agricultural producers throughout Colorado, innovators in the manufacturing space, and entrepreneurs across the country;

(b) Colorado leads the nation in public policy supporting the hemp industry and is poised to continue that leadership with the passage of the federal "Agricultural Improvement Act of 2018";

(c) It is the intent of the general assembly that the department of agriculture, the department of public health and environment, and other state agencies continue to regulate hemp in compliance with the federal "Agricultural Improvement Act of 2018";

(d) Ensuring equitable regulation and enforcement for hemp under state law will keep Colorado competitive in the hemp industry and spur economic development; and

(e) To ensure that Colorado continues to lead the nation in public policy supporting the hemp industry, the general assembly and the department of agriculture support all pathways to new hemp variety development, including the development of certified seed and the support of developers of new varieties of hemp seed who may choose not to enter the certified seed system for their proprietary genetics.

**SECTION 2.** In Colorado Revised Statutes, 35-61-101, **amend** (1) and (7) as follows:

**35-61-101. Definitions.** As used in this article 61, unless the context otherwise requires:

(1) "Certified seed" means industrial hemp seed, including Colorado heritage cannabis seed, that has been certified by an organization recognized by the department as PRODUCING MATURE PLANTS having no more than a three-tenths of one percent of delta-9 tetrahydrocannabinol concentration on a dry-weight basis.
