LETTER OF RESIGNATION

November 13, 2015

Mr. John McKay
Acting Secretary
Colorado Senate
State Capitol Building
Denver, CO 80203

Dear Mr. Secretary:

For the past 11 years, it has been my profound honor to serve the people of Colorado in the General Assembly. Having passed dozens of bills and cast thousands of votes, I always tried to listen to all sides on every issue.

First and foremost, I want to express my deep appreciation to my wife, Karen for all the sacrifices that she has made to allow me to serve.

Through 5 campaigns and several off years, I personally have knocked on over 130,000 doors in Arapahoe County and loved playing with thousands of dogs. As an Army veteran, I appreciate all the veterans I’ve met at the door and all the military stories they shared. I especially want to thank the Viet Nam vets who have been tragically under-thanked by our nation.

With the struggles confronting working families trying to make ends meet, I worked diligently as the Chair of the Senate Business, Labor & Technology Committee for a prosperous and fair business climate in Colorado.
As Co-Chair of the Colorado Legislative Animal Welfare (CLAW) Caucus, I enjoyed working with legislators from both parties to pass meaningful animal protection laws. Most notably, I want to reiterate my appreciation to law enforcement leaders for helping me write and pass the Dog Protection Act to safeguard our beloved dogs. The Dog Protection Act provides detailed training to prepare police officers to handle all types of dog encounters without resorting to lethal force.

Nevertheless, family responsibilities must take priority now. After prayer and deliberation, I offer my resignation from the Colorado Senate effective Thursday, December 31, 2015 at 11:59 PM.

I have been truly blessed to work with so many exceptional leaders on both sides of the aisle over my tenure as a citizen legislator. Please remember to BE AS GOOD AS YOUR DOG!

Respectfully,
(signed)
Senator David Balmer

MESSAGE FROM THE HOUSE

January 13, 2016
Mr. President:

The House has adopted and transmits herewith HJR16-1001.

Pursuant to the resolution, the Speaker has appointed Representatives Buckner, chairman, Salazar, and Landgraf.

___________

CONSIDERATION OF RESOLUTIONS

HJR16-1001 by Representative(s) Duran, Hullinghorst, DelGrosso; also Senator(s) Scheffel, Cadman, Guzman--Concerning a Joint Session of the House of Representatives and the Senate for the purpose of hearing a message from His Excellency, Governor John Hickenlooper, and appointing a committee to escort the Governor.

On motion of Majority Leader Scheffel, the resolution was adopted by the following roll call vote:
The President appointed Senators Baumgardner and Steadman to serve on the committee to escort the Governor to the State of the State Address.

Remarks of President Cadman:

Isn’t it great to be back in this beautiful chamber, again for the first time. Some of us had a preview of working in here last week when Jack Tate was sworn in as a state senator.

We all take an oath of office before we are "seated" at these desks. This is usually after a general election. I have now taken the oath of office 7 times. I took a similar oath in the Army, over 30 years ago.

This oath means a lot to me. It has meant something special every time I have taken it. I know it means something to each of you.

I still get Goosebumps when I say it.

I Bill Cadman do solemnly swear to support the Constitution of the United States and of the State of Colorado and faithfully perform the duties of the office of state senator to which I was duly elected, to the best of my abilities, so help me God.

We don’t just recite it like a school poem. The oath is administered by the Chief Justice of the Supreme Court. Hopefully, it’s the only time we will ever be on her docket.

This oath has always had special meaning to me, and a few months ago that meaning was greatly enhanced.

This happened in a place called Gettysburg. If you have not been there, you must get there. If you have been there, you probably understand. Gettysburg, where in perhaps the three most bloody and courageous days in our nation’s history, two American armies fought for conflicting dreams. This was well summarized by author Michael Shara.

The experience of being in Gettysburg deepened my understanding of the price paid by our forefathers for the lives we enjoy in this country and this state. As Senator Scheffel and I stood in the middle of that great battlefield, the solemn purpose of that encounter and that war was truly manifest before our eyes.

The soldiers who died there were not fighting for kings, or land, or personal possessions...they were fighting for each other, they were fighting for freedom. They were fighting for a place where no man had to bow. A place where a man could stand up free of the past, free of tradition and blood ties and the curse of royalty and become what he wished to become. They were fighting for the FIRST PLACE ON EARTH where THE MAN MATTERED MORE THAN THE STATE.
These sentiments were expressed by Union Army Colonel Lawrence Chamberlin. He told his soldiers, "We are an army going out to set other men free." "We are an army going out to set other men free." Not for Kings, or land or personal possessions.

TRUE FREEDOM BEGAN HERE IN THIS COUNTRY! The civil war would determine if it would endure.

The good news...Freedom Won!! Freedom Won!!

Here we are, in a capitol building, in our Capitol building that is known for being the spiritual and physical center of Colorado. I have found myself in this chamber for hours on end trying to fully comprehend all that this place represents, all that it means... and it's so much more than the granite, the steel the brass and the marble. It's more than the views.

Winston Churchill said we build buildings then they build us.

This place on Brown's Bluff, is the very symbol of the idea and ideals of freedom. This amazing structure stands as a tribute itself to a government entrusted to ensure that MAN MATTERS MORE THAN THE STATE. THIS PLACE STANDS AS A TESTAMENT TO EVERY BATTLE WHERE FREEDOM WON!

If freedom had lost, we WOULDN'T be here. If freedom had lost, we COULDN'T be here.

I stand in here...and I think about our oath. I believe as senators and representatives the oath is what binds us together. Seven times I have sworn this oath and tried to truly comprehend all that it means.

What are we "Swearing to do, so help us God?" The answer is simple, it's simple. We promise to support the constitution and we promise to faithfully perform our duties to the best of our abilities.

We promise, as elected officials to do these two things. They both require leadership. They both require leadership.

We promise to perform our duties to the best of our abilities. This is transactional leadership, this is about doing our job, it's about managing the tasks and responsibilities of holding these offices. It's about learning how to legislate, and delegate, and participate in this process. Performing our duties to the best of our ability means passing a balanced budget and a school finance act. Our duties include dealing with countless issues and finding solutions that will best serve more than five million people. We are tasked to find solutions to enormous challenges.

Performing our duties to the best of our abilities means finding the best solutions. Leadership means finding solutions. It's not about partisan solutions.

President Kennedy once said, "Let us not seek the Republican answer or the democratic answer but the right answer."

"Let us not seek the Republican answer or the democratic answer but the right answer."

Rising to that challenge, we have much to be proud of in our accomplishments together in the first half of this term. As our agenda was presented for 2015 session I believed the issues we focused on would unite us and they did.

We didn't seek republican solutions or democratic solutions, we sought the right solutions and we succeeded.

UNITED WE SUCCEEDED

We sought the right solutions for our public schools. We increased funding and worked to reduce the negative factor.

We sought the right solutions to address the extremely burdensome amount of school testing we had piled up on the backs and in the backpacks of our kids. We took the entire 120 days of the session to pass HB 15-1323 to reform school testing. Senators Holbert and Kerr spearheaded this reform effort through one of the most thought-provoking, intense and complicated public policy debates I have seen in 16 years. Senators Hill and Merrifield, your efforts didn't go unnoticed because much of the work you did on SB-257 was incorporated into the final product.
We sought the right solutions for Workforce Development opportunities for our high-school graduates. We passed bills to increase partnerships that are bringing our schools and our employers together to provide graduates the necessary skills for competing in a global economy.

We capitalized on many great recommendations of the "Colorado Talent Pipeline Report." Thank you Senator Newell for your work on getting that Report done. It provided a road map for success and we followed it.

Four Republican senators - Woods, Marble, Cooke, and Hill - joined with five Democrat senators - Donovan, Hodge, Heath, Todd, and Kerr - sponsored 8 successful bills that were signed into law by the Governor.

I want to share my appreciation for the House Majority Leader Representative Duran for all of her work and leadership on this issue as well.

Empowering our kids to succeed is our greatest responsibility - their success IS the ultimate return on our investment. Colleagues, you deserve to be recognized and congratulated for the bipartisan collaboration you inspired to meet this charge.

We sought the right solutions for new accountability of our own government through regulatory reform, auditing and compliance measures. Our health care exchange will be audited thanks to Senators Sonnenberg and Jahn who sponsored SB 19.

Senators Newell and Lundberg produced a historic shift of oversight for the Child Protection Ombudsman's Office with a bill that faced an uphill battle from the very Governor you needed to sign it. THAT WAS A GREAT TESTAMENT TO YOUR Tenacity.

The Department of Youth corrections will become more accountable thanks to HB 1131 carried by Senator Lambert and Representatives Esgar and Lee.

We must be vigilant to ensure these reforms find compliance and implementation. We must continue to root out failed policies and programs while recommitting with every session to deliver efficient and effective programs to Coloradans.

We sought the right solutions around increasing safety in our public schools.

We honored the memory and the lives of Colorado school children, stolen from their families by unimaginable acts of violence. Working together we made school safety a prime directive of our K-12 institutions. Senator Scheffel led that effort with Democrat Leaders in the House to pass SB 213 and SB 214. We established an interim committee dedicated exclusively to understanding the challenging issues that our kids and our school personnel face. As a member of that interim committee, I can tell you the amount of research is daunting and the psychological challenges surrounding our kids are undeniable. While legislative solutions are elusive, I am convinced that we must continue the work of this committee.

With 836,220 kids in our classrooms, their health and welfare while attending our schools must remain at the center of our attention and at the peak of our efforts.

We sought the right solutions on Policing Reform.

With broad bipartisan support we improved data collection on police shootings (SB 15-217, Roberts & Cooke), expanded required medical tests to help protect victims, peace officers and other first responders (SB 15-126, Cooke & Johnston), and we worked to protect the rights of minors who are victims of human trafficking (HB 15-1019, Woods).

We must continue working side-by-side with law enforcement to ensure integrity and accountability are the main characteristics of all who pin on a badge, strap on a gun, and swear an oath to serve and protect us, our families and our communities.

What we cannot do, what we must not do, is partake in any activities or actions that vilify those who serve and protect us. Our efforts should commend our heroes for their willingness to spend their weekends, their holidays, their birthdays and anniversaries away from their loved ones so we can safely enjoy those occasions with ours.

These are our first responders, they are our lifesavers, they rush in to life threatening situations while the rest of us are rushing out. They are willing to forgo their own safety in order to insure ours. And all too often, frankly, way to often they pay for it with their lives.
The Bible says there is no greater love than that of a man willing to lay down his life for his brother. Our first responders are the exception to that...they are willing to lay down their lives for a stranger, for us.

Colorado held 4 funerals for law enforcement last year... 4 funerals for our heroes.

We lost Sergeant Sean Renfro, Jefferson County Sheriffs Office who was hit and killed while directing traffic away from a crash. We lost Trooper Taylor Thyfault who was struck and killed by a vehicle fleeing police. We lost trooper Jamie Jurjevics who was struck and killed by a drunk driver. And we lost Police Officer Garrett Swasey from UCCS when he responded to the shooting in Colorado Springs on the day after Thanksgiving.

