1           **SECTION 1. Legislative declaration.** (1) The general assembly  
2 finds and declares that:

3           (a) Colorado has established throughout the state a variety of  
4 research, baccalaureate, community, local district, and technical colleges;

5           (b) The state's three area technical colleges provide secondary and  
6 postsecondary career and technical education;

7           (c) The area technical colleges are not state institutions of higher  
8 education, but instead a part of their local school districts;

9           (d) The Delta-Montrose technical college was established in 1977  
10 as a partnership between the Delta and Montrose school districts;

11           (e) The Delta-Montrose technical college provides career and  
12 technical education at secondary and postsecondary levels to students  
13 across a variety of geographic areas and communities in western  
14 Colorado;

15           (f) The Delta-Montrose technical college offers postsecondary  
16 certificates in important areas such as practical nursing, nurse assistants,  
17 emergency medical services, law enforcement, computer-aided design,  
18 early childhood, automotive, cosmetology, barbering, massage therapy,  
19 and business;

20           (g) Given some of the changing economic conditions of  
21 Colorado's western slope, maintaining a variety of postsecondary options,  
22 including a strong and vibrant career and technical education system, is  
23 critical; and

24           (h) Changing the name of Delta-Montrose technical college  
25 reflects the larger geographical boundaries of the technical college today  
26 and will enhance the geographic and reputational distinctiveness of the  
27 college.

1 (2) Therefore, the general assembly declares that to promote the  
2 availability of career and technical education throughout its service area,  
3 the Delta-Montrose technical college's name should be changed to the  
4 "technical college of the Rockies".

5 **SECTION 2.** In Colorado Revised Statutes, 23-60-103, **amend**  
6 the introductory portion and (1) as follows:

7 **23-60-103. Definitions.** As used in this ~~article~~ ARTICLE 60, unless

12 general assembly as an area technical college in conformity with  
13 standards established by the state board for community colleges and  
14 occupational education. Tuition rates and fees charged any person not
