Reductions in State Expenditures are based on funding expected to be included in the FY 2026-27 Long bill for the programs. Actual expenditure reductions will vary.

Summary of Legislation

On June 30, 2028, the bill repeals the following limited purpose fee-for-service contract programs administered by the Department of Higher Education:

- the Improve Healthcare Access for Older Coloradans Program, created by [Senate Bill 23-031](#);
- the career, technical education, and apprenticeships alignment project, created by [Senate Bill 24-104](#); and
- the Creation of Career Pathways for Students Program, created by [House Bill 15-1274](#).

State Expenditures

By repealing these programs, the bill will reduce General Fund expenditures in the Department of Higher Education by an estimated \$1.07 million per year, beginning in FY 2028-29. This estimate reflects the total appropriations for these programs that are expected to be included in the FY 2026-27 Long Bill, as follows:

- \$974,848 for the Improve Healthcare Access for Older Coloradans program;
- \$55,360 for the career, technical education, and apprenticeships alignment project; and
- \$43,480 for the Career Pathways for Students program.

Actual reductions will depend on appropriations and expenditure decisions by the General Assembly and Department of Higher Education in FY 2026-27 and FY 2027-28.

Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.