These officers Ended Their Watch while serving to protect us. WE are HONORED to have the Wife of Officer Swasey here with us today.

Rachel, Thank you for joining. We are so sorry for your loss.

Numerous other officers were also critically injured last year while serving us and our thoughts and prayers go out to them for quick and full recoveries.

We need our heroes now more than ever because public safety demands are now greater than ever. Adding to the traditional challenges, the FBI has reported that in the last 12 months over 90 members of ISIS have either been killed or arrested in this country. We have terrorists here, ISIS is in our cities and in our neighborhoods. Our police, our sheriffs, our state patrol, they are our first line of defense against terrorism, and we need them.

As if their job wasn't already hard enough, we have now seen the badges and uniforms of Law Enforcement used as targets. Across the country, there have been nearly two dozen officers assassinated in the last two years just for putting on their uniforms.

Our words and our deeds must support them. Our policies must protect them.

If we don't do this at the very least for them in our positions, how can we demand the very most from them in theirs?

We sought the right solutions on another major piece of legislation that was significant for public safety and has been widely publicized recently. We passed the Felony DUI Bill (HB 15-1043). Senators Cooke and Johnston, that concern has been a long time in the works and you we able to find success where countless other attempts have failed. CONGRATULATIONS!

Colleagues, we can be proud of what we did together. "We sought the right answers, not the Republican answers or the Democratic answers."

We sent 364 bills to the governor's desk last year...if that's not enough, it really should be. That's a lot of bipartisan agreement to pass through two chambers.

We have "performed our duty to the best of our ability," we exerted transactional leadership. We were successful, together.

"I do solemnly swear to support the constitution." This is the other part of our oath, this is the first part and it is the most important.

Because without the Constitution, the rest of the oath doesn't matter. Without the constitution, MAN will NOT MATTER more than the state.

The constitution insures that free men are governed, that free men are self-governed, not ruled like subjects of medieval monarchies. It's the constitution that Colonel Chamberlain must have been contemplating as he commanded soldiers who were willing to fight and to die, not for kings, or land or personal possessions. They were willing to fight and to die to set other men free.

When we swear to support the constitution, we become the stewards of something revered. As senators we become transformational leaders, accepting a responsibility that elevates our accountability.

This building is more than the sum of its parts; the constitution is more than the sum of its words. We must support it, we must protect it, we must defend it and we must understand the price that has been paid for this sacred chalice of freedom.
With our oath, we become the Guardians of this hallowed chalice.

This is something priceless entrusted to our hands. This chalice contains something sacred, it holds the blood shed on that battlefield in Gettysburg, and it holds the sacrifice of every hero who has paid the price for freedom on every battlefield. This chalice contains something else, it holds the tears of the families of our fallen warriors. There is no bottom to this vessel and it constantly demands more sacrifice.

Every first responder or member of our military who has sacrificed their life around the world and across this country paid that price for something greater than themselves.

Senator Scheffel and I got a sense of that cost on that battlefield in Gettysburg in September; I got a sense of that cost as I stood on a cliff above Omaha Beach and looked back at nearly 10,000 white granite crosses in Normandy; I got a sense of that cost at the National Law Enforcement Officers Memorial in Washington, DC., we get a sense of that cost when we see a flag, folded in a triangle, delivered to the family of a veteran, or a fallen officer with a salute, with a trumpet playing taps and with the following words...on behalf of a grateful nation.

Now, on behalf of a grateful state, this is an appropriate time to recognize and honor our special guests representing our First Responders and our National Defenders.

Would all of our Veterans please stand.

Not for kings, or land or personal possessions, Americans do fight for an ideal, we do fight for our constitution. We have a 240-year tradition of fighting wars to set ALL MEN and WOMEN free. PLEASE THANK THEM AGAIN.

Our military members swear an oath to support and defend the constitution...our law enforcement officers, our sheriffs swear an oath to support the constitution. In their jobs, they are willing to die for it. In our jobs, we must be willing to live for it.

OATH - WE do solemnly swear to support the Constitution of the United States and of the State of Colorado and faithfully perform the duties of the office of state senator to which WE were duly elected to the best of our abilities, so help US God.

As the delegates left Independence Hall in 1787, a Mrs. Powel of Philadelphia asked Benjamin Franklin, "Well, Doctor, what have we got?" He Replied, "A Republic if you can keep it." Our founders knew they had created something never seen before and understood the challenges of keeping it.

"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free." President Ronald Reagan.

Our oath demands that we protect the legacy we inherited from those who came before us, and pass it on to those who follow.

All of us who live here are heirs to this Freedom. Those of us who serve here are trusted to protect it.

President Cadman recognized Minority Leader Guzman to address the Senate.

Remarks of Minority Leader Guzman:

Good morning, everyone! It is truly an honor to be here, at this Well, where so many have stood and delivered important messages. I want to echo President Cadman in welcoming you all to Opening Day of the 2016 Legislative Session in the Colorado General Assembly. Thank you friends, family, honored guests, for joining us for the first of what I anticipate will be a very interesting and productive 120 days.
I want to begin by paying tribute to those Senators who are fulfilling the final legislative sessions of their terms. Let us not see them as lame ducks, but rather, as Senators of great wisdom and experience who will join with the rest of us to work hard for the People of Colorado. Their knowledge, passion, and experience is that which we should seek out during these forthcoming months. I would like to recognize them each by name:

- Senate President Bill Cadman
- Senate Majority Leader Mark Scheffel
- Assistant Senate Minority Leader Rollie Heath
- Senator Mary Hodge
- Senator Michael Johnston
- Senator Pat Steadman
- Senator Linda Newell
- Senator Morgan Carroll

Members, would you join me in giving a warm round of applause for our colleagues?

Today, I am privileged to deliver this message on behalf of the Senate Minority. We are 17 members to your 18. We know that being in the Minority means that you have the vote; but we have the voice. All of us, we 35, have Colorado in Common. But we all know that we have severe differences in how we think about getting to a stronger state. We 35 Senators share this hallowed Chamber at a time when extremism and heated debates over what is "right" and what is "wrong" dominate our discourse. But we are not elected ethicists seeking to define right from wrong. Each and every one of us has been elected to bring forth a system of laws which guarantee an equal and fair opportunity for all Coloradans. A fair opportunity to be safe from harm, to be secure in their homes, to get a quality education, to have access to quality healthcare, and so much more...a fair opportunity to build today for a better tomorrow.

We often hear that we Democrats are the Party of Handouts … My response to that is this: WANTING EVERYONE TO HAVE A FAIR OPPORTUNITY TO BUILD A FOUNDATION FOR THEIR DREAMS TO COME TRUE IS HARDLY A HANDOUT.

Many of you know that I lived with a Foster Family for several years. Following my high school graduation, I was not able to go to college like the other members of my class. I wanted to, but did not have the faintest idea how to make that dream come true. My foster mother took me to the bank...Katy National Bank. She told me that we were going to get a loan for college. I had no idea what she was talking about. She co-signed a loan with me...it was something I knew nothing about. My responsibility was to work and pay the loan back by the following August, so that I could get another loan for the next year. My foster parents did not give me a handout, or any handouts during all the years that I lived with them. By taking me to the bank, co-signing a loan, they taught me about a system that worked for me, and should work for everyone.

By co-signing those loans, they gave me an opportunity to reach my potential. That's what I see for our work here in the General Assembly. Our legislative efforts should always be an extension of the opportunity for every Coloradan to achieve their dreams. We are not the Party of handouts. Rather, we are a Party that believes everyone should have the opportunity to fulfill their dreams with the same tools to success available for all and not just the well-connected. We are the Party working to build a good today, for a better tomorrow.

Over the past several months, I have visited several communities across our great state that reflect this principle. I have driven to the West, to the East, to the South, and to the North. I have crossed the Rio Grande, the Arkansas, the Gunnison, the Platte, the Crystal, the Yampa, the Green, the Eagle and Colorado rivers, and the Fountain and Gore Creek. I have had the opportunity to join fellow Senators on several of these trips, and have witnessed the beauty of our lands and communities.

I milked a lamb in Paonia, visited a fish hatchery out in Steamboat, learned how to irrigate a cornfield by hand, and saw firsthand the devastation the flooded Fountain Creek did to Frost Ranch.

When I visited the Colorado Malting Company in Alamosa, I had the chance to learn about their proud history. The family has owned that land and operated their farm for decades. Fueled by the entrepreneurial spirit we take such pride in here in Colorado, they have built an incredibly successful farm and company that supplies the grains for distilleries and breweries across our great state. They are a true Colorado success story! They specialize in San Luis Valley Rye, a grain A.D. Laws, who owns the A.D. LAWS distillery here in Denver, chose for his prized whiskey.
I learned what the Colorado Malting Company deals with on a daily basis. One member of the family farm explained how a business like theirs is impacted by a number of issues like population loss and water.

One of their managers, Jason, told me how farmers using water from the Arkansas River have lost much of their ability to raise crops, due to a combination of drought and water being diverted to supply a growing metropolitan area.

These concerns are also shared by folks living in the lower Arkansas Valley. Since 2010 - the year I came into the Senate - the lower Arkansas Valley has lost over 1,500 residents. Since 2011, nearly 700 jobs have been lost. With the water drying up, they fear for their way of life.

The concerns over water, which can be found throughout Colorado, are exactly why the historic Water Plan introduced late last year has been so important. The Water Plan has been a significant endeavor that brought together voices from all across Colorado, and set potential benchmarks to lead us to a sustainable water future. We as a legislature must appreciate their hard work, so the people can implement the Water Plan over many years to come.

There really is only so much you can learn in policy briefings or in books. As a Senator that represents Denver, visits like these were truly impactful as they gave me a first-hand glance at the rich entrepreneurial spirit of our state, but also how very real issues like water shortages and population growth can impact communities outside the metropolitan area. Those communities need us from the metropolitan areas to listen, to remember their dreams, and to understand that the way we do business here in the Capitol impacts them.

I’ve learned a great many things about the state of our people. Frustration with a growing economy that isn’t delivering a growing income for a waitress in Littleton is echoed by the rancher in Southern Colorado.

Anger at a political system that bends towards partisanship over justice is shared by conservatives and progressives alike from Boulder to Colorado Springs.

Anxiety caused by a system that rewards the wealthy and well-connected over a hardworking middle-class family is shared by students graduating from technical colleges and universities alike.

More powerful than the frustration, anger, and anxiety is a hunger for common-sense solutions that march us further down the path of prosperity, and not backwards through the tired and divisive discourse that plagues our modern politics. We can create a Colorado where people are united in moving forward, and where no Coloradan gets left behind.

Those seeking policies that take us backwards will not find satisfaction in our party's legislative priorities. Our priorities seek to provide opportunities for success for every Coloradan throughout the state.

Now, as far as priorities go; If a budget is a reflection of our values, then our budget must be our number one responsibility.

