RE: Resignation letter
This is to inform you that I am resigning my seat representing Senate District 17 in the Colorado state legislature effective the end of the day on January 1, 2019. Representing east Boulder County in the State Senate has been one of the highlights of my life and I am honored to represent such wonderful, engaged and caring people.

Colorado Senate Secretary
200 E. Colfax, Room 271
Denver, CO 80203
Dear Madame Secretary,
I write this letter to formally resign from the Colorado State Senate as the SD-14 Senator, effective at the close of business on January 2, 2019. Please consider this my official letter of resignation pursuant to C.R.S. 1-12-203(4).
I am deeply honored and humbled to have represented the people of Fort Collins and Larimer County in the Colorado General Assembly - six years in the Senate and six years in the House. These past 12 years have been an extraordinary journey that has granted me the privilege and opportunity to serve the people. Public service and civic engagement are hallmarks of a healthy and resilient representative democracy, and I've done my best to walk the talk. I've worked hard to unite folks and find common ground to affect policies that achieve systemic change in order to make meaningful differences in our communities and in the lives of individuals and families.

I am grateful to have worked side by side with you and our non-partisan team members, as well as the entire advocacy and political community - inside and outside the Capitol. Legislative Council and Legal Services staff members are dedicated, brilliant, hard working and very nice professionals - across the board. They exemplify - to the highest degree - public servants who care that we do our jobs well and serve the people of Colorado effectively. Honestly, I am going to miss you all, and I have a lot of mixed emotions; guess I will focus on gratitude.

The Larimer County Democratic Vacancy Committee for SD-14 will convene after you receive this letter and notices go out to committee members who will be charged with selecting my replacement according to rules and state laws. and always with an eye towards transparency and accountability. My goal is to have a qualified individual in place on January 4, 2019 - opening day of the First Regular Session of the 72nd General Assembly who will work hard and represent all the people of SD-14 with fairness, honesty and integrity. Thank you for your tireless commitment to good governance and to the people of Colorado. It has been one heck of a journey.

Sincerely,
(Signed)
John M. Kefalas
State Senator, Fort Collins (District 14)

On motion of Majority Leader Fenberg, and with the unanimous consent of those elected to the Senate, the Senate stood in recess to hear the opening day remarks of Senate President Leroy M. Garcia and Senate Minority Leader Chris Holbert.

Senate in recess.

The text of President Garcia's remarks follow.

Good morning. It is an honor and privilege for me to welcome you to the Senate chamber as we open the 72nd General Assembly.

I want to welcome our returning members and especially congratulate our newly elected Senators. Will each of you please stand as I call your name:

- Senator Dennis Hisey;
- Senator Paul Lundeen;
- Senator Pete Lee;
- Senator Joann Ginal;
- Senator Rob Woodward;
- Senator Tammy Story;
- Senator Mike Foote;
- Senator Jessie Danielson;
- Senator Brittany Pettersen;
- Senator Faith Winter;
- Senator Robert Rodriguez;
- And Senator Julie Gonzales.

Please join me in giving them a warm welcome to this historic chamber.
If you look around, you might notice that this body looks a little different than it has in the past. That is because not only do we have a majority of women in the Democratic Caucus, but we also have one of the most demographically and geographically diverse caucuses in recent history.

New leaders bring bold solutions that will carry our great state forward. Institutional knowledge combined with new perspectives will move us towards a better future for every Coloradan.

As my returning colleagues know, it is a unique honor and privilege to work in this body and serve the people of this great state. It is a privilege each of you have worked extremely hard for and overwhelmingly earned.

But you would not be here if it were not for the love and support of your families and friends.

Let us take a moment to show our appreciation for everyone who made your leadership possible.

In that spirit, I too would like to give a special thank you to my family.

To my parents who are with us today - thank you for teaching my brothers and me the importance of respecting others, treating all with compassion, and always living with love in your heart!

To my brothers - Jake and Evan. I know it took both of you a little longer than me to learn those values I just spoke about, but you both finally got them! But all kidding aside, thank you for your service to our country.

While many of you may know that I served in the Marine Corps, you may not know that Jake and Evan also served in the Marines in Iraq and Afghanistan.

If there are any members who have served our country either in the armed services, as a member of law enforcement, or public safety, would you please stand so that we may thank you for your service.

To my sons - Jeremiah and Xan. I am so incredibly proud of the young men you have become. Jeremiah recently received a nomination to West Point and the Merchant Marines and Xan is following in his brother's footsteps with exceptional grades and is also becoming quite the soccer player.

To the love of my life - My wife Michelle. I am so grateful for your love and support. Not only for everything you do as the rock of our family, but for the amazing person you are, day-in and day-out, through your work assisting families and youth. You are truly an amazing woman and I am so grateful that you asked me to marry you. I love you.

Finally, I would like to thank all of the special guests who have joined us today to ring in the 2019 legislative session.

As a sixth generation Coloradan, I have deep roots and a strong commitment to our state. My family came to the United States, and eventually settled in southern Colorado. Like so many immigrants, they came in search of greater opportunity. Even though my family only spoke Spanish at the time, it did not slow them down or discourage them. Not one bit.

My great grandfathers worked the coal mines and the fields where they lived and learned the value of hard work. They lived their American Dream - a dream that would become a reality by providing a better life for their families.

This value of hard work has been passed down from generation to generation, eventually shared with my parents who started a small, modest business in Pueblo.

They worked hard to provide a good life for my brothers and me. Watching them, we too learned the value of hard work, which was an invaluable lesson that served us well when we enlisted in the Marine Corps.

For me, it was during that time that I learned not only the importance of service and honor, but to care for and respect my brothers and sisters in arms, regardless of where they came from or what their political views were. That was never truer than when I served in Iraq.
It did not matter who was to your left or right. We understood that we had a collective mission - and we had to have each other's back!

It is that understanding of hard work and spirit of collaboration that we must bring back to the Capitol.

For too long, we have allowed political party to divide us. As a result, ego and politics determined what bills moved forward - not the merits of the policy.

Our state deserves better.

Our constituents expect more of us.

Unlike in Washington, D.C. - this Senate must bring a new energy that will yield a standard of trust and respect. We must engage in dialogue and collaboration. This is how we will find common ground and solutions to the bread and butter issues facing everyday Coloradans.

Coloradans did not elect us to engage in gamesmanship. They elected us to work, to reach across the aisle, and to have an open and working government that finds solutions to help them live their American Dream.

Make no mistake - Colorado is growing and prospering, but not everyone feels that growth and prosperity.

Too many cannot afford the healthcare they need.

Too many have died at the hands of opioids, and many more struggle with drug abuse and addiction.

Too many earn lesser pay for equal work.

Too many children in Colorado do not have equal access to a quality K-12 education.

And too many are saddled with tens of thousands of dollars of student loan debt.

But Coloradans do not give up in the face of challenges like these, and neither can we. Colorado is a special place - it is a state filled with people who innovate and find solutions, and I am absolutely confident that this body will be able to find many of those solutions.

Solutions that build on the steps we have taken to address the opioid epidemic by making greater investments into programs with a proven record of success.

Solutions that ensure student loan servicers do not take advantage of students in Colorado.

Solutions that help lower the cost of healthcare by increasing price transparency for prescription drugs.

And solutions that show Colorado can be a state that not only creates a booming business climate and grows good-paying jobs, but one that also values workers and pays them fairly.

I know each member of this Senate is different. And while we may disagree and debate about the solutions to the issues facing our state, we cannot allow our political differences to get in the way of our shared goals: to serve with honor and to improve the lives of hardworking Coloradans.

We - Democrats and Republicans - can accomplish these goals if we put our egos aside. I have no doubt that all of us can agree that we are most successful when we work together.

So, let us today mark a new day for the Colorado State Senate. A Senate where we return to our tradition of honor, trust, and integrity.

A Senate that has an unwavering commitment to take care of every Coloradan, no matter where they live.

Political parties do not determine what improves the lives of Coloradans. Good policy does, and no one party has a monopoly on good ideas.

That is why we should be willing to work with anyone - regardless of party - who has a solution to the serious issues that Colorado faces.
If we are willing to work hard and collaborate, we can empower every Coloradan to live their American Dream - just like my family and so many families in this room have been able to do - and ensure we pass on a better Colorado to our children and grandchildren.

It is a big task, but I know we can do it.

So, let's get to work.

President Garcia recognized Minority Leader Holbert to address the Senate.

The text of Minority Leader Holbert's remarks follow.

Thank you, Mr. President.

Mr. President, Mr. Majority Leader, members, family, and guests. Welcome.

To the people of Colorado:

Your state Senate has convened for the first regular session of the Seventy-Second General Assembly. Today, we begin the 143rd legislative year of the great state of Colorado.

Each General Assembly is seated for a two-year term. Seventy-two times two equals one hundred and forty-four. That will take us through next year, 2020, the 144th year since statehood in 1876.

There is great history here at our state Capitol, much of which points to a time fifteen years before statehood, to 1861. Colorado became a United States Territory on February 28 of that year. Four days later, Abraham Lincoln, known as a “Man of the West,” was inaugurated as the fourteenth President of the United States and, the first President inaugurated during the existence of the new Colorado Territory. Just a few weeks after that, on April 12, 1861, the first shots rang out at Fort Sumter in the harbor of Charleston South Carolina and the Civil War began.

If you visit the west steps of the Capitol, you’ll find a Civil War Memorial. The figure of a Union soldier stands atop that memorial. Upon close inspection, you will find an inscription that explains that, while the population of the new Colorado Territory was relatively small, a higher percentage of that newly established Territory went to fight in the Civil War than of any state of that time.

Since the beginning, Colorado has been a place to which people are drawn and from which people are willing to give.

Imagine if you will, the struggle of one person, one man or woman, let alone a family, to cross the Great Plains. Whether by wagon or horseback, some by foot, to cross Missouri or Iowa, then Kansas or Nebraska, then all the way across Senate District One, which stretches from Kansas and Nebraska to the eastern suburbs of Metro Denver. And, for those courageous individuals to finally reach the foothills and to see the majestic Rocky Mountains for the first time.

Those risk takers began to establish new homes, roads, industry, and schools. Then, upon hearing that war had broken out, many turned back and made that journey again by wagon, horseback, or foot.

Again, since the beginning, Colorado has been a place to which people are drawn and from which people are willing to give.

Ultimately, that Great Civil War was won and the Union preserved. One great General of that time led the Union Army straight down the middle of the south, burned Atlanta, and drove all the way to Savannah Georgia. That General was William Tecumseh Sherman.

Another great General of that time later became the 18th President of the United States. On August 1, 1876, one hundred years and twenty-eight days after the Declaration of Independence, President Ulysses S. Grant signed the Proclamation that admitted Colorado into the Union as the thirty-eighth state, the Centennial State.

Now, to treasures hidden in plain sight.
Note the street that borders our state Capitol to the west. It is, of course, Lincoln Street. To the east, Grant Street borders the Capitol. And, for those of us blessed to serve here in the Colorado Senate, when we come here to the well to speak, we stand above what would be the centerline of Sherman Street, which intersects the Capitol Building north-to-south.

So many have struggled and died to defend this nation and the Constitution upon which it is founded. Most know the Constitution of these United States. "We the People of the United States, in order to form a more perfect union…" But, some people never consider the fact that each state has its own Constitution. And, few have likely read their state Constitution. Here in Colorado, ours is more an evolving book than a lasting foundational document as is the US Constitution.

The People of Colorado have, over time, amended our state Constitution many times in many ways. Just this past year, we the People of Colorado amended our state Constitution to provide for more transparent redistricting of Congressional and state legislative districts. We, finally, removed reference to slavery. And, we shed a state-specific definition of hemp.

Ours is a complex and unique constitution. For example, here in Colorado, our state Constitution protects your right to keep and bear arms and your right to grow up to six marijuana plants. Like I said, it's an evolving book.

Over the years, the People of Colorado have also amended our state constitution to create a rather unique legislature. One that offers some points of certainty that are rare among the states and, which in culmination, have established a truly unique state legislature.

Starting on Wednesday, November 1, 1876 until 1950, the Colorado General Assembly met every-other-year. Since 1951, the General Assembly has met every year. As you can learn in the Hall of Presidents, located just outside the office of the Senate President, from 1876 until 1974, the Lieutenant Governor served as President of the Senate in a role similar to how the Vice President of the United States serves as President of the United States Senate. Then, in November 1974, the People of Colorado voted to amend Article V, Section 10, of our state Constitution. That amendment, as we witnessed here this morning, allows us, the thirty-five Senators, to elect one of our own to serve as Senate President.

In 1988, the People of Colorado voted to amend our state constitution to limit the amount of time that we, the members of the General Assembly, may meet each year in general session to no more than 120 days. While it is common for states to limit general session length, many states allow their Governor, legislature, or some combination of the two, to extend session time. Not so here in Colorado.

One thing that is certain is that this general session will end at or before midnight, Friday, May third, the one hundred and twentieth day of this session. Nothing we might do past that moment would be constitutional. There cannot be a one hundred and twenty-first day of this session. Even via a special session, there can be no additional time added to a Colorado general session.

As I like to share with school kids who tour our Capitol, at or before midnight of the one hundred and twentieth day, our crystal carriage of law-making authority will turn back into a pumpkin and we citizen legislators will be citizens again, just like everyone else. Why? Because, the People of Colorado wanted it that way.

The People of Colorado also voted in 1988 to approve a Constitutional amendment known as "GAVEL," an acronym for "Give a Vote to Every Legislator." Seventy-two percent of the people who voted that year did so in support of GAVEL. So, what did that amendment do? It removed pocket veto from our legislative process. Here in Colorado, no one legislator can kill a bill. Not the Speaker of the House or the President of the Senate, neither of the Majority Leaders, nor any committee chairperson.

No, here in Colorado, either a simple majority of committee members present at the time of a vote or a simple majority of all members elected to a chamber is required to pass or kill a bill. In Congress and probably in some other state legislatures, if a committee chairperson does not agree with a bill, then he or she can simply not schedule that bill for a hearing. Thus, an issue, a bill, that is important to a member, probably one of a Minority Caucus, would never be heard. There would be no contentious hearing or divisive press resulting from such a bill. It simply wouldn't happen and the bill would be quietly dismissed.

Here in Colorado, GAVEL requires that every bill that is introduced must receive a hearing. In Colorado, hearings before House or Senate Committees of Reference are
public events where anyone can offer his or her perspective, for or against, a bill. Thus, this General Assembly is sometimes described as being one of or possibly the most contentious of all state legislatures. I say, no to such observations.

Yes, our committee hearings can last many hours, occasionally through an entire night, with significant numbers of people voicing their support or opposition. In Congress one must be invited, summoned, or even subject to subpoena in order to testify before a committee. Not so here in Colorado. Whether one is a member of the Majority or the Minority, his or her bills must be heard. And, whether a constituent agrees or disagrees with that bill, he or she will also be heard.

It isn't a matter of Coloradans being more contentious, it's that our state constitution requires us to have those conversations and to allow the People their say on each and every bill. Why? Because the People of Colorado wanted it that way.

Another constitutional certainty is that we will, once again, pass a budget this year. It's the one bill that our state constitution requires of us. Mr. President, if it's acceptable to you, might we take up the Long Bill today, pass it quickly, and adjourn sine die before month end?

Not only will we pass a budget again this year, given the make up of the Joint Budget Committee, we will pass that budget with bi-partisan support. And, that budget will be balanced because, again, our state constitution requires it. Why? Because the People of Colorado wanted it that way.

In November 1992, the People of Colorado voted to amend our state Constitution to include the Taxpayer's Bill of Rights or "TABOR." Thus, unlike Congress in Washington, DC, this legislative body does not have the authority to create a new tax without a vote of the People. We cannot raise an existing tax rate without a vote of the People. Why? Because the majority of People who voted in 1992, 54% actually, wanted it that way. They amended our state constitution to take such power away from elected officials throughout Colorado and reserve it to them, the People.

Mr. President that fact gives me confidence. Looking back to the elections last November, it is clear that the People of Colorado voted with you when it came to candidates and they voted with me when it came to issues.

The People have given you and your Party majority control of both chambers of our state legislature for the next two years and that of the Governor's office for the next four years. They also said "No" to tax increases, unequal taxation, and to government taking and redistributing a larger portion of their success.

The message that I hear is that the People of Colorado expect us, their state legislature, to be more accountable, to provide greater return to them, for the already increasing number of dollars we currently take from them. Once again, the People of Colorado have said "No" to higher rates of taxation until we provide better return for their current tax payments.

Again, Mr. President, this gives me confidence. As has been stated annually by prior Minority Leaders, we will have our say, but not our way. We have the voice, but not the votes.

Mr. President, I believe that we here in the Senate, have a unique opportunity over the next two hundred and thirty-nine session days to demonstrate effective leadership, to honor the will of the People in both who and what they supported last November.

For example, fifty-five percent of those who voted last November agreed with their neighbors, family, and friends who work in the Colorado oil and gas industry. They recognized the irreplaceable value of severance taxes to their schools. They embraced the importance of a well-regulated industry that accounts for, by some estimates, over $30 billion dollars of positive annual economic impact here in Colorado.

Mr. President, a majority of those voters supported your candidates. And, a majority of those same voters said "No" to Proposition 112. Once again, we have witnessed a fascinating outcome in a Colorado election. Moving forward, will we work together this session and next to prove them right on their policy positions or will we prove them wrong on their support of candidates?

Mr. President, seeing you take that gavel this morning gives me confidence that the "adults in the room" as referenced by former capitol reporter Peter Marcus, will continue to be found here in the upper chamber, the Senate.
Mr. President, you know better than any other current member of this body the risk of alienating constituents, of pushing too far. Not that you have done those things yourself. No, like me you were a witness to the events of 2013 and you deserve credit for the time and effort you have devoted to healing relationships and to restore trust among constituents. Mr. President, you accomplished that by the way you have represented the People of Senate District three since your election to the Senate in 2014.

Mr. President, the Minority Caucus looks to you, your even hand, and your experience, to be the gauge for how far left or right we might journey over the next two years. For the past four sessions, Senate Republicans served to balance House Democrats and vice versa. Most bills, a high point of 62% of all bills introduced in 2017, passed through both chambers. Governor Hickenlooper vetoed just two bills that year. Nothing too far left or right made it to his desk. And, it was that way for six of the eight years that he served as our Governor.

Now, Mr. President, that balance rests with you and I'm grateful that you hold that gavel.

