

HB1065\_L.002

HOUSE COMMITTEE OF REFERENCE AMENDMENT

Committee on Finance.

HB26-1065 be amended as follows:

1 Amend printed bill, page 6, after line 3 insert:

2 "(3) Given that communities across the state can use support to  
3 further invest in infrastructure, transit, and housing, the general assembly  
4 finds and declares that the new financing options created in this House  
5 Bill 26-1065 are available to communities throughout the state, and this  
6 financing option should be used in a manner that considers geographic  
7 diversity.

8 (4) Although this House Bill 26-1065 only allows the Colorado  
9 economic development commission to approve six transit investment  
10 projects, the general assembly anticipates that these transit investment  
11 projects will be successful and it is the intent of the general assembly to  
12 later authorize the Colorado economic development commission to  
13 approve additional transit investment projects as state resources allow.".