Our priorities are composed of bills that concern the needs of our people. From affordable housing, to financial support for rural areas, to making government more transparent, to supporting access to higher education.

But how can we expect any parts of our priorities or your priorities to be implemented if we do not address our budget crisis?

To emphasize what I mean, I want to draw from the Grand Junction Daily Sentinel's editorial on this past New Year's Day.

Borrowing from Republican President Theodore Roosevelt, the Sentinel's editorial board said Grand Junction needs to "dare greatly." That in order for their community to reach its vast potential, the people and their leaders need to "dare greatly."

I believe that's what we should do here, regarding our state budget crisis. Dare greatly. Let's dare to go beyond the status quo, and pass a balanced budget that reflects the values of all Coloradans.

From ensuring our transportation infrastructure is not only maintained, to making sure it can be improved - we must resolve our budget crisis.
From making sure every child has the same access to the same high-quality education to reducing the overall cost of a higher education - we must resolve our budget crisis.

From preserving our natural environment to ensuring access to affordable healthcare - we must resolve our budget crisis this year, or risk losing Colorado's identity as a state of promise.

We are a state of beautiful lands, entrepreneurial spirit, agricultural leadership, and a way of life that draws so many to come here to do business, or even to raise their families. We risk losing that. Let's dare to come together to ensure that does not happen.

Creating an economy that works for those who work hard, regardless of their background, means making sure everyone has access to the same tools, such as sufficient high-speed broadband services.

I would like to read an email I received from Wink Davis, who owns Mesa Winds Farm and Winery in Hotchkiss. "A few months ago, you inquired about the quality of service here in the Northfork Valley. At that time, I replied it is slow, but doesn't seem to interfere with our business uses. In the last month or two, we have noticed a significant loss of capacity and quality at all times of the day. The service is very slow, and it is usually not feasible to stream content without frequent interruptions."

"We feel the Northfork is being left behind. Anything the state can do to encourage a faster and improved implementation would be appreciated."

It is unacceptable that in 2016, an entrepreneur in Delta County could be forced to drive for nearly an hour to reach Internet service that allows him to promote his online business and compete with his metropolitan counterparts.

It is unacceptable that in 2016, constituents that live hours away from the nearest hospital don't have access to the growing delivery of care through telemedicine simply due to a lack of sufficient Internet service.

It is unacceptable that in 2016, rural schools are disadvantaged by a lack of adequate broadband, which prevents our young students’ minds from being enriched by the high-quality educational tools provided by today's modern Internet.

I am eager to work with my colleagues across the aisle, and with the Governor, in sending a clear message to rural Colorado: you will not be left behind by your government, and we will fight tooth and nail to ensure that we break down the barriers to success, so opportunity is available in every corner of our state for our hospitals, our schools, our businesses, and our agriculture and tourism.

Now, I was so excited to spend a day on the campus of Adams State University; a phenomenal campus with a new president.

According to our state's Department of Higher Education, Adams State University will lose $273,344 from their budget under the proposed 2016 state budget. The school is surviving, however; the campus is a state treasure. They appreciate the support from our state and value their students so highly that their board voted to provide "guaranteed tuition," meaning that the tuition paid by a student at the time of their enrollment will continue throughout their 4-year studies.

This session, we have an opportunity to support those students who aren't as fortunate to have predictable tuition, by passing Know-Before-You-Owe legislation.

Making sure that private lenders are providing hopeful students with all pertinent information about their loan helps students focus on their education, and less on navigating mysterious fees and charges.

Just as important as leveling the playing field for Colorado students, we have a responsibility to make sure workers have opportunities to learn the skills to succeed in a rapidly changing economy.

Workers in Colorado facing massive job loss in their communities from a coal mine shutting down in a rural area, or a grocery store being forced to close in a small town, should have the state's support to learn new skills and diversify their local economy with a renewed confidence.

Passing the Rural Economic Development Program bill will support those communities, and ensure they are preserved in times of economic emergencies.
And ensuring these communities are preserved is just the beginning. Local communities should have the power to raise their own minimum wages to reflect the diverse needs of their cities and counties, and build more prosperous communities throughout our state.

Additionally, a woman doing the same job as a man deserves the opportunity to earn the same pay. This is no longer just an issue of women's rights and equality, but also a family issue. Women are a growing share of breadwinners in Colorado. They deserve the same opportunity to support their families and make their dreams come true like everyone else.

As we begin to embrace an economy that's constantly evolving, it's important to note that in the past, our prosperity as a people was largely built by an organized labor force operating at unprecedented productivity with wages that reflected the work.

Building a more prosperous workforce that can weather personal financial disaster, as many hardworking Coloradans should be able to do, is an important goal and can be shared by supporters and opponents of unions alike. Everyone deserves a level playing field to succeed.

As we all know, the economic recovery would not have been possible without our small businesses. Whether it is groundbreaking ideas through renewable energy, or agritourism promoting a winery, small business helped lead us through the challenging and devastating recession.

We need to ensure small businesses, and not just bigger companies, have the tools they need to thrive in Colorado.

We should also be proud of our willingness to stand up for the small businesses that thrive due to our natural environment, and for our $18 billion tourism economy, and proudly advocate for the quality of our air and water and our Colorado way of life.

Colorado is a leader in the world for having taken the necessary steps to halt a changing climate in its path, and ensure that our public lands, our environment, and our way of life is available for generations to come.

As the world transitions to cleaner sources of energy, our coal workers must not be forgotten for they are the holder of some of the hardest to learn and most important skills to utilize - skills that result in our homes being heated and our cars taking us to work, home and everywhere in between.

We must also do more to prepare our existing energy workforce for future transitions so we can move forward boldly and with purpose for our environment and our economy.

Just as important is ensuring Coloradans have access to quality, affordable healthcare so they can be healthy and enjoy our Colorado way of life. Thanks to the bipartisan efforts of this legislature, Colorado's uninsured rate has gone from 14.3 percent in 2013 to 6.7 percent in 2015 - an unprecedented drop, and the 5th largest drop in the nation. While the Affordable Care Act is not perfect, that means more Coloradans are getting preventative care protecting themselves from costly visits to the emergency room.

Even more impressive, out of the Coloradans on Medicaid, 74% are working to support their families.

We must stand up for forward-looking solutions that ensure women are able to make their own healthcare decisions. Programs like LARC, or Long-Acting Reversible Contraceptives, which has been tremendously successful in bringing down the teen pregnancy rate by 40% and teen abortion rate by 35%. We need to adequately fund LARC so we can continue this remarkable progress.

We also need to address Colorado's alarmingly high suicide rate. In 2014, more than 1,000 Coloradans took their own lives, the most in our history. We believe through expanded suicide prevention training, we can help bring that number down.

We should strive to improve and stand with our progress while addressing critical gaps in service and coverage and working to even further slow rising healthcare costs, no matter where you live and no matter your health.

This ultimately brings me back to where I started - on the word "handouts."
One of the things that makes Colorado so unique and exceptional is the work ethic and entrepreneurial spirit of its people - Coloradans take care of their businesses and their communities. They don't expect handouts from their state government, nor do they want them. What they do expect and want from us is to listen when they have a concern, and take every step we can to ensure their people have as fair an opportunity to live a good life as everyone else.

The people of Pueblo don't want a handout -- they saved the Southwest Chief through their own ingenuity.

The people of Hugo don't want a handout - but they do want help in recruiting teachers so they can ensure their kids are getting a great education.

Our troops, our Colorado veterans who return from risking their lives to defend our country don't want a handout! But what they do want upon their return is for their state government to approve legislation that will give them the opportunity to re-enter the workforce, complete their education, or have access to tools they need so they can lead healthy lives here at home. Supporting these items isn't voting for handouts - it's voting for opportunity.

In closing, I would like to share a meaningful, personal childhood experience. When I was a little girl, I was not always safe from harm.

On nights when I was the most unsafe; I would escape from our house and head across the field to where the cows were huddled. I worked my way through the barbed wire fence in as careful a way as I could, in order to reach where the cows were. They never minded my approach, and I was able to get myself in the center of their circle.

As I laid down with my head leaning on one of the stomachs, my fear and anxiety melted away…when I looked up at the big, bright stars of that country night sky. Upon those stars, even as a little girl; I could feel peace and dreamed of a good tomorrow. I would fall asleep…awaiting a new tomorrow. That was 62 years ago. The same stars are still shining brightly on most nights.

In my travels all across our great state, the stars I saw in the San Luis Valley are the same stars shining in the Gunnison Valley, in Sterling, in Lyons, and here in Denver. Those stars represent the dreams of so many of a better tomorrow, and though we in this esteemed chamber come from very different walks of life and different parts of this wonderful state, we are privileged to live under the same stars.

I expect when we each look up at those stars, we dream of similar dreams of a better tomorrow. Each of us wants to perform the duties of our office with integrity and hope for a better Colorado. Though we have different beliefs of how we achieve those goals … I think we can be proud that we give it our all…whether we have the vote, or the voice…or both. Let's give it our all. Coloradans want nothing less.

Senate reconvened.

On motion of Majority Leader Scheffel, and with the unanimous consent of those elected to the Senate, the words of President Bill L. Cadman and Minority Leader Lucia Guzman were ordered spread upon the pages of the journal.

Senate in recess. Senate reconvened.

Appropriations
After consideration on the merits, the Committee recommends that HB16-1240 be amended as follows and as so amended be to the Committee of the Whole with favorable recommendation and with a recommendation that it be placed on the Consent Calendar.

Amend reengrossed bill, page 14, line 7, strike "These amounts" and substitute "OF THESE AMOUNTS, $5,688,267" and strike "C.R.S." and substitute "C.R.S., AND $1,387 SHALL BE FROM THE CHILDREN'S BASIC HEALTH PLAN TRUST CREATED IN SECTION 25.5-8-105 (1), C.R.S.".

Page 45, after line 17 insert:
"SECTION 6. Appropriation to the department of health care policy and financing for the fiscal year beginning July 1, 2015. In Session Laws of Colorado 2015, amend section 2 of chapter 308, (HB 15-1368), as follows:

Section 2. Appropriation. (1) For the 2015-16 state fiscal year, $1,695,000 is appropriated to the cross-system response for behavioral health crises pilot program fund created in section 25.5-6-412 (7), C.R.S. This appropriation is from the intellectual and developmental disabilities services cash fund created in section 25.5-10-207 (1), C.R.S. The department of health care policy and financing is responsible for the accounting related to this appropriation.

(2) For the 2015-16 state fiscal year, $1,695,000 is appropriated to the department of health care policy and financing for use by the division of intellectual and developmental disabilities. This appropriation is from reappropriated funds in the cross-system response for behavioral health crises pilot program fund under subsection (1) of this section. This appropriation is based on an assumption that the division will require an additional 1.0 FTE. To implement this act, the division may use the appropriation for the cross-system response for behavioral health crises pilot program."

Page 45, line 18, strike "6." and substitute "7."