Mr. Majority Leader, congratulations on achieving what is in my opinion, the best position in this chamber and having done so after only two years in the Senate. With term limits, it is more common to see members serve in that capacity during their final two years in this chamber, which makes you and I rather rare exceptions.

As we have discussed previously, I stand ready to work with you to keep the Senate on track, within the rules, and for our work here to be accomplished by midnight of the one hundred and twentieth day.

Yours is a fascinating job that requires you to juggle the demands of thirty-four other members, a Calendar controlled by Rule, a clock that never stops ticking, and an army of critics who think that you have far more power than you actually do. Make good motions, Mr. Majority Leader, and know that I'm here to help if you need me.

Mr. Majority Leader, I take confidence in your leadership too. I'm not offended when someone disagrees with me. Over the past two years, I've witnessed you return that same courtesy to me and to others.

This process is not about demanding compliance to some particular ideology. We are not just allowed to disagree here in this chamber. No, we are sent here, each of us, to represent one thirty-fifth of the population of Colorado. To represent their differing views - or at least the majority of those in each district - on hundreds of issues each year.

Our constitution establishes that we come here as thirty-five co-equal members. We aren't just allowed to disagree; it's not just something to be tolerated. No, the unique perspectives of the people who live in diverse communities throughout Colorado deserve equal consideration here in this place. Why? Because the People of Colorado wanted it that way.

Last session, the General Assembly conducted a survey of the Members of the Legislative Workplace. Participants included legislators, partisan and non-partisan staff, security officers, lobbyists, and others who regularly work and conduct business in the Capitol complex. Of those participants, eighty-three percent responded that they would recommend to a family member or friend the Capitol complex as a place to work. Eighty-seven percent responded that they feel respected here in the Capitol complex. Ninety-three percent responded that they feel comfortable working here and ninety-five percent responded that they feel safe working here.

But, Mr. President, we agree that ninety-five percent isn't good enough. We agree with your call for higher standards. We offer thanks to Senators Moreno, Gardner, Winter, and former Senator Martinez-Humenik, along with former Speaker Duran and Representative Ransom for their work on the Legislative Workplace Interim Study Committee. That committee produced a list of policy recommendations that had received their unanimous support. Those recommendations were delivered to the prior Executive Committee, which approved those policy changes unanimously. Moving forward, now that the President and the Speaker have been elected and our current Executive Committee is seated, we will move forward to address those recommendations made by the Interim Committee that did not receive unanimous support during the Interim.

Mr. President, Mr. Majority Leader, I look forward with working with you and our House counterparts to finalize the policy and, ultimately, Rule changes necessary to improve the process by which complaints are handled. Ultimately, Mr. President, that we provide a workplace where all who participate here in the Capitol complex are respected and included.
Colleagues, I look forward to hearing your perspectives and learning how the constituents who you represent see the world, how they view the hundreds of issues, the bills, that we will consider over the next 119 days.

What will Republicans do over the next two years? We will stand for this Constitution and we will stand with the People who gave it to us.

We will continue our efforts to fund roads and bridges with existing revenues. We have heard from Governor-elect Polis that he does not support new proposals for a sales tax increase. We agree with him. He has stated that he does not support further bonding proposals. On that, we disagree.

Last year, Senate Bill One proposed bonding as a solution to an estimated nine billion dollars of transportation infrastructure need. Initially, Senate Bill One received zero bi-partisan support here in the Senate. Ultimately, however, the amended version of Senate Bill One received unanimous support in this very chamber.

When we gathered with Governor Hickenlooper in the Big Thompson Canyon for the signing of Senate Bill One into law, we celebrated that significant bi-partisan accomplishment. We continue to credit the good Senator from District 19 for her tenacity, leadership, and patience in her effort to amend Senate Bill 18-001.

The amended version of the bonding proposal from Senate Bill One is now law and we support the opportunity for the People of Colorado to consider that option on their ballot this November. No, it is not a duplication of Proposition 109, which failed last November. It is disappointing to hear that the Majority may intend to remove that bonding opportunity from statute with new legislation this session while Senate Republicans support the opportunity for voters to answer that different bonding question.

Senate Republicans will continue to support additional funding for roads and bridges. For the past two years, we have called on at least three hundred million dollars of General Fund revenue for roads and bridges. We have advocated that using that amount from the General Fund as the revenue source to pay for bonding. And, we have invited feedback by asking those who disagree with our proposal, if not $300 million per year for bonding, then how much for how long?

This session, like the last, it appears that tax revenues will exceed the prior year by over one billion dollars. Some estimates put that additional, new, revenue amount at one point two billion dollars.

To that point, Senators Scott and Cooke will introduce a bill to add three hundred thirty-six million dollars for roads and bridges. That funding would enhance the amount already provided by Senate Bill One from last session.

To K-12 education, we propose allocating that same amount, three hundred and thirty-six million dollars to buy down the so-called budget stabilization factor, previously known as the negative factor. That IOU was written to Colorado’s 178 school districts in 2009. The amount of that IOU currently rests at six hundred seventy-two million dollars. Our proposal for three hundred and thirty-six million would cut that in half this year.

It’s time that we take a bold step in allocating equal portions of that 1.2 billion dollars additional revenue to buy down the negative factor and improve Colorado roads and bridges.

To address another chronic K-12 education issue, Senator Hill will bring legislation to reduce compliance requirements for the 147 Colorado rural school districts. How many times have members of the House or Senate Education Committees heard from a rural school principal who drives a school bus, shovels the sidewalks, plows the parking lot, and coaches the team before he or she sits down to write a grant request and complete the numerous reports that we require of him or her? Colleagues, with every dollar strained to meet the growing needs of Colorado students and their teachers, it’s time for us to get government out of the way by allowing them to teach more and administer less.

During my first session working here at the Colorado Capitol, I became familiar with the Sunrise Application process then used by the Department of Regulatory Agencies (“DORA”). That process was developed by the late Representative Jerry Kopel, a Denver Democrat, as a means to limit the growth of government. That application was required of any group of previously unregulated businesspersons seeking to be regulated through registration or licensing.
Back in 2002, the Sunrise Application started by asking the "what is the problem that you're trying to solve. And, second, should government be involved in solving that problem? Too often, in my opinion, the second question defaults to how government will be involved in solving that problem. For Senate Republicans, we remain open to the possibility that government should not, in certain cases, presume to be the solution; that sometimes, the private sector deserves space to be the solution.

Such is the case when we consider an expensive and inflexible requirement that employers provide paid family leave. Such a benefit when provided on a voluntary basis could make certain employers more competitive and attractive to potential employees. However, requiring Colorado employers to provide such a benefit will, by default, make the cost of employing a person more expensive.

We understand the desire to help, but this is an example of where requiring such expense is not the answer. Yes, encourage employers to offer such a benefit, allow them to be unique and competitive in the marketplace, provide some incentive to employers for offering such a benefit. But, we urge you colleagues, don't require conditions that will ultimately lead to government forcing one company after another out of business, one job after another to no longer exist.

We also respect the desire to help those caught up in the opioid crisis. We are grateful to those members who have given their time to interim committee consideration of how government can best be involved in addressing this painful scar on our culture. I respect the personal experiences of the good Senator from District 22. I too have dealt with a parent who has struggled with addiction. But, we hear the concerns of constituents who recognize the danger of government-sanctioned injection sites. Constituents who rightly recognize the dangers of facilitating heroin use in their communities and who reject the notion that such is somehow safe.

Senate Republicans will also honor the Fourth Amendment of the United States Constitution which states, "The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized."

We urge you, colleagues, to consider those words. Rather than empower government to search for things that our courts or law enforcement may not know actually exist in one or more locations known or unknown, let's work together to provide greater mental health resources to those in need. Rather than empower government to seize property, let's focus on securing help for those persons who need our help the most.

For opioid addition, red flag scenarios, and other instances when people cry out for help, let us avoid rewarding bad behavior or trampling on the Constitution. Rather, let us work together to provide more and better mental health resources including beds, mental and physical health care, and healing for those who need our help the most.

Mr. President, the Senate Minority Caucus understands that bills are made of words and numbers on paper. We understand that if you are seeking one hundred something's, and we are advocating fifty something's, then maybe seventy-five something's would be a reasonable place to compromise.

We also understand that when dealing in the medium of words, that bills have dozens, hundreds, or even thousands of them… words. If we agree on the problem to be solved and if we agree that a given bill is generally a good way to solve that problem, then the discussion turns to which word or words cause our disagreement? Is it a word, a sentence, paragraph, section, page, or pages? How might we edit, amend, those words to a point where we can agree on the proposed solution?

This is a fascinating process of listening, learning, and negotiating that we launch into today. Mr. President, Mr. Majority Leader, colleagues, we Senate Republicans welcome the opportunity to serve with you here in the Colorado Senate. Why? Because the People of Colorado wanted it this way.

May God bless each of you, your family, friends, and those who helped bring you to this chamber. May God bless the state of Colorado. And, may God bless America.

And now, Mr. President, let's get to work.

Thank you, Mr. President.
Senate reconvened.

On motion of Majority Leader Fenberg, and with the unanimous consent of those elected to the Senate, the above remarks of President Garcia and Minority Leader Holbert were ordered spread upon the pages of the journal.

LETTER OF RESIGNATION

December 17, 2018
Office of the Secretary of the Senate
Colorado State Capitol
200 East Colfax Avenue
Denver, CO 80203

Dear Secretary -

It has been the honor of my life to serve the residents of both House District 57 and Senate District 8 over the last ten years. I am humbled by the support I have received in my elections and even more so by those that have been positively affected by legislation I have worked on.

My time in the State Capitol has been rewarding beyond belief as I've had the opportunity to fight for good government, great people, and by far the most glorious State that God gave to the United States.

During my time under the Golden Dome, I've learned many lessons, with none being as important as to always put your family first. My family's resilience and love have given me the grace to continue forward under the most difficult of circumstances, and in light of new opportunities, I must put them first in order to fulfill my obligations as a father and as a husband.

To all I have worked with in the State Capitol - House and Senate - I give you my sincere gratitude for the amazing experiences and opportunities that I've had. They will stay with me for the rest of my life.

Effective on the 21st of January, at 12:01 A.M., I hereby retire as a Colorado State Senator for the 8th District. May God continue to bless the United States of America and the great State of Colorado.

With Gratitude -
(signed)
Randy Baumgardner
Colorado State Senator, District 8
Father and Husband

"SECTION 1. In Colorado Revised Statutes, add 18-1-110.5 as follows:  
18-1-410.5. Relief from improperly entered guilty pleas - legislative declaration. (1) The general assembly finds that:  
(a) A criminal defendant cannot challenge an unconstitutional guilty plea when that plea has been withdrawn and the underlying charges dismissed following the successful completion of a deferred judgment;  
(b) Based on the statutory language of section 18-1.3-102, together with the written deferred judgment agreement and court colloquy that accompanies such agreements, many noncitizen defendants did not understand that the guilty plea would continue to constitute a conviction for immigration purposes and result in adverse immigration consequences, despite the subsequent withdrawal of the guilty plea and dismissal of the charges upon successful completion of the deferred judgment; and  
(c) In the absence of an appropriate mechanism, many noncitizen defendants have been unfairly deprived of the opportunity to challenge guilty pleas that were entered in violation of the constitution or laws of the United States or of this state that resulted in adverse immigration consequences.  
(2) At any time following the withdrawal of the guilty plea and dismissal of the charges upon successful completion of a deferred judgment, a criminal defendant may challenge the guilty plea on the grounds set forth in subsection (3) of this
SECTION. THE COURT IN WHICH THE GUILTY PLEA WAS ORIGINALLY ENTERED HAS JURISDICTION AND AUTHORITY TO DECIDE THE MOTION.

(3) A DEFENDANT MOVING TO VACATE A GUILTY PLEA THAT HAS ALREADY BEEN WITHDRAWN FOLLOWING THE SUCCESSFUL COMPLETION OF A DEFERRED JUDGMENT MUST, IN GOOD FAITH, ALLEGE THE FOLLOWING:

(a) AS A RESULT OF THE GUILTY PLEA, THE DEFENDANT HAS SUFFERED, IS CURRENTLY SUFFERING, OR WILL SUFFER, AN ADVERSE IMMIGRATION CONSEQUENCE; AND

(b) THE GUILTY PLEA WAS OBTAINED IN VIOLATION OF THE CONSTITUTION OR LAWS OF THE UNITED STATES OR OF THIS STATE UNDER ONE OR MORE OF THE FOLLOWING GROUNDS:

(I) THE DEFENDANT WAS NOT INFORMED THAT THE GUILTY PLEA WOULD CONTINUE TO RESULT IN ADVERSE IMMIGRATION CONSEQUENCES DESPITE THE SUBSEQUENT WITHDRAWAL OF THE GUILTY PLEA AND DISMISSAL OF THE CHARGES WITH PREJUDICE;

(II) THE DEFENDANT WAS NOT ADEQUATELY ADVISED OF THE IMMIGRATION CONSEQUENCES OF THE GUILTY PLEA; OR

(III) THE GUILTY PLEA WAS CONSTITUTIONALLY INFIRM FOR ANY OTHER REASON SET FORTH IN SECTION 18-1-410 (1).

(b) UNLESS THE PROSECUTION PROVES BY A PREPONDERANCE OF THE EVIDENCE THAT THE DEFENDANT WILL NOT SUFFER AN IMMIGRATION CONSEQUENCE OR THAT THE GUILTY PLEA WAS CONSTITUTIONALLY ENTERED, THE COURT SHALL GRANT THE MOTION.

(c) FOR CLAIMS RAISED PURSUANT TO SUBSECTION (3)(b)(I) OF THIS SECTION, THE PROSECUTION CAN NEITHER RAISE AN ISSUE OF MATERIAL FACT TO OBTAIN AN EVIDENTIARY HEARING NOR DEFEAT A CLAIM AT THE HEARING BY RELYING ON WRITTEN DOCUMENTS, SUCH AS A DEFERRED JUDGMENT AGREEMENT, PLEA PAPERWORK, OR TRANSCRIPT OF A COURT COLLOQUIY, UNLESS THOSE DOCUMENTS CLEARLY SHOW THAT THE DEFENDANT WAS INFORMED THAT THE IMMIGRATION CONSEQUENCES RESULTING FROM A GUILTY PLEA WOULD REMAIN DESPITE THE SUBSEQUENT WITHDRAWAL OF THAT GUILTY PLEA AND THE DISMISSAL OF THE CHARGES WITH PREJUDICE.

(5) IF THE DEFENDANT SUCCEEDS IN CHALLENGING A GUILTY PLEA UNDER SUBSECTION (3) OF THIS SECTION, THE COURT SHALL VACATE THE GUILTY PLEA AS CONSTITUTIONALLY INFIRM. THE ORDER CONSTITUTES AN ADDITIONAL INDEPENDENT BASIS FOR THE VACATUR OF THE GUILTY PLEA AND DOES NOT RESULT IN THE REINSTATEMENT OF CHARGES.

SECTION 2. Applicability. This act applies to charges dismissed before, on, or after the effective date of this act.

SECTION 3. Safety clause. The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety."

Amend printed bill, page 7, after line 1 insert:

"SECTION 3. Federal funds. For the 2019-20 state fiscal year, the general assembly anticipates that the department of human services will receive $50,688 in federal funds to implement this act. This figure is included for informational purposes only."

Renumber succeeding section accordingly.

After consideration on the merits, the Committee recommends that SB19-017 be referred to the Committee of the Whole with favorable recommendation and with a recommendation that it be placed on the Consent Calendar.

After consideration on the merits, the Committee recommends that SB19-002 be amended as follows, and as so amended, be referred to the Committee on Finance with favorable recommendation.

Amend printed bill, strike everything below the enacting clause and substitute:

"SECTION 1. Legislative declaration. (1) The general assembly hereby:
(a) Finds that:
(I) Student loan debt has reached a crisis point. More than 44,000,000 individuals in the United States owe some amount of student loan debt. Total student loan debt in the United States currently exceeds $1.48 trillion, surpassing both the amount of credit card debt and car loans. With tuition and other college costs on the rise, student loan debt continues to rise, with no clear reduction in sight.
(II) According to the Institute for College Access and Success, 52..."
percent of Colorado's students graduate with student loan debt, with an average balance of $26,530. There are approximately 761,000 student loan borrowers in Colorado, and the total student loan debt outstanding for Coloradans is approximately $26 billion.

(III) Student loan debt is a hindrance to the state's economy, preventing borrowers from achieving financial independence, buying property, starting businesses, and otherwise investing in Colorado's economy;

(b) Determines that:

(I) Student loan servicers administer student loans, serving as a critical link between borrowers and lenders in managing accounts, processing payments, and communicating directly with borrowers. Despite this critical relationship, according to the federal consumer financial protection bureau (CFPB), there are no consistent, market-wide federal standards for student loan servicing.

(II) The CFPB released a report in September of 2015 that found that student loan borrowers encounter servicers that discourage borrower-friendly alternative payment plans, fail to respond to questions and payment processing errors, and fail to provide sufficient information to borrowers regarding payments, benefits, interest rates, and other charges; and

(III) A report released in March of 2017 found that Coloradans complained to the CFPB 124 times about their student loan servicers in 2017 alone, and that nationally, complaints against servicers had increased by 429 percent compared to data collected in 2016; and

(c) Declares that it intends by the enactment of the "Colorado Student Loan Servicers Act" to promote all of the following:

(I) Meaningful access to federal affordable repayment and loan forgiveness benefits;

(II) Reliable information about student loans and loan repayment options;

(III) The public interest in furtherance of the state's historic police powers to protect the health, welfare, and safety of the state and, in furtherance of the public interest, the act should be liberally construed to effectuate that intent; and

(IV) Quality customer service and fair treatment.

