

AMPLIFY Act: Workforce and Family Stability

Legislating Drafter Working Package — 33-bill modular AMPLIFY build

Legislating drafter file. This chapter draft is designed to stand on its own and to support modular insertion into broader AMPLIFY stacks.

Bill 25. AMPLIFY Act: Workforce and Family Stability

Single subject. Workforce transition, childcare stabilization, and family-support measures funded through authorized mitigation streams.

Purpose. Keep people-focused stabilization together.

Draft structure

Section	Core draft direction
1. Short title	This act shall be known and may be cited as the “AMPLIFY Act: Workforce and Family Stability”.
2. Legislative declaration	The general assembly finds and declares that keep people-focused stabilization together.
3. Definitions	Definitions should be alphabetized, lowercase, and drafted in singular form unless a term of art requires otherwise.
4. Operative sections	Substantive rights, duties, approvals, or restrictions listed below.
5. Administration	Rulemaking, designation of administering authority, records, notices, and implementation mechanics.
6. Construction	Independent operation, severability, no implied repeal, and other necessary construction clauses.
7. Effective date	Effective date and any conditional clause required by filing strategy.

Draft definitions

family stability support. an authorized support for household continuity during automation transition.

workforce transition support. a training, retraining, placement, or similar program authorized by law.

Draft operative provisions

Section 4. Authorized supports

- Money lawfully allocated to this chapter may be used for workforce transition support, childcare stabilization, and other family stability supports authorized by law or rule.
- The administering authority shall prioritize measurable resident benefit and transition utility.

Section 5. Program design

- Program criteria, eligibility, sequencing, and accountability may be established by rule consistent with this act.

Required construction clauses

- Independent operation. This act operates independently and remains effective whether or not any related measure or companion act is adopted.

- Severability. If any provision of this act or its application is held invalid, the invalidity does not affect other provisions or applications that can be given effect without the invalid provision or application.
- Single-subject construction. This act shall be construed to embrace only the single subject described in its title and no separate subject shall be inferred from a remedy, definition, recordkeeping duty, funding mechanism, or construction clause that is necessarily and properly connected to that subject.
- Revenue and fee construction. Any money authorized by this act shall be construed and administered only in the manner and to the extent permitted by applicable constitutional and statutory limitations.
