(II) Allow the board or its designee to conduct a periodic audit of records of the review committee. A person designated by the board to conduct the audit must be a licensed or retired dentist from any state. The board or its designee shall conduct the audit no more than twice annually. If any pattern of behavior of a licensee is identified that may constitute reasonable grounds to believe there has been a violation of this article 220, all relevant records of the review committee are subject to a subpoena issued by the board.

(d) (I) The proceedings and records of a review committee must be held in confidence and are not subject to discovery or introduction into evidence in any civil action against a dentist arising out of the matters that are the subject of evaluation and review by the committee. However, records of closed proceedings and investigations are available to the particular licensee under review and the complainant involved in the proceedings.

(II) A person who was in attendance at a meeting of the committee shall not be permitted or required to testify in any civil action as to any evidence or other matters produced or presented during the proceedings of the committee or as to any findings, recommendations, evaluations, opinions, or other actions of the committee or any members of the committee. six members each.

(2) Each panel shall act as both an inquiry panel and a hearing panel. The

may be a member of both panels, but neither the chairperson nor any other member who has
considered a complaint as a member of a panel acting as an inquiry panel shall take any part
in the consideration of a formal complaint involving the same matter.

(3) If the inquiry panel refers a matter for formal hearing, the hearing panel or a
committee of the hearing panel shall hear the matter. However, in its discretion, either
inquiry panel may elect to refer a case for formal hearing to a qualified administrative law
judge in lieu of a hearing panel of the board for an initial decision pursuant to section
24-4-105. C.R.S.

(4) A licensee who is the subject of an initial decision by an administrative law
judge, or by the hearing panel that would have heard the case upon its own motion, may seek
review of the initial decision pursuant to section 24-4-105 (14) and (15) C.R.S., by filing an
exception to the initial decision with the hearing panel that would have heard the case if it
had not been referred to an administrative law judge. The respondent or the board's counsel
may file the exception.

(5) The inquiry panel to whom an investigation is assigned shall supervise the
investigation, and the person conducting the investigation shall report the results of the

may issue an order to cease and desist the activity. The board shall set forth in the order the
statutes and rules the person is alleged to have violated, the facts alleged to constitute the
violation, and the requirement that all unlawful acts or unlicensed practices immediately
cease.

(b) Within ten days after service of the order to cease and desist pursuant to
paragraph (a) of this subsection (1), the respondent may request a hearing on the question of whether acts or practices in violation of this part 1 have occurred. The board or an administrative law judge, as applicable, shall conduct the hearing in accordance with sections 24-4-104 and 24-4-105, C.R.S.

(2) (a) If it appears to the board, based upon credible evidence as presented in a written complaint by any person, that a person has violated any other portion of this part 1, then, in addition to any specific powers granted pursuant to this part 1, the board may issue to the person an order to show cause as to why the board should not issue a final order directing the person to cease and desist from the unlawful act or unlicensed practice:

(b) The board shall promptly notify the person against whom it issues an order to show cause pursuant to paragraph (a) of this subsection (2) of the issuance of the order and shall include in the notice a copy of the order, the factual and legal basis for the order, and the date set by the board for a hearing on the order. The board may serve the notice by personal service, by first-class United States mail, postage prepaid, or by other means as may be practicable. Personal service or mailing of an order or document pursuant to this subsection (2) constitutes notice to the person:

(c) (I) The board shall commence the hearing on an order to show cause no sooner than ten and no later than forty-five calendar days after the date of transmission or service of the notification as provided in paragraph (b) of this subsection (2). The board may continue the hearing by agreement of all parties based upon the complexity of the matter, number of parties to the matter, and legal issues presented in the matter, but in no event shall the board commence the hearing later than sixty calendar days after the date of transmission or service of the notification.

(II) If the person against whom the board has issued the order to show cause pursuant to paragraph (a) of this subsection (2) does not appear at the hearing, the board may present evidence that notification was properly sent or served upon the person pursuant to paragraph (b) of this subsection (2) and other evidence related to the matter as the board deems appropriate. The board shall issue the order within ten days after the board's determination related to reasonable attempts to notify the respondent, and the order becomes final as to that person by operation of law. The board or an administrative law judge, as applicable, shall conduct the hearing in accordance with sections 24-4-104 and 24-4-105, C.R.S.