(4) License expiration. A LICENSE ISSUED PURSUANT TO THIS
SECTION EXPIRES EACH JANUARY 31 UNLESS RENEWED OR EARLIER
SURRENDERED, SUSPENDED, OR REVOKED PURSUANT TO THIS ARTICLE 20.
NO LATER THAN FIFTEEN DAYS AFTER A LICENSEE CEASES TO ENGAGE IN
THE BUSINESS OF SERVICING IN THIS STATE FOR ANY REASON, INCLUDING
A BUSINESS DECISION TO TERMINATE OPERATIONS IN THIS STATE, LICENSE
REVOCATION, BANKRUPTCY, OR VOLUNTARY DISSOLUTION, THE LICENSEE
SHALL PROVIDE A WRITTEN NOTICE OF SURRENDER TO THE ADMINISTRATOR
AND SHALL SURRENDER TO THE ADMINISTRATOR ITS LICENSE FOR EACH
LOCATION IN WHICH THE LICENSEE HAS CEASED TO ENGAGE IN SERVICING.
The written notice of surrender must identify the location
WHERE THE RECORDS OF THE LICENSEE WILL BE STORED AND THE NAME, ADDRESS, AND TELEPHONE NUMBER OF A PERSON AUTHORIZED TO PROVIDE ACCESS TO THE RECORDS. THE SURRENDER OF A LICENSE DOES NOT REDUCE OR ELIMINATE THE LICENSEE’S CIVIL OR CRIMINAL LIABILITY ARISING FROM ACTS OR OMISSIONS OCCURRING BEFORE THE SURRENDER OF THE LICENSE, INCLUDING ANY ADMINISTRATIVE ACTIONS TAKEN BY THE ADMINISTRATOR TO REVOKE OR SUSPEND A LICENSE, ASSESS A CIVIL PENALTY, ORDER RESTITUTION, OR EXERCISE ANY OTHER AUTHORITY PROVIDED TO THE ADMINISTRATOR.

(b) If an application for a renewal license has been filed with the administrator on or before the date the license expires, the license sought to be renewed continues in effect until the issuance by the administrator of the renewal administrator has notified the licensee in writing of the administrator’s refusal to issue the renewal license together with the grounds upon which the refusal is based.

(7) Update application information. An applicant or licensee under this section shall notify the administrator, in writing, of any change in the information provided in its initial application for a license or its most recent renewal application for a license, as applicable, not later than ten business days after the occurrence of the event that results in the change.

(8) Incomplete application. The administrator may consider an application for a license under this section abandoned if the applicant fails to respond to any request for information required under this article 20 or any rules adopted pursuant to this article 20, as long as the administrator notifies the applicant, in writing, that the application will be considered abandoned if the applicant fails to submit the information within sixty days after the date on which the request for information was made. Abandonment of an application pursuant to this subsection (8) does not preclude the applicant from submitting a new application for a license under this article 20.

(9) Change of license notification. A LICENSEE UNDER THIS SECTION SHALL NOT ACT WITHIN THIS STATE AS A STUDENT LOAN SERVICER UNDER ANY NAME OR AT ANY PLACE OF BUSINESS OTHER THAN THOSE NAMED IN THE LICENSE. A LICENSEE SHALL GIVE PRIOR WRITTEN NOTICE TO THE ADMINISTRATOR OF A CHANGE OF BUSINESS LOCATION. A LICENSEE SHALL NOT OPERATE MORE THAN ONE PLACE OF BUSINESS UNDER ANY LICENSE, BUT THE ADMINISTRATOR MAY ISSUE MORE THAN ONE LICENSE TO A LICENSEE THAT COMPLIES WITH THIS ARTICLE 20 AS TO EACH LICENSE. A LICENSE IS NOT TRANSFERABLE OR ASSIGNABLE.

(10) Records retention - records request. A student loan

STUDENT EDUCATION LOAN AGREEMENT, OR A CONTRACT BETWEEN THE
FEDERAL GOVERNMENT AND A LICENSEE. UPON REQUEST BY THE

BY REGISTERED OR CERTIFIED MAIL, RETURN RECEIPT REQUESTED, OR BY ANY
EXPRESS DELIVERY CARRIER THAT PROVIDES A DATED DELIVERY RECEIPT,

GRANT THE LICENSEE ADDITIONAL TIME TO MAKE THE RECORDS
AVAILABLE OR TO SEND THE RECORDS TO THE ADMINISTRATOR.

(a) The administrator may suspend, revoke, annul, limit, modify,
or refuse to renew a license issued pursuant to subsection (2)
of this section or take any other action in accordance with this
article 20 if the administrator finds one or more of the
following:

20 or any rule lawfully adopted or order lawfully issued
pursuant to and within the authority of this article 20; or
(ii) Any fact or condition exists that, if it had existed at
the time of the original application for the license, clearly

5-20-107. License and investigation fees. (1) A person
applying for licensure under section 5-20-106(1) or (2) shall pay
the following nonrefundable fees established by the

account or an explanation for the student loan servicer’s
position that the borrower’s account is correct.
(b) The thirty-day period described in subsection (2)(a) of
this section may be extended for not more than fifteen days if,
before the end of the thirty-day period, the student loan

(b) The number of electric vehicles registered in Colorado has doubled over the last three years, and, with expanded infrastructure investment, future growth is projected to accelerate;
(c) This growth will be assisted by investments in infrastructure necessary to maximize the benefits of the expanding electric vehicle market;
(d) Widespread adoption of electric vehicles requires that public utilities increase access to electricity as transportation fuel, including for low- and moderate-income and underserved communities;
(e) Widespread adoption of electric vehicles should provide consumers with fuel cost savings and electric utility customers with potential cost-saving benefits;
(f) Widespread adoption of electric vehicles should stimulate innovation, competition, and increased choices in charging equipment and networks and should also attract private capital investments and create high-quality jobs in Colorado; and
(g) Widespread adoption of electric vehicles should improve an electric public utility’s electrical system efficiency and operational flexibility, including the ability of the electric public utility to integrate variable renewable energy generation resources and to make use of off-peak generation resources.

SECTION 2. In Colorado Revised Statutes, 40-1-103.3, amend (2) and (6) as follows:

A PUBLIC UTILITY MAY RECOVER THE COSTS OF DISTRIBUTION SYSTEM INVESTMENTS TO ACCOMMODATE ALTERNATIVE FUEL VEHICLE CHARGING, SUBJECT TO EVALUATION AND COST RECOVERY PROVISIONS THAT ARE COMPARABLE TO OTHER REGULATED INVESTMENTS IN THE DISTRIBUTION GRID; EXCEPT THAT DISTRIBUTION SYSTEM INVESTMENTS THAT ARE A COMPONENT OF A TRANSPORTATION ELECTRIFICATION PLAN SUBMITTED IN ACCORDANCE WITH SECTION 40-5-107 ARE SUBJECT TO
SECTIONS 40-3-116 AND 40-5-107.

LETTERS

March 11, 2019

The Honorable Leroy Garcia
President of the Senate
Colorado General Assembly

Mr. President,

Earlier today Senator John Cooke asked for HB 19-1172 to be read at length. For approximately two hours the Senate Reader, as supported by Senate staff, began to read that bill. At some point thereafter, as many as five laptop computers were utilized to read the bill at a pace that was well beyond the ability to comprehend.

Mr. President, I refer you to the Constitution of the State of Colorado, Article V Section 22, "Reading and Passage of Bills", which states "Every Bill should be read by title when introduced, and at length on two different days in each house; provided, however, any reading at length may be dispensed with upon unanimous consent of the members present."

Senate Rule 40(a), "Parliamentary Authority" stipulates that "The latest edition of Mason's Manual of Legislative Procedure shall govern the Senate in all cases in which it is not inconsistent with these rules and the Joint Rules of the Senate and the House of Representatives".

Mason's Rules of Order Section 720, 3, states "A substantial compliance with the constitutional requirement as to the reading of bills is generally sufficient, although it has been held that the requirement of reading the bill on different days is mandatory. Mandatory requirements must be complied with."
Mr. President, I appreciate our conversation earlier today during which I made the request to slow the reading machines to a pace that would be comprehensible. My understanding is that you view the current pace to comply with the State Constitution. I disagree.

Senate Rule 16(e) says "Any Senator shall have the right to protest or remonstrate any action of the Senate, and such protest or remonstrance, with the reasons therefor, if reduced to writing, shall without alteration or delay be, with the consent of the Senate, entered in the journal if the protest or remonstrance is not personal in its nature."

Therefore, I offer this letter as protest to the manner, specifically the speed, at which HB 19-1172 was read at length today. Per rule 16(3) I ask that this letter be entered into the Journal.

Respectfully yours,

(signed)

Chris Holbert
Senate Minority Leader

"SECTION 1. Legislative declaration. (1) The general assembly hereby finds and declares that:

(a) Currently, premiums for health insurance across the nine health insurance geographic rating regions in Colorado, as well as the number of insurance carriers available and the number and variety of plans offered in the different regions, vary significantly;

(b) Premiums in rural areas, especially in the eastern plains and the western slope areas of the state, are considerably higher than premiums in metropolitan areas, and the number of carriers and the diversity of plans they offer are very limited in those areas. In fact, only one carrier is currently offering plans on the health benefit exchange in some rural areas of the state.

(c) Many Coloradans in rural areas are cost-burdened in that they spend more than twenty percent of their household income on premiums for health insurance but earn too much to qualify for subsidies available under federal law;

(d) Because of the financial burden high-cost health insurance places on individuals in rural areas of the state, a considerable number of these cost-burdened individuals may not purchase health insurance in 2019, exacerbating the problems of few carriers, few plan options, and high costs of health insurance in rural regions of the state as well as..."
increasing the number of uninsured individuals in those areas; and
(e) It is therefore important to modernize the laws authorizing
health care cooperatives to enable consumers to help control health care
costs by negotiating rates on a collective basis directly with providers.”.

Renumber succeeding sections accordingly.

COMMITTEE OF REFERENCE REPORTS

Health & Human Services  After consideration on the merits, the Committee recommends that SB19-195 be amended as follows, and as so amended, be referred to the Committee on Appropriations with favorable recommendation.

Amend printed bill, strike everything below the enacting clause and substitute:

"SECTION 1. Legislative declaration. The general assembly finds and declares that, in 2017, suicide was the leading cause of death for children and youth 10 to 24 years of age in the state of Colorado. Childhood and adolescence are critical periods of risk for the onset of a behavioral health disorder. Nationally, half of all lifetime cases of mental illness begin by 14 years of age and three-quarters begin by 24 years of age. Children and youth may be exposed to trauma, maltreatment, and other adverse childhood experiences that may be risk factors for behavioral health diagnoses in adolescence and adulthood, and there is a need to strengthen the protective factors for child and youth health and safety because children and youth have unique physical and behavioral health needs. Additionally, many children and youth are left undiagnosed and untreated because they have not been exposed to adverse childhood experiences or do not show outward signs that would identify the child or youth as at risk.

SECTION 2. In Colorado Revised Statutes, add part 8 to article 5 of title 25.5 as follows:

PART 8
CHILDREN AND YOUTH BEHAVIORAL HEALTH SYSTEM IMPROVEMENTS

25.5-5-801. Legislative declaration. (1) The general assembly finds and declares that:

(a) In order to provide quality behavioral health services to families of children and youth with behavioral health challenges, behavioral health services should be coordinated among state departments and political subdivisions of the state and should be culturally competent, cost-effective, and provided in the least restrictive settings;

(b) The behavioral health system and child- and youth-serving agencies are often constrained by resource capacity and systemic barriers that can create difficulties in..."
PROVIDING APPROPRIATE AND COST-EFFECTIVE INTERVENTIONS AND SERVICES FOR CHILDREN AND YOUTH;

(c) CHILDREN AND YOUTH WITH BEHAVIORAL HEALTH CHALLENGES MAY REQUIRE A MULTI-SYSTEM LEVEL OF CARE THAT CAN LEAD TO DUPLICATION AND FRAGMENTATION OF SERVICES. TO AVOID THESE PROBLEMS, KEEP FAMILIES TOGETHER, AND SUPPORT CAREGIVERS DURING A CHILD'S OR YOUTH'S BEHAVIORAL HEALTH CHALLENGE, DEPARTMENTS AND POLITICAL SUBDIVISIONS OF THE STATE MUST COLLABORATE WITH ONE ANOTHER;

(d) THE FEDERAL "FAMILY FIRST PREVENTION SERVICES ACT OF 2018", AS DEFINED IN SECTION 26-5-101 (4.5), WILL BRING MAJOR CHANGES TO THE CHILD WELFARE SYSTEM, INCLUDING SUPPORTING MORE CHILDREN IN THE COMMUNITY AND REQUIRING A STRONG AND EFFECTIVE CHILD AND YOUTH BEHAVIORAL HEALTH SYSTEM; AND

ARTICLE 78
Teacher Preparation Programs
PART 1
GENERAL PROVISIONS

23-78-101. Short title. The short title of this article 78 is the "Growing Great Teachers Act".

23-78-102. Legislative declaration. (1) The general assembly finds that:

(a) High-quality teaching is the linchpin for effective, high-quality education in the schools of the state. To be an excellent, effective educator, an individual must receive comprehensive, rigorous, and effective training in the art and science of teaching and in the skills and subjects that the individual will teach.
(b) Local education providers who hire teachers who have not completed an adequate preparation, including high-quality clinical practice, are likely to experience a high turnover rate because new teachers who are not well trained leave the profession in their first year of teaching at more than twice the rate of those who have had clinical practice and rigorous preparation;

(c) Student achievement is likely to suffer when teachers are not well prepared for the challenges of the classroom and when teachers do not remain on the job for more than one or two years. In addition, schools with high teacher turnover rates struggle to make long-term improvement.

(d) Research suggests that an effective teacher preparation program should include opportunities for teacher candidates to spend time in the classroom beginning in the first year of the program and continuing and increasing throughout the program, culminating in a full year of clinical practice using a classroom residency model in the final year of the program; and

(e) To be effective, clinical practice must be directed and mentored by an experienced, high-quality master teacher who devotes significant time to working with the teacher candidate. These master teachers should receive training for the role of mentor teacher that results in a license endorsement as well as meaningful compensation for the time spent working with a teacher candidate and sufficient time within the daily work schedule to spend with the teacher candidate.

(2) The general assembly finds, therefore, that it is appropriate to direct the department of education and the department of higher education to collaborate with local education providers, approved educator preparation programs, alternative teacher programs, and other interested parties to identify best practices in providing comprehensive, rigorous, and effective teacher preparation and guidelines for implementing these best practices. The general assembly further finds that it is in the best interests of the state to establish a grant program to provide funding for training and reimbursements for mentor teachers who provide guidance and oversight for teacher candidates while they participate in clinical practice.

PART 2
COLLABORATIVE EDUCATOR PREPARATION GRANT PROGRAM
23-78-201. [Formerly 23-1-120.9 (1)] Legislative declaration.
The general assembly finds that, after studying the teacher shortage issue in Colorado, the department of higher education and the department of education concluded that one strategy for addressing the issue is to promote collaboration among educator preparation programs, alternative teacher programs, school districts, boards of cooperative services, and public schools to facilitate more effective preparation, placement, and retention of educators. The general assembly finds, therefore, that it is appropriate to create a grant program to support educator preparation partnerships involving educator preparation programs, alternative teacher programs, school districts, boards of cooperative services, and public schools to provide targeted educator preparation initiatives that improve the quality and applicability of educator preparation and the intentional placement of newly trained educators with school districts and public schools.

PART 3 is the "Rural Colorado Grow Your Own Educator Act".

(1) The general assembly finds that:
   (a) A shortage in the availability of teachers to fill teaching positions in rural local education providers is causing a significant hardship for rural local education providers;
   (b) The shortage is due, in part, to the high rate of turnover of teachers entering and leaving the profession. Following graduation and initial employment, a high percentage of teachers leave the profession within five years.
   (c) The shortage in some rural local education providers also arises because teachers, after teaching in the rural local education provider for a few years, choose to relocate to a more urban area or to an area with a lower cost of living;
   (d) A program through which a rural local education provider and an institution of higher education enter into an agreement to provide a teaching fellowship in the rural local education provider for selected teacher candidates in their final year of an approved educator preparation program, which leads to employment by the rural local education provider upon graduation, will help to ensure that teachers are well prepared to meet the rural local education provider's needs and expectations, have met specific competencies the rural local education provider identified as being necessary, and are acclimated into the rural local education provider upon hiring. A teacher who receives this level of specific preparation for employment with a specific employer is more likely to remain in the profession and thereby help to reduce the teacher shortage.
   (e) In selecting teacher candidates to participate in a teaching fellowship program, a rural local education provider and an institution of higher education should give preference to applicants who resided within the area surrounding the rural local education provider before attending a higher education institution and are seeking the opportunity to return to the local education provider as a teacher.

23-78-303. [Formerly 23-3.9-203] Definitions. As used in this part 3, unless the context otherwise requires:

(a) The commitment of the rural local education provider and the institution of higher education to jointly design an individualized, one-year teaching fellowship for each teaching fellow who is selected, which fellowship is designed to meet the needs of both the rural local education provider and the teaching fellow. (II) Joint selection by the rural local education provider and the institution of higher education of each teaching fellow and any criteria, in addition to that identified in subsection (2)(a)(I) of this section, that they apply in selecting the teaching fellows. The rural local education provider and the institution may give priority to an applying eligible student who resided within the area surrounding the rural local education provider before attending the institution and seeks to return to the rural local education provider as a teacher.

(III) Identification of the competencies that each teaching fellow is expected to master by the completion of the fellowship year, which are in addition to the teacher quality standards adopted by the state board of education pursuant to section 22-2-109 and reflect the unique needs of the rural local education provider;

(IV) Explanation of how the rural local education provider and the institution of higher education will support the teaching fellow in mastering the identified competencies;

(V) Assignment by the rural local education provider of an experienced, nonprobationary teacher who has received a highly effective rating through the rural local education provider's performance evaluation system implemented pursuant to section 22-9-106 to act as a supervising teacher for the teaching fellow; and

(b) The commitment of the rural local education provider to extend an offer of employment to each teaching fellow who successfully completes the fellowship year, as determined by the rural local education provider based on the teaching fellow's mastery of the competencies, satisfactory completion of assigned duties, completion of graduation requirements, and attainment of an initial teacher license as provided in article 60.5 of title 22;

(c) The commitment of the institution of higher education to:

(I) Provide a stipend to each selected teaching fellow as provided in section 23-3.9-206;

The agreement must specify the responsibilities of each party if either cancels the agreement, including at a minimum the responsibilities owed to a teaching fellow if the agreement is cancelled during his or her fellowship year.

(3) During the one-year teaching fellowship, each teaching fellow is expected to complete the approved educator preparation program in which he or she is enrolled and any additional requirements for completing his or her postsecondary credential. Each teaching fellow must commit to at least two full school years of employment by the rural local education provider following completion of the fellowship year if the teaching fellow receives an offer of employment from the rural local education provider for each of the two school years. A teaching fellow who receives offers of employment for both school years and does not complete the two full school years of employment must repay the amount received as a stipend during the fellowship year.

