

An Act

HOUSE BILL 24-1207

BY REPRESENTATIVE(S) Bird and Sirota, Taggart, Amabile, Bacon, Brown, Clifford, Duran, English, Epps, Froelich, Garcia, Hamrick, Hernandez, Jodeh, Joseph, Lieder, Lindsay, Lindstedt, Lukens, Mabrey, Martinez, Mauro, McLachlan, Ricks, Rutinel, Snyder, Story, Titone, Velasco, Vigil, Weissman, Willford, Woodrow, Young, McCluskie; also SENATOR(S) Zenzinger and Kirkmeyer, Exum, Fields, Lundeen, Priola.

CONCERNING ADJUSTMENTS TO SCHOOL FUNDING FOR THE 2023-24 BUDGET YEAR, AND, IN CONNECTION THEREWITH, REDUCING AN APPROPRIATION.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Legislative declaration. (1) The general assembly finds that:

(a) The actual funded pupil count and at-risk pupil count for the 2023-24 budget year are higher than anticipated when the appropriation was established in the 2023 legislative session for total program funding for the 2023-24 budget year. As a result, total program funding, before application of the budget stabilization factor, is \$61,208,977 higher than anticipated

Capital letters or bold & italic numbers indicate new material added to existing law; dashes through words or numbers indicate deletions from existing law and such material is not part of the act.

when appropriations were established in the 2023 legislative session.

(b) Based on actual local property tax revenue and specific ownership tax revenue available to school districts for the 2023-24 budget year, the local share of total program funding is \$85,173,767 higher than anticipated when appropriations were established in the 2023 legislative session.

(2) Therefore, it is the general assembly's intent to maintain the budget stabilization factor at the dollar amount of the original appropriation from the 2023 legislative session for the 2023-24 budget year, resulting in a decrease of \$23,964,790 to the state share of districts' total program funding, which amount will remain in the state education fund.

SECTION 2. In Colorado Revised Statutes, 22-54-104, **amend (5)(g)(I)(N)** as follows:

22-54-104. District total program - definitions - repeal. (5) For purposes of the formulas used in this section:

(g) (I) For the 2010-11 budget year through the 2023-24 budget year, the general assembly determines that stabilization of the state budget requires a reduction in the amount of the annual appropriation to fund the state's share of total program funding for all districts and the funding for institute charter schools. The department of education shall implement the reduction in total program funding through the application of a budget stabilization factor as provided in this subsection (5)(g)(I). For the 2010-11 budget year through the 2023-24 budget year, the department of education and the staff of the legislative council shall determine, based on budget projections, the amount of such reduction to ensure the following:

(N) That, for the 2023-24 budget year, the sum of the total program funding for all districts, including the funding for institute charter schools, after application of the budget stabilization factor, is not less than ~~nine billion one hundred one million six hundred thousand nine hundred twenty-two dollars (\$9,101,600,922)~~ NINE BILLION ONE HUNDRED SEVENTY-ONE MILLION EIGHT HUNDRED TWENTY-SEVEN THOUSAND THREE HUNDRED FIFTEEN DOLLARS (\$9,171,827,315); except that the department of education and the staff of the legislative council shall make mid-year revisions to replace projections with actual figures, including but not limited

to actual pupil enrollment, assessed valuations, and specific ownership tax revenue from the prior year, to determine any necessary changes in the amount of the reduction to maintain a total program funding amount for the applicable budget year that is consistent with this subsection (5)(g)(I)(N). For the 2024-25 budget year, the difference between calculated statewide total program funding and actual statewide total program funding must not exceed the difference between calculated statewide total program funding and actual statewide total program funding for the 2023-24 budget year.