(III) If the board reasonably finds that the person against whom the order to show cause was issued is acting or has acted without the required license or has or is about to engage in acts or practices constituting violations of this part 1, the board may issue a final cease-and-desist order directing the person to cease and desist from further unlawful acts or unlicensed practices.
(IV) The board shall provide notice, in the manner set forth in paragraph (b) of this subsection (2), of the final cease-and-desist order within ten calendar days after the hearing conducted pursuant to this paragraph (c) to each person against whom the final order is issued. The final order issued pursuant to subparagraph (III) of this paragraph (c) is effective when issued and is a final order for purposes of judicial review.

(3) If it appears to the board, based upon credible evidence presented to the board, that a person has engaged in or is about to engage in an unlicensed act or practice; an act or practice constituting a violation of this part 1, a rule promulgated pursuant to this part 1, or an order issued pursuant to this part 1; or an act or practice constituting grounds for administrative sanction pursuant to this part 1, the board may enter into a stipulation with the person:

(4) If a person fails to comply with a final cease-and-desist order or a stipulation, the board may request the attorney general or the district attorney for the judicial district in which the alleged violation exists to bring, and if so requested the attorney shall bring, suit for a temporary restraining order and for injunctive relief to prevent any further or continued violation of the final order.

(5) A person aggrieved by the final cease-and-desist order may seek judicial review of the board's determination or of the board's final order as provided in section 12-35-130.

The board may issue cease-and-desist orders under the circumstances and in accordance with the procedures specified in section 12-20-405. <{Redundant with cease-and-desist orders common provision, 12-20-405.}>}

12-220-135. [Formerly 12-35-129.5] Mental and physical examinations. (1) (a) If the board has reasonable cause to believe that a person licensed to practice dentistry or dental hygiene in this state is unable to practice dentistry or dental hygiene with reasonable skill and safety to patients because of a physical or mental disability or because of excessive use of alcohol, a habit-forming drug or substance, or a controlled substance, as defined in section 18-18-102 (5), C.R.S., the board, in accordance with section 12-30-108, may require the licensed dentist or dental hygienist to submit to a mental or physical examination by a qualified professional designated by the board <{Added reference to mental/physical exams common provision, 12-30-108.}>.

(b) Upon the failure of the licensed dentist or dental hygienist to submit to a mental or physical examination required by the board, unless the failure is due to circumstances beyond the dentist's or dental hygienist's control, the board may suspend the dentist's or dental hygienist's license to practice dentistry or dental hygiene in this state until the dentist or dental hygienist submits to the examination. <{Paragraph (b) redundant with
mental/physical exams common provision, 12-30-108 (1)(b).>

(2) Every person licensed to practice dentistry or dental hygiene in this state is deemed, by so practicing or by applying for a renewal of the person's license to practice dentistry or dental hygiene in this state, to have:

(a) Given consent to submit to a mental or physical examination when directed in writing by the board; and

(b) Waived all objections to the admissibility of the examining qualified professional's testimony or examination reports on the ground of privileged communication.

Subsection (2) redundant with mental/physical exams common provision, 12-30-108 (2), 1st and 2nd sentences.>

(3) The results of any mental or physical examination ordered by the board cannot be used as evidence in any proceeding other than before the board. Redundant with mental/physical exams common provision, 12-30-108 (3).>

Note that the mental/physical exams common provision contains language that does not appear in the dental practice provision. See, specifically, 12-30-108 (2), 3rd sentence, which specifies that the licensee is deemed to have waived objections to the production of medical records to the regulator. Does this sentence need to be excepted in the context of the dental practice act? YES, need to except that sentence for dental practice act.>

(1) If a licensed dentist or dental hygienist has a physical illness; a physical condition; or a behavioral or mental health disorder that renders him or her unable to practice dentistry or dental hygiene with reasonable skill and safety to clients, the dentist or dental hygienist shall notify the board of the physical illness; the physical condition; or the behavioral or mental health disorder in a manner and within a period determined by the board. The board may require the dentist or dental hygienist to submit to an examination to evaluate the extent of the physical illness; the physical condition; or the behavioral or mental health disorder and its impact on the dentist's or dental hygienist's ability to practice dentistry or dental hygiene with reasonable skill and safety to patients:

(2) (a) Upon determining that a dentist or dental hygienist with a physical illness; a physical condition; or a behavioral or mental health disorder is able to render limited services with reasonable skill and safety to patients, the board may enter into a confidential agreement with the dentist or dental hygienist in which the dentist or dental hygienist agrees to limit his or her practice based on the restrictions imposed by the physical illness; the physical condition; or the behavioral or mental health disorder, as determined by the board:
(b) As part of the agreement, the dentist or dental hygienist is subject to periodic reevaluations or monitoring as determined appropriate by the board:

(c) The parties may modify or dissolve the agreement as necessary based on the results of a reevaluation or of monitoring:

(3) By entering into an agreement with the board pursuant to this section to limit his or her practice, a dentist or dental hygienist is not engaging in activities prohibited pursuant to section 12-35-129 (1). The agreement does not constitute a restriction or discipline by the board. However, if the dentist or dental hygienist fails to comply with the terms of an agreement entered into pursuant to this section, the failure constitutes a prohibited activity pursuant to section 12-35-129 (1)(j), and the dentist or dental hygienist is subject to discipline in accordance with section 12-35-129:

(4) This section does not apply to a dentist or dental hygienist subject to discipline for prohibited activities as described in section 12-35-129 (1)(e):

PART 2

SAFETY TRAINING FOR UNLICENSED X RAY TECHNICIANS

12-220-201. [Formerly 12-35-201] Legislative declaration. (1) The general assembly hereby finds, determines, and declares that public exposure to the hazards of
ionizing radiation used for diagnostic purposes should be minimized wherever possible. Accordingly, the general assembly finds, determines, and declares that for any dentist or dental hygienist to allow an untrained person to operate a machine source of ionizing radiation, including without limitation a device commonly known as an "X ray machine", or to administer such radiation to a patient for diagnostic purposes is a threat to the public health and safety.

(2) It is the intent of the general assembly that dentists and dental hygienists utilizing unlicensed persons in their practices provide those persons with a minimum level of education and training before allowing them to operate machine sources of ionizing radiation; however, it is not the general assembly's intent to discourage education and training beyond this minimum. It is further the intent of the general assembly that established minimum training and education requirements correspond as closely as possible to the requirements of each particular work setting as determined by the Colorado dental board pursuant to this part 2.

(3) The general assembly seeks to ensure, and accordingly declares its intent, that in promulgating the rules authorized by this part 2, the board will make every effort, consistent with its other statutory duties, to avoid creating a shortage of qualified individuals to operate machine sources of ionizing radiation for beneficial medical purposes in any area of the state.

12-220-202. [Formerly 12-35-202] Board authorized to issue rules - definition. (1) (a) The Colorado dental board shall adopt rules prescribing minimum standards for the qualifications, education, and training of unlicensed persons operating machine sources of ionizing radiation and administering radiation to patients for diagnostic medical use. A licensed dentist or dental hygienist shall not allow an unlicensed person to operate a machine source of ionizing radiation or to administer radiation to any patient unless the person meets standards then in effect under rules adopted pursuant to this section. The board may adopt rules allowing a grace period in which newly hired operators of machine sources of ionizing radiation are to receive the training required by this section.

(b) For purposes of this part 2, "unlicensed person" means a person who does not hold a current and active license entitling the person to practice dentistry or dental hygiene under the provisions of this article 220.

(2) The board shall seek the assistance of licensed dentists or licensed dental hygienists in developing and formulating the rules promulgated pursuant to this section.

(3) The required number of hours of training and education for all unlicensed
persons operating machine sources of ionizing radiation and administering such radiation to patients shall be established by the board by rule. This standard shall apply to all persons in dental settings other than hospitals and similar facilities licensed by the department of public health and environment pursuant to section 25-1.5-103. C.R.S. Such training and education may be obtained through programs approved by the appropriate authority of any state or through equivalent programs and training experience, including on-the-job training as determined by the board.
