An eligible personal event means a wedding, family reunion, or other personal event that:

- Takes place in Colorado between July 1, 2021, and December 31, 2021;
- Generates at least 25 paid overnight stays in a motel, hotel, vacation rental, or other lodging establishment;
- Can demonstrate a significant economic benefit for the host community as determined by the office; and
- Meets any additional criteria established by the office.

An eligible event means an event other than an eligible personal event, including a meeting, conference, or festival, that:

- Takes place in Colorado between July 1, 2021, and December 31, 2022;
- Generates at least 25 paid overnight stays in a motel, hotel, vacation rental, or other lodging establishment; and
- Meets any additional criteria established by the office.

The program may offer rebates of up to 10% of the hard costs of an eligible event or eligible personal event. A hard cost means an actual incurred cost associated with hosting the event, as determined by the office in consultation with industry stakeholders. The program may also offer rebates of up to 25% for COVID-19-related costs, which are hard costs that are directly related to complying with public health orders or other mandates issued in response to the COVID-19 pandemic, as determined by the office in consultation with industry stakeholders.

The program may provide direct support to attract eligible events that have the potential to generate significant economic impact and affect multiple counties. The costs of all such direct support cannot exceed 5% of the total appropriation for the program.

The office is required to create guidelines for the program. In doing so, the office must consider mechanisms to:

- Make rebates and direct support available equitably and proportionally across the state;
- Prioritize events with significant economic impacts; and
- Retain existing events with a demonstrated risk of cancellation, delay, or relocation in addition to attracting new events to the state.

The program is repealed, effective July 1, 2024.

1 *Be it enacted by the General Assembly of the State of Colorado:*
