On motion of Majority Leader Fenberg, and with the unanimous consent of those elected to the Senate, the Senate stood in recess to hear the opening day remarks of Senate President Leroy M. Garcia and Senate Minority Leader Chris Holbert.

Senate in recess.
The text of President Garcia’s Remarks follow.

Good morning and welcome back to the Senate…

To our re-elected senators, congratulations on your hard-fought campaigns and well-earned victories. Your tireless work stood the test, and your constituents reaffirmed their confidence in your representation.

Senators Bridges, Fields, Gardner, Ginal, Hansen, Moreno, Priola, Rankin, Smallwood, Zenzinger. We are honored to have you return to this body and look forward to our continued work together!

To our newly elected senators, Welcome. Your communities have sent you to represent them during a time unlike any other — trusting you to put their wellbeing above your own, their priorities above party politics… I expect you will treat this chamber with the honor and respect it requires and add to our long-standing tradition of cooperation and dutiful deliberation.

Senators Buckner, Coleman, Jaquez Lewis, Kirkmeyer, Kolker, Liston, Simpson. I hope this chamber will be stronger because of Your presence.

This past year has been one of the most difficult times in living memory.

After almost 10 months of isolation, fear, loss, and burn-out we are a community changed.

People’s jobs have disappeared, their life savings bled dry, and their lives thrust into a seemingly endless barrage of tragedy and unrest.

We have seen small businesses suffer, devastating - often unrecoverable - damage, our kids turned victim to an ever-changing learning schedule and environment, as well as a storm of mental health issues resulting in increased suicide and overdose deaths.

And in the midst of all this heartbreak, we have watched a president and his enablers cause unimaginable destruction to our democracy—sowing lies and distrust into the minds of vulnerable people and ultimately radicalizing them to engage in violent and seditious behavior.

We are at a critical crossroads, with certain challenges no one has ever faced in human history, and how we respond to these challenges will define our world irrevocably.

I know today is not the opening day any of us imagined or hoped for when we adjourned last summer.

But even as this crushing pandemic continues to wreak havoc on our state, its grip is lessening.

With TENS of thousands of Coloradans already vaccinated, and millions of dollars in direct aid to our state already allocated, we are well on our way to defeating this pandemic once and for all.

Yet the aftershocks of this disease will ripple through our communities - long after our immunity.

That’s why we are at the precipice of one of the MOST important legislative periods in Colorado history.

It is our collective responsibility to shepherd this state not only through an economic recovery, but a social transformation.

A recovery that doesn’t just “return things to normal” but rights the wrongs of an economy that already disadvantaged working people… and corrects course towards a system that benefits ALL Coloradans not just those at the top.

While we will not walk these halls over the next month, our work must remain on track.
Now is the time to LISTEN to our constituents, get creative, and come back with a rigorous plan to deliver on the issues most important to Coloradans.

This includes policies to lower the cost of living, increase access to affordable healthcare, bring direct relief to struggling small businesses, and support students getting back to school.

I have tremendous faith in this body and its ability to work together for the good of our state.

What better example than the success we achieved during special session – coming together to pass meaningful policies that provide direct relief to Coloradans during their time of need.

We have PROVED we can work together, but it requires an individual commitment from Every Single Member, to roll up their sleeves and be a part of the solution.

Colorado is NOT Washington D.C. We are independent, forward-thinking problem-solvers that refuse to allow party affiliations to turn us into mindless soldiers of myopic ideologies.

Now more than ever, it is imperative that we continue in this example and do NOT let national division grow roots here in our backyard.

So let us use our time wisely and in good faith – putting duty above political agendas and humanity above hubris, because people’s lives and livelihoods depend on it.

Thank you.

President Garcia recognized Minority Leader Holbert to address the Senate.

The text of Minority Leader Holbert's remarks follow.

Mr. President, Mr. Majority Leader, members of the Colorado Senate, families and guests:

With the start of the first regular session of the 73rd General Assembly, our part-time citizen state legislature returns to help steer our state through one of the most challenging times in the history of our state, and with that, the health, economic, and budgetary consequences that have come with it.

If the COVID-19 pandemic has taught us anything, it is how abundance in the best of times must be appreciated. For nearly a decade, a robust and growing Colorado economy provided state coffers with record-setting revenue, making a glutton out of our legislature. Then, with the sudden collapse of that economy due to COVID-19 and government restrictions on business and personal activity, we saw the greatest single-year revenue decline in state history.

Senate Republicans offer our thanks to the prior members of the Joint Budget Committee, Senators Rankin, Moreno, and Zenzinger. Not just for their ability to navigate those troubled waters, but their willingness and cooperation to do so. It was a thankless job that required them to stick to facts, numbers, and data despite overwhelming emotional upheaval from every department, agency, organization, and program that depends on government funding. Mr. President, with your permission, might we take a moment to give those members a round of applause to show our appreciation?

But, the work of the Joint Budget Committee isn’t over – our work as the Senate isn’t over. Unfortunately, years of blue sky promises from the ruling political party in this state are now not able to be fulfilled. Efforts to pad state coffers with new tax and fee proposals have been met with fierce opposition by the voters of this state. Where the majority party has been successful at implementing new programs, that was often at the expense of long-existing programs that are now facing drastic cuts.
In 2019, Colorado voters rejected Proposition CC, which sought to halt refunds under the Taxpayer’s Bill of Rights. In 2020, the People of Colorado passed both Proposition 116, which lowered the rate of state personal income tax; and they passed Proposition 117, which will ensure that voters have the right to weigh in on fee increases and put an end to the endless creation of massive government enterprises.

To the voters who have made their voices clear, we Senate Republicans hear you. Now more than ever, in an economy so controlled by Executive Orders from the Executive Branch, we should stand opposed to increasing the burden on the working men and women of Colorado. I will stand against the creation of a new tax, an increase of an existing tax rate, or attempts to implement new fees on existing taxes and I encourage the members of the Senate Minority caucus to stand with me in that effort. Such plans for so-called “new revenue” would only serve to increase the burden on Colorado families to keep food on the table and a roof over their heads.

During the last 10 months, over 300 Executive Orders have been issued by our Governor. Arguably, during an emergency such as this, the executive branch must step up and lead. I offer my thanks to Governor Polis and his administration for their endurance during these unprecedented times. Still, with the lessons learned during the COVID-19 pandemic, we must be willing to have a conversation, however uncomfortable it may be for those in the same political party as our current governor, regarding the balance of power in our state government during the next prolonged statewide disaster emergency.

People from across Colorado, in all thirty-five state Senate districts and of all political affiliations have rightly asked, “Where is our legislature?” For example, they rightly demanded answers as to why we, colleagues, decided to limit hair salons to 50% of their rated occupancy or 10 persons, whichever was less? They have rightly wanted to understand why we decided that restaurants and other establishments were to be limited to certain capacities. They demand to know by what criteria we legislators decided which businesses were deemed “essential” and which were not. But, the answer to all such questions is the same: we didn’t. We couldn’t. We are a part-time citizen legislature and we did not participate in making any of those decisions for the people who we represent.

We have seen many changes to our Colorado Constitution within the last 32 years, and perhaps it is time that we discuss how we can ensure that the legislature remains a co-equal branch with the executive branch during a prolonged declared statewide disaster emergency.

Senate Republicans will fight to ensure this discussion occurs this session, led by Senator Lundeen who will again introduce a concurrent resolution seeking to restore balance between the Executive and Legislative branches of our state government during the next prolonged declared statewide disaster emergency.

That proposal is not a partisan one, nor does it seek to pass judgement on the current Governor for actions he did – or did not – take during this crisis. Nobody could have foreseen an emergency declaration that lasted 308 days, gave authority for hundreds of executive orders, and left our legislative branch out of the conversation.

But now we know. Today, we have the benefit of experience and knowledge that our predecessors did not have. And now, we must act.

Senate Republicans also invite our friends opposite to join us in an effort to end the random discrimination against Colorado small businesses that have been deemed “non essential.” Senator Rob Woodward will, once again, introduce a bill based on legislation that passed the Ohio House of Representatives with strong bipartisan support. We can do that, too. We’ve worked together before and we can do it again.

What would Senator Woodward’s bill do? It would simply allow businesses to remain open by following the same guidelines as “essential” businesses, rather like we are now.

You may be familiar with the story of a “Smoker Friendly” store located in Parker Colorado. That business sells tobacco products to adult customers. I’m not a customer, I’m not even a prospective customer. But, by what criteria was the owner of that business forced to remain closed? It wasn’t the products that he sells. Nope, a customer could go to any one of several large national businesses within sight of that small business to buy tobacco products.
Was it the size of his business? No, it wasn’t that, either. During the entire shutdown period, a customer could go to any one of the several liquor stores located nearby, both large and small, to buy liquor. Or, for those who patronize cannabis dispensaries, those customers could do business at any of the small or large dispensaries located throughout the metro Denver area. How about the local small business in my community that sells sprinkler parts? No, they weren’t deemed “essential” so they had to remain closed… while the big box national chains couldn’t keep enough sprinkler parts in stock last spring.

This isn’t a partisan issue, colleagues. This is just as right for the constituents who you represent as it is for the people who I represent. And, it’s the right thing for us to do for the business owners and employees of those businesses throughout Colorado.

There has also been a great deal of discussion regarding our role as part-time, citizen legislators. Short of a rare special session called by the governor and limited by our state constitution to only those topics that the governor identifies, we state Senators and Representatives of the People of Colorado have the power of our elected office for only 120 days each year. During the other eight months each year, we are citizens just like everybody else. Yes, there have even been murmurs that we should transition back to a full-time legislature.

The hell we do.

Let us not allow a once-in-a-hundred-year pandemic to cloud our judgement on this issue. Our roles here as legislators should not be divorced from the realities of everyday working Coloradans.

In November 1988, Colorado voters made the right choice. They did not want, and I believe still do not want, a full-time, year round, state legislature. As citizen legislators it is our job to represent our constituents during a 120-day general session and then we are to go home, back to our regular jobs for those who have them, and to be citizens, just like the people who we are blessed to represent.

Senate Republicans believe it is time to discuss our legislature’s role in a declared emergency, but we do not embrace the premise that our temporary circumstances should inspire us to return to a full-time legislature.

The COVID pandemic has shifted conversations about healthcare here in Colorado. It was just one year ago that those in the ruling party were labeling our hospitals as being greedy while pushing for a so-called “public option” as if involving the government to an even greater extent in the delivery of healthcare would somehow make it more affordable or more available. No, that hasn’t worked and it won’t work. If you want to make healthcare more affordable, then get the government out of that business, not more involved in it.

But, it is worth asking now – what would the statewide ICU capacity have been if the public option had been in place prior to the COVID-19 pandemic? What communities would have been without a local hospital if the public option had been passed?

Now, with public approval of our hospitals at an all-time high due to their extraordinary efforts to save lives and combat the COVID-19 virus, some in the ruling party have changed their tune. Perhaps it would be wise to heed the warnings that came from that industry. An industry that has literally saved tens of thousands of lives during this pandemic deserves to flourish in the realm of private-sector innovation, not stifled in the dusty halls of government bureaucracy.

Yes, Senate Republicans will continue to oppose so-called “public option” legislation, but are excited to bring other bills that will aim to increase transparency, bring down costs, and expand options for Coloradans without putting their local hospital at risk of closure.

We are excited to see Senator Smallwood reintroduce bipartisan legislation that will ensure that this legislature reviews the impacts of our actions on healthcare plans, taking into account how many Coloradans are impacted, expected changes in rates, and other essential information that will guide us as we work to bring down rates and expand options for all Coloradans.

Crisis like the one we are currently experiencing have a way of clarifying our thinking when it comes to governance. It provides a moment to prioritize what really matters in our society, and nothing could be closer to the top of that list than the education of our children.
COVID-19’s disastrous effects on the public education system left parents confused, anxious, and in many cases, distraught. Many parents with the resources and insight leapt into action early, finding alternative pathways to ensure their child remained educated and prepared for the lifetime ahead of them.

Unfortunately, those parents tended to be more affluent and more white. The disparity between those who were achieving and those who were struggling has only widened, and allegiance to the monolithic institutions of old has only furthered that divide. Senate Republicans recommit themselves today to the individual – the student, the parent, and the teacher, and not to those antiquated institutions.

That’s why Senator Lundeen will be bringing legislation that seeks to reallocate resources from these failing institutions directly into the hands of our parents and students to ensure that those who are not affluent and predominantly from communities of color can have the opportunity to succeed.

There is a kid today in Sun Valley – a neighborhood in Denver where the median income is just over $11,000 – who doesn’t have the same opportunities as the kid living across town in the neighborhood of Hilltop – where the median income is over $138,000.

We can help bridge that divide but it requires us to refocus ourselves on the individual – on the student. I hope my colleagues across the aisle are willing to think outside the box, to buck the norms of yesterday, so that we may be able to provide a brighter future for all students.

At the end of our extended general session last year you, Mr. President, along with Senator Fields and with input from Senators Cooke and Gardner, led the nation in law-enforcement reform legislation. Thanks to that collaborative effort, we were able to pass the largest piece of police reform legislation in generations and did so with significant, bipartisan support.

There will always be work to do on the criminal justice front, which is why Senate Republicans remain committed to ensuring that all Coloradans, regardless of their race, their creed, gender, or their background, are treated equally under the law.

To that end, Assistant Minority Leader Cooke will introduce legislation to reform “Brady Lists” – compilations of officers with disciplinary records created by individual District Attorneys – to ensure that we have clear standards for ensuring that officers who violate policy are added to the list and that those officers also receive due process.

No one in this chamber – nobody outside this chamber – wants bad law-enforcement officers patrolling our neighborhoods. We are excited to continue cultivating the bipartisan spirit that was present during the debate of Senate Bill 20-217 into this session so that we may continue to make progress on that important issue.

Senators, we have a tough road ahead of us. Welcome to the Senate, Senators Kirkmeyer, Simpson, Liston, Buckner, Coleman, Jaquez Lewis, and Kolker. Never shy away from sharing your perspective, your life experiences, your expertise, and your wisdom with us.

We are excited to get to know you, work with you, and together strive for the betterment of the People who call Colorado home.

Mr. President, when you took that gavel two years ago, you stated that no party had a monopoly on good ideas. We hope this session will be another when those words become reality. Let’s not just praise bipartisanship, let’s embody it. Let us not just tell the media that we enjoy working with our colleagues across the aisle, let’s actually do so.

You were right, Mr. President, when you said we should reject Washington D.C. politics. We should reject blind partisanship as we demonstrated during the recent, three-day, special session. We should embrace debate and discourse.

I can only hope that we fulfill that potential and show the entire nation what happens when Colorado leads.

God Bless you, colleagues. May God Bless the People of Colorado and, as we sang earlier, God Bless America!

Thank you, Mr. President. And now, let’s get to work!
Senate reconvened.

On motion of Majority Leader Fenberg, and with the unanimous consent of those elected to the Senate, the above remarks of President Garcia and Minority Leader Holbert were ordered spread upon the pages of the journal.

MESSAGE FROM THE GOVERNOR

January 13, 2021
73rd General Assembly
First Regular Session
State Capitol
200 E. Colfax Avenue
Denver, Colorado 80203

Welcome to the First Regular Session of the 73rd General Assembly. I want to welcome those first-time lawmakers, and thank you for you for choosing to give back through public service; I also want to applaud our returning legislators, as well as those whose service has concluded. You came together not once, but two separate times to provide much needed relief to Coloradans. You stepped up to answer the call, even when it meant increased risk to your own health, passing legislation supporting our small businesses, providing rent and utility assistance, increasing food access, and more.

These are extraordinary times, and this legislative session will look different than many others, including the delay of our public State of the State address. I very much look forward to addressing you all in person in February when the General Assembly reconvenes following the coming recess. For now, however, I wanted to provide a brief update on our great state following one of the most challenging years in Colorado history.
Over these last 10 months, Coloradans have been truly tested, and no one has been left untouched by this pandemic. We’ve all felt the impacts, whether economic or health related, and I’m proud of how Coloradans have reacted in the face of such challenges.

On March 5, Colorado confirmed its first case of COVID-19, and since then our lives have been transformed. In the weeks leading up to this first case, we worked closely with the Colorado Department of Public Health and Environment to prepare for when the virus would reach our state, and acted swiftly once the first case was confirmed to declare a state of emergency and initiate a statewide response that prioritized the health and safety of Coloradans.

The early weeks of the pandemic saw nationwide shortages of critical personal protective equipment (PPE) and testing supplies, and with little from the federal government, we had to create our own supply chains and secure our own equipment. We worked to negotiate key deals, including a 17-month contract with Honeywell for 6 million masks to keep our frontline health care workers safe. Over the course of this pandemic, Colorado has gone from being able to run 160 tests per day at the state lab to more than 50,000 across our public and private partners. And we were the first state in the country to stand up a drive-through testing site, followed by more than 50 community testing sites across the state.

We prioritized transparency by holding press conferences multiple times per week to give Coloradans a clear picture of our epidemiological trends, quickly establishing public facing dashboards and data visualizations, and encouraging everyone to keep #DoingMyPartCO to spread science-based information about steps Coloradans can take to protect themselves and others from the virus.

As the health crisis unfolded, the economic effects of the virus began to take form. Coloradans struggled to make ends meet, from small business owners wondering how they would stay open to Coloradans who weren’t sure where their next meal was coming from. We quickly stood up the Colorado COVID Relief Fund and partnered with the philanthropic community to help raise money to support local nonprofits and organizations working with people directly impacted by the pandemic. To date, the fund has awarded more than $23 million to nearly 1,000 organizations across all 64 counties.

Early in the crisis we assembled the Economic Stabilization and Growth Council, led by Secretary Federico Pena and other business and community leaders, and acted on their recommendations to mitigate the pandemic’s impact on our economy. We cut red tape for small businesses and streamlined government services.

In late March, after working closely with our federal delegation, Congress finally acted to provide much-needed relief through the CARES Act. We worked with legislative leadership to distribute $1.674 billion in federal funds from the CARES Act to support school districts, boost higher education institutions, help Coloradans with housing costs and food assistance, and more.

I’m incredibly proud that we were one of the first states in the country to come out of stay at home and begin slowly reopening our economy, leading to a summer of strong economic activity while successfully suppressing the virus. Due in part to that successful summer, our overall economy remains one of the strongest in the country.

And we continue doing everything we can to take care of our own. In order to help Coloradans who had been hardest hit by the pandemic, in partnership with legislative leadership, I took action to provide direct payments of $375 to more than 400,000 who had faced unemployment during the pandemic.

In addition to the urgent action we took together to address the COVID crisis, we worked together with Colorado lawmakers to pass and sign legislation to address our nation’s racial reckoning, like SB20-219, Enhance Law Enforcement Integrity Act. I also signed an executive order directing the Department of Personnel & Administration to lead efforts on furthering equity, diversity, and inclusion within our state government and will look to make additional progress on ensuring that we truly can build a Colorado for all this session.
This past year, Colorado was also hit with the largest wildfires in our state's history, forcing many Coloradans to flee from their homes, unsure if they would be able to return. Extreme statewide drought laid the foundation for these devastating fires, showing us that climate refugees don't just live on the coasts. First responders had to adapt to the reality of fighting fires while keeping themselves safe from the virus. The communities impacted are still picking up the pieces today, showing the true resilience of Coloradans and the need for continued action to address the climate crisis we face.

Over the fall, COVID cases across the nation and in Colorado started to rise once again. As we worked to manage this new wave of infections, cases and hospitalizations surged above Spring levels. While a Stay-at-Home order was effective in March, we had more isolated disease transmission in this new wave, more knowledge of the virus, and knew firsthand the economic impact that a Stay-at-Home order had on our communities. In order to help manage the crisis more locally, the state worked with local communities to create a COVID-19 dial system that coded each county based on caseloads, positivity rate, and other factors. Counties began to move further away from "green" and more towards "orange" and "red" as the winter months got closer. The hospital system began again to reach crisis levels.

After months of remote learning for many students, new evidence suggested that being out of the classroom was having a devastating effect on children and families, as well as worsening gender-based earning disparities in the workplace. There was little indication that schools were playing a large role in disease transmission, given that young children were significantly less likely to catch the virus or transmit it. Armed with more information and the advice of a new "Back-to-School Working Group", the State released a "Roadmap to In-Person Learning" with detailed steps to help every school district get back to in-person learning as soon as safely possible. As we focused on standing up the resources schools needed to be successful, we also supported innovation in education. We stood up the Response, Innovation, and Student Equity (RISE) fund to provide over $30 million to school districts, schools, higher education institutions, and partnerships that have been disproportionately impacted by COVID-19 to help them innovate and emerge stronger than before. And to ensure the classroom remains one of the safest places for our children, we are partnering with Binax to provide free, at-home testing for educators and students across the state. The program will distribute 1 million tests per month to schools across the state who opt in.

Last month, Colorado received the wonderful news that multiple highly effective vaccines had been approved for emergency use, and would be distributed to states immediately. Colorado once again moved quickly to operationalize a plan to distribute vaccines to providers, prioritizing those most at-risk, including health care workers and those 70 years of age and older, who are significantly more likely to require hospitalization and to die from the virus. It is vital that as we rapidly distribute the vaccine, we also do so through a lens that ensures equity for our communities of color, including those with less means, and those that live in hard to reach areas of our state. The unacceptable alternative will result in our black and brown communities falling further and faster behind than the rest of our state. The end is truly in sight as we work over the coming months to ensure the general population has access to the vaccine this summer.

Looking back, I am proud of how Coloradans have stepped up for each other and their communities. Time and time again, we have proven just how resilient we are as a state. This pandemic has exposed the cracks in our systems and forced us all to examine how we can do better. We have an opportunity before us to reimagine Colorado's future and rebuild in a way that truly creates a Colorado for all.

I look forward to being with you all in February and providing a more thorough update on the state of our state in person. Until then, be safe and thank you for your dedication to our great state.

Sincerely,

(signed)

Delivered to the Governor for signature on Friday, January 15, 2021, at 5:30 pm: SB21-001, 002, and 003.

The President has signed: SR21-003 and 004.

The President has signed: SB21-001, 002, and 003.

Mr. President:

The House has adopted and transmits herewith HJR21-1003 and 1004, as printed in House Journal, February 16, 2021.

On motion of Majority Leader Fenberg, and with the unanimous consent the Senate, the Senate stood in recess to hear remarks of Senate President Leroy M. Garcia and Senate Minority Leader Chris Holbert.

The text of President Garcia's remarks follow.

Good Morning, it is an honor to be here, and once again, gather beneath the golden dome of our democracy.
While in many ways it is just a building, not unlike the countless others across our nation's capitals, we are reminded of its symbolic significance and the sacrifice necessary to keep it standing.

Our forefathers once dreamt of places like this one.

Trapped under the heel of totalitarian rule, they imagined a day when buildings would be erected to foster great debate of free people.

They envisioned a nation where the limited circumstances of your birth would not dictate the magnitude of your destiny.

And now, some 250 years later, we are reminded that the liberty we hold dear is still in need of safeguarding.

Democracy and freedom may be the foundation of our country's inception but they are not indestructible, they are not a guarantee.

It takes ALL of us, every-single-day, striving to live up to the transcendent ideals of our republic, in order to keep it.

This task has been handed down through the generations - in war times and in peace, in recession and in prosperity, in devastation and in growth.

Despite struggles or ease, this body is responsible for reaching beyond the hardships of our present moment towards a future of greater opportunity.

We begin the 73rd General Assembly not as we hoped a year ago. Weathered by storms, we are a different body, a different state, a different nation than we once were.

We are all sobered by the losses we have faced, and yet our devotion and commitment to the immense task before us remains unaltered.

I want to thank you all for the dedication you have shown during this harrowing time. Without the resilience of your resolve, our state would not be experiencing the improvements we are seeing today.

I especially want to thank the Majority Leader, the Minority Leader, and each of you for your partnership and collaboration in navigating one of the most tumultuous legislative years to date.

More importantly, I would like to take a moment to thank our frontline workers and community heroes who have braved this storm unflinchingly.

Battered by the relentless winds and torrential rains of this pandemic, nurses, doctors, emergency responders... teachers, grocery clerks, sanitation teams... postal workers, daycare providers, and elderly caregivers have selflessly served OUR community and country during one of the most heartbreaking times in our history - putting the well-being of others before their own and pressed forward even in the darkest of hours.

Your courage, sacrifice, and selfless devotion will be remembered long after the murals of you - painted on city walls all across this country - fade with time.

Because the virtuous compassion of your contribution inspired a nation- when all hope seemed lost. It is what reminded us of our greater connectedness and gave us hope for the future.

Hope, that in many ways, can be hard to come by. For a crisis has borne down on us with unrelenting force and has persisted, to this very day, to tear apart our economy, upend our lives, and rob us of our loved ones.

Meanwhile, a different battle has raged on another front, one of violence, division, and hatred. We are war-torn, not by the hands of a foreign adversary, but by the malice grown from within.

Brother turned against brother, we have walked the treacherous tightrope over ultimate destruction - reminded once again of the dire consequences of a nation divided.

While political tribalism is nothing new, the mechanism in which it is grown has become all too pervasive. With the click of a button, we can enter a world that confirms our worst fears and breeds bitter bias. We sit in echo chambers created by companies that magnify our differences and profit from our fear.

And somehow in the mess of it all, some leaders in government have decided that fanning the flames of hatred is more politically viable than standing up for what is right, good, and true.
This selfish allegiance to political expediency, though newly inflated, has been around for generations, creating a system that props up the wealthy and penalizes the poor, an economy that siphons hard work by the many to create power for the few.

So let us be clear, our road to recovery and reconciliation is littered with daunting challenges. Challenges that will not be solved painlessly or mastered overnight. And yet, with a persistent and steady determination, they will be overcome.

Today, we gather to recommit ourselves to this task.

We come ready and willing to not just recover from this pandemic and the civil discord that has gripped our nation - but build back a stronger, more just Colorado...

A Colorado that upholds the principles of freedom, equity, and opportunity.

A Colorado that dares to carry on our great tradition of bold leadership - because at our core we are pioneers - frontiersmen - the legacy of a daring few who braved the unknown in search of a brighter future.

