**RESIGNATION**

December 18, 2015  
Ms. Marilyn Eddins  
Chief Clerk  
Colorado House of Representatives  
State Capitol Building  
200 E. Colfax Ave.  
Denver, CO 80203

Dear Ms. Eddins:

It has been my profound honor to serve the great people of State of Colorado this past year in the House of Representatives. I am most grateful for the confidence and trust placed in me by my constituency.

I am also extremely appreciative of you and the staff of the State House. Everyone with whom I worked this past year getting important legislation passed through the General Assembly was most helpful and hospitable to me as a freshman legislator.

On Saturday, December 12, the vacancy committee of Senate District 27 District Committee convened and selected me to assume the vacant Senate seat created by the resignation of Sen. David Balmer. As a result

1 of my appointment to the State Senate, I offer my resignation from the  
2 State House effective January 5, 2015 upon my being sworn into the  
3 Senate.

4  
5 I look forward to continuing to work with my friends and colleagues in  
6 the Colorado State House.

7  
8 Sincerely,  
9 (Signed)  
10 John A. Tate  
11 State Representative

34

35 **OUR COLORADO WAY OF LIFE**

36 Members, guests and fellow Coloradans: Welcome to the second regular session of the  
37 House of Representatives in the 70th General Assembly.

38 Our counterparts in the 10th General Assembly, back in 1895, were the first to meet  
39 in this chamber. Contrary to rumors, I was not around to witness that event. But I can  
40 say with confidence that our surroundings are as magnificent as when this building  
41 was brand new.

42 A three-year restoration of the House chamber is now complete. Over the summer, the  
43 last of those hideous acoustical tiles from the 1950s was removed from the ceiling and  
44 the original hand-painted stenciling was restored. The raised part of the ceiling here  
45 in the middle was also uncovered, revealing our skylight for the first time in six  
46 decades. And just last week, the chandelier was rehung in its original 1904 position  
47 after long months of work that restored its original luster.

48 For getting the House chamber restoration project rolling and sustaining it over the  
49 years, our thanks to my two predecessors, who are with us today – Speaker Frank  
50 McNulty and Speaker Mark Ferrandino.

51 And we owe special thanks to the supervisor who made the restoration a labor of love  
52 -- our incomparable chief clerk, Marilyn Eddins.

53 We have a long list of distinguished guests with us today. I am honored to welcome --

54 A third former speaker, Doug Dean

55 Former minority leaders Sal Pace and Ruth Wright

56 Former Representatives Polly Baca, Deb Gardner, Jenise May, Anne

1           McGihon, Karen Middleton, Dorothy Rupert and Todd Saliman  
2           Former state senator Jana Mendez  
3           The retired chief judge of the 10<sup>th</sup> Judicial District, Dennis Maes  
4           Boulder County Commissioners Cindy Domenico and Elise Jones  
5 We must begin this session on a somber note.  
6 As you all know, not long after the 2015 session Representative John W. Buckner  
7 passed away.  
8 John was a man of powerful intellect and great integrity. He didn't speak from the well  
9 very often, but when he did, all the side conversations in this chamber came to a halt.  
10 We leaned in and listened, because we knew we were hearing the voice of wisdom.  
11 John Buckner made this House a better place. As we reflect on his life and legacy, I  
12 ask that we observe a moment of silence.  
13 Thank you.  
14 Fortunately this cloud has a silver lining. John Buckner's wife stepped up and  
15 courageously agreed to serve the remainder of his term. It is my honor and pleasure  
16 to recognize the representative of House District 40 in Aurora, Janet P. Buckner.  
17 It is also my honor to introduce the newest member of this body, sworn in only  
18 yesterday. From House District 37 in Centennial, Representative Cole Wist.  
19 Congratulations.  
20 I also want to recognize those – like me – who are serving their last year in this  
21 chamber.  
22 Representatives Primavera, Tyler and Vigil, I'm sure your families are extremely  
23 relieved.  
24 Representatives Court, Fields, Kagan, Klingenschmitt, McCann, Priola, Ryden and  
25 Williams, I understand that you are seeking election to another public office, some of  
26 you to that lower body across the hall. To your families, I wish I could offer some sort  
27 of explanation.  
28 Minority Leader DelGrosso, it's been a pleasure to work with you over our eight years  
29 together. On that day in May when I gavel this session to a close, I hope we will walk  
30 out of this chamber arm in arm.  
31 And I would be remiss if I didn't express my gratitude to Majority Leader Duran for  
32 her key role in making the 2015 session a productive one.  
33 I look forward to more of the same this session.  
34 Members, in everything we do this session, in every vote we cast, we must remain  
35 committed to sustaining our Colorado way of life – defending it where it's threatened  
36 and elevating it where it can be improved.  
37 We are blessed with spectacular mountains and majestic plains, and we will fight to  
38 protect our air and water for future generations.  
39 But our Colorado way of life is more than a gorgeous natural environment.  
40 So, what are we talking about when we talk about the Colorado way of life? It's all  
41 the things that make us special, all the things that make us different. It's what made  
42 more than 100,000 people move here just last year.  
43 The new Coloradans have made us more diverse, and diversity is a source of our  
44 strength.  
45 We have a long history of being a place where diverse groups have come together. In  
46 the beginning we had Native Americans, joined later by French trappers and Spanish  
47 settlers and Anglo pros-pectors.  
48 But the list has never stopped growing. Today, people born in more than 100 different  
49 countries call Colorado home.  
50 The melding of these various groups has sometimes been marked by hatred and  
51 conflict.  
52 But we have come a long way – a long way toward tolerance and understanding.  
53 Last year Colorado made its first formal apology for the Sand Creek massacre 150  
54 years ago. It's about time.  
55 The state banned gay marriage in 2006 but by 2013 we had enacted civil unions. And  
56 now marriage equality is the law of the land. It's about time.

1 When I look across this chamber I see forty-six percent women. We are close to that  
2 historic day when women will be a majority in this body. It's about time.  
3 Inclusiveness is one reason those 100,000 newcomers now call Colorado home. They  
4 have also come here because we are among the leading states in many areas:  
5 In protecting our environment, in clean air, clean energy, and in preserving  
6 our magnificent public lands for the enjoyment of all Coloradans.  
7 In our modern approach to marijuana that takes its users out of the courts, out  
8 of the black market shadows, and into the open where problems and abuses  
9 are treated, not criminalized.  
10 And yes, even in our common-sense gun safety legislation that makes our  
11 families more secure and respects our constitutional rights and Western  
12 traditions.  
13 Last but not least, the new Coloradans have come here because we are a leading state  
14 in bouncing back from the Great Recession. Today, with a jobless rate of only three  
15 point six percent, we have an economy that's the envy of 41 other states. And  
16 businesses in Colorado are enjoying record profits.  
17 But we can do more. We must have an economy that works for all who work hard,  
18 where everyone does their fair share and everyone plays by the same rules.  
19 Those rules must be fair, and fairly enforced. Too many times the big special interests  
20 are the ones writing the rules, or finding new ways to bend them or evade them  
21 altogether.  
22 What do we do when the rules aren't fair? We – the state legislature -- make them fair,  
23 and we make sure everybody plays by them. We level the playing field for hard-  
24 working Coloradans.  
25 No one who puts in an honest week's work should struggle to feed the family. No one  
26 who works hard should live in poverty.  
27 If you work hard, you deserve to take a vacation and save for retirement and send your  
28 kids to college.  
29 We also have a duty to try to ensure secure retirements for Coloradans whose hard  
30 work is done and who have earned their rest. And we have a moral obligation to help  
31 Coloradans who are unable to work or to make ends meet.  
32 Ideologues and opportunists will try to shame the mom who needs food stamps to feed  
33 the kids because dad left and didn't leave a dime. Ideologues and opportunists will try  
34 to impose their views on the woman who isn't ready to have a family. They will try  
35 to rob her of the choice to make her own private medical decisions.  
36 We will defeat these ideologues and opportunists.  
37 We will not tolerate those who game the system. We must ensure that the hard-  
38 working people of Colorado who are trying to provide for their families do not have  
39 the extra burden of supporting those who won't play by the same rules as the rest of  
40 us.  
41 Big corporations that can hire a legion of lobbyists and lawyers should not be able to  
42 buy success. One of the biggest steps this General Assembly can take to promote  
43 fairness in Colorado is to close the loophole that allows big special interests to hide  
44 their profits in offshore tax havens.  
45 These bad actors steal from the schools their employees' children attend.  
46 These bad actors steal from the schools their employees' children attend. These bad  
47 actors withhold their fair share toward the upkeep of the roads they use just like the  
48 rest of us. They leave the rest of us to pick up the tab.  
49 Last year we sought to make the bad actors who are hiding their profits overseas stop  
50 dodging taxes and start paying their fair share. That would bring about 150 million  
51 dollars back to Colorado and send it where it is needed most -- our kids' classrooms.  
52 We will reintroduce this bill in this session. Let's pass this bill!  
53 We can also support hard-working Coloradans by continuing previous successes in  
54 building the workforce of the future.  
55 In this very strong economy, we must increase opportunities for training for the highly  
56 skilled jobs that are plentiful in Colorado. Not every career in our growing science,

1 technology, engineering and mathematics sector requires four years of college.  
2 This session you will see a bill to help make our workforce the best possible match for  
3 the jobs our STEM industries are producing today. Let's pass this bill.  
4 And we must make it easier for veterans to take skills they learned in the military and  
5 start a civilian career that matches their talents and experience.  
6 This session you will see a bill to provide more training to veterans and their spouses.  
7 Let's pass this bill.  
8 And we must rededicate ourselves to the goal of ensuring that women receive equal  
9 pay for equal work. The state government can lead by example by ensuring that  
10 companies that win state contracts have written and enforced policies to pay women  
11 the same as men for doing the same job.  
12 You will see such a bill this session. Let's pass this bill.  
13 Last year we became a national model for our work to ensure that our law enforcement  
14 agencies treat all Coloradans fairly and with equal respect for their rights.  
15 This session you will see several more bills to prevent racial profiling and continue to  
16 rebuild trust between law enforcement and the communities they serve and protect.  
17 Let's pass these bills.  
18 Our Colorado way of life also must include a good school for every kid. We must  
19 support preschool and K-12 education, which gives every child in Colorado a chance  
20 for a productive life. And when parents are more involved with their kids' lives, the  
21 outcomes are measurably better.  
22 You will see a bill to help improve those outcomes by taking the simple, common-  
23 sense step of ensuring that working parents can take unpaid time off to go to parent-  
24 teacher conferences and other essential school activities.  
25 Let's pass this bill.  
26 And we must support our public colleges and universities, which provide the training  
27 that connects young Coloradans to good careers.  
28 You will see a bill to cap student loan interest rates so Coloradans can graduate from  
29 college without drowning in debt. Let's pass this bill.  
30 Protecting our Colorado way of life also means protecting our environment.  
31 We have no more time for silly debates. The climate is changing, we are causing it,  
32 the consequences are alarming and we had better make an effort to tread more lightly  
33 across this Earth.  
34 Our Colorado way of life -- and the billions we get from tourists who come here to  
35 enjoy the Colorado way of life -- are at risk if every winter our ski season gets shorter  
36 and every spring our snowmelt fails to fill the reservoirs and every summer our forests  
37 burn.  
38 These are the impacts of climate change.  
39 For the first time, all the nations of the world are committed to reducing our carbon  
40 footprint. Colorado must do our fair share. We must continue to lead by example and  
41 do more to invest in renewable systems like solar and wind that provide energy at a  
42 competitive price while creating good, high-paying jobs and keeping our air and water  
43 clean.  
44 You will see a bill to include specific goals in our state's climate action plan to reduce  
45 our carbon footprint and help us bend the curve on climate change. Let's pass this bill.  
46 Our Colorado way of life is tied to the successes of our people and of our innovators,  
47 entrepreneurs and small business owners. They are the real engine of our economy.  
48 Fifty percent of the jobs in Colorado are in small businesses. It's time we focused our  
49 attention on small business.  
50 You will see a bipartisan bill to ensure that compliance costs and regulations don't  
51 stifle small businesses. Let's pass this bill.  
52 We need a strong partnership with businesses of all sizes. Our state government must  
53 be involved in building a robust infrastructure -- roads, bridges, public transportation  
54 and telecommunications.  
55 Now, more than ever, it is critical to upgrade our transportation systems so goods and  
56 services, tourists and regular Coloradans on their daily commutes can get where

1 they're going without having to spend hours stuck in traffic.  
2 And we must help rural Colorado be a full partner in our economic recovery. In 2016,  
3 e-commerce and the transfer of all kinds of information and ideas should be as simple  
4 in Debeque and Del Norte as in downtown Denver.  
5 One of the best ways to support rural Colorado is to double our efforts to bring high-  
6 speed internet to all areas of the state.  
7 We have many important priorities, and we must spend wisely to fund them.  
8 Because we will fail if we fail to invest in ourselves.  
9 Our economy will wither if employers stop hiring Coloradans because we lack the  
10 education and training that allow us to compete for high-quality jobs. Commerce will  
11 suffer if our roads are crumbling and overwhelmed by congestion. Our magnificent  
12 mountain vistas are worse than worthless if they are hidden under a blanket of smog.  
13 Members, it wasn't so long ago that Colorado and the rest of the nation were mired in  
14 the Great Recession.  
15 When the economy tanked, state revenues and reserves declined. The fact that we must  
16 balance our state budget every year meant that when there was less money to spend,  
17 we had to cut. Even though it meant less money for some of our highest priorities.  
18 Though we won't claim victory until every family in Colorado feels it, our rebound  
19 from those dark days is real.  
20 The same economic realities that forced us to cut our budget in lean times should be  
21 blessing us today with the ability to invest for the long-term prosperity of our state.  
22 In fact, because of the TABOR amendment to our state constitution, and its provision  
23 that arbitrarily caps state revenues, we enter this legislative session staring at a state  
24 budget proposal that requires significant cuts in critical areas of state spending.  
25 It is a budget that would not allow us to make any of the investments we need for our  
26 long-term prosperity. And this situation replicates itself and becomes even more dire  
27 in future state budgets.  
28 You will see a bill this year – a viable, constitutional bill – to give us flexibility under  
29 the TABOR cap by making the hospital provider fee an enterprise. Let's pass this bill.  
30 We should pass it while we try to reach agreement on a long-term budget solution that  
31 can be embraced by a majority of Colorado voters.  
32 We have many things to be proud of in Colorado, and we have many challenges.  
33 Solutions to these challenges won't be found overnight. But that's no reason to throw  
34 up our hands and quit trying. We have never let obstacles stand in our way.  
35 To get the gold they sought, the miners of the nineteenth century carved roads into  
36 impossibly steep mountainsides all across Colorado. To connect Denver with the  
37 Western Slope by rail, engineers nearly a hundred years ago blasted and drilled  
38 through six miles of solid rock and called it the Moffat Tunnel.  
39 We have always been defined by our independent and enterprising spirit and our can-  
40 do attitude toward problem-solving. Let us harness that spirit once again to build on  
41 our past successes and overcome the obstacles that remain. And let's start in this  
42 session of the Colorado General Assembly.  
43 Members, this is my last opening day speech, and probably the last time I will address  
44 all of you at such length. Speaking from my heart, and from the experience of four  
45 decades of working in public policy in this state, I tell you this:  
46 We are Coloradans, and we can get this done.  
47 After all, that's the Colorado way of life.  
48 Thank you.

