Amend printed bill, strike everything below the enacting clause and substitute:

"SECTION 1. In Colorado Revised Statutes, 24-4-104, amend (6) as follows:

24-4-104. Licenses - issuance, suspension or revocation, renewal. (6) No previously issued license shall be revoked, suspended, annulled, limited, or modified, except as provided in subsection (3) of this section EXCEPT AS PROVIDED IN SUBSECTION (4) OF THIS SECTION, AN AGENCY SHALL NOT REVOKE, SUSPEND, ANNUL, LIMIT, OR MODIFY A PREVIOUSLY ISSUED LICENSE until after HOLDING A hearing as provided in section 24-4-105.

SECTION 2. In Colorado Revised Statutes, 24-4-105, amend (4) as follows:

24-4-105. Hearings and determinations - repeal. (4) (a) Any agency conducting a hearing, any administrative law judge, and any hearing officer shall have authority to: Administer oaths and affirmations; sign and issue subpoenas; rule upon offers of proof and receive evidence; dispose of motions relating to the discovery and production of relevant documents and things for inspection, copying, or photographing; regulate
the course of the hearing, set the time and place for continued hearings, and fix the time for the filing of briefs and other documents; direct the parties to appear and confer to consider the simplification of the issues, admissions of fact or of documents to avoid unnecessary proof, and limitation of the number of expert witnesses; issue appropriate orders which shall control the subsequent course of the proceedings; dispose of motions to dismiss for lack of agency jurisdiction over the subject matter or parties or for any other ground; dispose of motions to amend or to dismiss without prejudice applications and other pleadings; dispose of motions to intervene, procedural requests, or similar matters; reprimand or exclude from the hearing any person for any improper or indecorous conduct in his or her presence; award attorney fees for abuses of discovery procedures or as otherwise provided under the Colorado rules of civil procedure; and take any other action authorized by agency rule consistent with this article or in accordance, to the extent practicable, with the procedure in the district courts. All parties to the proceeding shall also have the right to cross-examine witnesses who testify at the proceeding. In the event more than one person engages in the conduct of a hearing, such persons shall designate one of their number to perform such of the above functions as can best be performed by one person only, and thereafter such person only shall perform those functions which are assigned to him or her by the several persons conducting such hearing.

(b) (I) (A) The General Assembly hereby finds that the mediation process generally saves the state and the licensee time and money. Mediation takes much less time than moving a case through agency proceedings and judicial review. These cases typically take months or years to resolve, but mediation typically achieves a resolution in a matter of hours. Taking less time means expending less money on hourly fees and costs. This benefits both the agency and the licensee, and because the result is attained by the parties working together, compliance with the mediated agreement is usually high. This further reduces costs because agencies do not have to pay an attorney or investigators to force compliance.

(B) The General Assembly hereby declares that, in order to save time and money, the policy of Colorado is to use mediation whenever appropriate to settle disputes between agencies and licensees.

(II) Upon petition of the agency or licensee after the licensee has received the notice of hearing under subsection (2)(a) of this section, the hearing officer or administrative law judge shall order mediation between the agency and the licensee unless the license was summarily suspended in accordance with section 24-4-104(4). When mediation is ordered, the agency shall:

(A) Assign a person with authority to make prehearing decisions concerning disposition of the matter to be present during meetings related to settlement communications or mediation communications and to be included in any material settlement communications with the licensee or the licensee’s representative over the matter; and

(B) Upon the licensee’s request, allow a private or public mediator chosen by the licensee to be present during meetings related to mediation and to be included in any material settlement communications with the licensee or the licensee’s
REPRESENTATIVE OVER THE MATTER. IF THE MEDIATOR IS PRIVATELY
RETAINED, THE LICENSEE MUST PAY THE MEDIATOR'S REASONABLE FEES,
AND THE AGENCY NEED NOT PAY THE PRIVATELY RETAINED MEDIATOR'S
REASONABLE OR UNREASONABLE FEES.

(III) TO THE EXTENT FEASIBLE, FOR THE PURPOSE OF CARRYING
OUT THIS SUBSECTION (4):
(A) ADMINISTRATIVE LAW JUDGES SHALL MAKE THEMSELVES
AVAILABLE AS PUBLIC MEDIATORS WITHOUT COST TO THE LICENSEE;
(B) THE MEMBERS OF ANY GOVERNING BODY THAT REGULATES
THE LICENSEE SHALL MAKE A MEMBER OR OTHER PERSON AVAILABLE FOR
MEDIATION AS A PERSON WITH AUTHORITY TO MAKE PREHEARING
DECISIONS CONCERNING DISPOSITION OF THE MATTER.

(IV) IF AN AGENCY FAILS TO COMPLY WITH AN ORDER OF
MEDIATION, A LICENSEE ADVERSELY AFFECTED BY THE FAILURE MAY
PETITION THE ADMINISTRATIVE LAW JUDGE OR HEARING OFFICER TO
SUSPEND THE PROCEEDINGS AND REQUIRE COMPLIANCE WITH THE ORDER,
TO BE COMPLETED IN GOOD FAITH AS SOON AS PRACTICABLE, UNDER THE
ADMINISTRATIVE LAW JUDGE'S OR THE HEARING OFFICER'S SUPERVISION.

(V) IF MEDIATION FAILS, THE AGENCY SHALL NOTIFY THE
ADMINISTRATIVE LAW JUDGE OR THE HEARING OFFICER, AND THE
ADMINISTRATIVE LAW JUDGE OR THE HEARING OFFICER SHALL LIFT THE
SUSPENSION AND PROCEED WITH THE HEARING.

(VI) WHEN DETERMINING THE PLACE TO HOLD THE MEDIATION,
THE AGENCY SHALL GIVE DUE CONSIDERATION TO THE LOCATION OF THE
LICENSEE'S OCCUPATION OR RESIDENCE, THE AVAILABILITY OF AN
ADMINISTRATIVE LAW JUDGE TO MEDIATE, AND THE AVAILABILITY OF A
MEMBER OF THE GOVERNING BODY THAT REGULATES THE LICENSEE TO BE
A PERSON WITH AUTHORITY TO MAKE PREHEARING DECISIONS
CONCERNING DISPOSITION OF THE MATTER.

(VII) THIS SUBSECTION (4)(b) APPLIES ONLY TO AGENCY
PROCEEDINGS THAT CONCERNE AN INDIVIDUAL WHO IS LICENSED TO
PRACTICE AN OCCUPATION OR PROFESSION, EXCEPT THAT THIS SUBSECTION
(4)(b) DOES NOT APPLY TO A COMMERCIAL DRIVER'S LICENSE ISSUED
UNDER PART 4 OF ARTICLE 2 OF TITLE 42.

(VIII) THIS SUBSECTION (4)(b) DOES NOT APPLY IF A LICENSE HAS
BEEN SUMMARILY SUSPENDED BECAUSE THE AGENCY FINDS, IN
ACCORDANCE WITH SECTION 24-4-104 (4), THAT THE LICENSEE IS GUILTY
OF A DELIBERATE AND WILLFUL VIOLATION OR THAT THE PUBLIC HEALTH,
SAFETY, OR WELFARE IMPERATIVELY REQUIRES EMERGENCY ACTION.

(IX) BY JANUARY 1, 2022, THE OFFICE OF ADMINISTRATIVE
COURTS AND THE DIVISION OF PROFESSIONS AND OCCUPATIONS IN THE
DEPARTMENT OF REGULATORY AGENCIES SHALL ISSUE A JOINT REPORT TO
THE JUDICIARY COMMITTEE AND THE STATE, VETERANS, AND MILITARY
AFFAIRS COMMITTEE OF THE HOUSE OF REPRESENTATIVES AND THE
JUDICIARY COMMITTEE AND THE STATE, VETERANS, AND MILITARY
AFFAIRS COMMITTEE OF THE SENATE OR THEIR SUCCESSOR COMMITTEES.
THIS SUBSECTION (4)(b)(VIII) IS REPEALED, EFFECTIVE JULY 1, 2022. THE
REPORT MUST CONTAIN THE FOLLOWING:
(A) THE NUMBER OF HEARINGS AFFECTING LICENSES HELD
BETWEEN JULY 1, 2016, AND JULY 1, 2018;
(B) THE NUMBER OF HEARINGS AFFECTING LICENSES HELD
BETWEEN JULY 1, 2019, AND JULY 1, 2021;
(C) THE NUMBER OF MEDIATIONS HELD BETWEEN JULY 1, 2016,
AND JULY 1, 2018;
(D) THE NUMBER OF MEDIATIONS HELD BETWEEN JULY 1, 2019,
AND JULY 1, 2021;
THE NUMBER OF PROCEEDINGS IN WHICH THE LICENSEE AND AGENCY AGREED TO SETTLE THE PROCEEDINGS BETWEEN JULY 1, 2016, AND JULY 1, 2018; AND

THE NUMBER OF PROCEEDINGS IN WHICH THE LICENSEE AND AGENCY AGREED TO SETTLE THE PROCEEDINGS BETWEEN JULY 1, 2019, AND JULY 1, 2021.

SECTION 3. In Colorado Revised Statutes, 24-4-106, amend (7)
as follows:

24-4-106. Judicial review. (7) (a) If the court finds no error, it shall affirm the agency action.
(b) THE COURT SHALL HOLD UNLAWFUL AND SET ASIDE THE AGENCY ACTION AND SHALL RESTRAIN THE ENFORCEMENT OF THE ORDER OR RULE UNDER REVIEW, COMPEL ANY AGENCY ACTION TO BE TAKEN THAT HAS BEEN UNLAWFULLY WITHHELD OR UNDULY DELAYED, REMAND THE CASE FOR FURTHER PROCEEDINGS, AND AFFORD OTHER RELIEF AS MAY BE APPROPRIATE if the court finds that the agency action is:
(I) Arbitrary or capricious;
(II) A denial of statutory right;
(III) Contrary to constitutional right, power, privilege, or immunity;
(IV) In excess of statutory jurisdiction, authority, purposes, or limitations;
(V) Not in accord with the procedures or procedural limitations of this article or as otherwise required by law;
(VI) An abuse or clearly unwarranted exercise of discretion;
(VII) Based upon findings of fact that are clearly erroneous on the whole record;
(VIII) Unsupported by substantial evidence when the record is considered as a whole; or
(IX) Otherwise contrary to law, then the court shall hold unlawful and set aside the agency action and shall restrain the enforcement of the order or rule under review, compel any agency action to be taken which has been unlawfully withheld or unduly delayed, remand the case for further proceedings, and afford such other relief as may be appropriate including failing to comply with Section 24-4-104 (3)(a) OR 24-4-105 (4)(b).
(c) In making the foregoing determinations, the court shall review the whole record or such portions thereof as may be OF THE RECORD cited by any party.
(d) In all cases under review, the court shall determine all questions of law and interpret the statutory and constitutional provisions involved and shall apply such the interpretation to the facts duly found or established.

SECTION 4. Applicability. This act applies to hearings brought to discipline the holder of a license, registration, or certification; to actions brought to enforce the "State Administrative Procedure Act"; and to judicial review of an agency's actions under preexisting law, on or after the effective date of this act.

SECTION 5. Safety clause. The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety.".

NOTICE

ON [DATE], [YEAR], AT [TIME] IN COURTROOM [NUMBER], [COURTHOUSE NAME], [COURTHOUSE ADDRESS], THE COURT WILL HOLD A HEARING ON A MOTION FOR AN ORDER FOR TEMPORARY MANDATORY INJUNCTION IN ORDER TO REQUIRE THE REMOVAL FROM THE RESIDENTIAL PREMISES LOCATED AT [RESIDENTIAL PREMISES ADDRESS] OF EACH UNAUTHORIZED PERSON IDENTIFIED IN THE MOTION THAT ACCOMPANIES THIS NOTICE. IF YOU ARE IDENTIFIED AS AN UNAUTHORIZED PERSON AND IF YOU BELIEVE THAT IS NOT TRUE, THEN YOU MUST ATTEND THE HEARING AND PRESENT ANY EVIDENCE SUPPORTING YOUR POSITION. IF YOU FAIL TO ATTEND THE HEARING, THE COURT MAY ENTER AN ORDER INSTRUCTING THE SHERIFF OR OTHER LAW ENFORCEMENT OFFICER TO REMOVE YOU FROM THE RESIDENTIAL PREMISES IMMEDIATELY.

(d) If no person identified in the motion as an unauthorized person appears at the hearing, and no written statement that the court deems sufficient is filed in opposition to the motion, the court may proceed to rule on the motion based on the contents of the motion and any additional testimony offered by the moving party. The court may, but need not, require the moving party to confirm in oral testimony the facts recited in the motion and may make such other inquiry of the owner or authorized agent as the court determines proper under the circumstances. After taking testimony from the moving party and any occupant who contests the motion or after considering the content of the motion or written statement, the court shall determine whether the occupant is an unauthorized person. If the court determines that the occupant is an unauthorized person, the court shall enter an order for a temporary mandatory injunction prior to adjourning the hearing, which order may include such additional terms or limitations as the court may in its discretion determine necessary and equitable under the circumstances. If the court determines that the occupant is not an unauthorized person, the court shall deny the motion for an order for temporary mandatory injunction. If an order for temporary mandatory injunction is denied, the owner is not prejudiced from thereafter commencing an eviction pursuant to section 13-40-101.
(e) The court shall not require the appointment of an attorney to represent any occupant or other interested person as a condition of considering such motion, unless it appears from the motion or other papers filed with the court that there is a reasonable probability that the occupant is in military service.

(f) Notwithstanding the provisions of section 13-32-101 (1)(c), neither a petitioner nor a respondent in an action commenced pursuant to this section is required to pay a docket fee.

(g) If the court grants the order for temporary mandatory injunction, the owner or his or her authorized agent may deliver the order for temporary mandatory injunction to any law enforcement agency having jurisdiction to enforce the order.

After consideration on the merits, the Committee recommends the following:

**HB18-1226** be amended as follows, and as so amended, be referred to the Committee on Appropriations with favorable recommendation:

Amend printed bill, strike everything below the enacting clause and substitute:

"SECTION 1. In Colorado Revised Statutes, add 23-1-135 as follows:

23-1-135. Department directive - undergraduate degree and certificate programs - annual return on investment report - definition - repeal. (1) (a) The General Assembly finds and declares that:

(I) Colorado's economic growth depends upon a strong workforce with the education and training necessary to succeed in twenty-first-century careers;

(II) Colorado's state system of higher education is the primary source of education and training for Coloradans pursuing these careers;

(III) Further, Colorado's system of higher education must meet the postsecondary education needs of all of its residents, including providing reasonable access to higher education statewide, in order for Colorado to succeed in meeting its goals for an educated workforce;

(IV) With future state funding levels for higher education uncertain due to competing demands on the state's budget, the state has an obligation to taxpayers and to consumers of higher education in Colorado to make the best possible use of state resources; and

(V) Ensuring that state policymakers and consumers of higher education have access to information concerning undergraduate degree and certificate programs, including student costs and average debt, as well as employment and
EARNINGS OUTCOMES, IS CRITICAL TO EVALUATING HIGHER EDUCATION PROGRAM CHOICES AS WELL AS COLORADO’S ECONOMIC AND WORKFORCE GOALS.