PURPOSE: Corrects two drafting errors in the supplemental for the Department of Health Care Policy and Financing by: (1) identifying $1,387 cash funds for Customer Outreach as coming from the Children's Basic Health Plan Trust rather than the Hospital Provider Fee; and (2) adding an FTE that was omitted from the appropriation clause for H.B. 15-1368 (Cross-system Response Pilot).

"SECTION 1. In Colorado Revised Statutes, 18-1.3-603, amend (4) (a), (4) (b) introductory portion, and (4) (b) (I); and add (4) (c) as follows:

18-1.3-603. Assessment of restitution - corrective orders.
(4) (a) (I) Any order for restitution entered pursuant to this section shall be a final civil judgment in favor of the state and any victim. Notwithstanding any other civil or criminal statute or rule, any such judgment shall remain in force until the restitution is paid in full. The provisions of article 18.5 of title 16, C.R.S., apply notwithstanding the termination of a deferred judgment and sentence or a deferred adjudication. (II) NOTWITHSTANDING THE PROVISIONS OF SUBPARAGRAPH (I) OF THIS PARAGRAPH (a), TWO YEARS AFTER THE PRESENTATION OF THE DEFENDANT'S ORIGINAL DEATH CERTIFICATE TO THE CLERK OF THE COURT OR THE COURT COLLECTIONS INVESTIGATOR, THE COURT MAY TERMINATE THE REMAINING BALANCE OF THE JUDGMENT AND ORDER FOR RESTITUTION IF, FOLLOWING NOTICE BY THE CLERK OF THE COURT OR THE COURT COLLECTIONS INVESTIGATOR TO THE DISTRICT ATTORNEY, THE DISTRICT ATTORNEY DOES NOT OBJECT AND THERE IS NO EVIDENCE OF A CONTINUING SOURCE OF INCOME OF THE DEFENDANT TO PAY RESTITUTION. THE TERMINATION OF A JUDGMENT AND ORDER PURSUANT TO THIS SUBPARAGRAPH (II) DOES NOT TERMINATE AN ASSOCIATED JUDGMENT AGAINST A DEFENDANT WHO IS JOINTLY AND SEVERALLY LIABLE WITH THE DECEASED DEFENDANT.
(b) Any order for restitution made pursuant to this section shall also be deemed to an order that:
(I) The defendant owes simple interest from the date of the entry of the order at the rate of twelve percent per annum; and
(e) The clerk of the court is authorized to adjust the unpaid balance in the case upon proof that any restitution or related interest amounts have been or will be satisfied outside of the court registry and receipting process regardless of when the restitution order and judgment were entered. The accounting adjustment does not modify a court's order.

SECTION 2. In Colorado Revised Statutes, 42-2-125, repeal (2.8) as follows:
42-2-125. Mandatory revocation of license and permit.
(2.8) A person whose license has been revoked pursuant to paragraph (o) of subsection (1) of this section shall not be eligible for reinstatement of his or her license until the department receives proof that the person has satisfied any order for restitution entered in connection with the conviction.

SECTION 3. In Colorado Revised Statutes, 19-1-306, add (5) (c) (II.5); and repeal (7) (e) as follows:
19-1-306. Expungement of juvenile delinquent records.
(5) (c) The court may order expunged all records in the petitioner's case in the custody of the court and any records in the custody of any other agency or official if at the hearing the court finds that:
(II.5) (A) THE PETITIONER HAS SATISFIED COURT-ORDERED RESTITUTION OR IS CURRENT ON A RESTITUTION REPAYMENT AGREEMENT WITH THE COURT COLLECTIONS INVESTIGATOR THAT HAS BEEN ENTERED IN THE ELECTRONIC CASE RECORD TO MAKE PAYMENT ON A SCHEDULE PURSUANT TO SECTION 16-18.5-104 (4), C.R.S.
(B) IF, FOLLOWING THE ENTRY OF AN ORDER OF EXPUNGEMENT UNDER THIS SECTION, A PETITIONER FAILS TO MAKE REQUIRED PAYMENTS ON A RESTITUTION REPAYMENT AGREEMENT, A COURT COLLECTIONS INVESTIGATOR MAY, FOLLOWING NOTICE TO THE PETITIONER, FILE A
MOTION WITH THE COURT THAT ENTERED THE ORDER TO HAVE THE ORDER OF EXPUNGEMENT REVERSED.

(7) The following persons are not eligible to petition for the expungement of any juvenile record:

(e) Any person who has failed to pay court-ordered restitution to a victim of the offense that is the basis for the juvenile record.

SECTION 4. Effective date - applicability. This act takes effect July 1, 2016, and applies to orders entered on or after said date.

(IX) Assist the homeowner in obtaining from the beneficiary, mortgagee, or grantee of the lien in foreclosure, or from counsel for such beneficiary, mortgagee, or grantee, the remaining or excess proceeds from the foreclosure sale of the residence in foreclosure.

(3) (a) UNLESS When the property is sold by the sheriff, and all of the SALE proceeds of the sale MUST BE DEPOSITED INTO THE REGISTRY OF THE COURT. Any interest earned on the escrowed funds shall be paid to the county at least annually. Unclaimed remaining overbids that are less than twenty-five dollars and that are not claimed within five years SIX MONTHS from the

"SECTION 1. In Colorado Revised Statutes, add part 2 to article 45 of title 1 as follows:"

PART 2
CLEAN ELECTIONS ACT
1-45-201. Short title. The short title of this Act is the "Clean Elections Act".

1-45-202. Legislative declaration. (1) The General Assembly hereby finds, determines, and declares that:

(a) Political campaigns for candidates for the General Assembly have become very expensive. As a result, many qualified residents of the State are financially unable to seek election to the General Assembly, and the cost of conducting political campaigns forces many candidates for State legislative office to spend an inordinate amount of time raising campaign funds.

(b) The people of the State are concerned that special interests exercise a disproportionate level of influence over the political process. The surest way to offset this influence is to ensure that candidates are elected to public office backed by a meaningful level of public and grassroots support.

(c) Citizen interest, participation, and confidence in the integrity of the electoral process are lessened by excessively long and expensive political campaigning;

(d) Full or partial public financing of campaigns for State legislative offices, conditioned on a sufficient amount of grassroots support, will level the playing field among candidates, increase citizen participation in the electoral process, increase the supply of qualified candidates able to run for State legislative office, limit the time candidates spend soliciting contributions, reduce the pressure on State legislators to respond and provide access to large contributors, and facilitate the efficient administration of laws governing campaign finance. As a result, candidates and members of the General Assembly will be better able to devote their time and energy to debating the issues, representing the interests of their constituents, and performing their official duties. Further, campaigns that are financed wholly or partially with public money will help restore and increase public trust and confidence in our governmental institutions.

(e) When public financing of elections is available, the administration of laws addressing campaign finance is made more efficient because the underlying rules governing the system are simpler and easier to understand and follow, leading to a system of financing candidates that is more transparent and accountable, fewer public and private resources are consumed seeking or protecting against maximum legal advantage, and the integrity of the source of moneys financing such campaigns is preserved and made secure.

(2) The General Assembly intends that this part 2 be liberally construed in order to more fully implement article XXVIII of the State constitution, the purposes of which are set forth in section 1 of said article.

1-45-203. Definitions. As used in this part 2, unless the context otherwise requires:

(1) "Article XXVIII" means article XXVIII of the State constitution.

(2) "Authority" means the Clean Elections Authority created in section 1-45-206 (1).

(3) "Covered office" means an elected office in the State Senate or the State House of Representatives.

(4) "Fund" means the Clean Elections Fund created in section 1-45-206 (3).

(5) "Professional lobbyist" has the same meaning as is specified in section 24-6-301, C.R.S.

(6) "Qualified candidate" means a candidate who has satisfied the requirements of section 1-45-204 (1) and (2) and is, therefore, eligible to accept one or more disbursements of moneys from the Fund in accordance with the requirements of this part 2.

(7) "Secretary" means the Colorado Secretary of State.

1-45-204. Process for obtaining qualified candidate status. (1) In order to be eligible to receive one or more disbursements of moneys from the Fund, a candidate for a covered office must
BECOME A QUALIFIED CANDIDATE. IN ORDER TO BECOME A QUALIFIED CANDIDATE, A CANDIDATE FOR A COVERED OFFICE SHALL OBTAIN:

(a) Signatures on a petition, the form of which has been approved by the Secretary, from not less than two hundred fifty residents in the legislative district in which the candidate is seeking election or reelection;

(b) Not less than two hundred fifty contributions to the candidate's candidate committee in an amount of not more than one hundred dollars from residents in the legislative district in which the candidate is seeking election or reelection; or

(c) Any combination of signatures in satisfaction of paragraph (a) of this subsection (1) or contributions in satisfaction of paragraph (b) of this subsection (1) as long as the combination of signatures or contributions adds up to at least five hundred contributions and signatures.

(2) Each candidate seeking qualified candidate status shall submit a notarized statement to the Secretary, the form of which has been approved by the Secretary, that evidences the candidate's satisfaction of the requirements of subsection (1) of this section to become a qualified candidate. Upon submission by the candidate of a statement that demonstrates that the candidate has satisfied all requirements of this section, the Secretary shall certify the candidate as a qualified candidate. To the extent practicable, the Secretary shall complete the certification process not later than ten business days after the date on which the candidate's notarized statement is submitted to the Secretary.

(3) Except as otherwise allowed by section 1-4-205 (2), once a candidate has received certification from the Secretary as a qualified candidate, the candidate, through his or her candidate committee, shall not accept any additional contributions from any person for purposes of supporting the candidate's election or reelection.

1-45-205. Disbursement of moneys from the fund - procedures - rules.

(1) A candidate who has been certified as a qualified candidate pursuant to section 1-45-204 (2) is eligible to accept an initial disbursement from the fund in the amount of seventy five thousand dollars to be expended on the candidate's election or reelection for the applicable election cycle. Subject to the requirements of subsection (2) of this section, a qualified candidate will receive an additional disbursement of moneys from the fund, through his or her candidate committee, in the amount of twenty five thousand dollars for every fifty thousand dollars in aggregate contributions any of the candidate's opponents, singularly or in combination, accepts during the applicable election cycle that exceeds an initial base amount of one hundred twenty-five thousand dollars as illustrated by the following:

(a) A qualified candidate is eligible to accept seventy five thousand dollars for becoming certified as a qualified candidate.

(b) A qualified candidate is eligible to accept a total disbursement from the fund of one hundred thousand dollars if any of the candidate's opponents, singularly or in combination, accepts in aggregate contributions in an amount in excess of one hundred twenty-five thousand dollars but less than one hundred seventy thousand dollars.

