44

1 Nothing in my life thus far has been more rewarding than representing the
2 interests of the people of the state of Colorado, especially those in my
3 community; and those who often don't have voice and power. I have
4 learned so very much from all of my legislative colleagues, our incredible
5 staff, as well as non-partisan personnel, who have all committed so much
6 of their lives to the people of this great state. I am also very appreciative
7 of the many opportunities for personal and professional growth that I
8 been exposed to during my time as a lawmaker. I want to thank you, and
9 every Speaker before you with whom I have served for believing in me.

10
11 If I can ever be of service to you or anyone else in the legislature, please
12 don't hesitate to reach out.

34 **Representatives.**

35

36 I first want to say hello and thank you to:

37

38 my Niece Blair for saying the pledge;

39

40 my Brother Andrew and my sister-in-law Megan for being here; my mom and
41 dad for always being there;

42

43 Ashton, my oldest, Adella who's 3, Anders who's 6 months; and

44

45 Emily - man am I blessed to have you in my life. Jackson Brown once said:
46 Choose your life's mate carefully. From this one decision will come 90 percent
47 of all your happiness or misery...best decision I've ever made.

48

49 I also want to recognize and thank Kathy Hahn, Robin Jones, and Matt Becker
50 for the tremendous work they did to ensure all the improvements to the
51 chamber were completed in time for us to start session.

52

53 Happy Birthday Jenna.

54

55

1 You know, it's a bittersweet feeling, looking out on all of you today. Daneya,
2 Patrick, Susan, Terri, Kevin, Kim: today marks our last first day of session.
3 Congratulations to all of you for serving your full 8 years, it's certainly been
4 an honor for me.
5
6 We've come a long way since we were baby legislators. I've added a few grey
7 hairs, a few pounds (pure muscle, right Patrick?), and a few kids.
8
9 All in all, I'm blessed to have served with each one of you and love you dearly.
10
11 As Speaker, I am humbled by the opportunities we have this session to govern
12 on behalf of every Coloradan.
13
14 From the very beginning, our tenure has been shaped by the hands of history.
15 Who would have guessed something as microscopic as a virus could hold the
16 planet, and our fate, in a vice grip, shaping the way we govern.
17
18 In a way, the challenge of this virus is fitting. As many of you know, viruses
19 are ultimately determined by a term that is now firmly in our daily
20 conversations: DNA.
21
22 The structure, known as the double helix, is what we are used to seeing: two
23 strands, intertwined, working together. I might offer, we across both parties,
24 are the DNA of this building. Let us work together, to find solutions, to make
25 progress, to deliver results
26
27 People need and deserve a government that listens to them and makes their
28 lives easier when they confront unforeseen challenges as individuals, families
29 and businesses. The problems Coloradans are facing are dynamic. They are
30 moving fast and changing quickly, so we as a government have to respond in
31 kind.
32
33 The unique situation we find ourselves in, not only because of COVID but also
34 because of issues like the constant threats against our democracy, the rapidly
35 changing economic landscape that has put enormous pressure on Colorado
36 families, and the creeping menace of climate change, are a true test of all of us;
37 of how well our government can run when the going really gets tough.
38
39 The issues we face are always in flux but the one constant that remains is this
40 institution. I challenge each of you to put this institution first, like the
41 thousands of legislators who served before us. In doing so, we'll set an
42 example for the thousands that will come after us.
43
44 Speaking of those who have served in this chamber before our time, I'd like to
45 take a moment to recognize the loss of former representative Mike McLachlan,
46 a dear friend and a giant of Southern Colorado who dedicated his entire life to
47 making our state and his home a better place for all.
48
49 Barbara, we love you and we're all here for you.
50
51 There's a lot we can learn from the legacy of Mike McLachlan. Despite serving
52 in a fiercely competitive district, he was always willing to work across the aisle
53 and collaborate with anyone on a good idea.
54
55 This year, I'm proud to announce that I will once again appoint Marc Caitlin
56 as Vice Chair of the Agriculture, Livestock and Water committee.

1 To me, this is common sense: we all know Rep. Caitlin as an expert on these
2 policy issues. But it's more than that to me. The appointment is also symbolic.
3 It's a clear and resounding representation of my belief that in this building we
4 work best when we work together.

5
6 For far too many families across our state, the going has gotten tougher and
7 tougher in the last few years. Despite the incredible work we've done to make
8 health care more affordable, create a more fair tax code, and support small
9 businesses during their times of need, life in Colorado has gotten more and
10 more expensive.

11
12 That's why my number one priority this session is to bring down the cost of
13 living in Colorado and make life more affordable for families in our state.

14
15 As your Speaker, this will be the lens through which I will evaluate legislation:
16 will this bill make life in Colorado more affordable or more expensive? How
17 will this proposal improve life for everyday families struggling to make ends
18 meet?

19
20 With these questions as our north star, I'm confident we can move Colorado
21 forward.

22
23 Thankfully, we will not be starting from scratch. Far from it.

24
25 For years now, this body has been hard at work ensuring that the future of
26 Colorado is affordable.

27
28 Our historic investments in education and the workforce development programs
29 we instituted will ensure that Coloradans are ready to fill the high-paying jobs
30 we've attracted to forge our state's future.

31
32 The early childhood education agency we created last year will get us closer to
33 universal pre-K and, coupled with our work to provide full day Kindergarten
34 across the state, we're already helping young parents to save money on child
35 care at a time when, on average, childcare costs almost as much as college.

36
37 Our work to guarantee an affordable health insurance option in every county
38 of the state means Coloradans will be better cared for and will keep more
39 money in their pocket to spend when times are tough.

40
41 The prescription drug affordability board we set up last year will help rein in
42 the skyrocketing cost of prescription drugs and prevent Coloradans from having
43 to decide between buying life saving medication and putting food on the table.

44
45 As a firm believer in government's ability to get good work done despite the
46 political muck, it brings me great satisfaction to know that many of these laws
47 and programs were created in a cooperative and bipartisan way. I'm grateful
48 to each of you, on both sides of the aisle, for the great effort you've made.

49
50 But this year, as high costs of living continue to tighten their grip on the
51 budgets of families in Alamosa, Denver, and Larimer County alike, it won't
52 be enough to cooperate on just 'some' of these solutions.

53
54 So what more perfect time to come together than now? Coloradans need
55 everyone in this chamber coming together to move Colorado forward.

56

1 We all know what drives Colorado forward: good jobs, healthy and safe
2 communities, successful small businesses, well-funded schools and a thriving
3 workforce.

4
5 This session, we will deliver transformational changes that position Colorado
6 for that future. Together, we're going to build a safer, more affordable and
7 healthier Colorado for all.

8
9 As I mentioned earlier, my top priority is to save Coloradans money. The
10 people of Colorado deserve to do more than just get by. That's why we have
11 a plan for them to do better.

12
13 Our investment of federal dollars will save Coloradans money by directing
14 nearly \$500 million into innovative affordable housing solutions. With your
15 help and hard work, we're going to create a Revolving Loan Fund to leverage
16 private and local dollars to rapidly finance the development of affordable
17 housing units. We're going to deploy thousands of ready-to-go affordable
18 homes quickly, especially in more rural parts of our state.

19
20 And because housing costs are far from the only concern weighing on
21 Coloradans' minds, we're going to keep working to lower prescription drug
22 costs, ensuring that drug rebates are passed along to consumers, saving people
23 money on health care.

24
25 We're going to save people money on child care by expanding universal
26 preschool.

27
28 We're going to reduce fees associated with starting a business, or obtaining a
29 professional license for nursing and other front line jobs.

30
31 All of these innovative ideas will mean more money in Coloradans pockets, but
32 they also mean a stronger, more resilient economy.

33
34 Of course, this session will be as long as any other, so we'll work on more than
35 just saving people money.

36
37 We are going to make smart public safety investments to prevent crime and
38 reduce recidivism to make our communities safer. We want to stop crime
39 before it happens, and will continue fighting to ensure that every Coloradan can
40 feel safe in their community. And we want to stop people, especially young
41 people, from entering the system in the first place, and to provide those who do
42 with the tools they need to turn their lives around.

43
44 This means pursuing community-based solutions to homelessness and
45 substance use disorders, working with local governments to address and
46 prevent pandemic-induced crime, and investing in resources to break up crime
47 rings.

48
49 We will not go back to the failed policies of the past that overpopulated our
50 prisons, wasted taxpayer dollars, and left us with high recidivism and not nearly
51 enough rehabilitation. Instead, it's time to make Colorado safer and forge a
52 more compassionate, more effective criminal justice system.

53
54

1 As events over the last year laid bare, climate change is an urgent, immediate
2 threat to our state, and our communities. We've taken steps to significantly
3 reduce our greenhouse gas emissions and position our state toward a cleaner,
4 greener future. But as last year's ozone pollution days showed us, we have
5 more to do.

6
7 So we are going to better invest in our air and water by cracking down on
8 polluters, improving our permitting and monitoring systems and reducing
9 emissions on high ozone days like the ones we all suffered through last
10 summer. We're going to invest in cleaning our air now.

11
12 COVID has been hard on all of us and we've all had to make enormous
13 adjustments and sacrifices in the past couple of years. But few Coloradans
14 have been tested and pushed to the brink the way that our educators have.

15
16 Across the state, the job of educators has gone from tough to damn-near
17 impossible. Classrooms have gone virtual, lesson plans have gone out the
18 window, the mental health of our children has suffered, and teachers have been
19 left to pick up the pieces while earning half of what they deserve.

20
21 I want to take a moment to acknowledge the dedication of every educator in the
22 state who has bent over backwards to ensure that our students can continue
23 their education despite the turmoil. Recognizing their heroic efforts and
24 sacrifices, I vow to fight tooth and nail to ensure that we don't divert a single
25 dime away from public education. In fact, I'm proud to say that this session we
26 are planning the largest investment in K-12 education in the state's history.

27
28 Health care and public health will continue to guide many of the decisions we
29 make in this building. Despite our exhaustion and fatigue, COVID has not
30 relented yet.

31
32 The Omicron variant is spreading through Colorado and our hospitals and their
33 staff are still feeling the pressure. While vaccines are working and keeping
34 those who have gotten the shot out of the hospital, the situation in Colorado and
35 around the country remains dire.

36
37 I'd like to take this moment to thank the front line health workers, like our own
38 Representatives Caraveo and Mullica, who have not rested to ensure the health
39 and well-being of their fellow Coloradans.

40
41 The best way to show our gratitude to these brave Coloradans is to keep doing
42 our part. Get your booster shot, keep wearing masks, and look out for one
43 another.

44
45 When speaking of the duties of a citizen in a democratic Republic, Teddy
46 Roosevelt said more than one hundred years ago that, in the long run, the
47 success or failure of said nation would depend on the way in which the average
48 man or woman does their duty, first in the ordinary, every-day affairs of life,
49 and next in what he dubbed those great occasional cries which call for heroic
50 virtues.

51
52 This is one such moment. Colorado needs the heroism of every man and
53 woman who wishes to see our state succeed.

54
55

1 In the past few weeks, I have personally been reminded of the strength and
2 resiliency of the people of Colorado. As we prepared to enter the new year,
3 thousands of our friends and neighbors in Boulder county were displaced by the
4 Marshall fire.

5
6 I know the thoughts and prayers of everyone in this room remain with all those
7 affected by the fire. Seeing people from every corner of the state step up to
8 offer places to stay, items and funds to donate, reminded me of how tough
9 every day Coloradans are.

10
11 Of course, some take this a bit further and have made being “Colorado tough”
12 a part of their job description. I’m talking about every single first responder
13 who helped out that day, in particular Sheriff Joe Pelle and his team, whose
14 ability to quickly execute the evacuation orders saved lives.

15
16 It’s up to us to do our part to support first responders by continuing to tackle
17 climate change head-on.

