1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds and declares that:

4 (a) Colorado's prosperity depends on policies that ensure
5 individuals can participate fully in education, training, volunteer service,
6 and civic life while maintaining strong protections for vulnerable
7 populations;

8 (b) State and federal agencies, including the Colorado bureau of
9 investigation and the federal bureau of investigation, conduct name-based
10 and fingerprint-based background checks that do not require a social
11 security number and are sufficient to identify criminal history and protect
12 public safety;

13 (c) Despite this, some public and private entities require a social
14 security number for non-employment-based background checks,
15 preventing otherwise qualified individuals from accessing
16 non-employment-based educational opportunities, such as required
17 clinical placements, internships, apprenticeships, volunteer opportunities,
18 and other educational or training experiences;

19 (d) These barriers disproportionately affect individuals who
20 lawfully lack a social security number, delaying or preventing completion
21 of educational programs and entry into high-demand professions without
22 advancing public safety;

23 (e) Allowing the use of an individual taxpayer identification
24 number as an alternative identifier preserves the integrity of background

1 screening processes while expanding access to opportunity; and

2 (f) Lifting these barriers still maintains existing criminal
3 background screening standards and does not alter employment-related
4 background check requirements.

5 (2) Therefore, the general assembly declares that:

6 (a) It is the public policy of the state that safety and not
7 immigration status should determine access to educational and training
8 opportunities; and

9 (b) Removing unnecessary barriers to non-employment-based
10 educational and training experiences strengthens Colorado's workforce,
11 protects vulnerable populations, and advances the state's commitment to
12 opportunity, dignity, and shared prosperity.