"SECTION 1. Legislative declaration. (1) The general 
assembly hereby finds and declares that:

(a) The value of meaningful work has significance and 
importance to all working-age individuals, including persons with 
disabilities, which includes veterans with service-connected disabilities;

(b) Eighty-five percent of adults with intellectual and 
developmental disabilities are either unemployed or underemployed due 
to many employment barriers and disincentives, despite their ability, 
desire, and willingness to work in the community;

(c) Public policy designed to increase competitive integrated 
employment for persons with disabilities must address these barriers by 
promoting best practices relating to youth transitions; employer 
engagement; service system enhancements, including the adoption of 
employment first policies; and training and supports for persons with 
disabilities and those delivering services and support;

(d) The adoption of employment first policies is consistent with 
the "Workforce Innovation and Opportunity Act" (WIOA); the Center for 
Medicare and Medicaid Services' final federal rule setting forth 
requirements for home- and community-based services; and the United 
States Supreme Court's decision in Olmstead v. L.C. that requires that 
persons with disabilities receive services in the most integrated setting 
appropriate to the person's needs;

(e) Free-market principles can guide employers to use innovative 
methods for employing persons with disabilities; and

(f) Nothing in this act requires any employer to give hiring 
preferences to persons with disabilities; rather the intent is to strengthen 
supports and relationships for employers to hire persons with disabilities.

(2) Therefore, the general assembly declares that developing and 
implementing employment first policies will benefit persons with 
disabilities and the state of Colorado by increasing:

(a) The number of people entering the workforce who contribute 
to Colorado's tax base;

(b) The self-worth and dignity of people with disabilities who are 
gainfully employed working alongside people without disabilities;

(c) Opportunities to do meaningful and gainful work, thereby 
lessening dependence on Medicaid and other public assistance;

(d) Opportunities for postsecondary education, including college 
and vocational training; and

(e) The effectiveness of the service systems currently serving 
people with disabilities who are seeking meaningful employment.

SECTION 2. In Colorado Revised Statutes, add part 3 to article 
84 of title 8 as follows:

Career development planning reflects a presumption that all persons with disabilities are capable of working in a competitive integrated employment setting.

(3) "Competitive integrated employment" means work paid directly by employers at the greater of the state or federal minimum wage or prevailing wage with commensurate benefits, occurring in a typical work setting where the employee with a disability interacts or has the opportunity to interact continuously with coworkers without disabilities, not including supervisory personnel or individuals who are providing services to the employee with a disability, and the employee with a disability has an opportunity for advancement or job mobility, and is engaged, preferably, in full-time work.

(4) "Discovery process" means a process to discover already-existing information about a job seeker that is based on information obtained from a person's entire life and not from short instances of job performance. (5) "Employment First" means a framework for change in the provision of services that is centered on the premise that all persons, including persons with significant disabilities, are capable of full participation in competitive integrated employment and community life. Under this framework, in providing publicly funded services, employment in the general workforce is the first and preferred outcome for all working-age persons with disabilities, regardless of the level of disability. Publicly funded agencies and systems align policies, service delivery practices, funding, and reimbursement structures in order to achieve competitive integrated employment.

(6) "Employment First Advisory Partnership" or "Partnership" means the partnership described in Section 8-84-303.

COMMITTEE OF REFERENCE REPORTS

The Committee on Health & Human Services has had under consideration and has had a hearing on the following appointments and recommends that the appointments be placed on the consent calendar and confirmed:

MEMBERS OF THE COLORADO HEALTH FACILITIES AUTHORITY BOARD OF DIRECTORS

effective June 30, 2015, for terms expiring June 30, 2019:

Lanny Martin Proffer of Denver, Colorado, a Democrat, appointed;

John Lester Vigil of Pueblo, Colorado, an Unaffiliated, reappointed.

After consideration on the merits, the Committee recommends that HB16-1141 be referred to the Committee on Appropriations with favorable recommendation.

After consideration on the merits, the Committee recommends that SB16-147 be amended as follows, and as so amended, be referred to the Committee of the Whole with favorable recommendation.

Amend printed bill, strike everything below the enacting clause and substitute:

"SECTION 1. Legislative declaration. (1) The general assembly finds and declares that:
(a) Colorado has experienced increased suicide death rates and numbers since 2009, and the trend continued in 2014;
(b) In 2014, the most recent year of data available nationally, Colorado had the seventh-highest suicide rate in the country and is consistently among the states with the top ten highest suicide rates;
(c) In 2014, Colorado recorded its highest number of suicides at 1,058 suicide deaths;
(d) In comparison, the number of deaths in 2014 from homicides..."
was 172, from motor vehicle crashes was 486, from breast cancer was 553, from influenza and pneumonia was 668, and from diabetes was 826;

(e) Suicide is highest in men and middle-aged Coloradans; while men account for over seventy-five percent of suicides, there are more attempts by women;

(f) Veterans, especially those who seek care outside of the veterans administration system, are at high risk;

(g) Data from the Colorado crisis services system show that nearly one in ten persons using crisis services presented with suicidal intentions, and the Colorado department of human services reports that a staggering seventy percent of mobile services users were suicidal;

(h) The rate of suicide in rural and frontier Colorado counties is higher than in other regions of the state;

(i) Health care settings, including mental and behavioral health systems, primary care offices, physical and mental health clinics in educational institutions, and hospitals, are valuable access points to reach those at risk for suicide; and

(j) National data indicate that over thirty percent of individuals are receiving mental health care at the time of their deaths by suicide, and forty-five percent have seen their primary care physicians within one month of their deaths. Primary care is often the first line of contact for individuals who would be likely to seek out mental health services, particularly men, who are disproportionately represented in suicide deaths each year. National data also show twenty-five percent of those who die of suicide visited an emergency department in the month prior to their deaths. In Colorado, it is estimated that every year about 250 individuals who died of suicide visited an emergency department prior to death.

(2) The general assembly further finds that:

(a) Suicide is a public health crisis in Colorado, and a systems approach is necessary to address this problem effectively;

(b) The "zero suicide" model is a part of the national strategy for suicide prevention, a priority of the national action alliance for suicide prevention, and a project of the suicide prevention resource center;

(c) The "zero suicide" model is built on the foundational belief and aspirational goal that suicide deaths of individuals who are under the care of our health care systems, including mental and behavioral health systems, are frequently preventable;

(d) The "zero suicide" model includes valuable components, such as leadership, training, patient engagement, transition, and quality improvement; and

(e) Health care systems, including mental and behavioral health systems and hospitals, that have implemented this type of model have noted up to an eighty percent reduction in suicide deaths for patients within their care.

(3) Therefore, because suicide in Colorado is a primary public health concern and is included within the state health improvement plan, the general assembly encourages the suicide prevention commission, criminal justice systems, health care systems, including mental and behavioral health systems, primary care providers, and physical and mental health clinics in educational institutions, throughout Colorado to:

(a) Work in collaboration to develop and adopt a Colorado suicide prevention model based on components of the "zero suicide" model;

(b) Work with advocacy groups, including faith-based organizations, to support the culture shift of health care systems to the Colorado suicide prevention model;

(c) Examine training requirements that are part of the "zero suicide" model for professionals working in health care and mental and behavioral health care systems, including primary care and emergency department providers in Colorado, for incorporation into the Colorado suicide prevention model;

(d) Take special care to include men of working age, first responders, veterans, and active duty military, who are at higher risk for suicide, in services provided under the Colorado suicide prevention model; and

(e) Develop training criteria on seventy-two-hour hold

SECTION 2. In Colorado Revised Statutes, add 25-1.5-112 as follows:

25-1.5-112. Colorado suicide prevention model - established - goals - responsibilities - funding. (1) The Colorado suicide prevention model, referred to in this section as the "Colorado model", is established as a suicide prevention commission program in the office of suicide prevention within the department. The goal and purpose of the Colorado model is to reduce suicide rates and numbers in Colorado through system-level implementation of the Colorado model in criminal justice and health care systems, including mental and behavioral health systems.

(2) The suicide prevention commission, together with the office of suicide prevention, the office of behavioral health, the department, and the department of health care policy and financing, is strongly encouraged to collaborate with criminal justice and health care systems, including mental and behavioral health systems, primary care providers, physical and mental health clinics in educational institutions, community mental health centers, advocacy groups, and faith-based organizations, to develop and implement:

(a) A plan to improve training to identify indicators of suicidal tendencies across criminal justice and health care systems;

(b) A plan to improve training on:

(I) The provisions of the emergency procedures for a seventy-two-hour mental health hold pursuant to section 27-65-105, C.R.S.;

(II) The provisions of the federal "Health Insurance Portability and Accountability Act of 1996", Pub.L. 104-191, as amended; and

(III) Other relevant patient privacy procedures; and

(c) Professional development resources and training opportunities regarding indicators of suicidal tendencies, risk assessment, and management, as developed in collaboration with the department of regulatory agencies, the department of corrections, and health care and mental health professional boards and associations.

(3) As a demonstration of their commitment to patient safety, criminal justice and health care systems, including mental and behavioral health systems, primary care providers, and hospitals throughout the state, are encouraged to contribute to and implement the Colorado model.

(4) The following systems and organizations are encouraged to contribute to and implement the Colorado model:

(a) Community mental health centers;

(b) Hospitals;

(c) The state crisis services system;

(d) Regional health and behavioral health systems;

(e) Substance abuse treatment systems;

(f) Physical and mental health clinics in educational institutions;

(g) Criminal justice systems; and

(h) Advocacy groups and faith-based organizations.

(5) The office of suicide prevention shall include a summary of the activities of the Colorado model in a report submitted to the office of behavioral health, as well as the report submitted annually to the general assembly pursuant to section 25-1.5-101 (1) (w) (III) (A) and as part of its annual presentation to the general assembly pursuant to the "State Measurement for Accountable, Responsive, and Transparent (SMART) Government Act", part 2 of article 7 of title 2, C.R.S.

(6) The department may accept gifts, grants, and
DONATIONS FROM PUBLIC AND PRIVATE SOURCES FOR THE DIRECT AND INDIRECT COSTS ASSOCIATED WITH THE DEVELOPMENT AND IMPLEMENTATION OF THE COLORADO MODEL. THE DEPARTMENT SHALL TRANSMIT ANY GIFTS, GRANTS, AND DONATIONS IT RECEIVES TO THE STATE TREASURER, WHO SHALL CREDIT THE MONEY TO THE SUICIDE PREVENTION COORDINATION CASH FUND CREATED IN SECTION 25-1.5-101 (1) (w) (II).

SECTION 3. In Colorado Revised Statutes, 25-1.5-101, amend (1) (w) (I), (1) (w) (II), and (1) (w) (IV) introductory portion as follows:

25-1.5-101. Powers and duties of department - cash funds. (1) The department has, in addition to all other powers and duties imposed upon it by law, the powers and duties provided in this section as follows:

(w) (I) To act as the coordinator for suicide prevention programs throughout the state, INCLUDING THE COLORADO SUICIDE PREVENTION MODEL ESTABLISHED IN SECTION 25-1.5-112.