But it is no longer the rugged terrain that begs to be bested, it is the frontline of social, political, and environmental progress.

Like the wilderness of the west, this pursuit is not for the timid. For it requires a visionary's creativity - a sage's wisdom - and a trailblazer's courage.

It asks us to toil until our backs ache; to dig deep; to reach high; to heal wounds and repair breaks. It asks us to remember that we are greater together than apart.

Every generation has had their hill to climb - this is ours.

We stand at the foot of a monstrous recovery mission, but before weariness weighs down our feet, we must remember how far we've come.

With finite funds, we were able to join together and work across the aisle to deliver results for our state - passing meaningful legislation to address child care shortages, utility costs, and food insecurity.

We prioritized struggling Coloradans and small businesses by allocating millions in historic housing relief and rescue grants.

We protected workers from retaliation, ensured employers offered paid sick leave, and expanded access to unemployment insurance, in a time when so many have lost their jobs.

We revised unfair tax policies that overburdened hardworking families and shielded powerful corporations.

And we passed the most ambitious policy proposal addressing police violence in the country.

But our work is far from over. We are still in the midst of a crisis.

Over five thousand Coloradans have died from COVID-19 and hundreds more are currently hospitalized.

Too many people are still out of work and facing inconsistent and inadequate unemployment support.

Too many children go to bed hungry. Too many families face eviction. Too many businesses contemplate closure.

We must stop the bleeding. We must urgently respond to the needs of our state: rescuing Main Street from financial ruin, providing relief to anxious tenants in need of next month's rent, replenishing community resources that serve the weary and jobless.

We must help schools reopen and address the mental health burdens of our residents.

We must bolster vaccine distribution and ensure every Coloradan has access to this life-saving protection.

We must. And We Will.

Because resilience is the path that promises reward. A path that is not a stranger to us but rather covered with our footprints...
For there have been many times in our history when we could have given up, when we could have turned on each other forever. But instead, we found it in ourselves to not only press on, but offer a hand, understanding that we rise and fall as one.

Like the trials of previous generations, this pandemic has and will make us stronger, but it will also make us more connected, more human. Not because such a conclusion is a given but because we can choose to alchemize pain into purpose.

This last year may have been defined by darkness and loss, but what was often missed was the quiet comradery and kindness felt between each other: a college student delivering groceries to an elderly neighbor, a factory worker cutting their own hours to keep a colleague from losing their job, a husband serenading his wife outside her hospital window.

Pain certainly has the power to drive us apart. But it also has the power to bring us together.

So where some see only devastation, we will see an opportunity for compassion, for the forging of lighter bonds. Because we direct our own destiny and write our own story.

We will turn the page of this disaster to one of replenishment and renewal.

We will eliminate the threat of this virus, returning to our loved ones and embracing our community.

We will revitalize our economy, creating jobs and planting seeds for new growth.

We will restore our community pillars - strengthening our schools and supporting our kids...

But this journey is not only about restoration. It is about reimagination.

From the ashes, we are presented with a precious gift. A gift of rebirth. An opportunity for transformation.

It is still ours to receive or reject.

We must choose.

Will we simply rebuild the structures that stood before?

Or will we remake our future - righting the wrongs of the past and fulfilling the promises of our predecessors?

I believe we will choose the latter.

For from the fire is born, fertile soil.

We will use this devastation to re-envision a community built on stronger ground.

We will redesign a system that protects justice for ALL - confronting the stain of systemic racism and bringing equity to the dark corners of our institutions.

We will rescue the planet we put in peril - utilizing clean energy to create jobs and rid our skies of toxic pollution.

We will build a health care system that is people-focused rather than profit-hungry and ensure that EVERYONE, no matter their socioeconomic status, has access to the medicine they need.

Now there are those that scoff at the breadth of our plans and the hope in our hearts. They roll their eyes at our ambitions and recite the same tired lines of disbelief.

But they forget, the shoulders we stand on today were once just dreams of a generation before us. 100 years ago women were not allowed the right to vote, 60 years ago our country was racially segregated, 20 years ago utility-scale solar farms didn't exist, 6 years ago gay marriage was prohibited, and until this year, no woman had ever held national executive office…

Don't tell me things can't change. Despite all of our faults and failings, we have made progress. People have chosen, CHOSEN to press forward, believing against all odds that our journey has an upward trajectory.

There is nothing different today about the choices WE face. We cannot let cynicism harden our hearts and limit our imaginations. Because we are charged with shepherding our communities through this crisis - and we cannot derail our aspirations, but rather we must hold fast to greater possibilities.
Following the Great Depression, Social Security was born. After WWII came the GI Bill.

Crises have the potential to be springboards if we let them.

But this does require us to put down our arms and find commonality.

So let's not just talk about unity and healing... let's demonstrate it - with every word, with every action.

Let's remember that the distance between us- appears wider than it really is.

For justice, dignity, integrity, freedom, and opportunity, are NOT party values, they are American values. And while we may fail to reach them at times... our collective pursuit and dedication to their summit is what makes America a beacon to the world.

And WITHIN that beacon burns...the bright light of Colorado, where we prove, time and time again our ingenuity and strength.

Where we step forward to herald a new dawn when no one else sees the light.

So... though our hurdles loom large and our resources remain small, there is no limit to what we can achieve this session.

We have already come so far, let us not forget in the eleventh hour that we are indivisibly bound.

It is the illusion of separateness that clouds our judgment and pits us against one another. And yet it is our's individually to remove.

And in so doing, let us begin again...

Much like that fateful spring day, still marred by winter, on which our towering forefather spoke to a fractured nation. After so much bloodshed. After so much pain, he took to the podium to proclaim:

"With malice toward none; with charity for all; with firmness in the right... let us strive on to finish the work we are in; to bind up the nation's wounds; to care for him who shall have borne the battle...to do all which may achieve and cherish a just and lasting peace."

Today is the day that we reaffirm our commitment, gather our strength, and continue the work of rebuilding our great state.

Thank you.

President Garcia recognized Minority Leader Holbert to address the Senate

The text of Minority Leader Holbert's remarks follow.

Thank you Mr. President. On December 4th, 2020. The Denver Post Editorial Board wrote "Colorado lawmakers show Congress how coronavirus relief should be done. In a 3 day Special Session with limited resources, the Colorado General Assembly did more for Coloradans than Congress had since last March." Given my political views, I find it somewhat common to disagree with the Denver Post Editorial Board, but on that one I say yes, I say thank you. Mr. President I say thank you to you, major Leader, and all the members of the Senate. And even our friends in the lower chamber across the way. Yes, in those 3 days, we did more for Coloradans than Congress had last year. We can do that again.

It's an interesting dynamic that we're in here currently, because given press today, last Friday, and recent days, it seems like we Senators, we 35 select people from around Colorado might be in more agreement then disagreement. On the first opening day of this session I said thank you to the members of the Joint Budget Committee and I will say thank you again. It seems thus far, that the legislative branch is thinking more alike than different. It seems like the legislative branch might be thinking more alike and maybe finding some disagreement or at least some concern with the Executive branch. And I appreciate that. We don't know what the answers are yet, but Governor Polis has continued to speak about stimulus spending. And that's certainly a motivation for us all, we did that in that 3 day special session. We came back because we had more dollars than we thought we would, after we reduced our expectation of dollars by about 3
billion of those dollars. Stimulus spending will definitely be a topic, a major topic, and it is enticing to start talking about new ways that we can spend dollars. But let us not forget that challenge now but our ask is let's not start allocating, let's not start committing stimulus spending but, and this is where I think we're starting to see some agreement in the press, let's wait until we actually see those dollars. I've heard the phrase, don't count your chickens before until they hatch. Let's make sure we even have eggs before we count the eggs before they become chickens. If we've got $5 billion coming from Congress, from the Federal government, that's good news for us. We believe in the Senate Minority caucus, that our focus should first be restoring where the cuts were made. I can't help but think back to the days where Republicans held the Governor's office and a majority in both legislative chambers. I can't help but think back to times where I and my caucus have said lets take a dollar away from K-12 and putting it into roads and bridges meant that somehow we have less compassion or concern for public education, and that was not true then and is not true now. We are not going to levy that accusation against members of the Joint Budget Committee because 30,000 students have gone missing, what does that mean? What does it mean, are we going to hold them harmless for 100% of their funding or just our portion of the funding? We know from experience that we compare very often, our PPR is compared to total funding in other states. The way the states count dollars for K-12, there's not some uniform way that all 50 states and the District of Columbia and Guam and the US Virgin Islands and the other territories count it. Here's a list that's become known yearly when I ask for it, as the Holbert spreadsheet, I asked for this first when I was on House Education and what it shows is PPR doesn't equate to total funding. For some school districts, the PPR, the per pupil revenue, is about $8,000 each, that's a lot of money, that's like $240 million. That's a lot of money for us, where did those dollars go? Did they move to a different state, did they go to private, are they home schooling? Is this a temporary issue, is it going to last for this school year or 2 or 3 years? Will that affect PPR? If there are 30,000 students less in the count, if PPR is about $8,000 or $9,000, that's 30,000 kids that we haven't paid back and last spring because we had to, we had to take a dollar away from K-12 and putting it into roads and bridges meant that somehow we had less compassion or concern for public education, and that was not true then and is not true now. We are not going to levy that accusation against members of the Joint Budget Committee and we met that challenge during the special session and we're prepared to meet that challenge now but our ask is let's not start allocating, let's not start committing stimulus dollars that we don't have yet. If we get them, great.

Education funding: we're told that there's some 30,000 students who've gone missing. Were they actually there before? Has count day worked correctly? Were any of those students counted twice or were any students not counted? This has been an ongoing discussion for those who have served on the Education committees. Count day is not a perfect science and Covid has certainly effected that. If there are 30,000 students less in the count, if PPR is about $8,000 each, that's a lot of money, that's like $240 million. That's a lot of money for us, where did those students go? Did they move to a different state, did they go to private, are they home schooling? Is this a temporary issue, is it going to last for this school year or 2 or 3 years? Will that 30,000 student shift be a 5 year issue or 10 year issue? What about the negative factor, excuse me the budget stabilization factor, we changed the label for that a few years ago. We still got an IOU that's 11, 12 years old that we haven't paid back and last spring because we had to, we had to reduce funding. So now we know that we're going to hold the I78 school districts harmless, hold them harmless. Okay. What does that mean? If we look at education funding in Colorado we know from experience that we compare very often, our PPR is compared to total funding in other states. The way the states count dollars for K-12, there's not some uniform way that all 50 states and the District of Columbia and Guam and the US Virgin Islands and the other territories count it. Here's a list that's become known yearly when I ask for it, as the Holbert spreadsheet, I asked for this first when I was on House Education and what it shows is PPR over here on the left side, and total funding over on the right. Total funding, yep. Because PPR doesn't equate to total funding. For some school districts, the PPR, the per pupil revenue, is close to 100% of the total funding for a given district. For 3 of them, a reporter reminded me just recently, for 3 of them it's just about zero. Why? Because there's 3 school districts that exist where mining, and severance tax, and property taxes are the primary source of funding for those school districts. So when we say we're going to hold harmless those 178 school districts because 30,000 students have gone missing, what does that mean? What does it mean, are we going to hold harmless 100% of their funding, or just our portion of their funding? We don't know. But, I'm not here to point fingers, I guess I just did it myself but I don't know. Republicans are here to ask the questions, that's one of the reasons we asked the Governor to call a special session last August but that was conveniently dismissed as a political stunt. Well it's...
I've been asked many times, what about our priorities, and that's frustrating. Being in the Minority, the Constitutional math, you all know this, the public doesn't always remember this: if the Majority, you can pass whatever bill you want to and we don't even need to show up. We will show up, but to the constituents out there in Colorado, who will inevitably start emailing, calling or asking questions in face to face meetings "why do you lack the backbone to deny quorum? Don't show up, refuse to vote." That works in some state legislatures, it doesn't work in this one. Our Constitution defines the quorum requirement, how many people need to be in the chamber as a simple majority and the math right now is, the Majority has 20 members and the Minority has 15. A simple majority in this chamber is 18 so, if the 15 of us go to Wyoming and refuse to come to the Capitol and refuse to vote, you all can start business on your own and pass any bill you want to just as you can when we're here. So, to the people of Colorado, when we disagree on things we will be here at this mic. We will speak as long as we possibly can to the bill because we can't filibuster in Colorado we have to actually speak to the bill but we will put our best effort forward to draw out that conversation, to make the points. But, don't be surprised, over the next 116 days and 120 next year, we'll probably see a lot of decisions made on a vote of, oh give or take a few 20-15. Surprising to anyone here? No.

As the Minority, we're not here just to fight. We're not. And we saw that in the Special Session, but as members of the Minority we call upon you Mr. President, Mr. Majority Leader, members of the Majority, we are encouraged by what we think we hear about stimulus spending. We're encouraged by what we think we hear about not spending the stimulus dollars until we actually have it because if we start allocating $5 billion with the anticipation of getting them and then we don't, we can't dig our way out of that hole. So we want to be cautious, we're known as conservative, you generally known as liberal. If we can find a way to be a little bit more like us on timing of that, we would be grateful. The Governor's power, we've had a lot of conversation about this. We are not trying to step on the Governor's authority during this declared disaster emergency, during this pandemic. Last year, Senator Lundeen introduced a Concurrent Resolution, it sought to amend the Constitution to have the people weigh in that every 30 days should we come back and have to agree with the Governor, to extend a declared disaster emergency. That died in committee, that's off the table. We understand 30 days is too frequent. And, we're not interested in trying to affect this declared disaster emergency but members, do we have 11 months of experience now that we can draw upon for the future? Yes we do. When the current statutes, when the current legislative rules were drafted, did that have more to do with what happened on September 11, 2001 then a pandemic and wearing masks? Why yes, yes that was an influence. We would like to have a conversation about future, ungod disaster emergencies, we're asking the question. 90 days? 6 months? A year? We're a part time citizen legislature, we're not here 8 months a year. If we're back in this kind of situation in the future, should at some point, we be required to come in and review the situation? For instance, rulemaking. We have a rule review bill every year, hundreds of rules. We the Legislative Branch delegate the authority, the Executive Branch, to make those rules. Apparently there's no such oversight when it comes to Governor's Executive Orders. Did any of you ever anticipate that we would have a Governor issuing over 300 Executive Orders over a year long period? I'll admit if you were to ask me last year I would've said no. Snowstorms, floods, wildfires, are not the stuff of Local Legislation, they're more national. Fortunately those things don't last that long but now we have this experience. Should we stand up as a Legislative Branch and say yeah, we should come back after 6 months or 9 months or some time period and look at the effect of those rules made by Executive Order. That's not stepping on the man who happens, the authority of the man who happens to sit in the Governor's seat right now, that's asking a future question.

We as Coloradans, where should our Legislative Branch be in that dynamic? Have you heard from constituents who ask you why they decided to open hair salons at 50% of the posted occupancy, or 10 people, whichever is less? Have you had to explain to them that you didn't make that decision? I have. Have you talked to constituents, maybe people who work at restaurants or bars or breweries, why did we cap their capacity a certain percentage? We didn't do that. How about the distribution of vaccines. Have you talked to anyone about the plan to distribute the vaccine and why they didn't like it and asked you why you did it that way and then you had to explain you didn't? I'm not here to blame Governor Polis and his administration. I'm saying that our, the people who will sit in our seats in the future, if they are faced with a pandemic, let's not put them in the same situation, let's give them some ability to respond as a Legislative Branch.

Finally Mr. President. I think that what we seek as the Minority caucus is to get Government out of the way. I can't wait, I cannot wait to be at an Avs game. I'm a hockey fan first, Broncos
are awesome but I love hockey. To be back at now what is Ball arena to watch the Avs with a full arena without these on, maybe spill a beer on each other yelling and screaming. I can't wait to be back in that environment, but we're not there yet. Senate Republicans are not asking for more government, not asking for government to continue to tell the people of Colorado what they can't do. But we're here to do is find ways that we can get beyond this pandemic, beyond Covid-19. I agree with you Mr. President we will find a way that this will be in the past. The first step is getting our kids back into face to face live teaching in school. That will allow parents, especially single parents, to get back to work. And then when people can get back to work, employers can start hiring, can get people back into their offices, back into those work places. Our world I think will change permanently. Remote participation, that's going to be a bigger deal. We'll probably see our lease obligation for the state go down. I've heard the Governor estimate maybe 20-30%. Hey, there's more dollars for education. Senate Republicans are looking forward to the opportunity to work together on these things but just to start where I ended or end where I started excuse me, the other way around. Want to be very careful that we don't start over promising and under delivering. If there's 5 billion dollars Federal coming, they can deficit spend and they do. We can't. If there's one blessing that I've found over the past 11 months in this pandemic, it is the opportunity to explain to constituents how their state legislature is so different from the one out in Washington D.C. I explain to people that we have one bill we have to pass by the Constitution every year and that's the budget and the budget must be balanced. And the most frequent follow up question is "what's the deficit?" Let me explain what balance means, no offense bosses. It's so different and I wish the press would write about it more so people will say wow I live in a state that doesn't carry long term debt like that, we don't have deficit spending, we can't borrow. But if Congress decides to do this $1.9 or $2 trillion stimulus and there's $5 billion coming, we're going to have a lot to do. What we're asking is let's restore the cuts that had to made last spring before we find new ways to spend money. Does that mean we don't care about people getting back to work? No we do. I think the best thing we can do is get the schools back open, found them adequately, maybe even cut into that negative factor. But let's restore where we cut first before we imagine new ways to spend money. Mr. President, we did it during the special session, I think we showed again during the first 3 days of this session, as we venture into day 4 with 116 left, we can get this done. Mr. President, let's get to work. Thank you.

Senate reconvened.

On motion of Majority Leader Fenberg and with unanimous consent of the Senate, the above remarks were ordered spread upon the pages of the journal.

"SECTION 1. In Colorado Revised Statutes, 40-2-126, amend (3) introductory portion and (3)(a); add (5); and recreate and reenact, with amendments, (4) as follows:

40-2-126. Transmission facilities - biennial review - energy resource zones - definition - plans - approval - cost recovery. (3) The commission may, consistent with its authority, approve a utility's application for a certificate of public convenience and necessity for the construction or expansion of transmission facilities pursuant to paragraph (b) of subsection (2) of this section if the commission finds that:

(a) The construction or expansion:

(I) Is required to:

(B) Enable the utility to meet the renewable energy standards set forth in section 40-2-124 or achieve emission reductions under section 25-7-102 or 40-2-125.5;

(II) Can reasonably accommodate future expansion, through the addition of more lines or greater capacity, as may be required to support the utility's participation in an organized wholesale market as defined in section 40-5-108 (1)(a); and

(III) Is required to:

(A) Ensure the reliable delivery of electricity to Colorado consumers, or to either alone or in combination with the consumers of other states served by an organized wholesale market as defined in section 40-5-108 (1)(a); or

(B) Enable the utility to meet the renewable energy standards set forth in section 40-2-124 or achieve emission reductions under section 25-7-102 or 40-2-125.5;

(II) Can reasonably accommodate future expansion, through the addition of more lines or greater capacity, as may be required to support the utility's participation in an organized wholesale market as defined in section 40-5-108 (1)(a); and

(IV) Withstanding any other provision of law, in response to any application for a certificate of public convenience and necessity for the construction or expansion of transmission facilities that is submitted to the commission pursuant to subsection (2)(d) of this section, the commission shall issue a final order within one hundred eighty days after the application is deemed complete and public notice of the application is given; except that the applicant may waive this one-hundred-eighty-day deadline. Absent such waiver, if the commission does not issue a final order within that period, the application is deemed approved.

(5) In any construction or expansion approved pursuant to this section, the utility shall use its own employees or qualified contractors, or both, but shall not use a contractor unless the contractor's employees have access to an apprenticeship program registered with the United States Department of Labor's Office of Apprenticeship or by a state apprenticeship council recognized by that office; except that this apprenticeship requirement does not apply to:

(a) The design, planning, or engineering of the transmission facilities;

(b) Management functions to operate the transmission facilities; or

(c) Any work performed in response to a warranty claim.

SECTION 2. In Colorado Revised Statutes, add 40-5-108 as follows:

(C) implements, to the extent reasonably possible, policies and procedures designed to minimize pancaked transmission rates within Colorado;
(D) improves, to the extent reasonably possible, service reliability within Colorado;
(E) achieves, to the extent reasonably possible, the objectives of an open and competitive electric generation marketplace, elimination of barriers to market entry, and preclusion of control of bottleneck electric transmission facilities in the provision of retail electric service;
(F) is of sufficient scope or otherwise operates to substantially increase economical supply options for customers;
(G) has a structure of governance or control that is independent of the ownership and operation of the transmission facilities, and no member of its board of directors has an affiliation with a user or with an affiliate of a user during the member's tenure on the board so as to unduly affect the OWM's performance. As used in this subsection (1)(a)(H)(G), "user" means any entity or affiliate of that entity that buys or sells electric energy in the OWM's region or in a neighboring region.
(H) operates under policies that promote positive performance designed to satisfy the electricity requirements of customers;

(J) promotes and assists new economic development in Colorado;
(K) consistent with and in support of FERC policies and local planning by Colorado public utilities, is capable of: planning for improved efficiency of use, future expansion, and consideration of all options for meeting transmission needs; providing effective cost allocations that reflect benefits of transmission investments; maintaining real-time reliability of the electric transmission system; ensuring comparable and nondiscriminatory transmission access and necessary services; minimizing system congestion; and further addressing real or potential transmission constraints.

(II) upon application by a transmission utility, the commission may waive or delay the requirement stated in subsection (2)(a)(I) of this section if:
(A) the transmission utility has made all reasonable efforts to comply with the requirement but is unable to find a viable and available OWM that it can join by January 1, 2030; or
(B) the commission has determined, based on the study conducted in accordance with article 2.3 of this title, 40, that requiring the transmission utility to join an OWM is not in the public interest.

(b) the commission is directed to participate on behalf of the state of Colorado, as it deems appropriate, in proceedings before the FERC involving the management of physical connections, sharing of data, and interpretation and implementation of tariff and business practices between OWMS whose boundaries meet within Colorado.

(3) the commission shall consider allowing, and may allow, a transmission utility that joins an OWM to recover OWM subscription fees and other prudently incurred costs of participation in the OWM through rates or through a new or existing transmission rider.

(2) EXCEPT AS PROVIDED IN THIS SUBSECTION (2), THE AUTHORITY SHALL NOT ENTER INTO A PROJECT IF AN ELECTRIC UTILITY OR A NONINCUMBENT TRANSMISSION PROVIDER OR OTHER ENTITY IS CONSTRUCTING OR HAS CONSTRUCTED THE FACILITIES OR IS PROVIDING THE SERVICES COMPETEDLY BY THE AUTHORITY. BEFORE THE AUTHORITY ENTERS INTO A PROJECT, THE FOLLOWING PROCEDURAL REQUIREMENTS MUST BE MET:

(a) The Authority shall provide to each electric utility and the commission and publish at least once in a newspaper of general circulation in Colorado, at least once in a newspaper of general circulation in the area where the eligible facilities will be located, and continuously on a publicly accessible web page maintained by the Authority an initial notice describing the project that the Authority is considering.

(b) Any person with an interest that may be affected by the proposed project has thirty days after the date of the last printed publication of the initial notice to submit a written challenge concerning the proposed project to the Authority. If the Authority receives a challenge within the thirty days, the Authority shall hold a public hearing no sooner than thirty days after receiving the challenge and at least two weeks after posting notice of the hearing in the same newspapers in which and web page on which the initial notice was given. Following the public hearing, the Authority shall make a final determination on whether the Authority will implement the proposed project and give notice of the determination in the same newspapers and on the same web page as the initial notice given. Any person or governmental entity participating in the hearing may appeal the final determination by filing a notice of appeal with the district court for the city and county of Denver within thirty-five days after the date of the final determination.

(c) Electric utilities and other persons willing and able to provide money for, acquire, maintain, and operate the eligible facilities described in the notice have the following period within which to notify the Authority of intention and ability to provide money for, acquire, maintain, and operate the eligible facilities described in the notice:

(I) Within ninety days after the date of the last printed publication of the initial notice if no challenge is received pursuant to subsection (2)(b) of this section; or

(II) Within ninety days after the date of the notice of determination if a challenge is received pursuant to subsection (2)(b) of this section.

(d) Absent notification by an electric utility or other person pursuant to subsection (2)(c) of this section, or if a person, having given notice of intention to provide money for, acquire, maintain, and operate the eligible facilities contemplated by the Authority, fails to make a good-faith effort to begin to do so within six months after the date the person notified the Authority of its intention, the Authority may proceed to finance, plan, acquire, maintain, and operate the eligible facilities originally contemplated. However, a person that, within the time required, has made necessary applications to acquire federal, state, local, or private permits, certificates, or other approvals necessary to acquire the eligible facilities is deemed to have commenced the acquisition as long as the person diligently pursues the permits, certificates, or other approvals.

(3) In soliciting and entering into contracts for the transmission or storage of electricity, the Authority and any person leasing or operating eligible facilities financed or acquired by the Authority shall, if practicable, give priority to those contracts that will transmit or store electricity to be sold and consumed in Colorado.

(4) Neither the Authority nor any eligible facilities acquired by the Authority are subject to the supervision, regulation, control, or jurisdiction of the Commission.
(5) (a) Ownership of eligible facilities by the Authority may not exceed the extent and duration necessary or useful to promote the public interest. Before becoming an owner or partial owner of an eligible facility, the Authority shall develop a plan identifying:

(I) The public purposes of the Authority's ownership;

(II) The conditions that would make the Authority’s ownership no longer necessary for accomplishing those public purposes; and

(III) A plan to divest the Authority ownership of the facility as soon as economically prudent once those conditions occur.

(b) For eligible facilities to be leased to another entity by the Authority, at the end of the lease, absent default by the lessee, the Authority shall convey its interest in the facilities to the lessee at a price that reflects the current fair market value.

