Current Appropriations Clause in Bill

The bill includes an appropriation clause that appropriates \$10,000 cash funds for personal services to the Division of Professions and Occupations in the Department of Regulatory Agencies.

Points to Consider*TABOR/ Excess State Revenues Impact*

The Joint Budget Committee has proposed a budget package for FY 2017-18 based on the March 2017 Legislative Council Staff revenue forecast. This bill is projected to increase cash fund revenues by \$10,000 for FY 2017-18, which would increase the amount required to be refunded under TABOR based on this revenue forecast. As TABOR refunds are paid from the General Fund, this bill would reduce the amount of General Fund available for other purposes.