(II) The department is authorized to accept gifts, grants, and donations to assist it in performing its duties as the coordinator for suicide prevention programs. All such gifts, grants, and donations shall be transmitted to the state treasurer who shall credit the same to the suicide prevention coordination cash fund, which fund is hereby created. THE FUND ALSO CONSISTS OF ANY MONEY APPROPRIATED OR TRANSFERRED TO THE FUND BY THE GENERAL ASSEMBLY FOR THE PURPOSES OF IMPLEMENTING SECTION 25-1.5-112. Any moneys remaining in the suicide prevention coordination cash fund at the end of any fiscal year shall remain in the fund and shall not be transferred or credited to the general fund. The general assembly shall make appropriations from the suicide prevention coordination cash fund for expenditures incurred by the department in the performance of its duties under this paragraph (w) AND SECTION 25-1.5-112.

(IV) In its role as coordinator for suicide prevention programs, the department may collaborate with each facility licensed or certified pursuant to section 25-1.5-103 in order to coordinate suicide prevention services, INCLUDING RELEVANT TRAINING AND OTHER SERVICES AS PART OF THE COLORADO SUICIDE PREVENTION MODEL ESTABLISHED IN SECTION 25-1.5-112. When a facility treats a person who has attempted suicide or exhibits a suicidal gesture, the facility may provide oral and written information or educational materials to the person or, in the case of a minor, to parents, relatives, or other responsible persons to whom the minor will be released, prior to the person's release, regarding warning signs of depression, risk factors of suicide, methods of preventing suicide, available suicide prevention resources, and any other information concerning suicide awareness and prevention. The department may work with facilities AND THE COLORADO SUICIDE PREVENTION MODEL to determine whether and where gaps exist in suicide prevention programs and services, including gaps that may be present in:

SECTION 4. Safety clause. The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety."

MESSAGE FROM THE GOVERNOR  

March 30, 2016  
Honorable John W. Hickenlooper  
Governor, State of Colorado  
136 State Capitol Building  
Denver, CO 80203  

Re: Letter of Resignation  

Dear Governor Hickenlooper:  

Effective at the end of the business day on Friday, April 29, 2016, I will resign my  
position at Lieutenant Governor of the State of Colorado. I owe a great debt of gratitude  
to the people of Colorado who elected me. It has been my honor to work alongside you in  
service to our state.  

I will remain available to assist Lieutenant Governor-designate, Donna Lynne, in order  
that her transition into this office is as seamless as possible.  

Sincerely,  
(signed)  
Joseph A. Garcia  
Lieutenant Governor  

Appointment  
A letter of designation and appointment from Governor John W. Hickenlooper was  
read at length:  

March 30, 2016  
The Honorable Colorado House of Representatives  
Colorado General Assembly  
State Capitol Building  
200 E. Colfax Avenue  
Denver, Colorado 80203  

To the Honorable Colorado Senate  
Colorado General Assembly  
State Capitol Building  
200 E. Colfax Avenue  
Denver, Colorado 80203  

Dear Members of the General Assembly:  

As you know, Joe Garcia has tendered his resignation as Lieutenant Governor of the State  
of Colorado effective April 29, 2016. With this letter, I am honored to submit for your  
approval the nomination of Dr. Donna Lynne to fill the constitutional role of Lieutenant  
Governor.  

As Lieutenant Governor, Joe Garcia has been an invaluable member of our  
Administration. He has been a widely respected state leader in higher education, a close  
advisor, and a trusted friend. His work on behalf of Colorado children - striving to ensure  
educational opportunity for all - is second to none. Our Administration will miss his  
counsel and leadership, and we wish Lieutenant Governor Garcia the best as he enters a  
ew chapter in his career.
The Lieutenant Governor serves a critical role in state government. First and foremost, the Lieutenant Governor assumes the constitutional duties of the Governor when he or she is unable to do so. The Lieutenant Governor also manages the State's relationship with and service to Native Americans. During my tenure as Governor, the Lieutenant Governor also served a dual role as a member of the Cabinet and executive director of the state Department of Higher Education.

Article IV, Section 13(2) of the Colorado Constitution requires that "[w]henever there is a vacancy in the office of the lieutenant governor . . . the governor shall nominate a lieutenant governor who shall take office upon confirmation by a majority vote of both houses of the general assembly." In accordance with these requirements, I hereby nominate Dr. Donna Lynne to fill the position of Lieutenant Governor and submit her for the General Assembly's consideration and approval. I am confident that Dr. Lynne is well qualified to fill the role of Lieutenant Governor and will be a dedicated servant to the people of Colorado.

Dr. Lynne currently serves as executive vice president of Kaiser Foundation Health Plan, Inc. and Kaiser Foundation Hospitals. In that role, she manages 16,000 employees and oversees a budget of over $8 billion. Previously, she spent two decades in local government and many years in the private sector. She has significant experience in improving service delivery, management oversight, and program improvement. Dr. Lynne is also very active in the community, serving in leadership roles for the Denver Museum of Nature and Science, Denver Public Schools Foundation, National Partnership for Women and Families, Teach for America-Colorado, and the University of Denver.

The office of Lieutenant Governor is a critical role in state government. Dr. Lynne's experience, her passion for service, and her history of managing large, complex institutions makes her a unique and ideal candidate for Colorado's next Lieutenant Governor. I urge your swift action to confirm Dr. Donna Lynne's nomination.

Should you have questions or wish to discuss, please contact me or Kurt Morrison, Legislative Director, Governor's Office at (303) 866-5465. Thank you for your consideration.

Sincerely,

(signed)

John W. Hickenlooper

PURPOSE: Adds a total of $56,600,000 General Fund in the Department of Higher Education, including $45,877,019 General Fund for the College Opportunity Fund Program and higher education institutions and $10,722,981 General Fund for need-based financial aid. Amounts are allocated among the institutions based on the model used for the introduced Long Bill. Also modifies footnotes to reflect the assumption, for all state governing boards except the Colorado School of Mines (for which tuition is not appropriated) that no undergraduate student with in-state classification will pay more tuition in FY 2016-17 than what a student would have paid in FY 2015-16 for the same credit hours and course of study. Decreases $74,692,280 total funds, including $55,887,291 cash funds from the capital construction fund, for Capital Construction projects in the Departments of Higher Education and Personnel.

The table below summarizes the operating budget adjustments for financial aid, the College Opportunity Fund Program, and each higher education institution.

22-30.5-513.1. Mill levy equalization report - fund created - legislative declaration. (1) The general assembly finds that school districts receive significant operating revenue from mill levies that are in addition to the school districts’ total program mill levy. This additional revenue helps school districts offset the effects of the negative factor imposed by section 22-54-104 (5) (g). The general assembly further finds that institute charter schools do not have access to additional revenue from a local property tax mill levy. The general assembly finds, therefore, that it is appropriate to consider additional state equalizing funding for institute charter schools.

(2) (a) The mill levy equalization fund, referred to in this section as the "fund", is hereby created in the state treasury.
The fund consists of any amount that the general assembly may appropriate or transfer to the fund. The state treasurer shall credit to the fund all interest and income derived from the deposit and investment of money in the fund.

(b) Subject to annual appropriation by the general assembly, the institute shall annually distribute all of the money appropriated or transferred to the fund to the institute charter schools on an equal per-pupil basis. The money distributed pursuant to this section is in addition to money distributed to institute charter schools pursuant to section 22-30.5-513."

"SECTION 1. Legislative declaration. (1) The general assembly finds a legal conflict between the Colorado constitution and the manner in which the decision in Obergefell v. Hodges, 576 U.S. __ (2015), has altered the issuance of marriage licenses in Colorado. (2) The people, through a citizen's initiative, established in the Colorado constitution a specific definition of marriage where that legal relationship is exclusively reserved for a relationship between one man and one woman. However, in the five to four Obergefell decision, the United States supreme court nullified a similar constitutional definition of marriage in Ohio for James Obergefell and other petitioners. (3) As a consequence of the Obergefell decision, Colorado county clerks and recorders began issuing marriage licenses to couples who also held civil union licenses. Now couples who hold both civil union and marriage licenses face a more complicated legal process if they wish to dissolve their legal relationships. (4) Senate Bill 16-150 is intended to remedy the complicated legal process of dissolving a civil union and a marriage for the same couple. The ultimate constitutional question of the United States supreme court's constitutional jurisdiction and authority to redefine marriage in Colorado's constitution through a ruling on certain individual cases in other states is a matter the general assembly may take up at a different time, but Senate Bill 16-150 does not address, nor settle that concern."

Renumber succeeding sections accordingly.

(1) (a) The state treasurer, on behalf of a state-supported institution of higher education, as described in section 23-1-102 (2) and referred to in this section as an "institution," shall make payment as provided in this section of principal and interest on INTERCEPT bonds to which this section applies unless the governing board of the institution adopts a resolution stating that it will not accept on behalf of the institution payment of principal of and interest on INTERCEPT bonds as provided in this section. Any such resolution shall MUST be adopted prior to issuance or incurrence of the INTERCEPT bonds to which it applies. Following adoption of the resolution, the institution..."
shall provide written notice to the state treasurer of its refusal to accept the payment. The refusal to accept payment shall take effect upon the date the state treasurer receives the written notice and shall continue in effect until the date the state treasurer receives written notice from the institution that the governing board of the institution has adopted a resolution rescinding the refusal to accept payment pursuant to this section. Notwithstanding any provision of subsections (2) to (7) of this section to the contrary, the state treasurer shall not make payment of principal of or interest on intercept bonds on behalf of an institution that provides written notice of its refusal to accept payment by the state treasurer on its behalf as provided in this paragraph (a) until the state treasurer receives written notice of the rescission of refusal to accept payment.

(b) This section applies to revenue bonds issued by if an institution issues a revenue bond pursuant to this article on or after April 26, 2013, and to the effective date of this paragraph (b), as amended, or issues a refunding bond issued by an institution pursuant to article 54, 56, or 57 of title 11, C.R.S., on or after April 26, 2013, if, on the date the bonds are issued the effective date of this paragraph (b), as amended, and the governing board wishes for such revenue or refunding bond to be an intercept bond, then: (I) the maximum total annual debt service payment of the new intercept bond to be issued plus the debt service payment for all other intercept bonds that were issued on or after June 4, 2008, by the same governing board, must equal seventy-five percent or less of the most recent fiscal year general fund appropriation for stipends and fee-for-service contracts that is reappropriated to such governing board; and (II) except as provided in paragraph (c) of this subsection (1), the governing body of the institution must have: (A) a credit rating in one of the three highest categories, without regard to modifiers within a category, from at least one nationally recognized statistical rating organization and, if more than one such organization has rated an institution, no credit rating that is in a category below the three highest categories, without regard to modifiers within a category; and (B) a debt service coverage ratio of at least one and one-half to one, measured by dividing the institution's net revenue available for annual debt service over the total amount of annual debt service subject to this article and plus the annual debt service to be issued pursuant to this article by such governing board; and (III) the pledged revenues for the new intercept bond issue include not less than: (A) the net revenues of auxiliaries; (B) ten percent of tuition if the institution is an enterprise, as defined in section 24-77-102 (3), C.R.S.; (C) indirect cost recovery revenues, if any; (D) facility construction fees designated for bond repayment, if any; and (E) student fees and ancillary revenues currently pledged to existing bondholders; and

(IV) Except as provided in paragraph (c) of this subsection (1), the governing board has obtained a preapproval certificate from the state treasurer as described in subparagraph (II) of paragraph (d) of this subsection (1), and obtained approval from both the capital development committee and the joint budget committee as specified in subsection (1.5) of this section.