(c) Eligible facilities owned by the Authority are subject to the requirements of valuation and taxation as set forth in articles 4 and 5 of title 39.

(d) Neither the Authority nor any energy assets owned or controlled by the Authority or any electric utility, other than municipal utilities or power authorities, pursuant to this article 42 are exempt from property taxes.

(6) (a) An electric utility that is subject to rate regulation by the Commission may recover the capital cost of a project undertaken pursuant to this article 42 from its retail customers only if the project has received a certificate of public convenience and necessity from the Commission. An electric utility that is a municipally owned utility exempt from regulation by the Commission may recover such costs only if the project has been approved by the governing body of the Municipality. A cooperative electric association exempt from regulation by the Commission may recover costs only if the project has been approved by the Board of Directors of the cooperative electric association.

(b) Costs associated with a project undertaken pursuant to this article 42 are not recoverable from retail utility customers except to the extent the costs are prudently incurred and the project is used and useful in serving those customers.

(7) The Authority may sell any of its facilities to a Colorado electric utility.

(8) The Authority may petition the FERC for a clarification of the exclusive or concurrent jurisdiction of the FERC over any matter considered or action taken by the Authority under this article 42. The general assembly declares its intent that the Authority and the Commission be able to carry out their powers and duties to the broadest extent possible, consistent with principles of federalism, to achieve the goals and effectuate the purposes of this article 42.

(9) Nothing in this section waives or supersedes the application of section 29-20-108 or 40-5-101 (3) to a project proposed or developed by the Authority.

40-42-105. Electric transmission bonds - conditions of issuance - electric transmission bonding fund creation - auditor examination - payment from bonding fund - exemption from taxation. (1) The Authority may issue and sell electric transmission bonds, payable solely from the electric transmission bonding fund, in compliance with this article 42 for the purpose of entering into a project when the Authority determines that the project is needed. This article 42 is, without reference to any other law, full authority for the issuance and sale of bonds. Bonds have all the qualities of investment securities under the "Uniform Commercial Code", title 4, and shall not be deemed invalid for any irregularity or defect or be contestable in the hands of bona fide purchasers or holders of the bonds for value.

(2) (a) Bonds may be executed and delivered by the Authority at such times; may be in such form and denominations and include such terms and maturities; may be subject to optional or mandatory redemption prior to maturity with or without a premium; may be in fully registered form or bearer form registrable as to principal or interest or both; may bear such conversion privileges; may be payable in such installments and at such times not exceeding thirty years; may be payable at such place or places whether within or without the state; may bear interest at such rate or rates per annum, which may be fixed or vary according to index, procedure, or formula or as determined by the Authority or its agents, without regard to any...
INTEREST RATE LIMITATION APPEARING IN ANY OTHER LAW OF THE STATE; MAY
BE SUBJECT TO PURCHASE AT THE OPTION OF THE HOLDER OR THE AUTHORITY;
MAY BE EVIDENCED IN SUCH MANNER; MAY BE EXECUTED BY SUCH OFFICERS
OF THE AUTHORITY, INCLUDING THE USE OF ONE OR MORE FACSIMILE SIGNATURES
SO LONG AS AT LEAST ONE MANUAL SIGNATURE APPEARS ON THE BONDS, WHICH
MAY BE EITHER OF AN OFFICER OF THE AUTHORITY OR OF AN AGENT
AUTHENTICATING THE SAME; MAY BE IN THE FORM OF COUPON BONDS THAT
HAVE ATTACHED INTEREST COUPONS BEARING A MANUAL OR FACSIMILE
SIGNATURE OF AN OFFICER OF THE AUTHORITY; AND MAY CONTAIN SUCH
PROVISIONS NOT INCONSISTENT WITH THIS ARTICLE 42, ALL AS PROVIDED IN THE
RESOLUTION OF THE AUTHORITY UNDER WHICH THE BONDS ARE AUTHORIZED TO
BE ISSUED OR AS PROVIDED IN A TRUST INDENTURE BETWEEN THE AUTHORITY
AND ANY COMMERCIAL BANK OR TRUST COMPANY HAVING FULL TRUST POWERS.

(b) (I) BONDS MAY BE SOLD AT PUBLIC OR PRIVATE SALE AT SUCH PRICE

SB21-208

by Senator(s) Moreno, Hansen, Rankin; also Representative(s) Herod, McCluskie, Ransom-

- Concerning the transfer of one hundred million dollars from the general fund to the state education fund.

Senator Coram moved to amend the report of the Committee of the Whole to show that the following Coram floor amendment, (L.001) to SB21-208, did pass.

Amend printed bill, page 2, line 7, after the period add "FIVE MILLION DOLLARS OF THE MONEY TRANSFERRED TO THE STATE EDUCATION FUND SHALL BE APPROPRIATED TO THE DEPARTMENT OF EDUCATION FOR THE SAFE TO RIDE BUS DISINFECTING PROGRAM CREATED IN SECTION 22-2-146.

SECTION 2. In Colorado Revised Statutes, add 22-2-146 as follows:

22-2-146. Safe to ride school bus disinfecting pilot program - creation - use of funds - gifts, grants, and donations - rules - legislative declaration - definitions. (1) As used in this section, unless the context otherwise requires:

(a) "Antimicrobial products" means products that are registered on the Federal Environmental Protection Agency's "List N" to kill ninety-nine percent of bacteria, fungi, and viruses; are hospital-grade, with the lowest toxicity rating available from the Federal Environmental Protection Agency; leave no chemical residue and (b) need not be wiped after application; have a safe, stable shelf-life of eighteen months; are noncorrosive, noncaustic, and void of harsh chemicals or fumes; pose no health threat to students or staff; require no personal protective equipment for proper handling and use; and may safely be used on food contact surfaces without rinsing.

(b) "Pilot program" means the safe to ride school bus disinfecting pilot program created in subsection (2) of this section.

(c) "Pilot program administrator" means the pilot program administrator selected by the department pursuant to subsection (5) of this section.

(d) "Rural school district" means a school district that the department determines is rural based on the geographic size of the district and the distance from the nearest large, urbanized area.

(e) "School district" means a school district organized and existing pursuant to law but does not include a local district college.

(2) There is created in the department the safe to ride school bus disinfecting pilot program to provide grants to school districts to increase the safety of students and staff through the use of antimicrobial products to disinfect school buses without harming students or staff. The pilot program is a three-year program; except that the program may be extended if the department receives gifts, grants, or donations to continue the pilot program.

(3) The state board shall promulgate rules necessary for the implementation of the pilot program, including but not limited to a simplified application process for school districts to apply for grants; the time frame for the application and award of grants; a process for achieving a balanced distribution of grant money to rural school districts, urban school districts, and suburban school districts; the process for selecting and retaining a pilot program administrator, the schedule of payments to the pilot program administrator, and the method for ensuring that the pilot program administrator is in compliance with its duties; and allowable uses of grant money.

(4) (a) To be eligible for a grant, in addition to other requirements specified by state board rule, a school district's application must include a summary of the school bus transportation provided by the school district, a description of the school bus health and safety challenges faced by the school district, and how the school district intends to use the grant money to provide safe transportation for students.

(b) Subject to available appropriations, the department shall award grants to selected school districts to participate in the pilot program. If additional appropriations or gifts, grants, or donations become available, the department may award grants to additional school districts.

(c) In addition to any uses specified by state board rule, a
SCHOOL DISTRICT SHALL USE THE GRANT MONEY TO PURCHASE ELECTROSTATIC SPRAYERS AND QUALIFYING ANTIMICROBIAL PRODUCTS, AS WELL AS OTHER NECESSARY PRODUCTS FOR EACH SCHOOL BUS AS DETERMINED IN CONSULTATION WITH THE PILOT PROGRAM ADMINISTRATOR, FOR TRAINING RELATED TO EQUIPMENT ACQUIRED THROUGH THE PILOT PROGRAM, AND REPORT TO THE DEPARTMENT AT THE END OF THE PILOT PROGRAM AS TO THE EFFICACY OF THE PILOT PROGRAM IN PROVIDING SAFE TRANSPORTATION FOR STUDENTS.

(5) (a) Subject to available appropriations, within thirty days after the effective date of this section, the department shall issue a request for proposals for a pilot program administrator and shall select the pilot program administrator within thirty days after the deadline for submitting proposals. The pilot program administrator may receive up to eight percent of the money appropriated for the pilot program. An eligible pilot program administrator must be a nonprofit corporation, as defined in section 7-121-401, or public benefit corporation, as defined in section 7-101-503, that operates with a charitable purpose, and be able to assign staff to administer the pilot program who have at least ten years of experience in evidence-based school bus safety and surface transportation security, child safety campaign development, public service campaigns supported by government and media, and the proven ability to seek and obtain funds from the federal government, nongovernmental entities, and corporate sponsorships in order to secure gifts, grants, and donations for the pilot program. The pilot program administrator must also be able to develop and maintain a website with online service materials for school districts participating in the pilot program.

(b) Once selected, the pilot program administrator shall support school districts participating in the pilot program, as outlined in the contract with the department, which support must include but is not limited to assessing school district equipment and antisepticant product needs; making recommendations for equipment and antisepticant product vendors; providing training relating to the equipment and antisepticant products purchased with grant money; performing quarterly reviews of the pilot program with public reports, including verification of the efficacy of the disinfection program and the eradication of pathogens without harm to students and staff; and assisting the department and school districts in securing ongoing funding for the pilot program through gifts, grants, and donations.

(6) (a) The general assembly shall appropriate five million dollars from the state education fund created in section 17 (4) of article IX of the state constitution to implement the pilot program. The department may retain up to two percent of the total amount appropriated to the department for the pilot program to perform the duties not required of the pilot program administrator and to supervise the pilot program administrator. The department may expend up to eight percent of the money appropriated to the department for the pilot program to contract with the pilot program administrator.

(b) Any unexpended and unencumbered money from the appropriation for the state fiscal year 2021-22 made for the purposes of this section remains available for expenditure by the department for the purposes of this section for the next two fiscal years without further appropriation.

(c) The department may seek, accept, and expend gifts, grants, or donations from private or public sources for the purposes of this section.

(d) The general assembly declares that, for purposes of section 17 of article IX of the state constitution, the safe to ride school bus disinfecting pilot program created in this section is an important element in improving student safety and may therefore receive funding from the state education fund created in section 17 (4) of article IX of the state constitution.

SECTION 3. Appropriation. For the 2021-22 state fiscal year, $5,000,000 is appropriated to the department of education. This appropriation is from the state education fund created in section 17 (4)(a) of article IX of the state constitution. To implement this act, the department may use this appropriation for the safe to ride school bus disinfecting pilot program."
Renumber succeeding section accordingly.

No such agreement shall contain a waiver by the tenant of the notice requirement of this subsection (1)(d). It is not necessary, in order to work a forfeiture of such agreement for nonpayment of rent, to make a demand for such rent on the day on which the same becomes due; but a failure to pay such rent upon demand, when made, works a forfeiture.

(e) When such tenant or lessee holds over, without such permission, contrary to any other condition or covenant of the agreement under which such tenant or lessee holds, and ten days' notice in writing has been duly served upon such tenant or lessee requiring in the alternative the compliance with such condition or covenant or the delivery of the possession of the premises so held; except that, for a nonresidential agreement or an employer-provided housing agreement, three days' notice is required pursuant to this section; and for an
exempt residential agreement, five days’ notice is required pursuant to this section:

(e.5) (II) A tenancy pursuant to a residential agreement may be terminated at any time pursuant to this subsection (1)(e.5) on the basis of a subsequent violation of the same condition or covenant of the agreement. The termination of a residential tenancy is effective ten days after service of written notice to quit. Notwithstanding any other provision of this subsection (1)(e.5)(II), a tenancy pursuant to a nonresidential agreement or an employer-provided housing agreement may be terminated at any time pursuant to this subsection (1)(e.5) on the basis of a subsequent violation. The termination of a nonresidential tenancy or an employer-provided housing tenancy is effective three days after service of written notice to quit. and the termination of a tenancy pursuant to an exempt residential agreement is effective five days after service of written notice to quit.

(5) As used in this section, unless the context otherwise requires:

(b) “Exempt residential agreement” means a residential agreement leasing a single family home by a landlord who owns five or fewer single family rental homes and who provides notice in the agreement that a ten-day notice period required pursuant to this section does not apply to the tenancy entered into pursuant to the agreement.”.

After consideration on the merits, the Committee recommends that SB21-154 be amended as follows, and as so amended, be referred to the Committee on Appropriations with favorable recommendation.

Amend printed bill, page 2, strike everything below the enacting clause and substitute:

"SECTION 1. In Colorado Revised Statutes, add article 64 to title 27, as follows:

ARTICLE 64 988 Crisis Hotline Enterprise

27-64-101. Legislative declaration. (1) The General Assembly finds and declares that:

(a) On July 16, 2020, the Federal Communications Commission adopted rules, and on October 17, 2020, congress passed the "National Suicide Hotline Designation Act of 2020", designating 988 as the three-digit number for the National Suicide Prevention Lifeline to aid rapid access to suicide prevention and mental health support
SERVICES;
(b) IT IS IMPERATIVE FOR COLORADO TO IMPLEMENT 988 AS THE THREE-DIGIT NUMBER FOR CRISIS RESPONSE SERVICES IN COLORADO IN ORDER TO COMPLY WITH FEDERAL REGULATIONS, IMPROVE QUALITY AND ACCESS TO BEHAVIORAL HEALTH CRISIS SERVICES, ESPECIALLY FOR UNDERSERVED POPULATIONS, AND IN RURAL AREAS OF THE STATE; AND REDUCE STIGMA SURROUNDING SUICIDE, MENTAL HEALTH, AND SUBSTANCE USE CONDITIONS;
(c) THE 988 CRISIS HOTLINE ENTERPRISE PROVIDES VALUABLE BENEFITS AND SERVICES TO TELEPHONE SERVICE USERS WHEN THE ENTERPRISE FUNDS THE 988 CRISIS HOTLINE AND PROVIDES CRISIS OUTREACH, STABILIZATION, AND ACUTE CARE TO INDIVIDUALS CALLING THE 988 CRISIS HOTLINE FROM ANY JURISDICTION IN COLORADO TWENTY-FOUR HOURS A DAY, SEVEN DAYS A WEEK;
(d) BY PROVIDING THE BENEFITS AND SERVICES SPECIFIED IN SUBSECTION (1)(c) OF THIS SECTION, THE 988 CRISIS HOTLINE ENTERPRISE ENGAGES IN AN ACTIVITY CONDUCTED IN THE PURSUIT OF A BENEFIT, GAIN, OR LIVELIHOOD, AND THEREFORE OPERATES AS A BUSINESS;
(e) CONSISTENT WITH THE DETERMINATION OF THE COLORADO SUPREME COURT IN NICHELL V. E-470 PUBLIC HIGHWAY AUTHORITY, 896 P.2d 859 (COLO. 1995), THAT THE POWER TO IMPOSE TAXES IS INCONSISTENT WITH ENTERPRISE STATUS UNDER SECTION 20 OF ARTICLE X OF THE STATE CONSTITUTION, IT IS THE CONCLUSION OF THE GENERAL ASSEMBLY THAT THE CHARGES IMPOSED BY THE ENTERPRISE IS A FEE, NOT A TAX, BECAUSE THE CHARGES ARE IMPOSED FOR THE SPECIFIC PURPOSE OF ALLOWING THE ENTERPRISE TO DEFRAY THE COSTS OF PROVIDING THE BENEFITS AND SERVICES SPECIFIED IN SUBSECTION (1)(c) OF THIS SECTION TO TELEPHONE SERVICE USERS AND THE CHARGES ARE IMPOSED AT RATES THAT ARE REASONABLY CALCULATED BASED ON THE COST OF THE SERVICES RECEIVED BY TELEPHONE SERVICE USERS;
(f) SO LONG AS THE 988 CRISIS HOTLINE ENTERPRISE QUALIFIES AS AN ENTERPRISE FOR PURPOSES OF SECTION 20 OF ARTICLE X OF THE STATE CONSTITUTION, THE REVENUE FROM THE CHARGES IMPOSED BY THE ENTERPRISE ARE NOT STATE FISCAL YEAR SPENDING, AS DEFINED IN SECTION 24-77-102 (17), OR STATE REVENUES, AS DEFINED IN SECTION 24-77-103.6 (6)(c), AND DO NOT COUNT AGAINST EITHER THE STATE FISCAL YEAR SPENDING LIMIT IMPOSED BY SECTION 20 ARTICLE X OF THE STATE CONSTITUTION OR THE EXCESS STATE REVENUES CAP, AS DEFINED IN SECTION 24-77-103.6 (6)(b)(I); AND
(g) NO OTHER ENTERPRISE CREATED SIMULTANEOUSLY OR WITHIN THE PRECEDING FIVE YEARS SERVES PRIMARILY THE SAME PURPOSE AS THE 988 CRISIS HOTLINE ENTERPRISE AND THE 988 CRISIS HOTLINE ENTERPRISE WILL GENERATE REVENUE FROM CHARGES OF LESS THAN ONE HUNDRED MILLION DOLLARS TOTAL IN ITS FIRST FIVE FISCAL YEARS. ACCORDINGLY, THE CREATION OF THE 988 CRISIS HOTLINE ENTERPRISE DOES NOT REQUIRE VOTER APPROVAL PUNITIVE TO SECTION 24-77-108.

27-64-102. Definitions. As used in this article 64, unless the context otherwise requires:
(1) "988 CRISIS HOTLINE" MEANS A STATE-IDENTIFIED HOTLINE PARTICIPATING IN THE NATIONAL SUICIDE PREVENTION LIFELINE NETWORK TO RESPOND TO STATEWIDE OR REGIONAL BEHAVIORAL HEALTH CRISIS CALLS.

COMMITTEE OF REFERENCE REPORTS
Business, Labor, & Technology
After consideration on the merits, the Committee recommends that SB21-169 be amended as follows, and as so amended, be referred to the Committee of the Whole with favorable recommendation.

Amend printed bill, strike everything below the enacting clause and substitute:

"SECTION 1. Legislative declaration. (1) The general assembly finds that:
(a) Increasingly, insurers use external consumer data and information sources, algorithms, and predictive models in their insurance rating, underwriting, claims, and other business practices;
(b) Although such tools have the potential to benefit insurers and consumers by simplifying and expediting insurance rating, underwriting, and claims processes, the accuracy and reliability of external consumer data and information sources can vary greatly, and some algorithms and predictive models may lack a sufficient rationale for use in insurance practices; and
(c) The use of particular external consumer data and information sources, algorithms, and predictive models by insurers may have a significant negative impact not only on the availability and affordability of insurance for protected classes of consumers, but also on the utilization of such insurance.

(2) The general assembly therefore declares that in order to ensure that all Colorado residents have fair and equitable access to insurance products, it is necessary to:
(a) Prohibit:
(i) Unfair discrimination based on an individual's race, color, national
or ethnic origin, religion, sex, sexual orientation, or gender identity in any insurance practice; and

(II) The use of external consumer data and information sources, algorithms, and predictive models, which use has the result of unfairly discriminating against an individual based on an individual’s race, color, national or ethnic origin, religion, sex, sexual orientation, or gender identity; and

(b) After notice and rule-making by the commissioner of insurance, require insurers that use external consumer data and information sources, algorithms, and predictive models to control for, or otherwise demonstrate that such use does not result in unfair discrimination.

SECTION 2. In Colorado Revised Statutes, add 10-3-1104.9 as follows:

10-3-1104.9. Insurers’ use of external consumer data and information sources, algorithms, and predictive models - consideration of protected class status prohibited - unfair discrimination prohibited - rules - stakeholder process required - investigations - definitions.

(1) Notwithstanding Section 10-3-1104 (1)(f), an insurer shall not, with regard to any insurance practice:

(a) Unfairly discriminate based on an individual’s race, color, national or ethnic origin, religion, sex, sexual orientation, or gender identity; or

(b) Pursuant to rules adopted by the commissioner, use any external consumer data and information source, algorithm, or predictive model that unfairly discriminates against an individual based on an individual’s race, color, national or ethnic origin, religion, sex, sexual orientation, or gender identity.

(2) (a) The commissioner shall adopt rules for the implementation of this section.

(b) The commissioner shall engage in a stakeholder process prior to the adoption of rules for any type of insurance that includes carriers, producers, consumer representatives, and other interested parties. The commissioner shall hold stakeholder meetings for stakeholders of different types of insurance to ensure sufficient opportunity to consider factors and processes relevant to each such type of insurance. The commissioner shall provide notice of such stakeholder meetings on the division website, and stakeholder meetings shall be open to the public.

(3) (a) After the stakeholder process described in subsection (2) of this section, the commissioner shall adopt rules for specific types of insurance, by insurance practice, which rules establish means by which an insurer may demonstrate that it has tested whether its use of external consumer data and information sources, algorithms, or predictive models unfairly discriminates based on an individual’s race, color, national or ethnic origin, religion, sex, sexual orientation, or gender identity. Any such rules shall not become effective until January 1, 2023, at the earliest, for any type of insurance.

(b) Rules adopted pursuant to this section must require each insurer to:

(I) Provide information to the commissioner concerning the external consumer data and information sources used by the insurer in the development and implementation of algorithms and predictive models for a particular type of insurance and insurance practice;

(II) Provide an explanation of the manner in which the insurer uses external consumer data and information sources, algorithms, and predictive models for the particular type of insurance and insurance practice;

(III) Establish and maintain a risk management framework that is reasonably designed to determine, to the extent practicable, whether the insurer’s use of external consumer data and information sources, algorithms, and predictive models unfairly discriminates against individuals based on their race, color, national or ethnic origin, religion, sex, sexual orientation, or gender identity;

(IV) Provide an assessment of the results of the risk management framework and actions taken to minimize the risk of unfair discrimination, including ongoing monitoring; and
(V) PROVIDE AN ATTESTATION BY THE INSURER’S CHIEF RISK OFFICER THAT THE INSURER HAS IMPLEMENTED THE RISK MANAGEMENT FRAMEWORK APPROPRIATELY ON A CONTINUOUS BASIS.

(c) INFORMATION SUBMITTED BY INSURERS TO COMPLY WITH THIS SECTION IS SUBJECT TO THE "COLORADO OPEN RECORDS ACT", PART 2 OF ARTICLE 72 OF TITLE 24.

(4) PURSUANT TO SECTION 10-3-1106, THE COMMISSIONER MAY EXAMINE AND INVESTIGATE AN INSURER’S USE OF AN EXTERNAL CONSUMER DATA AND INFORMATION SOURCE, ALGORITHM, OR PREDICTIVE MODEL IN ANY INSURANCE PRACTICE. INSURERS SHALL COOPERATE WITH THE COMMISSIONER AND THE DIVISION IN ANY EXAMINATION OR INVESTIGATION UNDER THIS SECTION.

(5) IN THE EVENT THAT IT IS DETERMINED, AS A RESULT OF AN INSURER’S PROPER COMPLIANCE WITH THE REQUIREMENTS OF THIS SECTION, THAT THE INSURER’S USE OF EXTERNAL CONSUMER DATA AND INFORMATION SOURCES, ALGORITHMS, OR PREDICTIVE MODELS IS FOUND TO UNFAIRLY DISCRIMINATE AGAINST INDIVIDUALS BASED ON THEIR RACE, COLOR, NATIONAL OR ETHNIC ORIGIN, RELIGION, SEX, SEXUAL ORIENTATION, OR GENDER IDENTITY, THE COMMISSIONER MAY ISSUE AN ORDER TO THE INSURER, WHICH ORDER SHALL BE LIMITED TO:

(a) ANY NECESSARY RESTITUTION FOR CONSUMERS; AND
(b) ANY OTHER ACTION REQUIRED TO BE TAKEN BY THE INSURER TO REMEDY THE UNFAIR DISCRIMINATION ON A PROSPECTIVE BASIS.

(6) AS USED IN THIS SECTION, UNLESS THE CONTEXT OTHERWISE REQUIRES:

(a) "ALGORITHM" MEANS A COMPUTATIONAL PROCESS THAT INFORMS HUMAN DECISION-MAKING IN INSURANCE PRACTICES.

(b) "EXTERNAL CONSUMER DATA AND INFORMATION SOURCE" MEANS A DATA OR AN INFORMATION SOURCE THAT IS USED BY AN INSURER TO SUPPLEMENT TRADITIONAL UNDERWRITING OR OTHER INSURANCE PRACTICES OR TO ESTABLISH LIFESTYLE INDICATORS THAT ARE USED IN INSURANCE PRACTICES. "EXTERNAL CONSUMER DATA AND INFORMATION SOURCE" INCLUDES CREDIT SCORES, SOCIAL MEDIA HABITS, LOCATIONS, PURCHASING HABITS, HOME OWNERSHIP, EDUCATIONAL ATTAINMENT, OCCUPATION, LICENSURES, CIVIL JUDGMENTS, AND COURT RECORDS.

(c) "INSURANCE PRACTICE" MEANS MARKETING, UNDERWRITING, PRICING, UTILIZATION MANAGEMENT, REIMBURSEMENT METHODOLOGIES, CLAIMS MANAGEMENT, AND FRAUD DETECTION IN THE TRANSACTION OF INSURANCE.

(d) "PREDICTIVE MODEL" MEANS A PROCESS OF USING MATHEMATICAL AND COMPUTATIONAL METHODS THAT EXAMINE CURRENT AND HISTORICAL DATA SETS FOR UNDERLYING PATTERNS AND CALCULATE THE PROBABILITY OF AN OUTCOME.

(e) "UNFAIR DISCRIMINATION BASED ON AN INDIVIDUAL’S RACE, COLOR, NATIONAL OR ETHNIC ORIGIN, RELIGION, SEX, SEXUAL ORIENTATION, OR GENDER IDENTITY" INCLUDES THE USE OF AN EXTERNAL CONSUMER DATA AND INFORMATION SOURCE, ALGORITHM, OR PREDICTIVE MODEL WHOSE PREDICTIVE CAPABILITY IS DERIVED IN SUBSTANTIAL PART FROM ITS CORRELATION WITH MEMBERSHIP IN ONE OR MORE OF SUCH PROTECTED CLASSES.

