For counties that have elected to use the alternate protest and appeal procedures, **section 1** of the bill requires:

- ! A taxpayer who owns rent-producing commercial real property to provide the assessor with property rental information (rental information) on or before July 15 of the year of the appeal; and
- ! The county assessor to mail the notice of determination regarding the appeal by August 15 of the year of the appeal

HOUSE  
2nd Reading Unamended  
February 15, 2019

instead of the last working day in August.

For all counties, **section 2** modifies:

- ! The rental information that a petitioner appealing the valuation of rent-producing commercial property or the denial of an abatement must provide to a county; and
- ! The information related to a county's determination of the value that a county is required to provide to a petitioner who has filed an appeal with the board of assessment appeals.

A petitioner who provides rental information to an assessor as part of an alternate protest and appeal is not required to provide the same information in an appeal of the valuation.

2           **SECTION 1.** In Colorado Revised Statutes, 39-5-122, **amend** (2);

3 and **add** (2.5) as follows:

4           **39-5-122. Taxpayer's remedies to correct errors.** (2) If any  
5 person is of the opinion that his or her property has been valued too high,  
6 has been twice valued, or is exempt by law from taxation or that property  
7 has been erroneously assessed to such person, he or she may appear  
8 before the assessor and object, complete the form mailed with his or her  
9 notice of valuation pursuant to section 39-5-121 (1) or (1.5), or file a  
10 written letter of objection and protest by mail with the assessor's office  
11 before the last day specified in the notice, stating in general terms the  
12 reason for the objection and protest. Reasons for the objection and protest  
13 may include, but shall not be limited to, the installation and operation of  
14 surface equipment relating to oil and gas wells on agricultural land. Any  
15 change or adjustment of any ratio of valuation for assessment for  
16 residential real property pursuant to the provisions of section 39-1-104.2  
17 shall not constitute grounds for an objection. If the form initiating an  
18 appeal or the written letter of objection and protest is filed by mail, it  
19 shall be presumed that it was received as of the day it was postmarked. If

1 the form initiating an appeal or the written letter of objection and protest  
2 is hand-delivered, the date it was received by the assessor shall be  
3 stamped on the form or letter. As stated in the public notice given by the  
4 assessor pursuant to subsection (1) of this section, the taxpayer's  
5 notification to the assessor of his or her objection and protest to the  
6 adjustment in valuation must be delivered, postmarked, or given in person  
7 by June 1 in the case of real property. In the case of personal property, the  
8 notice must be postmarked or physically delivered by June 30. All such  
9 forms and letters received from protesters shall be presumed to be on time  
10 unless the assessor can present evidence to show otherwise. The county  
11 shall not prescribe the written form of objection and protest to be used.  
12 The protester shall have the opportunity on the days specified in the  
13 public notice to present his or her objection in writing or protest in person  
14 and be heard, whether or not there has been a change in valuation of such  
15 property from the previous year and whether or not any change is the  
16 result of a determination by the assessor for the current year or by the  
17 state board of equalization for the previous year. If the assessor finds any  
18 valuation to be erroneous or otherwise improper, the assessor shall correct  
19 the error. If the assessor declines to change any valuation that the assessor  
20 has determined, the assessor shall state his or her reasons in writing on the  
21 form described in section 39-8-106, shall insert the information otherwise  
22 required by the form, and shall mail two copies of the completed form to  
23 the person presenting the objection and protest so denied on or before the  
24 last regular working day of the assessor in June in the case of real  
25 property and on or before July 10 in the case of personal property; except  
26 that, if a county has made an election pursuant to section 39-5-122.7 (1),  
27 the assessor shall mail the copies on or before ~~the last working day of the~~

1 assessor in ~~August~~ AUGUST 15 in the case of both real and personal  
2 property.
