Current Appropriations Clause in Bill

The bill neither requires nor contains an appropriation clause for FY 2016-17.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2016-17 based on the March 2016 Legislative Council Staff revenue forecast. The budget package allocates a total of \$3.2 million General Fund for 2016 legislation that is not accounted for in the budget package, including \$3.0 million to be available for appropriations plus \$0.2 million for the associated 6.5 percent statutory reserve. If this amount is not used to fund legislation, it will remain in the General Fund reserve.

Future Fiscal Impact

Although this bill would not require a General Fund appropriation for FY 2016-17, it is projected to require a General Fund appropriation of \$45,038 in FY 2017-18.
