- ! Contact law enforcement where the dealer is located and, using the vehicle identification number, verify that the off-highway vehicle has not been reported stolen;
- ! Contact the county clerk in the county where the dealer is located to determine if the off-highway vehicle is subject to a security interest; and
- ! Require the seller to sign an affidavit under the penalty of perjury that the seller owns the off-highway vehicle and how long the seller has owned it.

To obtain a certificate of title, the dealer must present the affidavit to the department of revenue.

Current law allows an off-highway vehicle registration to serve as proof of ownership. The bill limits this to vehicles purchased before July 1, 2014, that have been registered for one year.