49  
50 Minority Leader DelGrosso addressed the members of the House of  
51 Representatives:

52  
53 Madam Speaker, Madam Majority Leader, esteemed colleagues and honored guests,  
54 welcome to the Second Regular Session of the 70th General Assembly.  
55 Before I start, I would like to take this opportunity to welcome my family for joining  
56 me here today.

1 First off, I would to welcome our newest member, Representative Cole Wist, welcome  
2 to the General Assembly and I sure hope you know what you're in for. I look forward  
3 to working with you this session. I would also like to welcome Representative Janet  
4 Buckner - my sincerest condolences for your loss, your husband John was an  
5 honorable man and honorable public servant and I am grateful for the time I was able  
6 to spend working with him in this chamber. I especially enjoyed our talks about  
7 basketball and other sports during our down time. Contrary to what most people  
8 believe we don't talk politics here all the time. Your husband will truly be missed.  
9 I also would like to echo Speaker Hullinghorst's praise for how remarkable this  
10 chamber looks and ask for one more round of applause for Marilyn for her role in  
11 restoring the look of this room.

12 I would like recognize Speaker McNulty for beginning this restoration project and  
13 Speaker Ferrandino for his leadership to ensure this project stayed on track. You all  
14 did a great job and this chamber reflects your efforts.

15 Even with the later start this year, it's hard to believe we are already back for another  
16 session; it doesn't seem that long ago we were all celebrating the conclusion of last  
17 session. One hundred and twenty days starts today, and I am looking forward to a  
18 constructive session. From my experience, a looming election can sometimes dampen  
19 the respect we are accustomed to in this body. As we begin this session, let us  
20 remember that while we may not always share the same political philosophies, we all  
21 share the same goal of improving Colorado and making a positive difference in our  
22 communities.

23 Members, we may differ on our approach to solving the problems before us, and on  
24 the most appropriate use of taxpayer dollars, but reasonable people can differ. Our  
25 differences will help frame our upcoming debates and give us greater perspective to  
26 understand the issues facing Colorado. I encourage all of you to welcome our  
27 differences and look beyond party affiliation as you consider the merits of legislation  
28 this session.

29 In the last two sessions, I have used this time to discuss many of the legislative  
30 priorities facing our state; priorities that are not simply important to one party, but to  
31 the people and communities across Colorado. This session, Republicans will introduce  
32 legislation to increase government transparency and improve efficiency in our  
33 processes. We will focus on education and removing unnecessary burdens on our  
34 small businesses. However, it is disappointing that we must revisit many of the same  
35 priorities discussed in the last two years. Coloradans still need safe and accessible  
36 transportation, an affordable place for their families to call home, greater protections  
37 of their property, and more fiscal responsibility with their tax dollars - these are  
38 priorities we cannot afford to ignore any longer.

39 Members, I do not have to tell you that our transportation system is woefully  
40 underfunded. Today, everyone in this room navigated potholes, crossed bridges in  
41 various states of disrepair and probably spent more time in traffic than you wanted.  
42 This problem doesn't just affect Republicans or Democrats, it affects everyone in  
43 Colorado - and impacts not just our safety, but our commerce and industry as well.  
44 The Colorado Department of Transportation has indicated it needs an additional \$1  
45 billion dollars per year to meet Colorado's transportation needs, and there are studies  
46 that suggest that if we continue to fund transportation at the current level we can  
47 expect an increase in travel times of more than 150 percent over the next 20 years. The  
48 math is simple, if we don't prioritize more funding for transportation, Colorado's  
49 transportation needs will continue to outpace the resources available to address them.  
50 Nearly ten years ago, our Department of Transportation completed a significant  
51 highway expansion by issuing bonds rather than asking voters for a tax increase. We  
52 tried a similar vehicle last session that would have directed more than \$3 billion  
53 dollars into our transportation system, money that would have gone to projects in  
54 nearly every county in this state. While that attempt last session was unsuccessful, this  
55 session Republicans will again try to jump start transportation construction,  
56 prioritizing the safety and health of our roadways.

1 Seven years ago this body changed how we funded transportation. Legislation passed  
2 to give the Colorado Department of Transportation five years of general fund  
3 transfers. As five years was the intent, Republicans will again attempt to guarantee  
4 transportation will receive five years of full funding.

5 Last session we made some great strides to reduce testing and give our state more  
6 control over our children's education. This session, Republicans will again prioritize  
7 education with an agenda that establishes more equitable funding for all public school  
8 students and most importantly directs more funding into classrooms. The governor has  
9 indicated we may have to cut funding for K-12 and higher education, but in tough  
10 times we have to look for creative alternatives to cutting one of our most important  
11 investments – the investment in the leaders of tomorrow. This session Republicans  
12 will introduce legislation to do that. We are determined to create opportunities to  
13 ensure our schools will not be forced to lose teachers or textbooks. Quality education  
14 is a priority for all of us and I hope we can continue to work together to give Colorado  
15 students every opportunity to be successful in school.

16 As I segue into our business and economic priorities, I want to share what I hear from  
17 business owners more than anything else; the best way the legislature can help them  
18 is not by telling them what they can and cannot do, but to stay out of their way. New  
19 regulations, even with the best of intentions, can take an enormous amount of time and  
20 resources to navigate – time that ultimately detracts from growth. This session, the  
21 Republicans' agenda is focused on removing burdens hampering growth, while also  
22 standing firm against more unnecessary regulations on Colorado businesses.

23 Many Small businesses are struggling, and it's disappointing that we are forced to  
24 repeat priorities that failed to make it into law last session. But the reality is, helping  
25 small business navigate the mounting regulations and protecting property rights are  
26 as important today as it has ever been. Yes, it's true, this session Republicans will  
27 once again introduce, for a fifth year in a row, the regulatory reform bill – don't they  
28 always say the fifth time's the charm. Some of you might be thinking a bill in its fifth  
29 version is funny, but members every year we introduce a bill that will help small  
30 businesses in this state, and I can tell you for many business owners who already  
31 sacrifice a great deal of time away from their family, wasting time sifting through  
32 more government paperwork isn't funny. This bill has no fiscal impact, is widely  
33 supported by industry, and was unopposed by the departments – if you understand the  
34 contribution small business makes in Colorado then show them your support and let's  
35 finally pass this important legislation.

36 By that same token, we will again introduce legislation that ensures all private  
37 property is protected from government intrusion regardless of where it lies in this  
38 state. The location of a person's property and the political environment around it  
39 should not impact its accessibility. Some people seem to be unclear about property  
40 rights – we do not have a right to property value, but we do have a right to access and  
41 use our property.

42 A mineral right is property, just like intellectual property or personal property, and if  
43 any government entity elects to restrict access or enjoyment of that property, the  
44 owner should be duly compensated. Politics should never infringe on a person's  
45 constitutional rights, and I hope the people in this room think carefully about the  
46 dangerous precedent that would be set if we allow a government entity to deny access  
47 or use of a person's property without fair compensation. This type of action is unjust  
48 and this session Republicans will once again stand up for the rights of Coloradans.

49 Members, for many people in our state, the lack of affordable housing remains a daily  
50 concern. Our economy is dependent on accessible and affordable housing. Yet today,  
51 many middle class, working families are forced to pay exorbitant rents because they  
52 cannot afford to buy a home. Last session we assembled one of the broadest coalitions  
53 of support for legislation which would have encouraged the construction industry to  
54 build more affordable housing while at the same time ensuring homeowners' property  
55 rights were not compromised.

56 Since the defeat of last year's bill, many municipalities across our state, including the

1 one we are all in right now, have passed similar legislation. Today, two million people  
2 are covered by some form of construction defect legislation. However, a patchwork  
3 of municipal ordinances will not resolve this issue for every Coloradan struggling to  
4 keep a roof over their family's heads. That is why I hope everyone in this room will  
5 support a statewide solution to ensure all Coloradans have the opportunity to purchase  
6 a home.

7 Members, we will not solve the affordable housing problem by throwing money at it,  
8 we will solve it by working to fix the actual cause of the problem, and applying the  
9 law of supply and demand.

10 Finally, as we talk about prioritization, I believe there should be no greater priority  
11 than protecting the rule of law. Over the past year, we heard a lot of talk about  
12 reclassifying the Hospital Provider Fee as an enterprise; a change that would  
13 effectively allow the state to retain revenue that would otherwise be refunded to the  
14 taxpayers. While I agree that funding for education and transportation are critical to  
15 our state, under no circumstances should the need for revenue justify violating our  
16 state Constitution. The General Assembly's legal counsel said reclassifying the  
17 hospital provider fee as an enterprise would be unconstitutional.

18 Our Constitution guides us, it protects us, in many ways our Constitution defines us.  
19 This session, as in every session, Republicans will categorically support Colorado's  
20 constitution and will not compromise its integrity under any circumstance.

21 Members this session we will have to make some difficult decisions about our budget,  
22 but in order for us to best solve the problems we face, we must look back at how we  
23 got here. There is no denying the impacts of the recession on Colorado, but since  
24 2009, our General Fund has increased by nearly \$3 billion dollars, an increase of more  
25 than 43 percent. The math is simple, and if we don't prioritize our dollars we will  
26 continue to have this same conversation year in and year out.

27 The reality is many of the problems we face are not the result of insufficient revenue,  
28 but rather a lack of prioritization. With nearly \$3 billion dollars, the General Assembly  
29 could have increased funding for transportation and directed more funding into the  
30 classroom, but past assemblies chose to spend that money on expanding programs,  
31 with no regard on how future legislatures could pay for them. For those of you saying  
32 we still need more revenue, I ask you if \$3 billion is not enough, how much is?

33 We may have to make cuts this year, and while some members in this room will look  
34 for ways to take more money out the pockets of our taxpayers, I say, more revenue  
35 should come from money made from economic growth, from industry expansion and  
36 increased salaries throughout our state, not from higher taxes. We simply need to  
37 prioritize how we spend, focus on making government more efficient and let our small  
38 business community drive our economy forward.

39 This session, I hope we can agree on solutions to many of the priorities facing our  
40 state, and focus our efforts on our existing obligations rather than creating new ones.  
41 I look forward to civil and constructive discourse on keeping our economic recovery  
42 on track and ensuring all of Colorado is prosperous. I have said in the past that the  
43 opportunity to listen to people and learn about all the different issues facing them is  
44 the true spoils of this position and that could not be more true today.

45 Serving in the legislature has been one of my proudest accomplishments, and standing  
46 in this well, addressing this distinguished body has been a true privilege and an honor.  
47 As I begin my final session, I would like to express my gratitude for this experience.  
48 I am humbled by the confidence my district has placed in me to represent them, and  
49 by the support of my colleagues to serve in this role.

50 Once more, I look forward to working alongside you Madam Speaker, Madam  
51 Majority Leader and with my friends on both sides of this aisle.

52 Members, may the next 120 days be of great service to the people of Colorado, thank  
53 you and God bless us all.

**ADDRESS BY THE HONORABLE  
John Hickenlooper**

Good morning.

The rosy glow and spring in my step you may have noticed as I entered this Chamber today isn't just due to my recent engagement.

Thank you. I'm a very lucky man. And I know I'm not the only one looking forward to the Broncos beating the Steelers on Sunday.

I'm grateful and excited to be here with you today, in the state Capitol, to kick off our sixth year of work together.

Thank you to our Senate leadership: President Bill Cadman, Majority Leader Mark Scheffel, Minority Leader Lucia Guzman, and Assistant Minority Leader Rollie Heath.

And thank you also to our House leadership: Speaker Dickey Lee Hullinghorst, Majority Leader Crisanta Duran, Minority Leader Brian DelGrosso, and Assistant Minority Leader Polly Lawrence.

