98 Department of Public Safety, Division of Criminal Justice, Community Corrections -- It is the General Assembly's intent that the Office of Community Corrections be able to execute community corrections contracts structured with a one-year initial term with four one-year extension terms.

99 Department of Public Safety, Division of Criminal Justice, Community Corrections, Community Corrections Placements -- This appropriation assumes the daily rates and average daily caseloads listed in the following table and is based on the following assumptions: the base rate for standard nonresidential services is a weighted average of the rates for four different levels of service; community corrections providers will collect client fees of up to \$17 per day for residential placements and up to \$3 per day for nonresidential placements; client fees may be partially or fully waived in specialized residential and non-residential programs with the approval of the Division of Criminal Justice; pursuant to its authority to administer and execute contracts under Section 17-27-108, C.R.S., the Division of Criminal Justice will ensure that every reasonable effort is made to achieve such collections; and outpatient therapeutic community programs: (1) will receive the standard non-residential base rate for all offenders in their programs, including Department of Corrections clients; (2) will receive the outpatient therapeutic community base rate for all clients in program phases other than the post graduate phase, including Department of Corrections clients; (3) will not receive the outpatient therapeutic community base rate or the non-residential base rate for probation clients; (4) will collect client fees of up to \$3 per day; and (5) will not receive payment from the Department of Corrections for services covered by the standard non-residential base rate or the outpatient therapeutic community base rate. 100 Department of Public Safety, Division of Criminal Justice, Community Corrections, Correctional Treatment Cash Fund Residential Placements -- This appropriation includes funding for 48 condition-of-probation placements at rates corresponding to those in footnote 99.

100a Department of Public Safety, Division of Criminal Justice, Community Corrections, Subsistence Payment -- It is the General Assembly's intent this appropriation be used to pay the \$17.00 per day subsistence payment to community corrections providers on behalf of the client for the first ten days of residence or until the client receives their first paycheck, whichever comes first.

101 Department of Public Safety, Division of Criminal Justice, Community Corrections, Community Corrections Facility Payments -- The amount of the appropriation assumes that the Department will make lower facility payments to programs that have lower costs due to case management staffing shortfalls or security and case management salary shortfalls relative to the staffing and salary model upon which the appropriation is based. Because per diem rates are unchanged for FY 2018-19, these appropriations further assume that salary and staffing levels deemed adequate for FY 2017-18 will be deemed adequate for FY 2018-19 and that community corrections facilities with an average of 32 or more security FTE will receive a second facility payment.