(b) THEREFORE, THE GENERAL ASSEMBLY DECLARES THAT IT IS APPROPRIATE FOR THE DEPARTMENT OF HIGHER EDUCATION TO PREPARE AN ANNUAL RETURN ON INVESTMENT REPORT THAT INCLUDES AN ANALYSIS OF STUDENT COSTS AND EMPLOYMENT OUTCOMES OF UNDERGRADUATE DEGREE OR CERTIFICATE PROGRAMS OFFERED AT COLORADO PUBLIC INSTITUTIONS OF HIGHER EDUCATION.

AS USED IN THIS SECTION, UNLESS THE CONTEXT OTHERWISE REQUIRES, "INSTITUTION OF HIGHER EDUCATION" OR "INSTITUTION" MEANS THE STATE INSTITUTIONS, AS DEFINED IN SECTION 23-18-102 (10)(a), THE LOCAL DISTRICT COLLEGES, AND THE AREA TECHNICAL COLLEGES.

(3) (a) ON OR BEFORE JULY 31, 2019, AND ON OR BEFORE JULY 31 EACH YEAR THEREAFTER, THE DEPARTMENT OF HIGHER EDUCATION SHALL PREPARE A RETURN ON INVESTMENT REPORT OF UNDERGRADUATE DEGREE AND CERTIFICATE PROGRAMS OFFERED BY INSTITUTIONS OF HIGHER EDUCATION. THE DEPARTMENT, IN CONSULTATION WITH THE GOVERNING BOARDS OF THE INSTITUTIONS, SHALL DETERMINE THE DESIGNATION OF DEGREE AND CERTIFICATE PROGRAMS FOR PURPOSES OF THE RETURN ON INVESTMENT REPORT.

(b) THE RETURN ON INVESTMENT REPORT MUST INCLUDE INFORMATION CONCERNING THE UNDERGRADUATE DEGREE AND CERTIFICATE PROGRAMS OFFERED AT EACH INSTITUTION INCLUDING, AT A MINIMUM:

(I) THE NUMBER OF STUDENTS ENROLLED IN THE UNDERGRADUATE DEGREE OR CERTIFICATE PROGRAM AND THE NUMBER OF DEGREES AND CERTIFICATES AWARDED ANNUALLY FOR THE PROGRAM;

(II) THE AVERAGE TIME TO COMPLETION FOR STUDENTS COMPLETING THE UNDERGRADUATE DEGREE OR CERTIFICATE PROGRAM AND THE AVERAGE NUMBER OF CREDITS EARNED BY STUDENTS COMPLETING THE DEGREE OR CERTIFICATE PROGRAM;

(III) THE AVERAGE COST FOR COMPLETION OF THE UNDERGRADUATE DEGREE OR CERTIFICATE PROGRAM, INCLUDING MANDATORY PROGRAM AND INSTITUTIONAL FEES, FOR A STUDENT WITH IN-STATE TUITION CLASSIFICATION;

(IV) THE AVERAGE STUDENT LOAN DEBT FOR STUDENTS IN THE UNDERGRADUATE DEGREE OR CERTIFICATE PROGRAM;

(V) THE EMPLOYMENT RATE OF UNDERGRADUATE DEGREE OR CERTIFICATE PROGRAM GRADUATES. FOR PURPOSES OF THE REPORT, INFORMATION RELATING TO THE EMPLOYMENT RATE INCLUDES THE NUMBER OF INDIVIDUAL GRADUATES, THE NUMBER OF INDIVIDUAL GRADUATES MATCHED THROUGH AVAILABLE DATA SOURCES, AND THE NUMBER OF INDIVIDUAL GRADUATES THAT ARE NOT INCLUDED IN THE EMPLOYMENT RATE, WITH AN EXPLANATION OF WHY THE GRADUATES ARE EXCLUDED FROM THE EMPLOYMENT RATE.

(VI) THE AVERAGE ANNUAL EARNINGS OF UNDERGRADUATE DEGREE OR CERTIFICATE PROGRAM GRADUATES ONE, FIVE, AND TEN YEARS AFTER GRADUATION OR COMPLETION; AND

(VII) ANY OTHER INFORMATION NECESSARY TO COMPLETE THE RETURN ON INVESTMENT REPORT.

(4) NOTWITHSTANDING SECTION 24-1-136 (11)(a)(I), THE DEPARTMENT SHALL ANNUALLY SUBMIT THE RETURN ON INVESTMENT REPORT TO THE EDUCATION COMMITTEES OF THE HOUSE OF REPRESENTATIVES AND OF THE SENATE, OR ANY SUCCESSOR COMMITTEES,
AND SHALL POST THE REPORT ON THE DEPARTMENT'S WEBSITE FOR PUBLIC ACCESS.

(5) THIS SECTION IS REPEALED, EFFECTIVE JULY 1, 2027.

SECTION 2. Act subject to petition - effective date. For purposes of judicial review, a decision of the commission on exceptions is final on the date the decision is served on the parties to the proceeding.

SECTION 9. In Colorado Revised Statutes, add part 7 to article 10.1 of title 40 as follows:

PART 7

LARGE-MARKET TAXICAB SERVICES

40-10.1-701. Legislative declaration. (1) The general assembly finds and declares that:

(a) Nothing in this part 7 requires or prohibits a motor carrier applying for a permit pursuant to section 40-10.1-702 (1)(a) to form a labor union nor requires any large-market taxicab service driver to join a labor union; and

(b) If a motor carrier previously obtained a certificate of public convenience and necessity to provide taxicab service pursuant to section 40-10.1-201 and the certificate remains valid at a time that the motor carrier subsequently obtains a permit to operate large-market taxicab service under this part 7, the motor carrier's certificate constitutes a devalued asset for the motor carrier.

40-10.1-702. Large-market taxicab service - permit required - rules. (1) On and after January 1, 2019, a person shall not operate or offer to operate a large-market taxicab service in intrastate commerce without first having obtained a permit to operate large-market taxicab service from the commission in accordance with this part 7.

(b) A person may apply for a permit in a form and manner prescribed by the commission.

(c) A permit issued pursuant to this section is valid for one year after the date of issuance.

(2) Except as provided in section 40-10.1-704, the commission shall issue a permit to a motor carrier of passengers upon completion of the application filed pursuant to subsection (1) of this section, the payment of a fee determined by the commission, compliance with the financial responsibility requirements established by rule by the commission pursuant to section 40-10.1-107, and submission of current rate information pursuant to section 40-10.1-705.

(3) In order to obtain a permit under this section, an
APPLICANT MUST DEMONSTRATE THAT EACH VEHICLE OPERATED UNDER
THE PERMIT HAS BEEN INSPECTED WITHIN THE IMMEDIATELY PRECEDING
TWELVE MONTHS BY A QUALIFIED MECHANIC IN ACCORDANCE WITH RULES
PROMULGATED BY THE COMMISSION.

(4) (a) Except as provided in subsection (4)(b) of this
section, a motor carrier providing large-market taxicab service
must have at least twenty-five vehicles in its fleet at all times.
(b) In El Paso, Larimer, and Weld counties, a motor
carrier providing large-market taxicab service must have at
least ten vehicles in its fleet at all times.

(5) For each county served by a motor carrier providing
large-market taxicab service pursuant to this part 7, the
commission shall by rule determine the maximum rate that a
motor carrier providing large-market taxicab service may
charge its passengers.

40-10.1-703. Large-market taxicab service license plates -
rules. (1) The commission shall create either a document or an
electronic system that a person authorized to provide
large-market taxicab service under this part 7 may use to verify
to the department of revenue or the department's authorized
agent that the person provides large-market taxicab service.
(2) Upon request, the commission shall:
(a) If the commission creates a document pursuant to
subsection (1) of this section, provide the document to the person
authorized to provide large-market taxicab service; or
(b) If the commission creates an electronic system
pursuant to subsection (1) of this section, provide the electronic
verification to the department of revenue or its authorized
agent.
(3) The commission may promulgate rules to implement
this section and to enforce section 42-3-236.

40-10.1-704. Permit revocation. (1) If a motor carrier that
holds a permit under this part 7 fails to comply with a final
commission decision that assesses a fine or civil penalty
pursuant to section 40-7-113 for a violation of this article 10.1
or a rule adopted pursuant to this article 10.1, the motor
carrier's permit is revoked immediately. Any of the following
persons are disqualified from applying for a permit for
twenty-four months after the date of the permit revocation:
(a) The motor carrier;
(b) An owner, principal, officer, member, partner, or
director of the motor carrier; and
(c) Any other entity owned or operated by an owner,
principal, officer, member, partner, or director of the motor
carrier.
(2) The disqualification set forth in subsection (1) of this
section does not apply to revocation based on a failure to carry
insurance unless the person knowingly operated the motor
carrier without insurance.
(3) The disqualification set forth in subsection (1) of this
section is in addition to and not in lieu of any other penalty or
disqualification, including the period of disqualification
specified in section 40-10.1-112 (4).

40-10.1-705. Rates - limitations - rules. (1) Except as
provided in subsections (2) and (3) of this section, large-market
TAXICAB SERVICES ARE NOT SUBJECT TO RATE LIMITATIONS IMPOSED UNDER PART 2 OF THIS ARTICLE 10.1.

(2) (a) A MOTOR CARRIER OPERATING A LARGE-MARKET TAXICAB SERVICE SHALL FILE WITH THE COMMISSION, IN THE FORM AND MANNER THAT THE COMMISSION MAY DESIGNATE, A SCHEDULE SHOWING THE RATES, CHARGES, AND COLLECTIONS THAT THE MOTOR CARRIER COLLECTS, ENFORCES, OR INTENDS TO COLLECT OR ENFORCE THAT AFFECT OR RELATE TO THE MOTOR CARRIER’S LARGE-MARKET TAXICAB SERVICE OPERATIONS.

(b) THE COMMISSION SHALL NOT LIMIT THE NUMBER OR FREQUENCY OF RATE SCHEDULES THAT A MOTOR CARRIER MAY FILE WITH THE COMMISSION PURSUANT TO SUBSECTION (2)(a) OF THIS SECTION.

"(c) UNLESS A FILED RATE SCHEDULE EXCEEDS THE MAXIMUM RATE SET BY THE COMMISSION BY RULE PURSUANT TO SECTION 40-10.1-702 (5), THE COMMISSION SHALL NOT REJECT A RATE SCHEDULE FILED WITH THE COMMISSION UNLESS THE SCHEDULE WAS NOT FILED IN THE FORM AND MANNER DESIGNATED BY THE COMMISSION PURSUANT TO SUBSECTION (2)(a) OF THIS SECTION. THE COMMISSION SHALL NOT AMEND ANY RATE SCHEDULE FILED WITH THE COMMISSION PURSUANT TO THIS SECTION.

(3) IT IS UNLAWFUL FOR A MOTOR CARRIER OPERATING A LARGE-MARKET TAXICAB SERVICE TO CARRY OR ADVERTISE THAT IT WILL CARRY INDIVIDUALS IN A MANNER CONTRARY TO THE FILING REQUIRED UNDER SUBSECTION (2)(a) OF THIS SECTION.

(4) THE COMMISSION MAY PROMULGATE RULES CONSISTENT WITH THIS SECTION TO IMPLEMENT THE SYSTEM OF SCHEDULE FILINGS REQUIRED BY THIS SECTION.

SECTION 10. In Colorado Revised Statutes, 42-3-236, amend (2) and (5) as follows:

42-3-236. Taxicab license plates - taxicabs. Upon registration, the department shall issue taxicab license plates for the vehicle in accordance with this section. The department shall not issue a taxicab license plate unless the person either submits a verification document or the public utilities commission electronically verifies the authorization as provided in section 40-10.1-207. C.R.S.

(5) If the person who owns the motor vehicle with taxicab license plates is not the person under whose authority the motor vehicle operates under article 10.1 of title 40, C.R.S., the person with the authority may request that the department of revenue require the plate to be replaced. Within thirty days after receiving the request, the department shall require the owner of the motor vehicle to return the taxicab license plate and be issued a new license plate. The owner of the motor vehicle shall surrender the taxicab license plate to the department within ten days after receiving notice from the department unless the owner of the motor vehicle obtains authority to operate a taxicab under part 2 or 7 of article 10.1 of title 40, C.R.S., either directly or as an agent, and either the person submits a verification document or the public utilities commission electronically verifies the authorization as provided in section 40-10.1-207. C.R.S.

REPORT(S) OF COMMITTEE(S) OF REFERENCE

BUSINESS AFFAIRS & LABOR

After consideration on the merits, the Committee recommends the following:

HB18-1298 be amended as follows, and as so amended, be referred to the Committee of the Whole with favorable recommendation:

Amend printed bill, strike everything below the enacting clause and substitute:

"SECTION 1. Legislative declaration. (1) The general assembly hereby finds and declares that:
   (a) Nearly half of all families in the United States have no retirement assets. Even among those families who are nearing retirement, four out of ten have no retirement assets.
   (b) Middle-class working-age families whose incomes are at the fiftieth percentile have, on average, only five thousand dollars saved in retirement accounts. The average for families with incomes at the ninetieth percentile is two hundred seventy-four thousand dollars.
   (c) Only three in ten women aged sixty-five and older and slightly more than four in ten men aged sixty-five and older receive any income from pensions or retirement savings;
   (d) Most African-American and Hispanic families have no retirement savings. About four out of ten African-American families and one out of four Hispanic families have retirement savings. The median white family with retirement savings has over three times as much saved as the median African-American or median Hispanic family.
   (e) Coloradans are less prepared for retirement today than in previous decades. Eighty-two percent of Coloradans agree that the nation faces a retirement crisis and seventy-eight percent of Coloradans say that it is getting harder to prepare for retirement.
(f) Older workers are working longer and delaying their retirement. Many of today's seniors rely on their children, who are already struggling to raise their own families, or on other social services that are underfunded.

(g) Almost five out of ten Coloradans, aged twenty-five to sixty-four, working in the private sector lack access to a retirement plan at work;

(h) Colorado's younger workers are disproportionately affected, with forty-nine percent of workers between the age of twenty-five and twenty-nine, forty-five percent of workers between the age of thirty and thirty-four, and forty-eight percent of workers between the age of thirty-five and thirty-nine, lacking access to a retirement plan at work;

(i) Minority workers in Colorado are also disproportionately affected, with forty-nine percent of African-American workers and fifty-six percent of Hispanic workers lacking access to a retirement plan at work;

(j) Colorado's lowest wage workers are also less likely to have access to a workplace retirement savings plan. Seventy-six percent of Colorado's workers in the lowest income quintile and fifty-two percent of Colorado's workers in the second lowest income quintile have no access to a retirement plan at work.

(k) The major reason why many workers do not participate in retirement savings plans is their employers do not offer them. Experts on retirement recommend that the best way to increase retirement savings is to offer a workplace savings plan to all workers and enroll them automatically with the right to opt out.

(l) For decades, Americans have built their retirement with traditional pensions, social security, and individual savings, but America's retirement system has unraveled. About half of Colorado workers in the private sector do not have any type of employer-sponsored retirement plan, and individual savings plans are not filling the gap and have proved risky and unreliable.

(m) The future of Colorado's economic growth relies on our aging population having sufficient income in retirement so they can afford to live independently and have quality healthcare. Our seniors contribute significantly to local economies throughout the state, and their retirement investment spending provides stability to those communities.

(n) Colorado needs a remedy to the retirement security crisis so that Coloradans can look forward to a retirement free from financial anxiety or hardship; and

(o) Coloradans have a history of creating unique solutions to the challenges that the state faces. The state has an opportunity to craft a plan for the future that can ensure all Coloradans have the ability to save for retirement.