1 To all of the members of the Assembly, we thank you for your commitment and  
2 service to our state.  
3 Last year, we lost one of Colorado's most beloved public servants and educators –  
4 Representative John Buckner. We welcome Janet Buckner to the General Assembly.  
5 We know you will bring the same dedication to this chamber and the people of Aurora  
6 that your husband brought to his work and his community.  
7  
8 Thank you as well to Attorney General Cynthia Coffman, Secretary of State Wayne  
9 Williams, and Treasurer Walker Stapleton.  
10  
11 We are honored to have Vice-Chairwoman Juanita Plentyholes, of the Ute Mountain  
12 Ute Tribe, and Councilman Tyson Thompson, of the Southern Ute Indian Tribe,  
13 joining us this morning. Welcome.  
14  
15 In the house today is U.S. Representative Ed Perlmutter. Thank you for taking a brief  
16 respite from the hurly-burly in Washington to be with us.  
17  
18 We're also joined by two of the best mayors in the country: Colorado Springs Mayor  
19 John Suthers, and Denver Mayor Michael Hancock. Gentlemen, thank you for all that  
20 you do for your communities and our state.  
21  
22 We offer our thanks to "The Supremes" – the esteemed members of Colorado's  
23 Supreme Court who are in attendance this morning.  
24  
25 We are indebted to the members of our military and law enforcement communities,  
26 and to Major General Edwards and the Colorado National Guard, for their service and  
27 sacrifice in the pursuit of keeping us safe.  
28  
29 Thank you to my Cabinet and staff, and to all of our state employees, for endeavoring  
30 to bring out the best in our government – and in me.  
31  
32 Some months ago, Lieutenant Governor Joe Garcia accepted a new position as  
33 President of the Western Interstate Commission for Higher Education, which he will  
34 begin later this year. Thank you, Joe, for your partnership as Lieutenant Governor,  
35 and for your leadership as the Executive Director of the Department of Higher  
36 Education.  
37  
38 Soon, we will also bid farewell to Executive Director Mike King. Mike, we thank you  
39 for your collaboration and stewardship of the Department of Natural Resources.  
40  
41 I'd also like to give a special shout out to the Department of Personnel &  
42 Administration, the legislative staff, and all the employees from Capitol Complex and  
43 Colorado companies who have worked so hard to restore these Chambers to their  
44 original splendor.  
45  
46 131 years ago, a Democratic Governor and Republican General Assembly came  
47 together to enact legislation to build this Capitol.  
48  
49 It was 1885 and Colorado was experiencing a silver boom. Population was around  
50 300,000 and growing by the day. It cost \$2.7 million to build the Capitol back then;  
51 today, it would cost a hundred times that.  
52  
53 Originally, the top of the Capitol Dome was to be adorned by a 12-foot high statue of  
54 "the most beautiful woman in Colorado."  
55

1 Despite a clear Republican majority, the legislators couldn't agree on who was, in fact,  
2 the most beautiful woman in the state. So they forged a compromise: the crystal  
3 sphere known as "the lantern" that tops the building to this day.  
4 They built something to be proud of, that has endured and served generations of  
5 Coloradans.  
6  
7 At the beginning of my second term last January, as we took stock of the strength of  
8 our state, the promise of the future, and the thorny fiscal thicket that threatens to  
9 undermine both, we asked ourselves, *What exactly are we proposing to build for*  
10 *Colorado?*  
11  
12 Colorado is still the Frontier. We're forward thinkers. Risk takers. Innovators.  
13 Self-sufficient, independent and strong. A little wild and a hell of a good time.  
14  
15 Colorado is the place where you can make your own way. This should be as true  
16 tomorrow as it is today.  
17  
18 We don't need a Delorean time machine to know that change is coming. Just 20 years  
19 ago, we were using dial- up modems.  
20  
21 We didn't know we would one day be texting more than talking, or that dating would  
22 be all about swiping left or right. And cat videos – so many cat videos...  
23  
24 No matter what the future holds  
25 If you're young or old, what your dream looks like  
26 Strike gold  
27 Stone cold  
28 Colorado is the place where fortune favors the bold  
29 Colorado is the place where you can chase  
30 Your American dream.  
31  
32 Colorado is the place.  
33  
34 A vibrant economy, widespread prosperity, a healthy environment. These things don't  
35 create themselves. They're created by partnerships.  
36  
37 The State is a partner with business and nonprofits in fostering innovation and growth.  
38  
39 By working together, we can do more for Colorado than any single entity can do on  
40 its own.  
41  
42 We call this partnership the Golden Triangle.  
43  
44 Thanks to the investment of our private sector, the collaboration in and beyond this  
45 building, and the hard work and innovation of people across Colorado...our Golden  
46 Triangle strategy is working, and the state of the state is strong.  
47  
48 We've come a long way in the last 5 years. From budget shortfalls, a stagnant  
49 economy and 9 percent unemployment, Colorado now has one of the best economies  
50 in the nation.  
51  
52 We're one of the top states for economic growth. One of the best places for business  
53 and careers, for quality of life, for health and tourism.  
54  
55 Our economy is projected to continue its steady growth, and we've proven our state  
56 government can be an effective facilitator and partner in finding solutions to some of

1 Colorado's greatest challenges.  
2 We now have a comprehensive, statewide Water Plan – the result of unprecedented  
3 engagement with over 30,000 people around the state. It's anchored in conservation  
4 and powered by innovative solutions to make our water go further, protect our natural  
5 environment, and ensure our agriculture and recreation industries keep flourishing.  
6  
7 Now it's time to implement these solutions.  
8  
9 We will work with you to craft legislation that gives the Colorado Water Conservation  
10 Board greater flexibility in funding our most important water projects.  
11  
12 We're building on the success of Colorado's \$40 billion dollar agriculture industry to  
13 ensure our  
14 rural communities realize their full economic potential.  
15  
16 Colorado Blueprint 2.0 is helping regions identify and capitalize on their specific  
17 assets. This tenacious bottom-up approach is already delivering exciting results.  
18  
19 Today we are happy to announce that Costilla County will soon be home to the Blanca  
20 Forestry Products Sawmill, a brand new, built-to-suit commercial facility that will  
21 serve sSouthern Colorado and nNorthern New Mexico – creating over 100 jobs in the  
22 first year, with the potential to grow by hundreds more by 2020.  
23  
24 To give you an idea of just how big a deal this is, adding 100 jobs in Costilla is like  
25 adding 60,000 jobs in Metro Denver.  
26  
27 In 2013, this body created the REDI grant, which played an integral role in the  
28 partnership that brought this project to Colorado.  
29  
30 With us today are County Commissioners Lawrence Pacheco and Joe Gallegos; and  
31 Executive Director of the Costilla County Economic Development Council, Robert  
32 Rael.  
33  
34 Please join me in congratulating them on their partnership in bringing this new  
35 business to Colorado.  
36  
37 Rural Colorado is also plugging into our aerospace industry.  
38  
39 Thanks to strategic outreach aimed at expanding Colorado's space community beyond  
40 the I-25 corridor, major Front Range contractors are looking to small businesses  
41 around the state and looping them into their supply chain.  
42  
43 Over 50 Colorado companies supplied \$25 million worth of goods and services to one  
44 recent Lockheed Martin satellite project.  
45  
46 And it's not just Front Range businesses that are seeing the benefits of rural outreach.  
47 Companies like Lewis Engineering in Grand Junction and GenHam Diamond Tooling  
48 in Montrose joined forces as a direct result of road trips arranged by the Colorado  
49 Space Business Roundtable.  
50  
51 We encourage other industries to follow this lead, to make targeted efforts to do  
52 business with Colorado companies and maximize resources statewide.  
53  
54 When you've got it, you've got it. One of the many ways Colorado's got it is  
55 Tourism.  
56 In 2014 we hit two all-time tourism records: over 71 million visitors who spent \$18.6

1 billion in Colorado. That's 7 percent more in spending than 2013.  
2  
3 And we're just hitting our stride. We established the Outdoor Recreation Industry  
4 Office to help communities throughout the state grow their recreation business.  
5  
6 We're launching our Rural Jump- Start program this month in Mesa County. Three  
7 companies – Colorado Clean, TSW Analytics and ProStar Geocorp – have already  
8 applied; we look forward to working with them, and with Colorado Mesa University  
9 President, Tim Foster, who is with us today to enhance the competitiveness of  
10 Colorado's rural communities.  
11  
12 We're continuing the promising work of our Main Street improvement initiative, and  
13 pressing forward on efforts to bring broadband to every corner and corral in Colorado.  
14  
15 We are leveraging federal dollars, state assets and our new telecom law to ensure that  
16 all Colorado households, businesses, hospitals and schools – regardless of their  
17 location – have access to reliable, affordable broadband.  
18  
19 Since July 2014, we've secured 9,000 new jobs created by companies relocating to  
20 Colorado, and existing businesses expanding here. Companies like DaVita, Intel,  
21 Reed Group, FiveStars, Gusto and Proximity Malt.  
22  
23 Our considerable talent and resources are a major draw, and perfectly position  
24 Colorado to be the national leader in one of the most important emerging industries  
25 in the world: cybersecurity intelligence.  
26  
27 On our Trade Mission stop in Israel, the global leader in cybersecurity, we met with  
28 experts, researchers and business leaders, to examine the landscape of this new  
29 frontier, and crystalize our plans to create the National Cybersecurity Intelligence  
30 Center in Colorado.  
31  
32 As we see it, this Center can be the country's foremost authority on cybersecurity  
33 research and development, training and education. It will provide real time response  
34 capability for businesses to detect, prevent, remediate and recover from threats and  
35 hacks.  
36  
37 We propose to establish the Center in Colorado Springs, utilizing the region's  
38 impressive concentration of assets, private sector interest, and connection to the  
39 University of Colorado Colorado Springs cybersecurity program.  
40  
41 Mayor John Suthers and UCCS Chancellor Pamela Shockley-Zalabak are here with  
42 us today. Please join us in thanking them for their collaboration to advance the vision  
43 for Colorado's National Cybersecurity Intelligence Center.  
44  
45 Colorado wouldn't be in a position to lead on cybersecurity if we didn't have a highly  
46 qualified workforce already plugged into this burgeoning industry.  
47  
48 Developing a world-class talent pipeline is critical to attracting more business and  
49 investment in Colorado. But our minority students earn postsecondary degrees at half  
50 the rate that our white students do.  
51  
52 When hard-working Coloradans can't afford a path to the middle class, it's a detriment  
53 to the entire state. That's why we're working so aggressively, on all sides of the  
54 Golden Triangle, to close the Attainment Gap.  
55  
56 There has been no greater champion for "closing the gap" than Joe Garcia; the

1 collaboration he's led throughout the state is a big reason why Colorado is a national  
2 leader on the issue.

3  
4 Our Business and Experiential Learning Commission is building on our concurrent  
5 enrollment programs and developing a new model for college and career readiness. It  
6 gives students the opportunity to earn college credit, and get professional experience,  
7 while simultaneously achieving their high school diplomas.

8  
9 Students like Jaime Corchado are making the most of our concurrent enrollment  
10 programs. Jaime completed an Associate's of Science and prerequisites for an  
11 engineering degree while he was in high school at Aurora Central.

12  
13 He went on to attend the Community College of Aurora, intern at the Kennedy Space  
14 Center and graduate from the Colorado School of Mines in 2015 with a bachelor's in  
15 engineering physics. Today, Jaime works for Hewlett Packard as a software developer  
16 in Fort Collins.

17  
18 Jaime is the first in his family to go to college. He told us that without the concurrent  
19 enrollment program, he might never have been able to get a degree. Our program cut  
20 the total cost of earning his bachelor's in half. And now his little brother is planning  
21 to follow in Jaime's footsteps.

22  
23 Please join me in congratulating Jaime on his accomplishments, and for being an  
24 inspiration to other young Coloradans.

25  
26 We'll continue to support concurrent enrollment, as well as high standards and aligned  
27 assessments that improve student outcomes and teacher performance.

28  
29 Last session, you came together and passed bipartisan legislation to reduce testing by  
30 30 hours, so we can accurately measure our kids' progress toward meeting standards  
31 without overwhelming them or their teachers.

32  
33 But there are pivotal moments in our kids' academic careers when we need to know  
34 exactly where they stand on the learning curve, so we can adjust course if needed  
35 before it's too late. That's why we're standing firm on 9th grade assessments.

36  
37 It's not going to be easy to meet the challenges we face in advancing our education  
38 system: our budget request calls for a \$20 million dollar cut to higher education, and  
39 no increase for financial aid.

40  
41 This is not the direction we want to be moving, but it's a direct result of conflicting  
42 budget mandates that are forcing painful choices like this one.

43  
44 Our economy can't reach its full potential until every Coloradan can be a productive  
45 part of it.

46  
47 When you're poor, it impacts every area of your life – from your health, to your  
48 education, to your housing and employment. And it doesn't just affect kids or parents;  
49 it affects entire families.

50  
51 In 2012, nearly one in five kids in Colorado was living in poverty. It's a number  
52 we've worked hard to reduce: today it's one in six, and we want to drive those  
53 numbers down even more. One of the approaches we're taking is called Two  
54 Generation, or Two-Gen, a comprehensive effort that moves families out of poverty  
55 and toward self-reliance.