(4) A rural local education provider that is located within one of the geographic areas, or that is seeking to fill a teaching position in one of the subjects, identified by the department of education pursuant to section 23-3.9-204 may enter into agreements with multiple institutions of higher education. A rural local education provider may enter into an agreement with an institution of higher education regardless of whether the rural local education provider is located within the institution's service area. A rural local education provider may seek assistance from the department of higher education in identifying an appropriate institution of higher education with which to enter into an agreement.

PART 3

FAMILY AND MEDICAL LEAVE INSURANCE

8-13.3-301. Short title. The short title of this part 3 is the "FAMILY AND MEDICAL LEAVE INSURANCE ACT" or "FAMLI ACT".

8-13.3-302. Legislative declaration. (1) The general assembly hereby finds and declares that:

(a) Colorado is a family-friendly state, and providing the workers of Colorado with family and medical leave insurance will encourage an entrepreneurial atmosphere and economic growth and promote a healthy business climate;

(b) The United States is the only industrialized nation in the world that does not mandate access to paid leave benefits, simultaneously, nearly half of Americans live paycheck to paycheck and are unable to access two thousand dollars in the event of an emergency.

(c) Leave under the federal "FAMILY AND MEDICAL LEAVE ACT OF 1993", as amended, Pub.L. 103-3, codified at 29 U.S.C. sec. 2601 et seq., is both unpaid and unavailable to more than forty percent of private sector workers in the United States. This part 3, known as the state "FAMILY AND MEDICAL LEAVE INSURANCE ACT" or "FAMLI ACT", provides a necessary safety net for all Colorado workers, as paid family and medical leave allows workers to remain in the workforce, stay safe, seek necessary medical treatment, and provide care to loved ones at critical times, and understand that the general assembly hereby finds and declares that:"

BY POOLING COSTS AND MAKING IT MORE AFFORDABLE TO PROVIDE PAID
FAMILY AND MEDICAL LEAVE TO THEIR WORKFORCE;

(r) Access to paid family and medical leave through an
insurance program levels the playing field for small business
owners, who often cannot afford to offer the same generous
paid family and medical leave benefits as larger companies and
therefore face a competitive disadvantage in hiring;

(s) As reported in 2014 by the Council of Economic
Advisers, an agency within the executive office of the President,
"[P]aid leave policies can help business recruit talented workers
who plan to stay with a firm after having children… paid leave
has been shown to increase the probability that women continue
in their job after having a child, rather than quitting
permanently, saving employers the expense of recruiting and
training additional employees." The report further finds, "[b]y
enabling workers who would have otherwise dropped out of the
labour force to instead take short-term leave, such policies
could benefit their employer's long-term productivity by
improving recruitment, retention, and worker motivation."

(t) A recent United States Department of Labor Study
found that lack of leaves means that nearly five million women
in the United States leave their workforce for family caregiving
responsibilities and that if those women participated in
the economy at the same rate as their peers in Canada, a country
with generous paid family and medical leave benefits, economic
activity in the United States would be five hundred billion
dollars higher every year, a benefit to all companies;

(u) According to Pew Research Center, the percentage of
mothers not in the workforce grew to twenty-nine percent in
2012, up from twenty-three percent in 1999. A majority of
unemployed women reported that they were home to care for
a family member, while only six percent said they were home
because they could not find work. When women, who comprise
forty-seven percent of the United States' workforce, leave the
workforce, labor supply goes down and the cost of labor for
businesses goes up. Access to paid leave increases labor supply and
therefore decreases labor costs for businesses, particularly in
tight competitive labor markets.

8-13.3-308. Amount of benefits - maximum weekly benefit.

(1) (a) The division shall determine an eligible individual's weekly benefit amount, subject to subsection (1)(b) of this section.
SECTION, AS FOLLOWS:

(I) Ninety percent of the eligible individual’s weekly wage for all wages that are less than fifty percent of the average weekly wage; and

(II) Fifty percent of the eligible individual’s weekly wage for all wages that equal or exceed fifty percent of the average weekly wage.

(b) The maximum weekly benefit amount determined under subsection (1)(a) of this section must not exceed one thousand dollars per week. Starting January 1, 2025, the division shall annually adjust the maximum weekly benefit amount to an amount equal to ninety percent of the average weekly wage.

(c) The division shall calculate an eligible individual’s weekly benefit amount based on the eligible individual’s weekly wage earned from the job from which the eligible individual is taking family and medical leave. If the eligible individual is able to continue working at an additional job where the individual is not taking leave while taking family and medical leave, the division shall not consider the eligible individual’s weekly wage earned from the additional job when calculating the eligible individual’s weekly benefit amount.

(2) For purposes of calculating an eligible individual’s weekly benefit in accordance with subsection (1) of this section, the eligible individual’s weekly wage is one-thirteenth of the wages paid during the quarter of the eligible individual’s base period, as defined in section 8-70-103(2), or alternative base period, as defined in section 8-70-103(1.5), in which the total wages were highest. For purposes of this subsection (2), wages include, but are not limited to, salary, wages, tips, commissions, and other compensation as determined by the director by rule.

(3) An eligible individual may take intermittent leave under any increments of one hour or shorter if consistent with the increments the employer typically uses to measure employee leave; except that benefits are not payable until the eligible individual accumulates at least one day or eight hours of family and medical leave.

(4) The division shall not reduce the weekly benefit amount by the amount of wage replacement that an eligible individual receives while on family and medical leave, and other compensation as determined by the director by rule, but are not limited to, accrued vacation or personal time, that an eligible individual voluntarily elects to take.

(5) An employer may pay family and medical leave insurance benefits directly to an eligible individual and seek reimbursement as provided in this subsection (5).

(b) Except as provided in subsection (5)(c) of this section, if an employer makes advance payments to an employee that are equal to or greater than the amount required under this part 3, during any period of family and medical leave for which the employee is entitled to the benefits provided by this part 3, the division shall reimburse the employer for the amount equal to any benefits due or to become due for the employee under this part 3 if the employer’s claim for reimbursement is filed with the division prior to the division’s payment of benefits to the employee.

(c) If an employer that provides family and medical leave insurance benefits through a private plan approved pursuant to section 8-13.3-315 makes advance payments to an employee that are equal to or greater than the amount required under this part 3, during any period of family and medical leave for which the employee is entitled to the benefits provided by this part 3, the entity that issued the private plan shall reimburse the

8-13.3-309. Family and medical leave insurance fund - creation - employee premiums - rules. (1) (a) There is hereby created in the state treasury the family and medical leave insurance fund. The fund consists of premiums paid pursuant to subsection (2) of this section and revenues from revenue bonds issued in accordance with section 8-13.3-304 (2)(d). Money in the fund may be used only to pay revenue bonds; to reimburse employers who pay family and medical leave insurance benefits directly to employees in accordance with section 8-13.3-308 (5)(a); to reimburse members of the family and medical leave insurance advisory board in accordance with section 8-13.3-317 (4); and to pay benefits under, and to administer, the program pursuant to this part 3, including technology costs to administer the program and outreach services developed under section 8-13.3-305 (5). Interest earned on the investment of money in the fund remains in the fund. Any money remaining in the fund at the end of a fiscal year remains in the fund and does not revert to the general fund or any other fund. State money in the fund is continuously appropriated to the division for the purpose of this section. The general assembly shall not appropriate money from the fund for the general expenses of the state.

(b) The division may seek, accept, and expend gifts, grants, and donations, including program-related investments and community reinvestment funds, to finance the costs of establishing and implementing the program.

(2) (a) (I) Effective January 1, 2023, each individual employed by an employer in this state shall pay sixty percent and each employer in the state shall pay forty percent of the premium amount determined in accordance with this subsection (2)(a). The director shall not apply the premium to wages that exceed eighty percent of the contribution and benefit base limit established annually by the United States social security administration for purposes of the federal "Old-Age, Survivors, and Disability Insurance Amendments of 1965", as amended, Pub.L. 89-97. Premiums established in accordance with this subsection (2) are fees and not taxes. (II) (A) For the 2023 and 2024 calendar years, the premium amount is sixty-four one-hundredths of one percent of wages per employee. (B) For the 2025 calendar year, the director shall set the premium based on a percent of employee wages and at the rate necessary to obtain a total amount of premium contributions equal to one hundred fifty percent of the benefits paid during the immediately preceding calendar year plus an amount equal to one hundred percent of the cost of administration of the payment of those benefits during the immediately preceding calendar year. The premiums established in accordance with this subsection (2)(a)(II)(B) must not exceed ninety-nine one hundredths of one percent of wages per employee. (C) For the 2026 calendar year and each calendar year thereafter, the director shall set the premium based on a percent of employee wages and at the rate necessary to obtain a total amount of premium contributions equal to between one hundred twenty-five and one hundred fifty percent of the

MAY FILE A COMPLAINT WITH THE DIVISION AGAINST AN EMPLOYER FOR A

(c) A CLAIM BROUGHT IN ACCORDANCE WITH THIS SECTION MUST

END
BE FILED WITHIN TWO YEARS AFTER THE DATE OF THE LAST EVENT CONSTITUTING THE ALLEGED VIOLATION FOR WHICH THE ACTION IS BROUGHT.

(d) The division shall consult with and keep complainants notified regarding the status of their complaint, any resulting investigation, and any notice of violation regarding their claim. If the division rules that a violation has occurred, the division shall issue to the offending employer a notice of violation and any fines pursuant to subsection (b) of this section. The director may grant a reasonable period of time, but in no event longer than fourteen days after the day of notification, for correction of the violation. If the violation is corrected within that period, no fine shall be imposed. The director shall, by rule, provide details regarding the waiver of fines and prescribe the form and wording of notices of violation, including information on appealing the decision of the division.

(e) The division shall rule on a claim within one hundred eighty days after the claim is filed.

(f) An aggrieved individual shall not bring a civil action in a court of competent jurisdiction until:

(I) A claim brought under this section has been ruled upon by the division;
(II) Mediation is complete and the claim is resolved; or
(III) One hundred eighty days have elapsed from the date on which the claim was filed.

(g) An employer who violates this section is subject to the damages and equitable relief available under 29 U.S.C. sec. 2617 (a)(1), including economic damages, liquidated damages, attorney fees, and equitable relief including, but not limited to, reinstatement to employment. If the aggrieved individual files a civil action in a court of competent jurisdiction after a finding by the division that an employer has violated this section, any filing fee under article 32 of title 13 shall be waived.

(h) The director, by rule, shall establish a fine structure for employers who violate this section. The director shall transfer any fines collected pursuant to this section to the state treasurer for deposit in the fund.

(6) Nothing in this section relieves an employer of any obligation under a collective bargaining agreement.

(7) This section does not apply to an employee of a local government that has elected coverage pursuant to section 13.3-313.

8-13.3-311. Coordination of benefits - rules. (1) (a) Leave taken under this part 3 runs concurrently with any FMLA leave or leave taken under part 2 of this article 13.3. If a period of family and medical leave received by an employee under this part 3 is concurrently designated as leave pursuant to the FMLA or part 2 of this article 13.3, the employer shall notify the employee of the designation and shall also provide the employee with the notice required under 29 CFR 825.300 (d).

(b) An employer may require that payment made or leave taken under this part 3 be made or taken concurrently or otherwise coordinated with payment made or leave allowed under the terms of disability or family care leave under an employer policy or employment contract, as applicable. The employer shall give its employees written notice of this requirement.

(c) Notwithstanding subsections (1)(a) and (1)(b) of this section, an employer shall not require an employee to use or exhaust time off under an employer policy, including paid time off, vacation time, or sick time, prior to use of family and medical leave under this part 3. In addition, an employer shall not require an employee to charge all or part of the employee’s family and medical leave under this part 3 to unused accruals or other paid time off, including vacation time and sick time, except where the employer maintains a separate bank of paid time solely for the purpose of paid family and medical leave under this part 3.

(d) Subject to the limitations under section 13.3-308 (4),
AN EMPLOYEE MAY SUPPLEMENT THE FAMILY AND MEDICAL LEAVE INSURANCE BENEFITS THE EMPLOYEE IS RECEIVING THROUGH THE PROGRAM, THROUGH VACATION, SICK, OR OTHER PAID TIME OFF, TO ENSURE THAT THE EMPLOYEE IS RECEIVING ONE HUNDRED PERCENT OF THE EMPLOYEE’S WEEKLY WAGE. NOTHING IN THIS SUBSECTION (1)(d) REQUIRES AN EMPLOYEE TO RECEIVE OR USE, OR AN EMPLOYER TO PROVIDE, ADDITIONAL PAID TIME OFF AS DESCRIBED THIS SUBSECTION (1)(d).

(2) (a) FOR A COVERED INDIVIDUAL WHO IS ELIGIBLE FOR FAMILY AND MEDICAL LEAVE INSURANCE BENEFITS DUE TO A SERIOUS HEALTH CONDITION RESULTING FROM AN ACCIDENT, INJURY, OR OCCUPATIONAL DISEASE FOR WHICH THE RIGHT OF COMPENSATION EXISTS UNDER SECTION 8-41-301, THE WEEKLY BENEFIT AMOUNT SHALL BE REDUCED, BUT NOT BELOW ZERO, BY AN AMOUNT EQUAL TO SEVENTY-FIVE PERCENT OF:

(I) ANY TEMPORARY DISABILITY BENEFITS PAID FOR THAT WEEK PURSUANT TO SECTION 8-42-105 OR 8-42-106; OR

(II) THE PERMANENT TOTAL DISABILITY BENEFITS PAID PURSUANT TO SECTION 8-42-111.

(b) NOTWITHSTANDING ANY OTHER LAW, BENEFITS PAID TO AN INDIVIDUAL PURSUANT TO THE "WORKERS' COMPENSATION ACT OF COLORADO", ARTICLES 40 TO 47 OF THIS TITLE 8, SHALL NOT BE REDUCED OR OFFSET BASED ON THE RECEIPT OF FAMILY AND MEDICAL LEAVE INSURANCE BENEFITS PURSUANT TO THIS PART 3.

(c) COMBINED WORKERS' COMPENSATION BENEFITS AND FAMILY AND MEDICAL LEAVE INSURANCE BENEFITS PAID IN ACCORDANCE WITH SUBSECTION (2)(a) OF THIS SECTION MUST NOT EXCEED A COVERED INDIVIDUAL'S WEEKLY WAGE. WHERE COMBINED BENEFITS WOULD OTHERWISE EXCEED THE COVERED INDIVIDUAL'S WEEKLY WAGE, THE OFFSET PROVIDED FOR IN SUBSECTION (2)(a) OF THIS SECTION SHALL BE INCREASED TO ENSURE COMBINED BENEFITS DO NOT EXCEED THE COVERED INDIVIDUAL'S WEEKLY WAGE.

(d) (I) WHERE BENEFITS HAVE BEEN PAID PRIOR TO A DETERMINATION OF ELIGIBILITY FOR TEMPORARY DISABILITY BENEFITS OR PERMANENT TOTAL DISABILITY BENEFITS UNDER THE "WORKERS' COMPENSATION ACT OF COLORADO", ARTICLES 40 TO 47 OF THIS TITLE 8, FAMILY AND MEDICAL LEAVE INSURANCE BENEFITS MAY BE RETROACTIVELY REDUCED AS SET FORTH IN SUBSECTION (2)(a) OF THIS SECTION ONCE WORKERS' COMPENSATION BENEFITS HAVE BEEN PAID. THE DIRECTOR MAY ADOPT RULES TO DEVELOP A PROCEDURE FOR RECOVERING EXCESS BENEFITS, WHICH MAY INCLUDE THE ASSERTION OF A LIEN AGAINST ANY TEMPORARY DISABILITY BENEFITS OR PERMANENT TOTAL DISABILITY BENEFITS PAID PURSUANT TO ARTICLES 40 TO 47 OF THIS TITLE 8. IF A WORKERS' COMPENSATION CLAIM IS BROUGHT BY THE COVERED INDIVIDUAL, AND THE COVERED INDIVIDUAL INCURS A PERSONAL LIABILITY TO PAY ATTORNEY FEES AND COSTS, THE AMOUNT OF THE LIEN MUST NOT EXCEED THE FAMILY AND MEDICAL LEAVE INSURANCE BENEFITS PAID, LESS THE AMOUNT OF THOSE ATTORNEY FEES AND COSTS.

(II) A LIEN OR RECOVERY OF EXCESS BENEFITS PURSUANT TO THIS SUBSECTION (2)(d) IS NOT A REDUCTION OR OFFSET OF BENEFITS PAID TO AN INDIVIDUAL FOR PURPOSES OF SUBSECTION (2)(a) OF THIS SECTION.

(e) WHERE INDIVIDUALS ARE CONCURRENTLY ELIGIBLE FOR BENEFITS DUE TO A SERIOUS HEALTH CONDITION RESULTING FROM AN ACCIDENT, INJURY, OR OCCUPATIONAL DISEASE FOR WHICH THE RIGHT OF COMPENSATION EXISTS UNDER SECTION 8-41-301 AND UNDER THIS PART 3 FOR A PURPOSE UNRELATED TO THAT SERIOUS HEALTH CONDITION, THE FAMILY AND MEDICAL LEAVE INSURANCE BENEFITS SHALL BE REDUCED BY AN AMOUNT TO BE DETERMINED BY THE DIRECTOR BY RULE. COMBINED WORKERS' COMPENSATION BENEFITS AND FAMILY AND MEDICAL LEAVE INSURANCE BENEFITS PAID IN ACCORDANCE WITH THIS SUBSECTION (2)(e) MUST NOT EXCEED A COVERED INDIVIDUAL'S WEEKLY WAGE. THE DIRECTOR SHALL ADOPT RULES TO ESTABLISH THE PROCESS AND REQUIRED DOCUMENTATION REQUIRED FOR CONCURRENT RECEIPT OF BENEFITS.

(3) (a) THIS PART 3 DOES NOT DIMINISH:

(I) THE RIGHTS, PRIVILEGES, OR REMEDIES OF AN EMPLOYEE UNDER A COLLECTIVE BARGAINING AGREEMENT, EMPLOYER POLICY, OR EMPLOYMENT CONTRACT; OR

(II) AN EMPLOYER'S OBLIGATION TO COMPLY WITH A COLLECTIVE BARGAINING AGREEMENT, EMPLOYER POLICY, OR EMPLOYMENT CONTRACT, AS APPLICABLE, THAT PROVIDES GREATER LEAVE THAN FMLA
LEAVE OR FAMILY AND MEDICAL LEAVE.  
(b) After the effective date of this part, an employer policy adopted or retained must not diminish an employee's right to benefits under this part. Any agreement by an employee to waive the employee's rights under this part is void as against public policy.