(2) The general assembly further finds and declares that it is therefore in the best interest of the state to study the feasibility of creating the Colorado secure savings plan to provide a workplace savings plan for all Colorado workers whose employers do not provide such a plan.

(1) There is hereby created in the office of the governor, the Colorado Secure Savings Plan Board to study the feasibility of creating the Colorado Secure Savings Plan as well as other approaches specified in section 24-54.3-104 to increase the amount of retirement savings by Colorado’s private sector workers.
(2) The board consists of the following nine members:
(a) The director of the governor’s office of state planning and budgeting or his or her designee; and

(4) The members shall elect from among themselves a
CHAIRPERSON AND ANY OTHER OFFICERS AS MAY BE NECESSARY FOR THE BOARD TO CARRY OUT ITS DUTIES AND RESPONSIBILITIES.

(5) A VACANCY IN THE TERM OF AN APPOINTED BOARD MEMBER SHALL BE FILLED FOR THE BALANCE OF THE UNEXPRIED TERM IN THE SAME MANNER AS THE ORIGINAL APPOINTMENT.

(6) MEMBERS OF THE BOARD SHALL SERVE WITHOUT COMPENSATION BUT MAY BE REIMBURSED FOR NECESSARY TRAVEL EXPENSES INCURRED IN CONNECTION WITH THEIR BOARD DUTIES.

FOR PURPOSES OF THE ANALYSES SPECIFIED IN THIS SUBSECTION (1), THE PLAN WOULD NOT BE A DEFINED BENEFIT PLAN. THE PLAN WOULD BE DESIGNED TO PROMOTE GREATER RETIREMENT SAVINGS FOR PRIVATE SECTOR EMPLOYEES IN A CONVENIENT, LOW-COST, AND PORTABLE MANNER AND WOULD ACHIEVE THE FOLLOWING:

(b) AUTOMATICALLY ENROLL EMPLOYEES IN THE PLAN WITH A CONTRIBUTION LEVEL OF FIVE PERCENT OF THEIR WAGES. EMPLOYEES MAY OPT NOT TO PARTICIPATE IN THE PLAN OR MAY SELECT A DIFFERENT LEVEL OF CONTRIBUTION.

(c) POOL INVESTMENT FUNDS, INVEST MONEY IN THE PLAN TO ACHIEVE COST SAVINGS THROUGH EFFICIENCIES AND ECONOMIES OF SCALE, AND MAKE OR ENTER INTO CONTRACTS WITH INVESTMENT MANAGERS, PRIVATE FINANCIAL INSTITUTIONS, AND OTHER SERVICE PROVIDERS TO INVEST FUNDS AND ADMINISTER THE PLAN;

(d) USE UP TO ONE PERCENT OF THE MONEY IN THE FUND FOR THE FIRST FIVE YEARS OF OPERATIONS TO PAY FOR THE TOTAL COSTS INCURRED IN STARTING UP AND OPERATING THE PLAN. IN THE SIXTH YEAR OF OPERATION AND EACH YEAR THEREAFTER, USE UP TO THREE-QUARTERS OF ONE PERCENT OF THE MONEY IN THE FUND TO PAY FOR THE COSTS OF OPERATING THE FUND.

(e) IMPLEMENT PROCESSES THAT REDUCE THE ACTIONS REQUIRED BY EMPLOYERS AND PROVIDE PAYMENT TO EMPLOYERS TO PAY FOR THE INITIAL AND ONGOING ADMINISTRATIVE COSTS RELATED TO IMPLEMENTING THE PLAN.

(2) (a) THE BOARD SHALL CONDUCT OR CAUSE TO BE CONDUCTED DETAILED MARKET AND FINANCIAL ANALYSES TO DETERMINE THE
FINANCIAL FEASIBILITY AND EFFECTIVENESS OF A SMALL BUSINESS MARKETPLACE PLAN TO INCREASE THE NUMBER OF COLORADO BUSINESSES THAT OFFER RETIREMENT SAVINGS PLANS FOR THEIR EMPLOYEES. FOR PURPOSES OF THE ANALYSES SPECIFIED IN THIS SUBSECTION (2), THE MARKETPLACE PLAN WOULD BE VOLUNTARY FOR BOTH EMPLOYERS AND EMPLOYEES, OPEN TO ALL EMPLOYEES AND EMPLOYERS WITH FEWER THAN ONE HUNDRED EMPLOYEES, AND ADMINISTERED BY THE STATE DEPARTMENT OF LABOR AND EMPLOYMENT.

(b) The state department of labor and employment would be required to do the following in connection with the marketplace plan:

(II) List products from participating financial firms on the marketplace provided they offer at least one target date fund and one balanced fund and are approved by the director of the department of labor and employment; and

(III) Prohibit firms listing their products on the marketplace from charging employers any administrative fees and limit the fees they can charge employees enrolled in the plans purchased through the marketplace to no more than one percent in total annual administrative fees.

(c) The analyses specified in this subsection (2) would include:

(I) The number of employers likely to purchase retirement plans through the marketplace;

(II) The number of employees likely to participate in a workplace retirement savings plan either through a plan their employer purchases through the marketplace or a plan they purchase through the marketplace including information on:

(A) The number of employees working for the employer where the employee works;

(B) The income of the employees participating in the plans purchased through the marketplace; and

(C) The demographics of the employees participating in the plans purchased through the marketplace.

(3) The board shall conduct or cause to be conducted an assessment of the effects that greater financial education among Colorado residents would have on increasing their retirement savings including:

(a) The number of Coloradans that would increase the amount of their retirement savings and the amount of increase in retirement savings related to the effects of greater financial education;

(b) The demographics of the Coloradans that would increase the amount of their retirement savings related to the effects of greater financial education;

(c) The type of financial education that is most likely to result in an increase in the amount of Coloradans' retirement savings; and

(d) The providers of financial education that are most likely to have the greatest effect on increasing the amount of Coloradans' retirement savings.

(4) The board shall conduct or cause to be conducted an analysis assessing the effects that not increasing Coloradans'
RETIREMENT SAVINGS WOULD HAVE ON CURRENT AND FUTURE STATE AND LOCAL GOVERNMENT EXPENDITURES.

24-54.3-105. Reports to the general assembly. (1) The board shall conduct or cause to be conducted the studies and analyses described in section 24-54.3-104, within two years of the appointment of the board's membership. The board shall submit a progress report to the governor and the business affairs and labor committee in the house of representatives and business affairs and technology committee in the senate or their successor committees within one year of its creation.

(2) The board may accept any gifts, grants, and donations, or any money from the state, any unit of federal, state, or local government, or any other person, firm, partnership, or corporation that has operations in the state to pay for the costs of the studies described in this article 54.3.

(3) If the board does not obtain adequate money to conduct or cause to be conducted the analyses described in section 24-54.3-104, the board may delay implementation of one or more of the analyses.

(4) If after conducting or causing to be conducted the studies described in this article 54.3 the board finds and determines that there are approaches to increasing retirement savings for private-sector employees in a convenient, low-cost, and portable manner, that are financially feasible and self-sustaining, the board shall recommend to the governor and general assembly a plan to implement its findings.

SECTION 3. Act subject to petition - effective date. This act takes effect at 12:01 a.m. on the day following the expiration of the ninety-day period after final adjournment of the general assembly (August 8, 2018, if adjournment sine die is on May 9, 2018); except that, if a referendum petition is filed pursuant to section 1 (3) of article V of the state constitution against this act or an item, section, or part of this act within such period, then the act, item, section, or part will not take effect unless approved by the people at the general election to be held in November 2018 and, in such case, will take effect on the date of the official declaration of the vote thereon by the governor."

The Division shall have the authority to accept and expend gifts, grants, and donations for the purposes of this section. (c)  The fees charged pursuant to subsection (3) of this section or section 12-61-1106 (6), specifically ensuring that the fees are adequate to pay for administrative costs but not so high as to act as a disincentive to the creation of conservation easements in the state; and

(d)  The adoption of best practices, processes, and procedures used by other entities that regularly review conservation easement transactions, including a practice, process, or procedure deeming qualified conservation easement appraisals approved by these entities based on their independent reviews as credible for purposes of the conservation easement tax credit.

(8)  A conservation easement tax credit certificate application may be submitted pursuant to section 12-61-1106 only if the entity has been certified in accordance with this section at the time the donation of the easement is made. The division shall make information available to the public concerning the date that it commences accepting applications for entities that hold conservation easements and the requirements of this subsection (8).

(9)  The division shall maintain and update an online list, accessible to the public, of the organizations that have applied for certification and whether each has been certified, rejected for certification, or had its certification revoked or suspended in accordance with this section.

(10)  The division may investigate the activities of any entity that is required to be certified pursuant to this section and to impose discipline for noncompliance, including the suspension or revocation of a certification or the imposition of fines. The division may promulgate rules in accordance with article 4 of title 24 for the certification program and discipline authorized by this section.

(11)  The division may subpoena persons and documents, which subpoenas may be enforced by a court of competent jurisdiction if not obeyed, for purposes of conducting investigations pursuant to subsection (10) of this section.

(12)  Nothing in this section:

(a)  Affects any tax credit that was claimed pursuant to section 39-22-522 before certification was required by this section; or

(b)  Requires the certification of an entity that holds a conservation easement for which a tax credit is not claimed pursuant to section 39-22-522.

After certificates have been issued for credits that exceed an aggregate of twenty-two million dollars for all taxpayers for the 2011 and 2012 calendar years, thirty-four million dollars for the 2013 calendar year, and forty-five million dollars for each calendar year thereafter, any claims that exceed the amount allowed for a specified calendar year shall be placed on a wait list in the order submitted and a certificate shall be issued for use of the credit in the next year for which the division has not issued credit certificates in excess of the amounts specified in this subsection (2.5); except that no more than fifteen million dollars in claims shall be placed on the wait list in any given calendar year. If all other requirements under section 12-61-727, C.R.S., section 12-61-1106 and this section are met, the right to claim the credit is vested in the taxpayer at the time a credit certificate is issued.

appraisal value of the easement, the amount of the credit, and the validity

believes that the appraisal represents a gross valuation misstatement,
receives notice of such a valuation misstatement from the division of real
estate, or receives notice from the division of real estate that an
enforcement action has been taken by the board of real estate appraisers
against the appraiser, the executive director shall have the authority to

which the department of revenue has been informed that an audit is being
performed by the internal revenue service. The executive director shall
share information used in the review of gross conservation easements
with the division. Notwithstanding part 2 of article 72 of title 24, C.R.S.,

SECTION 12-61-1106 (4), the executive director shall have the authority,
pursuant to subsection (8) of this section, to require additional
information from the taxpayer or transferee regarding the amount of the
credit and the validity of the credit. In resolving disputes regarding the
validity or the amount of a credit allowed pursuant to subsection (2) of
this section, the executive director shall have the authority, for good cause
shown, to review and accept or reject, in whole or in part, the amount of
the credit and the validity of the credit based upon the internal revenue
code and federal regulations in effect at the time of the donation, except
those requirements for which authority is granted to the division of real
estate conservation, the director of the division of real estate
conservation, or the conservation easement oversight commission

APPOINTMENT(S)

The Speaker announced the following temporary committee appointment(s) for April 27, 2018 only:

Health, Insurance, & Environment
Representative Michaelson Jenet to replace Representative Jackson

_______________

REPORT(S) OF COMMITTEE(S) OF REFERENCE

JUDICIARY
After consideration on the merits, the Committee recommends the following:

HB18-1409 be amended as follows, and as so amended, be referred to the Committee on Appropriations with favorable recommendation:

Amend printed bill, page 2, strike lines 12 through 15 and substitute:
"(c) Currently, most victims' services are offered or funded by criminal justice or other administrative agencies. Although this model has many benefits and is able to serve many crime victims, there remains populations of crime victims who are hard to reach through the current model or who are limited in their ability to access victims' services under the current model."

Page 3, strike lines 1 through 6 and substitute:
"(d) These limitations can result in gaps in support for crime survivors, particularly those survivors who have been historically underserved or who are unlikely to seek services under the current model, including people of color, men, and young adults; and
(e) A community-based, public-health approach can supplement the current model by broadening the reach of victims' services, particularly in the area of prevention of repeat victimization."

Page 3, strike lines 18 through 24 and substitute:
"(d) The community reentry grant program created in House Bill 14-1355, enacted in 2014, uses a third-party grant administrator because
this model helps engage smaller community and faith-based organizations
that are usually unable to access traditional grant money despite being
competent at serving their communities. The third-party grant
administrator provides grantees with infrastructure, including case
management, financial management, and data collection systems; helps
grantees develop policies and procedures to comply with grant
requirements; and offers ongoing technical assistance during the grant
period.

(c) This third-party grant administrator model has been proven to
be effective not only with regard to House Bill 14-1355 but also with
regard to federal grant programs that are aimed specifically at better
serving underserved communities, particularly communities of color."

Page 7, line 2, strike "2-3-1203." and substitute "24-34-104.".

Page 7, strike lines 3 through 10 and substitute:

"SECTION 3. In Colorado Revised Statutes, 24-34-104, add
(24)(a)(V) as follows:

24-34-104. General assembly review of regulatory agencies
and functions for repeal, continuation, or reestablishment - legislative
declaration - repeal. (24) (a) The following agencies, functions, or both,
are scheduled for repeal on September 1, 2023:

(V) THE COMMUNITY CRIME SURVIVORS GRANT PROGRAM
CREATED IN SECTION 25-20.5-801;"

Page 7, strike lines 11 through 27.

Strike pages 8 and 9.

Page 10, strike lines 1 through 4.

Page 10, after line 4 insert:

"SECTION 4. In Colorado Revised Statutes, 24-32-120, amend
(5)(c) as follows:

24-32-120. Justice reinvestment crime prevention initiative -
program - rules - reports - repeal. (5) (c) The state treasurer shall
transfer any unexpended and unencumbered money remaining in the fund
at the end of a fiscal year to the general fund NOTWITHSTANDING THE
PROVISIONS OF SUBSECTIONS (5)(d) AND (5)(e) OF THIS SECTION AND
SUBJECT TO ANNUAL APPROPRIATION BY THE GENERAL ASSEMBLY, THE
DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT MAY EXPEND MONEY
FROM THE FUND TO IMPLEMENT HOUSE BILL 18-1409, ENACTED IN 2018.
ANY UNEXPENDED AND UNENCUMBERED MONEY FROM AN APPROPRIATION
MADE PURSUANT TO THIS SUBSECTION (5)(c) REMAINS AVAILABLE FOR
EXPENDITURE BY THE DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT
IN THE NEXT FISCAL YEAR WITHOUT FURTHER APPROPRIATION.

SECTION 5. Appropriation. For the 2018-19 state fiscal year,
$1,761,140 is appropriated to the department of public health and
environment. This appropriation is from the parole savings fund created
in section 24-32-120, C.R.S., and is based on an assumption that the
department will require an additional 0.5 FTE. To implement this act, the
department may use this appropriation for funding to eligible entities that
provide support services to crime survivors and other interventions that

The Honorable Colorado House of Representatives
Seventy-First General Assembly
Second Regular Session
State Capitol Building
Denver, Colorado 80203
Ladies and Gentlemen:

It is my honor to inform you that I have approved and filed with the Secretary of State the following Act:

Approved April 30, 2018 at 1:28 p.m.

The FY 2018-19 budget, along with the expected accompanying legislative package, reflects the spirit of collaboration and compromise among the members of the General Assembly and many other individuals to find agreement on a balanced budget that benefits the entire state. The current economic vibrancy we are experiencing allows us to allocate new resources to several important priorities and initiatives.

