Handwritten text, possibly bleed-through from the reverse side of the page. The text is extremely faint and illegible due to the high contrast and low resolution of the scan. It appears to be several lines of cursive or semi-cursive handwriting.

# Petition

This petition is to bring an end to conversion therapy in the state of Colorado. This practice is used to try and convert members of the LGBT community to being straight through torture, it is currently only banned in 5 states and we are currently working with members of congress to get this practice banned here also
