

AMPLIFY Act: Small Business Automation Transition

Legislating Drafter Working Package — 33-bill modular AMPLIFY build

Legislating drafter file. This chapter draft is designed to stand on its own and to support modular insertion into broader AMPLIFY stacks.

Bill 27. AMPLIFY Act: Small Business Automation Transition

Single subject. Small-business transition assistance and conditions for automation adaptation support.

Purpose. Separate the small business lane.

Draft structure

Section	Core draft direction
1. Short title	This act shall be known and may be cited as the “AMPLIFY Act: Small Business Automation Transition”.
2. Legislative declaration	The general assembly finds and declares that separate the small business lane.
3. Definitions	Definitions should be alphabetized, lowercase, and drafted in singular form unless a term of art requires otherwise.
4. Operative sections	Substantive rights, duties, approvals, or restrictions listed below.
5. Administration	Rulemaking, designation of administering authority, records, notices, and implementation mechanics.
6. Construction	Independent operation, severability, no implied repeal, and other necessary construction clauses.
7. Effective date	Effective date and any conditional clause required by filing strategy.

Draft definitions

eligible small business. a small business meeting the criteria established by law or rule.

transition credit. a credit, grant, voucher, or other lawful support for automation transition.

Draft operative provisions

Section 4. Program

- A designated program may provide transition credits or related support to eligible small businesses adapting to automation-era conditions.
- Priority may be given to rural businesses, local resiliency, or businesses meeting anti-displacement standards established by law or rule.

Section 5. Conditions

- A transition credit may be conditioned on job-quality, transition planning, or anti-displacement requirements established by law or rule.

Required construction clauses

- Independent operation. This act operates independently and remains effective whether or not any related measure or companion act is adopted.
- Severability. If any provision of this act or its application is held invalid, the invalidity does not affect other provisions or applications that can be given effect without the invalid provision or application.
- Single-subject construction. This act shall be construed to embrace only the single subject described in its title and no separate subject shall be inferred from a remedy, definition, recordkeeping duty, funding mechanism, or construction clause that is necessarily and properly connected to that subject.
- Revenue and fee construction. Any money authorized by this act shall be construed and administered only in the manner and to the extent permitted by applicable constitutional and statutory limitations.