Notable highlights include:

- **K-12 Education** — With the anticipated passage of the Public School Finance Act, funding for primary and secondary education will increase with inflation and enrollment over the prior year. In addition, the budget stabilization factor is reduced to $672.4 million for FY 2018-19, $150.0 million below the $822.4 million contained in the FY 2017-18 appropriation. Rural schools will be allocated an additional $30 million.

- **Higher Education** — The budget provides $135.1 million total funds (including $75.7 million General Fund) to limit tuition increases, to increase student supports, and to offer additional financial aid.

- **Nurse Compensation** — The budget includes $15.4 million total funds to adjust salaries to be more aligned with the market for direct care positions, including registered nurses, at the mental health institutes at Fort Logan and Pueblo. These increases are expected to encourage staff retention, reduce mandatory overtime, and contribute to a safe patient-to-staff ratio. While we are appreciative of the funding provided for our mental health hospitals and ongoing funding for regional centers, the pay for direct care positions is out of alignment at other state 24-hour facilities within the Department of Human Services including Veterans Community Living Centers and Division of Youth Services facilities. We hope that compensation at these facilities can be addressed in future legislative sessions to better serve our most vulnerable citizens.

- **Competency to Stand Trial Evaluations and Restorations** — The mental health institutes have been experiencing an increased demand in court-ordered competency services. A total of $10.0 million General Fund and 12.9 FTE is included for a variety of initiatives that would help alleviate wait lists, which will also help the Department of Human Services comply with the terms of a settlement agreement. Additionally, $7.9 million General Fund is set aside for related legislation pending before the legislature, intended to promote systemic change and relieve some of the pressure on the Department to provide inpatient services, which are often not clinically necessary.
• State Employees — The budget includes $59.7 million total funds (including $33.2 million General Fund) to provide an across the board salary increase of 3.0 percent for state employees. The budget also provides sufficient funding to keep premiums for health, life and dental benefits from increasing in FY 2018-19.

• Pay for Success — H.B. 18-1323 provides the Office of State Planning and Budgeting with $1.4 million total funds in FY 2018-19 ($6.3 million in total funds over 4 years) to carry out pilot programs with reimbursements partially based on achievement of outcomes. These programs are designed to reduce youth involvement with the justice system, reduce out of home placement of youth, and improve on-time high school graduation rates.

While we applaud these achievements, much work remains in the final days of the legislative session. Several issues remain unfinished that impact the FY 2018-19 budget package and beyond. We stand ready to work with you on the following essential items:

• Transportation, S.B. 18-001 / H.B. 18-1340 — With additional revenue resulting from the recent federal tax legislation and positive economic conditions, the State has the opportunity to address critical infrastructure needs for Colorado’s transportation system. The General Assembly has $495 million General Fund earmarked for this purpose and we urge bipartisan compromise on this pressing issue.

• PERA, S.B. 18-200 — The General Assembly is currently considering legislation to make critical reforms to PERA, and $225 million General Fund is set aside to cover the cost of these reforms. A solvent pension fund and a solution that is fair to all stakeholders are very much in the State’s interest.

• General Fund Reserve — As we noted in our April 18, 2018 letter to the Joint Budget Committee, we are requesting to work with the General Assembly on prioritizing an increase to the General Fund reserve. We are pleased that the Joint Budget Committee has started the process. We continue to believe that a 10 percent reserve is a target that should be statutorily required over a reasonable period of years after FY 2018-19. We must take advantage of this opportunity as well as the current economic vibrancy to improve the State’s resiliency.

• Prison Capacity — In the current budget, utilization targets have been set by the Joint Budget Committee for parole releases, Community Corrections releases, and ISP-I releases. While there is a possibility that these targets would alleviate the need for new prison capacity, current forecasts show that we should be ready for new inmates over the next two years. Additional prison capacity will likely be necessary. Our expectation is for continued attention to this issue from the Executive and Legislative branches. The $11 million General Fund set aside for these issues must remain intact in case new capacity is needed.

Concerns with H.B. 18-1322 Footnotes
It is the Governor’s constitutional obligation to review the general appropriations bill and exercise the line item veto when necessary. We recognize and appreciate the legitimate and reasonable expression by the General Assembly of the intent associated with certain appropriations contained in the FY 2018-19 Long Bill. In fact, many of these expressions of intent are
based on information contained within the Executive Branch budget requests. In general, we interpret most of these expressions of intent as different from attempts to administer appropriations or to pursue substantive law via the general appropriations bill. Thus, we have not vetoed any of the footnotes in H.B. 18-1322:

While the Legislature has the prerogative to express its intent, the Executive Branch maintains the clear and inherent responsibility to administer appropriations (see Colorado General Assembly v. Owens, 136 P.3d 262 (Colo. 2006); Colorado General Assembly v. Lamm, 704 P.2d 1371 (Colo. 1985); and Anderson v. Lamm, 195 Colo. 437, 579 P.2d 620 (1978)). For this reason, we have directed Executive Branch agencies to comply with the intent of the footnotes contained in H.B. 18-1322 only to the extent practicable and appropriate.

Moreover, if operational needs dictate otherwise, the Executive Branch will not be constrained by any limitations implied within any of the Long Bill footnotes. In particular, many footnotes in H.B. 18-1322 may constitute attempts by the General Assembly to administer the appropriation, including:

- those that indicate dollar amounts for expenditure in specific programs or for specific purposes; and
- those that indicate specific expectations for programmatic expenditures or activities.

As such, Executive Branch agencies may deviate from the intent expressed in any footnote as necessary.

Four footnotes included in H.B. 18-1322 are of particular concern to us:

- **Footnote 41, Page 120:** Department of Human Services, Office of Early Childhood, Division of Community and Family Support, Early Childhood Mental Health Services – It is the General Assembly's intent that this appropriation be used for the purpose of supporting early childhood mental health specialists in each community mental health center.

  Our administration agrees with the intent of this footnote, and the Department of Human Services (DHS) will make every reasonable effort to ensure that each community mental health center (CMHC) will choose to employ early childhood mental health specialists. However, because the State secures the services of CMHCs through a competitive procurement process, we cannot guarantee that each CMHC will respond satisfactorily to the procurement solicitations issued by DHS. The Department will conduct targeted outreach to each of the CMHCs to encourage their participation in this effort.

- **Footnote 48, Page 121:** Department of Human Services, Office of Self Sufficiency, Special Purpose Welfare Programs, Food Distribution Program – Of this amount, it is the General Assembly's intent that $500,000 General Fund go to a Colorado-based community foundation as part of the department's responsibilities under Section 26-1-121, C.R.S., to distribute funds to requesting food pantries and food banks, not to exceed $50,000 per entity per year, such funds to be used for the purchase of Colorado grown foods that meet the Colorado Proud
definition and any associated costs, such as transportation and cold storage. This amount is calculated based on the assumption that the Colorado-based community foundation will receive up to 5.0 percent of the total allocation for costs associated with program administration and that entities receiving funds will use no more than 10.0 percent of these funds for indirect costs associated with the purchase of Colorado grown foods including, but not limited to, transportation, refrigeration, and storage.

This footnote attempts to administer the appropriation by directing the allocation of funding to certain entities for purchase of certain products. The Department will consider complying with the intent of the footnote, but will assess how best to administer the funds as it determines its costs for the program and how to best meet the needs of both the Coloradans using the Food Distribution program and community agencies.

• **Footnote 50, Page 121:** Department of Human Services, Office of Behavioral Health, Integrated Behavioral Health Services, Rural Co-occurring Disorder Services — It is the General Assembly's intent that of this appropriation $1,045,884 cash funds from the Marijuana Tax Cash Fund be used for the purpose of providing a full continuum of co-occurring behavioral health treatment services in southern Colorado and the Arkansas Valley.

The Department of Human Services will first explore contracts with Managed Service Organizations that cover Southern Colorado to provide a full continuum of co-occurring behavioral health treatment services. If this is not feasible, the Department will proceed with a competitive procurement process. While the Department will comply with the intent of this footnote, it cannot guarantee that vendors will respond to its procurement solicitation with satisfactory offers to provide acceptable services in the specified geographical areas.

• **Footnote 91, Page 217:** Department of Public Health and Environment, Administration and Support, Administration, Leave Payouts — It is the intent of the General Assembly that the Department use this line item to pay leave payouts for cash funded and federal funded employees only.

This footnote attempts to administer the appropriation. The Department of Public Health and Environment will observe existing State and federal rules in the use of indirect cost recoveries for leave payouts, and will comply with the intent of this footnote only when practicable.

As in recent years, we also remain concerned with the General Assembly’s inclusion of full-time equivalent positions (FTE) within the general appropriations act. The Colorado Supreme Court’s opinion in *Anderson v. Lamm*, 195 Colo. 437, 579 P.2d 620 (1978) clearly states that “specific staffing and resource allocation decisions” in a general appropriations bill are unconstitutional. The Supreme Court affirmed this finding in *Colorado General Assembly v. Owens*, 136 P.3d 262 (Colo. 2006). Further, it remains our opinion that any predetermined prescription of FTE authorization limits the ability of State agencies to make the most resource-effective use of appropriations to
accomplish critical performance objectives.

Therefore, Executive Branch agencies are instructed to manage their appropriations within the scope of the dollars appropriated in H.B. 18-1322 and without limitation by the bill’s FTE authorizations.

Closing Comments

We would like to express our enduring gratitude for the work performed by the Joint Budget Committee members, the Joint Budget Committee staff, the staff of the Office of State Planning and Budgeting, and the scores of budget analysts throughout Colorado’s government for their tireless commitment to the betterment of Colorado.

Sincerely,

(signed)

Marilyn Eddins,
Chief Clerk of the House

April 30, 2018

The Honorable Colorado House of Representatives
General Assembly
State Capitol
200 E. Colfax Ave.
Denver, CO 80203

Dear Members of the Colorado House of Representatives:

Today we filed with the Secretary of State House Bill 18-1093, “Concerning The Allowable Uses Of Reclaimed Domestic Wastewater, and, In Connection Therewith, Allowing Reclaimed Domestic Wastewater To Be Used For Food Crops And Making An Appropriation” (“HB 18-1093”). As I am neither signing nor vetoing HB 18-1093, its provisions will take effect on the effective dates set out in the bill. This letter sets forth my reasons for allowing HB 18-1093 to become law absent my signature.

HB 18-1093 codifies Water Quality Control Commission (“Commission”) rules on allowable uses of reclaimed domestic wastewater and adds food crop irrigation as an allowable use. While we agree with the proponents’ goals, we raise two primary concerns. First, the Commission is charged with adopting standards to protect water quality, and, most importantly, public health. The Commission should have authority to consider all relevant scientific evidence and set appropriate rules to protect public health and the environment. The bill circumvents this established regulatory process. Placing water quality standards in statute prevents the Commission from adjusting those standards when presented with new critical scientific evidence, unless within a narrow exception. We are grateful for the sponsors’ willingness to incorporate some adjustments retaining the Commission’s ability to set more stringent standards to protect public health. Yet we still remain concerned that these exceptions are too limited.

Second, the bill sets standards for water reuse not clearly suited to edible crop irrigation. With the bill’s standards, there is a potential for pathogen development. If this occurs and impacts irrigation of crops, such pathogens might result in health impacts. This potential underscores the need to provide the Commission full authority to weigh all scientific evidence to assure Coloradans are fully protected from such exposure. This is especially true for the bill’s purposes to support food crop development.

Despite these issues, we allow this bill to become law due to its strong potential to alleviate growing strains on our limited water resources. With the adoption of the Colorado Water Plan in 2015, we set goals and strategies to manage our resources in light of our growing water needs. To meet these challenges, the Plan explores methods to advance water conservation, reuse, alternative agricultural transfers, and collaborative projects while protecting the
health of rivers, streams, and watersheds. By promoting the use of reclaimed water, the bill’s goals are very consistent with those of the Water Plan.

Future legislation should continue to meet these goals. However, safety standards should be made and updated by water quality control experts and practitioners on the Commission, based on sound scientific evidence and data - not narrowly prescribed in statute by elected officials, in which future safety adjustments are limited to the legislature’s 120-day calendar.

For these reasons, I allowed HB 18-1093 to become law without my signature.

Sincerely,

(signed)
John W. Hickenlooper
Governor

(b) A POWERSPORTS VEHICLE DEALER MAY REQUEST IN WRITING, NOT MORE OFTEN THAN ONCE ANNUALLY, AN INCREASE IN COMPENSATION FOR LABOR AT THE RETAIL LABOR RATE FOR WARRANTY OBLIGATIONS.

(c) A POWERSPORTS VEHICLE DEALER MAY REQUEST IN WRITING, NOT MORE OFTEN THAN ONCE ANNUALLY, AN INCREASE IN COMPENSATION FOR PARTS AT THE RETAIL PARTS MARKUP PERCENTAGE FOR WARRANTY OBLIGATIONS.

(d) (I) A MANUFACTURER MAY CONDUCT A PERIODIC REVIEW OF A POWERSPORTS VEHICLE DEALER’S SERVICE RECORDS TO VERIFY THE CONTINUING ACCURACY OF THE RETAIL LABOR RATE OR RETAIL PARTS MARKUP PERCENTAGE PROPOSED BY OR IN EFFECT FOR THE DEALER.

(II) A MANUFACTURER SHALL NOT CONDUCT A PERIODIC REVIEW MORE THAN ONCE PER CALENDAR YEAR. THIS PERIODIC REVIEW IS NOT AN AUDIT IN ACCORDANCE WITH SECTION 12-6-126.

(6) (a) (I) IF THE SUBMITTED CALCULATION OF THE RETAIL LABOR RATE OR RETAIL PARTS MARKUP PERCENTAGE IS MATERIALLY INACCURATE OR IS SUBSTANTIALLY DIFFERENT THAN THE RATE OF OR PERCENTAGE OF OTHER SIMILARLY SITUATED SAME LINE-MAKE DEALERS WITHIN THE STATE, A MANUFACTURER MAY CONTEST THE POWERSPORTS VEHICLE DEALER’S SUBMITTED CALCULATIONS OF THE RETAIL LABOR RATE OR RETAIL PARTS MARKUP PERCENTAGE BY DELIVERING A NOTICE TO THE POWERSPORTS VEHICLE DEALER WITHIN FORTY-FIVE DAYS AFTER RECEIVING THE SUBMISSION IN ACCORDANCE WITH SUBSECTION (3) OF THIS SECTION FROM THE POWERSPORTS VEHICLE DEALER. TO COMPLY WITH THIS SUBSECTION (6), THE NOTICE MUST:

(A) INCLUDE AN EXPLANATION OF THE REASONS THAT THE MANUFACTURER BELIEVES THE CALCULATION IS SUBJECT TO CONTEST;

(B) PROVIDE EVIDENCE SUBSTANTIATING THE MANUFACTURER’S POSITION; AND

(C) PROPOSE AN ADJUSTMENT OF THE CONTESTED RETAIL LABOR RATE OR RETAIL PARTS MARKUP PERCENTAGE.

(II) UPON THE DISCOVERY OF NEW RELEVANT INFORMATION BY THE MANUFACTURER, THE MANUFACTURER MAY MODIFY THE GROUNDS FOR CONTESTING THE RETAIL LABOR RATE OR RETAIL PARTS MARKUP PERCENTAGE AFTER DELIVERING THE NOTICE TO THE POWERSPORTS VEHICLE DEALER UNDER THIS SUBSECTION (6), BUT THE MODIFICATION DOES NOT CHANGE THE TIMING REQUIREMENTS IN THIS SECTION.