18
19 There is no doubt that the severity and the devastation of the Marshall fire were
20 intensified by our changing climate. Last year’s low precipitation, coupled
21 with hurricane level winds, made for a perfect firestorm. What began as a
22 suburban grass fire that would have raised little concern a decade ago ended as
23 a destructive inferno and a reminder that climate change is a clear and present
24 danger.

25
26 We cannot let up our fight.

27
28 Threats to our Colorado way of life are not only coming in the form of fires and
29 pandemics. We cannot stand idly by while extremism threatens our liberty, our
30 fundamental rights, and our democracy.

31
32 As some continue to deny that the 2020 election was free, fair and decisive, we
33 in Colorado will keep holding up our state-of-the-art elections system as a
34 model for the rest of the country to increase voter participation while
35 guaranteeing electoral integrity.

36
37 As states across the country outlaw abortion, threaten reproductive rights and
38 criminalize doctors who only seek to do right by their patients, we in Colorado
39 will work overtime to ensure that the right to access a full range of reproductive
40 health care, INCLUDING abortion, is never infringed upon.

41
42 Government works best when we look ahead and anticipate the problems of
43 tomorrow.

44
45 That’s why I’m so proud of this body, of each and every one of you, for the
46 forward-thinking policymaking that we’ve done since the beginning of the
47 pandemic. After we acted swiftly in 2020 during the special session to send
48 relief to families and businesses, we pivoted in the middle of session to focus
49 on allocating the federal relief dollars.

50
51 We shored up our state’s reserves and we set aside hundreds of millions of
52 dollars to make lasting, transformational change in the areas where help was
53 needed most. Those areas for transformational change: affordable housing,
54 workforce, mental and behavioral health and economic recovery are more
55 important now than they were a year ago.

56

1 Throughout our legislative interim, members have been working diligently in
2 those areas to come up with legislative solutions to the second wave of pressing
3 needs brought on by COVID.
4
5 The bills that will come out of the interim task force processes won't solve
6 these problems overnight. But I am confident - as you all should be - that
7 making historic investments in our state's affordable housing, and mental and
8 behavioral health infrastructure will address the root causes of crime,
9 homelessness, and high costs of living in Colorado.
10
11 If we do our jobs as well as I know we can, then we will be treating the
12 underlying causes of the afflictions that face our state, not just managing the
13 symptoms.
14
15 Every year since I've been in this building, we sit here on Day One and lay out
16 a laundry list of goals for ourselves. The task at hand seems monumental, even
17 impossible at times, especially when you consider that the 120 day countdown
18 has already begun.
19
20 Yet, somehow, through many long nights, many challenging committee
21 hearings, many heated debates, we always find a way to get things done.
22
23 I'd like to take a moment here to talk about how I believe we should go about
24 getting this done.
25
26 Politics, as we all know, has always been a rough business. But we cannot
27 allow ourselves to use any of this as an excuse to act in a way that is
28 disrespectful or that dishonors this institution and the people who sent us here
29 to govern.
30
31 Don't put your ambition before the decorum of this institution. Don't use the
32 well of this chamber as your twitter handle. Park your politics outside these
33 hallowed doors.
34
35 Being elected to this office is a tremendous responsibility, I don't have to tell
36 you that. That responsibility includes acting with respect, practicing
37 compassion, and extending understanding to all of our fellow representatives.
38
39 It's impossible to know what each of your colleagues is going through, but I
40 personally know of several members in this chamber who will be showing up
41 to work this session while facing challenging and tragic situations in their
42 personal lives.
43
44 In times as tough as these, we must be graceful, kind, and dignified as we work
45 with each other.
46
47 I talk about respect for the institution and the importance of upholding decorum
48 a lot. Some of you may be tired of hearing it from me, but the longer you spend
49 in this building the more respect you have for the institution.
50
51 It's important to clarify that a failure in decorum is not you failing me. It's you
52 failing the people of Colorado.
53
54 If you are not engaged in working on policy solutions, you are wasting the
55 people's time. We were not elected to bicker or squabble. We were elected to
56 govern and lead.

1 It's up to us to restore people's faith in government.

2

3 As I mentioned when I began, governing through a pandemic has changed the
4 way I think about our responsibilities as lawmakers.

5

6 When we campaign, we all come in knowing what we want to focus on during
7 our time in the legislature. We pull from our experiences, examine our own
8 problems and aspirations, and decide the areas of public life we want to
9 improve.

10

11 Hopefully, when we are elected, we also know a little bit about what our
12 constituents would like us to focus on. We have deep roots in our communities
13 and spend time going door to door, hearing what people want and need from
14 their government.

15

16 What we don't know is what hand we'll be dealt while we're in office.

17

18 Societal unrest, global pandemics, economic downturns - as we all know, the
19 focus of a legislative body can change in an instant.

20

21 So our duty as Representatives is to do the best we can with the trust we've
22 been given. It is to listen and problem solve. To work together and find nimble
23 fixes to thorny problems.

24

25 We owe it to our constituents, to this institution, and to ourselves to stay
26 humble, stay flexible, and stay steadfast in our commitment to making life in
27 this state a little bit better every single day.

28

29 Let's move Colorado forward, together.

32 **Representatives.**

33

34 Today officially marks our return to the 73rd General Assembly and the 147th
35 year that we have come together to do the work of governing the State of
36 Colorado.

37

38 As we commence it is fitting to think about the work ahead of us and the
39 monstrous labor ahead for those who lost their homes and were affected by the
40 Marshall Fire in Boulder County. I cannot imagine the shock and heartache of
41 loss and how difficult it is to work through the maze of things to do in
42 rebuilding a life. Many of us here have taken time to go and lend a hand and
43 I know we are all here to help in any way we can.

44

45 On opening day last year, I talked about how much had changed over the last
46 146 years, from the gas lanterns that used to illuminate the halls to the spittoons
47 that used to separate our desks, but I also talked about how many things remain
48 the same, including some that even today might surprise you.

49

50 Remarkably, I'm still the Minority Leader. Go figure.

51

52 Fortunately, the state is not at the brink of disaster. The impact of COVID,
53 while still large, is abating and we are moving into the endemic stage of this
54 public health crisis. Months of drought have finally brought inches of snow to
55 the Front Range and feet to the mountains, the Denver Broncos have fired their
56 coach and we are anticipating the arrival of warm days and spring. It would

1 seem that things are trotting right along but I really never imagined how much
2 would change in just 11 short months since I gave that speech.

3
4 So much has changed in Coloradans' everyday existence, so much that we
5 barely recognize big swaths of our lives. The ability to provide for one's
6 family has changed dramatically. The everyday things that we have taken for
7 granted are different or, often, gone. The nightly news is a far different set of
8 stories and alerts, things we could never have imagined. For most of my young
9 life I heard that it was "change for the better" but today, standing here in front
10 of all of you, I cannot make that claim.

11
12 For many families across the state, inflation and the rapid increase in the cost
13 of living have been extremely difficult. The goods that once were affordable
14 and fit within families' budgets are no longer and with changing school
15 schedules and a lack of child care, many families are having to do with less in
16 a world where everything costs more.

17
18 Across the board, inflation is costing the average American family hundreds
19 more dollars a month, consumer prices have increased 6.5 percent and producer
20 prices by over 8 percent. This can be especially difficult in rural communities
21 where families have further to drive and less access to goods and services.

22
23 Just this year, housing prices have increased 20 percent, a record high, and are
24 expected to continue rising. The cost to fill up your car, up 7 percent, to heat
25 your home up 112 percent and the price of coal up 35 percent. Another
26 essential for Colorado families, food, has increased in price at a faster rate this
27 past year than it did during the last decade, nearly an additional \$200 a month
28 for the average family.

29
30 Goods across the country have increased in price at the fastest rate in over 30
31 years, creating real hardship for people everywhere. It costs them significantly
32 more to feed their family every day, to drive to and from work, and to heat their
33 homes. But, we have failed to truly make it better. Instead, most of the last
34 legislative session was spent passing bills that increased taxes and fees and
35 made life more expensive for the very people we are trying to help. Families
36 have long memories of hard times, most of our parents remember the toughness
37 of the Depression, many of us remember the inflation of the 1970's and the race
38 between the money and the bills, never knowing which would run out first.

39
40 But good times often make us forget and we have had a few years of a good
41 economy and opportunities with jobs and housing. What we will not forget is
42 the legislation that was passed just last year that went around the Taxpayer's
43 Bill of Rights by swapping the word "tax" for "fee." We all know it is a gas
44 tax, the Governor said so more than once this week. But now, ahead of the
45 election, he has decided to delay the very fees that he told us were critical to
46 pass, saying that delay is saving people money even though the fee is just
47 another tax.

48
49 So instead of playing tricksy with words, let's actually make things more
50 affordable here in Colorado by eliminating excessive taxes and fees.

51
52 If families are not sitting around the table worrying about how to make ends
53 meet, they are worried about the safety of their community and their children.
54 Today, communities like mine face organized car theft rings, early morning
55 raids robbing families on their way to get to work. This is not some fantasy,
56 the monthly crime rate in Colorado is up 15 percent.

1 Today we find ourselves in a position of weakness. Laws passed in the last few
2 years have put our way of life at risk. The policies have hit urban
3 neighborhoods especially hard and have forced families to choose between
4 living where they want or moving to where they feel safe.

5

6 That's not fair.

7

8 Hearing the staggering statistics of crime in our state over the last year should
9 not come as a surprise. In fact, Republicans in this very chamber fought for
10 hours on end in committee rooms here in this building against the legislation
11 that helped create the problems we see today.

12

13 As a result, Coloradans have had to deal with a 6.5 percent increase in violent
14 crimes, the highest levels in 25 years. That included a substantial increase in
15 homicides and aggravated assaults. Additionally, we lead the country in the rate
16 of auto theft. Over the last ten years Colorado's rate has increased by
17 135 percent while the national rate was only 3 percent, and we have seen the
18 largest increase in property crimes of any state.

19

20 This needs to stop.

21

22 Over the vigorous opposition of members elected by a pretty large number of
23 folks in our state this legislature has passed bills that have eviscerated policing
24 in Colorado. Even while making claims to be getting tough on crime they have
25 passed, and the Governor has signed, legislation making Colorado less safe.
26 It is no wonder why criminals are able to get away with so much today.

27

28 Law enforcement leaders from across the state are speaking up about how this
29 legislation has impacted their communities. In Denver, the County Court and
30 District Attorney have been releasing a record number of individuals with
31 either low or no bond. The Denver Police Chief has had to turn to federal
32 agencies so that criminals could actually be held accountable for their crimes.

33

34 In Colorado Springs, Mayor John Suthers has blamed the legislation that has
35 come out of this building in recent years for undermining public safety and
36 soaring crime rates. He, along with law enforcement leaders from across the
37 state, have expressed their concerns with shortening prison sentences and the
38 reclassification of crimes.

39

40 In a time when retention is already hard enough as police officers have been
41 criticized by political leaders and the media, police departments across the state
42 are having a hard time keeping people around to patrol the streets. With
43 increased regulations and demands from the legislature, officers' safety is at
44 risk and Mayor Suthers, and many others, worry about how they will be able
45 to rely on officers and find new ones for their understaffed departments.

46

47 Unfortunately, public safety will only get worse if we continue to let
48 individuals who were arrested back out on the streets with either low or no
49 bond. By condemning all law enforcement officers as bad cops, de-policing is
50 rising and officers are pulling back from community patrols. A reduction in the
51 number and activity of police officers results in more dangerous criminals on
52 the streets who pose a dangerous threat to communities.

53

54 As a result of this shocking reality, Colorado - especially the Denver metro area
55 - is in a very different place in 2022, and not for the better...

56

1 As state legislators, some of this is out of our control. But the policies that
2 were enacted here during the last three years did not help. The current state of
3 our state is not good. We are going to have to spend every day of the next
4 120 days of the legislative session fighting to make it better for the people of
5 Colorado, they deserve our best effort at the very least.