56

1 We ask that you re-authorize ReHire Colorado, a Two-Gen program that helps fathers  
2 who owe child support get jobs so they can contribute financially to their kids' well-  
3 being.  
4

5 Our Department of Human Services has received national recognition for its work on  
6 Two-Gen, under the leadership of Executive Director, Reggie Bicha.  
7

8 The health of our residents directly impacts our state's economy and our quality of  
9 life, which is why we're prioritizing efforts to make Colorado the Healthiest State in  
10 the nation.  
11

12 We're working in concert with our private sector and nonprofit partners to increase  
13 access to health services and build on the momentum of our successful statewide  
14 initiatives.  
15

16 Thanks to this collaboration, over 93 percent of Coloradans now have health  
17 insurance. As a result, we've seen increases in the use of preventative services and  
18 lifesaving screenings, which help keep people healthy and save taxpayers money in  
19 the long run.  
20

21 The Colorado Child Abuse & Neglect Hotline has received over 175,000 calls to date,  
22 making it easier to report suspected abuse and get kids the protection they need if  
23 they're in an unsafe situation.  
24

25 Similarly, Colorado's Mental Health Crisis Support Hotline has received tremendous  
26 engagement since its launch in August 2014. But in many communities, the stigma  
27 around mental health – and lack of access to hands-on services – often prevents people  
28 from seeking help.  
29

30 Through our State Innovation Model, we're working to make it as easy to get support  
31 for your mental health as it is to see your primary care doctor.  
32

33 In 2013, we proposed reforming our civil commitment rules to be consistent with the  
34 majority of other states in the country. It's time to get this done, so our healthcare  
35 providers are empowered to evaluate and treat people in crisis who pose a threat to  
36 themselves or others.  
37

38 We're also amplifying our work on suicide prevention. Colorado lost 1,058 people  
39 to suicide in 2014 – an all-time high for our state.  
40

41 We're working with the Suicide Prevention Commission, local communities and  
42 national experts to figure out why we have the 5th highest suicide rate in the nation,  
43 and develop better tools for prevention.  
44

45 Since 2012, firearm suicides have outpaced the number of Coloradans who die in car  
46 crashes. Auto fatalities have dropped to near-historic lows because we prioritized and  
47 put resources behind education and safety programs.  
48

49 We need to put the same kind of effort into increasing awareness of the links between  
50 mental health, suicide, and guns.  
51

52 We're partnering with gun shops, firing ranges and firearm safety instructors on a pilot  
53 program to make sure suicide prevention is part of the conversation when addressing  
54 gun safety and education.  
55

56 Another of our priorities is connecting more Coloradans to our natural resources,

1 especially our kids, so they're spending more time in the great outdoors and less time  
2 staring at screens.  
3  
4 It's not just the health benefits that come with outdoor activity; it deepens our respect  
5 for, and stewardship of, the beautiful natural spaces that set our state apart from any  
6 other.  
7  
8 Our Colorado the Beautiful initiative is underway, building a future where, within one  
9 generation, every Coloradan will live within a 10 minute walk of a park, trail or  
10 vibrant green space.  
11  
12 As part of that effort, our 16 x 16 Trails Project is identifying the 16 most important  
13 trail gaps, missing segments and unbuilt trails across the state; enhancing and  
14 connecting them to provide better access to the outdoors for everyone.  
15  
16 I might not get to all of these trails this year, but I'm going to try.  
17  
18 And this summer we're rolling out Colorado's first-ever interactive trails map to make  
19 it easier for people to plan and experience an outdoor adventure.  
20  
21 When we recognize a threat to our natural environment, we need to take action. Last  
22 summer's Gold King Mine spill showed us what can happen when abandoned mines  
23 with environmental or safety issues are not properly remediated.  
24  
25 To reduce the risk of another release like Gold King, we are developing a statewide  
26 inventory of draining mines to prioritize for clean up.  
27  
28 Tackling watershed contamination presents a challenge because of federal laws that  
29 prevent clean up efforts that fail to meet anything less than their standards.  
30  
31 We ask that you support our Congressional Delegation's efforts to allow "Good  
32 Samaritans" like state agencies, local governments, watershed groups and nonprofits  
33 to improve water quality without incurring liability for meeting all federal standards.  
34  
35 Upholding the highest public health and environmental standards, while promoting  
36 innovative energy development, is a cornerstone of our energy strategy.  
37  
38 At our altitude, we know better than anyone how important clean air is – and we need  
39 to protect it, along with our land and water. That means moving toward a cleaner,  
40 more sustainable energy future that is as reliable as what we have now.  
41  
42 Colorado has already risen to this challenge. We're a leader in the pursuit and  
43 promise of renewable energy. Sunrun is bringing 800 new solar jobs to our state. And  
44 Vestas Wind Systems added 350 new jobs at their Windsor, Brighton and Pueblo  
45 facilities.  
46  
47 As we nurture the growth of renewables in Colorado, we'll continue to work with the  
48 oil and gas industry to innovate ways of safely and efficiently getting resources out of  
49 the ground.  
50  
51 Well before the Clean Power Plan was formalized, we harnessed Colorado innovation  
52 to expand renewable energies, and we brokered groundbreaking methane regulations  
53 and fracking disclosure rules.  
54  
55 It's all connected. These efforts are important components of the Colorado Climate  
56 Plan we released this past fall, which will serve as our framework to mitigate

1 greenhouse gas emissions.  
2  
3 Let's press forward, together, to implement these plans in a way that best serves our  
4 state – minimizing costs and capitalizing on new economic opportunities as we power  
5 Colorado and protect our environment for generations to come.  
6  
7 As we look to the future, we have to look at some hard realities.  
8  
9 Travel on our highways has increased 42% in the last 20 years. But the capacity of  
10 our highway system has only grown 2%. Even an English major like me can do that  
11 math. It seems we've discovered the formula for congestion.  
12  
13 Nearly all of CDOT's budget is dedicated to maintaining our current system, which  
14 puts critical upgrades out of reach.  
15  
16 Add to the equation 2 million more residents projected to join us over the next 20  
17 years, and we've got a math problem. Our population grew by over 100,000 last year  
18 alone, so we need to invest now to ease congestion and mobility for today and  
19 tomorrow.  
20  
21 We have transportation issues up and down I-25, along I-70 and other high-volume  
22 traffic corridors throughout the state.  
23  
24 If we're going to get these projects done, we must find new funding sources and  
25 leverage partnerships to pay for them.  
26  
27 Some have suggested a version of TRANS bonds as an option, but without new  
28 revenue, that's like trying to drive your new truck across the state with a dollar's worth  
29 of gas.  
30  
31 This is a challenge that will only get more daunting as each day passes. Let's find a  
32 way to permanently put new money toward roads so we can truly solve Colorado's  
33 transportation problems.  
34  
35 Much like our transportation system, Colorado's housing capacity has not kept pace  
36 with our population growth. We don't have enough condos for current residents, let  
37 alone for the folks who are moving here.  
38  
39 Demand and rents have skyrocketed. Labor and building material costs continue to  
40 rise. These are forces beyond our control, and they're contributing to the problem  
41 that's driving the cost of housing out of reach, especially for first-time buyers.  
42  
43 So let's revisit the area that we do have control over to make homeownership more  
44 attainable: our old friend "Construction Defects."  
45  
46 It's a complicated issue, but it's too important to give up on. In the absence of State  
47 action, eleven different counties and municipalities have passed their own patchwork  
48 of ordinances, but we need a statewide solution.  
49  
50 Let's hunker down and craft a law that balances affordability concerns and  
51 homeowner rights with businesses' ability to operate.  
52 This year, let's also extend the State Low Income Housing Tax Credit program. These  
53 tax credits kickstart financing that communities use to leverage private sector  
54 investment in order to house Coloradans experiencing homelessness.  
55

1 Programs like this are particularly impactful for our veteran homeless population, as  
2 we strive to ensure that if veterans experience homelessness, those episodes are rare,  
3 brief and non-recurring.  
4

5 When Coloradans voted to legalize marijuana three years ago, most had no idea how  
6 much hard work and collaboration on all sides of this complex issue it would take to  
7 build a safe, effective regulatory system from scratch. We have a lot to be proud of,  
8 but certain challenges remain.  
9

10 We should continue to look at lessons learned from alcohol and tobacco as we monitor  
11 and update marijuana regulations. Back in the day, candy cigarettes desensitized kids  
12 to the dangers of tobacco – and today, pot-infused gummy bears send the wrong  
13 message to our kids about marijuana.  
14

15 Let’s ask ourselves if we’re doing enough to make sure that edibles do not so closely  
16 resemble the same products kids can find in the candy aisle.  
17

18 We’ve worked hard to restore Coloradans’ faith and trust in good government. We’ve  
19 lowered costs, cut more red tape and updated our technology to improve customer  
20 service at every click.  
21

22 And we’re not done yet. Colorado is one of the top destinations for Millennials  
23 graduating college, but most of them weren’t even alive the last time we updated our  
24 procurement rules. We will request legislation to update our procurement code,  
25 making it easier for vendors to compete for, and do business with the state.  
26

27 People believe in their government when it works.  
28

29 Democracy is messy and imperfect and sometimes it’s uncomfortable and ugly. Haters  
30 gonna hate. But when it works...it’s beautiful. It’s poetry in motion.  
31

32 Democracy wasn’t designed to be argument-free. It’s built on vigorous debate and  
33 “give me liberty, or give me death” dedication to the principles of freedom and  
34 equality.  
35

36 But democracy also wasn’t designed to be combative to its own detriment.  
37

38 Without compromise, the system stagnates under the weight of so many stalemates.  
39

40 Right now, our conflicts aren’t serving us – conflicts in our state Constitution, in this  
41 building, and certainly not in Washington.  
42

43 We used to take pride in reaching compromise. The framing of the U.S. Constitution.  
44 The creation of our interstate highway system. Putting the first two human beings on  
45 the moon.  
46

47 In today’s politics, we revel in getting our way without giving an inch, and stopping  
48 the other guy from getting anything done.  
49 We’ve made these the only things that count as wins. And the American people lose.  
50

51 This “you’re either with us or against us” mentality hurts our state and our country,  
52 and it undermines our democracy.  
53

54 This isn’t how our founders envisioned it.  
55 They weren’t partisan to the point of paralysis.  
56 The system worked because they worked together.

1 Coloradans know how to work together.  
2  
3 When tragedy strikes, we rise above our differences. Fires, floods, unspeakable  
4 violence – come what may, we tap into our collective resiliency and build back better  
5 and stronger.  
6  
7 *Does it have to get that bad?*  
8  
9 Do the challenges of our current structure have to send us off a cliff before we hold  
10 up our side of the Golden Triangle and take action?  
11  
12 Standing in this Chamber, steeped in history, I wonder...  
13  
14 ...who really is the most beautiful woman in Colorado?  
15  
16 I know who I think the most beautiful woman is, of course – my fiancée Robin.  
17  
18 But all joking aside – if the state needed a Capitol Building constructed today, would  
19 we be able to build it? Could we come together and get it done? Would we even get  
20 far enough in the process to debate what to put on top?  
21  
22 We’re a state that’s equal parts Republican, Democrat and Independent. And one  
23 thing is certain: we’re never going to wake up one morning and agree on everything.  
24  
25 But we are all Coloradans – always – not just when tragedy strikes or when we answer  
26 a challenge to make kindness top of mind.  
27  
28 Colorado is our community.  
29  
30 Community is what we seek in our neighborhoods; our churches, temples and  
31 mosques; around our careers and passions; in the families we build beyond the ones  
32 we’re born into.  
33  
34 Connecting to and investing in something greater than ourselves.  
35  
36 We realize that aerospace in the Springs and oil and gas on the Western Slope,  
37 mountain biking in Durango and ag on the Eastern Plains – no matter where you live  
38 in Colorado, these things matter to all of us.  
39  
40 The more every community in Colorado prospers, the more we have as a state to invest  
41 in what’s working and help find solutions to what isn’t.  
42  
43 We’re going to continue being a great partner to the people and the private sector.  
44  
45 Because – and this was evident when we talked to people around the state on our  
46 community tour last year – whether they believe in government or not, Coloradans  
47 want us to keep finding solutions.  
48 To solve the problems that are bigger than any single one of us.  
49  
50 Let’s strive, I mean *really try*, to be more bipartisan this Session. Let’s forgo cheap  
51 shots in favor of civility and productive dialogue.  
52  
53 Let’s use equal parts imagination and reason as we plan for the future.  
54 Investing wisely and strategically in what we want to build for Colorado.  
55 Striking a balance between stability and agility so we can handle whatever comes our  
56 way.

