CONCERNING THE CREATION OF A PROGRAM TO PROVIDE STABLE HOUSING ASSISTANCE FOR SURVIVORS OF ABUSE, AND, IN CONNECTION THEREWITH, MAKING AN APPROPRIATION.

*Be it enacted by the General Assembly of the State of Colorado:*

**SECTION 1. Legislative declaration.** (1) The general assembly finds that:

(a) Domestic and sexual violence inflicts profound and enduring harm on children, youth, and their caregivers, with economic abuse tactics often exacerbating the challenges survivors of domestic and sexual violence often face in escaping their abusive environments;

*Capital letters or bold & italic numbers indicate new material added to existing law; dashes through words or numbers indicate deletions from existing law and such material is not part of the act.*

(b) Stable housing is paramount for individuals who escape abusive environments, with rapid rehousing programs playing a crucial role in addressing homelessness among survivors of domestic and sexual violence and their children;

(c) Providing timely financial assistance for housing expenses to survivors of domestic and sexual violence significantly enhances the safety and well-being of affected households;

(d) The domestic violence program within the department of human services utilized federal "American Rescue Plan Act of 2021" (ARPA), Pub.L. 117-2 funds to administer a time-limited flex fund project to help survivors of domestic and sexual violence overcome barriers to safety and recovery. Data from this ARPA-funded flexible funding project emphasizes the critical need for housing support among survivors of domestic and sexual violence.

(e) Community organizations that provide crisis intervention services are well-positioned to provide the financial support survivors of domestic and sexual violence need to overcome housing barriers and establish a sense of safety and stability for themselves and their children; and

(f) Individuals who have experienced domestic or sexual violence make up a disproportionate share of the TANF program caseload, which highlights the intersecting challenges faced by survivors of domestic and sexual violence and their children.

(2) Therefore, the general assembly declares that using unused Colorado works program state money to establish and execute a housing-focused flexible financial assistance project for domestic and sexual violence survivors is a proactive and effective solution to address the immediate needs of this vulnerable population.

**SECTION 2.** In Colorado Revised Statutes, **add** 26-2-726 as follows:

**26-2-726. Stable housing for survivors of domestic or sexual violence program - creation - funding - appropriation - definitions.**
