BY REPRESENTATIVE(S) McCluskie and Taggart, Boesenecker, Clifford, Duran, Goldstein, Hamrick, Lieder, Paschal, Phillips, Rutinel, Stewart K., Bacon, Brown, Jackson, Lindsay, Lukens, Nguyen, Rydin, Woodrow;
also SENATOR(S) Bridges and Frizell, Catlin, Kipp, Pelton R., Coleman.

CONCERNING CREATING A UNIFIED SYSTEM OF POSTSECONDARY TALENT DEVELOPMENT, AND, IN CONNECTION THEREWITH, CREATING A COMMITTEE TO DEVELOP A PLAN TO TRANSITION OVERSIGHT OF WORKFORCE DEVELOPMENT PROGRAMS TO THE DEPARTMENT OF HIGHER EDUCATION.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Legislative declaration. (1) The general assembly finds and declares that:

(a) Colorado has an economic and civic interest in ensuring that Coloradans can access high-quality postsecondary opportunities;

(b) Higher education, workforce development, adult education, and employment programs should empower every Coloradan to discover their

strengths, pursue their passions, meet the demands of a changing economy, and build careers that provide economic security;

(c) Too many Coloradans get disconnected from workforce and employment opportunity, and as a result, Colorado has struggled to train and retain homegrown talent;

(d) Adult learners, trainees, and job seekers may need to enter or reenter the workforce system from diverse points in their lives based on current needs and life status;

(e) Today, Coloradans must navigate a complex postsecondary talent development system of 472 schools, more than 300 apprenticeship programs, more than 4,500 eligible training programs, 21 adult education programs, and nearly 10,000 degree options;

(f) More than 20 divisions, offices, and units across seven state entities deliver 110 programs and initiatives in the system;

(g) This fragmentation makes opportunity difficult to find for Coloradans, and it limits the reach and impact of state investments;

(h) Colorado must bring together, streamline, and create seamless connections between education and skill-building pathways for Coloradans;

(i) Colorado needs a purpose-built, unified department that can easily connect all Coloradans, including underserved populations, to opportunity through postsecondary education, skills training, and employment;

(j) Reimagining our workforce system should include consideration of the connection between health and human services programs, out-of-school time programs, and workforce programs; and

(k) We must boldly reimagine how our education, training, and employment systems are serving Colorado learners, job seekers, workers, and employers.