(b) IF THE MANUFACTURER DOES NOT TIMELY CONTEST THE POWERSPORTS VEHICLE DEALER’S CALCULATION OF THE RETAIL LABOR RATE OR RETAIL PARTS MARKUP PERCENTAGE IN ACCORDANCE WITH THIS SUBSECTION (6), THE UNCONTESTED RETAIL LABOR RATE OR RETAIL PARTS MARKUP PERCENTAGE BECOMES EFFECTIVE FORTY-FIVE DAYS AFTER THE MANUFACTURER HAS RECEIVED THE SUBMISSION FROM THE POWERSPORTS VEHICLE DEALER, AND THEREAFTER, THE MANUFACTURER SHALL USE THE POWERSPORTS VEHICLE DEALER’S INCREASED RETAIL LABOR RATE AND RETAIL PARTS MARKUP PERCENTAGE IN CALCULATING COMPENSATION FOR WARRANTY OBLIGATIONS UNTIL A SUBSEQUENT CALCULATION OF THE POWERSPORTS VEHICLE DEALER’S RETAIL LABOR RATE OR RETAIL PARTS MARKUP PERCENTAGE IS ESTABLISHED IN ACCORDANCE WITH THIS SECTION.

(c) (I) IF THE MANUFACTURER TIMELY CONTESTS THE POWERSPORTS VEHICLE DEALER’S CALCULATION OF THE RETAIL LABOR
RATE OR RETAIL PARTS MARKUP PERCENTAGE AND THE MANUFACTURER
AND POWERSPORTS VEHICLE DEALER ARE UNABLE TO RESOLVE THE
DISAGREEMENT, THE POWERSPORTS VEHICLE DEALER MAY SEEK A
determination by filing a complaint with a court of competent
jurisdiction or the executive director no later than sixty days
after the new powersports vehicle dealer receives the
manufacturer's challenge to the determined retail labor rate
or retail parts markup percentage.

(II) In a court proceeding, the court shall determine, in
accordance with this section, the proper retail labor rate or
retail parts markup percentage.

(III) Any retail labor rate or retail parts markup
percentage established through the proceeding applies
retroactively to calculate reimbursement for any labor and
part beginning thirty days after the manufacturer received the
submission required by subsection (3) of this section.

(IV) If the manufacturer contests the powersports
vehicle dealer's calculation of the retail labor rate or retail
parts markup percentage, the manufacturer shall continue to
reimburse the powersports vehicle dealer for warranty
obligation repairs at the retail labor rate and retail parts
markup percentage as both existed before the powersports
vehicle dealer submitted a request for an increase under
subsection (5) of this section. When the manufacturer and
powersports vehicle dealer agree on the retail labor rate or
retail parts markup percentage, the manufacturer shall pay
any difference between the amount the manufacturer
compensated the dealer and the amount agreed to by the
powersports vehicle dealer and manufacturer as of thirty days
after the manufacturer received the submission required by
subsection (3) of this section.

(d) In the court proceeding, the court shall award the
prevailing party reasonable attorney fees and costs. If the
powersports vehicle dealer prevails, the court shall award as
damages the full amount of reimbursement that should have
been paid to the powersports vehicle dealer.

(7) When calculating the retail labor rate and the retail
parts markup percentage, the manufacturer:

(a) shall not establish an unreasonable flat-rate time,
or establish unreasonable flat-rate labor times for new
line-makes that are inconsistent with the existing rates;
(b) shall, if the manufacturer furnishes a part to a
powersports vehicle dealer at no cost for use in performing a
repair under a warranty obligation, compensate the
powersports vehicle dealer for the authorized repair part by
paying the dealer an amount equal to the retail parts markup
percentage multiplied by the cost the dealer would have paid
for the authorized part as listed in the manufacturer's price
schedule;
(c) shall not establish a different part number for repairs
made in accordance with a warranty obligation than the part
number established for nonwarranty repairs solely to provide
a lower compensation to a powersports vehicle dealer;
(d) shall not recover or attempt to recover, directly or
indirectly, in whole or in part, any of its costs from the
powersports vehicle dealer for compensating the powersports
VEHICLE DEALER UNDER THIS SECTION; (e) SHALL NOT, DIRECTLY OR INDIRECTLY, IN WHOLE OR IN PART, ASSESS PENALTIES OR SURCHARGES TO THE POWERSPORTS VEHICLE DEALER, LIMIT ALLOCATION OF POWERSPORTS VEHICLES OR PARTS TO THE POWERSPORTS VEHICLE DEALER, OR TAKE ANY ADVERSE ACTION BASED ON THE POWERSPORTS VEHICLE DEALER'S EXERCISE OF THE DEALER'S RIGHTS UNDER THIS SECTION; (f) SHALL NOT REQUIRE FROM A POWERSPORTS VEHICLE ANY INFORMATION THAT IS UNDULY BURDENSOME OR TIME CONSUMING TO OBTAIN, INCLUDING ANY PART-BY-PART OR TRANSACTION-BY-transaction calculations. (8) NOTHING IN THIS SECTION PROHIBITS A MANUFACTURER FROM INCREASING THE PRICE OF A POWERSPORTS VEHICLE OR POWERSPORTS VEHICLE PART IN THE NORMAL COURSE OF BUSINESS.".

"SECTION 1. In Colorado Revised Statutes, 24-72-305, amend (5) as follows:
24-72-305. Allowance or denial of inspection - grounds - procedure - appeal. (5) (a) On the ground that disclosure would be contrary to the public interest, and unless otherwise provided by law, the custodian may deny access to records of investigations conducted by or of intelligence information or security procedures of any sheriff, district attorney, or police department or any criminal justice investigatory files compiled for any other law enforcement purpose.
(b) (I) PRIOR TO DETERMINING WHETHER DISCLOSURE WOULD BE
CONTRARY TO THE PUBLIC INTEREST, THE CUSTODIAN SHALL PERFORM AN
INDIVIDUALIZED ANALYSIS OF EACH OF THE SPECIFIC RECORDS REQUESTED
BY BALANCING:

(A) THE PRIVACY INTERESTS OF THE INDIVIDUAL WHO MAY BE
IMPACTED BY A DECISION TO ALLOW INSPECTION;
(B) THE AGENCY’S INTEREST IN KEEPING CONFIDENTIAL
INFORMATION CONFIDENTIAL;
(C) THE AGENCY’S INTEREST IN PURSUING ONGOING
INVESTIGATIONS WITHOUT COMPROMISING THEM;
(D) THE PUBLIC PURPOSE TO BE SERVED IN ALLOWING INSPECTION;
AND
(E) OTHER PERTINENT CONSIDERATIONS RELEVANT TO THE
PARTICULAR REQUEST.

(II) THE FOLLOWING PROVISIONS ONLY APPLY TO RECORDS
REGARDING AN INTERNAL INVESTIGATION RELATED TO THE ON-DUTY OR
IN-UNIFORM CONDUCT OF A PEACE OFFICER, AS DESCRIBED IN PART 1 OF
ARTICLE 2.5 OF TITLE 16, INVOLVING A MEMBER OF THE PUBLIC:

(A) WHEN THE CUSTODIAN IS PERFORMING THE BALANCING TEST

CONDUCT OF A PEACE OFFICER, AS DESCRIBED IN PART 1 OF ARTICLE 2.5 OF
TITLE 16, INVOLVING A MEMBER OF THE PUBLIC, THE CUSTODIAN SHALL
ADHERE TO THE FOLLOWING PRINCIPLES. THERE IS A COMPELLING PUBLIC
INTEREST IN PUBLIC INSPECTION OF COMPLETED INTERNAL INVESTIGATION
FILES RELATED TO A PEACE OFFICER’S ON-DUTY OR IN-UNIFORM CONDUCT
INVOLVING A MEMBER OF THE PUBLIC; PUBLIC ACCESS TO INTERNAL
INVESTIGATION FILES ENHANCES THE EFFECTIVENESS OF INTERNAL
INVESTIGATIONS, RATHER THAN IMPAIRING THEM; AND TRANSPARENCY
ENHANCES PUBLIC CONFIDENCE IN THE AGENCY. PEACE OFFICERS DO NOT
HAVE A LEGITIMATE EXPECTATION OF PRIVACY IN ON-DUTY OR
IN-UNIFORM CONDUCT INVOLVING A MEMBER OF THE PUBLIC.

(B) IF, AFTER PERFORMING THE BALANCING TEST IN SUBSECTION
(5)(b)(I) OF THIS SECTION, THE CUSTODIAN MAKES A PRELIMINARY
DETERMINATION THAT THE FACTORS WEIGH AGAINST RELEASE, THE
CUSTODIAN SHALL CONSIDER WHETHER REDACTION OF THE RECORDS
WOULD SATISFY THIS SECTION’S OBJECTIVE OF DISCLOSURE WHILE ALSO
ADDRESSING PRIVACY CONCERNS. THE CUSTODIAN SHALL REDACT
SPARINGLY IN ORDER TO MAXIMIZE THE AMOUNT OF INFORMATION
AVAILABLE TO THE PUBLIC.

(C) IF, AFTER PERFORMING THE REQUIRED BALANCING TEST AND
CONSIDERING REDACTION, THE CUSTODIAN DETERMINES THAT THE
FACTORS WEIGH AGAINST RELEASE, THE CUSTODIAN MAY DENY
DISCLOSURE OF THE RECORDS OR ANY PORTION THEREOF.

(D) IF THE CUSTODIAN DENIES DISCLOSURE OF THE RECORDS,
THE CUSTODIAN SHALL UPON REQUEST PROVIDE THE REQUESTER WITH A
WRITTEN EXPLANATION OF THE BASIS FOR THE DENIAL AS TO EACH
RECORD DENIED, INCLUDING ARTICULATION OF THE CUSTODIAN’S
BALANCING OF THE PUBLIC AND PRIVATE INTERESTS.

(E) ANY POLICY, RULE, OR LAW THAT REQUIRES CUSTODIANS TO
DENY ALL REQUESTS FOR INSPECTIONS OF RECORDS OF CLOSED INTERNAL
INVESTIGATIONS RELATED TO THE ON-DUTY OR IN-UNIFORM CONDUCT OF
A PEACE OFFICER, AS DESCRIBED IN PART 1 OF ARTICLE 2.5 OF TITLE 16,
INVOLVING A MEMBER OF THE PUBLIC IS VOID; EXCEPT THAT THE
CUSTODIAN OF AN INTERNAL INVESTIGATION MAY DENY INSPECTION OF
THE RECORDS IF THE INSPECTION IS PROHIBITED BY RULES PROMULGATED
BY THE SUPREME COURT OR BY A COURT ORDER.
SECTION 2. Act subject to petition - effective date. This act
takes effect at 12:01 a.m. on the day following the expiration of the
ninety-day period after final adjournment of the general assembly (August
8, 2018, if adjournment sine die is on May 9, 2018); except that, if a
referendum petition is filed pursuant to section 1(3) of article V of the
state constitution against this act or an item, section, or part of this act
within such period, then the act, item, section, or part will not take effect
unless approved by the people at the general election to be held in
November 2018 and, in such case, will take effect on the date of the
official declaration of the vote thereon by the governor."

After consideration on the merits, the Committee recommends the following:

SB18-001  be amended as follows, and as so amended, be referred to the Committee on Finance with favorable recommendation:

Amend reengrossed bill, strike everything below the enacting clause and substitute:

"SECTION 1. Legislative declaration. (1) The general assembly hereby finds and declares that:
   (a) Colorado's population is expected to increase to over six million nine hundred thousand by 2030;
   (b) Population growth has significantly increased traffic and congestion and will continue to do so in the future, causing longer travel times, increasing air pollution, decreasing Coloradans' access to recreational opportunities, and accelerating the deterioration of Colorado's transportation infrastructure;
   (c) The growth of the economy of the state has prompted new and ever-increasing uses of public highways, roads, and other transportation infrastructure, and the existing transportation infrastructure of the state cannot accommodate such greatly increased uses;
(d) In order to preserve and improve Colorado's economic
prosperity and quality of life, it is necessary to develop and maintain a
modern, efficient, and cost-effective multimodal transportation system
that can move people, goods, and information without undue delays or
environmental consequences;
(e) One of the major concerns of the citizens of the state is the
ability of the state and local governments to address the long-term
transportation infrastructure needs of the state that are critical to the
continued growth of the state's economy and the maintenance of citizens'
quality of life;
(f) The state has significantly decreased its contribution of general
state revenue available in recent years to fund critical priority
transportation infrastructure needs, and current transportation funding
mechanisms do not provide adequate revenue to keep pace with the
increasing demands on transportation infrastructure statewide;
(g) Needed transportation projects remain unfunded or
underfunded while construction costs escalate and congestion worsens;
(h) In 1999, the general assembly and the voters of the state
approved Referendum A, which authorized the state to issue
transportation revenue anticipation notes to accelerate the funding and
completion of twenty-eight strategic transportation projects in significant
corridors, including the T-REX project, the highly successful expansion
and congestion mitigation project for the Interstate 25 corridor in the
Denver metropolitan area;
(i) The success of the 1999 transportation revenue anticipation
notes program shows that leveraging existing revenue is a prudent and
cost-effective means to accelerate and deliver transportation projects
throughout the state;
(j) In 2017, the general assembly enacted Senate Bill 17-267,
which:
(I) Requires the state to enter into lease-purchase agreements for
state facilities in the amount of three hundred eighty million dollars
during the 2018-19 state fiscal year and five hundred million dollars
during each of the 2019-20, 2020-21, and 2021-22 state fiscal years in
order to accelerate the funding of high-priority transportation projects
throughout the state; and
(II) Significantly increases the amount of money that the state may
retain and spend under its fiscal year spending limit;
(k) While the lease-purchase agreements required by Senate Bill
17-267 will provide some increased funding for transportation, such
agreements leverage state capital assets, rather than state revenue, and, to
the extent currently authorized, provide less total funding than
transportation revenue anticipation notes can;
(l) If the state enters into all of the lease-purchase agreements
required by Senate Bill 17-267, the state will be required to spend
approximately one hundred fifty million dollars per year, including one
hundred million dollars per year from the state general fund and fifty
million dollars per year from money under the control of the
transportation commission, to repay the lease-purchase agreements;
(m) It is necessary, in order to avoid delaying critical
transportation projects that are expected to be funded in part with
proceeds of lease-purchase agreements to be issued during the 2018-19
state fiscal year, for the state to enter into lease-purchase agreements as
required by Senate Bill 17-267 during the 2018-19 state fiscal year;
(n) It is also necessary, appropriate, and in the best interest of the
state to:
(I) Repeal the requirement that the state enter into additional lease-purchase agreements during the 2019-20, 2020-21, and 2021-22 state fiscal years;

(II) If required statewide voter approval can be obtained for a ballot issue submitted by the state that authorizes the state to issue transportation revenue anticipation notes as specified in this act, use transportation revenue anticipation notes instead of lease-purchase agreements to finance transportation projects because doing so will generate a larger amount of up-front revenue for the projects and will enable the state to design and construct the projects more efficiently; and

(III) Use the money that will no longer be needed to repay lease-purchase agreements, as well as a portion of the additional general fund money that the state may retain and spend under its fiscal year spending limit due to the enactment of Senate Bill 17-267, to repay the transportation revenue anticipation notes; and

(o) The issuance of new transportation revenue anticipation notes in lieu of the execution of lease-purchase agreements will accelerate the funding and efficient completion of specific and designated projects, including multimodal transportation projects, throughout the state that the Colorado department of transportation and the transportation planning regions of the state have determined to be of highest priority and economically significant to the state and the regions in which they will be built.