SECTION 3. In Colorado Revised Statutes, add 10-4-1405 as follows:

10-4-1405. Exemption from testing and reporting requirements.

NOTWITHSTANDING SECTION 10-3-1104.9, THE REQUIREMENTS OF SAID SECTION 10-3-1104.9 DO NOT APPLY TO INSURERS OF EXEMPT COMMERCIAL POLICYHOLDERS, AS DEFINED BY RULE PURSUANT TO SECTION 10-4-1402.

SECTION 4. Act subject to petition - effective date. This act takes effect at 12:01 a.m. on the day following the expiration of the ninety-day period after final adjournment of the general assembly; except that, if a referendum petition is filed pursuant to section 1 (3) of article V of the state constitution against this act or an item, section, or part of this act within such period, then the act, item, section, or part will not take effect unless approved by the people at the general election to be held in November 2022 and, in such case, will take effect on the date of the official declaration of the vote thereon by the governor." .

SECTION 5. In Colorado Revised Statutes, add 24-34-310 as follows:

24-34-310. Training and education programs for employers - commission to develop. In addition to any education and outreach programs and duties specified in section 24-34-305, the commission shall develop sample training and education programs regarding the prevention of harassment and discrimination in the workplace, bystander intervention, and workplace civility. Within six months after the effective date of this section, the commission shall develop the training and education programs and make the programs available to employers, at no cost, on the division’s website and in other manners that enable employers to access the programs.

SECTION 6. In Colorado Revised Statutes, add 24-34-400.2 as follows:

24-34-400.2. Legislative declaration. (1) The general assembly finds that:

(a) All Coloradans should have an equal opportunity to succeed in the workplace and are entitled to a workplace that is free from discrimination, hostility, or harassment based on their protected status;

(b) When employers have a safe workplace that is free from harassment and discrimination, those employees are more productive and are more inclined to remain in their jobs, and employers benefit from increased employee productivity and retention;

(c) While many employers have made great strides in improving workplace environments by making them free from harassment and discrimination since the first iteration of this part 4 was enacted in 1951, many employees in this state still experience harassment and discrimination in the workplace, resulting in mental, physical, and economic harm;

(d) With regard to sexual harassment in the workplace, recent studies and reports, including the 2018 Hiscox Workplace Harassment Study and a 2020 issue brief from the Center for Women and Work in the Rutgers School of Management and Labor Relations...
ENTITLED "ECONOMIC IMPACTS OF SEXUAL HARASSMENT: COMBATING SEXUAL HARASSMENT CAN FURTHER GENDER EQUALITY", HAVE SHOWN THAT:

(I) BASED ON DATA FROM A STUDY ON HARASSMENT IN THE WORKPLACE CONDUCTED BY A SPECIAL TASK FORCE OF THE UNITED STATES EQUAL EMPLOYMENT OPPORTUNITY COMMISSION, UP TO EIGHTY-FIVE PERCENT OF ALL WOMEN HAVE EXPERIENCED SOME FORM OF SEXUAL HARASSMENT WHILE AT WORK, AND, IN ABOUT TWELVE PERCENT OF CASES, THE HARASSMENT OCCURRED ON A DAILY OR WEEKLY BASIS;

(II) UP TO THIRTY-ONE PERCENT OF PEOPLE SAY THAT NO ACTION WAS TAKEN ON THEIR CLAIM OF SEXUAL HARASSMENT, EVEN THOUGH INCIDENTS OCCURRED FREQUENTLY; AND

(III) FIFTY-THREE PERCENT OF EMPLOYEES WHO EXPERIENCED SEXUAL HARASSMENT WERE TOO AFRAID TO REPORT THE UNWELCOME BEHAVIOR;

(c) It is critical that employers engage in preventive and corrective actions to eliminate workplace discrimination and harassment and ensure a safe workplace environment for all their employees; and

(f) Courts should apply the law consistently to all workplaces.

(2) Additionally, the general assembly:

(a) finds that the "SEVERE OR PERVERSIVE" STANDARD CREATED BY COURTS TO DETERMINE IF HARASSMENT AT WORK IS A DISCRIMINATORY OR UNFAIR EMPLOYMENT PRACTICE DOES NOT TAKE INTO ACCOUNT THE REALITIES OF THE WORKPLACE OR THE HARM THAT WORKPLACE HARASSMENT CAUSES; AND

(b) rejects the "SEVERE OR PERVERSIVE" STANDARD FOR PROOF OF WORKPLACE HARASSMENT IN FAVOR OF A STANDARD THAT PROHIBITS UNWELCOME HARASSMENT.

(3) The general assembly further finds and declares that:

(a) It is the public policy of the state to encourage employers to adopt equal employment opportunity policies to prevent and disincentivize illegal discrimination and harassment; and

(II) The free reporting, discussion, and exposure of discriminatory or unfair employment practices in order to better protect employees and discourage discriminatory or unfair employment practices; and

(b) attempts to interfere with employees' ability to communicate about and report alleged discriminatory or unfair employment practices are contrary to the public policy of the state.

SECTION 7. In Colorado Revised Statutes, 24-34-401, amend (2); and add (1.3), (1.5), (1.7), (4.5), and (6.3) as follows:

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30 31 32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52 53 54 55 56 57 58 59 60 61 62 63 64 65 66 67 68 69

(B) The individual performing the services and the person for whom the services are performed executed a signed, written agreement under which the person for whom the services are performed unambiguously agrees that, during the performance of the agreement, the person for whom the services are performed will not discriminate against or harass the individual because of disability, race, creed, color, sex, sexual orientation, gender identity, gender expression, marital status, caregiver status, religion, age, national origin, or ancestry.

(III) If the person for whom the services are performed satisfies the requirements of subsection (2)(b) (II) of this section, the individual performing the services for the person will not be deemed an employee for purposes of this Part 4 only. A determination pursuant to this subsection (2)(b) that an individual is not an employee for purposes of this Part 4 does not affect the rights or liabilities of the individual performing services or the person for whom the services are performed under the agreement or any other law.

(4.5) (a) "Harass" or "harassment" means to subject an individual to unwelcome verbal, written, or physical conduct, where the following factors are met:

(I) The type of conduct;

(II) The nature of the conduct; and

(III) The frequency of the conduct, recognizing that a single act of harassment may be offensive to a reasonable person in the totality of the circumstances.

(II) Whether the individual who was subjected to the conduct felt explicit or implicit pressure to condone, encourage, or participate in the conduct.

(6.3) "Minor child" means a child who is under eighteen years of age.

SECTION 8. In Colorado Revised Statutes, 24-34-402, amend (1) introductory portion, (1)(a), (1)(b), (1)(c), (1)(d), and (1)(f); and add (1)(j) and (1.5) as follows:

subsection 8-70-402. Discriminatory or unfair employment practices. (1) It shall be a discriminatory or unfair employment practice:

(a) (I) For an employer to refuse to hire, to discharge, to promote or demote, to harass during the course of employment, or to discriminate in matters of compensation, terms, conditions, or privileges of employment against any person individually otherwise qualified because of disability, race, creed,
color, sex, sexual orientation, MARITAL STATUS, CAREGIVER STATUS, religion, age, national origin, or ancestry; but, with regard to a disability, it is not a discriminatory or an unfair employment practice for an employer to act as provided in this paragraph (c) SUBSECTION (1)(a) if there is no reasonable accommodation that the employer can make with regard to the disability; the disability actually disqualifies the individual from the job, and the disability has a significant impact on the job. For purposes of this paragraph (c), "harass" means to create a hostile work environment based upon an individual's race, national origin, sex, sexual orientation, disability, age, or religion. Notwithstanding the provisions of this paragraph (c), harassment is not an illegal act unless a complaint is filed with the appropriate authority at the complainant's workplace and such authority fails to initiate a reasonable investigation of a complaint and take prompt remedial action if appropriate:

(II) FOR A HARASSMENT CLAIM UNDER THIS SUBSECTION (1)(a):

(A) The legal standard for harassment does not vary by type of workplace. It is irrelevant that a particular occupation may have been characterized by a greater frequency of discriminatory comments or conduct in the past.

(B) The conduct does not need to be severe or pervasive to constitute a discriminatory or unfair employment practice under this subsection (1)(a).

(C) It shall be an affirmative defense if an employer demonstrates that when the employer knew or should have known of the harassment, the employer took prompt, reasonable, remedial action to end the harassment, deter future harassers, and protect employees.

(b) For an employment agency to refuse to list and properly classify for employment or to refuse to refer an individual for employment in a known available job for which such an individual is otherwise qualified because of disability, race, creed, color, sex, sexual orientation, MARITAL STATUS, CAREGIVER STATUS, religion, age, national origin, or ancestry; or for an employment agency to comply with a request from an employer for referral of applicants for employment if the request indicates either directly or indirectly that the employer discriminates in employment on account of disability, race, creed, color, sex, sexual orientation, MARITAL STATUS, CAREGIVER STATUS, religion, age, national origin, or ancestry; but, with regard to a disability, it is not a discriminatory or an unfair employment practice for an employment agency to refuse to list and properly classify for employment or to refuse to refer an individual for employment in a known available job for which such an individual is otherwise qualified if there is no reasonable accommodation that the employer can make with regard to the disability, the disability actually disqualifies the applicant from the job, and the disability has a significant impact on the job;

(c) For a labor organization to exclude any individual otherwise qualified from full membership rights in such a labor organization, or to expel any such individual from membership in such a labor organization, or to otherwise discriminate against any of its members in the full enjoyment of work opportunity because of disability, race, creed, color, sex, sexual orientation, MARITAL STATUS, CAREGIVER STATUS, religion, age, national origin, or ancestry;

(d) For any employer, employment agency, or labor organization to print or circulate or cause to be printed or circulated any statement, advertisement, or publication, or to use any form of CONTRACT OR application for employment, WORK, or membership, or to make any inquiry in connection with a potential contract or prospective employment, work, or membership that expresses, either directly or indirectly, any limitation, specification, or discrimination as to disability, race, creed, color, sex, sexual orientation, MARITAL STATUS, CAREGIVER STATUS, religion, age, national origin, or ancestry or intent to make any such limitation, specification, or discrimination, unless based upon a bona fide occupational qualification or required by and given to an agency of government for security reasons;

(f) For any employer, labor organization, joint apprenticeship committee, or vocational school providing, coordinating, or controlling apprenticeship programs or providing, coordinating, or controlling on-the-job training programs or other instruction, training, or retraining programs:

(I) To deny to or withhold from any qualified person individual, because of disability, race, creed, color, sex, sexual orientation, MARITAL STATUS, CAREGIVER STATUS, religion, age, national origin, or ancestry, the right to be admitted to or participate in an apprenticeship training program, an
on-the-job training program, or any other occupational instruction, training, or retraining program; but, with regard to a disability, it is not a discriminatory or an unfair employment practice to deny or withhold the right to be admitted to or participate in any such program if there is no reasonable accommodation that can be made with regard to the disability, the disability actually disqualifies the applicant from the program, and the disability has a significant impact on participation in the program;

(II) To discriminate against any qualified person INDIVIDUAL in pursuit of such programs or to discriminate against such a person the INDIVIDUAL in the terms, conditions, or privileges of such programs because of disability, race, creed, color, sex, sexual orientation, MARITAL STATUS, CAREGIVER STATUS, religion, age, national origin, or ancestry; OR

(III) To print or circulate or cause to be printed or circulated any statement, advertisement, or publication, or to use any form of application for such programs, or to make any inquiry in connection with such programs that expresses, directly or indirectly, any limitation, specification, or discrimination as to disability, race, creed, color, sex, sexual orientation, MARITAL STATUS, CAREGIVER STATUS, religion, age, national origin, or ancestry or any intent to make any such limitation, specification, or discrimination, unless based on a bona fide occupational qualification;

(j) FOR AN EMPLOYER TO FAIL TO CONDUCT A REASONABLE INVESTIGATION OF AN EMPLOYEE’S COMPLAINT OF HARASSMENT, DISCRIMINATION, RETALIATION, OR ANY COMBINATION OF HARASSMENT, DISCRIMINATION, OR RETALIATION OR TO FAIL TO TAKE PRACTICAL, REASONABLE, REMEDIAL ACTION IN RESPONSE TO A COMPLAINT.

(1.5) WHEN AN EMPLOYEE CLAIMS THAT A SUPERVISOR HAS UNLAWFULLY HARASSED THAT EMPLOYEE, THE Employer CAN AVOID LIABILITY ONLY IF IT ESTABLISHES THAT:

(a) THE EMPLOYER HAS ESTABLISHED A PROGRAM THAT IS REASONABLY DESIGNED TO END THE HARASSMENT, DETECT FUTURE HARASSERS, AND PROTECT EMPLOYEES FROM HARASSMENT;

(b) THE EMPLOYER HAS COMMUNICATED THE EXISTENCE AND DETAILS OF THE PROGRAM SPECIFIED IN SUBSECTION (1.5)(a) OF THIS SECTION TO BOTH ITS SUPERVISORY AND NONSUPERVISORY EMPLOYEES;

(c) NO EMPLOYEE HAS SUBMITTED A CHARGE OF RETALIATION FOR A COMPLAINT OF ALLEGED UNLAWFUL HARASSMENT WITH THE DIVISION OR THE UNITED STATES EQUAL EMPLOYMENT OPPORTUNITY COMMISSION WITHIN THE PRIOR SIX YEARS; AND

(d) THE EMPLOYER HAS UNREASONABLY FAILED TO TAKE ADVANTAGE OF THE EMPLOYER’S PROGRAM SPECIFIED IN SUBSECTION (1.5)(a) OF THIS SECTION, AS ESTABLISHED BY THE TOTALITY OF THE CIRCUMSTANCES.

SECTION 9. In Colorado Revised Statutes, amend 24-34-403 as follows:

24-34-403. Time limits on filing of charges. Any charge alleging a violation of this part 4 shall MUST be filed with the commission pursuant to section 24-34-306 within six months THREE HUNDRED DAYS after the alleged discriminatory or unfair employment practice occurred, and if it is not so filed, it shall be barred.

SECTION 10. In Colorado Revised Statutes, 24-34-405, amend (3)(a); and repeal (3)(g) as follows:

24-34-405. Relief authorized - short title. (3)(a) In addition to the relief available pursuant to subsection (2) of this section, and except as provided in paragraph (g) of this subsection (3); in a civil action brought by a plaintiff under this part 4 against a defendant who is found to have engaged in an intentional discriminatory or unfair employment practice, the plaintiff may recover compensatory and punitive damages as specified in this subsection (3). The court shall not award a plaintiff compensatory or punitive damages when the defendant is found to have engaged in an employment practice that is unlawful solely because of its disparate impact.

(g) In a civil action involving a claim of discrimination based on age; the plaintiff is entitled only to the relief authorized in subsection (2) of this section and in 29 U.S.C. sec. 626 (b) and 29 U.S.C. sec. 216 (b) if the court finds that the defendant engaged in a discriminatory or unfair employment practice based on age. If, in addition to alleging discrimination based on age, the plaintiff alleges discrimination based on any other factor specified in section 24-34-402 (1), this paragraph (g) does not preclude a plaintiff from recovering the relief authorized by this section for that discrimination claim.

SECTION 11. In Colorado Revised Statutes, add 24-34-407 and 24-34-408 as follows:
24-34-407. Nondisclosure agreements - requirements for enforcement - prior charges against an employer - access. (1) (a) On and after the effective date of this section, a provision in an agreement between an employer and an employee that limits the ability of an employee to disclose or discuss, either orally or in writing, alleged discriminatory or unfair employment practices, which provision is referred to in this section as a "nondisclosure provision", is void unless:

(I) The nondisclosure provision:
   (A) Was first proposed by the employee; and
   (B) Applies equally to all parties to the agreement;

(II) An addendum, signed by all parties to the agreement and attesting to compliance with this subsection (1), is attached to the agreement;

(III) The nondisclosure provision does not restrain the employee from disclosing the underlying facts of the alleged discriminatory or unfair employment practice:
   (A) To the employee's immediate family, religious advisor, medical or mental health provider, legal counsel, financial advisor, or tax preparer; or
   (B) As required by law; and

(IV) The agreement includes a condition that any material misrepresentation by the employer or the individual or individuals who engaged in the alleged discriminatory or unfair employment practice about the complaining employee voids the nondisclosure provision and any associated liquidated damages for violations of the nondisclosure provision, as the nondisclosure provision applies to the employee, but the remainder of the agreement remains enforceable.

(b) In any civil action involving a claim of a discriminatory or unfair employment practice, a plaintiff may present evidence that the employer against whom the action was filed entered into one or more agreements that included a nondisclosure provision involving the conduct of the same individual or individuals who are alleged in the action to have engaged in the discriminatory or unfair employment practice. If such evidence is presented, the court shall allow the jury to consider the evidence in support of an award of punitive damages.

(2) (a) Upon the filing of a charge of a discriminatory or unfair employment practice pursuant to section 24-34-306 (2), the division shall provide to the charging party any other charges filed with the division against the same respondent, including the respondent's position statement provided to the division in response to a previous charge.

(b) Before providing prior charges to a charging party pursuant to this section, the division shall redact the name of the charging party in any previous charge against the same respondent.

24-34-408. Employer training requirements - records - notices to employees - rules - enforcement. (1) (a) (I) Starting one year after the effective date of this section, an employer with twenty or more employees shall provide training and education to all employees regarding harassment and discrimination prevention, bystander intervention, and civility in the workplace.

   (II) The employer shall provide the training and education to:
   (A) New employees within one hundred eighty days after hire; and
   (B) To all employees at least annually.

   (b) The employer shall include as part of the training and education required by this section the names of at least two individuals or positions within the organization to whom harassing or discriminatory conduct should be reported.

   (c) An employer may use the programs developed by the commission or any other training and education programs that address harassment and discrimination prevention, bystander intervention, and civility in the workplace.

   (d) An employer shall maintain records, in a form and manner determined by the commission by rule, demonstrating compliance with this section. An employer shall maintain the records for at least three years and shall make the records available to the
DIVISION UPON REQUEST.

(e) EMPLOYERS WITH FEWER THAN TWENTY EMPLOYEES ARE ENCOURAGED TO PROVIDE THE TRAINING AND EDUCATION SPECIFIED IN THIS SUBSECTION (1) TO THEIR EMPLOYEES;

(2) (a) ALL EMPLOYERS SHALL INFORM EMPLOYEES, AT THE TIME OF HIRE, AND INCLUDE AS PART OF ANY EMPLOYEE HANDBOOK, MANUAL, OR OTHER MATERIALS OUTLINING THE TERMS AND CONDITIONS OF THE EMPLOYMENT RELATIONSHIP, THE FOLLOWING:

(I) THAT EMPLOYEES SHOULD EXPECT A WORKPLACE THAT IS FREE FROM HARASSMENT AND DISCRIMINATION;

(II) THE NAME AND CONTACT INFORMATION FOR THE INDIVIDUALS OR POSITIONS WITHIN THE ORGANIZATION TO WHOM AN EMPLOYEE IS TO REPORT ANY HARASSING OR DISCRIMINATORY CONDUCT, AND

(III) THE CONTACT INFORMATION FOR THE DIVISION FOR PURPOSES OF FILING A CHARGE IF THE EMPLOYEE IS NOT COMFORTABLE REPORTING TO THE ORGANIZATION'S DESIGNATED INDIVIDUAL.

(b) EMPLOYERS SHALL INCLUDE THE INFORMATION SPECIFIED IN SUBSECTION (2)(a) OF THIS SECTION ON A WRITTEN NOTICE POSTED IN A CONSPICUOUS PLACE IN THE EMPLOYER'S PLACE OF BUSINESS IN AN AREA ACCESSIBLE TO EMPLOYEES.

(3) UPON FINDING THAT AN EMPLOYER HAS FAILED TO COMPLY WITH THE REQUIREMENTS OF THIS SECTION, THE DIRECTOR MAY ORDER THE EMPLOYER TO PAY A FINE OF NO LESS THAN FIVE HUNDRED DOLLARS AND NO MORE THAN TEN THOUSAND DOLLARS PER VIOLATION.

(4) IN ANY CIVIL ACTION INVOLVING A CLAIM OF A DISCRIMINATORY OR UNFAIR EMPLOYMENT PRACTICE, A PLAINTIFF MAY PRESENT EVIDENCE THAT THE EMPLOYER AGAINST WHOM THE ACTION WAS FILED FAILED TO COMPLY WITH THE TRAINING REQUIREMENTS SPECIFIED IN SUBSECTION (1) OF THIS SECTION. IF SUCH EVIDENCE IS PRESENTED, THE COURT SHALL ALLOW THE JURY TO CONSIDER THE EVIDENCE IN SUPPORT OF AN AWARD OF PUNITIVE DAMAGES.

May 10, 2021

The Honorable Colorado General Assembly
State Capitol
200 E. Colfax Ave.
Denver, CO 80203

Dear Honorable Members of the Colorado General Assembly:

Today, I signed into law House Bill, HB 21-1048, "Concerning a requirement that retail establishments accept United States Currency."
House Bill 21-1048 ("HB 21-1048") requires retail businesses that offer goods or services to accept cash in order to purchase those goods or services. This new requirement only applies to establishments that accept payment in person, and transactions that require a security deposit or a credit card number to cover unforeseen damages or expenses are not subject to the requirements of HB 21-1048. The penalty for violating the provisions of this bill is a class 2 petty offense, which is punishable by a fine of up to $250.

I appreciate the sponsors' and stakeholders' efforts to pass HB 21-1048, but am concerned about the long-term implications and implementation for the criminal penalty created in this bill. The liability established in this bill is too vague as written. Again, the bill states that a violation is a class 2 petty offense punishable by a fine of up to $250. As comparison, other class 2 petty offenses include selling cigarettes to a minor, operating a motorboat when under 16 years of age, or failure to extinguish a campfire. In all of these cases, the defendant is clearly established. However, it is unclear who would be charged with the petty offense created by HB 21-1048. Does it apply to the retail establishment? The manager on duty? The individual at the counter who refuses to accept the cash? This type of ambiguity is unhelpful and may render this bill practically unenforceable. I have concerns that the language could cause confusion amongst retail establishments, their employees, and consumers as they partake in these transactions and welcome clarification in future legislation.

In addition, I would caution the General Assembly against the creation of new criminal penalties as the Colorado Commission on Criminal and Juvenile Justice (CCJJ) continues its work to complete new sentencing guidelines. While we will have an opportunity to address this in the future, it is important to be thoughtful about the creation of new criminal penalties.

While I am signing the bill into law, I am also requesting the General Assembly to do the following:
1. Introduce legislation that further clarifies whom the penalty applies to, to ensure streamlined implementation. Other states and cities that have enacted similar legislation have laid out clear penalties and enforcement.
2. Evaluate the impact of this legislation on retail establishments, local governments, future payment methods, and consumers in the next five to ten years, by adding a sunset.

We thank the sponsors and stakeholders for their hard work on this topic and appreciate their consideration.

Sincerely,
(signed)
Jared Polis
Governor

24-34-104. General assembly review of regulatory agencies and functions for repeal, continuation, or reestablishment - legislative declaration - repeal. (25) (a) The following agencies, functions, or both, are scheduled for repeal on September 1, 2024:

(VI) The functions of the broadband deployment board created in section 40-15-509.5-24-37.5-118;

SECTION 2. In Colorado Revised Statutes, add with amended and relocated provisions 24-37.5-118 as follows:

24-37.5-118. [Formerly 40-15-509.5] Broadband service - report - broadband deployment board - broadband administrative fund - creation - rules - legislative declaration - definitions - repeal. (1) Short title. This section shall be known and may be cited as THE SHORT TITLE OF THIS SECTION IS the "Connect Colorado to Enhance Economic Development, Telehealth, Education, and Safety Act".

(2) The general assembly hereby finds, determines, and declares that to promote the state policy of providing universal access to broadband service, as set forth in section 40-15-502 (4), it may be necessary to provide financial assistance through additional support mechanisms if competition for local exchange services fails to deliver broadband service throughout the state. "Advanced service" includes "broadband service" for purposes of this section only.

(3) The commission may allocate the Colorado high cost support mechanism established under section 40-15-208 and referred to in this section as the "HCSM", for the deployment of broadband service in unserved areas of the state pursuant to this section and section 40-15-208 only. The commission may fund the deployment of broadband service in unserved areas of the state through use of the HCSM surcharge and surcharge rate in effect on January 1, 2018. Pursuant to subsection (4) of this section and consistent with sections 40-15-207 and 40-15-208, the commission shall determine funds available for broadband deployment and the administration of the board as prescribed in section 40-15-208 or from the HCSM money that it determines is no longer required by the HCSM to support universal basic service, AS THAT TERM IS DEFINED IN SECTION 40-15-102 (3), through an effective competition determination. The AN HCSM THIRD-PARTY CONTRACTOR SHALL MAINTAIN AND HOLD THE money available for broadband deployment shall be maintained by the HCSM third-party contractor and held in a separate account from money used for basic voice service. Money held for broadband deployment shall not be disbursed for basic voice service, and money held for basic voice service shall not be disbursed for broadband deployment. The commission shall only disburse money for broadband deployment grants from the HCSM as directed by the board. Nothing in this section increases any surcharge rate charged to help fund the HCSM.

(4) (i) There is hereby created in the state treasury the broadband administrative fund, referred to in this section as the "fund". The fund consists of all money allocated from the HCSM for the administration of the board and all money that the general assembly may appropriate to the fund. The money in the fund is subject to annual appropriation by the general assembly for the purposes set forth in this section. All interest earned from the investment of money in the fund is credited to the fund. All money not expended at the end of the ANY STATE fiscal year remains in the fund and does not revert to the
general fund or any other fund.

(b) Repealed.

(1) Provided public notice, including notification to any incumbent provider, if any, and held a hearing on the issue; and

(2) Collected, solicited, and reviewed any quantitative data that it deems appropriate regarding the availability of broadband service in the area that the applicant proposes to serve. (b) Developing a methodology for determining whether a proposed project will serve unserved areas. The board's methodology must give substantial weight to a local entity's written certification on the issue of whether the area to be served is an unserved area.

(c) Denying funding for applications that overbuild areas receiving federal sources of high cost support or federal broadband grants for construction of a broadband network that will be completed within twenty-four months after the date that the applicant filed the application so as to maximize the total available state and federal support for rural broadband development. An incumbent broadband provider receiving federal funds must submit to the board an affidavit from a company officer that the build-out will be completed within the twenty-four-month period. Upon completion of the project, an incumbent broadband provider will provide documentation to the board that demonstrates that the unserved addresses meet the minimum download and upload speeds established in the FCC's definition of high-speed internet access or broadband. If the incumbent broadband provider fails to meet the commitment made in the affidavit filed, the board may award a grant to another provider to provide service for the addresses that remain unserved.

(d) Denying funding for overbuilding of existing broadband networks in order to maximize the total available support for financing rural broadband development;

- (II) (A) Except as provided in subsection (9)(e)(II)(B) of this section, independent funding secured for at least twenty-five percent of the total cost of the proposed project.
- (B) The board may authorize a proposed project awarded grant money pursuant to subsection (9)(a)(V) of this section to secure a lesser amount of independent funding if the proposed project meets the criteria set forth in this subsection (9) and the amount of independent funding secured is the highest amount of independent funding proposed among multiple proposals to serve the area to be served by the proposed project. This subsection (9)(e)(II)(B) is repealed, effective September 1, 2024.

- (III) A requirement to utilize any award granted from the fund to an account dedicated to broadband deployment pursuant to subsection (3) of this section for infrastructure purposes only and not for operations;
- (k) Providing additional consideration for proposed projects that include
- (I) Proposed projects that provide service to residential and business addresses that lack broadband internet service at measurable speeds of at least ten megabits per second downstream and one megabit per second upstream;
- (II) Proposed projects that are endorsed by local entities interested in obtaining broadband internet service in unserved areas of the state;
- (III) Proposed projects that have speeds of at least ten megabits per second downstream and one megabit per second upstream or measurable speeds at least equal to the FCC's definition of high-speed internet access or broadband, whichever is faster;
- (IV) Proposed projects for which the applicant has an established record of operation in the area of the grant application; and
- (V) Proposed projects providing last-mile broadband service, which is defined as the portion of broadband service that delivers an internet connection to an end user, that lacks access to broadband service at measurable speeds greater than fifty-six kilobits per second; and
- (VI) Proposed projects that provide discounted broadband service to low-income households;
- (g) Providing an assessment of the following factors:
- (I) Whether the proposed project will provide services via a licensed or unlicensed means of transmission;
- (II) The cost-effectiveness of the proposed project's proposed method for expanding broadband internet service into unserved areas; and
- (III) The reliability of the network providing broadband services;
- (h) (I) With regard to an applicant that has submitted a proposed project to the board, affording each incumbent provider in the area that is not providing access to a broadband network in the unserved area a right of first refusal regarding the implementation of a project in the unserved area.
- (II) If an incumbent provider proposes a project for the area, the incumbent provider commits to providing access to a broadband network;
- (A) Within one year after the applicant's submission of a proposed project;
- (B) At demonstrated downstream and upstream speeds equal to or faster than the speeds indicated in the applicant’s proposed project; and
- (C) At a cost per household in the area to be served that is equal to or less than the cost per household indicated in the applicant’s proposed project.
- (i) Ensuring that broadband service grant awards are not provided in areas other than unserved areas;
- (j) In the case of a franchise agreement, ensuring that broadband service grant awards are not provided in areas with a population density large enough to require service under an existing franchise agreement;
- (k) Establishing a grant award process that:
- (I) Allows an applicant to apply for grants on multiple projects in a given year if the applicant makes a separate application for each project. The board may approve more than one of the applicant's projects within a single year.
- (II) Ensures the geographically equitable distribution of grant awards;
- (III) Provides for an appeals process for any party aggrieved by an award or denial of grant money, whether exercising a right of first refusal, having filed any comments regarding the initial grant application, or both. If a provider of broadband service or a broadband network that alleges funding
provided pursuant to this section will overbuild the provider's broadband network, the provider is an aggrieved party with standing to appeal under this subsection (9)(k)(III).

IV. Requires the board to consider appeals alleging that the application area is no longer unserved because federal support improves a broadband network for service locations that are adjacent to the area receiving the federal award and are within the application area;

(v) (I) Establishing reporting and accountability requirements for a project receiving financial support from the HCSM account dedicated to broadband deployment pursuant to subsection (3) of this section, including contractual requirements that:

(I) The applicant secure a performance bond for the project, as appropriate;

(II) The applicant demonstrate an ability to provide broadband service at a reasonable cost per household in the area to be served by the proposed project;

(III) The applicant demonstrate an ability to complete the proposed project within a reasonable time, not to exceed two years, unless delayed by a government entity; and

(IV) Prohibit an applicant from using grant award money to offer, provide, or sell broadband services in an area not meeting the definition of unserved area;

(V) The applicant, on an annual basis until the grant money has been fully expended, report to the board on the following:

(A) The number of homes and businesses that the applicant's grant-supported broadband network serves;

(B) The number of additional homes and businesses that the applicant expects to serve through the grant-supported broadband network within the following year; and

(C) The speed tiers, advertised rates, and services that the applicant offers to customers through the grant-supported broadband network, including speed tiers, rates, and other services that the applicant offers to low-income households; and

(VI) The applicant, after the grant money has been fully expended, provide third-party performance-testing certification, based on FCC-approved performance-testing protocols, that the project meets the original design of, and provides the measurable speeds, rates, and services set forth in, the application;

(m) (I) Commencement in the grant funding cycle that begins immediately after the effective date of this subsection (9)(m), requiring an applicant, or an appellant filing an appeal pursuant to subsection (9)(k)(III) of this section, to submit, in the form and manner determined by the office or, if the FCC adopts regulations requiring the submission of granular coverage data, in the form and manner required by the FCC, granular coverage data to the office. If the FCC adopts such regulations, the office shall not impose any granular coverage data submission requirements that are more onerous or less stringent than the requirements set forth in the FCC's regulations. Upon request of the board, the office shall inform the board if an applicant has submitted the granular coverage data in accordance with this subsection (9)(m).

(II) Granular coverage data submitted pursuant to this subsection (9)(m) is not a public record as defined in, and is not subject to public disclosure under, the "Colorado Open Records Act", Part 2 of Article 72 of this title 24.

(C) A differentiation among residential-only, business-only, and residential-and-business broadband services.

(e) (10) (a) The board shall periodically review the websites of the federal trade commission and the FCC to determine whether either of those federal agencies has issued a final order or entered into a settlement or consent decree regarding any:

(I) Applicant seeking broadband deployment grant money from the board; or
(II) Internet service provider, as defined in section 40-15-209 (4)(b), to which the board has awarded broadband deployment grant money.

(b) The board shall review any order or decree described in subsection (8.3)(m)(10)(a) of this section to determine whether the internet service provider that is the subject of the order or decree has engaged in conduct prohibited by section 40-15-209 (1)(a) to (1)(d). The board shall deny the application of any applicant subject to such a federal order or decree and shall inform the commission pursuant to section 40-15-209 (2)(a) about any internet service provider awarded broadband deployment grant money that is subject to such an order or decree.

(8.5)(11)(a) The board shall deny an application that contains an area that does not meet the definition of unserved area and shall grant an appeal to an incumbent broadband provider that demonstrates, by a preponderance of the evidence, that an area covered by an application does not meet the definition of unserved area.

(b) If all other application requirements remain met, an application may be amended at any time to remove from the application coverage of an area that does not meet the criteria established pursuant to this section. Alternatively, the board may award a partial grant for an area that does meet the criteria.

(b) The HCSM third-party contractor shall maintain any federal money awarded for broadband deployment in a separate account of the HCSM that is dedicated to allocating federal broadband deployment money. The commission is authorized to disburse any money from the account as directed by the board.

(b) If all other application requirements remain met, an application may be amended at any time to remove from the application coverage of an area that does not meet the definition of unserved area and shall grant an appeal to an incumbent broadband provider that demonstrates, by a preponderance of the evidence, that an area covered by an application does not meet the definition of unserved area.

May 17, 2021

The Honorable Colorado Senate
Seventy-Third General Assembly
First Regular Session
State Capitol
200 E. Colfax Ave.
Denver, CO 80203

Dear Honorable Members of the Colorado Senate:

It is my honor to inform you that I have approved and filed with the Secretary of State the following Act:

Approved May 17, 2021 at 11:27 A.M.

The FY 2022-23 budget, a product of collaboration and teamwork with Colorado's leaders in the General Assembly, sets aside a record level of reserves to protect our future, restores significant cuts made to address the pandemic challenges, and fuels the recovery by investing in economic stimulus for businesses and households.
We especially want to thank the members of the General Assembly for these top priority items for Colorado included in my budget request:

**Reserves:** This budget sets aside the largest reserve on record, 13.4% of General Fund, to protect the State from unpredictable revenue swings as we recover from this global pandemic and economic shock, and help protect against future reductions to school funding, increases in fees, and cuts to our state safety-net in the next few years. History warns us that a recession will impact multiple budget years, and therefore saving for the future and increasing reserves will help us weather the longer-term impacts of the economic downturn.

**Restoring reductions:** This budget restores major reductions made to key areas in FY20-21 and ensures essential services across government, including education, healthcare, public health, and fire mitigation and response among others.

**Economic Stimulus:** This budget funds immediate economic stimulus that will bridge us to recovery, investing in jobs and growth that benefits small businesses and those hardest hit. This budget for next fiscal year makes room for a more than $1 billion stimulus investment in the current fiscal year, including bills passed in the Special Session that contributed over $300 million to support economic recovery, and the more than $800 million currently being considered by the legislature as part of the Build Back Stronger package.

These priorities and more as detailed in Attachment 1 represent a budget with the right priorities for Colorado.

Lastly, Attachment 2 to this letter sets out the Administration's interpretation of footnotes and FTE in S.B. 21-205.

In closing, I would like to express my Administration's gratitude for the work performed by the Joint Budget Committee members, the Joint Budget Committee staff, the staff of the Office of State Planning and Budgeting, and the Department budget analysts throughout Colorado's government for their dedication to a responsible and effective budget.

Sincerely,

(signed)

Jared Polis
Governor

2. S.B. 21-205 Footnotes and FTE

Attachment 1: Budget Highlights

- Department of Agriculture
  - The budget devotes an additional $79,869 in funds to expand hemp enforcement, which will maintain Colorado's position as a national leader for economic development and regulatory guidance in the hemp industry.

- Department of Education
  - The budget (including a placeholder for the School Finance Act) increases State funding for K-12 public schools by almost $600M, which represents a 14% increase over FY 2020-21 levels. This budget fully restores the cut that was made to public schools in FY 2020-21 and returns the Budget Stabilization Factor to the FY 2019-20 level of $572M - reaching an all-time low as a percent of Total Program funding. In addition, this budget maintains a robust State Education Fund reserve of $460M to cover the expected budget shortfall for education in FY 2022-23 and guard against an increase in the Budget Stabilization Factor. The budget provides a $7M increase to restore cuts that were made in FY 2020-21, specifically the Charter School Institute (CSI) Mill Levy Equalization Fund, Quality Teacher Recruitment, K-5 Social and Emotional Health, and the School Counselor Corps Grant Program to support student financial aid completion. The budget also supports a State match for the Colorado Imagination Library Program, which will provide one free book per month to children from birth through age five. Finally, the budget includes a $100M transfer from the Marijuana Tax Cash Fund to BEST cash grants for capital construction improvements
to public schools.

Department of Healthcare Policy and Financing

• This budget invests in new initiatives that will improve the health of Coloradans enrolled in Medicaid. For example, Medicaid members will be able to receive more services in their own homes through remote supports, thanks to a $940,000 investment in new technologies. In addition, this budget devotes $7.5M to modernize the eligibility and claims systems of multiple behavioral health programs by leveraging the department’s existing IT systems; funds $6.5M in initiatives to give more rural health care providers access to critical health information systems and analytics (in collaboration with the Governor's Office of eHealth Innovation); and increases by $5.9M the department's efforts to address health care disparities through enhanced data transfers and analytics. The budget also funds an additional 667 enrollments into the Adult Comprehensive Waiver for individuals with intellectual and developmental disabilities, with a $15.5M increase that will reduce the number of people on the waitlist to receive these important services. And this budget includes a 2.5 percent increase in provider reimbursement rates, which will increase payments by $157.7M.

Department of Higher Education

• The budget provides a $494M increase to restore operating support for institutions of higher education to the FY 2019-20 level. In addition, institutions received an overall increase in state funding for operating of 9.6% or $81.8M. Financial aid was increased by $18.5M for need based aid, including a $1M increase for the evidence-based COSI program. The budget also caps resident undergraduate tuition growth to 3% except for the University of Northern Colorado. The budget provides $2.9M increase to restore the cut that was made in FY 2020-21 to the Educator Loan Forgiveness Program established by S.B. 19-003 to pre-pay the full cost of one cohort of 100 teachers receiving 5 years of loan forgiveness per year.

Department of Human Services

• The budget provides $8.2M to transfer the authority for Early Intervention direct services from the Department of Education to the Department of Human Services. It also increases funding for the Nurse Home Visitor Program, behavioral health crisis services for children and youth, the National School Lunch Program, and for SNAP outreach to increase SNAP enrollment and reduce food insecurity for SNAP-eligible Coloradans. Finally, the budget supports the implementation of the federal Family First Prevention and Services Act. These funds support investments in independent assessments to help ensure the most appropriate placement for children involved in the child welfare system, as well as continued investments in evaluation of programs that can prevent the need for out-of-home care in the first place.

Department of Labor and Employment

• The budget increases funding to support implementation of Colorado's Just Transition Plan, which will work with coal workers and communities across the State that are affected by the transition from coal-based power production by providing services such as training, job search assistance, and relocation support. Additionally, the budget provides increased funding to strengthen enforcement of Colorado labor laws by providing informational materials in additional languages and building on existing legal and software resources.

Department of Local Affairs

• The budget increases funding for the Law Enforcement Community Services (LECS) Grant Program to allow the program to make grants to improve community policing, training, and other policing services. The budget maintains funding for the Gray & Black Market Marijuana Enforcement Grant Program. Changes this year will allow the State to better target funds for the prevention and enforcement of illegal marijuana cultivation in Colorado.

Department of Natural Resources

• The Long Bill budget increases funding at Colorado Parks & Wildlife by $0.2M to support staff and operating costs for the new Fishers Peak State Park, as well as $0.1M at Colorado Parks & Wildlife to support a staff person to coordinate Colorado's efforts to improve habitat connectivity and migration corridors for wildlife.

Department of Public Health and Environment

• The Long Bill budget takes a significant step towards streamlining the Department's disease control and public health capacity by making a net-zero reorganization of multiple divisions. The reorganization consolidates the existing Office of Emergency Preparedness and Response (OEPR), Division of Disease Control and Environmental Epidemiology (DCEED), and Laboratory Services Division (LAB) into a new Disease Control and Public Health Response (DCPHR) division and Office of HIV, Viral Hepatitis and Sexually Transmitted Infections. The budget also makes an increase of
$1.1M and 10.5 FTE to expand health equity practices and staffing at the Department.

Department of Public Safety
• This budget includes $4M for the Body-Worn Cameras for Law Enforcement Grant Program. The budget also includes an increase of $1.3M to manage Colorado's procurement, storage, and distribution of Personal Protective Equipment (PPE), $0.9M to maintain funding for the 5.0 FTE who assist rural law enforcement agencies in the investigation of illegal marijuana growing operations, and $0.1M to perform facility inspections on a new behavioral health entity license type.

Department of Revenue
• This budget has $2.5M to digitally transform the DMV, making key investments to make interacting with the State government more convenient and better aligned with the 21st century expectations of Coloradans. This budget also allows for the State Lottery to more effectively market in-state games, reduce inventories, and innovate products to create a better experience for players and send more money to Colorado's great outdoors!

Statewide
• The budget includes a 3 percent across-the-board (ATB) salary survey increase for all state employees.

Attachment 2: S.B. 21-205 Footnotes and FTE

It is the Governor's constitutional obligation to review the General Appropriations Bill and exercise the line item veto when necessary. We recognize and appreciate the legitimate and reasonable expression by the General Assembly of the intent associated with certain appropriations contained in the FY 2021-22 Long Bill. In fact, many of these expressions of intent are based on information contained within the original Executive Branch budget requests. In general, we interpret most of these expressions of intent as different from attempts to administer appropriations or to pursue substantive law via the general appropriations bill. Thus, we have not vetoed any of the footnotes in S.B. 21-205.

While the Legislature has the prerogative to express its intent, the Executive Branch maintains the clear and inherent responsibility to administer appropriations (see Colorado General Assembly v. Owens, 136 P.3d 262 (Colo. 2006); Colorado General Assembly v. Lamm, 704 P.2d 1371 (Colo. 1985); and Anderson v. Lamm, 195 Colo. 437, 579 P.2d 620 (1978)). For this reason, we have directed Executive Branch agencies to comply with the intent of the footnotes contained in S.B. 21-205 only to the extent practicable and appropriate.

Moreover, if operational needs dictate otherwise, the Executive Branch will not be constrained by any limitations implicit within any of the Long Bill footnotes. In particular, many footnotes in S.B. 21-205 may constitute attempts by the General Assembly to administer the appropriation, including:
• those that indicate dollar amounts for expenditure in specific programs or for specific purposes;
• those that indicate limits on dollar amounts for expenditure in specific programs or for specific purposes; and
• those that indicate specific expectations for programmatic expenditures or activities.

As such, Executive Branch agencies may deviate from the intent expressed in any footnote as necessary.

As with past administrations, we are concerned with the General Assembly's inclusion of full-time equivalent positions (FTE) within the general appropriations act. The Colorado Supreme Court's opinion in Anderson v. Lamm, 195 Colo. 437, 579 P.2d 620 (1978) clearly states that "specific staffing and resource allocation decisions" in a general appropriations bill are unconstitutional. The Supreme Court affirmed this finding in Colorado General Assembly v. Owens, 136 P.3d 262 (Colo. 2006). Further, it remains our opinion that any predetermined prescription of FTE authorization limits the ability of State agencies to make the most resource-effective use of appropriations to accomplish critical performance objectives.

Therefore, Executive Branch agencies are instructed to manage their appropriations within the scope of the dollars appropriated in S.B. 21-205 and without limitation by the bill's FTE authorizations.

May 21, 2021

The Honorable Colorado State Senate
General Assembly
State Capitol
200 E. Colfax Ave.
Denver, CO 80203

Dear Members of the Colorado State Senate:

Today, we filed with the Secretary of State Senate Bill 21-147, "Concerning the continuation of the regulation of Athletic Trainers by the Department of Regulatory Agencies." As I am neither signing nor vetoing Senate Bill 21-147 ("SB 21-147"), the bill will become law on May 22, 2021, at 12:01 a.m., and will take effect on the applicable effective date set out in the bill.

SB 21-147 continues the regulation of athletic trainers in the Department of Regulatory Agencies (DORA) until 2031, which is currently scheduled to be repealed on September 1, 2021. For background, athletic trainers are healthcare and wellness management professionals who work with athletes to prevent injury, recover from injury, and respond to any health-care-related issue that may occur at a sporting event. As of the end of the fiscal year 2018-19, there were 1,025 licensed athletic trainers in Colorado.

As I have written before, occupational licensing is often not superior to other forms of consumer protection. Licensing and registration fees, paired with coursework and other materials associated with credentialing, can lock people out of professions they would otherwise be qualified. Eliminating unnecessary credentialing broadens diversity and allows more people to offer and access various services. SB 21-147 creates these exact unnecessary barriers to employment. In addition, licensing imposes an undue burden on new entrants into the occupation and causes needless bureaucracy as well as cost to the State and Coloradans. Ultimately, the bill does more for the occupation by shielding and insulating the occupation from new entrants and competition, instead of remaining focused on what the true intent of all regulation is: consumer protection.

Athletic trainers have been reviewed by the Colorado Office of Policy, Research and Regulatory Reform (COPRRR) several times (1995, 2005, 2007) pursuant to Colorado Revised Statute § 24-34-104(5)(a). Each time, COPRRR has recommended that the regulation was not needed based on the criteria established in the statute enacted by the General Assembly. COPRRR noted that "before a recommendation for licensure can be given, the applicant must prove the unregulated practice of the occupation clearly endangers the health of the public" and that "no evidence was provided by the applicant, or revealed by independent research, of harm to the public by unqualified trainers performing rehabilitation functions." 1. (Garcia, J. A., Ramirez, H. R., Harrelson, B., & Hier, G. (1995, June 30). Athletic Trainers, 1995 Sunrise Review (United States, Colorado Department of Regulatory Agencies, Office of Policy, Research and Regulatory Reform). Retrieved from https://drive.google.com/file/d/0B8bNvcf083ydW0Yi1iNGZmeVU/view).

Nevertheless, the General Assembly acted on its own and against the recommendation of COPRRR (and therefore contrary to the criteria in statute), once in 2009 (which later sunssetted) and then again in 2016, creating a registration program for athletic trainers. COPRRR's 2020 sunset report for the athletic trainers' program had the following recommendation: "sunset (end) the licensing of athletic trainers, and instead require athletic trainers to pass the national certification examination and allow them to work under a limited exemption to the Medical Practice Act" 2. (Salazar, P. (2020, October 15). 2020 Sunset Review, Athletic Trainers Practice Act (United States, Colorado Department of Regulatory Agencies, Office of Policy, Research and Regulatory Reform). Retrieved from
In the past, the legislature has been champions of regulatory reform; in fact, even the sponsors of this bill themselves have advocated for reducing the size of government and regulatory reform. We are discouraged to see them leave these principles behind. And while I always appreciate the General Assembly's efforts, we oppose continuing to regulate an occupation through licensure when an analysis based on statutory sunset criteria recommends otherwise. Colorado would be better served by ending the regulation of athletic trainers because the public interest is not protected from analysis, understandable harm by the licensing. And, on this occasion, we were unable to work with sponsors and stakeholders to align SB 21-147 with the recommendations from the 2020 Sunset Report, even after opposition from the Department and me on what has always been indicated as a veto candidate from the first day of this First Regular Session of the 73rd General Assembly.

I will continue to champion regulatory reform and guard against unnecessary regulation. We want Colorado to be the most competitive and best place to do business and find a job. We do not want artificial barriers to prevent those who would otherwise be interested or deserving of joining a new occupation to be barred from it solely because they do not meet the necessary licensing requirements.

Looking forward, I have instructed the Department of Regulatory Agencies to recommend changes to the sunrise and sunset criteria in the interim, so that the General Assembly and I can avoid this continued disagreement on the continuation of unnecessary regulation, and keep only those forms of regulation that truly protect Coloradans from clear and understandable harm. I hope that the legislature will consider those changes during the next regular session.

So, for these reasons, I have reluctantly allowed SB 21-147 to become law without my signature.

Sincerely,
Jared Polis
Governor

6-1-1302. Legislative declaration. (1) The general assembly hereby:

(a) Finds that:
(I) The people of Colorado regard their privacy as a fundamental right and an essential element of their individual freedom;
(II) Colorado's constitution explicitly provides the right to privacy under section 7 of article II, and fundamental privacy rights have long been, and continue to be, integral to protecting Coloradans and to safeguarding our democratic republic;
(III) Ongoing advances in technology have produced exponential growth in the volume and variety of personal data being generated, collected, stored, and analyzed and these advances present both promise and potential peril;
(IV) The ability to harness and use data in positive ways is driving innovation and brings beneficial technologies to society, but it has also created risks to privacy and freedom; and
(V) The unauthorized disclosure of personal information and loss of privacy can have devastating impacts ranging from financial fraud, identity theft, and unnecessary costs in personal time and finances to destruction of property, harassment, reputational damage, emotional distress, and physical harm;
(b) Determines that:
(I) Technological innovation and new uses of data can help solve societal problems and improve lives, and it is possible to build a world where technological innovation and privacy can coexist; and
(II) States across the United States are looking to this part 13 and similar models to enact state-based data privacy requirements and to exercise the leadership that is lacking at the national level; and
(c) Declares that:
(I) By enacting this part 13, Colorado will be among the states that empower consumers to protect their privacy and require companies to be responsible custodians of data as they continue to innovate;
(II) This part 13 addresses issues of statewide concern and:
(A) Provides consumers the right to access, correct, and delete personal data and the right to opt out not only of the sale of personal data but also of the collection and use of personal data;
(B) Imposes an affirmative obligation upon companies to safeguard personal data; to provide clear, understandable, and transparent information to consumers about how their personal data are used; and to strengthen compliance and accountability by requiring data protection assessments in the collection and use of personal data; and
(C) Empowers the attorney general and district attorneys to access and evaluate a company's data protection assessments, to impose penalties where violations occur, and to prevent future violations.

(5) IF A CONTROLLER PROCESSES PERSONAL DATA PURSUANT TO AN EXEMPTION IN THIS SECTION, THE CONTROLLER BARES THE BURDEN OF DEMONSTRATING THAT THE PROCESSING QUALIFIES FOR THE EXEMPTION AND COMPLIES WITH THE REQUIREMENTS IN SUBSECTION (4) OF THIS SECTION.