1 We can't control what happens to us, but we can control how we respond. When an  
2 unintended side-effect of well-intentioned legislation is undermining our success, we  
3 should take action to correct it.  
4  
5 Within our control is the Hospital Provider Fee enterprise designation.  
6  
7 Lawyers are going to disagree. That's what they do. We believe there is a way  
8 forward that doesn't violate the Constitution.  
9  
10 If we make this fix, the TABOR limit won't be one penny higher than what voters  
11 gave us in Referendum C.  
12  
13 We have enterprises that run lotteries, and build bridges and manage state parks. The  
14 one we propose provides services to our health care system that it can't provide on its  
15 own – and they want to pay us for them.  
16  
17 If we can't make this very reasonable change – like many already allowed under  
18 TABOR – then what choice do we have but to re-examine TABOR?  
19  
20 Right now, no one can say with a straight face that our budget rules are working for  
21 us.  
22  
23 Coloradans know we're not fully funding education. They're fed up with traffic  
24 congestion, they're fed up with potholes and they're fed up with our inability to  
25 expand our highway system.  
26  
27 Virtually every chamber of commerce and editorial board across the state, as well as  
28 CACI, Club 20, Action 22 and Progressive 15 all agree that fixing the Hospital  
29 Provider Fee makes sense.  
30  
31 Let's fix it and lock in funding for education and transportation.  
32 Let's move forward.  
33  
34 Our roads and schools are waiting.  
35  
36 And Coloradans are depending on us, whether they like government or not. Whether  
37 they believe in government or not.  
38  
39 Let's get back to the art of compromise and set Colorado up to win.  
40  
41 Let's look past our term limits and work through our differences to build something  
42 we can all be proud of – so that in 130 years, Coloradans will look back on what we  
43 accomplished here and say "They did us right."  
44  
45 Civility leads to collaboration. Compromise leads to progress. It's the poetry of the  
46 system working the way it's supposed to.  
47  
48 It's a pleasure and a privilege to work with you all. I'm optimistic and excited about  
49 what we can build together this Session.  
50  
51 So let's get to it!  
52  
53 Thank you. Go Broncos, and God bless the State of Colorado.  
54

12 "SECTION 1. In Colorado Revised Statutes, **add** article 16 to  
13 title 22 as follows:

14 **ARTICLE 16**

15 **Multiple Measures of Student Academic Growth**

16 **22-16-101. Legislative declaration.** (1) THE GENERAL ASSEMBLY  
17 FINDS THAT:

18 (a) STATE SUMMATIVE ASSESSMENTS ARE THE PRIMARY TOOL FOR  
19 MEASURING STUDENT ACADEMIC GROWTH, EVALUATING EDUCATOR  
20 EFFECTIVENESS, AND MEASURING THE PERFORMANCE OF LOCAL  
21 EDUCATION PROVIDERS AND THE STATE IN PROVIDING PUBLIC EDUCATION  
22 PROGRAMS;

23 (b) BUT STATE SUMMATIVE ASSESSMENTS DO NOT INCLUDE ALL OF  
24 THE CONTENT AREAS TAUGHT BY LOCAL EDUCATION PROVIDERS AND, IN  
25 FACT, ARE USEFUL FOR MEASURING STUDENT ACHIEVEMENT AND  
26 ACADEMIC GROWTH, EDUCATOR EFFECTIVENESS, AND THE PERFORMANCE  
27 OF LOCAL EDUCATION PROVIDERS ONLY IN A SMALL MINORITY OF  
28 SUBJECTS;

29 (c) IN ADDITION, STATE SUMMATIVE ASSESSMENTS, BECAUSE THEY  
30 ARE STANDARDIZED, USUALLY MULTI-CHOICE TESTS, ARGUABLY DO NOT  
31 PROVIDE A COMPLETE MEASURE OF WHAT EACH STUDENT KNOWS OR IS  
32 ABLE TO DO. WELL-DESIGNED PERFORMANCE-BASED MEASURES MAY  
33 PROVIDE A MORE COMPREHENSIVE UNDERSTANDING OF A STUDENT'S  
34 KNOWLEDGE AND SKILLS.

35 (d) DEVELOPING MULTIPLE WAYS TO MEASURE STUDENT  
36 ACADEMIC GROWTH GIVES LOCAL EDUCATION PROVIDERS RIGOROUS,  
37 VALID, AND RELIABLE MEASURES OF STUDENT ACADEMIC GROWTH THAT  
38 SUPPLEMENT THE INFORMATION RECEIVED FROM STATE SUMMATIVE  
39 ASSESSMENTS. THESE SUPPLEMENTAL MEASURES ENABLE LOCAL  
40 EDUCATION PROVIDERS TO MORE FULLY EVALUATE THE PERFORMANCE OF  
41 PUBLIC SCHOOLS AND MORE HOLISTICALLY MEASURE EDUCATORS'  
42 INDIVIDUALLY ATTRIBUTABLE IMPACTS ON STUDENT ACHIEVEMENT AND  
43 ACADEMIC GROWTH.

44 (e) USING MULTIPLE MEASURES OF STUDENT ACADEMIC GROWTH  
45 TO CREATE A BODY OF EVIDENCE THAT MEASURES STUDENTS' KNOWLEDGE  
46 AT THE BEGINNING AND END OF THE INSTRUCTIONAL INTERVAL AND  
47 MONITORING LEARNING AND ADJUSTING INSTRUCTION THROUGHOUT THE  
48 INTERVAL PROMOTES EXCELLENT EDUCATOR PRACTICE, SUPPORTS  
49 STANDARDS-BASED EDUCATION PRACTICES, AND ESTABLISHES A  
50 FRAMEWORK FOR FORMATIVE ASSESSMENT PRACTICE, WHICH HAS BEEN  
51 SHOWN TO HAVE A POSITIVE IMPACT ON STUDENT LEARNING;

52 (f) A LOCAL EDUCATION PROVIDER'S ABILITY TO EFFECTIVELY  
53 CREATE AND USE MULTIPLE MEASURES OF STUDENT ACADEMIC GROWTH  
54 DEPENDS IN PART ON EDUCATORS' AND ADMINISTRATORS' CAPACITY TO  
55 SELECT OR DESIGN ACCURATE MEASURES AND APPROPRIATELY INTERPRET  
56 ASSESSMENT RESULTS. TO CREATE AND APPLY MULTIPLE MEASURES OF

1 STUDENT ACADEMIC GROWTH EFFECTIVELY, LOCAL EDUCATION  
2 PROVIDERS MUST ENGAGE IN AN INTENTIONAL PROCESS OF ORGANIZED  
3 LEARNING TO DEVELOP EDUCATOR AND ADMINISTRATOR CAPACITY.

4 (g) LOCAL EDUCATION PROVIDERS ARE AT DIFFERENT STAGES IN  
5 DEVELOPING THEIR CAPACITY TO CREATE AND APPLY MULTIPLE MEASURES  
6 OF STUDENT ACADEMIC GROWTH AND CAN THEREFORE BENEFIT FROM  
7 WORKING IN PARTNERSHIPS, ESPECIALLY PARTNERSHIPS THAT INCLUDE  
8 BOTH URBAN AND RURAL LOCAL EDUCATION PROVIDERS AND LOCAL  
9 EDUCATION PROVIDERS OF VARYING STUDENT POPULATION SIZES AND  
10 DEMOGRAPHICS;

11 (h) A LOCAL EDUCATION PROVIDER MAY DEVELOP AND USE  
12 MULTIPLE MEASURES OF STUDENT ACADEMIC GROWTH TO MEASURE  
13 STUDENT ACHIEVEMENT AND ACADEMIC GROWTH, EVALUATE THE  
14 EFFECTIVENESS OF EDUCATORS THAT THE LOCAL EDUCATION PROVIDER  
15 EMPLOYS, AND MEASURE THE PERFORMANCE OF PUBLIC SCHOOLS AND OF  
16 THE LOCAL EDUCATION PROVIDER AS A WHOLE. IN ADDITION, A LOCAL  
17 EDUCATION PROVIDER MAY DEVELOP MULTIPLE MEASURES OF STUDENT  
18 ACADEMIC GROWTH WITH THE INTENT THAT OTHER LOCAL EDUCATION  
19 PROVIDERS MAY USE THEM OR THAT THE MEASURES WILL BE SUFFICIENTLY  
20 RIGOROUS, VALID, RELIABLE, AND COMPARABLE FOR USE AS PART OF  
21 STATEWIDE ACCOUNTABILITY AND ACCREDITATION.

22 (i) THE FEDERAL "EVERY STUDENT SUCCEEDS ACT", PUB.L.  
23 114-95, WHICH REAUTHORIZES THE "ELEMENTARY AND SECONDARY  
24 EDUCATION ACT OF 1965", 20 U.S.C. SEC. 6301 ET SEQ., REQUIRES EACH  
25 STATE TO MEASURE THE PERFORMANCE OF LOCAL EDUCATION PROVIDERS  
26 BY USING AT LEAST ONE INDICATOR OF SCHOOL QUALITY OR STUDENT  
27 SUCCESS. THE GENERAL ASSEMBLY MAY ULTIMATELY CONSIDER USING  
28 ANY MEASURES OF STUDENT ACADEMIC GROWTH THAT ARE CREATED AS  
29 A RESULT OF THIS ARTICLE AND THAT ARE SUFFICIENTLY RIGOROUS, VALID,  
30 RELIABLE, AND COMPARABLE AS A PERFORMANCE INDICATOR OF SCHOOL  
31 QUALITY OR STUDENT SUCCESS AS REQUIRED IN THE "EVERY STUDENT  
32 SUCCEEDS ACT".

33 (2) THE GENERAL ASSEMBLY FINDS, THEREFORE, THAT IT IS  
34 APPROPRIATE TO ESTABLISH A GRANT PROGRAM TO GIVE LOCAL  
35 EDUCATION PROVIDERS THE RESOURCES TO EFFECTIVELY CREATE AND  
36 APPLY MULTIPLE MEASURES OF STUDENT ACADEMIC GROWTH FOR THE  
37 BENEFIT OF STUDENTS, EDUCATORS, PUBLIC SCHOOLS, AND LOCAL  
38 EDUCATION PROVIDERS.

39 (3) THE GENERAL ASSEMBLY FURTHER FINDS THAT, FOR PURPOSES  
40 OF SECTION 17 OF ARTICLE IX OF THE STATE CONSTITUTION, GRANTS TO  
41 ASSIST LOCAL EDUCATION PROVIDERS IN CREATING AND APPLYING  
42 MULTIPLE MEASURES OF STUDENT ACADEMIC GROWTH WILL ASSIST LOCAL  
43 EDUCATION PROVIDERS IN IMPLEMENTING ACCOUNTABLE EDUCATION  
44 REFORM AND ACCOUNTABLE PROGRAMS TO MEET STATE ACADEMIC  
45 STANDARDS AND MAY THEREFORE RECEIVE FUNDING FROM THE STATE  
46 EDUCATION FUND CREATED IN SECTION 17 (4) OF ARTICLE IX OF THE  
47 STATE CONSTITUTION.

14 (a) ARE BASED ON SETTING MEASURABLE GOALS OR OBJECTIVES  
15 FOR A SPECIFIC TEACHING ASSIGNMENT OR CLASS, WHICH GOALS AND  
16 OBJECTIVES ARE SET IN A PARTICIPATORY MANNER AND ALIGNED WITH  
17 THE SUBJECT MATTER TAUGHT; AND

18 (b) ENABLE EDUCATORS TO EVALUATE THE BASELINE

23 **22-16-103. Student academic growth measures grant program**

24 **- created - applications.** (1) THERE IS CREATED IN THE DEPARTMENT THE  
25 STUDENT ACADEMIC GROWTH MEASURES GRANT PROGRAM TO ASSIST  
26 LOCAL EDUCATION PROVIDERS IN DEVELOPING AND USING MULTIPLE  
27 MEASURES OF STUDENT ACADEMIC GROWTH AS SUPPLEMENTS TO THE  
28 STATE ASSESSMENTS ADMINISTERED PURSUANT TO SECTION 22-7-1006.3  
29 AND OTHER STANDARDIZED TESTS ADMINISTERED BY LOCAL EDUCATION  
30 PROVIDERS. A LOCAL EDUCATION PROVIDER MAY USE THE MULTIPLE  
31 MEASURES OF STUDENT ACADEMIC GROWTH TO SUPPLEMENT, BUT NOT  
32 REPLACE, STATEWIDE SUMMATIVE ASSESSMENTS. A GRANTEE MAY  
33 DEVELOP THE MULTIPLE MEASURES OF STUDENT ACADEMIC GROWTH FOR  
34 USE SOLELY BY THE GRANTEE FOR ONE OR ALL OF THE PURPOSES OF  
35 MEASURING STUDENT ACHIEVEMENT AND ACADEMIC GROWTH,  
36 EVALUATING EDUCATOR EFFECTIVENESS, EVALUATING PUBLIC SCHOOL  
37 PERFORMANCE, OR EVALUATING THE OVERALL PERFORMANCE OF A  
38 SCHOOL DISTRICT OR BOCES. IN ADDITION, A GRANTEE MAY CHOOSE TO  
39 DEVELOP THE MULTIPLE MEASURES OF STUDENT ACADEMIC GROWTH  
40 ULTIMATELY FOR USE THROUGHOUT THE STATE AS PART OF STATEWIDE  
41 ACCOUNTABILITY AND ACCREDITATION UNDER ARTICLE 11 OF THIS TITLE.

42 (2) A LOCAL EDUCATION PROVIDER, SOLELY OR IN PARTNERSHIP  
43 WITH ONE OR MORE OTHER LOCAL EDUCATION PROVIDERS, MAY APPLY TO

51 STUDENT ACADEMIC GROWTH;

52 (II) CREATE AND IMPLEMENT A PROCESS FOR DEVELOPING AND  
53 USING MULTIPLE MEASURES OF STUDENT ACADEMIC GROWTH TO ENHANCE  
54 CLASSROOM ASSESSMENT, FORMATIVE ASSESSMENT PRACTICE, AND

56 ACHIEVEMENT AND ACADEMIC GROWTH; AND

1 (III) USE THE RESULTS OF THE MULTIPLE MEASURES OF STUDENT  
2 ACADEMIC GROWTH, WHICH USE MAY INCLUDE, BUT NEED NOT BE LIMITED  
3 TO, MEASURING STUDENT ACHIEVEMENT AND ACADEMIC GROWTH,  
4 EVALUATING EDUCATOR EFFECTIVENESS, MEASURING THE PERFORMANCE  
5 OF A PUBLIC SCHOOL, AND MEASURING THE OVERALL PERFORMANCE OF A  
6 SCHOOL DISTRICT OR BOCES;

7 (b) A STATEMENT AS TO WHETHER THE APPLICANT INTENDS TO  
8 CREATE THE MULTIPLE MEASURES OF STUDENT ACADEMIC GROWTH WITH  
9 THE EXPECTATION THAT THEY MAY BE USED SOLELY BY THE APPLICANT,  
10 USED BY OTHER LOCAL EDUCATION PROVIDERS FOR LOCAL PURPOSES, OR  
11 USED BY THE STATE AS PART OF STATEWIDE ACCOUNTABILITY AND  
12 ACCREDITATION UNDER ARTICLE 11 OF THIS TITLE OR FOR A COMBINATION  
13 OF THESE USES; AND

22 FOR STATEWIDE USE; AND

23 (b) SUBMIT TO THE DEPARTMENT COPIES OF THE RESOURCES AND  
24 MATERIALS THE APPLICANT CREATES USING MONEY RECEIVED FROM THE  
25 GRANT PROGRAM, WHICH THE DEPARTMENT MAY MAKE AVAILABLE TO  
26 OTHER LOCAL EDUCATION PROVIDERS BASED ON THE RESULTS OF THE  
27 EVALUATION.

