

FINAL PROPOSAL

1 **12-30-201. [Formerly 12-36.5-101] Legislative declaration.** (1) The general
2 assembly hereby finds, determines, and declares that the Colorado medical board created in
3 article ~~36 240~~ of this title *12* and the state board of nursing created in article ~~38 255~~ of this
4 title *12* act for the state in their sovereign capacity to govern licensure, discipline, and
5 professional review of persons licensed to practice medicine, PERSONS licensed as physician
6 assistants, and ~~licensed to practice nursing and granted authority as~~ advanced practice
7 nurses, respectively, in this state. The general assembly further finds, determines, and
8 declares that:

9 (a) The authority to provide health care in this state is a privilege granted by the
10 legislative authority of the state; and

11 (b) It is necessary for the health, safety, and welfare of the people of this state that
12 the appropriate regulatory boards exercise their authority to protect the people of this state
13 from unauthorized practice and unprofessional conduct by persons licensed to provide health
14 care under articles ~~36 240~~ and ~~38 255~~ of this title *12*.

15 (2) The general assembly recognizes that:

16 (a) Many patients of persons licensed to provide health care in this state have
17 restricted choices of health care providers under a variety of circumstances and conditions;

18 (b) Many patients lack the knowledge, experience, or education to properly evaluate
19 the quality of medical or nursing practice or the professional conduct of ~~those~~ PERSONS
20 licensed to practice medicine, PERSONS licensed to act as physician assistants, and ~~licensed~~
21 ~~to practice nursing and granted authority as~~ advanced practice nurses; and

22 (c) It is necessary and proper that the respective regulatory boards exercise their
23 regulatory authority to protect the health, safety, and welfare of the people of this state.

24 (3) The general assembly recognizes that, in the proper exercise of their authority and
25 responsibilities under this ~~article~~ PART 2, the Colorado medical board and the state board of
26 nursing must, to some extent, replace competition with regulation, and that the replacement
27 of competition by regulation, particularly with regard to persons licensed under article ~~36~~
28 ~~240~~ of this title *12* or ~~licensed under article 38 of this title and granted authority as~~ TO
29 advanced practice nurses, is related to a legitimate state interest in the protection of the
30 health, safety, and welfare of the people of this state.

5 (1) (a) The general assembly recognizes that:

6 (I) The medical board and the nursing board, while assuming and retaining ultimate
7 authority for licensure and discipline in accordance with articles ~~36 240~~ and ~~38 255~~ of this
8 title **12**, respectively, and in accordance with this ~~article~~ PART 2, cannot practically and
9 economically assume responsibility over every single allegation or instance of purported
10 deviation from the standards of quality for the practice of medicine or nursing, from the
11 standards of professional conduct, or from the standards of appropriate care; and

12 (II) An attempt to exercise such oversight would result in extraordinary delays in the
13 determination of the legitimacy of the allegations and would result in the inappropriate and
14 unequal exercise of their authority to license and discipline persons licensed under article
15 ~~36 240~~ of this title **12** or ~~licensed under article 38 of this title and granted authority as~~
16 advanced practice nurses.

17 (b) It is therefore the intent of the general assembly that the medical board and the
18 nursing board utilize and allow professional review committees and governing boards to
19 assist them in meeting their responsibilities under articles ~~36 240~~ and ~~38 255~~ of this title **12**,
20 respectively, and under this ~~article~~ PART 2.

26 advanced practice nurses, including the competence, professional conduct of, or the quality
27 and appropriateness of patient care provided by, those persons.

28 (3) (a) The use of professional review committees is an extension of the authority of
29 the medical board and nursing board. However, except as otherwise provided in this ~~article~~
30 PART 2, nothing in this ~~article~~ PART 2 limits the authority of professional review committees
31 properly constituted under this ~~article~~ PART 2.

32 (b) Professional review committees, the members who constitute the committees,
33 governing boards, authorized entities, and persons who participate directly or indirectly in
34 professional review activities are granted certain immunities from liability arising from
35 actions that are within the scope of their activities as provided in section ~~12-36.5-105~~
36 **12-30-207**. These grants of immunity from liability are necessary to ensure that professional