6
7 The reality is that rising crime has a price tag and a high one at that. As of late,
8 that cost is about \$27 billion, nearly 77 percent of the state budget, or \$4,762
9 a year for every Coloradan. We can not afford to continue down this path. We
10 have to return to the “broken window” theory of policing that puts an emphasis
11 on all our laws and focus on training and rigorous reporting procedures for our
12 law enforcement professionals.

13
14 While Colorado families have been at home dealing with these issues they have
15 also had to pick up the pieces of their children’s education. The move to
16 remote learning was not only hard for teachers but also for many students, and
17 we still do not know the true impact. While Colorado students were already
18 behind in reading comprehension and math and science skills, we lost even
19 more ground.

20
21 We need better options when it comes to our kids’ education. The future
22 should not be a function of the past three decades of focusing on four-year
23 degrees and professional career tracks. Instead it should be a compilation of
24 every educational choice available. Academic rigor, vocational training, and
25 practical business skills are equal pathways to success for our kids. Parents
26 must be empowered to make these decisions, to determine what is the best path
27 for their children.

28
29 Across the country, people are speaking up about these very issues. They want
30 inflation and rising costs to be addressed so that they can afford the life that
31 they once enjoyed. They want crime in their cities under control so that they
32 and their children can feel safe in their neighborhoods. Almost 80 percent of
33 parents want more control over what their children are learning in school and
34 the schools that they attend.

35
36 So what do we do, how do we move forward? As Republicans we will do
37 everything in our power to actually help Coloradans be able to afford to fill up
38 their car with gas or go to the grocery store, to be able to heat their house this
39 winter, to feel safe in their neighborhood and not have to worry about their
40 children’s safety or their personal property. We will do everything we can to
41 help bring the American Dream back, to help alleviate the pain that families are
42 facing every day.

43
44 While our colleagues are saying they share these ideas, we have seen the reality
45 of their policies after they have had complete control of this state for the last
46 three years.

47
48 It seems like the focus of what it will take to make Colorado the place we all
49 have loved living and where we continue to want to live and raise our kids are
50 all connected. Coloradans, and Americans across the country, have come
51 together in the frustration that it takes more to live than it did a couple of years
52 ago. This year will require a focus on how we can lower the cost of living in
53 this state through things we can control, in particular eliminating the endless list
54 of taxes and fees, not just postponing them.

55
56

1 This will, indeed, be a year of showing our love for a state that is in trouble.
2
3 Our Commitment to Colorado will help improve the cost of living, offer
4 solutions to make our communities safer, and give parents the tools to make
5 decisions and improve the education of their children. We have a message and
6 a direction to help heal and recover this state from all of the destruction of the
7 last three years.
8
9 We will deliver a state where middle-class families can afford their homes, gas,
10 and groceries. We will reverse the excessive fees, taxes, and regulations that
11 threaten to put the American Dream out of reach for many Coloradans.
12
13 We will seek to provide better training for our law enforcement professionals,
14 work to recruit and retain more officers, bring down the crime rate, and bring
15 safety to our neighborhoods.
16
17 We will foster greater choice for all families and find innovative ways to ensure
18 funding follows students rather than being bound to systems. We believe the
19 one-size-fits-all system has failed our most vulnerable.
20
21 As I have said before and will say again, we Republicans will rise to this
22 podium each and every day committed to ideals that have stood the test of time.
23 We will continue to fight for a government that is accountable to its people so
24 that we can all achieve our dreams by equalizing opportunity, not by attempting
25 to equalize outcomes.
26
27 Not all change is bad. The technological advances and improvements to the
28 state capitol have helped us all do our jobs better and we should all be grateful
29 for changes that have improved our lives. Changes that have proven to help our
30 citizens speak to their government, remote testimony in our committees, has
31 been especially helpful in making our government accountable. But
32 unfortunately, not all change is good. Not the change that we have seen over
33 the last few years, change that was made right here in this building.
34
35 Coloradans need our help, they need our voices to bring the American Dream
36 back. Just like last year, we have a long road to recovery ahead of us.
37
38 Over the next 120 days of this legislative session, you will hear every
39 Republican repeating and reiterating many of the same statistics I've talked
40 about today. Why? It is not just about messaging, it is because these numbers
41 are real and they matter to the people of Colorado. These numbers represent
42 a nurse whose car was stolen out of her driveway as she got ready to go to
43 work, a high school student struggling in geometry, they represent a single Dad
44 having to put some of the groceries back on the shelf. They represent people.
45 That's who we need to fight for and Republicans are committed to doing so.

The Joint Committee escorted the Governor to the rostrum where he addressed the Joint Session.

ADDRESS BY THE HONORABLE Jared Polis

Good morning everyone.

One traditionally begins a State of the State address by acknowledging dignitaries here in the chamber, but this morning calls for something a little different. I want to first acknowledge the people who couldn't be here.

Please join me in a moment of silence for Coloradans who have lost their lives: to COVID, to violence, and to natural disasters including the recent Boulder County fires.

1 Now,
2
3 To the legislative leadership in both parties,
4 Members of the General Assembly,
5 Lieutenant Governor Primavera,
6 Treasurer Young,
7 Attorney General Weiser,
8 Our dedicated First Gentleman Reis,
9 Mayor Hancock,
10 Mayor Coffman,
11 Members of the State Board of Education,
12 Justices of the Colorado Supreme Court, and
13 Members of the Cabinet,
14
15 Welcome. I appreciate and value your presence here today, and I look forward
16 to all the good work we will do in the days and weeks ahead on behalf of the
17 people of Colorado. We are so privileged to represent you.
18
19 My Fellow Coloradans,
20
21 I want to begin today with gratitude. Gratitude for the people of Colorado, who
22 have shown-up, day after day, in the face of trauma and under the most difficult
23 circumstances, to help one another, to help *OUR Colorado*. Gratitude for the
24 individuals who set aside their own personal challenges to support the needs of
25 our community. Gratitude for my colleagues in this chamber who have put
26 Coloradans first, no matter what. And gratitude, of course, for my family.
27 Marlon, I want to thank you for being here today and everyday for me and our
28 family. Gratitude for my staff, who continue working in service to our great
29 state through thick and thin.
30
31 While this pandemic has made even the most mundane activities risky, we have
32 not endured the virus alone. Evil acts against innocent people in the places
33 where we once ran errands or recreated have also made us feel less safe. We
34 have feared the ever changing nature of the virus, wondering if what protected
35 us yesterday will protect us today. We learned that the words ‘fire season’
36 don’t apply when the most destructive fire in Colorado history happens on
37 December 30th. And we were reminded, once more, that our lives, and
38 everything we hold dear, can go up in flames in an instant.
39
40 *Yet, hope shines through. Hope.*
41
42 I know how easy it is to get lost in the pain and sadness of what we’ve all
43 endured together. But no matter how tough this year has been, I know for a fact
44 that Coloradans are fundamentally good, we care for one another and we are
45 tougher than anything thrown our way. I’ve seen it myself.
46
47 I’ve seen it in the students of Central High School in Mesa County, who, with
48 the help of school staff, stood up a series of vaccination clinics before many of
49 them were even eligible to get vaccinated, working 10 to 11 hour days to get
50 more than 1,300 community members vaccinated. Mesa County Valley District
51 51 Assistant Superintendent Brian Hill, and school staff Kim Flynn and Trey
52 Downey are here with us today. Please stand. You are remarkable role models
53 for the students you help educate.
54
55

1 I've seen it in the men and women on the front lines of this pandemic who have
2 helped us achieve one of the shortest shutdowns and one of the lowest death
3 rates in the country. Thank you to Colorado's COVID Response Team led by
4 Colorado Department of Public Health and Environment Director Jill Ryan;
5 Public Safety Director Stan Hilkey; and, COVID-19 Incident Commander,
6 Scott Bookman; our team of experts and scientists, our local public health
7 officials working on the ground in their communities; national guard members
8 who have spent the last 672 consecutive days supporting Colorado's pandemic
9 response by staffing our testing sites and helping distribute vaccines, critical
10 workers and staff in Colorado's 24/7 facilities, and of course the heroic nurses,
11 doctors, and health care providers who have never stopped putting their patients
12 first. Politicians talk about improving lives. You actually save lives. Please
13 stand and let us recognize you.

14
15 I've seen it in the individuals and businesses who collectively donated more
16 than \$20 Million to support their fellow Coloradans who had homes damaged
17 or destroyed by the Boulder County fire.

18
19 I've seen it in Boulder Sheriff Joe Pelle and his team, and the firefighters and
20 emergency responders, who sprung into action to save the lives and homes of
21 their neighbors, even when they didn't know whether their own homes were
22 still standing. We're joined by Sheriff Pelle, who, for the last 18 years, has led
23 my hometown community of Boulder County through countless natural
24 disasters and emergencies. Sheriff Pelle, firefighters, and emergency
25 responders, please stand so we can thank you for the lifesaving work that you
26 do every day.

27
28 I saw it in Lakewood Police Officer Ashley Ferris, who was injured in crossfire
29 with the perpetrator of the heinous attacks across Denver and Lakewood. Still,
30 she found the strength to take down the shooter, ending his violent killing spree
31 and saving many precious lives. She couldn't join us today, but we wish
32 Officer Ferris a speedy recovery. Please join me in thanking her.

33
34 And I saw it in Boulder Officer Eric Talley and Arvada Officer Gordon
35 Beesley, who both braved active shooter situations to save the lives of their
36 fellow community members, even though it meant ultimately losing their own.
37 They have our everlasting gratitude.

38
39 This is the Colorado spirit. These men and women define who we are as a
40 people, and represent the very best of us. There are so many other stories like
41 theirs, of everyday people doing their best and giving everything to protect *our*
42 *Colorado*.

43
44 It feels like every time we turn on the news, all we see is partisanship,
45 polarization and division. Division across the country. Division in Congress.
46 But not here; not in Colorado, where we set aside our differences, and come
47 together to do what is right. It's just who we are.

48
49 No one political party has a monopoly on good ideas or love of country. I am
50 proud to be joined today by my friend and former Treasurer, Walker Stapleton,
51 who I recently appointed to the Economic Development Commission. I
52 appointed Walker because I know how much he loves this state, and Colorado
53 will benefit from his talent and business savvy, just as the General Assembly
54 will benefit from Speaker Garnett's appointment of Representative Marc Catlin
55 as vice chair of the House Agriculture Committee.

56

1 This isn't my Colorado or your Colorado, *this is our Colorado* – which is why
2 we respond together, we heal together, we move forward together, and we
3 succeed together. It's why, in spite of all we have faced this last year, I count
4 it the greatest honor of my life to serve as your Governor, and am hopeful as
5 ever about the promise of our Colorado.

6
7 It's up to us here in this chamber to continue doing everything in our power to
8 protect the way of life we cherish in our state, and build on our
9 accomplishments of the last year.

10
11 When I stood before you all last February, I described a vision for the future of
12 our state.

13
14 A future where every child can get the education they deserve.

15
16 A future where a dynamic, multi-modal transportation system meets the needs
17 of our growing population.

18
19 A future where access to affordable and quality health care is a given, not an
20 aspiration.

21
22 A future where we protect and invest in the public lands and parks that make
23 Colorado beautiful by building a clean energy economy.

24
25 A future where our people and our communities aren't just getting by, but
26 thriving.

27
28 That future was more than just a dream; it was a call to action -- a challenge
29 for us all to live up to this shared vision of our state. I'm proud that in spite of
30 the many difficulties we have weathered, that vision is within reach, thanks to
31 the hard work of this legislative body and our shared commitment to deliver for
32 Coloradans.

33
34 I want to take a moment to recognize the best partners a Governor could ask for
35 in the two gentlemen sitting behind me. In these unprecedented times, we may
36 not agree on everything, but our unwavering, mutual commitment to the
37 success of all Coloradans and our beautiful state is the rock solid foundation
38 upon which we've built a lasting partnership rooted in trust. I want to express
39 my heartfelt thanks to Speaker Alec Garnett and President Leroy Garcia in their
40 last legislative session for their service to the people of our state.

41
42 And to House Majority Leader Esgar, who is also starting her last session,
43 thank you for your partnership, and tireless advocacy on behalf of Pueblo and
44 all our hard working state employees.

45
46 To Senator Holbert, thank you for the dialogue and bipartisan collaboration,
47 and for your steady leadership for Douglas County.

48
49 Finally, to Senator Fenberg and Representative McKean, if you want a
50 shout-out like this, you'd better stay put for another couple more years.

51
52 **Saving Coloradans Money**

53
54 Just as we've stepped up to meet what has often felt like a never-ending
55 onslaught of disasters and challenges, we have the opportunity to respond with
56 that same resolve and urgency to the day-to-day crises Coloradans are facing.

1 Because of this pandemic, the cost of living in our fair state continues to
2 escalate, and Coloradans are desperate for relief. So let's deliver.

3
4 We must double down on our promise to help every business and family
5 succeed. That means taking less of your hard-earned money in fees and taxes,
6 and putting more in your pockets and paychecks.

7
8 Inflation has accelerated during the pandemic. Supply chains have been
9 disrupted. Spending habits have changed. The cost of housing has spiked.
10 Farmers and ranchers face unprecedented losses, and many Coloradans have
11 left the workforce. Too many people are struggling to make ends meet.

12
13 As your Governor, I want you to know: we hear you and we are here to do
14 something about it. While all of these complex problems can't be solved
15 overnight, we promise to use every single tool at our disposal to save
16 hardworking Coloradans the money you need to live the life you want.

17
18 In one of his most popular songs, legendary songwriter Paul Simon sings of 50
19 ways.

20
21 *You just slip out the back, Jack*
22 *Make a new plan, Stan*
23 *You don't need to be coy, Roy*
24 *Just get yourself free*

25
26 Now, I'm no Paul Simon, or even Vice President Selina Meyer, but in the year
27 ahead, I'll be pushing for MORE than 50 ways to save Coloradans money. I
28 don't have a knack for rhyming or a voice to sing, what I CAN promise is that
29 the work we do here will save Coloradans money.

30
31 My version of Simon's lyrics goes a little something like this:

32
33 *"Just cut the tax, Max;*
34 *lower the rate, Nate;*
35 *you don't need to pay more, Thor;*
36 *just send your kids for free (to preschool and kindergarten)*

37
38 This isn't a new idea for my administration, in fact it's been hard-wired into our
39 DNA from day one.

40
41 In my first weeks in office, we created the Office of Saving People Money on
42 Health Care, which—in collaboration with legislators and healthcare providers--
43 has resulted in nation- leading efforts to reduce health care costs.

44
45 Thanks to the efforts of Representatives McCluskie, Representative Rich,
46 Senator Donovan, and Senator Rankin, we created a reinsurance program which
47 has reduced health care premiums on the individual market by 24%, saving
48 hardworking Coloradans an average of \$1,400 this year statewide, and an
49 average of \$2,450 per year in Western Colorado, one of the highest cost
50 markets.

51
52 With the tireless commitment of Senator Donovan, Representative Jodeh, and
53 Representative Roberts, we created a first-in-the-country insurance model that
54 will save money for everyone who buys insurance on the individual or small
55 group markets.

56

1 And thanks to the leadership of Representative Roberts, we are capping the
2 skyrocketing cost of insulin at \$100 per month.

3
4 After years of advocacy by members of this body, including former
5 Representative Wilson, current Representative McLachlan and Senators
6 Bridges and Fields, the General Assembly passed free, full-day kindergarten,
7 saving families up to \$4,800 – and giving our youngest Coloradans a fantastic
8 start in life.

9
10 With Speaker Garnett, Representative Sirota, Senate Majority Leader Fenberg,
11 and Senator Buckner leading the way, we're focused on implementing free,
12 universal preschool by 2023, saving even more money for young families with
13 an average \$4,300 in savings per family.

14
15 Health care and education are where Coloradans face some of the highest costs,
16 but we know they aren't the only pain points. That's why we've also
17 implemented historic tax relief, helping Coloradans keep more of what they
18 earn.

19
20 We funded the Colorado Child Tax Credit for the first time in history, giving
21 families with children under age six up to \$1,080 per year per child. We also
22 doubled the state Earned Income Tax Credit, giving workers up to \$1,495 per
23 year. We cut taxes for retirees by exempting social security earnings from the
24 state income tax, saving seniors up to \$654 per year.

25
26 Voters also approved reductions to the Colorado income tax rate, which is
27 saving families about \$100 per year on average, while helping businesses hire
28 more and pay more. And because we in this chamber are not only committed
29 to saving Coloradans money, but to doing it in a way that ensures continued
30 access to critical state services, we fully paid for the tax cuts by reducing
31 lobbyist loopholes and special interest tax giveaways for the wealthy and
32 well-connected.

33
34 And I want to thank Senator Dominic Moreno, Senator Chris Hansen, and
35 Representatives Sirota and Weissman for their leadership on this bold tax
36 reform package that is already saving people money.

37
38 Because our revenues are strong, families will also receive a tax refund of \$74
39 on average this year, and about \$440 on average next year, along with another
40 income tax rate cut of 1.1%.

41
42 We also cut property taxes for farms, ranches, renewable energy projects, and
43 homes, and next year, we will start letting every homeowner defer increases on
44 their property taxes, ensuring they won't ever have to pay a tax bill they can't
45 afford. Thank you Treasurer Young for your leadership in protecting families
46 from rising property tax bills.

47
48 My administration will work with both parties to continue cutting taxes and
49 fees wherever we can, but never at the expense of teachers and law
50 enforcement.

51
52 We took bipartisan action in 2020 and again in 2021, allowing restaurants and
53 bars to keep their sales taxes during the pandemic! Thank you to
54 Representatives Van Winkle, Valdez, and Mullica, and Senators Bridges,
55 Pettersen, Woodward, and former Senator Tate.

56

1 In our commitment to help support our local economies, our tax reform
2 package permanently exempted small businesses from the business personal
3 property tax, meaning real savings in time and money for nearly every main
4 street business.

5
6 Businesses like The Smiling Pig restaurant in Park County, owned by Tim
7 Gregg, will save more than \$1,000 a year thanks to these policies. We're
8 joined today by Tim, and Park County Assessor Monica Jones. Please join me
9 in welcoming them.

10
11 To keep costs down for entrepreneurs like Tim and so many others, I'm
12 proposing that we further reduce fees like the unemployment insurance
13 premium and the Paid Family and Medical Leave premium, resulting in
14 hundreds of millions in savings for the businesses and workers that power our
15 economy.

16
17 And while we're at it, to foster our entrepreneurial spirit, we should make it
18 free for Coloradans to start their own business. I look forward to working with
19 Secretary of State Jena Griswold, Representatives Cutter and Sullivan, and
20 Senators Pettersen and Kolker on this effort.

21
22 Last year, Majority Leader Fenberg, Senator Donovan and Representatives Will
23 and Tipper brought us the innovative Keep Colorado Wild Pass, cutting the cost
24 of an annual pass to state parks by more than half, saving the average family
25 more than \$40. With this pass, everyone can enjoy our treasured public lands
26 for less – including our newest state parks at Fishers Peak and Sweetwater
27 Lake, while increasing the resources to care for these lands.

28
29 Thanks to CDOT Director Shoshana Lew, a bipartisan coalition of legislators,
30 and local leaders, including Mayor Suthers and Mayor Coffman, we passed
31 historic transportation reform.

32
33 Spearheaded by Senator Faith Winter, Senate Majority Leader Fenberg,
34 Speaker Garnett and Representative Matt Gray, we cut vehicle registration fees,
35 saving people money, while making record investments in our rural roads, and
36 new ways to transport people, goods, and services that will save Coloradans
37 time and money, and put our state on a pathway to a cleaner, more sustainable
38 transportation system. We are finally going to fix the darn roads.

39
40 Looking to the year ahead, I am excited that, with the leadership of
41 Representatives Ortiz and Young, and Senators Fields and Kolker, we are
42 doubling down on our efforts to cut costs for Coloradans by preventing
43 increases in drivers' license fees, and I look forward to efforts to reduce vehicle
44 registration fees.

45
46 We've lowered housing costs by funding more than 14,000 units of affordable
47 housing in the last year, saving families more than \$72 million annually. And
48 we are ready to do more.

49
50 Rising housing costs are pricing people out of neighborhoods they've lived in
51 for years. To create even more housing opportunities, to improve affordability,
52 we should capitalize on the once in a lifetime funding from President Biden's
53 American Rescue Plan Act.

54
55

1 I look forward to building on the incredible work of the bi-partisan Affordable
2 Housing Transformational Task Force, under the leadership of former
3 Representative Dominique Jackson, Chairman Roberts, and Vice-chairwoman
4 Senator Julie Gonzales, to create stronger, healthier, and more affordable
5 communities.

6
7 And because we want to lead by example, we are saving Coloradans money by
8 making your State Government more efficient and effective. We are on track
9 to reduce our state's office space footprint by 1 million square feet over the
10 next three years, cutting costs and improving employee retention and morale.
11 We're implementing best practices from the private sector to save millions in
12 contract negotiations. And by improving our digital services, we are becoming
13 leaner, less bureaucratic, and more convenient for the people of Colorado.

14
15 In the coming weeks and months, we must continue these efforts and find new
16 and innovative ways to save Coloradans money.

17
18 These policies matter to Coloradans. It isn't just dollars and cents back in our
19 pockets, it's peace of mind for our families, and that's PRICELESS!

20
21 So yes, there must be at least 50 ways to Save Coloradans Money, 50 ways to
22 Save Coloradans Money.

23
24 If it isn't clear, saving Coloradans money and keeping our state affordable is
25 my top priority during this legislative session. And one of the biggest areas to
26 save people money is healthcare.

27
28 **PROACTIVE AGENDA -- Behavioral Health Care**

29
30 Thanks to Lt. Governor Dianne Primavera, who leads our Office of Saving
31 People Money on Health Care, and our legislative champions, we have
32 delivered on our promises to cut costs, even in the midst of the pandemic,
33 cutting premiums and capping out of pocket drug costs. And we're not done
34 yet.

35
36 Here in Colorado and across the nation, the pandemic has worsened what was
37 already a horrifying trend of young children, teens, and adults suffering
38 increased feelings of anxiety, isolation, depression, and other mental health
39 issues. Colorado needs to take bold action now.

40
41 We want to partner with local governments and school districts to multiply the
42 impact of historic funding to create a responsible, effective approach to
43 addressing behavioral health needs from the mountains to the plains. Getting
44 there means offering more integrated physical and mental health services,
45 bolstering our often overworked behavioral health workforce, and most
46 importantly, getting Colorado children the support they need to be happy – *to*
47 *just be kids*.

48
49 Thanks to the leadership of Representative Michaelson Jenet, we now have the
50 I Matter Program, which connects our kids with critical mental health support.
51 We're joined today by Melyssa Mead and her wonderful son Grady. When
52 Grady - *like so many kids across our state* - needed mental health support this
53 last year, Melyssa ran up against the harsh reality of an expensive and
54 bureaucratic behavioral health system. She had first struggled to find the
55 support her family needed, until she found the free I Matter Program. Within
56 minutes of reaching out through **imattercolorado.org**, Melyssa and Grady

1 were on their way. And a few days later, they were scheduled for their first
2 appointment.

3

4 Grady, your future is bright! Know that everyone in this room is rooting for
5 you, and you are never alone.

6

7 Let's build on this success. Good work is already being done, and we have the
8 opportunity to make it available for all Coloradans, especially our youth.

