**3:46 p.m.** Department of Corrections – Behavioral Health Programs Performance Audit, November 2016

Vickie Heller provided an overview of the *Department of Corrections – Behavioral Health Programs Performance Audit* (November 2016). Further discussion ensued regarding reasons that Recommendation 5D from the audit is listed as “Not Implemented” and is beyond the implementation date in the status report; and reasons why several recommendations are listed as “Partially Implemented” with no implementation date. The Department of Corrections (DOC) reported that there have been issues with implementing an electronic health record system that have extended out the implementation dates. DOC agreed to update implementation dates on Recommendations where they are not included by the time of the impending Judiciary SMART Act Hearing.