8-13.3-312. Erroneous payments - disqualification for benefits - penalties - rules. (1) A covered individual, who, in connection with an application for benefits under the program, willfully makes a false statement or misrepresentation regarding a material fact or willfully fails to report a material fact is disqualified from:  
(a) Family and Medical Leave Insurance Benefits for one year from the date the Division discovers the false statement, misrepresentation, or willful failure to report a material fact; and  
(b) Employment Protection, as provided in section 8-13.3-310 (1)(a).  
(2) If Family and Medical Leave Insurance Benefits are paid erroneously or as a result of willful misrepresentation, or if a claim for Family and Medical Leave Insurance Benefits is rejected after benefits are paid, the Division may seek repayment of benefits from the recipient. The Director shall exercise discretion to waive, in whole or in part, the amount of any repayments where the recovery would be against equity and good conscience. The Director may adopt rules to develop a procedure for recovering erroneous payments of benefits.

8-13.3-313. Elective coverage - withdrawal from coverage - rules. (1) An employee of a local government that has declined participation in the program pursuant to section 8-13.3-314 or a self-employed person, including an independent contractor, sole proprietor, partner, or joint venturer, may elect coverage under the program for an initial period of not less than three years or a subsequent period of not less than one year immediately following another period of coverage. The employee of a local government or self-employed person must file a notice of election in writing with the Director in the form and manner required by the Division. The election becomes effective on the date the notice is filed.  
(2) An employee of a local government or a self-employed person who has elected coverage may withdraw from coverage by filing written notice with the Director within thirty days after the end of the three-year period of coverage or at other times the Director may prescribe by rule. The withdrawal from coverage takes effect no sooner than thirty days after the self-employed person files the notice.  
(3) An employee of a local government or a self-employed person who has elected coverage shall pay only the employee portion of the premium amount established pursuant to section 8-13.3-309 (2)(a).  
(4) An employee of a local government or a self-employed person who has elected coverage in accordance with this section shall remit the employee portion of the premium amount directly to the Division, in the form and manner required by the Director by rule.

8-13.3-314. Local government employers' ability to decline participation in program - rules. (1) A local government may decline participation in the family and medical leave insurance program in the form and manner determined by the Director by rule.  
(2) An employee of a local government that has declined participation in the program in accordance with this section may elect coverage as specified in section 8-13.3-313.  
(3) The Director shall promulgate reasonable rules for the implementation of this section. At a minimum, the rules must include:  
(a) The process by which a local government may decline participation in the program;  
(b) The process by which a local government that has
previously declined participation in the program may subsequently elect coverage in the program; and

2. the notice that a local government is required to provide its employees regarding whether the local government is participating in the program, the ability of the employees of a local government that has declined participation to elect coverage pursuant to section 8-13.3-313, and any other necessary requirements.

8-13.3-315. Employer option to provide family and medical leave benefits through a private plan - approval requirements - rules.

(1) An employer may apply to the division for approval to provide its employees family and medical leave insurance benefits to which the employees are entitled under this part through a private plan instead of through the fund established pursuant to section 8-13.3-309.

(2) The division shall not approve an employer's request to offer benefits through a private plan unless the private plan

(3) The division may withdraw the approval granted under this section for:

(a) Failure to pay benefits;

(2) (a) The department shall study the feasibility of contracting with a third party to administer the program created in this part 3. In determining whether a third party should administer the program, the department shall consider whether doing so would be cost-effective, in the short term and in the long term for both the state and covered individuals, and lead to more efficient program administration and benefit management while assuring quality, worker experience, affordability, coverage, and program accountability.

(b) In fulfilling the requirements of this subsection (2), the department shall make a request for information from third parties that may be willing to administer the program.

(10) (a) An inspector performing an inspection for the state, an incorporated town or city, a county, a city and county, or a qualified state institution of higher education may verify compliance with this article; however, for each project, inspections performed by the state, an incorporated town or city, a county, a city and county, or a qualified state institution of higher education must include a contemporaneous review to ensure that the specific requirements of sections 12-23-105 and 12-23-110.5 have been met. A contemporaneous review may include a full or partial review of the electricians and apprentices working on a job site being inspected.

(b) To ensure that enforcement is consistent, timely, and efficient, each entity, including the state, as described in this subsection (10), shall develop standard procedures to advise its inspectors how to conduct a contemporaneous review. Each entity's standard procedures need not require a contemporaneous review for each and every inspection of a project, but the procedures must preserve an inspector's ability to verify compliance with sections 12-23-105 and 12-23-110.5 at any time. Each entity's procedures must also include provisions that allow for inspectors to conduct occasional, random, on-site inspections while actual electrical work is being conducted, with a focus on large commercial and multi-family residential projects permitted by the entity. Each entity, including the state, shall post its current procedures regarding contemporaneous reviews in a prominent location on its public website. Each entity shall provide a website link to or an electronic copy of its procedures to the board, and the board shall post all of the procedures on a single location on the Department of Regulatory Agencies' website.

12-115-120. Inspection - application - standard - rules. (10) (a) An inspector performing an inspection for the state, an incorporated town or city, a county, a city and county, or a qualified state institution of higher education may verify compliance with this article 115; however, for each project, inspections performed by the state, an incorporated town or city, a county, a city and county, or a qualified state institution of higher education must include a contemporaneous review to ensure that the specific requirements of sections 12-115-109 and 12-115-115 have been met. A contemporaneous review may include a full or partial review of the electricians and apprentices working on a job site being inspected.

(b) To ensure that enforcement is consistent, timely, and efficient, each entity, including the state, as described in this subsection (10), shall develop standard procedures to advise its inspectors how to conduct a contemporaneous review. Each entity's standard procedures need not require a contemporaneous review for each and every inspection of a project, but the procedures must preserve an inspector's ability to verify compliance with sections 12-115-109 and 12-115-115 at any time. EACH ENTITY'S PROCEDURES MUST ALSO INCLUDE PROVISIONS THAT ALLOW FOR INSPECTORS TO CONDUCT OCCASIONAL, RANDOM, ON-SITE INSPECTIONS WHILE ACTUAL ELECTRICAL WORK IS BEING CONDUCTED, WITH A FOCUS ON LARGE COMMERCIAL AND MULTI-FAMILY RESIDENTIAL PROJECTS PERMITTED BY THE ENTITY. Each entity, including the state, shall post its current procedures regarding contemporaneous reviews in a prominent location on its public website. EACH ENTITY SHALL PROVIDE A WEBSITE LINK TO OR AN ELECTRONIC COPY OF ITS PROCEDURES TO THE BOARD, AND THE BOARD SHALL POST ALL OF THE PROCEDURES ON A SINGLE LOCATION ON THE DEPARTMENT’S WEBSITE.

(c) An inspector may file a complaint with the board for any violation of this article 115.

(d) The board shall ensure compliance with this section. If the board determines, as a result of a complaint, that an entity other than the state is conducting electrical inspections that do not comply with this section, the board may issue to that entity an order to show cause, in accordance sections 12-20-405 and 12-115-122 (6), as to why the board should not issue a final order directing that entity to cease and desist conducting electrical inspections until that entity comes into compliance to the satisfaction of the board. If the use of state electrical inspectors is required after the issuance of a final cease and desist order pursuant to this subsection (10)(d), that entity shall reimburse the board for any expenses incurred in performing that entity’s inspections, in addition to transmitting the required permit fees.”.

After consideration on the merits, the Committee recommends that SB19-199 be amended as follows, and as so amended, be referred to the Committee on Appropriations with favorable recommendation.

Amend printed bill, strike everything below the enacting clause and substitute:

"SECTION 1. In Colorado Revised Statutes, 22-7-1202, add (1.5) as follows, 22-7-1202. Legislative declaration. (1.5) (a) The General Assembly further finds that:

(I) Reading is a critical skill that every child must develop early in the child's educational career to be successful;

(II) Research shows that reading instruction that is focused around the foundational reading skills of phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension is highly effective in teaching young children to read;

(III) Section 15 of Article IX of the State Constitution grants to the elected board of education in each school district the authority to have control of instruction in the public schools of the school district, and section 16 of Article IX of the State Constitution prohibits the General Assembly and the State Board of Education from prescribing the textbooks to be used in public schools;

(IV) However, Section 2 of Article IX of the State Constitution requires the General Assembly to provide for the establishment and maintenance of a thorough and uniform system of free public schools throughout the state, and Section 1 of Article IX of the State Constitution vests the General Supervision of the Public Schools of the State in the State Board of Education;

(V) In interpreting these constitutional provisions, the Colorado Supreme Court has found that, because they are competing interests, none are absolute; these interests must be balanced to identify the contours of the responsibility assigned to each entity; and

(VI) It is the General Assembly that initially strikes this balance.

(b) The General Assembly finds, therefore, that ensuring that each child has access through the public schools to evidence-based reading instruction that is focused on developing the foundational reading skills of phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension is a significant component of ensuring that the system of free public schools throughout the state is thorough and uniform. In exercising its authority of general supervision of the public schools of the state, it is appropriate that the State Board of Education, supported by the Department of Education, hold local education providers accountable for demonstrating that the reading instruction they provide is focused on these five foundational reading skills. And, in maintaining control of the instruction in the classrooms of the public schools of their respective school districts, it is appropriate that each school district board of education select the core reading instructional programs and reading interventions to be used in those public schools, so long as they are focused on phonemic awareness, phonics, vocabulary
DEVELOPMENT, READING FLUENCY INCLUDING ORAL SKILLS, AND READING COMPREHENSION TO ENSURE THAT THE STUDENTS EDUCATED IN THE PUBLIC SCHOOLS THROUGHOUT THE STATE CONSISTENTLY RECEIVE EVIDENCE-BASED INSTRUCTION THAT IS PROVEN TO EFFECTIVELY TEACH CHILDREN TO READ.

SECTION 2. In Colorado Revised Statutes, 22-7-1203, amend (9); repeal (12); and add (7.5) as follows:

22-7-1203. Definitions. As used in this part 12, unless the context otherwise requires:

(7.5) "MULTI-TIERED SYSTEMS OF SUPPORTS" MEANS A SYSTEMIC PREVENTIVE APPROACH THAT ADDRESSES THE ACADEMIC AND SOCIAL-EMOTIONAL NEEDS OF ALL STUDENTS AT THE UNIVERSAL, TARGETED, AND INTENSIVE LEVELS. THROUGH THE MULTI-TIERED SYSTEMS OF SUPPORTS, A TEACHER PROVIDES HIGH-QUALITY, SCIENTIFICALLY BASED OR EVIDENCE-BASED INSTRUCTION AND INTERVENTION THAT IS MATCHED TO STUDENT NEEDS; USES A METHOD OF MONITORING PROGRESS FREQUENTLY TO INFORM DECISIONS ABOUT INSTRUCTION AND GOALS; AND APPLIES THE STUDENT'S RESPONSE DATA TO IMPORTANT EDUCATIONAL DECISIONS.

(9) "Per-pupil intervention money" means the money calculated and distributed to local education providers pursuant to section 22-7-1210.5.

(12) "Response to intervention framework" means a systemic preventive approach that addresses the academic and social-emotional needs of all students at the universal, targeted, and intensive levels. Through the response to intervention framework, a teacher provides high-quality, scientifically based or evidence-based instruction and intervention that is matched to student needs; uses a method of monitoring progress frequently to inform decisions about instruction and goals; and applies the student's response data to important educational decisions.

SECTION 3. In Colorado Revised Statutes, amend 22-7-1204 as follows:

22-7-1204. Early literacy education. Each local education provider that enrolls students in kindergarten or first, second, or third grade shall provide to the students enrolled in said grades the instructional programming and services necessary to ensure to the greatest extent possible that students, as they progress through kindergarten, first, second, and third grade, develop the necessary reading skills to enable them to master the academic standards and expectations applicable to the fourth-grade curriculum and beyond. THE INSTRUCTIONAL PROGRAMMING AND SERVICES FOR TEACHING STUDENTS TO READ MUST BE EVIDENCE BASED AND SCIENTIFICALLY BASED AND MUST FOCUS ON READING COMPETENCY IN THE AREAS OF PHONEMIC AWARENESS, PHONICS, VOCABULARY DEVELOPMENT, READING FLUENCY INCLUDING ORAL SKILLS, AND READING COMPREHENSION.

SECTION 4. In Colorado Revised Statutes, amend 22-7-1206, section 22-7-1206, (5) introductory portion, and (5)(c) as follows:

22-7-1206. Reading to ensure academic development plan - contents - implementation. (2) If a student's reading skills are below grade-level expectations, as adopted by the state board, but the student does not have a significant reading deficiency, the local education provider shall ensure that the student receives appropriate interventions through the response to intervention framework MULTI-TIERED SYSTEMS OF SUPPORTS or a comparable intervention system implemented by the local education provider. AT A MINIMUM, THE LOCAL EDUCATION PROVIDER SHALL ENSURE THAT THE STUDENT RECEIVES EDUCATIONAL SERVICES IN A DAILY LITERACY BLOCK FOR THE LENGTH OF TIME IDENTIFIED AS EFFECTIVE IN RESEARCH RELATING TO BEST PRACTICES IN TEACHING READING.

(b) If a student has a significant reading deficiency, the student's READ plan MUST include the intervention instruction that the local education provider provides through the response to intervention framework MULTI-TIERED SYSTEMS OF SUPPORTS or a comparable intervention system implemented by the local education provider.

(5) Each READ plan MUST include, at a minimum:

(c) The type of additional instructional services and interventions the student will receive in reading. AT A MINIMUM, THE LOCAL EDUCATION PROVIDER SHALL ENSURE THAT THE STUDENT RECEIVES...
EDUCATIONAL SERVICES IN A DAILY LITERACY BLOCK FOR THE LENGTH OF TIME IDENTIFIED AS EFFECTIVE IN RESEARCH RELATING TO BEST PRACTICES IN TEACHING READING.

SECTION 5. In Colorado Revised Statutes, 22-7-1208, add (5), (6), and (7) as follows:

22-7-1208. Local education providers - procedures - plans - training. (5) (a) Beginning with the plans adopted for the 2020-21 school year, the plan that a local education provider must adopt based on its accreditation category pursuant to section 22-11-208 or as required pursuant to section 22-11-210, whichever is applicable, must include the following information concerning implementation of this part as it applies to each of the schools operated by the local education provider:

(1) The core and supplemental reading curriculum used at each grade level, including kindergarten for each school that includes a kindergarten educational program. The core and supplemental reading curriculum must be designed around teaching the foundational reading skills of phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension.

(II) The targeted, evidence-based or scientifically based core and supplemental reading instructional program, reading intervention reading instruction, services, and other supports, including those available through the multi-tiered systems of supports or a comparable intervention system implemented by the local education provider, that each school provides to students who are identified as having a significant reading deficiency or as reading below grade level.

(III) The assessments that each school uses at each grade level to meet the requirements specified in section 22-7-1205 (1), and

(IV) If the local education provider receives and uses per-pupil intervention money or money received through the early literacy grant program for professional development, the local education provider's plan for providing the professional development, which development must be targeted, evidence based or scientifically based, and aligned with the instruction, services, and other supports provided to students who are identified as having a significant reading deficiency or as reading below grade level.

(b) If a local education provider is authorized pursuant to section 22-11-303 (4) or 22-11-403 (5) to adopt and submit a plan every two years, the local education provider shall submit to the department the information described in subsection (5)(a) of this section annually.

(c) By the beginning of the 2021-22 school year and continuing for each school year thereafter, each local education provider that receives per-pupil intervention money or a grant through the early literacy grant program in any budget year starting with the 2019-20 budget year shall ensure that each teacher employed to teach kindergarten or any of grades one through three successfully completes or has successfully completed evidence-based training in teaching reading. To comply with this subsection (6)(c), a local education provider must submit evidence, as described in subsection (6)(b) of this section, that each teacher employed to teach kindergarten or any of grades one through three has successfully completed evidence-based training in teaching reading that is:

(I) Included as a course in an approved program of preparation, as defined in section 22-60.5-103 (8), or an alternative teacher program, as defined in section 22-60.5-103 (5);

(II) Included as a course in a post-graduate degree program in teaching reading or literacy;

(III) Provided by the department or included on the advisory list of professional development programs provided by the department pursuant to section 22-7-1209 (2)(c); or

(b) A teacher is deemed to have successfully completed evidence-based training in teaching reading if the local education provider submits to the department evidence that the teacher passed an end-of-course assessment of learning at the completion of the evidence-based training.

(c) At the request of a local education provider, the department shall provide, at no cost to the local education provider, evidence-based training in teaching reading to one or more of the teachers employed by the local education provider to teach kindergarten or any of grades one through three.

(d) notwithstanding the provisions of subsection (6)(a) of this section, a local education provider that is not in compliance with the requirements of this subsection (6) as of the beginning of the 2021-22 school year or for a subsequent school year may request a one-year extension from the department based on a demonstration of good cause for inability to comply.

(e) A local education provider is strongly encouraged to make evidence-based training in teaching reading available to parents and members of the community in order to effectively partner with them in teaching early-grade reading.

(7) Each local education provider is strongly encouraged to partner with adjacent public libraries to enhance the instructional programming and services in literacy provided by the local education provider and to provide access for students and their parents to reading materials for out-of-school literacy development.

The department shall update the list of approved reading assessments on or before July 1, 2019, and every four years thereafter as necessary. The department shall work with the approved assessment publishers to better align, to the extent practicable, the minimum reading competency levels for third grade, which are based on the scores attained on the approved assessments, with the preschool through elementary and secondary education standards for third-grade reading adopted pursuant to section 22-7-1005.

(b) Using the procedure developed pursuant to subsection (3) of this section, the department shall create an advisory list of evidence-based or scientifically based instructional programming in reading and supporting technologies, including software, for assessing and monitoring student progress that local education providers are encouraged to use, which programming in and technology, including software, are aligned with the recommended reading assessments, including the assessment required in subsection (2)(a)(II)(D) of this section. The advisory list may include only programming and technology, including software, that, at a minimum:

(5) (a)(I) The department shall allocate the per-pupil intervention moneys to the local education providers as required in subparagraph (IV) of paragraph (b) of subsection (4) of this section by first dividing the amount of moneys available by the total number of students enrolled in kindergarten and first, second, and third grades in public schools in the state who were identified as having significant reading deficiencies and received instructional services pursuant to READ plans in the budget year preceding the year in which the moneys are allocated. The department shall then allocate to each local education provider an amount equal to said per-pupil amount multiplied by the number of students enrolled in kindergarten and first, second, and third grades in public schools operated by the local education provider who were identified as having significant reading deficiencies and received instructional services pursuant to READ plans in the budget year preceding the year in which the moneys are allocated.

