Summary of Legislation

The Capitol Building Advisory Committee (CBAC) makes recommendations on art and development in the Capitol Complex. The bill adds public areas of the Capitol Building Annex and Legislative Services Building, and their surrounding grounds, to the committee's purview.

The bill also allows removal of additional original items, with the approval of CBAC, from the Capitol if used for exhibits, research, or on a loan.

State Expenditures

The bill expands CBAC's purview and possibly increases the number capitol item request CBAC receives. This may minimally increase workload in the Legislative Department. No change in appropriations is required.

Effective Date

The bill takes effect 90 days following adjournment of the General Assembly sine die, assuming no referendum petition is filed.
