105, C.R.S.

(III) If the director reasonably finds that the person against whom the order to show cause was issued is acting or has acted without the required registration or has or is about to engage in acts or practices constituting violations of this article, a final cease-and-desist order may be issued directing such person to cease and desist from further unlawful acts or unregistered practices.

(IV) The director shall provide notice, in the manner set forth in paragraph (b) of this subsection (10), of the final cease-and-desist order within ten calendar days after the hearing conducted pursuant to this paragraph (c) to each person against whom the final order has been issued. The final order issued pursuant to subparagraph (III) of this paragraph (c) shall be effective when issued and shall be a final order for purposes of judicial review.

(13) A person aggrieved by the final cease-and-desist order may seek judicial review
of the director's determination or of the director's final order in a court of competent
jurisdiction.

(7) The director may issue cease-and-desist orders under the
circumstances and in accordance with the procedures specified in section