(H) Repealed.

(b) A local education provider may use the per-pupil intervention money only as follows:

(I) To provide full-day kindergarten services to students enrolled in one or more of the public schools operated by the local education provider;

(II) To operate a summer school literacy program as described in section 22-7-1212;

(III) To purchase tutoring services in reading for students who are receiving instructional services pursuant to READ plans;

(III.5) (Deleted by amendment, L. 2018.)

(IV) To provide other targeted, scientifically based or evidence-based intervention services to students who are receiving instructional services pursuant to READ plans, which services are approved by the department;

(V) For a local education provider that is a small rural school district as defined in section 22-7-1211 (4)(a), to purchase from a board of cooperative services the services of a literacy specialist to provide educator professional development in literacy and other support in implementing the requirements of this part 12; or

(VI) To provide professional development programming to support educators in teaching literacy except that a local education provider may not use more than fifteen percent of the per-pupil intervention money received in a budget year for this purpose: Professional development programming authorized in this subsection (5)(b)(VI) may include literacy coaches who provide job-embedded, ongoing professional development to support kindergarten-through-third-grade teacher competence in the evidence-based or scientifically based teaching of phonemic awareness; phonics; vocabulary development; reading fluency, including oral skills; and reading comprehension.

(e) Each budget year, prior to receiving per-pupil intervention money, each local education provider shall submit to the department, for informational purposes, an explanation of the manner in which it will use the money in the coming budget year and the number of students for which the local education provider may receive per-pupil intervention money. If the local education provider intends to provide a service described in subsection (5)(b)(IV) of this section, the department shall review the service and provide the per-pupil intervention money for the service only if the service meets the requirements specified in subsection (5)(b)(IV) of this section. Upon the request of the department, a local education provider shall provide specific expenditure information to the department that specifies the manner in which the local education provider spent the per-pupil intervention money it received in a budget year.

(d) In using the per-pupil intervention moneys allocated pursuant to this subsection (5), each local education provider shall ensure that some type of intervention, as described in paragraph (b) of this subsection (5), is available to each student who is identified as having a significant reading deficiency and who is enrolled in kindergarten or first, second, or
third grade in a school operated by the local education provider.

(6) Each local education provider shall ensure that the per-pupil intervention money it receives in each budget year is used to improve the reading competency of students enrolled in kindergarten and grades one through three and does not replace other money that would otherwise be used for this purpose.

SECTION 8. In Colorado Revised Statutes, add 22-7-1210.5 as follows:

22-7-1210.5. Per-pupil intervention money - uses - distribution - monitoring. (1) To distribute the money appropriated pursuant to section 22-7-1210 (4) for per-pupil intervention money, the department shall annually calculate the per-pupil amount by dividing the amount of money available by the total number of students enrolled in kindergarten and first, second, and third grades in public schools in the state who were identified as having significant reading deficiencies and received instructional services pursuant to READ plans in the budget year preceding the year in which the money is distributed. Subject to the requirements of this section, a local education provider may receive per-pupil intervention money in an amount equal to the calculated per-pupil amount multiplied by the number of students enrolled in kindergarten and first, second, and third grades in public schools operated by the local education provider who were identified as having significant reading deficiencies and received instructional services pursuant to READ plans in the budget year preceding the year in which the money is distributed.

(2) Before the beginning of each budget year, to receive a distribution of per-pupil intervention money, a local education provider must submit to the department by the date specified by state board rule:

(a) The number of students enrolled in kindergarten and first, second, and third grades in public schools operated by the local education provider who were identified as having significant reading deficiencies and received instructional services pursuant to READ plans in the budget year preceding the year in which the money is distributed; and

(b) A budget, including a narrative explanation, for the use of the per-pupil intervention money in accordance with the uses described in subsection (4) of this section.

(3) (a) At the beginning of each budget year, the department shall distribute to a local education provider that meets the requirements specified in subsection (3)(b) of this section the amount of per-pupil intervention money calculated for the local education provider pursuant to subsection (1) of this section for the applicable budget year.

(b) To receive per-pupil intervention money in a budget year, a local education provider must meet the following requirements:

(I) The local education provider must submit the information described in subsection (2) of this section and in section 22-7-1213 (2);

(II) For the 2021-22 budget year and budget years thereafter, the local education provider must submit evidence that it is in compliance with the teacher training requirements specified in section 22-7-1208 (6);

(III) The department must approve the local education provider’s proposed use of the per-pupil intervention money as being in compliance with the requirements in subsection (4) of this section;

(IV) For the preceding budget year, the local education provider must have used the money for one or more of the purposes specified in subsection (4) of this section; except that the provisions of this subsection (3)(a)(III) do not apply if the local education provider did not receive a distribution of per-pupil intervention money in the preceding budget year; and

(V) If the local education provider is expecting to use the per-pupil intervention money for targeted intervention services as described in subsection (4)(d) of this section, the department
reviewed and approved the services. The department shall not approve services that have not been implemented and proven to be successful with a student population and under circumstances that are comparable to those of the local education provider or that are not supported by valid research the department suggests the services will be effective with the student population served by, and under the circumstances of, the local education provider.

(c) Throughout the budget year, the department shall monitor and, if deemed necessary by the department, audit each local education provider’s use of the per-pupil intervention money it receives. The department may conduct site visits to the extent deemed necessary to accurately monitor a local education provider’s use of per-pupil intervention money. Each local education provider shall provide, upon request by the department, information necessary for the department to comply with this subsection (3)(c).

(4) A local education provider may use the per-pupil intervention money only as follows:

(a) To operate a summer school literacy program as described in section 22-7-1212;

(c) To purchase tutoring services that focus on increasing students’ foundational reading skills of phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension for students who are receiving instructional services pursuant to READ plans;

(d) To provide other targeted, evidence-based or scientifically based intervention services to students who are receiving instructional services, which may include services provided by a reading interventionist, pursuant to READ plans, which services are approved by the department;

(e) To provide technology, including software, which is included on the advisory list of instructional programming in reading and supporting technologies pursuant to section 22-7-1209 (2)(b), to assist in assessing and monitoring student progress toward reading competency, which may include providing professional development in the effective use of the technology or software;

(f) To purchase from a board of cooperative services the services of a reading specialist or reading interventionist who is trained in the science of reading and in teaching the foundational reading skills of phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension to provide job-embedded, ongoing professional development in teaching reading and other support in implementing the requirements of this part 12; or

(g) To provide professional development programming to support educators in teaching reading. Professional development programming authorized in this subsection (4)(g) may include hiring a reading coach who is trained in teaching the foundational reading skills of phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension to provide job-embedded, ongoing professional development to support kindergarten-through-third-grade teacher competence in teaching phonemic awareness, phonics, vocabulary development, reading fluency including oral skills, and reading comprehension. A local education provider that has not fully complied with section 22-7-1208 (6) is strongly encouraged to use the per-pupil intervention money to ensure that all teachers employed by the local education provider to teach kindergarten or any of grades one through three successfully complete evidence-based training in teaching reading before using the money for other authorized purposes.

(5) In using the per-pupil intervention money distributed...
Pursuant to this section, each local education provider shall ensure that some type of intervention, as described in subsection (4) of this section, is available to each student who is identified as having a significant reading deficiency and who is enrolled in kindergarten or first, second, or third grade in a school operated by the local education provider.

(6) (a) Each local education provider shall ensure that the per-pupil intervention money it receives in each budget year is used to improve the reading competency of students enrolled in kindergarten and grades one through three who are identified as having a significant reading deficiency or receive instructional services pursuant to READ plans and does not replace other money that would otherwise be used for this purpose.

(b) A local education provider may retain up to fifteen percent of the amount of per-pupil intervention money it receives in a budget year for use in accordance with this section in the next budget year. If a local education provider retains more than the amount authorized in this subsection (6)(b), the department shall reduce the amount of per-pupil intervention money that the local education provider is eligible to receive in the next budget year by the excess retention amount.

SECTION 9. In Colorado Revised Statutes, 22-7-1211, amend (1), (2)(a), (2)(b), (3) introductory portion, (3)(a), and (3)(b); and add (2)(b.3), (2)(b.5), and (3.5) as follows:

22-7-1211. Early literacy grant program - created - definitions. (2) The department shall review each grant application received and recommend to the state board whether to award the grant and the duration and amount of each grant. In making recommendations, the department shall consider the following factors:

(a) The percentage of kindergarten and first-, second-, and third-grade students enrolled by the applying local education provider or group of local education providers who have significant reading deficiencies and the percentage of kindergarten and first-, second-, and third-grade students who do not have significant reading deficiencies but who are not meeting the grade-level expectations in reading adopted by the state board.

(b) Award up to fifteen percent to fund professional development initiatives for local education providers that are already implementing evidence-based or scientifically based universal instruction and interventions that are resulting in significant student academic growth toward reading competency, as determined by an independent evaluator as provided in section 22-7-1209 (8); and

(3.5) Upon completion of the term of a grant, if an independent evaluator, as provided in section 22-7-1209 (8), determines that the instructional program funded by the grant money has resulted in significant student academic growth toward reading competency, and if the local education provider requests an extension of the grant, the state board shall extend the grant for a period recommended by the department. The state board shall increase the amount of the grant if necessary to enable the local education provider to expand or enhance the implementation of the instructional program.

(b) Upon completion of the term of a grant, if an independent evaluator, as provided in section 22-7-1209 (8), determines that the instructional program funded by the grant money has not resulted in significant academic student growth toward reading competency, the state board shall not extend or renew the grant.

(I) A PROVIDER OF BROADBAND INTERNET SERVICE OR AN EXISTING BROADBAND PROVIDER, AS THAT TERM IS DEFINED IN SECTION 38-5.5-102 (3), OR A PERSON THAT INTENDS TO PROVIDE BROADBAND INTERNET SERVICE OR BROADBAND SERVICE; OR

(II) A PERSON THAT DIRECTLY OR INDIRECTLY SELLS, LEASES, OR OTHERWISE TRANSFERS ATTACHED FACILITIES OR A RIGHT TO INSTALL, OPERATE, MAINTAIN, OR USE ATTACHED FACILITIES FOR ANOTHER PERSON'S PROVISION OF COMMERCIAL BROADBAND SERVICE OR A PERSON THAT INTENDS TO SELL, LEASE, OR OTHERWISE TRANSFER ATTACHED FACILITIES OR A RIGHT TO INSTALL, OPERATE, MAINTAIN, OR USE ATTACHED FACILITIES.

(b) "COMMERCIAL BROADBAND SUPPLIER" DOES NOT MEAN AN ELECTRIC UTILITY.

(5) "ELECTRIC EASEMENT" MEANS A RECORDED OR UNRECORDED EASEMENT, RIGHT-OF-WAY UNDER SECTION 38-4-103 OR OTHERWISE, OR SIMILAR RIGHT IN OR TO REAL PROPERTY, NO MATTER HOW ACQUIRED, HELD BY AN ELECTRIC UTILITY FOR THE SITING OF ELECTRIC SERVICE INFRASTRUCTURE OR FOR THE PURPOSE OF DELIVERING ELECTRIC SERVICE, REGARDLESS OF WHETHER:

(11) "Property owner" means a person with a recorded fee simple interest in real property upon which an electric easement is located.

40-15-602. Electric easements - commercial broadband service - broadband affiliates - notice required. (1) With regard to real property subject to an electric easement, if an electric utility, or any commercial broadband supplier designated by the electric utility to act on its behalf, complies with the notice and filing requirements set forth in subsection (2) of this section, the electric utility holding the electric easement may, without the consent of an interest holder in the real property subject to the electric easement, take the following actions to the extent not already permitted by the electric easement:

(a) Install, maintain, or own, or permit any commercial broadband supplier, including a broadband affiliate, to install, maintain, or own an attached facility for external use and operation by a commercial broadband supplier, including a broadband affiliate, in providing commercial broadband service; and

(b) Lease or otherwise provide to a commercial broadband supplier, including a broadband affiliate, any excess capacity of attached facilities for purposes of providing commercial broadband service.

(2) (a) At least thirty days before first exercising its rights under one or both of subsection (1)(a) or (1)(b) of this section with respect to an electric easement or portion of an electric easement, an electric utility or its designated commercial broadband supplier must send notice to each property owner that holds an interest in the real property subject to the electric easement and must file a memorandum in the office of the county clerk and recorder in each county in which the electric utility is exercising its rights under subsection (1) of this section. If, within one year after delivery of notice pursuant to this subsection (2), an electric utility has not commenced engaging in any of the actions set forth in subsection (1) of this section, including the commencement of constructing a new installation, the electric utility or designated commercial broadband supplier must redeliver notice pursuant to this subsection (2) before exercising its rights under subsection (1) of this section. If an electric utility or its designated commercial broadband supplier fails to deliver sufficient notice in accordance with this subsection (2), it may only commence exercising its rights under subsection (1) of this section upon subsequent delivery of sufficient notice, at which time the one-year period will commence.

(b) A letter providing notice pursuant to this subsection (2) must:

(i) Be sent by first-class mail from or on behalf of the electric utility to the interest holder at the last known address based on the electric utility’s records or the address listed for the property in the records of the office of the county clerk and recorder;

(ii) Include the name, address, telephone number, and named point of contact for the electric utility, and, if delivered by a commercial broadband supplier designated by the electric utility, the name, address, telephone number, and named point
(III) Include the property address and approximate location of the electric easement, which need not include a legal description, land title survey, plat, or other designation of the exact boundaries of the electric easement;

(IV) Include:
(A) A citation to this part 6; and
(B) A copy of the language of subsection (1) of this section with an indication of whether the electric utility is exercising rights under one or more of subsection (1)(a) or (1)(b) of this section;

(V) Give an estimated time for the start of installation or construction with regard to any new installation or construction that will occur in connection with the exercise of rights under subsection (1) of this section;

(VI) Include a statement regarding the right and obligation of the electric utility, or its designated commercial broadband supplier, to record a memorandum; and

(VII) Include a statement regarding the statute of limitations for the interest holder to file a claim with respect to the electric utility’s exercise of rights.

(3) Upon exercise of the rights set forth in subsection (1) of this section, the rights run with the land and are assignable by the electric utility.

(4) An electric utility shall not directly provide retail commercial broadband service but may cause or allow a broadband affiliate to offer retail commercial broadband service. As long as an electric utility maintains its exclusive right to provide electric service to customers within its exclusive service territory, both the electric utility that has a broadband affiliate and the broadband affiliate shall:
(a) Maintain or cause to be maintained an accounting system for the broadband affiliate separate from the electric utility’s accounting system, using generally accepted accounting principles or another reasonable and customary allocation method;
(b) Cause a financial audit to be performed by an independent certified public accountant, within two years after commencement of commercial operation of retail commercial broadband service and at least once every two years thereafter, with respect to the broadband affiliate’s provision of commercial broadband service, including an audit of the allocation of costs for property and services that are used in both the provision of commercial broadband service and the electric utility’s provision of electric service; and
(c)(I) Not cause or allow the electric utility to use its exclusive right to provide electric services within its exclusive territory to directly or indirectly cross-subsidize the broadband affiliate or its provision of commercial broadband service, whether by discriminatory or below fair market value pricing; payment of capital or operating costs improperly charged to the broadband affiliate under applicable accounting rules; use of any revenue from or subsidy for the provision of electric service to support commercial broadband service, except in connection with the electric utility’s provision of electricity; or otherwise.

(II) Nothing in this subsection (4)(c) prohibits an electric utility from:
(A) Entering into a transaction with a broadband affiliate on terms and conditions substantially similar to those that would be agreed to between two similarly situated parties in an arm’s length commercial transaction; or
(B) Providing reduced-cost commercial broadband service to low-income retail customers.

(5) The terms and conditions of a written electric easement apply to an electric utility’s uses of the electric easement set forth in subsection (1) of this section, except to the
EXTENT THAT THOSE TERMS AND CONDITIONS PROHIBIT OR HAVE THE EFFECT OF PROHIBITING OR MATERIALLY IMPAIRING THE ELECTRIC UTILITY’S EXERCISE OF RIGHTS UNDER SUBSECTION (1) OF THIS SECTION. A PROHIBITION ON ABOVEGROUND ELECTRIC SERVICE INFRASTRUCTURE CONTAINED WITHIN A WRITTEN ELECTRIC EASEMENT CONSTITUTES A PROHIBITION ON ABOVEGROUND ATTACHED FACILITIES.

(6) Nothing in this Part 6 requires an electric utility to comply with subsection (2) of this Section in order to take any action or exercise any right under an electric easement that is already permitted by the terms of the electric easement.

40-15-603. Statute of limitations - damages - limitations on damages. (1) (a) No claim or cause of action against an electric utility or a commercial broadband supplier concerning the electric utility’s or commercial broadband supplier’s exercise of rights under this Part 6 or any actions that the electric utility or commercial broadband supplier takes before the effective date of this Section that, if taken after the effective date of this Section, would be authorized under Section 40-15-602 (1) may be brought by or on behalf of an interest holder more than two years after the latest of:

(i) The effective date of this Section;

(ii) The date of delivery of notice pursuant to Section 40-15-602 (2); or

(iii) The date of recording of a memorandum pursuant to Section 40-15-602 (2).

(b) Subsection (1)(a) of this Section does not apply to a claim or cause of action based solely on damage to property or breach of the terms and conditions of a written electric easement as the terms and conditions apply in accordance with Section 40-15-602 (5).

(c) Nothing in this Section 40-15-603 extends the statutory limitation period applicable to a claim or revives an expired claim.

(2) A claim or cause of action shall not be brought by or on behalf of an interest holder against a commercial broadband supplier for actions that the commercial broadband supplier has taken under Section 40-15-602 (2) an electric utility.

