SECTION 5. In Colorado Revised Statutes, 26.5-3-507, **amend** (2)(c)(I); **repeal** (2)(d); and **add** (2)(c)(III) as follows:

26.5-3-507. Selection of entities to administer the program - grants - nurse home visitor program fund - created - report - repeal.

(2) (c) (I) Grants awarded pursuant to subsection (2)(a) of this section are payable from the nurse home visitor program fund, which fund is created in the state treasury. The nurse home visitor program fund ~~referred to in this section as the "fund"~~, is administered by the department and consists of money transferred to the fund by the state treasurer from money received pursuant to the master settlement agreement in the amount described in subsection (2)(e) of this section AND ANY OTHER MONEY THAT THE GENERAL ASSEMBLY MAY APPROPRIATE OR TRANSFER TO THE FUND. In addition, the state treasurer shall credit to the fund any public or private gifts, grants, or donations received by the department to implement the program, including any money received from the United States federal government for the program. The fund is subject to annual appropriation by the general assembly to the department for grants to entities for operation of the program. The department may retain the amount needed to pay for the program's share of the department's indirect costs, as calculated under the federally approved cost allocation plan. In addition, the department may retain a total of up to five percent of the amount annually appropriated from the fund for the program, in order to compensate the health sciences facility pursuant to section 26.5-3-505 (4), as set forth in the scope of work in the agreement between the department and the health sciences facility, and to compensate the department for the actual costs the department incurs in implementing subsection (2)(b) of this section, as determined by the department; except that the portion of the costs to compensate the department for implementing subsection (2)(b) of this section must not

exceed two percent of the amount annually appropriated from the fund for the program, and the portion of such costs to compensate the health sciences facility pursuant to section 26.5-3-505 (4), as set forth in the scope of work in the contract between the department and the health sciences facility, must not exceed three percent of the amount annually appropriated from the fund for the program. In addition, if the total amount annually appropriated from the fund for the program exceeds nineteen million dollars, the department and the health sciences facility shall assess whether a smaller percentage of the appropriated funds exceeding nineteen million dollars is adequate to cover their actual costs and shall jointly submit to the general assembly a report articulating their conclusions on this subject. The actual costs of the department include department personnel and operating costs and any necessary transfers to the department of health care policy and financing for administrative costs incurred for the medicaid program associated with the program. The actual costs of the health sciences facility include the facility's own actual program costs and those of its contractors and subcontractors. Any costs for time studies required to obtain medicaid reimbursement for the program may be paid from program funds and are not subject to the five percent limit in this section. Notwithstanding section 24-36-114, all interest derived from the deposit and investment of money in the fund must be credited to the fund. Except as otherwise provided in ~~subsection (2)(c)(II)~~ SUBSECTIONS (2)(c)(II) AND (2)(c)(III) of this section, all unexpended and unencumbered money in the fund at the end of any fiscal year remains in the fund and must not be transferred to the general fund or any other fund.

(III) (A) ON JULY 1, 2026, AND ON EACH JULY 1 THEREAFTER THROUGH JULY 1, 2029, THE STATE TREASURER SHALL TRANSFER FIVE MILLION ONE HUNDRED THOUSAND DOLLARS FROM THE FUND TO THE COLORADO CHILD ABUSE PREVENTION TRUST FUND CREATED IN SECTION 26.5-3-206.

(B) THIS SUBSECTION (2)(c)(III) IS REPEALED, EFFECTIVE JULY 1, 2030.

for use by community and family support for child maltreatment prevention.

SECTION 7. Effective date. This act takes effect upon passage; except that section 6 of this act takes effect only if the annual general appropriation act for the 2026-27 state fiscal year becomes law, in which case section 6 takes effect upon the effective date of this act or of the annual general appropriation act for state fiscal year 2026-27, whichever is later.

SECTION 8. Safety clause. The general assembly finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, or safety or for appropriations for
