(2) Now, therefore, the general assembly declares that beginning in 2018, and every year thereafter, the department of public safety shall include as part of its "State Measurement for Accountable, Responsive, and Transparent (SMART) Government Act" hearing required by section 2-7-203, Colorado Revised Statutes, information concerning the reports submitted by law enforcement agencies, including but not limited to information concerning reports of bias-motivated crimes.

(5) (a) To assist the bureau in its operation of the uniform crime reporting program, every law enforcement agency in this state shall furnish such information to the bureau concerning crimes, arrests, and stolen and recovered property as is necessary for uniform compilation of statewide reported crime, arrest, and recovered property statistics. In cases involving child abuse or sexual assault on a
child and in all other cases involving murder, sexual assault, or robbery, the law enforcement agency shall furnish information to the bureau concerning the modus operandi of such crimes in order to facilitate the identification of cross-jurisdictional offenders.