(2) The general assembly further finds and declares that:

(a) This act does not increase taxes or fees or refer a ballot issue to the voters of the state seeking their approval to raise taxes or fees;

(b) Private citizens have proposed ballot measures by initiative, one or more of which may be placed on the ballot for the November 2018 general election, which, if approved by the voters of the state, will authorize the state to issue transportation revenue anticipation notes to provide additional funding for transportation infrastructure projects; and

(c) If such a citizen-initiated ballot measure is not placed on the ballot for the November 2018 general election or if the voters reject every such ballot measure that is placed on that ballot, it is necessary and appropriate for the state to refer a ballot issue that authorizes the state to issue transportation revenue anticipation notes to the voters of the state at the November 2019 statewide election as specified in this act.

SECTION 2. In Colorado Revised Statutes, 24-75-219, add (1)(g), (1)(h), and (5) as follows:

24-75-219. Transfers - transportation - capital construction - definitions - repeal. (1) As used in this section, unless the context otherwise requires:

(g) "MULTIMODAL TRANSPORTATION OPTIONS FUND" MEANS THE MULTIMODAL TRANSPORTATION OPTIONS FUND CREATED IN SECTION 43-4-1103 (1).

(h) "STATE HIGHWAY FUND" MEANS THE STATE HIGHWAY FUND CREATED IN SECTION 43-1-219.

(5) (a) ON JULY 1, 2018, THE STATE TREASURER SHALL TRANSFER A TOTAL AMOUNT OF FOUR HUNDRED NINETY-FIVE MILLION DOLLARS FROM THE GENERAL FUND FOR THE PURPOSES OF FUNDING STATE AND LOCAL TRANSPORTATION NEEDS AS FOLLOWS:

(I) TWO HUNDRED NINETY-SEVEN MILLION DOLLARS TO THE STATE HIGHWAY FUND;

(II) ONE HUNDRED TWENTY-THREE MILLION SEVEN HUNDRED FIFTY THOUSAND DOLLARS TO THE HIGHWAY USERS TAX FUND FOR ALLOCATION TO COUNTIES AND MUNICIPALITIES AS SPECIFIED IN SECTION
43-4-205 (6.4); and

(III) Seventy-four million two hundred fifty thousand dollars to the multimodal transportation options fund,

(a) The old Spanish trail was an east to west trail that connected Santa Fe, New Mexico, and Los Angeles, California, from 1829 to 1848. The trail utilized an existing network of trails formed and used by American Indian tribes in the modern-day New Mexico, Colorado, and Utah areas.

(b) The trail, which skirted around the Grand Canyon, crossed large sand dunes, and led into harsh deserts, was mainly used as an
extensive trade route. Sheep and high quality woolen goods from New Mexico were traded for a surplus supply of horses and mules raised in California.

(c) The trail was also used by travelers in search of wealth and fertile lands. Travel along the old Spanish trail allowed for increased cultural interaction in the region. Spanish missions used the trail to help strengthen their influence.

(d) Among these travelers, traders, and missionaries were also outlaws and raiders who captured the vulnerable and sold them into slavery. At that time, all ethnicities in the region participated in the forced labor market.

(e) The history of this region is rich and includes both negative and positive impacts that should not be forgotten or ignored, but should be studied and understood.

(a) The old Spanish trail was an east to west trail that connected Santa Fe, New Mexico, and Los Angeles, California, from 1829 to 1848. The trail utilized an existing network of indigenous trails formed and used by American Indian tribes in the modern-day New Mexico, Colorado, and Utah areas.

(b) The trail, which skirted around the Grand Canyon, crossed large sand dunes, and led into harsh deserts, was mainly used as an extensive trade route. Sheep and high quality woolen goods from New Mexico were traded for a surplus supply of horses and mules raised in California.

(c) The trail was also used by travelers in search of wealth and fertile lands. Travel along the old Spanish trail allowed for increased cultural interaction in the region. Spanish missions used the trail to help strengthen their influence.

(d) Among these travelers, traders, and missionaries were also outlaws and raiders who captured the vulnerable and sold them into slavery. At that time, all ethnicities in the region participated in the slave trade.

(e) Many American Indian slaves, or genízaros, were captured by traders and trappers along the route and were sold at the conclusion of the route in California and New Mexico.

(f) The history of this region is rich and includes both negative and positive impacts that should not be forgotten or ignored, but should be studied and understood.

(2) Now, therefore, it is the intent of the general assembly to recognize the complex history of the old Spanish trail and present the full history to the public for educational purposes.".".

"Amend reengrossed bill, strike everything below the enacting clause and substitute:

"SECTION 1. Legislative declaration. (1) The general assembly hereby finds and declares that:
(a) Colorado's population is expected to increase to over six million nine hundred thousand by 2030;
(b) Population growth has significantly increased traffic and congestion and will continue to do so in the future, causing longer travel times, increasing air pollution, decreasing Coloradans' access to recreational opportunities, and accelerating the deterioration of Colorado's transportation infrastructure;
(c) The growth of the economy of the state has prompted new and ever-increasing uses of public highways, roads, and other transportation infrastructure, and the existing transportation infrastructure of the state cannot accommodate such greatly increased uses;
(d) In order to preserve and improve Colorado's economic prosperity and quality of life, it is necessary to develop and maintain a modern, efficient, and cost-effective multimodal transportation system that can move people, goods, and information without undue delays or environmental consequences;
(e) One of the major concerns of the citizens of the state is the ability of the state and local governments to address the long-term transportation infrastructure needs of the state that are critical to the continued growth of the state's economy and the maintenance of citizens' quality of life;

(f) The state has significantly decreased its contribution of general state revenue available in recent years to fund critical priority transportation infrastructure needs, and current transportation funding mechanisms do not provide adequate revenue to keep pace with the increasing demands on transportation infrastructure statewide;

(g) Needed transportation projects remain unfunded or underfunded while construction costs escalate and congestion worsens;

(h) With the combination of changes to tax policy and a forecasted growing economy, the state has an opportunity in the upcoming two or three state fiscal years to commit revenue for prioritized state government expenses, including the backlog of transportation needs and the foregone state share of total program funding of K-12 public schools;

(i) In 1999, the general assembly and the voters of the state approved Referendum A, which authorized the state to issue transportation revenue anticipation notes to accelerate the funding and completion of twenty-eight strategic transportation projects in significant corridors, including the T-REX project, the highly successful expansion and congestion mitigation project for the Interstate 25 corridor in the Denver metropolitan area;

(j) The success of the 1999 transportation revenue anticipation notes program shows that leveraging existing revenue is a prudent and cost-effective means to accelerate and deliver transportation projects throughout the state;

(k) In 2017, the general assembly enacted Senate Bill 17-267, which:

(I) Requires the state to enter into lease-purchase agreements for state facilities in the amount of three hundred eighty million dollars during the 2018-19 state fiscal year and five hundred million dollars during each of the 2019-20, 2020-21, and 2021-22 state fiscal years in order to accelerate the funding of high-priority transportation projects throughout the state; and

(II) Significantly increases the amount of money that the state may retain and spend under its fiscal year spending limit;

(l) While the lease-purchase agreements required by Senate Bill 17-267 will provide some increased funding for transportation, such agreements leverage state capital assets, rather than state revenue, and, to the extent currently authorized, provide less total funding than transportation revenue anticipation notes can;

(m) If the state enters into all of the lease-purchase agreements required by Senate Bill 17-267, the state will be required to spend approximately one hundred fifty million dollars per year, including one hundred million dollars per year from the state general fund and fifty million dollars per year from money under the control of the transportation commission, to repay the lease-purchase agreements;

(n) It is necessary, in order to avoid delaying critical transportation projects that are expected to be funded in part with proceeds of lease-purchase agreements to be issued during the 2018-19 state fiscal year, for the state to enter into lease-purchase agreements as required by Senate Bill 17-267 during the 2018-19 state fiscal year;

(o) It is also necessary, appropriate, and in the best interest of the state to:
I) Repeal the requirement that the state enter into additional lease-purchase agreements during the 2019-20, 2020-21, and 2021-22 state fiscal years;

II) If required statewide voter approval can be obtained for a ballot issue submitted by the state that authorizes the state to issue transportation revenue anticipation notes as specified in this act, use transportation revenue anticipation notes instead of lease-purchase agreements to finance transportation projects because doing so will generate a larger amount of up-front revenue for the projects and will enable the state to design and construct the projects more efficiently; and

III) Use the money that will no longer be needed to repay lease-purchase agreements, as well as a portion of the additional general fund money that the state may retain and spend under its fiscal year spending limit due to the enactment of Senate Bill 17-267, to repay the transportation revenue anticipation notes; and

p) The issuance of new transportation revenue anticipation notes in lieu of the execution of lease-purchase agreements will accelerate the funding and efficient completion of specific and designated projects, including multimodal transportation projects, throughout the state that the Colorado department of transportation and the transportation planning regions of the state have determined to be of highest priority and economically significant to the state and the regions in which they will be built.

2) The general assembly further finds and declares that:

a) This act does not increase taxes or refer a ballot issue to the voters of the state seeking their approval to raise taxes;

b) Private citizens have proposed certain transportation funding ballot measures by initiative, one or more of which may be placed on the ballot for the November 2018 general election;

c) All of the citizen-initiated ballot measures, if approved by the voters of the state, will authorize the state to issue transportation revenue anticipation notes to provide additional funding for transportation infrastructure projects, but only some of the measures will also authorize the state to collect additional taxes to provide a source of money to repay the notes;

d) It is necessary and appropriate for the state to refer a ballot issue that authorizes the state to issue transportation revenue anticipation notes to the voters of the state at the November 2019 statewide election as specified in this act if:

I) No citizen-initiated transportation funding ballot measure is placed on the ballot for the November 2018 general election; or

II) The voters reject every citizen-initiated transportation funding ballot measure that is placed on that ballot; and

e) Because the state must fund many high priority needs and has limited resources with which to do so, if the voters of the state approve a citizen-initiated ballot measure at the November 2018 general election that authorizes the state to issue transportation revenue anticipation notes but does not authorize the state to collect additional taxes to provide a source of money to repay the notes and therefore requires the state to divert money from other high priority needs to repay the notes, it will be neither necessary nor appropriate for the state to refer a ballot issue that authorizes the state to issue additional transportation revenue anticipation notes to the voters of the state at the November 2019 statewide election.

SECTION 2. In Colorado Revised Statutes, 24-75-219, add (1)(g), (1)(h), and (5) as follows:

(I) Three hundred forty-six million five hundred thousand dollars to the state highway fund;

(I) (A) If a citizen-initiated ballot issue that authorizes the state to issue transportation revenue anticipation notes but does not authorize the state to collect additional tax revenue for the purpose of providing a revenue source for repayment of the notes is submitted to the registered electors of the state for their approval or rejection at the November 2018 general election and a majority of the electors voting on the ballot issue vote "Yes/For", then, even if another citizen-initiated ballot issue that authorizes the state to issue transportation revenue anticipation notes and also authorizes the state to collect additional tax revenue for the purpose of providing a revenue source for repayment of the notes is submitted to the registered electors of the state for their approval or rejection at the November 2018 general election and a majority of the electors voting on the ballot issue vote "Yes/For", zero dollars;

Strike the Transportation Committee Report, dated May 3, 2018, and substitute:

"Amend reengrossed bill, strike everything below the enacting clause and substitute:

"SECTION 1. Legislative declaration. (1) The general assembly hereby finds and declares that:

(a) Colorado's population is expected to increase to over six million nine hundred thousand by 2030;

(b) Population growth has significantly increased traffic and congestion and will continue to do so in the future, causing longer travel times, increasing air pollution, decreasing Coloradans' access to recreational opportunities, and accelerating the deterioration of Colorado's transportation infrastructure;

(c) The growth of the economy of the state has prompted new and ever-increasing uses of public highways, roads, and other transportation infrastructure, and the existing transportation infrastructure of the state cannot accommodate such greatly increased uses;

(d) In order to preserve and improve Colorado's economic prosperity and quality of life, it is necessary to develop and maintain a modern, efficient, and cost-effective multimodal transportation system that can move people, goods, and information without undue delays or environmental consequences;

(e) One of the major concerns of the citizens of the state is the ability of the state and local governments to address the long-term transportation infrastructure needs of the state that are critical to the continued growth of the state's economy and the maintenance of citizens' quality of life;

(f) The state has significantly decreased its contribution of general state revenue available in recent years to fund critical priority transportation infrastructure needs, and current transportation funding mechanisms do not provide adequate revenue to keep pace with the increasing demands on transportation infrastructure statewide;

(g) State and regional economically significant transportation corridors, and their related congestion relief projects, remain unfunded or underfunded while construction costs escalate and congestion worsens;

(h) In 1999, the general assembly and the voters of the state approved Referendum A, which authorized the state to issue
transportation revenue anticipation notes to accelerate the funding and completion of twenty-eight strategic transportation projects in significant corridors, including the T-REX project, the highly successful expansion and congestion mitigation project for the Interstate 25 corridor in the Denver metropolitan area;

(i) The success of the 1999 transportation revenue anticipation notes program shows that leveraging existing revenue is a prudent and cost-effective means to accelerate and deliver large scale and economically significant transportation projects throughout the state;

(j) In 2017, the general assembly enacted Senate Bill 17-267, which:

(I) Requires the state to enter into lease-purchase agreements for state facilities in the amount of three hundred eighty million dollars during the 2018-19 state fiscal year and five hundred million dollars during each of the 2019-20, 2020-21, and 2021-22 state fiscal years in order to accelerate the funding of high-priority transportation projects throughout the state; and

(II) Significantly increases the amount of money that the state may retain and spend under its fiscal year spending limit;

(k) While the lease-purchase agreements required by Senate Bill 17-267 will provide some increased funding for transportation, such agreements leverage state capital assets, rather than state revenue, and, to the extent currently authorized, provide less total funding than transportation revenue anticipation notes can;

(l) If the state enters into all of the lease-purchase agreements required by Senate Bill 17-267, the state will be required to spend approximately one hundred fifty million dollars per year, including one hundred million dollars per year from the state general fund and fifty million dollars per year from money under the control of the transportation commission, to repay the lease-purchase agreements;

(m) It is necessary, in order to avoid delaying critical transportation projects that are expected to be funded in part with proceeds of lease-purchase agreements to be issued during the 2018-19 state fiscal year, for the state to enter into lease-purchase agreements as required by Senate Bill 17-267 during the 2018-19 state fiscal year;

(n) It is also necessary, appropriate, and in the best interest of the state to:

(I) Repeal the requirement that the state enter into additional lease-purchase agreements during the 2019-20, 2020-21, and 2021-22 state fiscal years;

(II) If required statewide voter approval can be obtained for a ballot issue submitted by the state that authorizes the state to issue transportation revenue anticipation notes as specified in this act, use transportation revenue anticipation notes instead of lease-purchase agreements to finance federal aid transportation projects because doing so will generate a larger amount of up-front revenue for the projects and will enable the state to design and construct the projects more efficiently; and

(III) Use the money that will no longer be needed to repay lease-purchase agreements, as well as a portion of the additional general fund money that the state may retain and spend under its fiscal year spending limit due to the enactment of Senate Bill 17-267, to repay the transportation revenue anticipation notes; and

(o) The issuance of new transportation revenue anticipation notes in lieu of the execution of lease-purchase agreements will accelerate the funding and efficient completion of a greater number of specific and
designated projects throughout the state that the Colorado department of transportation and the transportation planning regions of the state have determined to be of highest priority and economically significant to the state and the regions in which they will be built.

