Jeany Rush Against themselves	TO: SENATE FINANCE COMMITTEE, HOUSE FINANCE COMMITTEE 4-25-24 RE: SB24-198 REGULATED NATURAL MEDICINE IMPLEMENTATION VOTE: NO NO NO NO NO NO I do not believe any of you are really able to determine all of the particulars of this bill without once again infringing on our rights as consumers, and the free enterprise system this nation should be employing. While I understand the need for certain qualifications for medical people, our system is non-stop destroying our ability to even acquire or use natural remedies, or products, which you all have NO rights to remove from our nation, our supply chains. This all smacks of nothing short of more marxist takeover of our nation, our commerce, and our freedoms of choice, which you have determined you are the masters of! This is not right, and I object to the endless and wasteful, freedom stealing agenda of this body in Denver, and Nationally!
