appropriate general fund money from ad valorem taxes for multijurisdictional housing authorities or other housing authorities established in statute (housing authorities). The bill allows a board to use revenue generated by ad valorem taxes that is in the county's general fund or in other specified county funds for housing authorities. In addition, the bill allows a board to use county general fund money from ad valorem taxes or money from other county funds for workforce housing.

Currently, a middle-income housing tax credit (credit) may be transferred from a governmental entity or quasi-governmental entity to a qualified taxpayer. A qualified taxpayer must own an interest in a qualified project to claim the credit. The bill entitles an individual, person, firm, corporation, or other entity subject to income tax and transferred a credit by a governmental entity or quasi-governmental entity to claim the credit without owning an interest in a qualified project.
