Joint Budget Committee. Existing law authorizes the general assembly to set compensation levels for employees of the state. Accordingly, the bill clarifies that, for the purposes of laws concerning local minimum wages, the term "employer" means a corporation, a proprietorship, a partnership, a joint venture, a limited liability company, a trust, an association, a political subdivision of the state, an individual, or any other entity that employs an employee. However, "employer" does not include the state of Colorado.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
Capital letters or bold & italic numbers indicate new material to be added to existing law.
Dashes through the words or numbers indicate deletions from existing law.

Current law states that the governing bodies of municipalities have the power to license, regulate, and tax any lawful occupation, business place, amusement, or place of amusements (occupation or business place) and to fix the amount, terms, and manner of issuing and revoking licenses issued to an occupation or business place. The bill clarifies that the state of Colorado is not an occupation or business place subject to such tax.

The bill requires the office of state planning and budgeting to submit to the joint budget committee, on or before January 4, 2027, a supplemental budget request concerning compensation of state employees during the 2026-27 state fiscal year.
