~~(b) The institute shall annually distribute the money appropriated or transferred to the fund FOR FULL MILL LEVY EQUALIZATION PURSUANT TO SUBSECTION (2)(a.5)(I) OF THIS SECTION to the institute charter schools on an equal per-pupil basis; except that, in any budget year, an institute charter school shall not receive a per pupil amount that is greater than the total amount of additional mill levy revenue, as defined in section 22-32-108.5, that the accounting district for the institute charter school is authorized to collect, divided by the funded pupil count, as defined in section 22-54-103, of the accounting district for the applicable budget year.
