"SECTION 4. Appropriation. (1) For the 2022-23 state fiscal year, $44,557 is appropriated to the department of human services for use by the behavioral health administration. This appropriation is from funds transferred from the division of housing in the department of local affairs from the regional navigation campus cash fund created in section 24-32-726 (8)(a), C.R.S., that originates from the money the state received from the federal coronavirus state fiscal recovery fund, and is based on an assumption that the administration will require an additional 0.4 FTE. To implement this act, the administration may use this appropriation for program administration."

Renumber succeeding section accordingly.
