DATA SOURCES

Amounts represent comparisons for 2018, the most recent year for which all data are available.

Colorado's Economy: 2018 state gross domestic product as measured by the U.S. Bureau of Economic Analysis.

State Spending: Total state spending, as reported in the Colorado Auditor's Office FY 2017-18 Comprehensive Annual Financial Report.

State Budget: Total appropriations from the FY 2017-18 operating and capital budgets. These amounts are determined by the state legislature. Spending outside of the state budget (shown in grey) includes federal funds for food assistance, federal and private funding for higher education institutions, employee benefits under the state retirement program, and transportation funding distributions to local governments.

Central I-70 Project: Construction costs for the widening of I-70 between I-25 and Chambers Road according to the Colorado Department of Transportation.

State Marijuana Taxes: Total revenue from FY 2017-18 taxes on marijuana products based on tax revenue data from the Office of the State Controller.

Cost to Build a School: Based on the average cost of building a school in the U.S. according to the School Planning & Management's 2018 Annual Construction Report.
