Current Appropriations Clause in Bill

The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision appropriating a total of $25,054 General Fund to the Department of Public Health and Environment for FY 2018-19. This provision also states that the appropriation is based on the assumption that the Department will require an additional 0.2 FTE.

Points to Consider

General Fund Impact
The general appropriations bill for FY 2018-19 has not yet been introduced. This bill requires a General Fund appropriation of $25,054 for FY 2018-19, reducing the amount of General Fund available for other purposes.