(3) If an interest holder brings a trespass claim, inverse condemnation claim, or any other claim or cause of action for an electric utility’s or commercial broadband supplier’s exercise of rights or performance of actions described in subsection (1) of this Section, the following applies to the claim or cause of action:

(a) The measure of damages for all such claims, taken together, is the fair market value of the reduction in value of the interest holder’s interest in the real property, as contemplated by Section 38-1-121 (1). In determining or providing the fair market value under this subsection (3)(a):

(i) The following shall not be used and are not admissible as evidence in any proceeding:

(A) Profits, fees, or revenue derived from the attached facilities; or

(B) The rental value of the real property interest or the electric easement, including the rental value of any attached facilities or an assembled broadband corridor; and

(ii) Consideration must be given to any increase in value to the real property interest resulting from the availability of commercial broadband service to the real property underlying the real property interest that arises from the installation of attached facilities.

(b) The interest holder must make reasonable accommodations for the electric utility or commercial broadband supplier to perform an appraisal or inspection of the real property within ninety days following any written request for an appraisal or inspection. If an interest holder fails to make such accommodations, the electric utility or commercial
BROADBAND SUPPLIER HAS NO FURTHER LIABILITY TO THE INTEREST HOLDER.

(c) ANY DAMAGES FOR THE EXERCISE OF RIGHTS OR ACTIONS SET FORTH IN SUBSECTION (1) OF THIS SECTION;

(I) EXCEPT AS PROVIDED IN SUBSECTION (3)(c)(III) OF THIS SECTION, ARE LIMITED TO THOSE DAMAGES THAT EXISTED AT THE TIME THAT THE ELECTRIC UTILITY OR COMMERCIAL BROADBAND SUPPLIER FIRST EXERCISED THE RIGHTS OR PERFORMED THE ACTIONS;

(II) SHALL NOT BE DEEMED TO CONTINUE, ACCRUE, OR ACCUMULATE; AND

(III) MAY INCLUDE ADDITIONAL DAMAGES FOR ANY PHYSICAL DAMAGE TO PROPERTY OR BREACH OF THE TERMS AND CONDITIONS OF A WRITTEN ELECTRIC EASEMENT AS THE TERMS AND CONDITIONS APPLY AFTER GIVING EFFECT TO SECTION 40-15-602 (5).

"(1) The commission shall promulgate rules establishing the filing of a distribution system plan. The commission’s rules must:

(a) Define the following terms:
   (I) Distributed energy resources that include:
   (B) Energy storage systems;
   (C) Microgrids;
   (D) Energy efficiency measures; and
   (E) Demand response measures; and
   (II) Non-wires alternatives;
   (b) Develop a methodology for evaluating the net benefits to customers using distributed energy resources as non-wires alternatives;
   (c) Direct each qualifying retail utility to file a distribution system plan that at a minimum includes:
      (I) Information regarding:
         (A) System and substation historical data;
         (B) Peak demand;
         (C) Adoption of distributed energy resources; and
         (D) Distribution system investments;
      (II) A description of the qualifying retail utility’s anticipated new distribution system expansion investments for the years covered by the plan, including a general discussion of the qualifying retail utility’s process to evaluate the plan’s feasibility and the economic impacts of potentially using non-wires alternatives for the projects. The qualifying retail utility shall provide estimates of the year in which peak demand growth or distributed energy resource growth may require these new non-wires alternative projects;
      (III) To provide new electric service to any planned new neighborhoods or housing developments expected to include more than ten thousand new residences, a description of the qualifying retail utility’s consideration of non-wires alternatives, potentially including energy efficiency measures under utility programs;
      (IV) An updated load forecast that includes any new load resulting from projected or forecasted growth from beneficial electrification programs;
      (V) A forecast of the growth of distributed energy resources for the years covered by the plan;
      (VI) A high-level summary of its planning process for addressing cyber and physical security risks. As part of the summary, the qualifying retail utility need not report any confidential, proprietary, or other information in the plan that could in any way compromise or decrease the qualifying retail utility’s ability to prevent, mitigate, or recover from potential system disruptions caused by weather events, physical events, or cyber attacks.
      (VII) Any other information that the commission deems relevant.

(2) The commission shall approve a qualifying retail utility’s distribution system plan if the commission finds the plan to be in the public interest.

(a) If a qualifying retail utility is required to spend on distribution infrastructure to accomplish its distribution system plan, the cost must be proposed and considered by the commission as part of the qualifying retail utility’s next general rate case.

(b) The commission may presume that any spending outside
THE ORDINARY COURSE OF BUSINESS THAT THE QUALIFYING RETAIL UTILITY IDENTIFIES FOR DISTRIBUTION INFRASTRUCTURE IS PRUDENT IF THE COMMISSION DETERMINES THAT THE QUALIFYING RETAIL UTILITY'S RATEPAYERS WOULD REALIZE NET BENEFITS FROM THE DISTRIBUTION INFRASTRUCTURE AND THAT THE ASSOCIATED COSTS ARE JUST AND REASONABLE.

(c) TO EVALUATE THE SUCCESS OF ANY INVESTMENT AUTHORIZED PURSUANT TO A QUALIFYING RETAIL UTILITY'S DISTRIBUTION SYSTEM PLAN, THE COMMISSION MAY ADOPT CRITERIA, BENCHMARKS, OR ACCOUNTABILITY MECHANISMS WITH WHICH THE QUALIFYING RETAIL UTILITY MUST COMPLY.

(4) AS USED IN THIS SECTION, "QUALIFYING RETAIL UTILITY" HAS THE MEANING DESCRIBED IN SECTION 40-2-124 (1); EXCEPT THAT THE TERM DOES NOT MEAN A MUNICIPALLY OWNED UTILITY OR A COOPERATIVE ELECTRIC ASSOCIATION:.

"SECTION 7. In Colorado Revised Statutes, add 40-3-116 and 40-3-117 as follows:

40-3-116. Performance-based rate-making - investigation - report - repeal. (1) THE COMMISSION SHALL CONDUCT AN INVESTIGATION OF FINANCIAL PERFORMANCE-BASED INCENTIVES AND PERFORMANCE-BASED METRIC TRACKING TO IDENTIFY MECHANISMS THAT MAY SERVE TO ALIGN REGULATED UTILITY OPERATIONS, EXPENDITURES, AND INVESTMENTS WITH PUBLIC BENEFIT GOALS INCLUDING SAFETY, RELIABILITY, COST EFFICIENCY, EMISSIONS REDUCTIONS, AND EXPANSION OF DISTRIBUTED ENERGY RESOURCES. THE INVESTIGATION, WHICH SHALL BE CONDUCTED IN AN INVESTIGATORY PROCEEDING, MUST CONSIST OF A REVIEW OF EXISTING AND POTENTIAL METRICS, INCLUDING FUTURE TEST YEARS, AND CONSIDERATION OF NEW PERFORMANCE-BASED INCENTIVES.

(2) (a) WITHIN EIGHTEEN MONTHS AFTER THE EFFECTIVE DATE OF THIS SECTION, THE COMMISSION SHALL REPORT ITS FINDINGS TO THE SENATE TRANSPORTATION AND ENERGY COMMITTEE AND THE HOUSE OF REPRESENTATIVES ENERGY AND ENVIRONMENT COMMITTEE, OR THEIR SUCCESSOR COMMITTEES. THE REPORT MUST INCLUDE THE FOLLOWING:

(I) A GENERAL DETERMINATION AS TO WHETHER A TRANSITION TO PERFORMANCE-BASED METRICS REGULATION OF A REGULATED UTILITY WOULD BE NET BENEFICIAL TO THE STATE, IN TERMS OF MEETING STATED OBJECTIVES OF THE COMMISSION AND OTHER RELATED STATUTORY REQUIREMENTS;

(II) ACTIONS THAT THE COMMISSION MAY PURSUE TO GUIDE THE CHANGE TO A PERFORMANCE-BASED METRICS REGULATION;

(III) DIRECTIVES TO BE GIVEN TO UTILITIES;

(IV) A LIST OF TYPES OF FUTURE LITIGATED PROCEEDINGS WITHIN WHICH THE REPORT COULD BE IMPLEMENTED; AND

(V) A PROPOSED TIMELINE FOR TRANSITION TO PERFORMANCE-BASED METRICS REGULATION.

(b) THE REPORT MAY INCLUDE ANY RECOMMENDATIONS OF LEGISLATION NEEDED TO FULLY REALIZE THE BENEFITS OF PERFORMANCE-BASED METRICS REGULATION, INCLUDING IDENTIFYING ANY EXISTING STATUTE THAT WOULD SERVE AS AN IMPEDIMENT TO REALIZING THE FULL BENEFITS OF A TRANSITION TO PERFORMANCE-BASED METRICS REGULATION AND SUGGESTED RECOMMENDED CHANGES TO THE EXISTING STATUTE.

(3) THIS SECTION IS REPEALED, EFFECTIVE SEPTEMBER 1, 2021.

40-3-117. Utility wholesale and retail rates survey - nonadjudicatory proceeding - report - repeal. (1) THE COMMISSION SHALL OPEN A NONADJUDICATORY PROCEEDING TO CONDUCT A SURVEY OF PUBLIC UTILITY WHOLESALE AND RETAIL RATES AND SPECIFICALLY CONSIDER RECOMMENDATIONS THAT WOULD RESULT IN RATE RELIEF IN CERTIFICATED UTILITY TERRITORIES WITH RETAIL RATES MATERIALLY GREATER THAN THE STATE AVERAGE. THE COMMISSION SHALL DETERMINE THE MINIMUM PERCENTAGE BY WHICH A RETAIL RATE THAT EXCEEDS THE STATE AVERAGE RATE QUALIFIES AS A MATERIALLY
GREATER RATE.

(2) The commission shall hold a public hearing within any certificated utility territory determined to have a materially greater retail rate than the state average rate.

(3) On or before February 1, 2021, the commission shall file a report with the house energy and environment committee and the senate transportation and energy committee, or their successor committees, describing the scope of analysis conducted, potential solutions considered, and any recommendations that could provide rate relief to ratepayers.

(4) This section is repealed, effective September 1, 2021.

Renumber succeeding sections accordingly.

"40-3.2-106. Costs of pollution in utility planning - definitions - rules. (1) The commission shall require an electric public utility subject to commission jurisdiction to consider the cost of carbon dioxide emissions, as set forth pursuant to subsection (4) of this section, when determining the cost, benefit, or net present value of any plan or proposal submitted in one of the following proceedings:

(a) Electric resource plans or any utility plan or application that considers or proposes the acquisition of new electric generating resources or the retirement of existing utility generation;

(b) Applications related to section 40-2-124;

(c) Applications related to section 40-3.2-104; or

(d) A plan or application for transportation electrification or other forms of beneficial electrification.

(2) In a proceeding listed in subsection (1)(a) of this section, a utility shall:

(a) At a minimum, model an optimization of a base case portfolio of resources using the cost of carbon dioxide emissions, as set forth pursuant to subsection (4) of this section. The cost of carbon dioxide emissions must apply to the evaluation of all existing electric generation resources and to any new resources evaluated or proposed as part of the resource modeling. The commission may require a utility to file or propose additional base cases. For the purpose of developing additional optimized portfolios or for scenario analysis, the commission may amend its rules to allow a utility to use other costs for carbon dioxide emissions in addition to the cost of carbon dioxide emissions set forth pursuant to subsection (4) of this section.

(b) (I) Present a calculation of the net present value of revenue requirement for the resources in each optimized portfolio, to show the net present value of revenue requirement that would be incurred by the utility for implementing the portfolio, in addition to presenting the full net present value of revenue requirement through a calculation using the cost of carbon dioxide emissions set forth pursuant to subsection (4) of this section. The utility shall also present the full net present value of revenue requirement through a calculation without using the cost of carbon dioxide emissions set forth pursuant to subsection (4) of this section.

(II) In addition to the net present value of revenue requirement calculations required in subsection (2)(b)(I) of this section, for each optimized model run the utility must provide a present value calculation showing the net present value of the total cost of carbon dioxide emissions of each portfolio, calculated by multiplying the total emissions of that portfolio by the cost of carbon dioxide set forth pursuant to subsection (4) of this section.

(3) In approving a resource plan, the commission shall consider:

(a) The net present value of the cost of carbon dioxide emissions;

(b) The net present value of revenue requirements that
WOULD BE INCURRED BY THE UTILITY FOR IMPLEMENTING THE PORTFOLIO; AND

(c) OTHER RELEVANT FACTORS, AS DETERMINED BY THE COMMISSION.

(4) THE COMMISSION SHALL BASE THE COST OF CARBON DIOXIDE EMISSIONS ON THE MOST RECENT ASSESSMENT OF THE SOCIAL COST OF CARBON DIOXIDE DEVELOPED BY THE FEDERAL GOVERNMENT. STARTING IN 2020, THE COMMISSION SHALL USE A SOCIAL COST OF CARBON DIOXIDE OF NOT LESS THAN FORTY-SIX DOLLARS PER SHORT TON. THE COMMISSION SHALL MODIFY THE COST OF CARBON DIOXIDE EMISSIONS BASED ON ESCALATION RATES OF THE 2020 BASE COST BY AN AMOUNT THAT IS EQUAL TO OR GREATER THAN THE CENTRAL VALUE ESCALATION RATES ESTABLISHED IN THE TECHNICAL SUPPORT DOCUMENT. WHEN CALCULATING THE COST OF CARBON DIOXIDE EMISSIONS FOR ANY PROCEEDING LISTED IN SUBSECTION (1) OF THIS SECTION, THE COMMISSION SHALL USE THE SAME DISCOUNT RATE AS THAT USED TO DEVELOP THE FEDERAL SOCIAL COST OF CARBON DIOXIDE, AS SET FORTH IN THE TECHNICAL SUPPORT DOCUMENT.

(5) THE COMMISSION SHALL APPLY A COST OF CARBON DIOXIDE EMISSIONS TO THE NONENERGY BENEFITS FOR PROGRAMS THAT ARE DEFINED TO BE BENEFICIAL ELECTRIFICATION.

(6) AS USED IN THIS SECTION:
(a) "BENEFICIAL ELECTRIFICATION" MEANS A UTILITY’S CHANGE IN THE ENERGY SOURCE POWERING AN END USE FROM A NONELECTRIC SOURCE TO AN ELECTRIC SOURCE, INCLUDING TRANSPORTATION, WATER HEATING, SPACE HEATING, OR INDUSTRIAL PROCESSES, IF THE CHANGE:
(I) REDUCES SYSTEM COSTS FOR THE UTILITY’S CUSTOMERS;
(II) REDUCES NET CARBON DIOXIDE EMISSIONS; OR
(III) PROVIDES FOR A MORE EFFICIENT UTILIZATION OF GRID RESOURCES.
(b) "TECHNICAL SUPPORT DOCUMENT" MEANS THE 2016 TECHNICAL SUPPORT DOCUMENT OF THE FEDERAL INTERAGENCY WORKING GROUP ON SOCIAL COST OF GREENHOUSE GASES, ENTITLED "TECHNICAL UPDATE OF THE SOCIAL COST OF CARBON FOR REGULATORY IMPACT ANALYSIS - UNDER EXECUTIVE ORDER 12866".

SECTION 11. In Colorado Revised Statutes, 40-6-109, amend (1) as follows:

40-6-109. Hearings - orders - record - review - representation of entities in nonadjudicatory proceedings. (1) At the time fixed for any hearing before the commission, any a commissioner, or an administrative law judge, or, at the time to which the same hearing may have been continued, the applicant, petitioner, complainant; the person, firm, or corporation complained of; and such persons, firms, or corporations as the commission may allow to intervene and such persons, firms, or corporations as will be that is interested in or affected by any a commission order that may be made by the commission in such the proceeding and who shall have that has become a party to the proceeding shall be entitled to be heard, examine and cross-examine witnesses, and introduce evidence. An individual customer of a regulated utility is entitled to be heard, examine and cross-examine witnesses, and introduce evidence. All parties in interest shall be entitled to be heard in person or to be represented by attorney."

Renumber succeeding sections accordingly.
After consideration on the merits, the Committee recommends that HB19-1003 be amended as follows, and as so amended, be referred to the Committee of the Whole with favorable recommendation.

"SECTION 1. Legislative declaration. The general assembly finds and declares that, in 2017, suicide was the leading cause of death for children and youth 10 to 24 years of age in the state of Colorado. Childhood and adolescence are critical periods of risk for the onset of a behavioral health disorder. Nationally, half of all lifetime cases of mental illness begin by 14 years of age, and three-quarters begin by 24 years of age. Children and youth may be exposed to trauma, maltreatment, and other adverse childhood experiences that may be risk factors for behavioral health diagnoses in adolescence and adulthood, and there is a need to strengthen the protective factors for child and youth health and safety because children and youth have unique physical and behavioral
health needs. Additionally, many children and youth are left undiagnosed and untreated because they have not been exposed to adverse childhood experiences or do not show outward signs that would identify the child or youth as at risk.

SECTION 2. In Colorado Revised Statutes, add part 8 to article 5 of title 25.5 as follows:

PART 8

CHILDRen AND YOUTH BEHAVIORAL HEALTH SYSTEM IMPROVEMENTS

25.5-5-801. Legislative declaration. (1) The general assembly finds and declares that:

(a) In order to provide quality behavioral health services to families of children and youth with behavioral health challenges, behavioral health services should be coordinated among state departments and political subdivisions of the state and should be culturally competent, cost-effective, and provided in the least restrictive settings;

(b) The behavioral health system and child- and youth-serving agencies are often constrained by resource capacity and systemic barriers that can create difficulties in providing appropriate and cost-effective interventions and services for children and youth;

(c) Children and youth with behavioral health challenges may require a multi-system level of care that can lead to duplication and fragmentation of services. To avoid these problems, keep families together, and support caregivers during a child’s or youth’s behavioral health challenge, departments and political subdivisions of the state must collaborate with one another; and

The Colorado state innovation model, an initiative housed in the office of the governor, has worked to integrate behavioral health and physical health, has made significant progress advancing the use of alternative payment models, and has created infrastructure for screening and innovative payment reforms. However, future work is needed to further expand and improve integrated services for children and families, with a focus on early and upstream interventions.

(2) The general assembly further finds and declares that building upon work completed by Colorado’s trauma-informed system of care, Colorado must implement a model of comprehensive system of care for families of children and youth with behavioral health challenges.