(c) (I) (A) The state treasurer may exempt an institution from the requirements of subparagraph (I) if the state treasurer determines that a governing board does not meet the requirements set forth in subparagraph (II) of paragraph (b) of this subsection (1), if the state treasurer confirms that the revenue bonds to be issued are refunding bonds that result in cost savings to the institution governing board based on a cash flow analysis, the refunding bonds will refund intercept bonds, and the refunding bonds will not extend the number of years of repayment, then the requirements set forth in subparagraphs (II) and (IV) of
PARAGRAPH (b) of this subsection (1) shall not apply. No later than fifteen days after receiving a request in writing from a governing board to use the intercept program, the state treasurer shall notify the capital development committee, the joint budget committee, the Colorado commission on higher education, and the office of state planning and budgeting that the governing board has met the requirements of this sub-subparagraph (A). The state treasurer may make recommendations to the governing board regarding the structure of the refunding.

(B) If the state treasurer determines that a governing board does not meet the requirements set forth in subparagraph (II) of paragraph (b) of this subsection (1), the state treasurer confirms that the revenue bonds to be issued are refunding bonds that result in cost savings to the governing board based on a cash flow analysis, the refunding bonds will either refund revenue bonds that are not intercept bonds, or the refunding bonds will extend the number of years of repayment, then the requirements set forth in subparagraph (II) of paragraph (b) of this subsection (1) shall not apply. No later than fifteen days after receiving a request in writing from a governing board to use the intercept program, the state treasurer shall notify the capital development committee, the joint budget committee, the Colorado commission on higher education, the office of state planning and budgeting, and the governing board whether or not he or she recommends the requested use of the intercept program. The governing board must subsequently seek approval from the capital development committee and the joint budget committee as set forth in subsection (1.5) of this section. The notification issued by the state treasurer may include the state treasurer's recommendations regarding the structure of the refunding.

(II) If the state treasurer determines that a governing board meets the requirements set forth in subparagraph (II) of paragraph (b) of this subsection (1), the state treasurer confirms that the revenue bonds to be issued are refunding bonds that result in cost savings to the governing board based on a cash flow analysis by the state treasurer, the refunding bonds will refund intercept bonds, and the refunding bonds will not extend the number of years of repayment, then the requirements set forth in subparagraph (IV) of paragraph (b) of this subsection (1) shall not apply. No later than fifteen days after receiving a request in writing from a governing board to use the intercept program, the state treasurer shall notify the capital development committee, the joint budget committee, the Colorado commission on higher education, and the office of state planning and budgeting that the governing board has met the requirements of this subparagraph (II). The state treasurer may make recommendations to the governing board regarding the structure of the refunding.

(III) The state treasurer shall develop and issue guidelines that detail how the state treasurer will determine whether a refunding bond results in cost savings to the governing board based on a cash flow analysis. The state treasurer may consult with financial advisors in order to determine whether a refunding bond results in cost savings to the governing board on a cash flow analysis.

(d) (I) No later than September 1, 2016, and each September 1 thereafter, the state treasurer shall provide the capital development committee, the joint budget committee, the Colorado commission on higher education, and the office of state planning and budgeting with a report that includes:

(A) The credit rating described in sub-subparagraph (A) of subparagraph (II) of paragraph (b) of this subsection (1) of each governing board that has issued intercept bonds;

(B) The debt service coverage ratio described in sub-subparagraph (B) of subparagraph (II) of paragraph (b) of this subsection (1) of each governing board that has issued intercept bonds;
(C) The total amount of all intercept bonds issued by governing boards, including the anticipated payment schedule for such intercept bonds; and

(D) The total amount of all revenue bonds issued by governing boards under Section 23-5-101.7 (2), including the anticipated payment schedule for all such revenue bonds.

(II) The report described in subparagraph (I) of this paragraph (d) is the basis for the annual preapproval certificate that the state treasurer shall issue to each governing board that meets the requirements set forth in subparagraph (II) of paragraph (b) of this subsection (I). In the event a governing board desires to issue intercept bonds between the effective date of this subparagraph (II) and September 1, 2016, the capital development committee may request the state treasurer to issue an early preapproval certificate for such governing board when a preapproval certificate has not yet been issued. The preapproval certificate must include the total amount of intercept bonds that the governing board may issue for the period that the preapproval certificate covers. The total amount of intercept bonds that a governing board may issue must be calculated based on the lesser of the following, as of the date of issuance of the preapproval certificate:

(A) the difference between seventy-five percent of the most recent fiscal year’s general fund appropriations for stipends and fee-for-service contracts that are reappropriated to such governing board and the total annual debt service payments for intercept bonds of such governing board; or

(B) the total amount of additional revenue bonds a governing board could issue while maintaining the requirements set forth in subparagraph (II) of paragraph (b) of this subsection (I).

(III) The preapproval certificate described in subparagraph (II) of this paragraph (d) may be amended if requested by the capital development committee as specified in subparagraph (II) of paragraph (a) of subsection (1.5) of this section.

(IV) The preapproval certificate described in subparagraph (II) of this paragraph (d) may include the state treasurer’s recommendations regarding the structure of any intercept bonds to be issued.

(1.5) (a) (I) A governing board desiring to issue intercept bonds shall present the state treasurer’s preapproval certificate, described in paragraph (d) of subsection (I) of this section, to the capital development committee and request approval from the capital development committee. The request must include:

(A) A description of the project or projects that the governing board seeks to finance through the issuance of intercept bonds;

(B) The maximum amount of intercept bonds the governing board seeks to issue for the project or projects;

(C) The anticipated terms of the intercept bonds including the maximum anticipated annual debt service payment; and

(D) If available, a copy of the governing board’s resolution that authorizes the issuance of revenue bonds.

(II) If there are actual or anticipated changes to the financial position and credit rating of the governing board that may affect the governing board’s compliance with paragraph (b) of subsection (1) of this section since the preapproval certificate was issued by the state treasurer, the governing board shall provide the capital development committee with documentation regarding such changes. The capital development committee may request the state treasurer to prepare an amended preapproval certificate on the basis of the additional documentation.

(b) No later than thirty days after the request for approval described in paragraph (a) of this subsection (1.5) during a regular legislative session of the general assembly, or

Page 1005
Senate Journal-112th Day-May 3, 2016
NO LATER THAN FORTY-FIVE DAYS AFTER THE REQUEST FOR APPROVAL DESCRIBED IN PARAGRAPH (a) OF THIS SUBSECTION (1.5) DURING ANY PERIOD THAT THE GENERAL ASSEMBLY IS NOT IN REGULAR LEGISLATIVE SESSION, THE CAPITAL DEVELOPMENT COMMITTEE SHALL REVIEW THE REQUEST FOR APPROVAL AND FORWARD A LETTER TO THE JOINT BUDGET COMMITTEE SETTING FORTH ITS APPROVAL OR DISAPPROVAL FOR SUCH GOVERNING BOARD TO USE THE INTERCEPT PROGRAM AND, IF APPROVED, ANY RECOMMENDATIONS THE CAPITAL DEVELOPMENT COMMITTEE MAY HAVE REGARDING THE MAXIMUM AMOUNT OF INTERCEPT BONDS THAT MAY BE ISSUED BY SUCH GOVERNING BOARD.

(c) NO LATER THAN FORTY-FIVE DAYS AFTER RECEIPT OF THE LETTER FROM THE CAPITAL DEVELOPMENT COMMITTEE DURING THE PERIOD OF OCTOBER 10 TO APRIL 10 OF ANY CALENDAR YEAR, OR NO LATER THAN NINETY-FIVE DAYS AFTER RECEIPT OF THE LETTER FROM THE CAPITAL DEVELOPMENT COMMITTEE DURING THE PERIOD OF APRIL 11 TO OCTOBER 9 OF ANY CALENDAR YEAR, THE JOINT BUDGET COMMITTEE SHALL REVIEW THE PROJECT OR PROJECTS AND THE GOVERNING BOARD'S REQUEST TO FINANCE THE PROJECT OR PROJECTS THROUGH THE ISSUANCE OF INTERCEPT BONDS. THE JOINT BUDGET COMMITTEE SHALL FORWARD A LETTER TO THE STATE TREASURER, THE OFFICE OF STATE PLANNING AND BUDGETING, THE COLORADO COMMISSION ON HIGHER EDUCATION, AND THE GOVERNING BOARD SETTING FORTH THE COMMITTEE'S APPROVAL OR DISAPPROVAL FOR SUCH GOVERNING BOARD TO USE THE INTERCEPT PROGRAM AND THE MAXIMUM AMOUNT OF INTERCEPT BONDS THAT MAY BE ISSUED BY SUCH GOVERNING BOARD.

(d) EXCEPT AS PROVIDED IN PARAGRAPH (c) OF SUBSECTION (1) OF THIS SECTION, NO GOVERNING BOARD MAY ISSUE INTERCEPT BONDS UNTIL THE JOINT BUDGET COMMITTEE ISSUES THE APPROVAL LETTER DESCRIBED IN PARAGRAPH (c) OF THIS SUBSECTION (1.5).

(e) THE CAPITAL DEVELOPMENT COMMITTEE SHALL DEVELOP INSTRUCTIONS ON THE FORMAT FOR REQUESTS FOR APPROVAL TO ISSUE INTERCEPT BONDS. SUCH INSTRUCTIONS MUST BE DEVELOPED IN CONSULTATION WITH THE JOINT BUDGET COMMITTEE, THE COLORADO COMMISSION ON HIGHER EDUCATION, AND THE OFFICE OF STATE PLANNING AND BUDGETING. IF A REQUEST TO ISSUE INTERCEPT BONDS DOES NOT RELATE TO A NEW CAPITAL CONSTRUCTION, CAPITAL RENEWAL, OR CONTROLLED MAINTENANCE PROJECT, THE GUIDELINES MAY ALLOW THE GOVERNING BOARD TO SUBMIT THE REQUEST DIRECTLY TO THE CAPITAL DEVELOPMENT COMMITTEE.

(f) THE CAPITAL DEVELOPMENT COMMITTEE MAY REQUEST INPUT FROM THE STATE TREASURER ON ALL REQUESTS FROM A GOVERNING BOARD TO EXPAND OR RESTRUCTURE INTERCEPT BONDS.

(2) Whenever the paying agent has not received payment of principal of or interest on INTERCEPT bonds or other obligations to which this section applies on the business day immediately prior to the date on which such payment is due, the paying agent shall so notify the state treasurer and the institution by telephone, facsimile, or other similar communication, followed by written verification, of such payment status. The state treasurer shall immediately contact the institution and determine whether the institution will make the payment by the date on which it is due.

