## Summary of Legislation

---

The bill repeals the Veterinary Pharmaceutical Advisory Committee on September 1, 2026, as recommended by the Department of Regulatory Agencies (DORA) in its [2025 sunset review of the advisory committee](#).

## Background

---

The advisory committee is primarily responsible for reviewing disciplinary, licensing and rulemaking matters referred to it by the Pharmacy Board. The committee had no revenue or expenditures in FY 2023-24 or FY 2024-25. Created in 2016, the board has had no meetings since 2021.

## Assessment of No Fiscal Impact

---

The bill repeals an advisory committee that has been inactive since 2021 and has no revenue or expenditures. For this reason, the bill is assessed as having no fiscal impact.

## Effective Date

---

The bill takes effect 90 days following adjournment of the General Assembly sine die, assuming no referendum petition is filed.
