### Committee Charge

Pursuant to state law, the TLRC must meet at least once a year to:

- provide guidance and direction to CDOT on the development of the state transportation system;
- provide legislative oversight of and input into such state transportation system development;
- provide guidance and direction to the Department of Revenue (DOR) or any other state agency or political subdivision of the state that regulates motor vehicles or traffic;
- examine the problem of uninsured motorists; and review all transportation, traffic, and motor vehicle legislation, and make recommendations for additional legislation as necessary.

During the 2024 legislative interim only, the TLRC must study the issues of:

- enforcement of impaired driving offenses, including situations involving a driver who refuses to take or complete a blood or breath test as required by law;
- careless driving that results in accidental death; and
- the appropriate penalty for failing to maintain motor vehicle or low-powered scooter insurance and present evidence of insurance to a requesting officer.

### Recommended Legislation

As a result of committee discussion and deliberation, the committee recommends the following bills for consideration in the 2025 legislative session.

#### **Bill A – Increase Transport Mode Choice Reduce Emissions**

The bill requires the Department of Transportation, metropolitan planning organizations, local governments, and subject transit providers to implement plans to increase transportation mode choice.

#### **Bill B – Motor Vehicle Regulation Administration**

The bill makes various changes to policy on motor vehicle registration and state identification credentials, and establishes vehicular document piracy as a new civil infraction.

#### **Bill C – Local Funding for Vulnerable Road User Protection**

The bill authorizes local governments to impose vehicle registration fees to fund vulnerable road user protection strategies.

#### **Bill D – Railroad Investigative Report Confidentiality**

The bill repeals the confidentiality requirement for investigative reports of railroads, with exceptions for certain ongoing investigations and security information.

#### **Bill E – Paratransit Services**

The bill imposes new duties on any entities providing paratransit services in the state and creates the Paratransit Task Force
