The bill increases the penalties for multiple speeding violations within a one-year, 2-year, or 5-year period. The bill requires that drivers who have multiple speeding violations within a one-year, 2-year, or 5-year period receive a summons and complaint upon committing their violation instead of a penalty assessment notice.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds and declares that:

4 (a) Colorado has experienced a concerning rise in deadly traffic
5 collisions in recent years, including multiple head-on and other fatal
6 crashes on rural highways and across the state that have claimed
7 numerous lives;

8 (b) Official data from the Colorado department of transportation
9 and Colorado state patrol indicate that speeding remains a leading factor
10 in traffic fatalities, contributing to hundreds of deaths annually and
11 representing a substantial proportion of all motor vehicle fatalities in the
12 state;

13 (c) Aggressive driving behaviors, such as illegally overtaking a
14 vehicle on the left in no-passing zones, and repeated excessive speeding
15 violations significantly increase the risk of serious injury and death on
16 Colorado roadways and undermine efforts to protect all road users;

17 (d) There is demonstrated need to clarify existing statutory
18 definitions of no-passing zones, including that they are indicated by solid
19 yellow line or line pavement markings, and to strengthen enforcement and
20 penalties to deter these dangerous behaviors; and

21 (e) Prioritizing the installation of appropriate warning and
22 regulatory signage on roadways with elevated incident rates of illegal
23 passing and other hazardous driving behaviors, as well as ensuring that

1 drivers with multiple repeated violations face more stringent procedural
2 and penalty consequences, will enhance public safety and help reduce
3 preventable traffic crashes and fatalities throughout Colorado.