6-1-1305. Responsibility according to role. (1) CONTROLLERS AND PROCESSORS SHALL MEET THEIR RESPECTIVE OBLIGATIONS ESTABLISHED UNDER THIS PART 13.
(2) PROCESSORS SHALL ADHERE TO THE INSTRUCTIONS OF THE CONTROLLER AND ASSIST THE CONTROLLER TO MEET ITS OBLIGATIONS UNDER THIS PART 13. TAKING INTO ACCOUNT THE NATURE OF PROCESSING AND THE INFORMATION AVAILABLE TO THE PROCESSOR, THE PROCESSOR SHALL ASSIST THE CONTROLLER BY:
(a) TAKING APPROPRIATE TECHNICAL AND ORGANIZATIONAL MEASURES, INSOFAR AS THIS IS POSSIBLE, FOR THE FULFILLMENT OF THE CONTROLLER’S OBLIGATION TO RESPOND TO CONSUMER REQUESTS TO EXERCISE THEIR RIGHTS PURSUANT TO SECTION 6-1-1306;
(b) HELPING TO MEET THE CONTROLLER’S OBLIGATIONS IN RELATION TO THE SECURITY OF PROCESSING THE PERSONAL DATA AND IN RELATION TO THE NOTIFICATION OF A BREACH OF THE SECURITY OF THE SYSTEM PURSUANT TO SECTION 6-1-716; AND
(c) PROVIDING INFORMATION TO THE CONTROLLER NECESSARY TO ENABLE THE CONTROLLER TO CONDUCT AND DOCUMENT ANY DATA PROTECTION ASSESSMENTS REQUIRED BY SECTION 6-1-1309. THE CONTROLLER AND PROCESSOR ARE EACH RESPONSIBLE FOR ONLY THE MEASURES ALLOCATED TO THEM.
(3) NOTWITHSTANDING THE INSTRUCTIONS OF THE CONTROLLER, A PROCESSOR SHALL:
(a) ENSURE THAT EACH PERSON PROCESSING THE PERSONAL DATA IS SUBJECT TO A DUTY OF CONFIDENTIALITY WITH RESPECT TO THE DATA; AND
(b) ENGAGE A SUBCONTRACTOR ONLY AFTER PROVIDING THE CONTROLLER WITH AN OPPORTUNITY TO OBJECT AND PURSUANT TO A WRITTEN CONTRACT IN ACCORDANCE WITH SUBSECTION (5) OF THIS SECTION THAT REQUIRES THE SUBCONTRACTOR TO MEET THE OBLIGATIONS OF THE PROCESSOR WITH RESPECT TO THE PERSONAL DATA.
(4) TAKING INTO ACCOUNT THE CONTEXT OF PROCESSING, THE CONTROLLER AND THE PROCESSOR SHALL IMPLEMENT APPROPRIATE TECHNICAL AND ORGANIZATIONAL MEASURES TO ENSURE A LEVEL OF SECURITY.
APPROPRIATE TO THE RISK AND ESTABLISH A CLEAR ALLOCATION OF THE RESPONSIBILITIES BETWEEN THEM TO IMPLEMENT THE MEASURES.

(5) PROCESSING BY A PROCESSOR MUST BE GOVERNED BY A CONTRACT BETWEEN THE CONTROLLER AND THE PROCESSOR THAT IS BINDING ON BOTH PARTIES AND THAT SETS OUT:

(a) The processing instructions to which the processor is bound, including the nature and purpose of the processing;
(b) The type of personal data subject to the processing, and the duration of the processing;
(c) The requirements imposed by this subsection (5) and subsections (3) and (4) of this section; and
(d) The following requirements:
   (I) At the choice of the controller, the processor shall delete or return all personal data to the controller as requested at the end of the provision of services, unless retention of the personal data is required by law;

   (B) The processor shall allow for, and contribute to, reasonable audits and inspections by the controller or the controller's designated auditor. Alternatively, the processor may, with the controller's consent, arrange for a qualified and independent auditor to conduct, at least annually and at the processor's expense, an audit of the processor's policies and technical and organizational measures in support of the obligations under this Part 13 using an appropriate and accepted control standard or framework and audit procedure for the audits as applicable. The processor shall provide a report of the audit to the controller upon request.

(6) IN NO EVENT MAY A CONTRACT RELIEVE A CONTROLLER OR A PROCESSOR FROM THE LIABILITIES IMPOSED ON THEM BY VIRTUE OF ITS ROLE IN THE PROCESSING RELATIONSHIP AS DEFINED BY THIS PART 13.

(7) DETERMINING WHETHER A PERSON IS ACTING AS A CONTROLLER OR PROCESSOR WITH RESPECT TO A SPECIFIC PROCESSING OF DATA IS A FACT-BASED DETERMINATION THAT DEPENDS UPON THE CONTEXT IN WHICH PERSONAL DATA ARE TO BE PROCESSED. A PERSON THAT IS NOT LIMITED IN ITS PROCESSING OF PERSONAL DATA PURSUANT TO A CONTROLLER'S INSTRUCTIONS, OR THAT FAILS TO ADHERE TO THE INSTRUCTIONS, IS A CONTROLLER AND NOT A PROCESSOR WITH RESPECT TO A SPECIFIC PROCESSING OF DATA. A PROCESSOR THAT CONTINUES TO ADHERE TO A CONTROLLER'S INSTRUCTIONS WITH RESPECT TO A SPECIFIC PROCESSING OF PERSONAL DATA REMAINS A PROCESSOR. IF A PROCESSOR BEGINS, ALONE OR JOINTLY WITH OTHERS, DETERMINING THE PURPOSES AND MEANS OF THE PROCESSING OF PERSONAL DATA, IT IS A CONTROLLER WITH RESPECT TO THE PROCESSING.

(8) (a) A CONTROLLER OR PROCESSOR THAT DISCLOSES PERSONAL DATA TO ANOTHER CONTROLLER OR PROCESSOR IN COMPLIANCE WITH THIS PART 13 DOES NOT VIOLATE THIS PART 13 IF THE RECIPIENT PROCESSES THE PERSONAL DATA IN VIOLATION OF THIS PART 13, AND, AT THE TIME OF DISCLOSING THE PERSONAL DATA, THE DISCLOSING CONTROLLER OR PROCESSOR DID NOT HAVE ACTUAL KNOWLEDGE THAT THE RECIPIENT INTENDED TO COMMIT A VIOLATION.

(b) A CONTROLLER OR PROCESSOR RECEIVING PERSONAL DATA FROM A CONTROLLER OR PROCESSOR IN COMPLIANCE WITH THIS PART 13 AS SPECIFIED IN SUBSECTION (8)(a) OF THIS SECTION DOES NOT VIOLATE THIS PART 13 IF THE CONTROLLER OR PROCESSOR FROM WHICH IT RECEIVES THE PERSONAL DATA FAILS TO COMPLY WITH APPLICABLE OBLIGATIONS UNDER THIS PART 13.

6-1-1306. Consumer personal data rights - repeal. (1) CONSUMERS MAY EXERCISE THE FOLLOWING RIGHTS BY SUBMITTING A REQUEST USING THE METHODS SPECIFIED BY THE CONTROLLER IN THE PRIVACY NOTICE REQUIRED UNDER SECTION 6-1-1308 (1)(a). THE METHOD MUST TAKE INTO ACCOUNT THE WAYS IN WHICH CONSUMERS NORMALLY INTERACT WITH THE CONTROLLER, THE NEED FOR SECURE AND RELIABLE COMMUNICATION RELATING TO THE REQUEST, AND THE ABILITY OF THE CONTROLLER TO AUTHENTICATE THE IDENTITY OF THE CONSUMER MAKING THE REQUEST. CONTROLLERS SHALL NOT REQUIRE A CONSUMER TO CREATE A NEW ACCOUNT IN ORDER TO EXERCISE CONSUMER RIGHTS PURSUANT TO THIS SECTION BUT MAY REQUIRE A CONSUMER TO USE AN EXISTING ACCOUNT. A CONSUMER MAY SUBMIT A REQUEST AT ANY TIME TO A CONTROLLER SPECIFYING WHICH OF THE FOLLOWING RIGHTS THE CONSUMER WISHES TO EXERCISE:
(a) **Right to opt out.** (I) A consumer has the right to opt out of the processing of personal data concerning the consumer for purposes of:

(A) TARGETED ADVERTISING;

(B) THE SALE OF PERSONAL DATA; OR

(C) PROFILING IN FURTHERANCE OF DECISIONS THAT PRODUCE LEGAL OR SIMILARLY SIGNIFICANT EFFECTS CONCERNING A CONSUMER.

(II) A consumer may authorize another person, acting on the consumer's behalf, to opt out of the processing of the consumer's personal data, including through a technology indicating the consumer's intent to opt out such as a web link indicating a preference or browser setting, browser extension, or global device setting. A controller shall comply with an opt-out request received from a person authorized by the consumer to act on the consumer's behalf if the controller is able to authenticate, with commercially reasonable effort, the identity of the consumer and the authorized agent's authority to act on the consumer's behalf.

(III) A controller that processes personal data for purposes of targeted advertising or the sale of personal data shall provide a clear and conspicuous method to exercise the right to opt out of the processing of personal data concerning the consumer pursuant to subsection (1)(a)(I) of this section. The controller shall provide the opt-out method clearly and conspicuously in any privacy notice required to be provided to consumers under this part 13, and in a clear, conspicuous, and readily accessible location outside the privacy notice.

(IV) (A) A controller that processes personal data for purposes of targeted advertising or the sale of personal data may allow consumers to exercise the right to opt out of the processing of personal data concerning the consumer for purposes of targeted advertising or the sale of personal data pursuant to subsection (1)(a)(I)(A) and (1)(a)(I)(B) of this section by controllers through a user-selected universal opt-out mechanism that meets the technical specifications established by the attorney general pursuant to section 6-1-1313. This subsection (1)(a)(IV)(A) is repealed, effective January 1, 2024.

(B) Effective January 1, 2024, a controller that processes personal data for purposes of targeted advertising or the sale of personal data shall allow consumers to exercise the right to opt out of the processing of personal data concerning the consumer for purposes of targeted advertising or the sale of personal data pursuant to subsections (1)(a)(I)(A) and (1)(a)(I)(B) of this section by controllers through a user-selected universal opt-out mechanism that meets the technical specifications established by the attorney general pursuant to section 6-1-1313.

(C) Notwithstanding a consumer's decision to exercise the right to opt out of the processing of personal data, a controller may enable the consumer to consent, through a web page, application, or a similar method, to the processing of the consumer's personal data for purposes of targeted advertising or the sale of personal data, and the consent takes precedence over any choice reflected through the universal opt-out mechanism. Before obtaining a consumer's consent to process personal data for purposes of targeted advertising or the sale of personal data pursuant to this subsection (1)(a)(IV)(C), a controller shall provide the consumer with a clear and conspicuous notice informing the consumer about the choices available under this section, describing the categories of personal data to be processed and the purposes for which they will be processed, and explaining how and where the consumer may withdraw consent. The web page, application, or other means by which a controller obtains a consumer's consent to process personal data for purposes of targeted advertising or the sale of personal data must also allow the consumer to revoke the consent as easily as it is affirmatively provided.

(b) **Right of access.** A consumer has the right to confirm whether a controller is processing personal data concerning the consumer and to access the consumer's personal data.
(c) **Right to correction.** A consumer has the right to correct inaccuracies in the consumer’s personal data, taking into account the nature of the personal data and the purposes of the processing of the consumer’s personal data.

(d) **Right to deletion.** A consumer has the right to delete personal data concerning the consumer.

(e) **Right to data portability.** When exercising the right to access personal data pursuant to subsection (1)(b) of this section, a consumer has the right to obtain the personal data in a portable and, to the extent technically feasible, readily usable format that allows the consumer to transmit the data to another entity without hindrance. A consumer may exercise this right no more than two times per calendar year. Nothing in this subsection (1)(e) requires a controller to provide the data to the consumer in a manner that would disclose the controller’s trade secrets.

(2) **Responding to consumer requests.**

(a) A controller shall inform a consumer of any action taken on a request under subsection (1) of this section without undue delay and, in any event, within forty-five days after receipt of the request. The controller may extend the forty-five-day period by forty-five additional days where reasonably necessary, taking into account the complexity and number of the requests. The controller shall inform the consumer of an extension within forty-five days after receipt of the request, together with the reasons for the delay.

(b) If a controller does not take action on the request of a consumer, the controller shall inform the consumer, without undue delay and, at the latest, within forty-five days after receipt of the request, of the reasons for not taking action and instructions for how to appeal the decision with the controller as described in subsection (3) of this section.

(c) Upon request, a controller shall provide to the consumer the information specified in this section free of charge; except that, for a second or subsequent request within a twelve-month period, the controller may charge an amount calculated in the manner specified in section 24-72-205 (5)(a).

(d) A controller is not required to comply with a request to exercise any of the rights under subsection (1) of this section if the controller is unable to authenticate the request using commercially reasonable efforts, in which case the controller may request the provision of additional information reasonably necessary to authenticate the request.

(3) (a) A controller shall establish an internal process whereby consumers may appeal a refusal to take action on a request to exercise any of the rights under subsection (1) of this section within a reasonable period after the consumer’s receipt of the notice sent by the controller under subsection (2)(b) of this section. The appeal process must be conspicuously available and as easy to use as the process for submitting a request under this section.

(b) Within forty-five days after receipt of an appeal, a controller shall inform the consumer of any action taken or not taken in response to the appeal, along with a written explanation of the reasons in support of the response. The controller may extend the forty-five-day period by sixty additional days where reasonably necessary, taking into account the complexity and number of requests serving as the basis for the appeal. The controller shall inform the consumer of an extension within forty-five days after receipt of the appeal, together with the reasons for the delay.

(c) The controller shall inform the consumer of the consumer’s ability to contact the attorney general if the consumer has concerns about the result of the appeal.

### 6-1-1307. Processing de-identified data.

(1) This part 13 does not require a controller or processor to do any of the following solely for purposes of complying with this part 13:

(a) Reidentify de-identified data;

(b) Comply with an authenticated consumer request to access, correct, delete, or provide personal data in a portable format pursuant to section 6-1-1306 (1), if all of the following are true:

(I) The controller is not reasonably capable of associating the request with the personal data; or
(B) IT WOULD BE UNREASONABLY BURdensome for the controller to associate the request with the personal data;

(II) The controller does not use the personal data to recognize or respond to the specific consumer who is the subject of the personal data or associate the personal data with other personal data about the same specific consumer; and

(III) The controller does not sell the personal data to any third party or otherwise voluntarily disclose the personal data to any third party, except as otherwise authorized by the consumer; or

(c) Maintain data in identifiable form or collect, obtain, retain, or access any data or technology in order to enable the controller to associate an authenticated consumer request with personal data.

(2) A controller that uses de-identified data shall exercise reasonable oversight to monitor compliance with any contractual commitments to which the de-identified data are subject and shall take appropriate steps to address any breaches of contractual commitments.

6-1-1308. Duties of controllers. (1) Duty of transparency. (a) A controller shall provide consumers with a reasonably accessible, clear, and meaningful privacy notice that includes:

(I) The categories of personal data collected or processed by the controller or a processor;

(II) The purposes for which the categories of personal data are processed;

(III) How and where consumers may exercise the rights pursuant to section 6-1-1306, including the controller's contact information and how a consumer may appeal a controller's action with regard to the consumer's request;

(IV) The categories of personal data that the controller shares with third parties, if any; and

(V) The categories of third parties, if any, with whom the controller shares personal data.

(b) If a controller sells personal data to third parties or processes personal data for targeted advertising, the controller shall clearly and conspicuously disclose the sale or processing, as well as the manner in which a consumer may exercise the right to opt out of the sale or processing.

(c) A controller shall not:

(I) Require a consumer to create a new account in order to exercise a right; or

(II) Based solely on the exercise of a right and unrelated to feasibility or the value of a service, increase the cost of, or decrease the availability of, the product or service.

(d) Nothing in this part 13 shall be construed to require a controller to provide a product or service that requires the personal data of a consumer that the controller does not collect or maintain or to prohibit a controller from offering a different price, rate, level, quality, or selection of goods or services to a consumer, including offering goods or services for no fee, if the consumer has exercised the right to opt out pursuant to this part 13 or the offer is related to a consumer's voluntary participation in a bona fide loyalty, rewards, premium features, discount, or club card program.

(2) Duty of purpose specification. A controller shall specify the express purposes for which personal data are collected and processed.

(3) Duty of data minimization. A controller's collection of personal data must be adequate, relevant, and limited to what is necessary in relation to the specified and express purposes for which the data are processed.

(4) Duty to avoid secondary use. A controller shall not process personal data for purposes that are not necessary to or compatible with the specified and express purposes for which the personal data are processed, unless the controller first obtains the consumer's consent.

(5) Duty of care. A controller shall take reasonable measures to secure personal data during both storage and use from unauthorized acquisition.
6-1-1309. Data protection assessments - attorney general access and evaluation - definition. (1) A CONTROLLER SHALL NOT CONDUCT PROCESSING THAT PRESENTS A HEIGHTENED RISK OF HARM TO A CONSUMER WITHOUT CONDUCTING AND DOCUMENTING A DATA PROTECTION ASSESSMENT OF EACH OF ITS PROCESSING ACTIVITIES THAT INVOLVE PERSONAL DATA ACQUIRED ON OR AFTER THE EFFECTIVE DATE OF THIS SECTION THAT PRESENT A HEIGHTENED RISK OF HARM TO A CONSUMER.

(2) FOR PURPOSES OF THIS SECTION, "PROCESSING THAT PRESENTS A HEIGHTENED RISK OF HARM TO A CONSUMER" INCLUDES THE FOLLOWING:

(a) PROCESSING PERSONAL DATA FOR PURPOSES OF TARGETED ADVERTISING OR FOR PROFILING IF THE PROFILING PRESENTS A REASONABLY FORESEEABLE RISK OF:

(I) UNFAIR OR DECEPTIVE TREATMENT OF, OR UNLAWFUL DISPARATE IMPACT ON, CONSUMERS;

(II) FINANCIAL OR PHYSICAL INJURY TO CONSUMERS;

DATA PROTECTION ASSESSMENTS ARE CONFIDENTIAL AND EXEMPT FROM PUBLIC INSPECTION AND COPYING UNDER THE "COLORADO OPEN RECORDS ACT", PART 2 OF ARTICLE 72 OF TITLE 24. THE DISCLOSURE OF A DATA PROTECTION ASSESSMENT PURSUANT TO A REQUEST FROM THE ATTORNEY GENERAL UNDER THIS SubSECTION (4) DOES NOT CONSTITUTE A WAIVER OF ANY ATTORNEY-CLIENT PRIVILEGE OR WORK-PRODUCT PROTECTION THAT MIGHT OTHERWISE EXIST WITH RESPECT TO THE ASSESSMENT AND ANY INFORMATION CONTAINED IN THE ASSESSMENT.

(5) A SINGLE DATA PROTECTION ASSESSMENT MAY ADDRESS A COMPARABLE SET OF PROCESSING OPERATIONS THAT INCLUDE SIMILAR ACTIVITIES.

(6) DATA PROTECTION ASSESSMENT REQUIREMENTS APPLY TO PROCESSING ACTIVITIES CREATED OR GENERATED AFTER JULY 1, 2023, AND ARE NOT RETROACTIVE.

(IV) REDUCING THE CARBON INTENSITY OF GAS DELIVERED BY UTILITIES AND SWITCHING FROM GAS SPACE AND WATER HEATING TO HIGH-EFFICIENCY ELECTRIC HEATING WILL REDUCE GREENHOUSE GAS POLLUTION AND LEAD TO IMPROVED INDOOR AIR QUALITY;

(b) DETERMINES THAT:

(I) THERE IS SIGNIFICANT POTENTIAL TO REDUCE EMISSIONS OF METHANE FROM ACTIVE AND INACTIVE COAL MINES, LANDFILLS, WASTEWATER TREATMENT PLANTS, AGRICULTURAL OPERATIONS, AND OTHER SOURCES OF METHANE POLLUTION THROUGH DEVELOPMENT OF METHANE RECOVERY AND BIOMETHANE PROJECTS, AND THERE ARE ALSO SIGNIFICANT ECONOMIC DEVELOPMENT OPPORTUNITIES, ESPECIALLY IN RURAL COLORADO, FROM DEVELOPMENT OF THIS RESOURCE;

(II) GREEN AND BLUE HYDROGEN HAVE THE POTENTIAL TO BE ZERO-OR VERY LOW-CARBON SOURCES OF ENERGY FOR USE IN A VARIETY OF SECTORS, INCLUDING HIGH-HEAT INDUSTRIAL APPLICATIONS, ZERO-CARBON ELECTRICITY GENERATION, AND THE GAS DISTRIBUTION SYSTEM; AND

(III) THE DEVELOPMENT OF HYDROGEN PROJECTS IN COLORADO HAS THE POTENTIAL TO LOWER COSTS, CONTRIBUTE TO ECONOMIES OF SCALE, AND BRING ECONOMIC DEVELOPMENT OPPORTUNITIES; AND

(c) DECLARES THAT:
(I) The General Assembly's intent in enacting this section is to implement a performance standard that will allow Colorado gas utilities to use available tools, including energy efficiency, biomethane, hydrogen, recovered methane, beneficial electrification of customer end uses, cost-effective leak reductions on the utility's distribution system as determined by the commission that exceeds state and federal requirements, and other measures to achieve greenhouse gas emission reductions, cost-effectiveness, and equity;

(II) Colorado is focused on a transition to a decarbonized economy that recognizes the historic injustices that impact lower-income Coloradoans and Black, Indigenous, and other people of color who have borne a disproportionate share of environmental risks while also enjoying fewer environmental benefits;

(III) The commission must maximize greenhouse gas emission reductions and benefits to customers, with particular attention to residential customers who participate in income-qualified programs, while managing costs and risks to customers, including stranded-asset cost risks, and in a manner that supports family-sustaining jobs; and

(IV) Decarbonizing Colorado's homes and businesses will require investments in building and equipment upgrades, clean fuel projects, and infrastructure upgrades.

(2) Definitions. As used in this section, unless the context otherwise requires:

(a) "Biomethane":

(I) Means a mixture of carbon dioxide and hydrocarbons released from the biological decomposition of organic materials that is primarily methane and provides a net reduction in greenhouse gas emissions; and

(II) Includes biomethane recovered from manure management systems or anaerobic digesters that has been processed to meet pipeline quality.

(b) "Blue hydrogen" means hydrogen derived from biomethane or geological gas paired with a process to capture and sequester associated carbon dioxide emissions.

(c) "Clean heat plan" means a comprehensive plan submitted by a gas distribution utility or municipal gas distribution utility that demonstrates projected reductions in methane and carbon dioxide emissions that, together, meet the reductions required in this section at the lowest reasonable cost.

(d) "Clean heat resource" means any one or a combination of:

(I) Gas demand-side management programs as defined in section 40-1-102 (6);

(II) Recovered methane;

(V) Pyrolysis of tires if the pyrolysis meets a recovered methane protocol; and

(VI) Any technology that the commission finds is cost-effective and that the division finds results in a reduction in carbon emissions from the combustion of gas in customer end uses or meets a recovered methane protocol approved by the air quality control commission. To qualify as a clean heat resource, all credits or severable, tradable mechanisms representing the emission reduction attributes of the clean heat resource must be retired in the year generated and may not be sold.

(e) "Cost cap" means a maximum cost impact established pursuant to subsection (6)(a)(I) of this section for compliance with a clean heat target.

(f) "Division" means the division of administration created by section 25-1-102 (2)(a) in the department of public health and environment;

(3) **Clean heat targets.** (a) The purpose of a clean heat plan is to achieve clean heat targets by reducing carbon dioxide and methane emissions from gas distribution utilities.

(b) (I) A clean heat plan under this section must demonstrate that the gas distribution utility submitting the clean heat plan will achieve a reduction of carbon dioxide and methane emissions from the distribution and end-use combustion of gas.

(II) A gas distribution utility shall demonstrate compliance with subsection (3)(b)(I) of this section by filing and obtaining commission approval of clean heat plans that meet clean heat targets calculated as follows: Consistent with subsection (3)(c) of this section and as compared to a 2015 baseline, a six percent reduction in greenhouse gas emissions in 2025, of which not more than two percent can be from recovered methane; and a twenty-two percent reduction in greenhouse gas emissions in 2030, of which not more than six percent can be from recovered methane.

(c) (I) In calculating the baseline and projected emissions covered under a clean heat plan, a gas distribution utility must include the following:

(A) Methane leaked from the transportation and delivery of gas from the gas distribution and service pipelines from the city gate to customer end use;

(B) Carbon dioxide emissions resulting from the combustion of gas by residential, commercial, and industrial customers not otherwise subject to federal greenhouse gas emission reporting and excluding all transport customers; and

(C) Emissions of methane resulting from leakage from delivery of gas to other local distribution companies;

(D) All emissions are metric tons of carbon dioxide equivalent as reported to the federal environmental protection agency pursuant to 40 CFR 98, either subpart W (methylene) or subpart NN (carbon dioxide), or successor reporting requirements; except that the division shall use the AR-4 one-hundred-year global warming potential or any greater successor value determined by the federal environmental protection agency.

(d) In calculating its clean heat target, a utility must show its baseline carbon dioxide emissions and methane emissions separately and must show that the total emission reductions are projected to achieve the clean heat target. The final calculation demonstrating that the plan meets the clean heat target must be presented on a carbon dioxide equivalent basis.

(e) It is the policy of the state of Colorado to reduce the state's greenhouse gas emissions, and therefore to count toward a gas distribution utility's compliance with the emission reduction goals, recovered methane under a clean heat plan must be represented by a recovered methane credit, issued subject to an approved recovered methane protocol, and delivered:

(I) To or within Colorado through a dedicated pipeline; or

(II) Through a common carrier pipeline if the source of the recovered methane injected the recovered methane into a common carrier pipeline that physically flows within Colorado or toward the end user in Colorado for which the recovered methane was produced.

(f) To count toward a gas distribution utility's compliance with the clean heat targets, the utility must quantify the actual methane reductions achieved by any leak repairs and the commission must find that the leak reductions are cost-effective. The commission may require the utility to evaluate nonpipeline alternatives.

(4) **Submission of clean heat plans.** (a) No later than August 1, 2023, the largest gas distribution utility in Colorado, as determined by the volume of gas sold in Colorado, shall file with the commission an application for approval of a clean heat plan that demonstrates that the gas distribution utility will achieve the clean heat target established for 2025 in subsection (3)(b)(II) of this section by 2025. All other gas distribution utilities shall file applications for approval...

(II) The commission shall calculate the annual retail cost impact net of the utility’s approved gas demand-side management program budgets but shall include any incentive adopted or approved by the commission. If a gas distribution utility includes a beneficial electrification plan as part of a filing with a clean heat plan, the commission shall calculate the retail cost impact cap net of the utility’s approved beneficial electrification plan program budget.

