

Washington State Commute Trip Reduction

Brian Lagerberg and Patrick Green, Public Transportation Division

Colorado Transportation Legislation Review Committee
August 16, 2024

Welcome to Washington

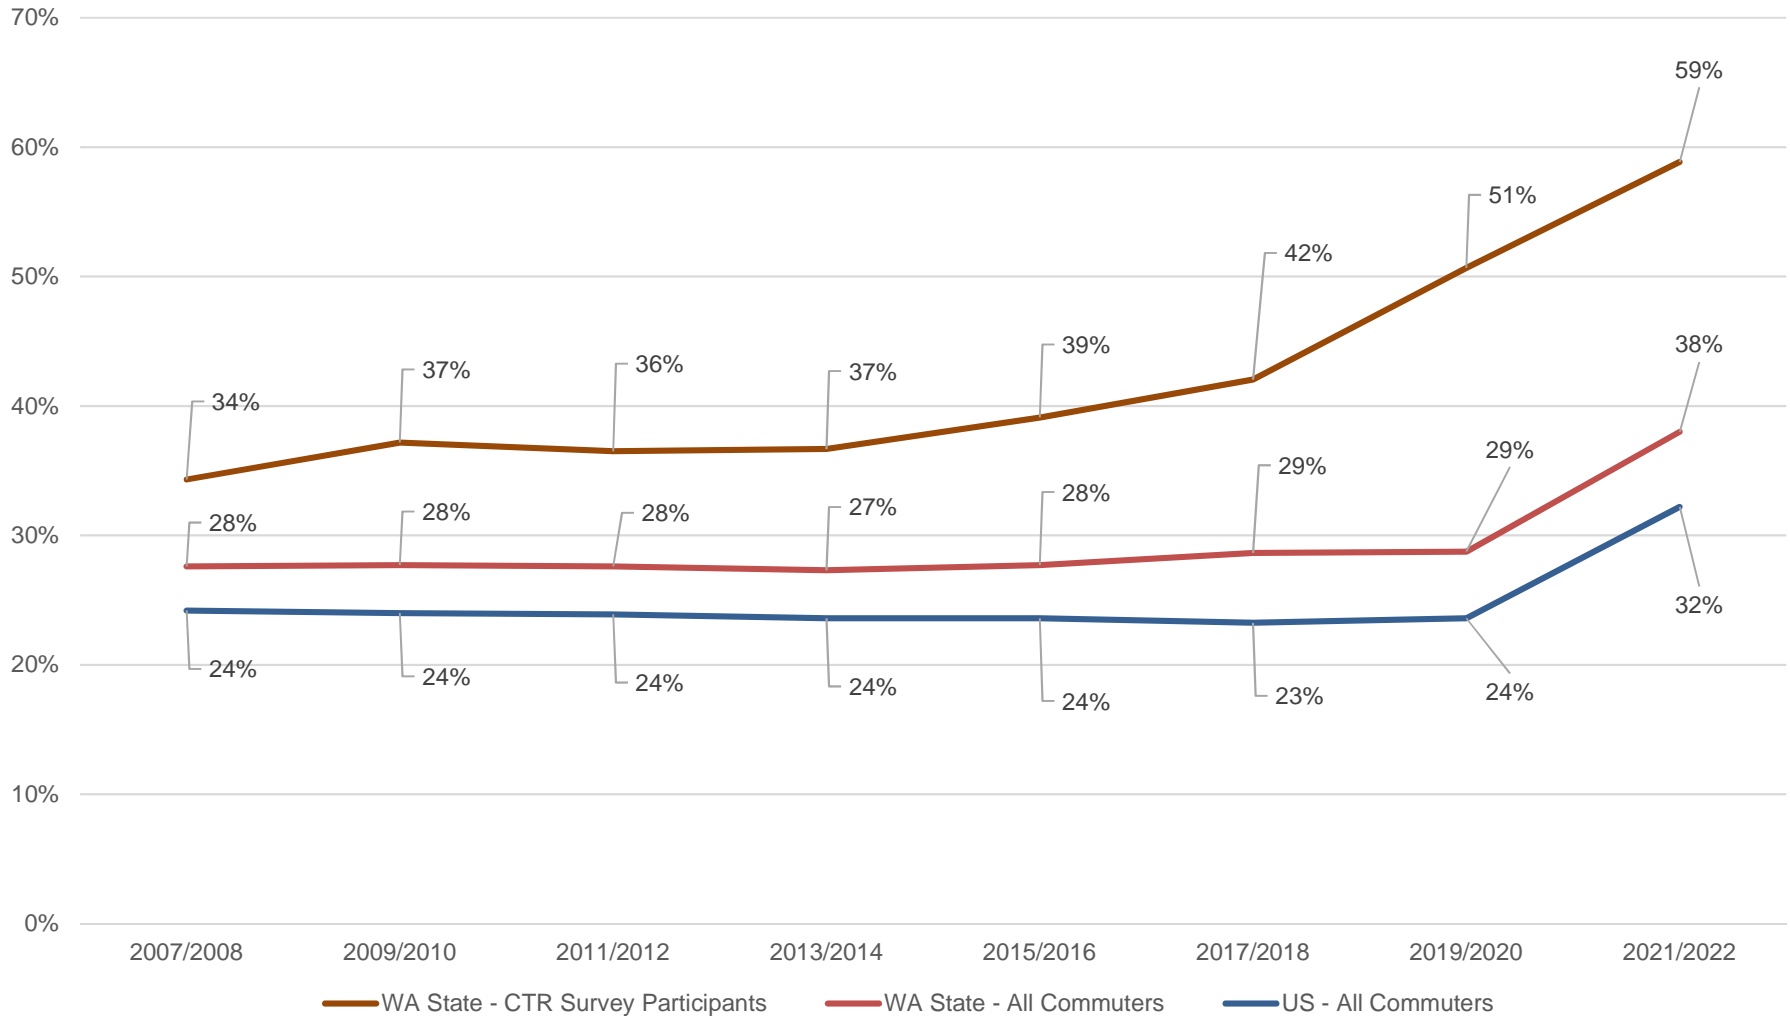

Transportation demand management

Transportation options, motivation, and infrastructure that enhance access to and use of transportation network capacity.

TDM highlights

- Statewide Commute Trip Reduction
- Park and rides
- Transit expansions
- HOV lanes
- Tolling
- Telework
- Vanpools
- ORCA Lift transit pass program
- Safe Routes To Schools
- Private transit (e.g. Microsoft Connector and UW Health Express)
- Transit passes (e.g. ORCA)

Commuters in the CTR program significantly increased their use of non-drive-alone modes