(2) The general assembly further finds and declares that this act does not increase taxes or fees or refer a ballot issue to the voters of the state seeking their approval to raise taxes or fees;

**SECTION 2.** In Colorado Revised Statutes, 24-75-219, add (1)(g), (1)(h), and (5) as follows:

24-75-219. Transfers - transportation - capital construction - definitions - repeal. (1) As used in this section, unless the context otherwise requires:

(g) "MULTIMODAL TRANSPORTATION OPTIONS FUND" MEANS THE MULTIMODAL TRANSPORTATION OPTIONS FUND CREATED IN SECTION 43-4-1103 (1).

(h) "STATE HIGHWAY FUND" MEANS THE STATE HIGHWAY FUND CREATED IN SECTION 43-1-219.

(5) (a) On July 1, 2018, the state treasurer shall transfer a total amount of four hundred ninety-five million dollars from the general fund for the purposes of funding state and local transportation needs as follows:

(I) Three hundred forty-six million five hundred thousand dollars to the state highway fund;

(II) Seventy-four million two hundred fifty thousand dollars to the highway users tax fund for allocation to counties and municipalities as specified in section 43-4-205 (6.4);

and

(III) Seventy-four million two hundred fifty thousand dollars to the multimodal transportation options fund.

(II) For any state fiscal year, if the calculated amount of the transfer from the general fund to the state highway fund to be made on June 30 of the state fiscal year pursuant to subsection (5)(b)(I) of this section exceeds two hundred fifty million dollars, the amount of the transfer is reduced to two hundred fifty million dollars and the state treasurer shall transfer from the general fund an amount equal to the difference between the calculated amount and two hundred fifty million dollars as follows:

(A) Seventy percent of the amount to the state highway fund; and

(B) Thirty percent of the amount to the state education fund for the purpose of allowing the general assembly to increase the state share of statewide total program funding for

(3) DURING ANY STATE FISCAL YEAR, THE AMOUNT OF THE TRANSFER 
REQUIRED BY SUBSECTION (5)(b)(I) OF THIS SECTION IS REDUCED BY AN 
AMOUNT EQUAL TO THE AMOUNT OF THE ALLOCATION FROM THE 
ACCOUNT. 

(B) THIS SUBSECTION (5)(b)(III) IS REPEALED, EFFECTIVE JANUARY 
1, 2019, IF A MAJORITY OF THE REGISTERED ELECTORS OF THE STATE 
VOTING ON THE BALLOT ISSUE AUTHORIZING THE STATE TO ISSUE

"SECTION 4. In Colorado Revised Statutes, add 43-1-125 as follows:

43-1-125. Restriction on tolled and managed lanes - absence of feasible alternatives required - definition. (1) As used in this section, "MANAGED LANE" means a toll lane, a high-occupancy toll lane, or a high-occupancy vehicle lane.

(2) Neither the department nor any enterprise of the department shall construct or designate a managed lane on a state highway or enter into a public-private partnership that includes the construction or designation of a managed lane on a state highway unless:

(a) The department or enterprise, taking safety considerations into account but balancing any safety impacts against the benefits of capacity expansion and congestion relief, has thoroughly evaluated alternative means of increasing the capacity of and reducing traffic congestion on the state highway, including:

(I) Narrowing lanes or shoulders on the existing roadway in order to increase the number of lanes available;

(II) Converting one or more existing lanes, or one or more new lanes resulting from lane or shoulder narrowing, into reversible lanes; and

(III) Optimizing traffic flow through other configurational or operational changes to the state highway, such as:

(A) Weaving section improvements;

(B) Interchange modification and, if applicable, other access point modifications;

(C) One or more dedicated bus or truck lanes; and

(D) If the state highway includes traffic signals, optimization of traffic flow through traffic signal coordination or use of adaptive traffic signals; and

(b) The department or enterprise has published detailed written data-based findings that clearly establish that when compared to the addition of one or more managed lanes, all of the alternatives evaluated are unfeasible to implement or too unsafe to be implemented or would not provide adequate capacity expansion and congestion relief."

SB18-001 by Senator(s) Baumgardner and Cooke, Coram, Crowder, Gardner, Grantham, Hill, Holbert, Lambert, Lundberg, Marble, Scott, Sonnenberg, Tate; also Representative(s) Buck and Winter, Leonard--Concerning transportation infrastructure funding, and, in connection therewith, requiring specified amounts to be transferred from the general fund to the state highway fund, the highway users tax fund, and a new multimodal transportation options fund during state fiscal years 2018-19 and 2019-20 for the purpose of funding transportation projects and to the state highway fund during any state fiscal year from 2019-20 through 2038-39 for state highway purposes and to repay any transportation revenue anticipation notes that may be issued as specified in the bill and, if no citizen-initiated ballot measure that requires the state to issue transportation revenue anticipation notes is approved by
the voters of the state at the November 2018 general

election, requiring the secretary of state to submit a ballot

question to the voters of the state at the November 2019

statewide election, which, if approved, would require the

state, with no increase in any taxes, to issue additional

transportation revenue anticipation notes for the purpose

of addressing critical priority transportation needs in the

state by funding transportation projects; would exclude

note proceeds, investment earnings on note proceeds, and

revenue from an electric motor vehicle fee increase from

state fiscal year spending limits; and would reduce the

amount of lease-purchase agreements required by current

law to be issued for the purpose of funding transportation

projects.

The state auditor shall prepare a report and recommendations on each audit conducted and shall present the
REPORT AND RECOMMENDATIONS TO THE COMMITTEE.

SECTION 4. In Colorado Revised Statutes, 24-34-303, amend (1) and (2) as follows:

24-34-303. Civil rights commission - membership - repeal.

the commission, the joint budget committee, and the general
assembly during each legislative session regarding changes to
the plan to maintain full funding;

(g) Ensure the public employees' retirement association board
is administering the association as mandated and make
recommendations for the association board structure as
warranted;

(h) Every three years, commission an independent review of
the economic and investment assumptions used to model the

Ladies and Gentlemen:

I have the honor to inform you that I have approved and will file with the Secretary of State the following Acts:

HB 18-1320: CONCERNING A REDUCTION IN REGULATION OF LARGE-MARKET TAXICAB SERVICE FROM REGULATION AS A COMMON CARRIER TO
Today, I vetoed House Bill 18-1181, “Concerning Measures to Expand the Ability of Nonresident Electors to Participate in the Governance of Special Districts, and, in Connection Therewith, Allowing Nonresident Electors who Own Taxable Property within the Special District to Vote in Special District Elections and Allowing Such Electors to Serve on Special District Boards in a Nonvoting Capacity” at 3:31, 6/1/18.

House Bill 18-1181 (“HB 18-1181”) expands the definition of eligible elector for special district elections to include non-Coloradans who own Colorado property within the district. The bill also allows out-of-state residents to serve as non-voting members on Colorado special district boards. We have a number of concerns with HB 18-1181 - both on constitutionality and practicality.

The Fourteenth Amendment of the U. S. Constitution guarantees equal protection under the law. To permit out-of-state electors to vote in elections for candidates for a special district’s board of directors, while denying them the opportunity to vote on other ballot questions affecting the district raises equal protection concerns. We do not believe this issue was properly scrutinized or discussed during the General Assembly’s consideration of HB 18-1181.

Equally worrying is the practical impact of HB 18-1181. The process of certifying nonresident electors in special district elections in Colorado will
be burdensome and costly, and we know the districts share this concern. Furthermore, these costs were unreflected in the bill’s fiscal notes, and, consequently, unpaid for. We reaffirm, yet again, that the General Assembly ought not to be imposing unfunded mandates on local governments and special districts. This bill appears to do just that. We also take very serious the warnings we received from leading Colorado clerks and recorders, cautioning that the bill undermines special districts’ ability to keep accurate and transparent voter registration lists. We take great pause any time we hear from election officials that a bill could result in harm to Colorado’s election integrity.

But most importantly and most worrisome, allowing non-Coloradans to vote in Colorado elections to select our elected representatives is poor public policy. Out-of-state landowners enjoy Colorado’s great views, activities, and economy. While we are grateful to our out-of-state neighbors and their love of Colorado, we are unpersuaded that the State should allow those who spend days or weeks in Colorado to make decisions impacting those who make it their home each and every day. While we in no way downplay the positive impact visitors have on our State, giving part-time residents decision-making authority to impose full-time, daily impacts on Colorado residents gives us pause.

This concern is amplified in areas of the State in which out-of-state landowners may outnumber Colorado residents, especially in Western Slope communities. The result - a peculiar outcome in which Colorado residents comprise a minority voting bloc in Colorado local district elections. The result is the minimizing and marginalizing Coloradans’ votes in these districts, an outcome we cannot accept.

Accordingly, House Bill 18-1181 is vetoed.

Sincerely,

Dear Members of the Colorado House of Representatives:

Today, I signed and filed with the Secretary of State House Bill 18-1306, “Concerning Ensuring Educational Stability for Students in Out-of-Home Placement.” (“HB 18-1306”).

Statistics from the Colorado Department of Education show a precipitous drop in the on-time graduation rate for Colorado foster kids - from 33 percent in 2016 to 23 percent in 2017. This is the lowest 4-year graduation rate of any population in the state. A chief reason that foster children do not graduate high school within four years is the frequency of changed placements or living arrangements.

House Bill 18-1306 offers a path to keep foster children in their school-of-origin, regardless of their placement. The bill provides transportation
solutions to these foster children so they stay on grade level, participate in
school activities, maintain relationships, and walk with their graduating class.
On this issue, we wholeheartedly applaud the Department of Human Services
and the sponsors championing HB 18-1306, and we are proud to sign it into
law.

However, extraneous language was joined onto this bill by the Senate
Committee on State, Veterans, and Military Affairs. This language added as
Section 7 of the bill has no apparent nexus to foster children, and mirrors a
different bill postponed indefinitely by the other chamber the immediate prior
day. But, equally alarming, the language was added in the final days of session,
with no knowledge by education stakeholders, with no explanation by the
amendment’s proponent, and with no discussion or debate by the Committee.
We make no judgment today on whether this language is sound policy.
However, we have serious concerns about the process in which this amendment
was bolted onto such an important bill.

The Colorado Constitution expressly forbids any bill from containing
more than one subject. That subject must be “clearly expressed” in the bill’s
title.\(^1\) Any amendments made to a bill must fit within the bill’s original
purpose, and not address matters straying beyond the four corners of that
purpose.\(^2\) These requirements, known as the “Single-Subject Law,” serve two
absolutely critical purposes - ensuring Colorado’s legislative process is
transparent, and preventing the melding of unrelated measures within a single
bill to garner votes required for passage. This law prevents the dubious tactic
of adding an unrelated less-popular or controversial provision onto a measure
with far greater support, effectively log-rolling unrelated measures to garner
approval. The Single-Subject Law protects against the false choice of either
accepting extraneous and less supported public policy or rejecting the good
public policy onto which the unrelated language was fused to. With the
addition of Section 7 by the Senate Committee on State, Veterans, and Military
Affairs, which so clearly strays beyond the HB 18-1306’s single subject, we
find ourselves in that very dilemma which Single-Subject Law is meant to
prevent.

The Single-Subject Law, in combination with the GAVEL Amendment,\(^3\)
are pillars of Colorado’s legislative process to safeguard fairness, integrity, and
transparency in law-making. The process in which this extraneous language
was bolted onto HB 18-1306 does a disservice to those principles. We sign HB
18-1306 into law today because its benefit to Colorado foster children cannot
be overstated - its enactment is crucial. But our support ends where Section 7
begins. Should potential Single-Subject Law violations be raised to the Judicial
Branch, we expect a court of law will look unfavorably on the language treading
beyond HB 18-1306’s title, and rule such extraneous language void.

Sincerely,

Dear Members of the Colorado House of Representatives:

Today, I vetoed House Bill 18-1258, “Concerning Authorization for an Endorsement to an Existing Marijuana License to Allow for a Marijuana Accessory Consumption Establishment for the Purposes of Consumer Education” at 3:02pm. House Bill 18-1258 (“HB 18-1258”) allows customers to be served and consume marijuana at a retail marijuana accessory consumption establishment.

Since Colorado voters approved Amendment 64 in 2012, this Administration implemented a robust regulatory system to carry out the intent of this voter-initiated measure. Amendment 64 is clear: marijuana consumption may not be conducted “openly or publicly” or “in a manner that endangers others.”\(^1\) We find that HB 18-1258 directly conflicts with this constitutional requirement.

We are concerned that marijuana use at consumption establishments could result in additional impaired or intoxicated drivers on our roadways. The State has dedicated significant resources to discourage impaired driving and make our roads safer. But we must do more. It is evident that public attitudes on driving under the influence of marijuana are much more relaxed than attitudes around driving under the influence of alcohol. In February 2018, the Colorado Department of Transportation launched a public engagement campaign to elicit opinions and better understand behaviors related to marijuana use and driving. This conversation with marijuana users revealed that too many feel it is safe to drive after using marijuana. By allowing consumption at marijuana establishments, HB 18-1258 sends the wrong message by permitting people to consume marijuana in a public setting; a practice that may increase the number of impaired drivers on our roadways.

The bill also poses public health risks. Allowing vaporization of marijuana in confined spaces poses a significant health risk for employees and patrons of consumption establishments. While “vaping” may not technically equate with “smoking,” it is associated with significant health risks of its own. When evaluating HB 18-1258, clean air and public health advocates presented compelling research showing that aerosol produced by electronic smoking devices contains harmful chemicals that are dangerous for both active users and those exposed secondhand. This Administration made a priority of supporting the Clean Air Act and ensuring that all Coloradans have the right to breathe clean air in public venues and workplaces. House Bill 18-1258 runs counter to these efforts.

Proponents of HB 18-1258 contend that consuming marijuana within licensed establishments will reduce illegal public consumption. We agree that public consumption is a problem. However, we are unpersuaded that HB 18-

---

\(^1\) Colo. Const. Art. XVIII, § 16 (3)(d) (“Notwithstanding any other provision of law, the following acts are not unlawful and shall not be an offense under Colorado law . . . [c]onsumption of marijuana, provided that nothing in this section shall permit consumption that is conducted openly and publicly or in a manner that endangers others. (emphasis added)).
1258 will prevent public and open use and may in fact encourage it by normalizing consumption. We take very seriously the warnings from the bill’s opponents that HB 18-1258 may erode public health and safety; particularly youth’s perception of the normalization of marijuana use. We may agree with the proponents’ goals to protect the public and children; however, we strongly disagree that this bill is the correct path to achieve those goals. And we fear that an unintended effect of HB 18-1258 is the further normalization of marijuana use in the eyes of youth.

In this experiment of recreational marijuana legalization, we established and continue to improve a robust regulatory framework. With any new emerging industry, we expect the need to update laws based on new data and strong research and analysis. We encourage the General Assembly to proceed cautiously in enacting future policy changes, ensuring that public safety is paramount and the voters’ will is honored.

