spending exceeds that limitation, the state is required to refund the amount of state fiscal year spending in excess of that limitation (TABOR refund). Under current law, if the state issues a TABOR refund for a state fiscal year, and the amount of that TABOR refund is greater than the amount of state fiscal year spending in excess of the limitation of state fiscal year spending for the state fiscal year (over-refund), the state reduces the amount of the next available TABOR refund by the amount of the over-refund.

Changes in federal tax policy in 2025 reduced the amount of state tax revenue for the 2025 tax year. Due to when this change in federal tax policy was signed into law, it was not reflected in the amount of state fiscal year 2024-25 spending, even though the change impacted the 2025 tax year. Accordingly, the bill directs the office of the state controller, in consultation with the office of state planning and budgeting and the department of revenue, to determine the amount of the over-refund for state fiscal year 2024-25 taking into account the impact on state revenues from the federal tax policy change. No more than half of this over-refund can offset future TABOR refunds for any single state fiscal year beginning with the 2026-27 state fiscal year.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds and declares that:

4 (a) H.R. 1 of the 119th Congress (2025-26), Pub. L. 119-21 had
5 a significantly negative impact on Colorado's financial outlook;

6 (b) H.R. 1 was signed into law on July 4, 2025, four days after the
7 end of state fiscal year 2024-25, which meant that there was insufficient
8 time to adjust revenue accruals and the certification of the amount of state
9 fiscal year spending in excess of the constitutional limitation on state
10 fiscal year spending;

11 (c) H.R. 1 impacted state 2025 income tax year revenue, which
12 revenue would typically contribute to both state fiscal year 2024-25 and
13 state fiscal year 2025-26 state revenue, but since H.R. 1 was signed into
14 law after the end of state fiscal year 2024-25, the impact on state 2025

1 income tax year revenue was only accrued to state fiscal year 2025-26;

2 (d) H.R.1 currently has an effective 18-month impact on state
3 fiscal year 2025-26 state revenue and no impact on state fiscal year
4 2024-25 state revenue;

5 (e) Based on preliminary estimates presented by the office of state
6 planning and budgeting to the executive committee of the legislative
7 council and the joint budget committee in July and August of 2025, if
8 accruals of state fiscal year 2024-25 state revenues would have updated
9 to reflect the impact of H.R.1 on state fiscal year 2024-25 state revenues,
10 the revenue reductions caused by H.R. 1 would have potentially meant
11 that state fiscal year 2024-25 state fiscal year spending did not exceed the
12 constitutional limitation on state fiscal year spending; however, under
13 current law, state fiscal year 2024-25 state fiscal year spending did exceed
14 the constitutional limitation on state fiscal year spending and the state is
15 required to refund that excess revenue;

16 (f) Based on state income tax revenue collections received that are
17 tied to activity in the first half of 2025, H.R.1 lowered the state income
18 tax revenue that the state actually received for state fiscal year 2024-25
19 when compared to the currently booked accruals of that state income tax
20 revenue, which resulted in an inaccurate calculation of state fiscal year
21 2024-25 state fiscal year spending;

22 (g) If the office of the state controller discovers an error involving
23 a prior state fiscal year, the office of the state controller may correct that
24 error by increasing or decreasing state fiscal year spending for the
25 relevant state fiscal year;

26 (h) If an adjustment of state fiscal year spending cannot be made
27 under current law, the plenary power of the General Assembly allows the

1 General Assembly to enact legislation that facilitates compliance with
2 article X, section (20) of the Colorado constitution (TABOR) and may
3 direct the office of the state controller to prepare the annual finance report
4 that certifies the state's compliance with TABOR in a manner that
5 complies with that statutory direction; and

6 (i) This act requires the office of the state controller to correct the
7 accounting of state fiscal year 2024-25 fiscal year spending to reflect
8 H.R.1 and to make corresponding changes to the future refund of state
9 fiscal year spending that exceeds the constitutional limitation on state
10 fiscal year spending.

11 **SECTION 2.** In Colorado Revised Statutes, 24-77-103.7, **add**
12 (4.5) as follows:

13 **24-77-103.7. Over-refunds of state revenues - definitions.**

14 (4.5) IF IN SEPTEMBER 2026 THE CONTROLLER CERTIFIES
15 PURSUANT TO SECTION 24-77-106.5 (1) THAT STATE FISCAL YEAR 2025-26
16 STATE REVENUES DID NOT EXCEED THE LIMITATION ON STATE FISCAL YEAR
17 SPENDING IMPOSED BY SECTION 20 (7)(a) OF ARTICLE X OF THE STATE
18 CONSTITUTION FOR STATE FISCAL YEAR 2025-26:

19 (a) BEFORE NOVEMBER 16, 2026, THE CONTROLLER SHALL
20 DETERMINE AN AMOUNT EQUAL TO THE DIFFERENCE BETWEEN:

21 (I) THE AMOUNT THAT THE STATE IS REQUIRED TO REFUND
22 PURSUANT TO SECTION 20 (7)(d) OF ARTICLE X OF THE STATE
23 CONSTITUTION FOR STATE FISCAL YEAR 2024-25, AS CERTIFIED IN THE
24 ANNUAL COMPREHENSIVE FINANCIAL REPORT OF THE STATE THAT THE
25 STATE CONTROLLER PUBLISHED FOR STATE FISCAL YEAR 2024-25; AND

26 (II) THE AMOUNT THAT THE STATE WOULD HAVE BEEN REQUIRED
27 TO REFUND PURSUANT TO SECTION 20 (7)(d) OF ARTICLE X OF THE STATE

1 CONSTITUTION FOR STATE FISCAL YEAR 2024-25 AS A RESULT OF THE
2 REDUCTION OF STATE REVENUES FOR STATE FISCAL YEAR 2024-25 CAUSED
3 BY H.R. 1 OF THE 119TH CONGRESS (2025-26), PUB. L. 119-21, AS
4 DETERMINED BY THE CONTROLLER, THE OFFICE OF STATE PLANNING AND
5 BUDGETING, AND THE DEPARTMENT OF REVENUE.

6 (b) FOR PURPOSES OF THE CALCULATION SET FORTH IN SUBSECTION
7 (4) OF THIS SECTION, THE AMOUNT OF THE OVER-REFUND FOR THE FISCAL
8 YEAR COMMENCING ON JULY 1, 2024, THAT IS USED FOR THE REDUCTION
9 SET FORTH IN SUBSECTION (4)(b) OF THIS SECTION IS EQUAL TO THE
10 AMOUNT DETERMINED BY THE CONTROLLER IN ACCORDANCE WITH
11 SUBSECTION (4.5)(a) OF THIS SECTION AND, NOTWITHSTANDING
12 SUBSECTION (2) OF THIS SECTION, SHALL ONLY BE USED FOR FISCAL YEARS
13 COMMENCING ON OR AFTER JULY 1, 2026, AND SHALL NOT EXCEED
14 ONE-HALF OF THE AMOUNT CALCULATED IN ACCORDANCE WITH
15 SUBSECTION (4.5)(a) OF THIS SECTION FOR ANY FISCAL YEAR.

16 **SECTION 3. Appropriation.** For the 2026-27 state fiscal year,
17 \$18,021 is appropriated to the legislative department for use by the office
18 of the state auditor. This appropriation is from the general fund and is
19 based on an assumption that the office will require an additional 0.2 FTE.
20 The office may use this appropriation to implement this act.

21 **SECTION 4. Safety clause.** The general assembly finds,
22 determines, and declares that this act is necessary for the immediate
23 preservation of the public peace, health, or safety or for appropriations for
24 the support and maintenance of the departments of the state and state
25 institutions.