(3) If an institution indicates that it will not make a payment by the date on which it is due, or if the state treasurer is unable to contact the institution, the state treasurer shall forward the amount in immediately available funds necessary to make the payment of the principal of or interest on the bonds or other obligations of the institution to the paying agent. The state treasurer shall recover the amount forwarded by withholding amounts from the institution's payments of the state's fee-for-service contract with the institution, from any other state support for the institution, and from any unpledged tuition or other moneys collected by the institution. The total amount withheld in a month from the state's fee-for-service contract with the institution for each occasion on which the state treasurer forwards an amount pursuant to this section shall not exceed one-twelfth of the amount forwarded. The state treasurer shall not withhold for more than twelve consecutive months for each occasion on which the treasurer forwards amounts pursuant to this section. Notwithstanding any other provision of this subsection (3), an institution may elect to make early repayment of all or any portion of an amount forwarded by the state treasurer on behalf of
the institution pursuant to this section.

(4) The amounts forwarded to the paying agent by the state treasurer pursuant to subsection (3) of this section shall be applied by the paying agent solely to the payment of the principal of or interest on such bonds or other obligations of the institution that are a part of or in substitution for the INTERCEPT BONDS. The state treasurer shall notify the department of higher education and the general assembly of amounts withheld and payments made pursuant to this section. Institutions that have a debt service payment forwarded to the paying agent by the state treasurer shall not request a supplemental general fund appropriation or budget amendment for the amount forwarded in order to replace withheld fee-for-service revenue.

(5) (a) Any institution governing board with an INTERCEPT BOND issue for which this section applies shall file with the state treasurer within thirty days of its public release a copy of the resolution that authorizes the issuance of INTERCEPT bonds; a copy of the official statement or other offering document for the INTERCEPT bonds; and the name, address, and telephone number of the paying agent. A copy of the official statement or other offering document for the INTERCEPT BONDS MUST ALSO BE SUBMITTED WITHIN THIRTY DAYS OF ITS PUBLIC RELEASE TO THE OFFICE OF STATE PLANNING AND BUDGETING, THE COLORADO COMMISSION ON HIGHER EDUCATION, THE CAPITAL DEVELOPMENT COMMITTEE, AND THE JOINT BUDGET COMMITTEE.

(b) On the day a preliminary official statement is publicly released for an INTERCEPT BOND to be issued, the governing board shall notify the state treasurer, the office of state planning and budgeting, the Colorado commission on higher education, the capital development committee, and the joint budget committee by providing an electronic link to an electronic copy of the preliminary official statement.

(c) The failure of any institution governing board to file the information required in this subsection (5) does not affect the obligation of the state treasurer to withhold the state’s fee-for-service contract payments to the institution.

(6) As provided in section 11 of article II of the state constitution, the state hereby covenants with the purchasers and owners of INTERCEPT bonds issued by institutions that it will not repeal, revoke, or rescind the provisions of this section or modify or amend this section so as to limit or impair the rights and remedies granted by this section; except that nothing in this subsection (6) shall be deemed or construed to require the state to continue the payment of state assistance to any institution or to limit or prohibit the state from repealing, amending, or modifying any law relating to the amount of state assistance to institutions or the manner of payment or the timing thereof. Nothing in this section shall be deemed or construed to create a debt of the state with respect to such INTERCEPT bonds within the meaning of any state constitutional provision or to create any other liability except to the extent provided in this section.

(7) Whenever the state treasurer is required by this section to make a payment of principal of or interest on INTERCEPT bonds or other obligations on behalf of an institution, the department of higher education shall initiate an audit of the institution to determine the reason for the nonpayment and to assist the institution, if necessary, in developing and implementing measures to ensure that future payments will be made when they are due.

(8) As used in this section, unless the context otherwise requires:

(a) "Cash Flow Analysis" means a comparison made by the state treasurer of a governing board’s annual debt service currently being paid on the revenue bonds or INTERCEPT BONDS to be refunded versus annual debt service to be paid on the INTERCEPT BONDS being issued to effectuate the refunding and the resulting debt service savings or dissavings that are generated. The cash flow analysis must consider the universe of refunding candidates and refunding bond statistics including the true interest cost, average life of refunded and refunding bonds, average annual debt service, gross debt service, and the expected present value savings on the refunding.

**SB16-210**

by Senator(s) Baumgardner, Scott; also Representative(s) DelGrosso and Priola--

Concerning infrastructure funding, and, in connection therewith, requiring the transportation commission to submit a ballot question to the voters of the state at the November 2016, 2017, or 2018 election which, if approved, would authorize the state, with no increase in any taxes, to issue additional transportation revenue anticipation notes for the purpose of addressing critical priority transportation needs in the state by financing transportation projects and would exclude note proceeds and investment earnings on note proceeds from state fiscal year spending limits; and dedicating five percent of state sales and use tax net revenue for state transportation purposes and one percent of such revenue for other capital construction purposes.

Dear Members of the Colorado Senate:

Today, I vetoed Senate Bill 16-169, "Concerning Changes Related to the Seventy-Two-Hour Emergency Mental Health Procedure," at 3:29 p.m.

We agree that appropriate mental health facilities are not always readily available to treat persons having a mental health crisis. While well-intentioned, we are concerned that SB16-169 does not provide adequate due process for individuals. The sponsors are to be commended for their commitment to solving this complex issue; we are committed to working with them in the future to address this issue in a holistic way.

Senate Bill 16-169 properly allows advanced practice nurses to determine if a person should be committed to a mental health facility longer than 72 hours. Increasing the types of providers to perform this function adds resources to solve the problem. The bill also would have generated data to help us better understand the nature of gaps in mental health services available to those in crisis.

The bill allows emergency rooms to detain a person for up to 36 hours to determine whether the he or she requires a transfer to a designated facility, but is silent on what an emergency room must do once the 36-hour period passes. No limit is placed for how long an emergency room may detain someone involuntarily while awaiting a free bed in a suitable treatment facility, and, more importantly, no mechanism is made to afford due process to a person held involuntarily in "emergency" custody. Senate Bill 16-169 expands the time for law enforcement facilities to hold someone in crisis. We have due process concerns for these individuals.

Today, I directed the Department of Human Services to create a taskforce to develop solutions to the underlying problems raised by SB16-169 by January 1, 2017. Specifically, the taskforce will recommend policy changes to ensure proper mental health treatment and protection of federal and state constitutional rights for Coloradans experiencing mental health crises. The taskforce will make recommendations to end the practice of confining in jail persons with mental illness who have committed no crime. The taskforce will also assess the current need for and barriers to providing inpatient psychiatric care in all regions of the State. The taskforce will consider potential proposals including inpatient bed-tracking systems, provider communications systems, and transportation systems including the funding to make that happen. Finally, the group will recommend changes in light of limited state resources, and will examine how to maximize current resources for mental health systems. This approach will better inform and guide public policy on this topic, and will better serve Coloradans experiencing the trauma of mental health crises. I would ask the sponsors of the bill to be partners to implement findings of the task force knowing we all have the same goals of providing appropriate services and treatment to the mentally ill.

Keeping Coloradans safe remains our top priority. I am confident we can work together to achieve this goal in a way that protects the fundamental rights all Coloradans hold under the U.S. and Colorado Constitutions. Accordingly, I have vetoed SB16-169.

Sincerely,

The Honorable Colorado Senate

Dear Members of the Colorado Senate:

Today, I signed Senate Bill 16-197, “Concerning the Retail Sale of Alcohol Beverages, and, in Connection Therewith, Restricting the Issuance of New Liquor-Licensed Drugstore and Retail Liquor Store Licenses Except Under Specified Circumstances; Allowing Liquor-Licensed Drugstore and Retail Liquor Store Licensees to Obtain Additional Licenses Under Limited Circumstances; Repealing the Limit on the Alcohol Content of Fermented Malt Beverages on January 1, 2019; and Making an Appropriation” into law at 2:38 P.M.

Since the 1933 repeal of the Volstead Act and the Eighteenth Amendment of the U.S. Constitution prohibiting alcohol sales and consumption, Colorado law governing beer, wine, and distilled spirits sales has led to a thriving market of individually-owned retail liquor stores. In turn, this served as a catalyst for a vibrant, diverse, and flourishing industry of craft distilleries, breweries, and wineries throughout our state. Although imperfect and unplanned, this system has unquestionably benefited Colorado. The well-worn debate to allow expanded sales of distilled spirits, wine, and full-strength beer at grocery stores continues to challenge the competing economic values of convenience to customers, job creation, and promotion of locally-owned businesses. Unfortunately, compromise has been absent from this debate. Senate Bill 16-197 is an exception. This bill is a laudable effort by the sponsors at compromise between certain large grocery stores seeking to offer greater options for their customers, and independently-owned retail liquor stores set to endure heavy revenue losses should the laws they operate under change overnight. We agree that state law in this field is dated and haphazard. However, while imperfect and unplanned, the status quo has led to this industry's growth and success. Any change to existing liquor laws must be carefully measured so as to minimize harm to a vital network of local retail businesses, and, in turn, Colorado's craft distilleries, breweries, and wineries.

Over the past 30 days, we thoroughly evaluated SB16-197, met with many stakeholder organizations, and spoke with a number of craft brewers and independent liquor store owners. While we believe the status quo is most preferable, it is unlikely to remain. Senate Bill 16-197 implements inevitable change in a measured and reasonable process. The bill gives independently-owned liquor stores until 2019 to prepare for any increased competition from grocery chains. Furthermore, it does not throw open the door to wine and distilled spirits competition without compensation to stores located within a certain distance of grocery stores. These are reasonable measures that allow phased-in competition and broader choices, while also providing guardrails to protect small businesses from losses that could result from a sudden regulatory change. While not perfect, SB16-197 provides more options for customers and reasonable protections for small businesses.

On the matter of the multiple ballot initiatives pertaining to sales of wine, distilled spirits, and full-strength beer in grocery stores, I sign this law today with the understanding that most, and hopefully all, of these initiatives will be withdrawn, as discussed in the SB16-197 compromise process. Passage of any ballot initiative allowing immediate wine and full-strength beer sales in grocery stores would irreparably harm independent liquor stores and craft producers throughout Colorado. According to an analysis based on retail sales data from the Department of Revenue, Colorado retail liquor stores conduct roughly $750 million in beer sales annually. Should these ballot measures pass, simply stated, a significant percentage of that revenue will transfer from small independent liquor stores to large grocery stores. This would, in turn, severely harm Colorado's craft market as independent stores close and precious shelf space shrinks.

When independent liquor store owners went into business, they knowingly and willingly accepted Colorado's liquor laws, however dated they may be. While SB16-197 changes Colorado's liquor laws significantly, I sign the bill today because I was persuaded by the broad coalition supporting this compromise. This compromise is far preferred over periodic legislative threats to enact more far-reaching and sudden change.
We trust that the coalition and sponsors have reached a measured compromise that allows Colorado's vibrant craft industry to continue to thrive. Accordingly, I signed SB16-197 into law.

Sincerely,

(signed)
