MEMORANDUM

November 12, 2014

TO: Sean Johnson and Teri Johnson

FROM: Legislative Council Staff and Office of Legislative Legal Services

SUBJECT: Proposed initiative measure 2015-2016 #6, concerning time zone change

Section 1-40-105 (1), Colorado Revised Statutes, requires the directors of the Colorado Legislative Council and the Office of Legislative Legal Services to "review and comment" on initiative petitions for proposed laws and amendments to the Colorado constitution. We hereby submit our comments to you regarding the appended proposed initiative.

The purpose of this statutory requirement of the Legislative Council and the Office of Legislative Legal Services is to provide comments intended to aid proponents in determining the language of their proposal and to avail the public of knowledge of the contents of the proposal. Our first objective is to be sure we understand your intent and your objective in proposing the amendment. We hope that the statements and questions contained in this memorandum will provide a basis for discussion and understanding of the proposal.

Purposes

The major purposes of the proposed amendment appear to be:

1. To change Colorado's time zone to Central Standard Time; and
2. To never observe daylight saving time.

Substantive Comments and Questions

The substance of the proposed initiative raises the following comments and questions:

1. Under article V, section 1 (2) of the Colorado constitution, proposed initiatives amend either the Colorado constitution or state law (i.e., the Colorado Revised Statutes). The proposed initiative, however, is in the form of a letter setting forth arguments in support of an idea.
 - a. Does the proposed initiative amend the Colorado constitution? If not, does the proposed initiative amend the Colorado Revised Statutes?
 - b. Additionally, in accordance with section 1-40-102 (4), Colorado Revised Statutes, and for publication purposes, an amending clause should be used to show where in the Colorado constitution or Colorado Revised Statutes a proposed initiative's provisions should be inserted.
 - i. Where will the proposed initiative be placed? (Please indicate through an amending clause where the proposed initiative will be placed.)
 - ii. Section 2-4-109, Colorado Revised Statutes, identified United States Mountain Standard Time as the standard time within the state, and provides for Colorado to change its time to comply with daylight saving time. Do the proponents wish to amend this statutory provision?
2. Article V, section 1 (5) of the Colorado constitution and section 1-40-102 (4), Colorado Revised Statutes, require a proponent to submit for review and comment the full text of the measure being proposed, which, if passed, becomes the actual language of the constitution or statute. You have submitted an idea, rather than the "actual language" that would be added to the Colorado constitution or Colorado Revised Statutes. Please amend your proposal to include the actual text of your proposed constitutional or statutory change.
3. Article V, section 1 (8) of the Colorado constitution requires that the following enacting clause be the style for all laws adopted by the initiative: "Be it Enacted by the People of the State of Colorado:". To comply with this constitutional requirement, this phrase should be added to the beginning of the proposed initiative.

4. Article V, section 1 (5.5) of the Colorado constitution requires all proposed initiatives to have a single subject. What is the single subject of the proposed initiative?
5. Will the proposed initiative accomplish the change from Mountain Standard Time to Central Standard Time? Or would such a change require action at the federal level by Congress or the Secretary of Transportation?
6. If the proposed initiative passes, on what date will the changes take effect?