(b) The commission shall consider allowing current recovery for clean heat plan costs through a rate adjustment clause or clause that allows for current recovery.

(c) (I) In approving a clean heat plan, the commission shall consider both a least-cost, best-fit analysis and a cost test that includes both the social cost of carbon and the social cost of methane.

(II) In evaluating a clean heat plan, the commission shall consider whether the plan will achieve the applicable clean heat targets.

(d) (I) The commission shall approve a clean heat plan if the commission finds it to be in the public interest. The commission may modify the plan if the modifications are necessary to ensure that the plan is in the public interest. In evaluating whether the clean heat plan submitted to the commission is in the public interest, the commission shall take into account the following factors:

(A) Whether the clean heat plan achieves the clean heat targets through maximizing the use of clean heat resources;

(B) The additional air quality, environmental, and health benefits of the plan in addition to the greenhouse gas emission reductions;

(C) Whether investments in a clean heat plan prioritize serving customers participating in income-qualified programs and communities historically impacted by air pollution and other energy-related pollution;

(D) Whether the clean heat plan results in a reasonable cost to customers, including savings to customer bills resulting from investments made pursuant to the plan; and

(E) Whether the clean heat plan ensures system reliability.

(I) In approving a clean heat plan:

(A) If the commission determines that it is possible to achieve larger greenhouse gas emission reductions than the required clean heat targets using clean heat resources at or below the cost cap, the commission shall require the maximum level of emission reductions above the clean heat targets that can be achieved at or below the cost cap using clean heat resources, with the proportion of greenhouse gas emission reductions from recovered methane not exceeding the proportion allowed in meeting the clean heat target for the applicable plan period.

(B) The commission must require the gas distribution utility to achieve the maximum level of greenhouse gas emission reductions practicable using clean heat resources at or below the cost cap, with the proportion of greenhouse gas emission reductions from recovered methane not exceeding the proportion allowed in meeting the clean heat target for the applicable plan period.

(III) The commission may approve, or amend and approve, a clean heat plan with costs greater than the cost cap only if it finds that the plan is in the public interest, costs to customers are reasonable, the plan includes mitigation of rate increases for income-qualified customers, and the benefits of the plan, including the social costs of methane and carbon dioxide, exceed the costs.

(7) Annual reporting. (a) Each gas distribution utility shall submit to the commission an annual report that shows the amount of money that it has spent under each program in the clean heat plan,
THE AMOUNT SPENT ON INCOME-QUALIFIED PROGRAMS OR PROGRAMS THAT SERVE COMMUNITIES HISTORICALLY IMPACTED BY AIR POLLUTION AND OTHER ENERGY-RELATED POLLUTION, A CALCULATION OF EMISSIONS REDUCED OR AVOIDED PURSUANT TO ITS APPROVED CLEAN HEAT PLAN, AND ANY OTHER INFORMATION REQUIRED BY THE COMMISSION.

(b) IN ADDITION TO ANY OTHER GREENHOUSE GAS REPORTING REQUIREMENTS, EACH GAS DISTRIBUTION UTILITY SHALL SUBMIT AN ANNUAL REPORT TO THE COMMISSION PROVIDING A CALCULATION OF EMISSIONS REDUCED OR AVOIDED PURSUANT TO ITS APPROVED CLEAN HEAT PLAN. THE REPORT MUST INCLUDE SEPARATE QUANTIFICATIONS OF THE REDUCTIONS IN CARBON DIOXIDE AND METHANE EMISSIONS. CARBON DIOXIDE EMISSION REDUCTIONS MUST BE CALCULATED BASED ON EMISSIONS REPORTED PURSUANT TO THE AIR QUALITY CONTROL COMMISSION’S RULES. IF A UTILITY INCLUDES RECOVERED METHANE, THE UTILITY SHALL QUANTIFY ACTUAL EMISSION REDUCTIONS ACHIEVED ON A PROJECT BASIS FOR EACH PROJECT FOR WHICH IT CLAIMS REDUCTIONS IN THAT YEAR, BASED ON ANY RECOVERED METHANE CREDITS GENERATED.

(8) Employment and utility workforce. (a) FOR ANY UTILITY-OWNED PROJECT THAT IS PART OF A CLEAN HEAT PLAN, THE GAS DISTRIBUTION UTILITY SHALL, WHERE PRACTICABLE, USE ITS OWN EMPLOYEES TO COMPLETE THE WORK.

(b) FOR A UTILITY PROJECT THAT IS PART OF A COMPETITIVE SOLICITATION AND WITH A COST OF MORE THAN ONE MILLION DOLLARS, THE GAS DISTRIBUTION UTILITY SHALL REQUIRE ALL BIDDERS TO PROVIDE DETAILED INFORMATION ABOUT THE USE OF COLORADO-BASED LABOR AND OUT-OF-STATE LABOR. THE UTILITY SHALL PROVIDE THIS INFORMATION TO THE COMMISSION.

(c) IN ALL DECISIONS APPROVING CLEAN HEAT RESOURCES TO BE ACQUIRED AS PART OF A CLEAN HEAT PLAN, THE COMMISSION SHALL CONSIDER THE LONG-TERM IMPACTS ON COLORADO’S UTILITY WORKFORCE AS PART OF A JUST TRANSITION AND SHALL GIVE ADDITIONAL WEIGHT TO A PROJECT THAT INCLUDES:

(9) Municipal gas distribution utilities. (a) A MUNICIPAL GAS DISTRIBUTION UTILITY SHALL IMPLEMENT A CLEAN HEAT PLAN THAT USES CLEAN HEAT RESOURCES TO THE MAXIMUM COST-EFFECTIVE EXTENT AND MAY COUNT REDUCTIONS IN METHANE FROM LEAK MITIGATION ON ITS DISTRIBUTION SYSTEM. THE CLEAN HEAT PLAN MUST INCLUDE A PROJECTION OF THE UTILITY’S GREENHOUSE GAS EMISSIONS THROUGH 2050.

(b) A CLEAN HEAT PLAN FILED BY A MUNICIPAL GAS DISTRIBUTION UTILITY SHALL BE DEEMED APPROVED BY THE COMMISSION AS FILED IF:

(I) THE PLAN IS FILED NO LATER THAN FEBRUARY 1, 2023;

(B) A TWENTY-TWO PERCENT REDUCTION IN GREENHOUSE GAS EMISSIONS IN 2030, OF WHICH NOT MORE THAN FIVE PERCENT CAN BE FROM RECOVERED METHANE; AND

(II) THE CLEAN HEAT PLAN HAS PREVIOUSLY BEEN APPROVED BY A VOTE OF THE ENTITY’S GOVERNING BODY.

(c) SUBMISSION OF A CLEAN HEAT PLAN BY A MUNICIPAL GAS DISTRIBUTION UTILITY DOES NOT ALTER THE UTILITY’S REGULATORY STATUS WITH RESPECT TO THE COMMISSION.

(10) Small gas distribution utilities. (a) A SMALL GAS DISTRIBUTION UTILITY MAY FILE A CLEAN HEAT PLAN WITH THE COMMISSION PURSUANT TO SUBSECTIONS (3) TO (7) OF THIS SECTION OR IT MAY SUBMIT A SMALL UTILITY EMISSION REDUCTION PLAN PURSUANT TO THIS SUBSECTION (10).

THE COMMISSION MAY MODIFY THE CLEAN HEAT PLAN IF THE MODIFICATIONS ARE NECESSARY TO ENSURE THAT THE PLAN IS IN THE PUBLIC INTEREST. IN EVALUATING WHETHER THE CLEAN HEAT PLAN SUBMITTED TO THE COMMISSION IS IN THE PUBLIC INTEREST, THE COMMISSION SHALL TAKE INTO ACCOUNT THE FACTORS SET FORTH IN SUBSECTION (6)(d)(I) OF THIS SECTION. IN APPROVING A CLEAN HEAT PLAN UNDER THIS SUBSECTION (10), THE COMMISSION SHALL CARRY OUT THE DUTIES SET FORTH IN SUBSECTION (6)(d)(II) OF THIS SECTION. THE COMMISSION MAY APPROVE A CLEAN HEAT PLAN THAT EXCEEDS THE COST CAP UNDER THIS SUBSECTION (10) ONLY PURSUANT TO SUBSECTION (6)(d)(III) OF THIS SECTION.

IN DETERMINING THESE GOALS, THE COMMISSION SHALL CONSIDER SAVINGS ACHIEVED OR PROJECTED TO BE ACHIEVED IN OTHER SECTORS OF THE STATE’S ECONOMY, AS WELL AS THE COMMERCIAL AVAILABILITY OF TECHNOLOGIES TO ACHIEVE EMISSION REDUCTIONS IN THIS SECTOR.

(13) Coordination of state policies. NO LATER THAN DECEMBER 2022, THE COMMISSION SHALL INITIATE AN INVESTIGATION INTO COORDINATION OF STATE POLICIES IMPACTING NATURAL GAS UTILITIES IN THE STATE, INCLUDING THOSE THAT INCENTIVIZE GAS SYSTEM EXPANSION, AS WELL AS ANY RATES, SURCHARGES, RIDERS, TARIFFS, OR SIMILAR MECHANISMS THAT INCENTIVIZE OR OTHERWISE SUBSIDIZE EXPANSION. THE INVESTIGATION MUST Include STAKEHOLDER PARTICIPATION THROUGH A WORKSHOP OR OTHER INFORMAL PROCESS. FOLLOWING CONCLUSION OF THE PROCESS, STAFF OF THE COMMISSION SHALL ISSUE TO THE GENERAL ASSEMBLY A REPORT DETAILING POLICIES.

Amendment No. 1(L.008), by Senator Donovan.

Amend reengrossed bill, page 2, after line 1 insert:

"SECTION 1. Legislative declaration. (1) The general assembly hereby finds and declares that:
(a) Approximately 300,000 Coloradans live with type 1 or type 2 diabetes, with as many as 110,000 additional undiagnosed diabetes patients. Around 73,800 Coloradans rely on insulin to manage their diabetes.
(b) Access to this critical life-saving drug is cost-prohibitive for many Coloradans, as the average dosage unit cost of all insulin types increased roughly 280% between 2010 and 2018;
(c) The inability to afford insulin has resulted in individuals attempting to ration or underdose their insulin supply. In one study of 354 eligible patients at the Yale Diabetes Center in Connecticut, 25.5% of patients reported cost-related insulin underuse.
(d) Rationing or underdosing insulin is dangerous for a person with diabetes and can result in the deadly condition of diabetic ketoacidosis;
(e) It is necessary to protect the public health, safety, and welfare of Colorado citizens by providing affordable and emergency life-sustaining insulin to those who need it; and
(f) This act does not require the state to physically appropriate insulin for its own use; rather, this act governs the reimbursement of insulin provided through the programs created in this act."

Renumber succeeding sections accordingly.

Amend reengrossed bill, page 7, line 9, after "COLORADANS." insert "THE PROMOTIONAL MATERIAL MUST INCLUDE INFORMATION ABOUT EACH MANUFACTURER'S CONSUMER INSULIN PROGRAMS.".

"SECTION 2. Legislative declaration. (1) The general assembly finds and declares that:

(a) The COVID-19 pandemic that spread to Colorado in February of 2020 has led to extensive job losses throughout the state;

(b) The devastating effects of the COVID-19 pandemic have disproportionately impacted communities of color as well as women and low-income, senior, and disabled populations in the state;

(c) In order to assist states in recovering from the impacts the COVID-19 pandemic has had on states' economies, on March 11, 2021, the federal government enacted the "American Rescue Plan Act of 2021" (ARPA), pursuant to which Colorado will receive $3,828,761,790 from the federal coronavirus state fiscal recovery fund to be used for certain specified purposes, including "to respond to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19) or its negative economic impacts, including assistance to households, small businesses, and nonprofits, or aid to impacted industries such as tourism, travel, and hospitality";

(d) Under the authority granted under section 602 (f) of the ARPA, the secretary of the United States treasury adopted regulations providing further guidance to states regarding the authorized uses of the money allocated to states from the federal coronavirus state fiscal recovery fund to respond to the public health emergency or its negative economic impacts, which include:

(I) Assistance to unemployed workers, including job training for individuals who want and are available for work;

(II) Aid to impacted industries to respond to the negative economic impacts of the COVID-19 public health emergency; and

(III) Programs, services, or other assistance for populations disproportionately impacted by the COVID-19 public health emergency, such as programs or services that address or mitigate the impact of the public health emergency on education;

(e) A program to award funding to work force development areas, local
governments, institutions of higher education, and community-based nonprofit organizations to support reskilling, upskilling, and next-skilling workers who lost employment or have remained unemployed due to the COVID-19 public health emergency and its negative economic impacts, including providing short-term training to obtain an industry-recognized certificate and related services, that will aid unemployed workers, including those from communities disproportionately impacted by the public health emergency, and that will assist employers and nonprofit organizations working with these unemployed workers, is a program to respond to the public health emergency and its negative economic impacts on workers and industry;

(f) A program through which local work force development boards award grants to drive innovation to build in-demand skills, connect workers and learners to quality jobs, and drive employer engagement in talent development will provide job training assistance to unemployed workers and will aid impacted industries;

(g) Likewise, statewide innovation initiatives to support employers and trade associations in developing training programs for use in multiple counties, to align statewide activities in partnership with local work force development areas for skills-based hiring and talent development, and to engage and provide support to local work force development boards and community leaders in designing and implementing statewide work force innovative initiatives are programs, services, or other assistance to respond to the public health emergency and its negative economic impacts on workers and industry;

(h) Additionally, allocating federal funding to:

(I) Postsecondary career and technical education (CTE) providers to expand CTE equipment, facility, and industry capacity in key CTE job demand areas will encourage high-wage, demand-driven training and short-term program growth to meet post-pandemic demand and will provide job training to unemployed workers, assist industries negatively impacted by the public health emergency, and address the impacts of the public health emergency on education by expanding the availability of and access to CTE programs in key job demand areas; and

(II) The adult education and literacy program established in article 10 of title 22, Colorado Revised Statutes, that provides next-level education and training to many Colorado unemployed adults will provide training to adults disproportionately impacted by the COVID-19 public health emergency for better employment outcomes.

(2) Therefore, the general assembly determines that the programs enacted under the "Investments in Reskilling, Upskilling, and Next-skilling Workers Act" and the "Work Force Innovation Act" and the allocation of federal funding to expand CTE equipment, facility, and industry capacity in key CTE job demand areas and to the adult education and literacy program are appropriate uses of the money transferred to Colorado under the federal "American Rescue Plan Act of 2021" to respond to the COVID-19 public health emergency and its negative impacts on Colorado's economy, including its workers, industries, and education systems.”.

Amendment No. 1, by Senator Bridges.

Amend reengrossed bill, page 2, after line 6 insert:

"(I) In the 2018-19 school year, statewide assessment data shows considerable achievement gaps as measured by assessment scores for Colorado students. The assessment scores on the statewide assessment in English language arts demonstrated that approximately forty-five percent of all Colorado students were performing at grade level, while approximately thirty percent of Latino or Black students and approximately twenty-eight percent of low-income students were performing at grade level. Similarly, the assessment scores on the statewide assessment in Mathematics demonstrated that approximately thirty-five percent of all students were performing at grade level, while approximately eighteen percent of Latino or Black students and approximately eighteen percent of low-income students were performing at grade level.

(II) However, in Colorado there are also examples of schools and school districts in which a high percentage of low-income students and students of color break with these trends and meet or exceed grade-level expectations on statewide assessments; and

(III) In 1965, Congress passed the "Elementary and Secondary Education Act of 1965", 20 U.S.C. sec. 6301 et seq., to address persistent inequities for historically underserved students."
RESEARCH SHOWS THAT DISPARITIES IN ACADEMIC ACHIEVEMENT ARE OFTEN CAUSED BY DISPARITIES IN OPPORTUNITIES, SUCH AS THE INEQUITABLE DISTRIBUTION OF FUNDING, PRESCHELLOW ACCESS, ADVANCED COURSE WORK, HIGHLY EFFECTIVE TEACHERS, AND WRAPAROUND SERVICES. RESEARCH ALSO SHOWS THAT LATINO AND BLACK STUDENTS ARE MORE LIKELY TO HAVE LESS-EXPERIENCED AND LOWER-PAID TEACHERS AS A RESULT OF A GAP IN FUNDING AND MORE LIKELY TO BE DISCIPLINED MORE HARSHLY IN SCHOOL.

(b) THE GENERAL ASSEMBLY FURTHER FINDS THAT:

- Research shows that disparities in academic achievement are often caused by disparities in opportunities, such as the inequitable distribution of funding, preschool access, advanced course work, highly effective teachers, and wraparound services.
- Research also shows that Latino and Black students are more likely to have less-experienced and lower-paid teachers as a result of a gap in funding and more likely to be disciplined more harshly in school.

Page 3, after line 11, insert:

"(IV) ONE OF THE MAIN GOALS OF THE STATEWIDE SYSTEM OF STANDARDS AND ASSESSMENTS AND THE STATEWIDE EDUCATION ACCOUNTABILITY SYSTEM IS TO IDENTIFY THE AREAS IN WHICH SCHOOLS AND SCHOOL DISTRICTS ARE STRUGGLING, DUE TO SEVERAL FACTORS, TO BEST SERVE THEIR STUDENTS AND ENSURE THAT THOSE SCHOOLS AND SCHOOL DISTRICT ARE ABLE TO BEST SERVE THEIR STUDENTS,":

As amended, ordered revised and placed on the calendar for third reading and final passage.

Amend printed bill, page 3, after line 1 insert:

"SECTION 1. In Colorado Revised Statutes, add 1-40-137, Initiative and legislation interaction - voter education - legislative declaration. (1) The general assembly finds and declares that:

(a) On April 21, 2021, the title board set a title for the proposed initiative in the 2021-2022 initiative cycle that is informally numbered and captioned as "#27 Property Tax Assessment Rate Reduction and Voter-Approved Revenue Change". Among other things, the measure amends section 39-1-104.2 (3)(q) to reduce the assessment rate for all residential real property from 7.15% to 6.5% and amends section 39-1-104(1) to reduce the assessment rate for all nonresidential property from 29% to 26.4%. The ballot title for this initiated measure is as follows: "Shall there be a change to the Colorado Revised Statutes concerning property tax reductions, and, in connection therewith, reducing property tax revenue by an estimated $1.03 billion in 2023 and by comparable amounts thereafter by reducing the residential property tax assessment rate from 7.15% to 6.5% and reducing the property tax assessment rate for all other property, excluding producing mines and lands or leaseholds producing oil or gas, from 29% to 26.4% and allowing the state to annually retain and spend up to $25 million of excess state revenue, if any, for state fiscal years 2022-23 through 2026-27 as a voter-approved revenue change to offset lost revenue resulting from the property tax rate reductions and to reimburse local governments for revenue lost due to the homestead exemptions for qualifying seniors and disabled veterans?"

(b) The general assembly, through the enactment of Senate Bill 21-293, enacted in 2021, concurrently amended section 39-1-104.2 (3)(q) so that the provision only applies to multi-family residential real property, which is a subclass of residential real property and section 39-1-104 (1), so that the provision only applies to lodging property, which is a subclass of nonresidential property. Other residential real property and nonresidential property is assessed under different statutory sections and would not be subject to the provisions of the initiated measure.

(c) Thus, the ballot question for the initiated measure would not accurately describe its effect when limited by Senate Bill 21-293, and this could lead to significant voter confusion.

(d) Although the blue book prepared by legislative council staff is an excellent resource for educating voters about ballot measures, it alone may not be sufficient to address this complex situation, and additional measures are necessary.

(2) Notwithstanding any law to the contrary, if, under the provisions of this article, the initiated measure reducing property
TAX REVENUE IS ON THE BALLOT AT THE NOVEMBER 2021 STATEWIDE ELECTION, THE SECRETARY OF STATE SHALL UNDERTAKE A CAMPAIGN TO EDUCATE VOTERS ABOUT HOW THE INITIATED MEASURE HAS BEEN MODIFIED BY SENATE BILL 21-293, THE CLASSES OF RESIDENTIAL REAL PROPERTY AND NONRESIDENTIAL REAL PROPERTY THAT WILL BE AFFECTED, AND THE ADJUSTED FISCAL IMPACT OF THE INITIATED MEASURE.

(3) THE VOTER EDUCATION REQUIRED BY THIS SECTION SUPPLEMENTS THE BALLOT INFORMATION BOOKLET PREPARED IN ACCORDANCE WITH SECTION 1-40-124.5.

Renumber succeeding sections accordingly.

Page 9, after line 5 insert:

"SECTION 10. In Colorado Revised Statutes, 39-5-121, add (3) as follows:

(3) (a) ON OR BEFORE MARCH 1, 2022, THE ADMINISTRATOR SHALL PREPARE A DESCRIPTION OF THE PROPERTY TAX CLASSES AND SUBCLASSES SET FORTH IN SECTIONS 39-1-104 AND 39-1-104.2, THE RATIO OF VALUATION FOR ASSESSMENT FOR THE DIFFERENT CLASSES AND SUBCLASSES, AND THE PROPERTY TAX YEARS THAT THE VARIOUS RATIOS OF VALUATION FOR ASSESSMENT APPLY. THE ASSESSOR SHALL INCLUDE THE DESCRIPTION ALONG WITH A NOTICE OF VALUATION THAT IS REQUIRED TO BE SENT IN THE 2021 CALENDAR YEAR UNDER SUBSECTION (1) OR (1.5) OF THIS SECTION.

(b) THIS SUBSECTION (3) IS REPEALED, EFFECTIVE JULY 1, 2023."

Renumber succeeding sections accordingly.

Amendment No. 5(L.013), by Senator Hansen.

Amend printed bill, page 5, line 15, after the period add "MULTI-FAMILY RESIDENTIAL REAL PROPERTY IS A SUBCLASS OF RESIDENTIAL REAL PROPERTY."

As amended, ordered engrossed and placed on the calendar for third reading and final passage.

For agricultural property, the notice must separately state the actual value of such land or improvements in the previous year, the actual value in the current year, and the amount of any adjustment in actual value. For all other property, the notice must state the total actual value of such land and improvements together in the previous year, the total actual value in the current year, and the amount of any adjustment in total actual value. The notice must not state the valuation for assessment of such land or improvements or combination of land and improvements. Based upon the classification of such taxable property, the notice must also set forth either the APPROPRIATE ratio of valuation for assessment to be applied to said actual value of all taxable real property other than residential real property prior to the calculation of property taxes for the current year or the projected ratio of valuation for assessment to be applied to said actual value of residential real property prior to the calculation of property taxes for the current year and that any change or adjustment of the projected ratio of valuation for assessment for residential real property must not constitute grounds for the protest or abatement of taxes. With the approval of the board of county commissioners, the assessor may include in the notice an estimate of the taxes owed for the current property tax year. If such estimate is included, the notice must clearly state that the tax amount is merely an estimate based upon the best available information. The notice must state, in bold-faced type, that the taxpayer has the right to protest any adjustment in valuation but not the estimate of taxes if such an estimate is included in the notice, the classification of the property that determines the assessment percentage to be applied, and the dates and places at which the assessor will hear such protest. The notice must also set forth the following: That, to preserve the taxpayer's right to protest, the taxpayer shall notify the assessor either in writing or in person of the taxpayer's objection and protest; that such notice must be delivered, postmarked, or given in person no later than June 1; and that, after such date, the taxpayer's right to object and protest the adjustment in valuation is lost. The notice must be mailed together with a form that, if completed by the taxpayer, allows the taxpayer to explain the basis for the taxpayer's valuation of the property. Such form may be
completed by the taxpayer to initiate an appeal of the assessor's valuation. However, in accordance with section 39-5-122 (2), completion of this form does not constitute the exclusive means of appealing the assessor’s valuation. For the years that intervene between changes in the level of value, if the difference between the actual value of such land or improvements in the previous year and the actual value of such land or improvements in the intervening year as set forth in such notice constitutes an increase in actual value of more than seventy-five percent, the assessor shall mail together with the notice an explanation of the reasons for such increase in value.

(3) (a) ON OR BEFORE MARCH 1, 2022, THE ADMINISTRATOR SHALL”.

SECTION 12. In Colorado Revised Statutes, 39-5-122, amend (2) as follows:

39-5-122. Taxpayer’s remedies to correct errors. (2) If any person is of the opinion that his or her property has been valued too high, has been twice valued, or is exempt by law from taxation or that property has been erroneously assessed to such person, he or she may appear before the assessor and object, complete the form mailed with his or her notice of valuation pursuant to section 39-5-121 (1) or (1.5), or file a written letter of objection and protest by mail with the assessor’s office before the last day specified in the notice, stating in general terms the reason for the objection and protest. Reasons for the objection and protest may include, but shall not be limited to, the installation and operation of surface equipment relating to oil and gas wells on agricultural land. Any change or adjustment of any ratio of valuation for assessment for residential real property pursuant to section 39-1-104.2 shall not constitute grounds for an objection. If the form initiating an appeal or the written letter of objection and protest is filed by mail, it shall be presumed that it was received as of the day it was postmarked. If the form initiating an appeal or the written letter of objection and protest is hand-delivered, the date it was received by the assessor shall be stamped on the form or letter. As stated in the public notice given by the assessor pursuant to subsection (1) of this section, the taxpayer’s notification to the assessor of his or her objection and protest to the adjustment in valuation must be delivered, postmarked, or given in person by June 1 in the case of real property. In the case of personal property, the notice must be postmarked or physically delivered by June 30. All such forms and letters received from protesters shall be presumed to be on time unless the assessor can present evidence to show otherwise. The county shall not prescribe the written form of objection and protest to be used. The protestor shall have the opportunity on the days specified in the public notice to present his or her objection in writing or protest in person and be heard, whether or not there has been a change in valuation of such property from the previous year and whether or not any change is the result of a determination by the assessor for the current year or by the state board of equalization for the previous year. If the assessor finds any valuation to be erroneous or otherwise improper, the assessor shall correct the error. If the assessor declines to change any valuation that the assessor has determined, the assessor shall state his or her reasons in writing on the form described in section 39-8-106, shall insert the information otherwise required by the form, and shall mail two copies of the completed form to the person presenting the objection and protest so denied on or before the last regular working day of the assessor in June in the case of real property and on or before July 10 in the case of personal property; except that, if a county has made an election pursuant to section 39-5-122.7 (1), the assessor shall mail the copies on or before August 15 in the case of both real and personal property.
SECTION 13. In Colorado Revised Statutes, 39-10-114, amend (1)(a)(I)(C) as follows:

39-10-114. Abatement - cancellation of taxes. (1) (a) (I) (C) The change or adjustment of any ratio of valuation for assessment for residential real property pursuant to the provisions of section 39-1-104.2 shall not constitute grounds for abatement of taxes as provided in subparagraph (I) SUBSECTION (1)(a)(I)(A) OF THIS SECTION.