"SECTION 1. In Colorado Revised Statutes, add part 3 to article 13.3 of title 8 as follows:

PART 3 FAMILY AND MEDICAL LEAVE IMPLEMENTATION

8-13.3-301. Legislative declaration. (1) The General Assembly hereby finds and declares that:

(a) Colorado is a family-friendly state, and providing the workers of Colorado with family and medical leave insurance will encourage an entrepreneurial atmosphere and economic growth and promote a healthy business climate;

(b) The United States is the only industrialized nation in the world that does not mandate access to paid leave benefits. Simultaneously, nearly half of Americans live paycheck-to-paycheck and are unable to access two thousand dollars in the event of an emergency.

(c) This Part 3 prepares for the implementation of a paid family and medical leave program in the state by completing a thorough analysis of paid family and medical leave programs by experts in the field, the establishment of a family and medical leave implementation task force, and actuarial and third-party studies.

(d) As specified in this Part 3, the timeline for the analysis and implementation of a statewide paid family and medical leave program is as follows:

(1) By July 1, 2019, appointing authorities are required to make their appointments to the task force;
(II) By October 1, 2019, the department is required to provide the task force with the results of a third-party study and paid family and medical leave plan recommendations from the experts in the field; and the task force is required to accept and consider public comments regarding the administration and establishment of a paid family and medical leave program.

(III) By November 1, 2019, the task force shall make its initial recommendation on a family and medical leave program for employees in the state and provide the recommendation to an actuary contracted by the department.

(IV) By December 1, 2019, an independent actuarial analysis must be completed and submitted to the task force.

(V) By January 8, 2020, the task force shall report its final recommendation on a paid family and medical leave program for all employees in the state.

(VI) By July 1, 2020, the family and medical leave program will be established.

(VII) By January 1, 2022, the public education and outreach campaign will begin.

(VIII) By January 1, 2023, the family and medical leave program funding will begin; and

(IX) By January 1, 2024, the family and medical leave program will start paying benefits.

(e) The intent of this part 3 is to assist in the preparation of legislation in the 2020 legislative session establishing a paid family and medical leave program in the state.

8-13.3-302. Definitions. As used in this part 3, unless the context otherwise requires:

(1) "Department" means the department of labor and employment.

(2) "Executive director" means the executive director of the department.

(3) "Task force" means the family and medical leave implementation task force created in section 8-13.3-304(1).

8-13.3-303. Department to perform analyses. (1) The department shall analyze the feasibility of contracting with a third party to administer parts of a paid family and medical leave program for all employees in the state as an alternative to state administration of all aspects of such a program. In determining whether a third party should administer parts of a paid family and medical leave program, the department shall consider whether doing so would be cost-effective, in the short term and in the long term for both the state and covered individuals, and lead to more efficient program administration and benefit management while assuring quality, worker experience, affordability, coverage, and program accountability, as compared to if the state administers all aspects of the program.

(b) In fulfilling the requirements of this subsection (1), the department shall make a request for information from third parties that may be willing to administer single or multiple parts of a paid family and medical leave program. The requests for information pursuant to this subsection (1)(b) must solicit information from third parties that includes, but is not limited to, the third party's:

(I) Prior experience with paid family and medical leave insurance or providing monetary benefits in Colorado related to employees taking leave from work due to serious health conditions, parental bonding, or other family and medical leave purposes;

(II) Commitment to affirmative action, diversity, equity, and inclusion policies;

(III) Language access experience and cultural competency; and

(IV) Current or expected employee pay rates and benefits.

(c) Any study pursuant to this section must consider:
(I) The estimated difference in administrative costs charged by third parties as compared to a state-run paid family and medical leave program;

(II) The estimated difference in claims processing speeds;

(III) The state’s costs to oversee any third party administration, including costs to conduct annual audits and review regular reports from the third party;

(IV) The ability of a third party to satisfy necessary worker privacy and confidentiality requirements;

(V) The ability of a third party to access existing state data or to effectively interface with the department’s systems and information;

(VI) The potential costs and challenges associated with terminating a third-party contract due to quality or compliance concerns following implementation of the program, as well as the feasibility of timely substituting administration by the state or a different third party without a disruption in benefits and administration; and

(VII) A timeline that presumes a paid family and medical leave program that is established by July 1, 2020; begins public education and outreach on January 1, 2022; establishes the funding stream on January 1, 2023; and starts paying benefits on January 1, 2024.

The department’s study must specifically address the following aspects of a paid family and medical leave program:

(I) Claims appeals and administrative enforcement;

(II) Premium rates setting and collection of premiums;

(III) Approval and oversight of private plans, if applicable; and

(IV) Management of elective coverage of employees who may not be included in the program.

2 (a) (I) The department shall contract with at least three experts in the field of paid family and medical leave selected by the task force. The experts must be local and national experts:

(A) With demonstrated experience studying the health, economic, and social benefits of access to paid leave; the cost and economic impact of paid leave; and the drafting and implementation of paid family and medical leave programs at the state level; and

(B) Who have some familiarity with cross-state comparisons.

(II) The department shall gather recommendations from the experts under contract with the department pursuant to this subsection (2)(a) on the establishment of a paid family and medical leave program for employees in the state. The recommendations must specify the parameters that ensure that a program:

(A) Is affordable for the lowest wage workers;

(B) Is equitable across workers of all incomes and classifications;

(C) Is accessible particularly to workers least likely to have access to paid leave today;

(D) Is adequate; and

(E) Includes a minimum duration of leave that meets evidence-based standards and wage replacement that is sufficient to allow the lowest wage workers to participate.

(b) The recommendations must review, evaluate, and assess at least the following elements, without limitation:

(I) The purposes of the leave, including serious illness, caring for a loved one with a serious illness, bonding with a new child, and needs arising from military deployment and the effects of domestic violence, stalking, and sexual assault;

(II) Self-employed workers’ access to paid family and medical leave and a mechanism to allow self-employed workers to participate;
(III) Eligibility to take leave;

(IV) The definition of family or family member for whom an individual may take leave for purposes of providing care;

(V) Job protection and other employment protections, including their effect on an individual's ability to take leave;

(VI) The duration of leave;

(VII) The amount of the wage replacement;

(VIII) The maximum weekly wage replacement amount;

(IX) The program funding structure;

(X) Program implementation;

(XI) The role of third-party vendors on program sustainability;

(XIV) The sustainability of a paid family and medical leave program;

(3) No later than October 1, 2019:

(a) The department shall provide the task force created in section 8-13.3-304 with:

(I) The results of the third-party study conducted pursuant to subsection (1) of this section; and

(II) Paid family and medical leave plan recommendations from experts consulted in accordance with subsection (2) of this section; and

(b) The department of public health and environment shall provide the task force with a report detailing the health benefits related to paid family and medical leave.

(4) The department shall contract for the services of a qualified private actuary to perform an actuarial study of the initial recommendation for a family and medical leave program created by the task force pursuant to section 8-13.3-304 (8)(b). The actuarial study shall be provided to the task force no later than December 1, 2019.

There is created in the department the sexual misconduct advisory committee to make recommendations to the general assembly and to institutions of higher education concerning sexual misconduct policies and methods to reduce sexual misconduct at institutions of higher education.

(a) The advisory committee consists of the following eleven persons appointed by the executive director of the department:

(III) Three persons who are representatives of organizations that advocate on behalf of or provide services to victims of sexual misconduct;

(IV) An attorney who has experience representing victims of sexual misconduct at institutions of higher education;

(V) An attorney who has experience representing persons accused of sexual misconduct at institutions of higher education; and

(VI) A person with experience providing trauma-informed care.

(b) Members of the advisory committee serve four-year terms and may be reappointed.

(c) Members of the advisory committee serve without compensation or reimbursement of expenses.

After the final federal rules on Title IX sexual misconduct are adopted, the advisory committee shall study, examine best practices, and make recommendations to the general assembly and to institutions of higher education on issues related to sexual misconduct at institutions of higher education including:

(a) How to handle incidents of sexual misconduct that occur outside of an institution's programs, activities, or property;

(b) How to conduct cross-examination of parties and witnesses at hearings;

(c) Whether a standard of reasonableness should be included in an institution's sexual misconduct policy; and

(d) Can and should institutions of higher education have higher standards than are required by federal law and regulation.

(a) Within ninety days after the final federal rules on
TITLE IX SEXUAL MISCONDUCT ARE ADOPTED, THE ADVISORY COMMITTEE SHALL SUBMIT A REPORT TO THE EDUCATION COMMITTEES OF THE SENATE AND HOUSE OF REPRESENTATIVES, OR ANY SUCCESSOR COMMITTEES, ON SUGGESTED CHANGES TO INSTITUTIONS' POLICIES OF SEXUAL MISCONDUCT DUE TO THE NEW FEDERAL RULES.

(b) ON OR BEFORE JANUARY 15, 2021, AND EACH JANUARY THEREAFTER, THE ADVISORY COMMITTEE SHALL SUBMIT A REPORT TO THE EDUCATION COMMITTEES OF THE SENATE AND HOUSE OF REPRESENTATIVES, OR ANY SUCCESSOR COMMITTEES, INCLUDING RECOMMENDATIONS FOR CHANGES TO STATUTES AND POLICIES OF INSTITUTIONS OF HIGHER EDUCATION.

"(G) THE GENERAL ASSEMBLY HEREBY FINDS, DETERMINES, AND DECLARES THAT IT IS BENEFICIAL TO ENCOURAGE THE DEVELOPMENT OF A CLEAN ENERGY PLAN BY A NONINVESTOR-OWNED PUBLIC UTILITY THROUGH A RESOURCE PLANNING PROCESS EXECUTED BY A NONINVESTOR-OWNED PUBLIC UTILITY THAT WILL REQUIRE GREENHOUSE GAS EMISSIONS CAUSED BY ITS COLORADO ELECTRICITY SALES TO DECREASE BY AT LEAST TWENTY-SIX PERCENT BY DECEMBER 31, 2025, AND FIFTY PERCENT BY DECEMBER 31, 2030, AND CONTINUE TO MAKE EMISSION REDUCTIONS OF GREENHOUSE GASES TOWARD THE 2050 GOAL SET FORTH IN SECTION 25-7-102 (2)(g), ALL MEASURED RELATIVE TO ITS 2005 STATEWIDE GREENHOUSE GAS POLLUTION LEVELS. THE GENERAL ASSEMBLY ALSO DECLARES THAT PRESERVING ELECTRIC SYSTEM RELIABILITY, RESILIENCY, AND AFFORDABILITY IS PRESUMED TO BE IN THE PUBLIC INTEREST AND THAT ANY RULES TO ACHIEVE THE GOALS OF SECTION 25-7-102 (2)(g) MUST BE TECHNICALLY FEASIBLE AND ENSURE THAT ELECTRIC RELIABILITY IS MAINTAINED. IMPLEMENTATION OF ANY REQUIREMENTS TO ACHIEVE THE GOALS OF SECTION 25-7-102 (2)(g) MUST NOT CAUSE ELECTRIC SERVICE TO BECOME UNAFFORDABLE AND MUST ALSO CONSIDER THE FACTORS SET FORTH IN SECTION 25-7-109 (1)(b). NONINVESTOR-OWNED PUBLIC UTILITIES MAY WORK WITH OTHER SECTORS TO USE THE MOST COST-EFFECTIVE MEASURES AVAILABLE TO ACHIEVE THE STATEWIDE GREENHOUSE GAS POLLUTION REDUCTION GOALS WHILE MAINTAINING ELECTRIC RELIABILITY, GRID RESILIENCY, AND CUSTOMER AFFORDABILITY. A CLEAN ENERGY PLAN DEVELOPED BY A NONINVESTOR-OWNED PUBLIC UTILITY TO MEET THE GOALS OF THIS SUBSECTION (1)(e)(VII)(G) MAY BE SUBMITTED TO THE PUBLIC UTILITIES COMMISSION, TO THE DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT, AND TO THE OFFICE OF THE GOVERNOR. IN DESIGNING, IMPLEMENTING, AND ENFORCING PROGRAMS AND REQUIREMENTS UNDER SECTION 25-7-102 (2)(g), THE COMMISSION AND THE DIVISION SHALL INCLUDE ANY CLEAN ENERGY PLAN THAT, AS FILED, WILL ACHIEVE THE GOALS OF THIS SUBSECTION (1)(e)(VII)(G) FOR THAT NONINVESTOR-OWNED PUBLIC UTILITY AS VERIFIED BY THE DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT. WHEN INCLUDING NONINVESTOR-OWNED PUBLIC UTILITIES IN ITS PROGRAMS OR REQUIREMENTS UNDER SECTION 25-7-102 (2)(g), THE COMMISSION SHALL NOT MANDATE THAT A NONINVESTOR-OWNED PUBLIC UTILITY REDUCE GREENHOUSE GAS EMISSIONS CAUSED BY THE UTILITY’S COLORADO ELECTRICITY SALES MORE THAN IS REQUIRED UNDER A CLEAN ENERGY PLAN MEETING THE REQUIREMENTS OF THIS SUBSECTION (1)(e)(VII)(G) OR IMPOSE ANY DIRECT, NONADMINISTRATIVE COST ON THE NONINVESTOR-OWNED PUBLIC UTILITY DIRECTLY ASSOCIATED WITH QUANTITIES OF GREENHOUSE GAS EMISSIONS CAUSED BY THE UTILITY’S COLORADO ELECTRICITY SALES THAT REMAIN AFTER THE REDUCTIONS REQUIRED BY THE CLEAN ENERGY PLAN IF THOSE REDUCTIONS ARE VERIFIED BY THE DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT. A NONINVESTOR-OWNED PUBLIC UTILITY THAT FILES A CLEAN ENERGY PLAN WITH THE PUBLIC UTILITIES COMMISSION, THE DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT, AND THE OFFICE OF THE GOVERNOR SHALL PROVIDE BIANNUAL UPDATES TO THE DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT TO ENSURE THAT THE PLAN CONTINUES TO BE ADEQUATE TO MEET THE GOALS SET FORTH IN THIS SUBSECTION (1)(e)(VII)(G).".

Senator Woodward moved to amend the Report of the Committee of the Whole to show that the following Garcia floor amendment, (L.064) to HB 19-1261, did not pass.

"(VIII) (A) IN ADDRESSING GREENHOUSE GAS EMISSIONS FROM AN ENERGY-INTENSIVE, TRADE-EXPOSED MANUFACTURING SOURCE, THE COMMISSION SHALL REQUIRE THE SOURCE TO EXECUTE AN ENERGY AND EMISSION CONTROL AUDIT, ACCORDING TO CRITERIA ESTABLISHED BY THE COMMISSION, OF THE SOURCE’S OPERATIONS EVERY FIVE YEARS THROUGH AT LEAST 2035. A QUALIFIED THIRD PARTY, AS DETERMINED BY THE COMMISSION, SHALL CONDUCT THE AUDIT AND SUBMIT THE RESULTS TO THE COMMISSION. IF THE COMMISSION DETERMINES THAT THE SOURCE CURRENTLY EMPLOYS BEST AVAILABLE EMISSION CONTROL TECHNOLOGIES FOR GREENHOUSE GAS EMISSIONS AND BEST AVAILABLE ENERGY EFFICIENCY PRACTICES, THE COMMISSION SHALL NOT IMPOSE A DIRECT NONADMINISTRATIVE COST ON THE SOURCE DIRECTLY ASSOCIATED WITH AT LEAST NINETY-FIVE PERCENT OF THE SOURCE’S GREENHOUSE GAS EMISSIONS ATTRIBUTABLE TO MANUFACTURING A GOOD IN THIS STATE FOR A PERIOD OF FIVE YEARS, IF THE SOURCE’S EMISSIONS ARE NOT GREATER THAN THE EMISSIONS ASSOCIATED WITH USE OF THE BEST AVAILABLE EMISSION CONTROL TECHNOLOGIES AS DETERMINED BY THE COMMISSION. THE COMMISSION SHALL CONSIDER HOW PROGRAM DESIGN AS RELEVANT TO THOSE SOURCES CAN FURTHER MITIGATE THE COST OF REDUCING EMISSIONS FOR SUCH MANUFACTURERS WHILE PROVIDING AN INCENTIVE TO IMPROVE EFFICIENCY AND REDUCE EMISSIONS. SPECIFICALLY, THE COMMISSION SHALL DESIGN THE PROGRAM AS RELEVANT TO THOSE SOURCES SUCH THAT AS THE SOURCES ARE SUBJECT TO EMISSION REDUCTION REQUIREMENTS, THOSE SOURCES WILL HAVE, UNDER THE PROGRAM, A PATHWAY TO OBTAIN EQUIVALENT LOWER-COST EMISSION REDUCTIONS AT OTHER REGULATED SOURCES TO SATISFY THEIR COMPLIANCE OBLIGATIONS.

(B) AS USED IN THIS SUBSECTION (1)(e)(VIII), "ENERGY-INTENSIVE, TRADE-EXPOSED MANUFACTURING SOURCE" MEANS AN ENTITY THAT PRINCIPALLY MANUFACTURES IRON, STEEL, ALUMINUM, PULP, PAPER, OR CEMENT AND THAT IS ENGAGED IN THE MANUFACTURE OF GOODS THROUGH ONE OR MORE EMISSIONS-INTENSIVE, TRADE-EXPOSED PROCESSES, AS DETERMINED BY THE COMMISSION."

IN IDENTIFYING THESE COMMUNITIES, THE COMMISSION WILL CONSIDER: MINORITY, LOW-INCOME, TRIBAL, OR INDIGENOUS POPULATIONS IN THE STATE THAT POTENTIALLY EXPERIENCE DISPROPORTIONATE ENVIRONMENTAL HARM AND RISKS. THIS DISPROPORTIONALITY CAN BE A RESULT OF INCREASED VULNERABILITY TO ENVIRONMENTAL DEGRADATION, LACK OF OPPORTUNITY FOR PUBLIC PARTICIPATION, OR OTHER FACTORS. INCREASED VULNERABILITY MAY BE ATTRIBUTABLE TO AN ACUMULATION OF NEGATIVE OR LACK OF POSITIVE ENVIRONMENTAL, HEALTH, ECONOMIC, OR SOCIAL CONDITIONS WITHIN THESE POPULATIONS. "DISPROPORTIONATELY IMPACTED COMMUNITIES" DESCRIBES SITUATIONS WHERE MULTIPLE FACTORS, INCLUDING BOTH ENVIRONMENTAL AND SOCIO-ECONOMIC STRESSORS, MAY ACT CUMULATIVELY TO AFFECT HEALTH AND THE ENVIRONMENT AND CONTRIBUTE TO PERSISTENT ENVIRONMENTAL HEALTH DISPARITIES.".