28 **22-16-104. Grantee selection - rules.** (1) THE DEPARTMENT  
29 SHALL REVIEW EACH APPLICATION RECEIVED PURSUANT TO SECTION  
30 22-16-103 AND RECOMMEND TO THE STATE BOARD THOSE APPLICANTS  
31 THAT SHOULD RECEIVE GRANTS AND THE AMOUNTS OF THE GRANTS.  
32 SUBJECT TO AVAILABLE APPROPRIATIONS, THE STATE BOARD SHALL  
33 AWARD THE GRANTS, TAKING INTO CONSIDERATION THE DEPARTMENT'S  
34 RECOMMENDATIONS. THE DEPARTMENT AND THE STATE BOARD SHALL  
35 BASE THEIR RECOMMENDATIONS AND GRANT AWARDS ON THE FOLLOWING  
36 CRITERIA:

38 PROVIDER OR A PARTNERSHIP OF TWO OR MORE LOCAL EDUCATION  
39 PROVIDERS, GIVING HIGHER PRIORITY TO APPLICATIONS SUBMITTED BY

47 ACCOUNTABILITY AND ACCREDITATION UNDER ARTICLE 11 OF THIS TITLE,  
48 GIVING PRIORITY TO APPLICATIONS THAT ARE MOST LIKELY TO RESULT IN  
49 MEASURES THAT ARE APPROPRIATE FOR WIDESPREAD USE THROUGHOUT  
50 THE STATE;

51 (c) THE QUALITY OF THE APPLICANT'S PLAN AND THE LIKELIHOOD  
52 THAT IT WILL RESULT IN MULTIPLE MEASURES OF STUDENT ACADEMIC  
53 GROWTH THAT ARE RIGOROUS, VALID, AND RELIABLE FOR THE PURPOSES  
54 THAT THE APPLICANT IDENTIFIES IN THE APPLICATION; AND

55 (d) THE APPLICANT'S CAPACITY FOR DEVELOPING AND USING  
56 MULTIPLE MEASURES OF STUDENT ACADEMIC GROWTH THAT ARE

1 RIGOROUS, VALID, AND RELIABLE AND WHETHER THE APPLICANT INTENDS  
2 TO CONTRACT WITH A PERSON OR ENTITY TO ASSIST IN DEVELOPING AND  
3 USING THE MEASURES.

7 INCLUDING BUT NOT LIMITED TO RULES ESTABLISHING THE TIMELINES AND  
8 PROCEDURES APPLICABLE TO APPLYING FOR AND AWARDED GRANTS.

9 (3) A GRANTEE MAY USE A PORTION OF THE GRANT MONEY  
10 RECEIVED TO CONTRACT WITH A PERSON OR A PUBLIC OR PRIVATE ENTITY,

19 CREDIT TO THE FUND ALL INTEREST AND INCOME DERIVED FROM THE  
20 DEPOSIT AND INVESTMENT OF MONEY IN THE FUND. ANY UNEXPENDED  
21 AND UNENCUMBERED MONEY REMAINING IN THE FUND AT THE END OF A  
22 FISCAL YEAR SHALL NOT REVERT TO THE FUND FROM WHICH IT WAS  
23 APPROPRIATED OR BE TRANSFERRED TO ANOTHER FUND.

24 (2) THE MONEY APPROPRIATED TO THE FUND IS CONTINUOUSLY  
25 APPROPRIATED TO THE DEPARTMENT FOR THE PURPOSES OF THIS ARTICLE.

27 DEPARTMENT MAY EXPEND UP TO ONE MILLION DOLLARS FOR  
28 ADMINISTRATIVE EXPENSES INCURRED IN ADMINISTERING THE GRANT  
29 PROGRAM AND UP TO TWO HUNDRED THOUSAND DOLLARS TO PAY THE

 3           (a) The purpose of this act is to clarify the law regarding tax  
 4 exemptions for public housing authorities that the general assembly  
 5 extended to subsidiaries of housing authorities in 2000 so that the  
 6 department of revenue again allows the exemptions to such subsidiaries  
 7 to the same extent that it had been allowing them before reinterpreting the  
 8 law to disallow certain exemptions beginning in 2013;  
 9           (b) The legislative council staff revenue forecasts relied on by the  
 10 general assembly during its fiscal year 2015-16 budgeting process did not  
 11 specifically take into account additional tax revenue that the state might  
 12 have received due to the department of revenue's 2013 reinterpretation of  
 13 the law, and the general assembly therefore did not rely on the existence  
 14 of any such additional revenue in developing the fiscal year 2015-16  
 15 budget; and  
 16           (c) The clarification of the law provided for in this act therefore

23 The Honorable Colorado House of Representatives  
24 Colorado General Assembly  
25 State Capitol Building  
26 200 E. Colfax Avenue

28  
29 To the Honorable Colorado Senate  
30 Colorado General Assembly  
31 State Capitol Building  
32 200 E. Colfax Avenue  
33 Denver, Colorado 80203

34  
35 Dear Members of the General Assembly:

36  
37 As you know, Joe Garcia has tendered his resignation as Lieutenant Governor  
38 of the State of Colorado effective April 29, 2016. With this letter, I am honored  
39 to submit for your approval the nomination of Dr. Donna Lynne to fill the  
40 constitutional role of Lieutenant Governor.

41  
42 As Lieutenant Governor, Joe Garcia has been an invaluable member of our  
43 Administration. He has been a widely respected state leader in higher  
44 education, a close advisor, and a trusted friend. His work on behalf of Colorado  
45 children - striving to ensure educational opportunity for all - is second to none.

46 Our Administration will miss his counsel and leadership, and we wish  
47 Lieutenant Governor Garcia the best as he enters a new chapter in his career.

48  
49 The Lieutenant Governor serves a critical role in state government. First and  
50 foremost, the Lieutenant Governor assumes the constitutional duties of the  
51 Governor when he or she is unable to do so. The Lieutenant Governor also  
52 manages the State's relationship with and service to Native Americans. During  
53 my tenure as Governor, the Lieutenant Governor also served a dual role as a  
54 member of the Cabinet and executive director of the state Department of Higher  
55 Education.

56

1 Article IV, Section 13(2) of the Colorado Constitution requires that “whenever  
 2 there is a vacancy in the office of the lieutenant governor . . . the governor shall  
 3 nominate a lieutenant governor who shall take office upon confirmation by a  
 4 majority vote of both houses of the general assembly.” In accordance with  
 5 these requirements, I hereby nominate Dr. Donna Lynne to fill the position of  
 6 Lieutenant Governor and submit her for the General Assembly’s consideration  
 7 and approval. I am confident that Dr. Lynne is well qualified to fill the role of  
 8 Lieutenant Governor and will be a dedicated servant to the people of Colorado.  
 9

10 Dr. Lynne currently serves as executive vice president of Kaiser Foundation  
 11 Health Plan, Inc. and Kaiser Foundation Hospitals. In that role, she manages  
 12 16,000 employees and oversees a budget of over \$8 billion. Previously, she  
 13 spent two decades in local government and many years in the private sector.

14 She has significant experience in improving service delivery, management  
 15 oversight, and program improvement. Dr. Lynne is also very active in the  
 16 community, serving in leadership roles for the Denver Museum of Nature and  
 17 Science, Denver Public Schools Foundation, National Partnership for Women  
 18 and Families, Teach for America-Colorado, and the University of Denver.  
 19

20 The office of Lieutenant Governor is a critical role in state government. Dr.  
 21 Lynne’s experience, her passion for service, and her history of managing large,  
 22 complex institutions makes her a unique an ideal candidate for Colorado’s next  
 23 Lieutenant Governor. I urge your swift action to confirm Dr. Donna Lynne’s  
 24 nomination.

25 Should you have questions or wish to discuss, please contact me or Kurt  
 26 Morrison, Legislative Director, Governor’s Office at (303) 866-5465. Thank  
 27 you for your consideration.  
 28

29 Sincerely,  
 30 (Signed)  
 31 John W. Hickenlooper  
 32 Governor

55 appropriate, a standard procedure to evaluate and identify adult sex

1 offenders, including adult sex offenders with developmental disabilities.  
2 The procedures shall provide for an evaluation and identification of the  
3 adult sex offender and recommend management, monitoring, and  
4 treatment based upon existing research ~~demonstrating that sexually~~  
5 ~~offending behavior is often repetitive and that~~ AND SHALL INCORPORATE  
6 THE CONCEPTS OF THE RISK-NEED-RESPONSIVITY OR ANOTHER  
7 EVIDENCE-BASED CORRECTIONAL MODEL. There is currently no way to  
8 ensure that adult sex offenders with the propensity to commit sexual  
9 offenses will not reoffend. Because there are adult sex offenders who can  
10 learn to manage unhealthy patterns and learn behaviors that can lessen  
11 their risk to society in the course of ongoing treatment, management, and  
12 monitoring, the board shall develop a procedure for evaluating and  
13 identifying, on a case-by-case basis, reliably lower-risk sex offenders  
14 WHOSE RISK TO SEXUALLY REOFFEND MAY NOT BE FURTHER REDUCED BY  
15 PARTICIPATION IN TREATMENT AS DESCRIBED IN PARAGRAPH (b) OF THIS  
16 SUBSECTION (4). The board shall develop and implement methods of  
17 intervention for adult sex offenders, which methods have as a priority the  
18 physical and psychological safety of victims and potential victims and  
19 which are appropriate to the assessed needs of the particular offender, so  
20 long as there is no reduction in the safety of victims and potential victims.

21 (II) (A) ONCE THE BOARD HAS APPROVED REVISED PORTIONS OF  
22 THE STANDARDS, THE BOARD SHALL MAKE EVERY EFFORT TO PUBLISH THE  
23 APPROVED PORTIONS. THE BOARD SHALL COMPLETE A REVISION OF THE  
24 STANDARDS TO IDENTIFY AND EVALUATE ADULT SEX OFFENDERS BY JULY  
25 1, 2017. IF THE BOARD DETERMINES THAT IT WILL BE UNABLE TO  
26 COMPLETE THE REVISION OF THE STANDARDS BY JULY 1, 2017, THE BOARD  
27 SHALL REPORT TO THE JUDICIARY COMMITTEES OF THE GENERAL  
28 ASSEMBLY, OR ANY SUCCESSOR COMMITTEES, A PROJECTED COMPLETION  
29 DATE AS PART OF ITS ANNUAL REPORT PRESENTED PURSUANT TO SECTION  
30 16-11.7-109 (2) IN JANUARY 2017. THE REVISED STANDARDS MUST BE  
31 CONSISTENT WITH THE RECOMMENDATIONS PROVIDED TO THE BOARD IN  
32 THE 2014 INDEPENDENT EVALUATION OF THE BOARD'S STANDARDS AND  
33 GUIDELINES FUNDED BY THE GENERAL ASSEMBLY IN 2013; EXCEPT THAT,  
34 IF THE STANDARDS ARE NOT CONSISTENT WITH THE 2014 INDEPENDENT  
35 EVALUATION, IN ITS ANNUAL REPORT TO THE JUDICIARY COMMITTEES OF  
36 THE GENERAL ASSEMBLY, OR ANY SUCCESSOR COMMITTEES, PURSUANT TO  
37 SECTION 16-11.7-109 (2), THE BOARD SHALL DESCRIBE ANY  
38 INCONSISTENCIES AND EXPLAIN THE EVIDENCE-BASED REASONS FOR THE  
39 INCONSISTENCIES.

41 2018.

42 (b) **Guidelines and standards for treatment of adult offenders.**  
43 (I) The board shall develop, implement, and revise, as appropriate,  
44 guidelines and standards to treat adult sex offenders, including adult sex  
45 offenders with developmental disabilities, INCORPORATING IN THE  
46 GUIDELINES AND STANDARDS THE CONCEPTS OF THE

48 MODEL, which guidelines and standards can be used in the treatment of  
49 offenders who are placed on probation, incarcerated with the department  
50 of corrections, placed on parole, or placed in community corrections.  
51 Programs implemented pursuant to the guidelines and standards  
52 developed pursuant to this paragraph (b) shall be as flexible as possible  
53 so that the programs may be accessed by each adult sex offender to  
54 prevent the offender from harming victims and potential victims.  
55 Programs shall include a continuing monitoring process and a continuum

1 of treatment options available to an adult sex offender as he or she  
2 proceeds through the criminal justice system. Treatment options shall be  
3 determined by a current risk assessment and evaluation and may include,  
4 but need not be limited to, group counseling, individual counseling,  
5 family counseling, outpatient treatment, inpatient treatment, shared living  
6 arrangements, or treatment in a therapeutic community. Programs  
7 implemented pursuant to the guidelines and standards developed pursuant  
8 to this paragraph (b) shall, to the extent possible, be accessible to all adult  
9 sex offenders in the criminal justice system, including those offenders  
10 with mental illness and co-occurring disorders. The procedures for  
11 evaluation, identification, treatment, and monitoring developed pursuant  
12 to this subsection (4) shall be implemented only to the extent that moneys  
13 are available in the sex offender surcharge fund created in section  
14 18-21-103 (3), C.R.S.