COMMITTEE OF REFERENCE REPORTS
Finance After consideration on the merits, the Committee recommends that HB21-1266 be
amended as follows, and as so amended, be referred to the Committee on Appropriations
with favorable recommendation.

Amend reengrossed bill, page 5, after line 5 insert:

“(2) The general assembly also hereby:
(a) Finds that prompt action is essential for Colorado to meet its
climate goals, given, among other things, the slow turnover of equipment, vehicles, appliances, and other technologies that burn or release fossil fuels. The general assembly further recognizes that climate change is a cumulative emissions problem. This is because long-lived climate pollutants can persist for centuries in the atmosphere, thus committing us to warming for generations to come. As we continue to emit greenhouse gases into the atmosphere over the next decade, and even over the next few years, we will continue to exacerbate the climate damages we are already seeing and increase the risk of catastrophic disruption. Therefore, early action to reduce the pollutants that contribute to climate change, thereby reducing overall atmospheric greenhouse gas concentrations, is essential. Colorado needs to secure reductions in pollution over time in amounts that align with the estimated carbon dioxide budgets identified by the United Nations' intergovernmental panel on climate change consistent with limiting the average global warming, in comparison to accepted historical average temperatures, to one and one-half degrees Celsius.

(b) Determines that:

(I) Due to historical systems and practices that intentionally targeted Black, Latino, Asian American, and Indigenous people, communities of color, and low-income communities, there continues to be a racial and socioeconomic inequity in regard to the impacts of climate change and pollution. As documented in multiple peer-reviewed scientific studies, communities with predominantly Black, Latino, Asian American, or Indigenous populations suffer from higher rates of air pollution and damage due to changing and more severe weather and have been systematically excluded from governance and decision making. It is therefore the responsibility of the state to include and engage these communities more fully in policymaking at every level and to ensure that environmental policy works toward restorative justice and benefitting these communities. The general assembly recognizes that the key to addressing these historic wrongs is to rapidly reduce pollution in disproportionately impacted communities, including from electric power, industrial, and manufacturing sources.

(II) The public should have a meaningful opportunity to participate in rule-making proceedings before the air quality control commission. This requires that members of the public be provided with timely access to information needed to understand proposed rules and to develop alternative proposals;

(III) The commission is encouraged to use language that is understandable to citizens who do not have specialized knowledge of the matters before the commission; and

(c) Declares that:

(I) Nothing in this act:

(A) Alters the greenhouse gas emission reduction goals previously established in section 25-7-102 (2)(g), C.R.S., in either amount or timing; or

(B) Detracts from the commission's existing authority to require more than the minimum greenhouse gas emission reduction goals and deadlines previously established in section 25-7-102 (2)(g), C.R.S.; and

(II) This act adds to, but does not otherwise alter, the air quality control commission's authority and obligation to publish and promulgate rules pursuant to sections 25-7-105, 25-7-102 (2)(g), and 25-7-140."

(1) (a) No person shall permit emission of air pollutants from, or construction or alteration of, any facility, process, or activity except residential structures from which air pollutants are, or are to be, emitted unless and until an air pollutant emission notice has been filed with the division with respect to such emission. An air pollutant emission notice shall be is valid for a

(b) WITH REGARD TO THE CHANGES MADE IN 2021 BY HOUSE BILL 21-1266;
(i) NOTHING:
(A) ALTERS THE GREENHOUSE GAS EMISSION REDUCTION GOALS PREVIOUSLY ESTABLISHED IN SECTION 25-7-102 (2)(g), IN EITHER AMOUNT OR TIMING; OR

(2) All sources existing on or before December 31, 1992, shall file an updated air pollutant emission notice with the division on or before December 31, 1992. In addition, a revised emission notice shall be filed whenever a significant change in emissions, in processes, or in the facility is anticipated or has occurred or as the commission otherwise determines to be necessary. The revised air pollutant emission notice shall be valid for NO MORE THAN five years or until the underlying permit expires. The commission shall exempt those sources or categories of sources which it determines to be of minor significance from the requirement that an air pollutant emission notice be filed.

(3) The commission shall promulgate a list of air pollutants which are required to be reported in an air pollutant emission notice. NO LATER THAN DECEMBER 31, 2022, THE COMMISSION SHALL INCLUDE GREENHOUSE GAS, AS DEFINED IN SECTION 25-7-140(6), IN THE LIST OF AIR POLLUTANTS REQUIRED TO BE REPORTED IN AN AIR POLLUTANT EMISSION NOTICE AND SHALL IDENTIFY THE CATEGORIES OF SOURCES FOR WHICH AND THE THRESHOLDS BELOW WHICH GREENHOUSE GAS DOES NOT NEED TO BE REPORTED IN AN AIR POLLUTANT EMISSION NOTICE. AN AIR POLLUTANT EMISSION NOTICE FOR GREENHOUSE GASES NEED NOT BE REQUIRED FOR A FACILITY OR ENTITY THAT IS OTHERWISE EXEMPT FROM REPORTING GREENHOUSE GAS EMISSIONS TO THE DIVISION PURSUANT TO A RULE ADOPTED BY THE COMMISSION. Prior to the commission's promulgation of such a list of air pollutants to be reported in an air pollutant emission notice, sources shall report any emissions of the following which that are in excess of de minimis quantities:

(II) (A) THE COMMISSION'S RULES MUST PROVIDE FOR ENHANCED MODELING AND MONITORING REQUIREMENTS FOR NEW AND MODIFIED SOURCES OF AFFECTED POLLUTANTS IN DISPROPORTIONATELY IMPACTED COMMUNITIES THAT ARE IDENTIFIED OR APPROVED AT THE TIME OF PERMIT APPLICATION. IN ADOPTING THE RULES, THE COMMISSION SHALL ALSO CONSIDER REQUIRING ENHANCED MONITORING FOR EXISTING SOURCES OF AFFECTED POLLUTANTS.
(B) THE COMMISSION'S RULES MUST IDENTIFY THE TYPES OF MONITORING TECHNOLOGY THAT CAN BE USED BY THE SOURCES OF AFFECTED POLLUTANTS AND MUST ALLOW FOR THE USE OF ALTERNATIVE METHODS OF MONITORING AS APPROVED BY THE DIVISION.
(c) Fees. SOURCES OF AFFECTED POLLUTANTS SUBJECT TO THE REQUIREMENTS OF THIS SUBSECTION (5) SHALL PAY A PROCESSING FEE IN
Conformity with section 25-7-114.7 (2)(a)(III) to cover the division's and commission's direct and indirect costs of implementing the requirements of this section. These fees shall be credited to the stationary sources control fund in accordance with section 25-7-114.7 (2)(b)(i).

(d) Definitions. As used in this subsection (5), unless the context otherwise requires:

(I) "Affected pollutants" means those air pollutants as determined by the commission with the potential to cause or contribute to significant health or environmental impacts. The term includes:

(A) volatile organic compounds;

(B) is any other community as identified or approved by a state agency, if the community has a history of environmental racism perpetuated through redlining, anti-immigrant, anti-black, anti-latino, anti-asian american, or anti-indigenous laws; or is one in which multiple factors, including socioeconomic stressors, disproportionate environmental burdens, vulnerability to environmental degradation, and lack of public participation, may act cumulatively to affect health and the environment and contribute to persistent disparities.

(IV) "Low income" means the median household income is less than or equal to two hundred percent of the federal poverty guideline.

(V) "Source of affected pollutants" means a stationary source that emits any affected pollutant in an amount such that a construction permit is required under commission rules.

Every owner or operator of an air pollution source not otherwise exempt in
accordance with such commission rules shall pay an annual fee as follows:

(VII) THE COMMISSION SHALL ESTABLISH, BY RULE, A FEE PER TON OF
GREENHOUSE GAS, IN THE FORM OF CARBON DIOXIDE EQUIVALENT, THAT WAS

(I) NOTHING:

(A) ALTERS THE GREENHOUSE GAS EMISSION REDUCTION GOALS
PREVIOUSLY ESTABLISHED IN SECTION 25-7-102 (2)(g), IN EITHER AMOUNT OR
TIMING; OR

(B) DETRACTS FROM THE AIR QUALITY CONTROL COMMISSION'S
EXISTING AUTHORITY TO REQUIRE MORE THAN THE MINIMUM GREENHOUSE GAS

THE ELECTRIC UTILITY SHALL FILE A CLEAN ENERGY PLAN PURSUANT TO SUBSECTION (1)(e)(VIII) OF THIS SECTION WITHIN ONE YEAR AFTER BECOMING SUBJECT TO THIS SUBSECTION (1)(e)(VIII.5). (B) IF AN ELECTRIC UTILITY DOES NOT PROVIDE WRITTEN NOTICE OF INTENT TO FILE A CLEAN ENERGY PLAN WITH THE DIVISION OR DOES NOT SUBMIT A CLEAN ENERGY PLAN AFTER EXPRESSING WRITTEN INTENT TO FILE A PLAN, THE COMMISSION SHALL, WITHIN FIFTEEN MONTHS AFTER THE ELECTRIC UTILITY'S FAILURE TO PROVIDE WRITTEN NOTICE OR SUBMIT A PLAN, ADOPT A RULE TO REDUCE GREENHOUSE GAS EMISSIONS CAUSED BY THE ELECTRIC UTILITY'S COLORADO RETAIL ELECTRICITY SALES OF AT LEAST FORTY-EIGHT PERCENT BY 2025 AND EIGHTY PERCENT BY 2030, INCLUDING EMISSIONS ASSOCIATED WITH IMPORTED ELECTRICITY, AS COMPARED TO A 2005 BASELINE. THE COMMISSION SHALL DESIGN THE RULES TO ACCELERATE NEAR-TERM REDUCTIONS IN GREENHOUSE GAS EMISSIONS IN ORDER TO REDUCE TOTAL CUMULATIVE EMISSIONS BETWEEN THE DATE OF ADOPTION AND 2030. (C) CLEAN ENERGY PLAN FILINGS MUST INCLUDE PROJECTED EMISSIONS FOR EACH CALENDAR YEAR THROUGH 2030 TO INFORM THE STATEWIDE GREENHOUSE GAS PLANNING PROCESS. THE DIVISION SHALL EVALUATE THE REPORTED EMISSIONS AND SUPPLEMENTAL INFORMATION IN THE ELECTRIC UTILITY'S ANNUAL GREENHOUSE GAS REPORTING DATA SUBMISSION MADE PURSUANT TO THE COMMISSION'S RULES TO DETERMINE WHETHER AN ELECTRIC UTILITY IS PROGRESSING CONSISTENT WITH THE ANNUAL EMISSIONS PROJECTED BY THE PLAN AND REMAINS ON TRACK TO ACHIEVE THE REDUCTIONS OF THE CLEAN ENERGY PLAN BY 2030. IF THE DIVISION DETERMINES THAT THE ELECTRIC UTILITY IS NOT PROGRESSING AS PLANNED, THE ELECTRIC UTILITY'S ANNUAL GREENHOUSE GAS EMISSIONS EXCEED ANNUAL EMISSIONS PROJECTED AS PART OF AN APPROVED CLEAN ENERGY PLAN FOR TWO CONSECUTIVE YEARS, OR THE ELECTRIC UTILITY'S ANNUAL GREENHOUSE GAS EMISSION REDUCTIONS ARE NOT ON TRACK TO ACHIEVE AT LEAST AN EIGHTY PERCENT REDUCTION BELOW 2005 LEVELS IN GREENHOUSE GAS EMISSIONS BY 2030, THE DIVISION SHALL INCLUDE THIS INFORMATION IN THE NEXT GREENHOUSE GAS PROGRESS BRIEFING TO THE COMMISSION AND THE COMMISSION SHALL, WITHIN NINE MONTHS AFTER
RECEIVING THE BRIEFING FROM THE DIVISION, ADOPT RULES THAT REQUIRE AN UPDATED CLEAN ENERGY PLAN TO BE FILED THAT DEMONSTRATES ACHIEVEMENT OF THE 2030 TARGETS AND THE CUMULATIVE EMISSION REDUCTIONS THAT WERE PROJECTED IN THE INITIAL CLEAN ENERGY PLAN. THE UPDATED CLEAN ENERGY PLAN, ONCE VERIFIED BY THE DIVISION, BECOMES THE OPERATIVE PLAN FOR PURPOSES OF SUBSECTION (1)(e)(VIII) OF THIS SECTION REGARDING THE COMMISSION'S REGULATORY REQUIREMENTS.

(D) NOTWITHSTANDING SUBSECTIONS (1)(e)(VIII.5)(A) TO (1)(e)(VIII.5)(C) OF THIS SECTION, A QUALIFIED RETAIL UTILITY WITH A CLEAN ENERGY PLAN THAT HAS BEEN APPROVED AND VERIFIED IN ACCORDANCE WITH SECTION 40-2-125.5 AND SUBSECTION (1)(e)(VIII)(C) OF THIS SECTION AND A WHOLESALE GENERATION AND TRANSMISSION COOPERATIVE WITH AN ELECTRIC RESOURCE PLAN THAT HAS BEEN FILED IN ACCORDANCE WITH SUBSECTION (1)(e)(VIII)(I) OF THIS SECTION AND HAVE BEEN APPROVED ARE NOT SUBJECT TO SUBSECTIONS (1)(e)(VIII.5)(A) TO (1)(e)(VIII.5)(C) OF THIS SECTION.

PROGRESS OF EMISSION REDUCTIONS FOR AN ELECTRIC UTILITY THAT IS AN INVESTOR-OWNED RETAIL UTILITY WITH A CLEAN ENERGY PLAN THAT HAS BEEN APPROVED AND VERIFIED IN ACCORDANCE WITH SECTION 40-2-125.5 AND SUBSECTION (1)(e)(VIII)(C) OF THIS SECTION OR A WHOLESALE GENERATION AND TRANSMISSION COOPERATIVE WITH AN ELECTRIC RESOURCE PLAN THAT HAS BEEN FILED IN ACCORDANCE WITH SUBSECTION (1)(e)(VIII)(I) OF THIS SECTION AND HAVE BEEN APPROVED SHALL BE ASSESSED THROUGH THE CURRERING RESOURCE PLANNING PROCESS AT THE PUBLIC UTILITIES COMMISSION.

(XI) As used in this subsection (1)(e):

(B.5) "INDUSTRIAL AND MANUFACTURING SECTOR" MEANS ENERGY COMBUSTION AND ENERGY USE BY INDUSTRY, INCLUDING: COMBUSTION FROM COAL, DIESEL, GASOLINE, HEAT, LIQUIFIED PETROLEUM GAS, NATURAL GAS, REFINERY FEEDSTOCKS, AND RESIDUAL FUEL OIL; AND INDUSTRIAL PROCESSES, INCLUDING CEMENT MANUFACTURE, ELECTRIC TRANSMISSION AND DISTRIBUTION EQUIPMENT, IRON AND STEEL PRODUCTION, LIME MANUFACTURE, LIMESTONE AND DOLOMITE USE, OZON DEPLETING SUBSTANCES SUBSTITUTES, CARBON SEAL OIL, AND STORAGE OPERATIONS OTHER THAN ENERGY EXPLOSION, PRODUCTION, TRANSMISSION, AND STORAGE OPERATIONS OTHER THAN ENERGY COMBUSTION EMISSIONS THAT ARE INCLUDED IN THE INDUSTRIAL AND MANUFACTURING SECTOR.

(XII) NO LATER THAN JANUARY 1, 2022, THE COMMISSION SHALL ADOPT, AND THE DIVISION SHALL BEGIN IMPLEMENTING, COMPREHENSIVE RULES THAT WILL REDUCE STATEWIDE GREENHOUSE GAS EMISSIONS FROM OIL AND GAS EXPLORATION, PRODUCTION, TRANSMISSION, AND STORAGE OPERATIONS IN THE STATE BELOW THE 2005 BASELINE ESTABLISHED FOR THE OIL AND GAS EMISSIONS COVERED BY THE "OIL AND GAS FUGITIVE EMISSIONS" CATEGORY IN THE INITIAL INVENTORY DEVELOPED BY THE DIVISION PURSUANT TO SECTION 25-7-140 (2)(a)(II), TAKING INTO ACCOUNT SUBSECTIONS (1)(e)(II) TO (1)(e)(VI) OF THIS SECTION, BY AT LEAST THIRTY-SIX PERCENT BY 2025 AND SIXTY PERCENT BY 2030. THE COMMISSION SHALL DESIGN THE RULES TO PRIORITIZE NEAR-TERM REDUCTIONS IN GREENHOUSE GAS EMISSIONS. THE RULES MUST INCLUDE:

(A) PROTECTIONS FOR DISPROPORTIONATELY IMPACTED COMMUNITIES, ACHIEVING REDUCTION OF GREENHOUSE GASES AND CO-POLLUTANTS; AND

(B) MORE ROBUST MONITORING, LEAK DETECTION, AND REPAIR REQUIREMENTS, REPORTING, AND RECORD-KEEPING REQUIREMENTS TO ENSURE THE DIVISION CAN ACCURATELY QUANTIFY GREENHOUSE GAS EMISSIONS DURING ALL OPERATING CONDITIONS, INCLUDING EQUIPMENT MALFUNCTIONS; AND

(C) ADDITIONAL DIRECT EMISSION REDUCTION CONTROLS.

(XIII) IN IMPLEMENTING THIS SUBSECTION (1)(e), THE COMMISSION SHALL ADOPT RULES TO REDUCE STATEWIDE GREENHOUSE GAS EMISSIONS FROM THE INDUSTRIAL AND MANUFACTURING SECTOR IN THE STATE BY AT LEAST TWENTY PERCENT BY 2030 BELOW THE 2005 BASELINE ESTABLISHED PURSUANT TO SECTION 25-7-140 (2)(a)(II), TAKING INTO ACCOUNT THE FACTORS SET OUT IN SUBSECTIONS (1)(e)(II) TO (1)(e)(VI) OF THIS SECTION. THE RULES MUST INCLUDE PROTECTIONS FOR DISPROPORTIONATELY IMPACTED COMMUNITIES AND PRIORITIZE EMISION REDUCTIONS THAT WILL REDUCE EMISSIONS OF CO-POLLUTANTS THAT ADVERSELY AFFECT DISPROPORTIONATELY IMPACTED COMMUNITIES, BE DESIGNED TO ACCELERATE NEAR-TERM REDUCTIONS, AND SECURE MEANINGFUL EMISSION REDUCTIONS FROM THIS SECTOR TO BE REALIZED BEGINNING NO LATER THAN SEPTEMBER 30, 2024. THE RULES MUST:

(A) BE CONSISTENT WITH THE REQUIREMENTS OF SUBSECTION

COMMISSION'S AUTHORITY AND OBLIGATION TO PROMULGATE AND PUBLISH RULES PURSUANT TO THIS SECTION AND SECTIONS 25-7-102 (2)(g) AND 25-7-140.

SECTION 14. In Colorado Revised Statutes, 25-7-109.3, amend (2) as follows:

25-7-109.3. Colorado hazardous air pollutant control and reduction program - rules. (2) EXCEPT AS PROVIDED IN SECTION 25-7-114.4 (5), the commission may only promulgate regulations RULES pertaining to hazardous air pollutants as defined in section 25-7-103 (13) in accordance with this section. In order to minimize additional regulatory and compliance costs to the state's economy, any program created by the commission pursuant to this section shall MUST contain a provision which THAT exempts those sources or categories of sources which THAT it determines to be of minor significance from the requirements of the program. Consistent with the provisions of section 25-7-105.1, the commission shall authorize synthetic minor sources of hazardous air pollutants by the issuance of construction permits or prohibitory OR OTHER rules. Such permits or rules or regulations shall MUST only be as stringent as necessary to establish synthetic minor status. The commission shall expeditiously implement this subsection (2) to assure that all sources may be able to timely qualify as a synthetic minor source, thereby avoiding the costs of the operating permit program.

SECTION 15. In Colorado Revised Statutes, 25-7-110.5, amend (4)(e); and add (4)(f) and (4)(g) as follows:

25-7-110.5. Required analysis of proposed air quality rules. (4) (e) EXCEPT AS PROVIDED IN SUBSECTION (4)(f) OF THIS SECTION, the economic impact analysis required by this subsection (4) MUST must not consist of an analysis of any nonmarket costs or external costs asserted to occur notwithstanding compliance by a source with applicable environmental regulations.

(g) WITH REGARD TO THE CHANGES MADE IN 2021 BY HOUSE BILL 21-1266:

(I) NOTHING:

(A) ALTERS THE GREENHOUSE GAS EMISSION REDUCTION GOALS PREVIOUSLY ESTABLISHED IN SECTION 25-7-102 (2)(g), IN EITHER AMOUNT OR TIMING; OR

(B) DETRACTS FROM THE AIR QUALITY CONTROL COMMISSION'S EXISTING AUTHORITY TO REQUIRE MORE THAN THE MINIMUM GREENHOUSE GAS EMISSION REDUCTION GOALS AND DEADLINES PREVIOUSLY ESTABLISHED IN SECTION 25-7-102 (2)(g); AND

(II) THE CHANGES ADD TO, BUT DO NOT OTHERWISE ALTER, THE AIR QUALITY CONTROL COMMISSION'S AUTHORITY AND OBLIGATION TO PROMULGATE AND PUBLISH RULES PURSUANT TO SECTIONS 25-7-102 (2)(g), 25-7-105, AND 25-7-140.

SECTION 16. In Colorado Revised Statutes, 25-7-140, amend (2)(a)(I) and (2)(a)(II); and add (2)(a)(IV) as follows:

25-7-140. Greenhouse gas emissions - data collection - legislative declaration - rules - reporting - forecasting - public information - definitions. (2) Rules. (a) The commission shall:

(I) By June 1, 2020, Adopt rules requiring greenhouse gas-emitting entities to monitor and publicly report their emissions as the commission deems appropriate to support Colorado's greenhouse gas emission inventory efforts and
to facilitate implementation of rules that will timely achieve Colorado's greenhouse gas emission reduction goals. The commission shall consider what information is already being publicly reported by the federal environmental protection agency and tailor new reporting requirements to fill any gaps in data, as it determines is appropriate, to allow for maintaining and updating state inventories that are sufficiently comprehensive and robust. The rules must include requirements for providers of retail or wholesale electric service in the state of Colorado to track and report emissions from all generation sources within the state and elsewhere that electricity consumption by their customers in this state causes to be emitted. The commission may require emitting entities to report the amount of emissions of each of the seven individual components of greenhouse gases as well as the carbon dioxide equivalent of those emissions.

(II) Direct the division to update the statewide inventory of greenhouse gas emissions by sector, up to on an annual basis as determined by the commission, but in no event less frequently than every two years. The division shall update the inventory in a manner that allows reasonable tracking of progress in reducing greenhouse gas emissions over time. The commission shall take reasonable steps to ensure that emission abatement that meets the state's greenhouse gas emission reduction goals is durable and rigorously tracked. The inventory must include a forecast of Colorado's greenhouse gas emissions for the milestone year of 2025, as well as 2030, 2035, 2040, and 2045. The division shall make publicly available the data upon which projections are based, including the sources of that data, the inputs for any model used, and a description of the analysis underlying the projections. The forecast must include at least one scenario that does not include emission reductions projected to occur from any federal, state, or local law, rule, regulation, policy, or program that is not in place as of the date of publication of the inventory. The initial inventory required under this subsection (2) must include a recalculation of Colorado's 2005 greenhouse gas emissions to serve as a baseline for measuring progress against Colorado's greenhouse gas emission reduction goals.

(IV) With regard to the changes made in 2021 by house Bill 21-1266:

(A) Nothing alters the greenhouse gas emission reduction goals previously established in section 25-7-102 (2)(g), in either amount or timing, or detracts from the commission's existing authority to require more than the minimum greenhouse gas emission reduction goals and deadlines previously established in section 25-7-102 (2)(g); and

(B) The changes add to, but do not otherwise alter, the commission's authority and obligation to promulgate and publish rules pursuant to this section and sections 25-7-102 (2)(g), and 25-7-105.

SECTION 17. In Colorado Revised Statutes, 2-3-1203, add (18.5)(a)(II) as follows:

The office shall submit the proposed budget to the executive director of the department no later than July 1, 2022. The budget must include financing options from state, federal, and other sources. The department shall consider the proposed budget as part of its budget proposal for state fiscal year 2023-24.

SECTION 19. In Colorado Revised Statutes, repeal and reenact with amendments, 24-38.5-101 as follows:

24-38.5-101. Colorado energy office - creation. (1) There is hereby created within the office of the governor the Colorado energy office, the head of which is the director of the Colorado energy office. The director of the office shall be assisted by a deputy
DIRECTOR AND A STAFF TO FULFILL THE OFFICE'S MISSION TO:

(a) SUPPORT COLORADO'S TRANSITION TO A MORE EQUITABLE, LOW-CARBON, AND CLEAN ENERGY ECONOMY AND PROMOTE RESOURCES THAT REDUCE AIR POLLUTION AND GREENHOUSE GAS EMISSIONS, INCLUDING POLLUTION AND EMISSIONS FROM ELECTRICITY GENERATION, BUILDINGS, INDUSTRY, AGRICULTURE, AND TRANSPORTATION;