9

10 I want to thank the members of the Behavioral Health Transformational Task
11 Force under the capable leadership of Committee Chairwoman Pettersen and
12 Vice-chair Gonzales-Gutierrez. We have confidence that your many excellent
13 recommendations will lead to tremendous strides in looking after the mental
14 health of our fellow Coloradans.

15

16 As we pursue the improved health and well-being of Coloradans, especially our
17 children, we shouldn't overlook the power of a strong education.

18

19 **Education**

20

21 Helping kids get a great education is the cornerstone and passion of my life's
22 work. I'm so proud that over the last few years, we have done what generations
23 before believed impossible: we established free, full-day kindergarten and
24 universal preschool. We're joined today by Alexis Ramirez and her son
25 Benjamin, who know full well the importance of free kindergarten. Benjamin
26 is attending kindergarten for free, along with more than 60,000 other Colorado
27 five year olds thanks to the work we've done here. Please join me in
28 welcoming Alexis and Benjamin.

29

30 But despite our progress, the pandemic has dealt an especially hard blow to our
31 students, and made our educators go far beyond what any of us could have
32 expected.

33

34 My administration worked tirelessly with school superintendents and local
35 public health leaders to successfully bring Colorado children back to the
36 classroom last year. We are providing free medical grade masks – with more
37 than two million distributed to date – testing supplies for all students and staff,
38 and are hosting on-site vaccine clinics to ensure that every eligible student and
39 staff member gets the protection they deserve.

40

41 I want to thank every educator and school staff member who has done their part
42 and then some to help keep Colorado schools open. There is nothing more
43 important to the future of our state than educating Colorado children.

44

45 That's why I have a plan for historic investment in Kindergarten through 12th
46 grade education, which will reduce the Budget Stabilization Factor to a 13-year
47 low, while increasing per pupil funding by roughly \$12-13 thousand per
48 classroom, supporting smaller class sizes and enhanced pay for teachers. And
49 we must take the RESPONSIBLE approach by setting money aside to keep up
50 with these investments for future years.

51

52 With this increase in funding, the Canon City School District will be able to
53 compensate educators better and finally be able to fund full-time mental health
54 professionals and counseling staff to provide the emotional support necessary
55 to help students thrive in each and every one of its schools. We're joined today
56 by Canon City school counselors Brian Vaniwarden and Stacy Andrews.

1 Please stand and be recognized.

2

3 I'm also proposing stronger support for our state's institutions of higher
4 education, including an expansion of available financial aid, and investments
5 to help reduce costs and keep tuition flat.

6

7 Just as we are investing in the success of our students, we are also investing in
8 the people and small businesses that power Colorado's economy.

9

10 **Workforce**

11

12 I want to thank the Workforce Task Force, including Representative McCluskie
13 and Senator Zenzinger and the Colorado Commission on Higher Education, for
14 your commitment to crafting recommendations that will help create a thriving
15 workforce where everyone in every community, in every corner of the state can
16 "Live long and prosper."

17

18 We know this pandemic has been hard on workers across all industries, but
19 perhaps none more than doctors, nurses, and healthcare professionals.

20

21 I want to thank the Joint Budget Committee for their partnership on raising base
22 wages to \$15 an hour minimum for more than 30,000 Medicaid Home and
23 Community Based Services workers who provide care to aging and disabled
24 Coloradans, and now we are doing the same for similar positions in nursing
25 facilities.

26

27 Looking ahead, I am proposing that we waive licensing fees for nurses and
28 mental health care workers, as well as for our nursing homes and assisted living
29 facilities whose residents have been particularly vulnerable throughout the
30 pandemic. Eliminating these fees puts money back into the pockets of our
31 dedicated healthcare workers.

32

33 Putting this pandemic behind us means learning to live with the curve balls that
34 COVID-19 may throw, but in order to do that, we need our hospitals to
35 maintain capacity and ensure Coloradans get the care they need, no matter
36 what. That's why I will be proposing in the days ahead, a three year plan to
37 make historic investments to stabilize our healthcare workforce and expand
38 career paths for all Coloradans who heed the noble calling of caring for others.
39 Moving forward, we can't let our society and our economy be impacted by
40 hospital capacity, and I look forward to working with legislators and health care
41 leaders to ensure that no matter where this pandemic takes us, we will be ready.

42

43 **Public Safety**

44

45 Just as an earthquake is followed by aftershocks, we know that the overarching
46 crisis of the pandemic has led to many other crises, perhaps lesser seen, but no
47 less important to address. Some Coloradans are most impacted by the health
48 risks of COVID-19, others are most pained by the rising cost of everyday items,
49 disruptions to our children's education, or the increase of crime in the
50 communities we call home.

51

52 I want to take a moment to recognize the law enforcement professionals here
53 with us today. In addition to Sheriff Pelle, we're joined by several District
54 Attorneys, Police Chiefs, Sheriffs and our State Patrol Officers, who spend
55 every day keeping us safe. You always stand up for us, so today, let US stand
56 up for YOU. Thank you.

1 I've never been one to shy away from ambitious goals, which is why I want to
2 spend the next five years making Colorado one of the top ten safest states in the
3 country. Let's "Make it so!" We've already taken critical steps in fighting
4 crime and promoting public safety, and now we need to continue that work.
5

6 I'm proud to put forward a responsible public safety plan that builds on historic
7 legislation of years past, gives much-needed support and funding to local law
8 enforcement while also investing in community-based approaches and
9 organizations that can help prevent violent crime from occurring in the first
10 place. Organizations like GRASP, which stands for Gang Rescue and Support
11 Project, is run by peers who have turned their lives around and want to help
12 others do the same. GRASP focuses on supporting Colorado youth through
13 mental health support, at-risk intervention, job training and mentoring. Please
14 join me in welcoming GRASP's Executive Director Johnnie Williams.
15

16 We are going to make our communities safer by focusing on training and
17 recruiting efforts for police, supporting community policing models, increasing
18 access to mental health services, offering early intervention grants, increasing
19 support for domestic violence victims, and making safety improvements in our
20 schools and on our streets.
21

22 I want to thank the Senate President Garcia and Senator Buckner who, along
23 with Representatives Tipper and Ricks, are leading a particularly exciting
24 initiative – Safer Streets – which will empower law enforcement to work
25 directly with communities to create stronger, safer communities, with an
26 emphasis on those areas most touched by crime.
27

28 We owe it to the people of Colorado to improve safety and make Colorado truly
29 one of the ten safest states in the nation over the next five years.
30

31 As Ben Franklin said, an ounce of prevention is worth a pound of cure. Data
32 and common sense tell us that preventing a crime does more to keep people
33 safe than solving a crime after it was committed.
34

35 With that being said, we also know that there are times when the swift arm of
36 justice is the best solution, which is why I look forward to legislation to
37 strengthen penalties for drug dealers peddling fentanyl in our communities.
38 Coloradans are sick and tired of seeing this drug ruin lives and kill loved ones.
39

40 It's also time that we put forward bigger and bolder solutions to reduce
41 homelessness. We know what works; we just need more of it: affordable and
42 transitional housing, substance use treatment and recovery care, related
43 residential programs, and permanent housing with wrap-around support
44 services, and recipients of funds need to be held accountable for actually
45 reducing homelessness.
46

47 We will stop at nothing to keep Coloradans safe. Public safety is a critical
48 component of a strong and healthy community. But it doesn't end there.
49

50 **Climate/Air Quality**

51

52 Building safer, healthier communities also means improving our air quality and
53 meeting the climate crisis head-on.
54
55

1 Only two weeks ago, our state watched in horror as the fire in Boulder County,
2 fueled by extreme winds and drought conditions, swept through communities
3 like yours and mine. These are our neighbors, our friends, and our family.

4
5 Last year, historic mudslides destroyed portions of I-70 through Glenwood
6 Canyon. And in 2020, the three largest wildfires in Colorado history scorched
7 hundreds of thousands of acres, filling our skies with smoke-filled air for
8 months on end.

9
10 I'm grateful for the work my administration has done in partnership with
11 Colorado's legislative leaders to move our state toward a cleaner more
12 renewable energy future. We've set Colorado on a path to reducing emissions
13 statewide, while also creating two new state parks and expanding access to our
14 state trust lands. Thanks to our legislative champions, we have invested in the
15 people and technology we need to effectively respond to climate disasters.
16 Tools like the agile FireHawk helicopter can give our firefighters the upper
17 hand on the front-lines. And targeted mitigation efforts can prevent small fires
18 from becoming catastrophes. I'm requesting additional support for the men and
19 women on the ground, including personal protective equipment, training, and
20 other equipment needs for local fire departments.

21
22 The fresh mountain air that so many people associate with Colorado isn't a
23 given. We have to fight to protect it. I'm committed to cutting emissions and
24 getting this done by improving air quality. It's not about health alone; it's
25 about seizing the opportunity to reduce costs for Coloradans and save people
26 money, while preserving the Colorado way of life.

27
28 We will continue making targeted investments to improve air quality
29 monitoring and enforcement, increase the availability of clean transportation
30 options like electric school buses, accelerate our transition to a cleaner
31 economy, and apply real accountability as we seek and secure environmental
32 justice for those who are most impacted.

33
34 And because water is the lifeblood of our state and our critical agriculture
35 industry, we must work together across industries, divides, and state boundaries
36 to secure a sustainable water future for all Coloradans. We will continue to
37 protect and aggressively assert Colorado's water rights under all existing water
38 compacts. And I am also committed to updating Colorado's Water Plan to
39 make it more climate resilient, and ensure that our cities, farms, and streams
40 can thrive for generations to come.

41 42 **Conclusion**

43
44 Just like 2021 was the year that Britney reclaimed her freedom and Taylor
45 Swift reclaimed her music, it was also the year we began reclaiming what it
46 means to live happy and healthy lives here in Colorado, even in the midst of
47 tragedy — and this is the year we double down on that. Heck, even the
48 beloved Colorado icon Casa Bonita is making a much-hoped-for comeback
49 thanks to South Park's Trey Parker and Matt Stone. The pandemic has taken
50 so much from us, but no more. As Taylor says, *I don't know about you but I'm*
51 *feeling 2022, everything will be alright, because we know what we gotta do.*

52
53 It's easy for us all to talk about the grand ideas we have for our beloved state,
54 but it's another thing entirely to turn words into actions.

55
56

1 When I was elected Governor, I knew that I would be remembered not for who
2 I was, where I came from, or even what I said at events like this, but for what
3 I did to make a meaningful, measurable, positive impact on the lives of
4 Coloradans. How our efforts helped businesses succeed, put money in people's
5 pockets, made streets safer, air cleaner, and lives healthier.

6
7 If there is one thing that you take away from today, let it be my optimism for
8 the days ahead, our commitment to Moving Colorado Forward by saving
9 people money, improving affordability, and making our state a better place for
10 everyone.

11
12 Because this is Our Colorado, and I couldn't be more proud to be your
13 Governor.

14
15 When I see the staggering beauty of the Rocky Mountains, I'm reminded of
16 what it means to be a Coloradan.

17
18 It's true from the Flatirons to Fishers Peak to Pikes Peak to Longs Peak and
19 beyond.

20
21 You see, these mountains have withstood millions of years of whipping winds,
22 pounding rains, cutting ice, and blistering fires. Cracks have formed and the
23 rock has eroded, but nevertheless they stand tall, serving as a beacon of hope,
24 a point of great pride and a reflection of who we are.

25
26 So when I think about the state of our state, I'm brought back to our purple
27 mountain majesties.

28
29 *The state of our state, just like the people of Colorado, is strong, it is steadfast,*
30 *and in spite of everything, we are boldly moving forward.*

31
32 God bless you all, God bless *our* Colorado, and God bless the United States of
33 America.

1 **EXECUTIVE ORDER**
2 **Full and Unconditional Pardon**
3 **Convictions for Possession of Two Ounces or Less of Marijuana**

4
5 Pursuant to the authority vested in the Governor of the State of
6 Colorado by Article IV, Section 7 of the Colorado Constitution and
7 C.R.S. § 16-17-102(2), I, Jared Polis, Governor of the State of Colorado,
8 issue this Executive Order granting full and unconditional pardons for
9 convictions for possession of two (2) ounces or less of marijuana in the
10 State of Colorado.

11
12 **I. Background**

13
14 On November 6, 2012, Coloradans passed Amendment 64, a State
15 constitutional amendment initiated by the people of Colorado that
16 legalized consumption or possession of limited amounts of marijuana for
17 those twenty-one (21) years of age or older in the State of Colorado.
18 Article XVIII, Section 16 became part of the Colorado Constitution on
19 December 10, 2012, and legalized possessing, using, displaying,
20 purchasing, or transporting marijuana accessories for one (1) ounce or
21 less of marijuana.

22
23 On June 29, 2020, I signed the bipartisan House Bill 20-1424
24 (“HB 20-1424”), Social Equity Licensees in Regulated Marijuana.
25 HB 20-1424 amends C.R.S. § 16-17-102 to allow the Governor to grant
26 pardons to a class of defendants who were convicted of the possession of
27 up to two (2) ounces of marijuana.

28
29 On October 4, 2020, I granted full and unconditional pardons to
30 individuals convicted of possession of one (1) ounce or less of marijuana
31 in the State of Colorado as detailed in Executive Order C 2020 004. My
32 decision to pardon these individuals was a reflection of the law in
33 Colorado at the time that permitted possession of one (1) ounce or less of
34 marijuana. On May 20, 2021, I signed House Bill 21-1090
35 (“HB 21-1090”), which doubled Colorado’s recreational marijuana
36 possession limit to two (2) ounces of marijuana for adults twenty-one (21)
37 and older.

38
39 Through this Executive Order, I am granting pardons for State
40 convictions of possession of two (2) ounces or less of marijuana because
41 possession of two (2) ounces or less of marijuana is no longer illegal in
42 Colorado and it should not be held against people since it is not a crime.

43
44 Unfortunately, many convictions of possession of two (2) ounces
45 or less of marijuana are municipal convictions. This Executive Order
46 only applies to State convictions. Individuals with municipal convictions
47 should seek a remedy on the municipal level. I also urge municipal
48 governments to adopt similar measures, if possible, to help individuals in
49 line with this Executive Order.

50
51 Through this Executive Order, I grant full and unconditional
52 pardons to a class of defendants who were convicted of the possession of
53 up to two (2) ounces of marijuana in the State of Colorado, subject to the
54 grant of clemency below.

A. All convictions in the State of Colorado of a petty offense, misdemeanor, or felony for possession of two (2) ounces or less of marijuana under the following statutory provisions or other relevant Colorado state statutory provisions are hereby granted a full and unconditional pardon. This Executive Order only applies to convictions of two (2) ounces or less of marijuana under state law and no other charges or convictions are pardoned by this Executive Order.

11	Conviction Offense	Charge Level	Statute (C.R.S.)
12	Possession of (2) two ounces or less of marijuana	Petty Offense, Misdemeanor, and Felony	§ 12-22-404, et seq.
15	Possession of (2) two ounces or less of marijuana	Petty Offense, Misdemeanor, and Felony	§ 12-22-412, et seq.
18	Possession of (2) two ounces or less of marijuana	Petty Offense, Misdemeanor, and Felony	§ 18-18-106, et seq.
21	Possession of (2) two ounces or less of marijuana	Petty Offense, Misdemeanor, and Felony	§ 18-18-406, et seq.
24	Possession of (2) two ounces or less of marijuana	Petty Offense, Misdemeanor, and Felony	Any Colorado State statute under which an individual was convicted of possession of (2) two ounces or less of marijuana.

B. For the individuals' whose convictions are pardoned by this Executive Order, all rights of citizenship associated with the pardoned conviction are restored in full without condition. All civil disabilities and public sufferings associated with the pardoned conviction are removed. I direct the Department of Public Safety, through the Colorado Bureau of Investigation, to develop a process to indicate on criminal background checks which individuals' convictions have been pardoned pursuant to this Executive Order.

46 Amend printed bill, page 2, after line 1 insert:

47 "**SECTION 1. Legislative declaration.** (1) The general assembly
48 hereby finds and declares that:

49 (a) Demand for early childhood educators and directors is
50 expected to increase by nearly twenty-five percent over the next ten years,
51 a rate that is even faster anticipated growth than for kindergarten through
52 twelfth grade educators, and the growth rates for early childhood
53 professionals are high everywhere, but are double in rural counties
54 compared to urban counties and highest in frontier counties;

55

1 (b) The early care and education sector is comprised almost
2 exclusively of women, forty percent of whom are people of color, and
3 failure to invest in this profession undermines the economic opportunity
4 of early educators and their ability to support the education of the children
5 in their classroom;

6 (c) These educators represent the most racially diverse sector of
7 the teaching workforce, compared to kindergarten through twelfth grade
8 and postsecondary education, but early educators are among the
9 lowest-paid professionals in every state, including Colorado;

10 (d) On average, early childhood educators earn less than half of
11 the salary of kindergarten teachers and over one-third report receiving
12 subsidies from public assistance programs to make ends meet;

13 (e) Low pay and instability in the early childhood sector contribute
14 to high turnover rates with half of all early childhood education
15 professionals changing jobs within three years;

16 (f) The COVID-19 pandemic has exacerbated the challenges
17 facing the recruitment, retention, and professional development of the
18 early childhood workforce at a time when the need for access to early care
19 and education is acute for working families, and women in particular, to
20 be able to enter the workforce; and

21 (g) Investments in the early care and education workforce have a
22 significant return on investment with every dollar invested in the early
23 care and education sector resulting in two dollars and twenty-seven cents
24 in output in the state economy and every job created in the early care and
25 education sector resulting in an additional nearly one and one-half new
26 jobs in the state economy.

27 (2) Now, therefore, the general assembly declares that supporting
28 the early childhood workforce with a targeted tax credit can support
29 stability in the industry and, in turn, support working families, child
30 development, and economic growth."

21 (a) According to the report issued by the affordable housing
22 transformational task force released in January 2022, an estimated
23 315,000 households in Colorado spend more than fifty percent of their
24 income on housing costs. The report also found that there are 162,557
25 households in the state that are considered to be extremely low income,
26 but only 48,767 housing units that are affordable and available to these
27 families.

28 (b) There is fewer than one legal aid attorney available for every
29 30,000 Coloradans experiencing poverty;

30 (c) This lack of legal assistance leaves Coloradans vulnerable to
31 abuses as they struggle to find stable and affordable housing;

32 (d) Even when a Coloradan is able to obtain relief, such
33 individualized relief often does not lead to systemic change or assist
34 another person similarly situated; and

35 (e) Without safe and stable housing, Coloradans struggle to
36 maintain employment, education outcomes suffer, and community support
37 is lost.

53 "SECTION 1. Legislative declaration. (1) The general assembly
54 hereby finds and declares that:

55

1 (a) In recent years, the role of destination marketing and
2 management organizations in Colorado has evolved to not only support
3 economic growth through tourism, but also to address the social, cultural,
4 and environmental issues related to tourism. In addition to inspiring travel
5 to and within a destination and enhancing a visitor's experience,
6 destination marketing and management organizations now use their
7 expertise to protect our destinations' cultural and natural assets and
8 improve our residents' quality of life. For example, the Colorado tourism
9 office has embedded destination stewardship and sustainable travel
10 principles into its strategic plans, annual campaigns, and key
11 programming.

12 (b) Destination marketing and management organizations across
13 the state are increasingly using their marketing budgets and robust
14 communication channels to disperse travelers and educate visitors on how
15 to travel responsibly and lessen their impact. With values-based
16 marketing campaigns and educational programs like the Colorado tourism
17 office's "Care for Colorado" and "Do Colorado Right", these
18 organizations are well-positioned to deliver messages that encourage the
19 positive change our communities ask all visitors--local, domestic, and
20 international--to adopt while in Colorado.

21 (c) The strides and responsive nature of this marketing approach
22 play a key role in ensuring that visitors responsibly enjoy their stays in the
23 state. A visitor's experience is also heavily influenced by the host
24 community's ability to support their residents and local workforce with
25 housing and other essential services, as well as a strong quality of life that
26 comes with our amazing natural and cultural assets. A thriving
27 community ensures more positive visitor interactions and experiences in
28 our restaurants, on our trails, and throughout our main streets. This, in
29 turn, increases the likelihood that a visitor will return and continue to
30 support our local businesses. Robust support for our residents' needs is
31 essential to the long-term health of both our communities and our
32 economy."

3 **"SECTION 1. Legislative declaration.** (1) The general
4 assembly finds and determines that:

5 (a) The department of regulatory agencies has considered the need
6 for regulating community association managers (CAMs) through two
7 sunrise reviews and one sunset review and has concluded, in each
8 instance, that community association management companies should be
9 regulated by the state, and in the sunrise reports, concluded that regulation
10 of CAMs was necessary to protect the public;

11 (b) In response to the department's 2012 sunrise report, the general
12 assembly enacted House Bill 13-1277, which established a regulatory
13 scheme for CAMs that required all CAMs, whether individuals or
14 business entities, to obtain a license through the division of real estate;

15 (c) In its 2017 sunset review of the regulation of CAMs, the
16 department recommended continuing the regulation in order to gather
17 additional, relevant information, but proposed legislation to continue the
18 regulatory program failed in 2018 and 2019, and the regulation of CAMs
19 ceased in 2019;

20 (d) Since the termination of CAM regulation, the department
21 conducted a study and survey of the industry, homeowners, and other
22 stakeholders and found that sixty-four percent of CAMs and eighty-two
23 percent of homeowners favor regulation of CAMs to protect the public;
24 and

25 (e) Thereafter, the department conducted another sunrise review
26 and concluded that "minimal regulatory programs should be enacted to
27 ensure that CAMs who commit acts such as theft are held accountable
28 through regulatory oversight . . ." and while "regulation may not prevent
29 thefts from occurring in the future, it would potentially prevent a
30 practitioner from practicing again in Colorado."

31 (2) The general assembly therefore declares that the regulation of
32 CAMs:

33 (a) Is important to protect the public, and in particular,
34 homeowners, from financial harm and ensure businesses engaged in the
35 practice of community association management and their employees and
36 contractors have knowledge of applicable laws and are able to perform
37 community association management activities in a manner that ensures
38 homeowners are not financially harmed; and

39 (b) Must be accomplished in a manner that is least restrictive to
40 the business of community association management, is efficient, and is
41 cost-effective in order to avoid significant impacts and minimize burdens
42 on both businesses and homeowners."

18 **FAMILY STRENGTHENING HOME VISITING PROGRAMS**

19
20 **26.5-3-901. Legislative declaration.** (1) THE GENERAL
21 ASSEMBLY FINDS AND DECLARES THAT:

22 (a) TRADITIONAL METHODS OF DELIVERING
23 FAMILY-STRENGTHENING SERVICE PROGRAMS, WHICH OFTEN REQUIRE
24 PARENTS AND THEIR CHILDREN TO TRAVEL TO A PROGRAM SITE TO ACCESS
25 SERVICES DELIVERED SIMULTANEOUSLY TO MULTIPLE FAMILIES, OFTEN
26 CREATE BARRIERS, SUCH AS LIMITED ACCESS TO TRANSPORTATION OR
27 CREATION OF A STIGMA AROUND RECEIVING SERVICES, THAT PREVENT
28 FAMILIES, ESPECIALLY LOW-INCOME FAMILIES, FROM RECEIVING THE
29 BENEFITS OF THE SERVICES;

30 (b) EVIDENCE DEMONSTRATES THAT VOLUNTARY, HIGH-QUALITY,
31 EVIDENCE-BASED PROGRAMS THAT DELIVER FAMILY-STRENGTHENING
32 SUPPORT SERVICES HELP PARENTS AND OTHER CAREGIVERS DEVELOP THE
33 SKILLS AND CONFIDENCE NEEDED TO PROMOTE THEIR CHILDREN'S
34 HEALTHY DEVELOPMENT AND LEARNING;

35 (c) HOME VISITING IS A SERVICE DELIVERY STRATEGY THAT IS
36 SUCCESSFULLY USED TO DELIVER A WIDE ARRAY OF HIGH-QUALITY,
37 VOLUNTARY FAMILY-STRENGTHENING SUPPORT SERVICES AND THAT
38 ENABLES FAMILIES TO OVERCOME BARRIERS TO ACCESS BECAUSE THE
39 SERVICES ARE DELIVERED IN THE HOME OR OTHER CONVENIENT SETTINGS,
40 WHICH ARE OFTEN SELECTED BY THE FAMILY;

41 (d) HOME VISITING IS A SERVICE DELIVERY STRATEGY THAT CAN
42 BE LEVERAGED TO PROVIDE HIGH-QUALITY, VOLUNTARY,
43 FAMILY-STRENGTHENING SUPPORT SERVICES TO MORE COLORADO
44 FAMILIES WHO HAVE FEWER RESOURCES AND ARE EXPOSED TO RISK
45 FACTORS THAT MAY LEAD TO POOR OUTCOMES IN CHILD DEVELOPMENT.
46 USING HOME VISITING TO PROVIDE THESE SERVICES RESULTS IN A STRONG
47 RETURN ON INVESTMENT BY IMPROVING SCHOOL READINESS AND HELPING
48 COLORADO'S CHILDREN REACH THEIR FULL POTENTIAL.

49 (e) FAMILY-STRENGTHENING SUPPORT SERVICES THAT ARE
50 DELIVERED THROUGH HOME VISITING HAVE ALSO DEMONSTRATED
51 IMPROVED FAMILY AND CHILD OUTCOMES BY PROMOTING SOLID
52 PARENT-CHILD RELATIONSHIPS, IMPROVING CHILD AND PARENTAL
53 SOCIAL-EMOTIONAL AND PHYSICAL HEALTH, IMPROVING FAMILY
54 ECONOMIC SECURITY, IDENTIFYING DEVELOPMENTAL DELAYS EARLY,
55 PROVIDING TIMELY CHILD WELFARE INTERVENTION SERVICES, AND

1 PREVENTING TRAUMA AND TOXIC STRESS.

2 (2) THE GENERAL ASSEMBLY FINDS, THEREFORE, THAT
3 AUTHORIZING GRANT PROGRAMS TO SUPPORT HOME VISITING PROGRAMS
4 THAT DELIVER HIGH-QUALITY, VOLUNTARY, FAMILY-STRENGTHENING
5 SUPPORT SERVICES IS ONE OF THE BEST STRATEGIES AVAILABLE TO
6 SUPPORT PARENTS AND OTHER CAREGIVERS IN PREPARING CHILDREN FOR
7 FUTURE SUCCESS AND ENSURE ALL COLORADO CHILDREN ARE READY TO
8 LEARN WHEN THEY ARRIVE AT SCHOOL.

9 **26.5-3-902. Definition.** AS USED IN THIS PART 9, UNLESS THE
10 CONTEXT OTHERWISE REQUIRES, "HOME VISITING" MEANS A
11 TWO-GENERATION DELIVERY STRATEGY THAT IS DESIGNED TO OVERCOME
12 BARRIERS TO ACCESSING SERVICES BY PROVIDING A COMPREHENSIVE
13 ARRAY OF VOLUNTARY, EVIDENCE-BASED, FAMILY-STRENGTHENING
14 SERVICES TO A FAMILY IN A LOCATION USUALLY SELECTED BY THE FAMILY
15 THAT IS CONGRUENT WITH THE SERVICES BEING PROVIDED, WHICH
16 LOCATION MAY INCLUDE, BUT NEED NOT BE LIMITED TO, THE FAMILY'S
17 HOME, A HEALTH CARE SETTING, OR A FAMILY RESOURCE CENTER.

18 **26.5-3-903. Family-strengthening grant programs - authorized**
19 **requirements - implementation partner - rules.** (1) THE DEPARTMENT
20 IS AUTHORIZED TO OPERATE GRANT PROGRAMS TO SUPPORT LOCAL
21 PROVIDERS IN DELIVERING HIGH-QUALITY, VOLUNTARY,
22 FAMILY-STRENGTHENING SUPPORT SERVICES USING HOME VISITING
23 STRATEGIES THAT ARE DESIGNED TO OVERCOME THE ACCESS BARRIERS
24 OFTEN CREATED BY TRADITIONAL DELIVERY STRATEGIES. THE EXECUTIVE
25 DIRECTOR MAY PROMULGATE RULES AS NECESSARY TO IMPLEMENT GRANT
26 PROGRAMS AS AUTHORIZED IN THIS SECTION.

27 (2) ANY GRANT PROGRAMS THAT THE DEPARTMENT OPERATES
28 PURSUANT TO THIS SECTION MUST BE DESIGNED TO AWARD GRANTS TO
29 FAMILY SUPPORT SERVICES PROVIDERS THAT PROVIDE A CONTINUUM OF
30 HIGH-QUALITY, VOLUNTARY, FAMILY-STRENGTHENING SUPPORT SERVICES
31 THAT:

32 (a) SERVE FAMILIES AT SOME POINT DURING THE PERIOD THAT
33 EXTENDS FROM PREGNANCY THROUGH THE CHILD'S ENROLLMENT IN
34 EARLY ELEMENTARY SCHOOL GRADES;

35 (b) ARE EVIDENCE-BASED AND HAVE DEMONSTRATED SIGNIFICANT
36 POSITIVE OUTCOMES IN ONE OR MORE OF THE FOLLOWING AREAS:

44 PROVIDE FAMILY SERVICES THAT IS BASED ON A NATIONAL MODEL FOR
45 HOME VISITING SERVICES OR HAS BEEN OTHERWISE PROVEN EFFECTIVE IN
46 OVERCOMING BARRIERS TO ACCESSING SERVICES;

47 (3) IN IMPLEMENTING A FAMILY-STRENGTHENING GRANT
48 PROGRAM PURSUANT TO THIS SECTION, THE DEPARTMENT SHALL
49 CONTRACT WITH AN IMPLEMENTATION PARTNER. IF A GRANT PROGRAM IS
50 BASED ON A NATIONAL MODEL FOR DELIVERING FAMILY-STRENGTHENING
51 SERVICES, THE DEPARTMENT SHALL CONTRACT WITH A LOCAL PUBLIC OR

53 IN IMPLEMENTING THE NATIONAL MODEL IN THE STATE, TO ACT AS THE
54 IMPLEMENTATION PARTNER. IF A GRANT PROGRAM IS NOT BASED ON A
55 NATIONAL MODEL, THE DEPARTMENT SHALL ISSUE A REQUEST FOR

1 PROPOSALS TO SELECT AN IMPLEMENTATION PARTNER. THE PUBLIC OR
2 PRIVATE ENTITY THAT THE DEPARTMENT SELECTS MUST, AT A MINIMUM,
3 HAVE DEMONSTRATED EXPERIENCE AND EXPERTISE WITH HOME VISITING
4 AND THE TYPES OF FAMILY-STRENGTHENING SERVICES THAT MEET THE
5 PURPOSE OF THE GRANT PROGRAM. THE DUTIES OF AN IMPLEMENTATION

54

1 **19-3-302. Legislative declaration.** (1) The general assembly
 2 declares that the complete reporting of child abuse is a matter of public
 3 concern and that, in enacting this part 3, it is the intent of the general
 4 assembly to protect the best interests of children of this state and to offer
 5 protective services in order to prevent any further harm to a child
 6 suffering from abuse. It is also the intent of the general assembly that if
 7 a county or group of counties decides to establish a child protection team,
 8 that the child protection teams publicly discuss public agencies' responses
 9 to child abuse and neglect reports so that the public and the general
 10 assembly are better informed concerning the operation and administration
 11 of this part 3.

12 (2) (a) THE GENERAL ASSEMBLY FURTHER DECLARES THAT
 13 REQUIRING PEOPLE TO REPORT KNOWN OR SUSPECTED CHILD ABUSE OR
 14 NEGLECT PURSUANT TO THIS PART 3 IMPACTS THE PEOPLE REPORTING AS
 15 WELL AS CHILDREN AND FAMILIES. AS A RESULT OF IMPLICIT BIAS,
 16 UNDER-RESOURCED COMMUNITIES, COMMUNITIES OF COLOR, AND PERSONS
 17 WITH DISABILITIES ARE DISPROPORTIONATELY IMPACTED BY THE
 18 MANDATORY REPORTING SYSTEM. TO CREATE A MORE EQUITABLE
 19 MANDATORY REPORTING SYSTEM, PEOPLE REQUIRED TO REPORT CHILD
 20 ABUSE OR NEGLECT MUST HAVE ACCESS TO NECESSARY RESOURCES TO
 21 REPORT CHILD ABUSE OR NEGLECT, INCLUDING BUT NOT LIMITED TO:

22 (I) SPECIALIZED TRAINING TO ADDRESS AND DECREASE THE
 23 DISPROPORTIONATE IMPACT ON UNDER-RESOURCED COMMUNITIES,
 24 COMMUNITIES OF COLOR, AND PERSONS WITH DISABILITIES;

25 (II) STANDARDIZED TRAINING AND MATERIALS; AND

26 (III) INFORMATION REGARDING OBLIGATIONS AND PROTECTIONS
 27 PURSUANT TO THE LAW.

28 (b) ADDITIONALLY, THROUGH THE CREATION OF A MANDATORY
 29 REPORTER TASK FORCE IN THIS PART 3, DIVERSE REPRESENTATIVES FROM
 30 STATEWIDE ORGANIZATIONS SERVING FAMILIES AND YOUTH SHALL
 31 ANALYZE BEST PRACTICES AND MAY RECOMMEND CHANGES TO TRAINING
 32 MATERIALS AND REPORTING PROCEDURES.

33 **SECTION 2.** In Colorado Revised Statutes, **add** 19-3-304.2 as
 34 follows:

35 **19-3-304.2. Mandatory reporter task force - creation -**
 36 **reporting - definitions - repeal.** (1) AS USED IN THIS SECTION, UNLESS
 37 THE CONTEXT OTHERWISE REQUIRES:

 39 TOWARD AN INDIVIDUAL OR A GROUP OF PEOPLE WITHOUT CONSCIOUS
 40 KNOWLEDGE.

41 (b) "MANDATORY REPORTER" MEANS A PERSON WHO IS REQUIRED
 42 TO REPORT CHILD ABUSE OR NEGLECT PURSUANT TO SECTION 19-3-304.

 47 OR FABRICATING THE CHILD'S MEDICAL HISTORY, OR INTENTIONALLY
 48 INDUCING ILLNESS IN THE CHILD.

49 (2) THERE IS CREATED IN THE OFFICE OF THE CHILD PROTECTION
 50 OMBUDSMAN, ESTABLISHED PURSUANT TO SECTION 19-3.3-102, THE
 51 MANDATORY REPORTER TASK FORCE, REFERRED TO IN THIS SECTION AS
 52 THE "TASK FORCE". THE PURPOSE OF THE TASK FORCE IS TO ANALYZE BEST
 53 PRACTICES AND RECOMMEND CHANGES TO TRAINING REQUIREMENTS AND
 54 REPORTING PROCEDURES. THE TASK FORCE SHALL ANALYZE THE
 55 EFFECTIVENESS OF MANDATORY REPORTING AND ITS RELATIONSHIP WITH

1 SYSTEMIC ISSUES, INCLUDING THE DISPROPORTIONATE IMPACT OF
2 MANDATORY REPORTING ON UNDER-RESOURCED COMMUNITIES,
3 COMMUNITIES OF COLOR, AND PERSONS WITH DISABILITIES. THE TASK
4 FORCE SHALL FOCUS ON SERVING UNDER-RESOURCED COMMUNITIES,
5 COMMUNITIES OF COLOR, AND PERSONS WITH DISABILITIES WHO ARE
6 DISPROPORTIONATELY IMPACTED BY THE MANDATORY REPORTING
7 SYSTEM. THE TASK FORCE MAY PROPOSE CLARIFICATIONS TO THE LAW TO
8 HELP IMPLEMENT ITS RECOMMENDATIONS. THE TASK FORCE MAY MAKE
9 FINDINGS AND RECOMMENDATIONS TO THE GENERAL ASSEMBLY, THE
10 GOVERNOR, AND THE STATE DEPARTMENT ON ADMINISTRATIVE AND
11 LEGISLATIVE CHANGES TO UPDATE MANDATORY REPORTER TRAINING
12 REQUIREMENTS AND REPORTING PROCEDURES FOR REPORTING CHILD
13 ABUSE OR NEGLECT AND TO CREATE AN EQUITABLE MANDATORY
14 REPORTING SYSTEM FOR ALL COLORADO FAMILIES AND CHILDREN,
15 INCLUDING HOW TO DETERMINE THE EFFECTIVENESS OF MANDATORY

16 (c) INTERNSHIPS ARE A RECOGNIZED WAY TO BUILD A TALENT
17 PIPELINE AND CAREER PATHWAY TO ALIGN EDUCATION, TRAINING, AND

33 **and relocated provisions** 26-5-116 as follows:

34 **26-5-116. [Formerly 27-60-113] Out-of-home placement for**
35 **children and youth with mental or behavioral needs - funding -**
36 **report - rules - legislative declaration - repeal.** (1) (a) The general
37 assembly finds and declares that:

38 (I) The COVID-19 pandemic has lead to an emergency need for
39 increased placements for children and youth with behavioral or mental
40 health needs, including those involved with the child welfare system; and

41 (II) As the state works to transition to the critical requirements of
42 the federal "Family First Prevention Services Act", it must ensure a
43 smooth transition by helping existing residential child care facilities
44 transition to qualified residential treatment programs or psychiatric
45 residential treatment facilities.

46 (b) Therefore, the general assembly declares that the state should
47 provide resources to qualified residential treatment programs, psychiatric
48 residential treatment facilities, or therapeutic foster care providers to
49 address this emergency situation and ensure there are high-quality
50 providers available to meet these needs.

51 (2) (a) On or before August 1, 2021, the state department shall
52 develop a program to provide emergency resources to licensed providers
53 to help remove barriers such providers face in serving children and youth
54 whose behavioral or mental health needs require services and treatment
55 in a residential child care facility. Any such licensed provider shall meet

1 the requirements of a qualified residential treatment program, as defined
 2 in section 26-5.4-102; a psychiatric residential treatment facility, as
 3 defined in ~~section 26-5.4-103 (19.5)~~ SECTION 25.5-4-103 (19.5);

11 (II) FOR THE 2022-23 BUDGET YEAR, THE GENERAL ASSEMBLY
 12 SHALL APPROPRIATE MONEY FROM THE BEHAVIORAL AND MENTAL
 13 HEALTH CASH FUND CREATED IN SECTION 24-75-230 TO THE STATE
 14 DEPARTMENT TO FUND OPERATIONAL SUPPORT FOR PSYCHIATRIC
 15 RESIDENTIAL TREATMENT FACILITIES FOR YOUTH, QUALIFIED RESIDENTIAL
 16 TREATMENT PROGRAMS, THERAPEUTIC FOSTER CARE, AND TREATMENT
 17 FOSTER CARE FOR YOUTH ACROSS THE STATE AS DESCRIBED IN THIS
 18 SUBSECTION (2).

19 (III) MONEY SPENT PURSUANT TO THIS SUBSECTION (2) MUST
 20 CONFORM WITH THE ALLOWABLE PURPOSES SET FORTH IN THE FEDERAL
 21 "AMERICAN RESCUE PLAN ACT OF 2021", PUB.L. 117-2, AS AMENDED.
 22 THE STATE DEPARTMENT SHALL EITHER SPEND OR OBLIGATE SUCH
 23 APPROPRIATION PRIOR TO DECEMBER 30, 2024, AND EXPEND THE
 24 APPROPRIATION ON OR BEFORE DECEMBER 31, 2026.

25 (IV) THIS SUBSECTION (2)(b) IS REPEALED, EFFECTIVE SEPTEMBER
 26 1, 2027.

27 (c) THE STATE DEPARTMENT AND ANY PERSON WHO RECEIVES
 28 MONEY FROM THE STATE DEPARTMENT SHALL COMPLY WITH THE
 29 COMPLIANCE, REPORTING, RECORD-KEEPING, AND PROGRAM EVALUATION
 30 REQUIREMENTS ESTABLISHED BY THE OFFICE OF STATE PLANNING AND
 31 BUDGETING AND THE STATE CONTROLLER IN ACCORDANCE WITH SECTION
 32 24-75-226 (5).

33 ~~(3) The state department may promulgate rules concerning the~~
 34 ~~placement of a child or youth in the program. The rules may address~~
 35 ~~quality assurance monitoring, admissions, discharge planning, appropriate~~
 36 ~~length of stay, an appeals process for children and youth who are~~
 37 ~~determined ineligible for the program, and compliance with applicable~~
 38 ~~federal law, including the federal "Family First Prevention Services Act";~~
 39 ~~except that rules concerning the placement of a child or youth who is not~~
 40 ~~in the custody of a state or county department of human or social services~~
 41 ~~shall MUST not inappropriately apply compliance with such act.~~

42 (4) (a) On or before December 31, 2021, the state department shall
 43 contract with licensed providers for the delivery of services to children
 44 and youth who are determined eligible for and placed in the program. A
 45 provider that contracts with the state department shall not:

46 (I) Deny admittance of a child or youth if the child or youth
 47 otherwise meets the eligibility criteria for the program; or

48 (II) Discharge a child or youth based on the severity or complexity
 49 of the ~~child~~ CHILD'S or youth's physical, behavioral, or mental health
 50 needs; except that the state department may arrange for the placement of
 51 a child or youth with an alternate contracted provider if the placement
 52 with the alternate provider is better suited to deliver services that meet the
 53 needs of the child or youth.

54

1 (b) The state department shall reimburse a provider directly for
2 the costs associated with the placement of a child or youth in the program
3 for the duration of the treatment, including the costs the provider
4 demonstrates are necessary in order for the provider to operate
5 continuously during this period.

6 (c) The state department shall coordinate with the department of
7 health care policy and financing to support continuity of care and
8 payment for services for any children or youth placed in the program.

9 (d) The state department shall reimburse the provider one hundred
10 percent of the cost of unutilized beds in the program to ensure available
11 space for emergency residential out-of-home placements.

12 (5) (a) A hospital, health-care provider, provider of case
13 management services, school district, managed care entity, or state or
14 county department of human or social services may refer a family for the
15 placement of a child or youth in the program. The entity referring a child
16 or youth for placement in the program shall submit or assist the family
17 with submitting an application to the state department for review. The
18 state department shall consider each application as space becomes
19 available. The state department shall approve admissions into the program
20 and determine admission and discharge criteria for placement.

21 (b) The state department shall develop a discharge plan for each
22 child or youth placed in the program. The plan must include the eligible
23 period of placement of the child or youth and shall identify the entity that
24 will be responsible for the placement costs if the child or youth remains
25 with the provider beyond the date of eligibility identified in the plan.

26 (c) The entity or family that places the child or youth in the
27 program retains the right to remove the child or youth from the program

30 department for placing a child or youth in the program, the state
31 department shall work with the referring entity and the child's or youth's
32 parents or legal guardians to ensure the child or youth is assessed for
33 eligibility for enrollment into the state medical assistance program. A

36 the state medical assistance program does not constitute automatic
37 placement into the program.

38 (7) ~~No later than November 1, 2022, 2023, and 2024~~ ON OR
39 BEFORE NOVEMBER 1, 2023, AND EVERY NOVEMBER 1 THEREAFTER, the

54 **"SECTION 1. Legislative declaration.** (1) The general assembly
 55 finds and declares that:

1 (a) The effects of post-traumatic stress disorder (PTSD) in
2 patients, along with common comorbidities such as, but not limited to,
3 disassociation, depression, and childhood trauma, represent a major
4 public health crisis for which the currently available treatments are
5 described by medical experts as modest at best;

6 (b) Veterans, first responders, survivors of sexual assault,
7 survivors of natural disasters, and other vulnerable populations who have
8 experienced or witnessed a life-threatening or traumatic event are
9 disproportionately likely to suffer from PTSD and common
10 comorbidities;

11 (c) According to the national center for PTSD, six percent of the
12 population of the United States will have PTSD at some point in their
13 lives and, in any given year, about fifteen million adults have PTSD;

14 (d) The federal department of veterans affairs spent seventeen
15 billion dollars on disability payments for more than one million veterans
16 with PTSD;

17 (e) Results from a phase 3 clinical trial in 2021 demonstrated that
18 3,4-methylenedioxymethamphetamine (MDMA)-assisted therapy for the
19 treatment of patients with severe PTSD and other comorbidities can be
20 highly effective if paired with talk therapy and counseling. In that clinical
21 trial, two out of three study participants were no longer considered to
22 have a PTSD diagnosis after treatment and eighty-eight percent
23 experienced a clinically significant reduction in symptoms.

24 (f) In 2015, the United States congress passed the "Improving
25 Regulatory Transparency for New Medical Therapies Act", which gives
26 the federal drug enforcement administration ninety days to schedule a
27 substance under the federal "Controlled Substances Act" when it is
28 approved for use by the federal food and drug administration; and

29 (g) As of March 2022, it is widely expected that the federal food
30 and drug administration will approve MDMA-assisted therapy for
31 prescription use for PTSD as soon as 2023.

32 (2) Therefore, the general assembly declares that it is in the best
33 interests of the people of Colorado that behavioral health professionals in
34 Colorado have the ability to provide MDMA-assisted therapy to treat
35 patients with PTSD and other comorbidities if the federal food and drug
36 administration ultimately approves it for prescription use."

5 fundamental right to make reproductive health-care decisions free from
6 government interference. In the State of Colorado, the serious decision
7 to start or end a pregnancy with medical assistance will remain between
8 a person, their doctor, and their faith. I want to thank the sponsors and
9 the General Assembly for ensuring that regardless of what happens
10 federally, in Colorado these vital and oftentimes difficult decisions will
11 continue to be made by Coloradans alone, free from government
12 interference.

13
14 This important bill simply codifies existing protections in statute. The
15 bill does not make any changes to the current legal framework for
16 parental notification that exists in state law. This bill will also prevent
17 any person from being forced to end or continue a pregnancy, and ensure
18 that no one is forced to perform or have an abortion against their will or
19 conscience. Such is already the case in Colorado today. This bill simply
20 maintains this status quo regardless of what happens at the federal level
21 and preserves all existing constitutional rights and obligations.

22
23 As the federal legal landscape surrounding reproductive health care
24 evolves, Colorado can now thankfully continue to assure individuals that
25 their intimate right to choose how and whether to proceed with family
26 planning and pregnancy is protected at the state level.

27
28 Again, I thank the sponsors and proponents for passing HB 22-1279. The
29 Reproductive Health Equity Act will preserve Coloradans' right to choose
30 how to utilize reproductive health care services by codifying existing
31 protections into state law.

32
33 Sincerely,
34 /signed/
35 Jared Polis