16 THE STANDARDS, THE BOARD SHALL MAKE EVERY EFFORT TO PUBLISH THE  
17 APPROVED PORTIONS. THE BOARD SHALL COMPLETE A REVISION OF THE  
18 GUIDELINES AND STANDARDS TO TREAT ADULT SEX OFFENDERS BY JULY  
19 1, 2017. IF THE BOARD DETERMINES THAT IT WILL BE UNABLE TO  
20 COMPLETE THE REVISION OF THE STANDARDS BY JULY 1, 2017, THE BOARD  
21 SHALL REPORT TO THE JUDICIARY COMMITTEES OF THE GENERAL  
22 ASSEMBLY, OR ANY SUCCESSOR COMMITTEES, A PROJECTED COMPLETION

24 16-11.7-109 (2) IN JANUARY 2017. THE REVISED GUIDELINES AND  
25 STANDARDS MUST BE CONSISTENT WITH THE RECOMMENDATIONS  
26 PROVIDED TO THE BOARD IN THE 2014 INDEPENDENT EVALUATION OF THE  
27 BOARD'S STANDARDS AND GUIDELINES FUNDED BY THE GENERAL  
28 ASSEMBLY IN 2013; EXCEPT THAT, IF THE STANDARDS ARE NOT  
29 CONSISTENT WITH THE 2014 INDEPENDENT EVALUATION, IN ITS ANNUAL  
30 REPORT TO THE GENERAL ASSEMBLY PURSUANT TO SECTION 16-11.7-109  
31 (2), THE BOARD SHALL DESCRIBE ANY INCONSISTENCIES AND EXPLAIN THE

42 developed by the board pursuant to paragraph (b) of this subsection (4)

21 ANOTHER EVIDENCE-BASED CORRECTIONAL MODEL based upon the  
22 knowledge that all unlawful sexual behavior poses a risk to the  
23 community and that certain juveniles may have the capacity to change

25 shall develop and implement methods of intervention for juveniles who  
26 have committed sexual offenses, which methods have as a priority the

 53 "SECTION 1. **Legislative declaration.** (1) The general  
 54 assembly finds and declares that:

55 (a) Service animals that are properly trained to assist persons with

- 1 disabilities play a vital role in establishing independence for such persons;
- 2 (b) The term "service animal" has a distinct meaning in the law.
- 3 A service animal means a dog or miniature horse trained to do work or
- 4 perform tasks for the benefit of an individual with a disability and whose
- 5 work or task is directly related to the individual's disability. Under the
- 6 law, the provision of emotional support, well-being, comfort, or
- 7 companionship does not constitute the work or tasks of a service animal.
- 8 (c) No vest, other marking, or documentation is required for an
- 9 animal to qualify as a service animal, nor are such vests, markings, or
- 10 documentation a reliable indication of whether an animal is, by law, a
- 11 service animal. People sometimes erroneously think that a therapy animal,
- 12 an emotional support animal, or any animal wearing a vest or having any
- 13 other type of marking is a service animal as defined by law.
- 14 (d) There are an increasing number of occurrences where people
- 15 exploit the confusion related to service animals and attempt to bring an
- 16 animal into a place that it would otherwise not be allowed to enter by
- 17 passing off a pet, therapy animal, or emotional support animal as a service
- 18 animal or a service-animal-in-training, either by oral misrepresentation,
- 19 placing a vest or other marking on the animal, or presenting a
- 20 "certificate", despite knowing that it is not a service animal;
- 21 (e) Some companies mislead individuals into believing that they
- 22 will be entitled to the rights or privileges for individuals with disabilities
- 23 with service animals if only they buy the company's vests or obtain some
- 24 type of certificate. These misrepresentations, in some cases, are unlawful
- 25 deceptive trade practices and compound the confusion around service
- 26 animals.
- 27 (f) Commendably, federal and state laws require places of public
- 28 accommodation, including restaurants, theaters, stores, hospitals, and
- 29 more, to allow any animal that is presented as a service animal or a
- 30 service-animal-in-training into the place of public accommodation. These
- 31 same places of public accommodation face a dilemma when someone
- 32 enters the premises and intentionally misrepresents his or her animal as
- 33 a service animal or service-animal-in-training.
- 34 (g) To respect the privacy of individuals with disabilities,
- 35 regulations sensibly allow businesses and other places of public
- 36 accommodation to ask only two questions of a person who is being
- 37 assisted by an animal in such a place:
- 38 (I) Is the dog [or miniature horse] a service animal required
- 39 because of a disability?
- 40 (II) What work or task has the dog [or miniature horse] been
- 41 trained to perform?
- 42 (h) False answers to these two questions harm not only the place
- 43 of public accommodation and its patrons, but also individuals with
- 44 disabilities who legitimately rely on service animals. If an animal is not
- 45 properly trained, the place of public accommodation and its clientele may
- 46 suffer damages, health issues, injury, or other problems. When people try
- 47 to falsely represent a non-service animal as a service animal or a
- 48 service-animal-in-training, business owners and other places of public
- 49 accommodation become increasingly distrustful that an animal being
- 50 represented to them as a service animal or service-animal-in-training is,
- 51 in fact, a service animal or service-animal-in-training. Misrepresentation
- 52 of service animals delegitimizes the program and makes it harder for
- 53 persons with disabilities to gain unquestioned acceptance of their
- 54 legitimate, properly trained, and essential service animals.
- 55 (2) Therefore, the general assembly finds that the state of

- 1 Colorado needs to enact a crime of intentional misrepresentation of a  
2 service animal for a person with a disability."

 39 **"SECTION 1. Legislative declaration.** (1) The general  
 40 assembly finds and declares that:

41 (a) The definition of "child abuse or neglect" in the Children's  
 42 Code needs to be modified to accommodate behavioral changes relating  
 43 to substances;

44 (b) The general assembly's intent behind any modifications to the  
 45 definition of "child abuse or neglect" in the Children's Code as it relates  
 46 to substances is to focus on guiding assessments and investigations in the  
 47 child welfare system after an allegation of abuse or neglect rather than to  
 48 dictate absolute findings of abuse or neglect in a given situation;

49 (c) Every child welfare situation is unique, the issues surrounding  
 50 substances and abuse or neglect have multiple nuances, and one question  
 51 or one test alone may not yield an accurate finding of abuse or neglect;  
 52 and

53 (d) Therefore, a modification to the definition of "child abuse or  
 54 neglect" in the Children's Code requires the department of human services  
 55 to provide guidance, through the promulgation of rules, on assessments  
 56 to county-level case workers.

1 (2) The general assembly further finds that to create stronger  
 2 cooperation, transparency, and consistency between the multiple parties  
 3 involved in these difficult child welfare situations, the collection of  
 4 additional data following any modification of the definition of "child  
 5 abuse or neglect" as it relates to substances is a necessary component of  
 6 successfully protecting the best interests of the children of Colorado and  
 7 their parents.

8 **SECTION 2.** In Colorado Revised Statutes, 19-1-103, **amend** (1)  
 9 (a) (VI) and (1) (a) (VII) as follows:

 11 portion of this title, unless the context otherwise requires:

12 (1) (a) "Abuse" or "child abuse or neglect", as used in part 3 of  
 13 article 3 of this title, means an act or omission in one of the following  
 14 categories that threatens the health or welfare of a child:

15 ~~(VI) Any case in which in the presence of a child, or on the~~  
 16 ~~premises where a child is found, or where a child resides, a controlled~~  
 17 ~~substance, as defined in section 18-18-102 (5), C.R.S., is manufactured~~  
 18 ~~or attempted to be manufactured;~~ SUBSTANCE USE OR SUBSTANCE  
 19 EXPOSURE THREATENS OR RESULTS IN HARM TO THE CHILD'S HEALTH OR  
 20 WELFARE UNDER ANY OF THE FOLLOWING CIRCUMSTANCES:

21 (A) BEHAVIOR INDICATING IMPAIRMENT OF A PERSON THAT  
 22 THREATENS OR RESULTS IN HARM TO THE CHILD. FOR PURPOSES OF THIS  
 23 SUB-SUBPARAGRAPH (A), A "PERSON" INCLUDES A PARENT, STEPPARENT,  
 24 GUARDIAN, LEGAL CUSTODIAN, RELATIVE, SPOUSAL EQUIVALENT, OR ANY  
 25 OTHER PERSON WHO RESIDES IN THE CHILD'S HOME OR WHO IS REGULARLY  
 26 IN THE CHILD'S HOME AND HAS SOLE AUTHORITY OVER OR SOLE  
 27 RESPONSIBILITY FOR THE CARE OF THE CHILD.

28 (B) THE KNOWING, RECKLESS, OR NEGLIGENT EXPOSURE TO OR  
 29 INGESTION OF ANY LEGAL OR ILLEGAL SUBSTANCE BY A CHILD THAT  
 30 THREATENS OR RESULTS IN HARM TO THE CHILD, UNLESS SUCH EXPOSURE  
 31 OR INGESTION IS THE RESULT OF THE CHILD'S LAWFUL INTAKE OF SUCH  
 32 SUBSTANCE; OR

33 (C) THE MANUFACTURE, DISTRIBUTION, PRODUCTION, OR  
 34 CULTIVATION PRACTICES OF A LEGAL OR ILLEGAL SUBSTANCE THAT  
 35 CREATES AN ENVIRONMENT THAT THREATENS OR RESULTS IN HARM TO  
 36 THE CHILD.

37 (VII) (A) Any case in which a child tests positive at birth for  
 38 ~~either a schedule I controlled substance, as defined in section 18-18-203,~~  
 39 ~~C.R.S., or a schedule II controlled substance, as defined in section~~  
 40 ~~18-18-204, C.R.S.~~ AN EXPOSURE TO ALCOHOL OR FOR A CONTROLLED  
 41 SUBSTANCE, AS DEFINED IN SECTION 18-18-102, C.R.S., unless the child  
 42 tests positive for a schedule II controlled substance as a result of the  
 43 mother's lawful intake of such substance as prescribed OR RECOMMENDED  
 44 BY A LICENSED HEALTH CARE PROVIDER WHO IS AWARE OF THE  
 45 PREGNANCY AND THE USE OF SUCH SUBSTANCE, AND MONITORED BY THE  
 46 SAME OR ANOTHER LICENSED HEALTH CARE PROVIDER WHO IS AWARE OF  
 47 THE PREGNANCY AND THE USE OF SUCH SUBSTANCE.

4 MINIMUM, ANY PROCEDURES A COUNTY DEPARTMENT MUST FOLLOW UPON  
5 RECEIVING A REPORT THAT AN INFANT HAS TESTED POSITIVE FOR A  
6 SUBSTANCE AT BIRTH.

7 (2) THE STATE DEPARTMENT SHALL COLLECT DATA ON THE USE OF  
8 THE MODIFIED DEFINITION OF "CHILD ABUSE OR NEGLECT" IN SECTION  
9 19-1-103 (1) (a) AS CREATED IN HOUSE BILL 16-1385, AS WELL AS THE

3 The Honorable Colorado House of Representatives

4 Seventieth General Assembly

5 Second Regular Session

6 State Capitol Building

7 Denver, Colorado 80203

8

9 Ladies and Gentlemen:

10

11 It is my honor to inform you that I have approved and filed with the Secretary  
12 of State the following Act:

13

14 House Bill 16-1405 CONCERNING THE PROVISION FOR PAYMENT  
15 OF THE EXPENSES OF THE EXECUTIVE,  
16 LEGISLATIVE, AND JUDICIAL DEPARTMENTS OF  
17 THE STATE OF COLORADO, AND OF ITS  
18 AGENCIES AND INSTITUTIONS, FOR AND  
19 DURING THE FISCAL YEAR BEGINNING JULY 1,  
20 2016, EXCEPT AS OTHERWISE NOTED.

21

22 Approved May 3, 2016 at 2:38 p.m.

23

24 This bill, and the accompanying legislative items that comprise the FY 2016-17  
25 budget, reflect the commitment and collaboration of many participants over the  
26 last year. The Colorado General Assembly has a long history of setting aside  
27 disagreements that in other states would lead to acrimonious gridlock. In  
28 keeping with that tradition, the budget agreement reflects the best spirit of  
29 bipartisanship in the United States and it will effectively serve the entire state  
30 Colorado.

31

32 Notable highlights include:

33

34 · *K-12 Education* – With the expected passage of the annual School  
35 Finance Act, funding for primary and secondary education will  
36 increase with inflation and enrollment over the prior year. In  
37 addition, the negative factor is reduced to \$830.7 million for FY  
38 2016-17, \$24.5 million below the \$855.2 million contained in the  
39 initial FY 2015-16 appropriation.

40

41 · *Child Welfare* – In the second phase of a continuing effort to boost  
42 funding for child welfare at the county level, this budget sets aside  
43 \$6.1 million General Fund for an additional 100 caseworkers in  
44 counties throughout Colorado.

45

46 · *Youth Corrections* – With an increase of \$2.2 million General Fund,  
47 this budget adds 36.3 FTE to address safety concerns in Colorado's  
48 State-owned and State-operated youth corrections facilities.

49

50 · *Transportation* – The budget plan allocates \$150 million from the  
51 General Fund to the Highway Users Tax Fund to support  
52 transportation infrastructure.

53

54 As we look into future fiscal years, State Constitutional limits on revenue and  
55 requirements to increase expenditures will create challenging budget situations  
56 even if Colorado continues to experience positive economic conditions.

1 Meanwhile, though the current economic expansion continues, we continue to  
2 monitor the impact of the decline of the oil and gas sector and its impact on the  
3 overall economy and local communities.

4

5 **Concerns with H.B. 16-1405 Footnotes**

6 It is the Governor's constitutional obligation to review the general  
7 appropriations bill and exercise the line item veto when necessary. We  
8 recognize and appreciate the legitimate and reasonable expression by the  
9 General Assembly of the intent associated with certain appropriations contained  
10 in the FY 2016-17 Long Bill. In fact, many of these expressions of intent are  
11 based on information contained within the Executive Branch budget requests.