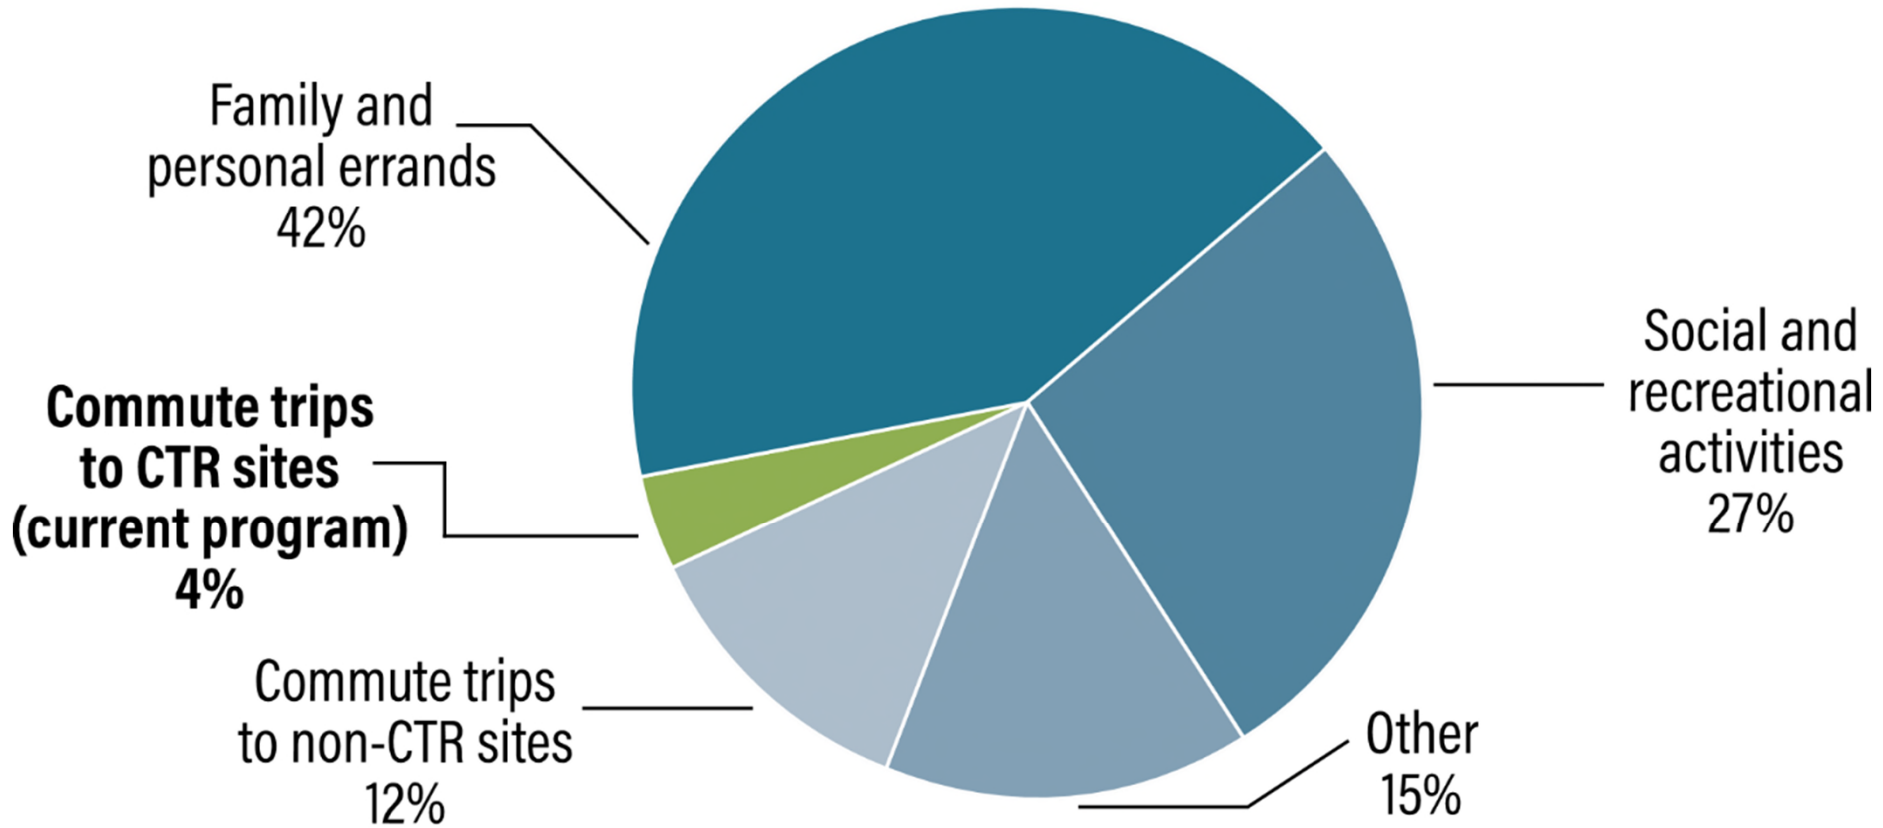

CTR in Washington

Opportunity to Address 96% of Daily Trips

Thank you
