Testimony - HB21-1055 Comp For School District Board Members

Title	First Name	Last Name	Position	Representing	Testifying	Text of Testimony	Registered
Mrs	Ariel	Taylor	For	Self	Submitted text	I would like to quickly offer my support of this legislation. Our school board members spend many hours ensuring their constituents voices are heard and educational needs are met. By allowing districts to compensate them for their time we would be allowing these representatives to devote more time and energy towards the districts they serve. Thank you for your time.	3/10/2021 9:28
