image of himself or herself or of another juvenile to the view of more than one other person or to the view of another person:

- ! Without the depicted juvenile's consent; or
- ! When the recipient did not solicit or request to be supplied with the image or images and suffered emotional distress; or
- ! When the juvenile knew or should have known that the depicted juvenile had a reasonable expectation that the image would remain private.

The bill creates the crime of possessing private images by a juvenile. The offense prohibits a juvenile from possessing a sexually explicit image of another juvenile without the depicted juvenile's consent or after the depicted juvenile rescinds his or her consent. The bill states it is not a violation of either offense if the person was coerced, intimidated, or harassed into committing the offense.

A juvenile whose conduct satisfies either offense cannot be charged with sexual exploitation of a child.

The bill creates an exception to the offense of sexual exploitation of a child if the person is under 18 years of age and the child is at least 14 years of age or less than 4 years younger than the person unless the person discloses publicly any sexually exploitative material that depicts the child or distributes, displays, or publishes, with the intent to obtain a pecuniary benefit from anyone, sexually exploitative material that depicts the child. The bill states it is not a violation of sexual exploitation of a child if a person under 18 was coerced, intimidated, or harassed into disclosing publicly a sexually exploitative image.

The bill requires the school safety resource center to make available a sexting curriculum for school districts to use.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 hereby finds and declares that:

4 (a) Currently when a juvenile engages in sexting behavior, usually
5 the only available offense with which to charge that juvenile is sexual
6 exploitation of a child, which is a class 3 felony;

7 (b) It is necessary to provide in statute the ability of all law
8 enforcement, including district attorneys, to charge lower level offenses
9 or civil infractions in addition to providing other diversionary programs

1 that can more appropriately address the conduct involved in cases
2 involving sexting behavior;

3 (c) It is imperative that, for any offense charged or civil infraction
4 issued, the court have the discretion to impose appropriate sanctions that
5 are consistent with the objectives of the Colorado children's code; and

6 (d) In order to track and assess the efficacy of creating these new
7 offenses and their impact on any reduction in the filing of felony charges,
8 the impact on the number of diversion or alternative case resolution
9 programs, the level of education provided to teens on issues related to
10 sexting behavior, and any discernable impact on teen sexting behavior,
11 the judicial department, school safety resource officers, and district
12 attorneys' offices should track the number of cases, including the offenses
13 involved, the number of juveniles who participated in the education
14 programs provided for in this legislation, and who provided those
15 programs.

16 (2) Therefore, the general assembly is creating the crimes of
17 posting private images by a juvenile and possessing private images by a
18 juvenile and the civil infraction of exchange of a private image by a
19 juvenile.