12 In general, we interpret most of these expressions of intent as different from  
13 attempts to administer appropriations or to pursue substantive law via the  
14 general appropriations bill. Thus, we have not vetoed any of the footnotes in  
15 H.B. 16-1405.

16

17 While the Legislature has the prerogative to express its intent, the Executive  
18 Branch maintains the clear and inherent responsibility to administer  
19 appropriations (see *Colorado General Assembly v. Owens*, 136 P.3d 262 (Colo.  
20 2006); *Colorado General Assembly v. Lamm*, 704 P.2d 1371 (Colo. 1985); and  
21 *Anderson v. Lamm*, 195 Colo. 437, 579 P.2d 620 (1978)). For this reason, we  
22 have directed Executive Branch agencies to comply with the intent of the  
23 footnotes contained in H.B. 16-1405 only to the extent practicable and  
24 appropriate.

25

26 Moreover, if operational needs dictate otherwise, the Executive Branch will not  
27 be constrained by any limitations implied within any of the Long Bill footnotes.  
28 In particular, footnotes that indicate dollar amounts for expenditure in specific  
29 programs or for specific purposes may comprise attempts by the General  
30 Assembly to administer the appropriation, and State departments may deviate  
31 from the intent expressed as necessary.

32

33 Five footnotes included in H.B. 16-1405 are of particular concern to us:

34

- 35 • **Footnote 1, page 13:** Department of Agriculture, Agriculture Services,  
36 Plant Industry Division – It is the intent of the General Assembly that the  
37 portion of this appropriation used by the Division to support the 13.3 FTE  
38 for the inspection and enforcement of pesticide use on marijuana and  
39 industrial hemp crops not be continued for any fiscal year after FY 2017-18,  
40 unless justification for the continued need is provided by the Department  
41 through a formal request.

42

43 Our administration believes that the safe use of pesticides on marijuana  
44 and industrial hemp crops will remain an indefinite concern for the  
45 health and welfare of residents and visitors in Colorado. For this  
46 reason, we do intend to revisit this issue during the 2017 legislative  
47 session to seek a more permanent funding solution for this important  
48 program.

49

- 50 • **Footnote 42, page 117:** Department of Human Services, Office of Early  
51 Childhood, Division of Community and Family Support, Early Childhood  
52 Mental Health Services – It is the intent of the General Assembly that this  
53 appropriation be used for the purpose of supporting early childhood mental  
54 health specialists in each community mental health center.

55

1 Our administration agrees with the intent of this footnote, and the  
2 Department of Human Services (DHS) will make every reasonable  
3 effort to ensure that each community mental health center (CMHC) will  
4 choose to employ early childhood mental health specialists. However,  
5 because the State secures the services of CMHCs through a competitive  
6 procurement process, we cannot guarantee that each CMHC will  
7 respond satisfactorily to the procurement solicitations issued by DHS.

- 8  
9 • **Footnote 49, page 114:** Department of Human Services, Behavioral Health  
10 Services, Integrated Behavioral Health Services, Rural Co-occurring  
11 Disorder Services – It is the intent of the General Assembly that this  
12 appropriation be used for the purpose of providing a full continuum of co-  
13 occurring behavioral health treatment services in southern Colorado and the  
14 Arkansas Valley.

15  
16 The Department of Human Services secures behavioral health treatment  
17 services through a competitive procurement process. While DHS will  
18 comply with the intent of this footnote, the Department cannot  
19 guarantee that vendors will respond to its procurement solicitation with  
20 satisfactory offers to provide acceptable services in the specified  
21 geographical areas.

- 22  
23 • **Footnote 80, page 211:** Department of Public Health and Environment,  
24 Administration and Support, Administration, Leave Payouts – The  
25 Department may use this line item for leave payouts for cash funded and  
26 federal funded employees only.

27  
28 This footnote administers the appropriation. The Department of Public  
29 Health and Environment will observe existing State and federal rules in  
30 the use of indirect cost recoveries for leave payouts, and will comply  
31 with the intent of this footnote only when practicable.

- 32  
33 • **Footnote 87, page 228:** Department of Public Safety, Division of Criminal  
34 Justice, Community Corrections, Community Corrections Placements – It is  
35 the intent of the General Assembly that the Intensive Residential Treatment  
36 (IRT) bed allocation in the San Luis Valley should not be reduced below 36  
37 beds for the Southern Central Colorado Region to ensure bed capacity for  
38 this part of the state.

39  
40 The Department of Public Safety (CDPS) secures intensive residential  
41 treatment community corrections services through a competitive  
42 procurement process. While CDPS will comply with the intent of this  
43 footnote to the extent possible, the Department cannot guarantee that  
44 vendors will be available to provide this quantity of satisfactory services  
45 in the specified geographical areas.

46  
47 As in recent years, we also remain concerned with the General Assembly's  
48 inclusion of full-time equivalent positions (FTE) within the general  
49 appropriations act. The Colorado Supreme Court's opinion in *Anderson v.*  
50 *Lamm*, 195 Colo. 437, 579 P.2d 620 (1978) clearly states that "specific staffing  
51 and resource allocation decisions" in a general appropriations bill are  
52 unconstitutional. The Supreme Court affirmed this finding in *Colorado*  
53 *General Assembly v. Owens*, 136 P.3d 262 (Colo. 2006). Further, it remains our  
54 opinion that any predetermined prescription of FTE authorization limits the  
55 ability of State agencies to make the most resource-effective use of  
56 appropriations to accomplish critical performance objectives.

1 Therefore, Executive Branch agencies are instructed to manage their  
2 appropriations within the scope of the dollars appropriated in H.B. 16-1405 and  
3 without limitation by the bill's FTE authorizations.  
4

5 ***Closing Comments***

6 House Bill 16-1405 and its companion legislation culminate a difficult but  
7 productive year of work for Colorado's budget planners. We would like to  
8 express our gratitude for the work performed by the Joint Budget Committee  
9 members, the Joint Budget Committee staff, the staff of the Office of State  
10 Planning and Budgeting, and the scores of budget analysts throughout  
11 Colorado's government, all of whose tireless efforts on behalf of Colorado are  
12 sometimes overlooked.  
13

18 The Honorable Colorado House of Representatives  
19 State Capitol  
20 200 E. Colfax Ave.  
21 Denver, CO 80203  
22

23 Dear Members of the Colorado House of Representatives:  
24

25 Today, I vetoed House Bill 16-1231, "Concerning the Limited Use of  
26 Automated Vehicle Identification Systems Designed to Detect Disobedience to  
27 a Traffic Signal," at 2:09 p.m.  
28

29 Last year, we wrote to the General Assembly on several occasions in agreement  
30 that use of traffic photo-enforcement tools should be limited and used only in  
31 a manner that instills trust in government and confidence that public safety is  
32 paramount. Specifically, we requested the General Assembly to enact  
33 legislation that:  
34

35 ". . . limits photo-radar and red light cameras to only the  
36 following locations: (1) school zones; (2) construction and  
37 roadway work zones; and (3) areas with disproportionately high  
38 traffic and pedestrian accidents, injuries, and fatalities.  
39 Secondly, legislation should require that fine revenue be used  
40 solely for traffic safety improvements and enforcement, rather  
41 than general operating funds or non-transportation purposes."  
42

43 House Bill 16-1231 implements no such reasonable limitations. Rather,  
44 the bill enacts a State-imposed blanket-ban of red light cameras for all  
45 municipalities, denying communities the right to decide for themselves based  
46 on their own traffic safety needs. Accordingly, HB 16-1231 is vetoed.  
47

48 Sincerely,  
49 (Signed)  
50 John W. Hickenlooper

39 Dear Members of the Colorado House of Representatives:

40

41 Today, we are filing with the Secretary of State House Bill 16-1401,  
42 "Concerning the Regulation of Retail Food Establishments."

43

44 As I am neither signing nor vetoing HB 16-1401, therefore, the bill will  
45 become law on 12:01 a.m. on June 11, 2016, and take effect on August 10,  
46 2016. This letter sets forth my reasons for allowing HB 16-1401 to become law  
47 absent my signature.

48

49 In order to improve public health and reduce illness, restaurant  
50 inspection programs should be properly funded, have appropriately trained  
51 inspectors, and focus on educating food establishments. Over the next three  
52 years, HB 16-1401 will increase funding for retail food establishment  
53 inspections like restaurants and grocery stores with delis. The bill also ensures  
54 that retail food inspectors meet national standards for education and training,  
55 while focusing on the highest risk establishments and working to prevent and  
56 correct food safety hazards.

1 Many Coloradans cross county lines daily to live, work, and eat.  
2 Ensuring that they have access to the same information about the food safety is  
3 important to promoting public health statewide. The bill requires the  
4 Department of Public Health and Environment to work with the retail food  
5 industry, local public health agencies, and others to establish a uniform system  
6 to communicate inspection results with consumers. The bill also simplifies  
7 licensing categories, easing the regulatory burden on the industry and local  
8 public health agencies.  
9

10 House Bill 16-1401 is the result of a lengthy stakeholder process  
11 directed by prior legislation. Industry, counties, and other public health officials  
12 came together and negotiated in good faith. No one achieved all of their  
13 desires, and the overall result was good policy benefiting both Colorado's food  
14 industry and public health.  
15

16 However, several county governments raised concerns that the final  
17 version of the bill does not give sufficient control and flexibility in  
18 administering inspection programs. Some note that the bill prevents a county  
19 from using certain types of inspection and reporting systems, including letter  
20 grades, to communicate inspection results to their citizens. They also note the  
21 bill requires counties to set licensing fees at a set level and spend increased  
22 funds solely on inspections, reducing their authority over their own local  
23 budgets and programs in ways most beneficial for their constituents.  
24

25 Although the restaurant inspection program is a state program to ensure  
26 all Coloradans have the same access to safe foods, within federal requirements  
27 and standards, counties should have authority to innovate and use systems that  
28 work best for their communities. While the bill enacts needed advancements for  
29 the food inspection program, we are cautious of limited local flexibility for  
30 counties.  
31

32 For this reason, I am allowing HB 16-1401 to become law without my  
33 signature. We encourage the General Assembly to continue this conversation  
34 and balance the needs of statewide uniformity with individual counties' ability  
35 to create their own programs that best serve their communities and citizens. We  
36 stand ready to work with you.  
37

38 Sincerely,  
39 (Signed)  
40 John W. Hickenlooper  
41 Governor  
42

31 The Honorable Colorado House of Representatives  
32 State Capitol  
33 200 E. Colfax Ave.  
34 Denver, CO 80203  
35

36 Dear Members of the Colorado House of Representatives:  
37

38 Today, we are filing with the Secretary of State House Bill 16-1309,  
39 "Concerning a Defendant's Right to Counsel in Certain Cases Considered by  
40 Municipal Courts."  
41

42 As I am neither signing nor vetoing HB 16-1309, the bill will become  
43 law at 12:01 a.m. on June 11, 2016. This letter sets forth my reasons for  
44 allowing HB 16-1309 to become law absent my signature.  
45

46 In Colorado, state and county courts provide a public defender for in-  
47 custody defendants facing jail as a possible penalty at their first appearance  
48 before a judge. The vast majority of Colorado municipalities do not currently  
49 follow this practice in their municipal courts. As a result, many defendants  
50 charged with violating a municipal ordinance face a judge alone at their initial  
51 appearance. House Bill 16-1309 addresses this disparity by requiring municipal  
52 courts to appoint counsel for criminal defendants at their initial appearance in  
53 municipal court if s/he is in custody and charged with an offense carrying  
54 possible incarceration. A defendant may waive the appointment of counsel.  
55  
56

1           The U.S. Supreme Court has held that defendants have the right to  
2 counsel at all “critical stages” of a criminal prosecution. At first appearances  
3 in municipal courts, defendants often enter a guilty plea, and the case is over.  
4 If the defendant pleads not guilty, the judge sets bond, thereby determining a  
5 defendant’s pretrial liberty. We believe these are critical stages in the  
6 prosecution.

7  
8           Under the current system in municipal courts, many defendants who  
9 cannot afford to post bond for low-level municipal offenses have the option of  
10 pleading guilty and going home after being sentenced to time served, or  
11 requesting counsel and waiting in jail until their next court appearance. Given  
12 these options, we question how many of these defendants are pleading guilty  
13 just to get out of jail, regardless of whether they are guilty or innocent. Without  
14 counsel present, many defendants do not understand the lifelong impact a guilty  
15 plea may have on a various aspects of their lives, including employment,  
16 housing, the ability to hold a driver’s license, and immigration. This system not  
17 only disproportionately affects our most vulnerable citizens - many of whom  
18 suffer from mental illness or addiction - but also imposes indirect costs on the  
19 State by interfering with the ability of defendants to live productive lives after  
20 a criminal charge has been resolved.

21  
22           While HB 16-1309 enacts laudable policy, it is not perfect. We are  
23 concerned that the bill imposes costs on local governments. A commitment to  
24 protecting individual liberties and respect for local governments’ financial  
25 constraints need not be mutually exclusive. As such, I have directed the Office  
26 of State Planning and Budgeting to work with municipalities to determine the  
27 costs and savings that will result from enactment of this bill. The Office will  
28 evaluate options, including a potential request in the fiscal year 2017-18 budget,  
29 for the State to offset costs for local governments.

30  
31           For this reason, I am allowing HB 16-1309 to become law without my  
32 signature. We stand ready to work with the General Assembly on options to  
33 fund this worthwhile policy.

34  
35 Sincerely,  
36 (Signed)  
37 John W. Hickenlooper  
38 Governor