Accordingly, House Bill 18-1258 is vetoed.

Dear Members of the Colorado House of Representatives:

Today, after careful consideration, I signed House Bill 18-1286, “Concerning Allowing School Personnel to Give Medical Marijuana to a Student with a Medical Marijuana Registry Card While at School.” House Bill 18-1286 (“HB 18-1286”) expands on current law to allow school personnel to administer medical marijuana in a non-smokable form to students qualifying for medical marijuana use.

In evaluating this bill, we spoke with parents whose children are medical marijuana patients. We find their reasoning and advocacy very compelling, especially that of Ms. Hannah Lovato and her son Quintin who inspired the bill. Their message was overwhelmingly persuasive, and we sign this bill today with much admiration for Quintin and expect great things in the future from this impressive young man.

In signing this bill, we acknowledge the sponsors’ additions to the bill to provide added protections and substantial improvements to protect school districts, school personnel, and children. These protections further convinced me to sign HB 18-1286. We are particularly pleased with language added clarifying that school personnel are not required to administer medical marijuana to a student patient, but rather makes the bill volitional. Furthermore, several safety measures were included in the legislation regarding the transport, handling, and storage of marijuana to ensure that it does not end up in the hands of other students. These critical protections are key to ensuring that schools can
administer this medication with efficacy while providing latitude for both
districts and personnel to make their own determination on whether to
administer medical marijuana.

Since the passage of Amendment 64, many efforts were made to ensure
that children and youth are aware of the harm that marijuana can inflict on a
developing brain. We launched both public awareness and educational
campaigns to ensure that our kids understand the negative impacts of marijuana
in terms of public health, safety, and well-being. While we sign this bill today,
we do so with continued caution that the State must remain attuned to the need
to ensure that recreational marijuana doesn’t end up in the hands of our
children.

Dear Members of the Colorado House of Representatives:

Today, I vetoed House Bill 18-1427, “Concerning a Prohibition on
Conflicts of Interest on Members of the Sex Offender Management Board” at
3:01PM. House Bill 18-1427 (“HB 18-1427”) prohibits persons from serving
on the Sex Offender Management Board (“SOMB” or “Board”) if s/he may
receive a financial benefit from standards adopted by the Board. We all support
proper handling of conflicts. We veto this bill today, however, because it is
redundant and overbroad.

First, HB 18-1427 unnecessarily duplicates existing law. On the matter
of conflict of interest prevention, we are in agreement - so much so that we
signed earlier legislation this session, House Bill 18-1198, requiring training for
all boards and commissions on how to identify and manage conflicts.
Furthermore, ethics and conflicts standards already exist for professionals
serving on the Board. And other consequences exist that may include loss of
professional licensure. Furthermore, on March 28, 2018, during the House
debate on the Long Bill, it was announced that the Legislative Audit Committee
will be requested to audit the SOMB, including potential conflicts of interest
and the efficacy of the Board. We support each of these checks and safeguards
against possible conflicts. But adding redundant language to the state statutes
is neither effective nor useful.

Second, HB 18-1427 consists of unnecessarily broad language. As
drafted, the bill bars from serving on the Board some of the very individuals
most familiar with treatment modalities. The requirement singling out the
SOMB is unprecedented among other professional boards. Such overbroad
language may put public safety at risk as its likely effect is to transfer the
adoption of best practices and standards onto uninformed non-professionals.
If the HB 18-1427 language was applied to other boards and commissions,
farmers might be kept off the Agriculture Commission, licensed doctors from the Medical Board, dentists and dental hygienists from the Dental Board.

Lastly, we are particularly puzzled by the rushed process in which HB 18-1427 was considered, and the lack of input from victim advocacy groups. The bill was introduced a mere ten working days prior to the General Assembly adjourning. Such brief consideration by the legislature gives us pause when evaluating the wisdom of this policy. It is even more confusing that the bill bypasses a heightened sunset review process imposed on the Board. The policy enacted in HB 18-1427 would have been far better evaluated by a full sunset review; complete with nonpartisan policy analysis by the Department of Regulatory Affairs Office of Policy, Research, and Regulatory Reform; and full evaluation by the appropriate committees of reference. Unfortunately, HB 18-1427 bypasses these thoughtful and thorough evaluations, and, instead, raced through the legislative process in mere days.

We are particularly alarmed that the bill drew opposition from leading victims rights groups - the Colorado Coalition Against Sexual Assault and the Colorado Organization for Victim Assistance. We take the victim advocacy community’s opposition very seriously. Had greater time for consideration been allowed, perhaps the victims community’s concerns might have been addressed.

That said, despite the issues with HB 18-1427, recent media reports raise important issues as to the need for better conflict of management interests. Therefore, today we direct the Board to conduct a thorough review of rules and policies pertaining to conflicts of interest, consistent with the directives of House Bill 18-1198. The review must: (1) provide a complete examination of existing laws, processes, and procedures regarding potential conflicts of interest; (2) evaluate improvements and enhancements to the Board’s policies and operations; and (3) provide training to the Board members on identifying and managing potential conflicts. This directive will provide a more thorough process to ensure the public trust is protected, and unintended conflicts are avoided.

The Sex Offender Management Board serves an absolutely critical public safety function. For these reasons, we cannot allow HB 18-1427 to become law. Accordingly, House Bill 18-1427 is vetoed.

Sincerely,

Dear Members of the Colorado House of Representatives:

Today, after careful consideration, I signed House Bill 18-1136, “Concerning Treatment for Individuals with Substance Use Disorders, and, in
Connection Therewith, Adding Residential and Inpatient Treatment to the Colorado Medical Assistance Program and Making an Appropriation.” Pending federal government approval, House Bill 18-1136 (“HB 18-1136”) expands Colorado’s Medicaid benefits to cover inpatient and residential treatment for substance use disorders (SUD).

SUD plagues Colorado families unlike any other period in our history. Hundreds of thousands of Coloradans suffer from alcohol and chemical dependence and abuse, and opioid and heroin overdoses claim the lives of hundreds of Coloradans every year. This Administration has taken important steps to combat this epidemic through prevention and addiction treatment to save lives. With only one in ten persons with SUD receiving treatment nationally, expanding treatment access is essential to effectively combating the horrific effects of opioid addiction.

House Bill 18-1136 received widespread Democratic and Republican support to fill an important coverage gap for the 142,000 Coloradans on Medicaid suffering from SUD. Outpatient treatment is appropriate for many SUD patients, and our Medicaid program should continue to strive to provide care in the least restrictive setting that provides the highest quality care at the lowest cost. However, for many patients, residential and inpatient treatment may be the most medically appropriate course of treatment.

As the nonpartisan fiscal analysis indicated, providing SUD patients with inpatient and residential treatment is not inexpensive. However, we are confident that coupled with the right reforms as well as the right delivery strategies we can provide this important benefit in a fiscally responsible way. Five states have received federal approval to include this benefit as part of their Medicaid program; seven others have applications pending with the federal government. Colorado should take the next step in applying for a waiver from the federal government. In funding this inpatient treatment, it should be the goal of the Department of Health Care Policy and Financing to use the best practices from other states while continuing to pursue savings in the Medicaid program. The state should lead the effort to capture savings and avoided costs in light of the expanded benefit in order to finance this new program.

Coverage for inpatient and residential treatment won’t help if Colorado lacks adequate capacity to provide this care. Many facilities do not provide inpatient SUD care, but meeting the needs of the communities across our state means providing adequate access to the full continuum of mental health and substance abuse treatment offerings. We ask that our healthcare delivery partners, especially our hospitals, recognize the current and evolving consumer demand for mental health and substance abuse treatment, and expand their offerings and capabilities to meet this critical need.

Additionally, if this waiver is approved, the State financial resources to extend this benefit will be significant. All stakeholders affected by the State’s budget should monitor the outcome of this waiver application to ensure the best decision with scarce financial resources.

Dear Members of the Colorado House of Representatives:

Today, I vetoed House Bill 18-1011, “Concerning Measures to Allow Greater Investment Flexibility in Marijuana Businesses” at 4:56pm. House Bill 18-1011 (“HB 18-1011”) modifies the statutory ownership and investment definitions for medical and retail marijuana licensees and allows publicly traded corporations to invest in marijuana businesses.
Since the passage of Amendment 64 in 2012, this Administration has remained focused on ensuring recreational marijuana legalization was coupled with strong regulation to safeguard public safety, while not unnecessarily or arbitrarily limiting growth of a new industry. Throughout the legislative session, we held numerous conversations with sponsors and proponents of HB 18-1011. Their efforts to stimulate new capital investment in this growing industry are both well-intentioned and commendable. While recreational and medical marijuana are legal under Colorado law, however, federal law constraints continue to exist. With such uncertainty, expansion of capital availability to this industry must be done methodically and incrementally. Once the U.S. Congress acts to address the need for proper banking services for marijuana companies and updates federal securities and banking laws, the provisions of HB 18-1011 will be more appropriate. For now, HB 18-1011 is premature.

Furthermore, due to continued federal illegality, the industry still lacks universal access to banking services. Opening the door to a much larger pool of capital from publicly traded corporations made up of largely anonymous investors demands a level of financial oversight the State is unable to perform if the industry lacks universal access to banking services. Until we have federal clarity on this issue, our regulatory system is better served by postponing the vision laid out in HB 18-1011.

Equally important, recent changes to the Dodd-Frank Act modified the definition of Covered Securities as that term is used throughout HB 18-1011. The new, broader definition allows access to publicly traded marketplaces that historically have had higher levels of association with fraudulent activities, stock price manipulation, minimal financial reporting and light regulation. We have significant concerns about this broader access to capital markets, particularly as it relates to our responsibility to keep criminal enterprises out of the regulated marketplace.

The marijuana industry is organically expanding. While we wish to encourage business opportunity, we must approach capital expansion in the market in a way that is consistent with our federal oversight, and not degrade the robust regulatory system that Colorado worked so hard to establish. Accordingly, House Bill 18-1011 is vetoed.

Sincerely,

John W. Hickenlooper

Dear Members of the Colorado House of Representatives:

Today, I vetoed House Bill 18-1083, “Concerning a Sales and Use Tax Exemption for Aircraft to be Used by On-demand Air Carriers.” at
3:11pm. House Bill 18-1083 (“HB 18-1083”) creates a new state sales and use tax exemption for purchases of on-demand aircrafts. The bill also allows for municipal and county governments to exempt privately purchased aircrafts from local sales and use tax.

The bill’s proponents contend that exempting privately purchased aircrafts from sales and use taxes will create jobs in Colorado and prevent certain private aircraft owners from purchasing and storing planes in other states. We are unpersuaded by that argument as stronger data was not presented demonstrating this bill will lead to greater aircraft purchases - specifically, purchases that would not have otherwise occurred in the absence of this bill - and private aircrafts stored in Colorado. We believe that a more comprehensive analysis of tax policy around aircrafts is warranted.

More importantly, we question whether HB 18-1083 represents the best use of taxpayer dollars. Notwithstanding the strength of the economy and a solid budget, the core priorities of the State have ongoing needs. While much progress was made this year, we still have a multi-billion transportation shortfall and nearly $700 million yet to buy down the K-12 Budget Stabilization factor. Furthermore, though very good news, the General Fund reserve grew a mere three quarters of a point from 6.5 percent to 7.25 percent. Given these needs, we disagree that a new tax exemption should be adopted at this time.

Accordingly, House Bill 18-1083 is vetoed.

Sincerely,

(signed)

The Honorable Colorado House of Representatives

Dear Members of the Colorado House of Representatives:

Today, I vetoed House Bill 18-1263, “Concerning Adding Certain Conditions to the List of Disabling Medical Conditions for Medical Marijuana Use, and, in Connection Therewith, Adding Autism Spectrum Disorders” at 5:01pm.

House Bill 18-1263 (“HB 18-1263”) adds autism spectrum disorder (“ASD”) to the list of qualifying conditions for which medical marijuana (“MMJ”) may be used. This past month, we visited with the proponents, families and parents of children with ASD, and the medical community. We found that all sides of this debate share the common goals of ensuring safety and wanting a better quality of life for children living with ASD. We were particularly touched by the families with whom we spoke. Their passion and eloquence in advocating for their children, and desire to seek out other treatment options for their children,
was very moving. For this reason, we do not issue this veto lightly.

During consideration of HB 18-1263, we received input from numerous stakeholders representing medical professionals, hospitals, physicians, and pediatricians. These groups all share the same concern that we lack adequate information to ensure the safety and efficacy of MMJ when used by children with ASD. We were particularly persuaded by their concerns that children with ASD may have different cognitive abilities but their brains are still in development; as well as concerns about the relationship between marijuana use and cognitive abilities, academic performance, mental health, and future substance abuse. While we are very sympathetic with families believing MMJ is a safer and more effective treatment for their children, we cannot ignore such overwhelming concerns from the medical community.

We are also mindful that HB 18-1263 would permit any child with ASD to be treated with medical marijuana. Other states that have enacted legislation providing for medical marijuana treatment for ASD have permitted such treatment only for children suffering from the most profound symptoms.

According to the Department of Public Health and Environment (“DPHE”) and the State Chief Medical Officer, there have been very limited and only preliminary scientific studies to assess safety of MMJ on children with ASD. At this point, we are aware of three randomized clinical trials either in progress or expected to commence in the near future. We are hopeful that these studies will substantially contribute to the body of evidence that may inform parents whether MMJ is a viable and safe treatment.

In vetoing this bill, we do so on sole concern that medical efficacy of MMJ to treat ASD has yet to be fully studied by medical professionals and scientific experts entrusted to this role at DPHE. DPHE is the proper entity to ascertain medical conditions that may be safely added to the list of debilitating medical conditions,[^1] and has created a structure that calls for the State Board of Health to assist with the determination. This is the pathway established in the Colorado Constitution through voter-enacted Amendment 20, and is critical to protecting public health and safety.[^2] It should not be bypassed through legislation.

However, we are persuaded by the proponents that, while research is lacking at present, the use of MMJ to treat individuals with ASD is worthy of expedited analysis to inform whether its use by children with ASD is safe. Such research should demonstrate reasonable certainty that child safety and long-term development are not harmed, and should be swift and responsive to families seeking alternative ASD treatment options. As such, we will sign Executive Order B 2018 004 directing DPHE, in coordination with the Board of Health, to: (1) study the use of MMJ for ASD; and (2) prioritize fiscal resources for the next round of MMJ research under the Medical Marijuana Health Research Grant Program, to first and foremost be dedicated to researching use of MMJ by patients with ASD. This study will: (1) encourage and invite direct participation by families with children experiencing ASD; (2) evaluate

potential modifications to current rules to enable DPHE to perform its
analysis and recommend ASD as a qualifying debilitating condition if no
significant health or development risk is found; and (3) conclude no later
than 18 months following the Executive Order’s signing. Upon a finding
of no significant health or development risk, DPHE should propose that
the Board of Health add ASD as a qualifying debilitating condition for
use of MMJ.

We appreciate those families exploring every avenue to support
their children, and we understand that this letter will be met with their
disappointment. It is our hope, however, that Executive Order B 2018
004 will ensure that use of MMJ by children with ASD can be done with
assurances, rooted in data and evidence, that the practice is safe. This
approach allows a foundation to be built for MMJ use for ASD through
study, data, evidence, and analysis - and to do so swiftly yet safely. We
owe it to those families caring for their children to ensure the safety of
MMJ when used by the children, and to ensure it speedily.

Sincerely,

John W. Hickenlooper
