A BILL FOR AN ACT

101 **CONCERNING CHARTER SCHOOL INVOLVEMENT IN LOCAL BALLOT**
102 **QUESTIONS.**

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)

Under current law, subject to procedural requirements, a charter school that has capital construction needs may seek money to fund these needs by requesting that its chartering school district (district):

- Submit a ballot question to the district's voters concerning a special mill levy; or
- Include the charter school's capital construction needs in

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.

the district's ballot question for bonded indebtedness or for an additional mill levy.

The bill:

- Requires a district that is considering submitting a ballot question or questions to its voters to solicit proposals from its charter schools about their capital construction needs;
- Requires the district's board to notify the charter schools regarding whether it will include the charter school's capital construction needs in the district's ballot questions; and
- Encourages a district to solicit proposals from institute charter schools located within the district's boundaries about their capital construction needs and include funding for the capital construction needs in the district's relevant ballot question.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds and declares that:

4 (a) Every Colorado public school student deserves to have their
5 education funded fairly and equitably;

6 (b) Voters who approve school district bond measures benefit
7 from clear and accessible information about how bond proceeds are
8 planned, allocated, and distributed across the schools within a district;

9 (c) Transparency in the bond development process supports
10 informed decision-making by voters, families, and school communities;

11 (d) In order to make informed choices, voters need and deserve
12 clear information on how bond proposals were developed, which schools
13 were included, and why; and

14 (e) Strengthening the statutory process regarding transparency and
15 inclusion in school district planning serves the interests of students,
16 families, educators, taxpayers, and voters.

17 (2) Therefore, it is the intent of the general assembly to improve

1 transparency and inclusion in how these bonds are planned,
2 communicated, and more equitably allocated across all students,
3 regardless of the type of public school they attend.

4 **SECTION 2.** In Colorado Revised Statutes, 22-30.5-403, **amend**
5 (1); and **add** (1.5) as follows:

6 **22-30.5-403. Definitions.**

7 As used in this part 4, unless the context otherwise requires:
